Me: It sure is. Nezbitt I have a question I have been meaning to get off my chest. Five Headed Dragon, your signature monster has 5 heads each for Fire, Water, Earth, Darkness and Wind and you chose these 5 monsters. Deepsea Warrior and Nightmare Penguin are monsters of Waters, Robotic Knight is for Fire, Judge Man is for Earth and Jinzo is Darkness. How come there isn't one for Wind?

They fired waves of elements and energy and they formed into said enemies of Mario from over the course of 40+ Years.

Lincoln and his harem: MARIO ENEMY FINAL SMASH: KOOPA TROOP STRIKE!

They summoned the Koopa Troop to attack President Koopa!

And the blasts all hit him and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was knocked down by the explosion!

Mario and Luigi gave me and Nico Deevolution Guns.

Me: You know what's ironic Koopa?

President Koopa: What?

Me: That your own deevolution guns proved to be your downfall!

We fired the guns at him and he was was changing and he was devolving back to a Tyrannosaurus Rex and he was getting his prehistoric features back.

Meridith McHenrickson: And here is for this!

She threw an exploding boulder and it landed under him in between his legs and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was sent flying and he landed in a huge bucket.

Varie: Is he dead?

Me: Not yet.

But then…

RRRRRRRRRRRROOOOOOOOOOOOOOOOOOOOOOOOOOOOAAAA

Koopa popped out and he was an ugly semi-humanoid dinosaur creature and he had UGLY TEETH!

Me: My what ugly teeth you have!

Me, Nico, Mario and Luigi: SEE YOU LATER ALLIGATOR!

We fired another deevolvution blast and he was back to a Tyrannosaurus and then he fell out and turned into a big glob of primordial slime and fell to the ground in a huge splash! HE WAS DEAD!

Nico: President Koopa you have failed this city!

Everyone cheered wildly for us!

Devack: You might be a live action version of Mario. But you still did great.

1993 Mario: You guys did awesome too.

Avalanche: Of course we did.

Me: Thanks Mario. We all did.

Pyros: I really hope you eventually find a Peach in this world, Mario

1993 Mario: I'm sure I will. And maybe, you can introduce me to your version of me.

Shiv: That's a good idea.

Me: Not a bad idea.

Ranamon: Now, about that Brooklyn Style Pizza we were promised?

Me: Good idea.

Nico: I agree too.

?: (Scottish Accent) I will have my revenge on you for killing me!

Champions of the Universe were glowing, and that means we've got big trouble incoming.

Bart: I knew there's no mistaking that voice from anywhere. You can come out now, Groundskeeper Willie.

A figure came out, and it was none other than Groundskeeper Willie, the only Springfield Scumbag that wasn't resurrected by Vypra, and has returned from the dead to seek revenge on us.

Me: Lincoln was definitely right that you came back from the dead, Groundskeeper Willie.

Duke Lincoln: (Scottish Accent) You may be a loyal Scotsman, Groundskeeper Willie, but what you've done in Springfield has proven that you're just as corrupt as Mr. Burns and completely incompetent, and there's only one fate that awaits you: death and banishment to Oblivion for good.

Bart: And what you did to get me in trouble, you don't deserve to be forgiven ever.

Queen Fyora: And I refuse to let you leave here alive.

Suddenly, Queen Fyora's pink eyes turned neon pink, and she was surrounded by a pink energy aura with fairies and pink magic, she got out her massive Neopia's Magic Staff of Magical Justice, and as she approached Groundskeeper Willie, she left pink energy, fairies, pink magic, and light with every step.

Queen Fyora: Groundskeeper Willie, the crimes that you've committed in Springfield can never be forgiven, you've caused enough trouble for everyone for the last time, and now, I shall administer your punishment.

Suddenly, Queen Fyora was then surrounded by a massive vortex of pink energy with pink magic surrounding it, there was a fairy flying around the vortex, and in the vortex is a light blue phoenix. Then, as the vortex faded, Queen Fyora emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Queen Fyora grew to 6'5" in height, she had the body of a goddess and she has pink highlights in the bangs of her long pink hair and she still has on her tiara, she has neon pink eyes and a pink energy aura with fairies and pink magic surrounding her, she has a fairy with magic sparkles in its hands emblazoned on her forehead, she has on fairy earrings with pink gems for eyes and holding the Magic and Eternity Kanjis in its hands, and she also has a fairy with pink gems for the eyes and the Magic and Eternity Kanjis in its hands alongside the Phoenix pendant of her Elemental Phoenix of Eternal Love necklace with pink crystal links from her merged Crystal Necklace of the Buddha and pink gems on the gold flame links. Queen Fyora has on a sleeveless long pink dress with light blue phoenix on it, she has on the pink ribbons around her arms, she has on pink high heels, and she has on a long pink sleeveless trenchcoat with magic and fairies on the coattails, and on the back is a fairy surrounded by magic. Queen Fyora's pink fairy wings grew much bigger for her new body, and they have a fairy and a phoenix and angel in them, Queen Fyora has on a Ring of The Phoenix with pink gem on her right ring finger and a Star Sapphire ring on her left ring finger.

Queen Fyora has her massive Neopia's Magic Staff of Magical Justice in her right hand, Queen Fyora has on her new large gold cuff Bracelets of the Champions of The Universe with pink gems on her wrists, gold Belt of Elemental Bravery with a gold phoenix head with pink gems for eyes and a large pink gem in its open mouth for the belt buckle, large pink Spellbook of The Gods and The Universe and large pink Spellbook of The Elemental Gods on her left hip and Eater of Sins revolver holstered on her right hip. There's a blue kanji below the fairy that said, "Queen Fyora, Leader of Faerieland, Lady of the Western Skies, Powerful Guardian of Neopia, Vanquisher of The Darkest Faerie, Dear Friend of Tormund Ellis and Roberta, Loving Future Wife of James Dean Knudson, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Faeries and Magic."

妻、悪の殺し屋、混乱した、殺人、冷酷な、とサディスティックな野郎、驚くべき強力な教師の驚くべき強力な学生、そして妖精と魔法のマスター

Queen Fyora has transformed into SUPER ANGEL ETERNITY INFINITY TRUE LOVE MAGICAL FAIRY OF NEOPIA JUSTICE AND MAGICAL LOVE!

We were amazed by Queen Fyora's Super Angel Infinity transformation, and when I saw Queen Fyora, I had an atomic red blush on my face, I had hearts in my eyes, and steam came out of my ears as the whistle sounded. Then, she blasted Groundskeeper Willie and sent him flying backfirst into a wall.

Tormund Ellis: Wow, Queen Fyora's transformed.

Roberta: That's incredible.

Jhudora the Dark Earth Fairy: Groundskeeper Willie's in big trouble now, especially now that J.D.'s going to also join in.

Groundskeeper Willie got up and in a fit of rage, he ripped off his shirt, and he was very muscular, and we know he's physically strong due to years of hard labor in Springfield.

Nico: Uh oh, I knew he was going to do that.

Me: Wow, Queen Fyora, you look beautiful. How do you feel?

Queen Fyora: (Divine Echoing Cosmic Voice of The Magical Fairy and Magical Love) **I feel incredible, J.D. Now, shall we deal with this mentally damaged Scotsman once and for all?**

Me: (Smirks) With pleasure.

Lincoln and Nico: Show him no mercy, J.D. and Queen Fyora.

I transformed into Super Angel Xelnaga Infinite Eternity Friendship God, and then, I unholstered my Universal Sword of Elemental Harmony and Eternal Hope from my wider and muscular back, and I joined Queen Fyora.

Me: (Divine Echoing Cosmic Voice of Friendship and Universal Hope) **Let's get him.**

Queen Fyora and I went after Groundskeeper Willie, and we fired powerful blasts of rainbow energy, pink energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Angels, Phoenixes, Wolves, and Fairies and they exploded with incredible power as they hit Groundskeeper Willie. Then, I engaged in a brutal fight with Groundskeeper Willie as I punched and kicked him all over with incredible strength, and Queen Fyora blasted him with her staff. Then, I grabbed him by the neck with my right hand and hurled him into the air with my immense and brute superhuman strength.

Queen Fyora: **Let's put an end to him once and for all, J.D.**

Me: **You got it, Queen Fyora.**

Me and Queen Fyora: **ELEMENTAL MAGICAL FIRESTORM KAMEHAMEHA!**

Queen Fyora and I fired a massive Kamehameha energy wave made of rainbow and pink energy with elemental forces, and as they hit Groundskeeper Willie, they exploded with incredible power, and the resulting explosion killed him, and Groundskeeper Willie was Super Hakaied. Everyone cheered wildly as Queen Fyora and I holstered our weapons on our backs and power down, and Queen Fyora's new body, clothes, weapons, jewelry, and massive fairy wings are permanent.

Queen Fyora: That's it for Groundskeeper Willie, and this time, he's not coming back. Thanks for helping me with taking care of Groundskeeper Willie, J.D.

Me: (Smiles Warmly) You're welcome, Queen Fyora.

Suddenly, Queen Fyora wrapped her arms around my waist, and it brought an atomic blush to my face, as I wrapped my abnormally massive and powerful muscular arms around her waist and I brought her into an embrace, which took her by surprise and brought an atomic red blush to her face. Then, as I lean down to Queen Fyora's face, we kissed passionately as Queen Fyora wrapped her left arm around my wider and muscular back, and she placed her left hand on my massive and wide right pec, and right behind us was a Phoenix, Angel, and flying in the air, and a pack of wolves running across the field, and the display of the elemental forces behind us, and everyone cheered for us.

Lori: Just like with Lincoln and his future wives, this is literally too beautiful.

Lincoln: You said it, Lori.

Nico: Way to go, guys.

Me: Thanks, Nico. Now, we're rid of Groundskeeper Willie for good, and he ain't ever coming back to torment anyone ever again.

Duke Lincoln: (Scottish Accent) All the same really, J.D. He's caused far too much trouble for anyone in Springfield for many years, lads, and he deserved to die a second time.

Eli: But, this time, it's the last time we deal with him.

Nico: You got that right, Eli. Groundskeeper Willie, you have failed Scotland and this entire universe.

Lincoln: You got that right, Nico. What he did in Springfield has proved that he's dishonored Scotland, the very land where our ancestors came from.

Duke Lincoln: (Scottish Accent) Indeed, Lincoln, if it were up to me, I would brutally pulverize him for what he's done, and if he was around in my time, I'd have him executed for what he's done.

Nico: (Winces) Yeah, that'd be a fitting punishment for him, Duke Lincoln, and we'll see about getting you an archenemy for you and your family.

Lucille: (Scottish Accent) Good thinking, lad.

1993 Mario: (To the viewers) This was a great adventure for you all and it was so awesome that we faced Koopa. Now he is one of the Masters of Evil later on in the future.

Nico: Yes he is. Meridith you did really awesome against Koopa.

Meridith McHenrickson: Thanks Nico. It was really fun now.

Nico: It sure was. Great job everyone! Lets go get some pizza.

We went to a Brooklyn pizzeria and had awesome Brooklyn Style pizza and it was awesome. Later we went back home and enjoyed the rest of the day and went to sleep. Another great adventure was in the books.

THE END

---

Another awesome chapter done.

Super Mario Bros. from 1993 was a great movie and it was so awesome and amazingly adventurous. Bob Hoskins and Dennis Hopper and many big stars in that movie all did a really great job in that movie. It was so awesome. Too bad it didn't do well in the box office but it became a cult movie. It's one of my favorite movies from my youth and it was awesome. This whole chapter was made in honor of the great actors Bob Hoskins and Dennis Hopper. It was awesome how they did in that movie.

Rest In Peace

Bob Hoskins - October 26th, 1942 - April 29th, 2014

Dennis Hopper - May 17, 1936 - May 29, 2010

They will never be forgotten. The first part of the chapter was for dealing with a Ben 10 enemy. The second part was for the 1989 movie Jawbreaker and that was a great movie. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, Etstheclarencefan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Thanks guys. Nico's next rescue is gonna be a really awesome and cool one as Nico, Joel Tennyson, Camille Tennyson, Lucy Mann, Shanan, SpongeBob, Eli, me, Twilight and friends, May, Laney, Lola, Lana, Lily, Camie, Sirius, Ibara, Ochaco and Varie will be going to Ponyville and we're going to face a MONSTER OF RAW SEWAGE! Also we're going to meet a Lenopan gene-slammer named Jane Euripides from Greece. Jane Euripides is a really talented girl when it comes to Archaeology and she has amazing skills in learning all about history. She is one of Nico's friends in school and has found amazing things in history and she is now a Lenopan Gene-Slammer. We're also going to reveal a flashback of the MLP episode Sister Hoof Social before we face the Raw Sewage Monster. For Lincoln's rescue we're going to Stormalong Harbor and we're going to face one of Flapjack's enemies and we're going to face the Dock Hag and we're also going to meet a gene-slammer named Griselda Huffington and she is a gene-slammer for Gren, Tactician of Dark World. The next chapter is gonna be taking us on a mystical adventure as we go to the world of Wakfu and we're going there to face Nox.

See you all tomorrow.

# Peril in The World of Twelve

In Ponyville was Nico, Joel Tennyson, Camille Tennyson, Lucy Mann, Shanan, SpongeBob, Eli, me, Twilight and friends, May, Laney, Lola, Lana, Lily, Camie, Sirius, Ibara, Ochaco and Varie and we were there for another awesome rescue.

Nico: Thanks for coming with me, Spongebob.

SpongeBob: No problem Nico. This is gonna be so awesome to go on a great rescue with you all.

Me: It's always fun for us. Also the next rescue is in Ponyville again. How cool.

Joel Tennyson: It sure is awesome.

Camille Tennyson: It sure is awesome.

Lucy Mann: I'm looking forward to all this.

Shanan: We sure are Lucy.

Camie: This is gonna be awesome seeing what will be here.

Eli: It sure will be awesome.

Nico: Spongebob, remember when we faced that Robot Army?

SpongeBob: Boy that was so awesome Nico.

Lily: Those robots were amazing to face. They packed a wallop too.

SpongeBob: They sure did Lily.

Nico: Yeah that was nuts.

Sirius: Camille I heard that your wedding was something you didn't like because of your family?

Camille Tennyson: Yes that's right. The reason is because of my home planet's history.

Shanan: It's because of what happened between us and the Lenopans, her kind. There was a terrible feud between our kinds that lasted for years. The Plumbers of Earth and the Lenopans of the planet Lenos went at it for years. But Joel and Camille met and became close and after they got married the feud was finally ended.

Camille Tennyson: That's right Shanan.

Sirius: Oh man. That is terrible!

Camie: That kind of feud must've been really bad.

Nico: It was Camie.

Me: That was one of the worst we have ever heard about. It was what we call an Interstellar Hatfields and McCoys caliber feud.

Twilight Sparkle: That is crazy. I can't believe that the Plumbers were fighting like that with the Lenopans.

Lucy Mann: Yeah it was awful.

SpongeBob: I'm sure your wedding wasn't completely terrible.

Joel Tennyson: It wasn't that bad.

Lucy Mann: And I danced with Ben back then.

Sunset Shimmer: That is cool though.

Me: And we made sure that Camille's so-called parents paid the ultimate price.

Lola: Yeah we sure did. That was awesome.

Nico: I remember that.

Rarity: I would never have a bad wedding like that.

Sweetie Belle: As long as I don't mess everything up like I did with

Rarity.

Me: Oh yeah. Me and Nico remember that.

Nico: Yeah that was strange.

FLASHBACK - Takes place after The Mothers Day Chapter 1398

---

It was morning and it was a beautiful day.

[birds chirping]

Rarity was just waking up.

Rarity: [mumbling in sleep] Oh… Are those sweet… carrot… pancakes I smell? [gasp] Mmm, how divine, num num num num. The aroma… spiced warm apple cider.

But then smoke filled the air.

Rarity: [sniff] Ahh, and, the smell of… smoke… smoke? Smoke?! SMOO- AAH!

She ran out of her bed with her sleeping mask on.

[fire siren, crashing, yelps]

She fell down the stairs and landed on her face. Ouch.

Sweetie Belle: Rarity! Rrgh, you ruined the surprise! I was gonna serve you breakfast in bed!

Sweetie Belle was there and she burned the breakfast.

Rarity: [sigh]

Oh boy.

She was going up to Sweetie Belle.

Rarity: [inhales]

Just as she was about to reprimand her sister…

Hondo Flanks: Well! G'mornin', Rarity!

Rarity: Father! Mother!

Hondo Flanks: I'll have you know that Sweetie Belle here cooked this yummy lookin' breakfast all on her own.

Rarity: I… figured. [sniffs] I didn't know you could burn juice.

Me and Nico came in.

Me: Good morning Rarity, Sweetie Belle.

Sweetie Belle: Morning guys.

Nico: Having breakfast?

Rarity: If you can call it that.

Hondo Flanks: Well good morning J.D. and Nico.

Nico: Hello Hondo Flanks, Cookie Crumbles.

We saw the breakfast burned.

Me: Whoa.

Sweetie Belle: I made the breakfast.

Cookie Crumbles: I've been giving her lessons. I wouldn't be surprised if she's got a cutie mark in fancy cooking by the time we get back from our vacation.

Me: She did do her best and that's all that counts.

Nico: It was a good effort.

Rarity: Vacation? Is that this week? As in 'starting this very instant' this week?! Uurh. Let me guess: apple sauce?

Sweetie Belle: Nope. Toast!

Me: I didn't know you could burn toast like that.

Swwetie Belle: We're gonna have the bestest time two sisters could ever have! I'm gonna go grab my stuff from Dad's wagon.

Me: Oh Rarity I made more fashion designs for you for your latest upcoming fashion lines for you.

I pulled out a notebook and gave it to her.

Rarity: Oh thank you J.D.

She took the notebook.

Rarity: So, now, when you say 'a week'… is that, um, seven whole days?

Cookie Crumbles: And six nights, I know! Such a short time to spend with your little sis.

Hondo Flanks: You gonna eat that?

Rarity: But I've got such a long to-do list. Oh well, I suppose 'spend time with your sister' will just have to be added to the list.

[crash]

We saw that Sweetie Belle had a bunch of suitcases with her.

Sweetie Belle: Just a few necessities.

Me: Wow! And I thought that you overpack too much Rarity.

[horn honks]

Hondo Flanks and Cookie Crumbles were off.

Me: Have a fun time!

Nico: See you soon!

We went back in.

Rarity: Now, let's get that kitchen all cleaned up.

Sweetie Belle: Cleaned up? But we haven't even eaten yet.

Rarity: Well now, Sweetie Belle, I appreciate the gesture, but we simply can't eat this breakfast; it's burnt.

Sweetie Belle: It's not that burnt.

Me: You did do your best Sweetie Belle and that's all that counts.

Sweetie Belle: Thanks J.D.

Nico: We'll gladly teach you how to cook more.

Sweetie Belle: I would like that.

Rarity: Never fear, my dear, I'll get a proper breakfast going. [hums]

Sweetie Belle: Can I help?

Rarity: Oh, er, of course, er, in one moment, Sweetie Belle. Let me just get things started.

Me: Want me to get your stuff ready for your upcoming line Rarity?

Rarity: Oh no thank you J.D. but thank you.

Me: No problem.

We got the food ready and prepared it.

Sweetie Belle: Rarity! I thought you said I was gonna help!

Rarity: You are! You… can… put the garnish on the plates.

Sweetie Belle: You mean this parsley?

Me: Lots of restaurants do that Sweetie Belle.

Rarity: Okay, now, easy! It has to be just right! No need to rush. No!

That's too slow. Careful! Back up! Looking for perfection here…

Sweetie Belle: Whoa, whoa!

[crash]

I helped her up and the parsley was on the eggs perfectly.

Rarity: Not… bad.

Me: Albeit an accident that was good.

Later we were getting cleaned up.

Rarity: [gasp] There are some things I must attend to. Can you take the dirty towels to the laundry room?

Sweetie Belle: No problem, I'll make myself useful!

Me: Here I'll get that too.

I helped her push the basket. And we washed the clothes and Sweetie Belle saw a beautiful sweater hanging up and Sweetie Belle washed it too. Rarity saw the sweater hung up.

Me: Laundry is all done.

Rarity: Sweetie Belle!

Sweetie Belle: I told you I'd make myself useful. Surprised?

Rarity: Am I? You washed my incredibly expensive one-of-a-kind designer crocheted wool sweater! Do you know how hard these things are to come by?

Me: Is that what that sweater is? It's really pretty Rarity.

Rarity: Oh thanks J.D.

Sweetie Belle: What's the big deal?

Rarity: The big deal is that in the heat of the sun, wool… shrinks.

It shrunk to the size of a puppy.

Sweetie Belle: Oh. Sorry.

Rarity: Nng… Well. Back to work. I must create!

Me: Rarity she didn't know that this would happen. Besides. I got this.

I snapped my fingers and made another sweater for Rarity good as new.

Rarity: Oh thank you J.D.

[splash]

She accidentally got her hoof wet.

Me: Oops.

I got her a towel.

Sweetie Belle: Sorry?

Rarity: Huh. Stay out of trouble, okay? Please?

Sweetie Belle: I just wanted to do something nice for my sister.

I got a towel for Rarity and she took it.

Me: Sweetie Belle I know you're trying to help her.

We waited around.

Sweetie Belle: Raargh, I'm so bored! When is Rarity gonna finish her work?

Me: Rarity is always busy when it comes to fashions.

Rarity: [in Sweetie Belle's mind] Stay out of trouble, okay?

Sweetie Belle: I never got in trouble for drawing.

Sweetie Belle was drawing a picture.

Hmm. This needs something…

She saw a box filled with jewels and got an idea.

Rarity came back and Sweetie Belle showed her drawing.

Sweetie Belle: Hi, Rarity! I made a special drawing for y-

Rarity: [screams]

Me and Nico came in!

Me: Rarity is everything okay!?

Rarity: Oh no! Did you use these gems?!

Me: The gems in that box? I think those were extra jewels that you bought last week for a project.

Sweetie Belle: Well, yes, but I know you have more in your work room-

Rarity: But, but these are extremely rare baby blue sapphires! I need them for an outfit for an extremely important client!

Sweetie Belle: Oh. Sorry.

Rarity: [sigh] Sweetie Belle, what am I going to do with you?

Me: Rarity she had no idea they were so important for that.

Sweetie Belle: Oh! We could paint together, we could ride bikes, play chess, sing a song, catch frogs, pillow fight-

Rarity: That's not what I meant!

Sweetie Belle: Oh.

Rarity: Now I have to go and find some more of these gems!

Me: I can always get you more jewels for you.

Sweetie Belle: I'll go with you and help!

Rarity: No! No thank you. You can help by picking up these papers and stacking them, neatly. Put the pens and pencils back exactly where you found them, and please find something to do that doesn't create a large mess for me to clean up!

Sweetie Belle: Geez Louise, can't I do anything right?

Me: Oh Sweetie Belle you are doing your best.

Nico: Don't worry I got this.

Nico made a big crystal and then cut it up and made many jewels and filled up the box.

Nico: There.

Sweetie Belle then saw Rarity's room a mess and she got an idea.

Rarity came back.

Rarity: Sweetie Belle! I'm back!

Nico: Hey Rarity. I already got more jewels for you. I made a huge crystal and cut it into jewels for you.

Rarity: Oh wow thanks Nico.

Nico: No problem.

Rarity: Where's Sweetie Belle?

Me: I think she's upstairs.

We went to find her.

Rarity: Sweetie Belle? [gasps in shock]

We saw her entire room sparkly clean and well organized.

Me: Wow. About time someone tidied up this room.

Sweetie Belle: Surprise!

She came out.

Rarity: My- ee- bleh- My inspiration room! What did you do? What did you do?!

Sweetie Belle: When I saw the big mess in your room, I thought I'd clean it up for you.

Me: That's really thoughtful of you Sweetie Belle.

Rarity: This wasn't a mess! It was organized chaos! I was just about finished planning my new fashion line, and, and you, you, you went and, and you- and you put everything away!

Sweetie Belle: But every time I make a mess, you get upset!

Rarity: But this was my mess in my house! And now I have to start from scratch!

Sweetie Belle: But, I thought it would make you happy!

Rarity: Happy?! Happy?! I- [grinds teeth]

I had my sword ready and a glare at Rarity that said "If you hurt Sweetie Belle, I'll make sure you regret it!"

Nico: Rarity calm down!

Rarity: I just need some time alone. Hm!

Sweetie Belle left.

Me: Rarity what has gotten into you!? For heavens sake, Sweetie Belle just wants to help you.

Nico: Yeah!

Rarity: She ruined everything!

Me: No she didn't! She is just doing what she thinks is helpful for you.

Sweeite Belle was walking around. And then she saw Apple Bloom.

Apple Bloom: How's the sleepover at Rarity's goin'?

Sweetie Belle: [mimicking Rarity] Why, it's smashing!

Apple Bloom: Huh?

Sweetie Belle: I just wish we could do something special together that didn't include me goofing anything up.

Apple Bloom: The Sisterhooves Social! Applejack an' I do it every year! You an' Rarity can compete against other sister teams in all these neat events!

Sweetie Belle: That sounds like the perfect way for us to hang out! Rarity will think it's an excellent idea.

Sweetie Belle came back and showed Rarity.

Rarity: What a ridiculous idea. A contest at Sweet Apple Acres? It doesn't sound… very… clean.

Me: I've never heard of the Sisterhooves Social before.

Nico: Me neither. Sounds like something Lori and her sisters would like. Same with many of our sisters.

Sweetie Belle: So, what, now you're back to hating messes?

Rarity: Sweetie Belle, watch your tone! I am still your big sister.

Sweetie Belle: Right! And any sister who cares about her sister goes!

Rarity: Sweetie Belle… ! Honestly! Playing silly little games in the dirt is just… uncouth! With or without a sister.

Me: Rarity how can you say that? Applejack and Apple Bloom do it every year and they don't complain about it.

Nico: Yeah you and Sweetie Belle should give it a shot.

Rarity: No I don't think so.

Sweetie Belle: Well then! Maybe, maybe I'll try the Sisterhooves Social without a sister! In fact, I think I'll try the rest of my life without a sister!

Me and Nico gasped!

Me: Sweetie Belle don't say things like that!

Rarity: [gasp] Oh, I'm the one who's ruining your life?! Really?! Have you looked around this place? I'm the one who'd be better off with no sister!

We gasped at that!

Nico: Rarity you can't be serious!

Sweetie Belle: Well it looks like we finally agree on something! Neither of us needs a sister!

Rarity: Deal!

Sweetie Belle: Deal! Goodbye, un-sister!

Rarity: Hmph!

She left.

Me: Oh man.

Nico: Not good.

We glared at Rarity.

Me: Nico you go talk to Sweetie Belle. I'll handle Rarity.

Nico nodded and went to find her.

* * *

At Sweet Apple Acres, Nico was there with Applejack, Big Mac and Apple Bloom and their parents while consoling Sweetie Belle who was lying down on a hay bale.

Applejack: 'Uncouth'? She said the Sisterhooves Social was 'uncouth'?

Apple Bloom: Yeah! Uncouth? [belch] Wait. What's uncouth?

Sweetie Belle: It's not just the Social. She thinks I'm uncouth.

Nico: Oh Sweetie Belle you are NOT uncouth at all.

Sweetie Belle: Thanks Nico. I just can't believe that Rarity would say that to me.

Applejack: Honey, Rarity thinks everything's uncouth.

Apple Bloom: [with mouth full] What's uncouth?

Applejack: It means uncivil. Y'know, bad mannered?

Apple Bloom: [belch]

Applejack: Exactly.

Pear Butter: It's not your fault Sweetie Belle. Rarity just has different tastes.

Nico: Yeah Sweetie Belle she just has things that she likes.

Applejack: Sweetie Belle, just give Rarity some time. She'll come around. Sisters always do.

Nico: Yeah Sweetie Belle.

Sweetie Belle: Not sisters like Rarity.

Nico: Oh Come on Sweetie Belle. She just needs some time to cool off.

Applejack: Come on, now. Apple Bloom and I got some chores to finish up on. Maybe you and Nico can help!

Sweetie Belle: You sure you want me to help? I just mess everything up!

Applejack: Oh, come on, that's just stinkin' thinkin'.

Nico: Yeah Sweetie Belle you do great in the usual battles. And you helped many times before.

Applejack: Yeah. Watch!

They were picking up bad mushy apples and putting them in buckets.

Applejack and Apple Bloom: [laughing]

Applejack: Good catch there, Apple Bloom! Whoo!

Applejack and Apple Bloom: [more laughing]

Sweetie Belle: This is a chore?

Applejack: Since we can't sell the bruised apples, we gotta collect them all for the pigs to eat.

Nico used his magic to make more catches.

Apple Bloom: It's a lot of work, so we make a game of it. Wanna try?

Sweetie Belle: Um, okay. (SPLAT) Ow! You're right, it is hard work.

Apple Bloom: That's why we do it…

Applejack and Apple Bloom: Together!

Nico: Come on Sweetie Belle.

Sweetie Belle: Huh, Rarity never wants to do chores together.

Rarity was upset.

Rarity: Ugh, all that work ruined, thanks to Sweetie Belle.

Me: Rarity what in the world is wrong with you!? For heavens sake Sweetie Belle is just a kid! She's like what 10 years old?

Rarity: Somewhere around there.

Me: Rarity she's just doing her best to help you out as a loving sister! Lincoln does his best to help out his siblings and I help my sister all the time and we don't complain!

Rarity: Well she just has to ruin my work!

Me: Rarity she just wants to help. Is that so bad?

Rarity: Well I suppose not. Oh my. It's usually a big mess in here.

She and I saw the drawer neatly organized with the fabric in a rainbow. Then Rarity got an idea.

Rarity: [gasp] Id-ee-a!

Me: (Imitating French Narrator) (French Accent) Ooh it seems as though inspiration has struck.

Rarity got to work and made new clothes.

Rarity: This is genius! I shall call it 'full spectrum fashions'!

Me: Those are great Rarity! Hmm. Wait.

I used my magic and made a red dress and a Sky Blue Dress to go with it.

Me: There! Now the full color of the rainbow is done!

Rarity: Amazing J.D.! If Sweetie Belle hadn't- [clears throat] Well, no matter. She still shouldn't have touched my things without permission. Hm!

Me: Oh Rarity at least she gave you an idea.

Rarity: That's true.

Back at Sweet Apple Acres, Nico and Applejack were filling up big barrels full of grapes.

Nico: You guys making wine with all the grapes?

Applejack: Nope. It's for the grape stomping part of the Sisterhooves Social. Apple Bloom! You're up!

Apple Bloom went and flew into the barrel and squished the grapes and Nico turned on a faucet and poured grape juice into a jar

Sweetie Belle: You're… making… grape juice? Rarity would call the fashion police on me if I got grape juice anywhere near her precious outfits.

Nico: I don't blame her. But grape juice does stain everything it touches.

Apple Bloom: Well, that's silly!

Apple Bloom dove into the tub and then..

SPLAT!

Grape mush got all over Applejack.

Applejack: Apple Bloom…

Sweetie Belle: Please, Applejack, she didn't mean-

Applejack jumped Apple Bloom

Apple Bloom: Whoa! [laughing]

She was tickling her.

Applejack: How d'you like them grapes, y'little whippersnapper!

Apple Bloom: That tickles! [laughing]

Nico: (LAUGHS) That is funny.

Sweetie Belle: Yeah.

Me and Rarity were getting the clothes we made washed.

Rarity: Now to get these fabrics washed for my fabulous new line. Ooh, my favorite sweater… I just can't believe that Sweetie Belle.

Me: Rarity come on it was an accident. She didn't mean to shrink it. Besides I made you another one good as new.

Rarity: Yeah you did.

Rarity accidentally stepped on Opalescence's tail

Opalescence: [yowls]

Me: Oh we're sorry Opal. Hmm.

I took the shrunken Sweater and put it on Opal.

Me: There you go Opal. You look better with this one on.

Rarity: Oh, Opal-wopal! It's as if Sweetie Belle knew the sweater was perfect for you. And Sweetie Belle should consider herself perfectly lucky that this thoughtless mishap turned out all right. Hm.

Me: Rarity come on. Would you please let it go?

Back at Sweet Apple Acres, Applejack, Apple Bloom and Nico were wrangling up some sheep. Nico was riding a Water Mane Rapidash!

Nico: HYAH! HYAH! GET ALONG LITTLE DOGGIES!

[sheep baaing]

Applejack: Apple Bloom!

Apple Bloom: Got it, sis!

They pushed the sheep into a corral.

Sweetie Belle: Wow. It's as if they were just one pony.

Applejack and Apple Bloom: Yee-haw!

Nico: YEEHAW! That was awesome wrangling.

Applejack: Way to corral some critters, sis!

Sheep: You coulda just a-a-a-asked.

Nico: Sorry about that. Just doing our jobs here.

Applejack closed the gate.

Applejack: You do just as good as J.D. does in a rodeo Nico.

Nico: (Laughs) I don't watch as many cowboy movies as J.D. does. But thanks.

Sweetie Belle: Rarity never high-hoofs me.

I was helping Rarity.

Rarity: Perfect! Just one more, and this ensemble is fini!

Me: Just about there. I made jewels for each color of the dresses.

Rarity: And they are absolutely amazing.

Rarity saw the box empty.

Rarity. Rrgh, Sweetie Belle! Where's her silly little arts and crafts project?

She saw the drawing and it was a picture of her and Rarity in a heart made of jewels.

We saw the drawing.

Me: Wow that is really well made. And using the jewels in a heart is well made. Very genius.

Rarity: Oh, Sweetie Belle! My one and only sister! What have I done? All the time I could have spent with you was wasted complaining and wishing you were gone! [crying dramatically] Woe is me! No! I must get her back! I must! As Celestia is my witness, I shall never be sisterless again!

Me: That a girl! Lets get her back together.

Later Nico, Sweetie Belle, Applejack and Apple Bloom were roasting marshmallows at a fire.

Me and Rarity found them.

Nico: Hey guys!

Me: Hey Nico. Wow you guys must've been busy here at Sweet Apple Acres.

Nico: Yeah we were.

Rarity: [gasp] Sweetie Belle! Oh, I have been galloping all over looking for you. I-

Me: Uh oh.

Sweetie Belle: Oh hello, un-sister. What are you doing here? Better be careful, you might get some dust on you.

Me: Were you here at Sweet Apple Acres the whole time Sweetie Belle?

Sweetie Belle: Yes I was.

Nico: She was helping me, Applejack and Apple Bloom set everything up for the Sisterhooves Social.

Me: Oh.

Rarity: Oh, Sweetie Belle, I want to apologize. I am not better off without a sister.

Sweetie Belle: I'm not better off without a sister either. Spending the day with Applejack and Apple Bloom made me realize that.

Me: Well that's good.

Rarity: Oh, Sweetie, you don't know how happy I am to hear-

Sweetie Belle: And that's why I'm adopting Applejack as my big sister!

Rarity: What?!

Me: HUH!?

Nico: WHAT!?

Sweetie Belle hugged Applejack.

Applejack: What?!

Apple Bloom: What?!

Sweetie Belle: A sister is someone who loves and takes care of another sister. Applejack's a real sister.

Applejack: H-Hold on, Sweetie Belle. Don't get ahead of yourself here.

Apple Bloom: Besides, she's my big sister!

Me: Sweetie Belle I don't think it works that way.

Nico: Yeah it's a very complex process.

Applejack: Yeah, um-

Sweetie Belle: [to Rarity] Or maybe she should be your sister, so she could teach you what a good sister is supposed to be!

Me: Sweetie Belle come on.

Nico: Yeah.

Applejack: Heh, um, actually, I-

Rarity: But I don't need lessons on being a good sister, I-I promise! Listen! I'll show you how to cook my favorite quiche! Or, or, I'll show you the proper way to beautify your mane. Won't that be fun? Hm?

Sweetie Belle: Hm! You want me to go home with you, so we can do what you wanna do?

Rarity: Uh… yes?

Sweetie Belle: Just forget it!

She ran off.

Apple Bloom: We're still sisters, right?

Applejack nodded.

Nico: Apple Bloom you go help Sweetie Belle. We need to talk to Rarity.

Apple Bloom nodded and went to help her.

Rarity: Well, that apology went swimmingly. Applejack, why do you have to be so good and make me look so bad?

Applejack: [chuckles] Oh Rarity, once again you're thinkin' about yourself. Bein' sisters is a give and take. You've been doin' a whole lotta takin', but you haven't been doin' a whole lotta givin'.

Me: That's right Rarity. Having Siblings is an equal responsibility.

Nico: Yep.

Rarity: But of course I give. I give lessons. Reasonable demands.

Applejack: But ya never give in. Bein' sisters is like… apple pie. You can have amazin' apples, and you can have a wonderfully crispy crust, but only together you can have a perfect apple pie.

Me: That's a good way to put it Applejack.

Rarity: But apart, all we are is just a pile of mush and some crumbly dry mess… [gasp] I know what I need to do! I just hope it isn't too late!

The next day we were at the Sisterhooves Social and we saw a bunch of ponies there. We saw sisters doing all sorts of things. We saw them eating pies and more.

Me: This is the first time we've ever seen the Sisterhooves Social.

Nico: Boy it sure is. I hope one day that Alicia and Mindy can do this.

Me: Same with Lincoln's sisters and my daughters if they are up to it.

Sweetie Belle: Well, I guess it's a good thing Rarity isn't here. Do I see 'uncouth' written all over this contest?

Me: I should say not.

Apple Bloom: Look at the size of that pig!

Applejack: He sure is a cutie.

Me: They got really awesome pigs here.

Sweetie Belle: That's the last word Rarity would use. [mimicking Rarity] Oh my, what a repulsive monstrosity! This thing needs a head to toe makeover!

Me: (Rolls eyes)

[trumpet call]

Applejack: It's almost time!

Me: Time for the big race. It's a darn shame it's not called the Siblinghooves Social. Then it would be perfect for all families.

Nico: Yeah.

Sweetie Belle: Well, you two have fun. Sure wish I had a sister to run the race with. (Applejack put a bandana and her hat on her) Huh?

Apple Bloom: You do now!

Applejack: AB and I figured since we do this every year…

Apple Bloom: I'd let you borrow my sis so you can give it a try!

Applejack: Sister for a day.

Sweetie Belle: No way!

Me: Well that fits.

Apple Bloom: One. Day. (Sweetie Belle hugged Applejack) One.

Day.

Granny Smith: Is this thing on? [to Big McIntosh] I don't think this thing is on. [to the megaphone] Hello! [Big McIntosh whispers into her ear] What is the- e- oh. You have to say so. Confangled modern doohickeys.

Bright Mac: Mom it's on.

Granny Smith: Oh. Now, the event you've all been waiting fer! The Sister Soci- The Socialhooves- Oh, dabnabbit, you know, the big race! We have five teams this year fer the event! So y'all head on up to the finish line, y'hear? [Big McIntosh whispers into her ear] [to Big McIntosh] Eh? [to the megaphone] The start line! [to Big McIntosh] That's what I said.

Sweetie Belle: That's us.

Apple Bloom: One. Day. Good luck!

Me: Apple Bloom was that really necessary?

Apple Bloom: Sorry I'm just worried about losing Applejack.

Nico: You won't lose her.

They got to the line.

Granny Smith: And may the best sisters win! On your marks… get set… (POKES HER EYE) Gooooo!

BANG!

I fired a starting pistol!

They were all off!

Me: AND THEY'RE OFF!

Nico: GO SWEETIE BELLE GO!

They were jumping over mud and Sweetie Belle danced over it.

Applejack: [yelps]

SPLAT!

Applejack fell into the mud!

Sweetie Belle: You okay, Applejack?

Applejack came out covered in mud and they ran to buckets and a pegasus tripped and knocked a bucket out and then Applejack and Sweetie Belle got through the buckets and were hopping over crates. Sweetie Belle got stuck.

Sweetie Belle: Applejack, help!

She helped her up.

They then got to pies and Applejack and Sweetie Belle ate the pies in one bite and went to the next part and pushed hay bales across a line and went to a bend.

Me: Look at them go!

Nico: Wow! Sweetie Belle is doing really well on her first try at this!

Me: She sure is!

Applejack put grapes in a bucket and Sweetie Belle jumped and squished the grapes and made grape juice.

Sweetie Belle: You can do it, sister!

They put the juice on a stool and then Applejack catapulted a bunch of apples and Sweetie Belle put them in a bucket on her head and bounced the last one into it and then they went into a hen house and balanced an egg and put on a pile of eggs. Then they hopped and raced to the finish line after Berry Punch and her sister.

Me: COME ON GIRLS! COME ON!

Nico: YOU'RE ALMOST THERE!

They jumped and then stopped and they saw that Berry Punch and her sister got there first. Applejack and Sweetie Belle got second place!

[ponies cheering]

Apple Bloom: Ooh, so close! You almost won!

Me: Wow! Great job girls!

Nico: Second place isn't bad for your first run. Well done!

Me: Yeah you girls did great!

Sweetie Belle: Thank you, Applejack! You were amazing! I don't even care that we didn't win. This was so much fun! Huh?

Me: Huh?

We saw that it was really Rarity.

Sweeite Belle: Rarity?! Wait, where's Applejack?

Applejack: [deep breath]

Applejack popped out of the mud and I helped her out.

Sweetie Belle: I don't get it.

Applejack: [chuckles] We switched places over at the very first mudhole.

Me: That was really clever.

Sweetie Belle: So, we did the whole competition… together?

Rarity: That we did, little sister. Well, except for the start line.

Apple Bloom: But you finished together!

Sweetie Belle: You mean… you were all in on it?

Applejack, Apple Bloom and Rarity: Mm-hmm.

Me: Rarity has a lot more skills in all this than you give her credit for Sweetie Belle.

Nico: But you guys did great here.

Sweetie Belle: You did this for me?

Rarity: Us. I did it for us. You see? We are apple pie!

Sweetie Belle: Huh?

Rarity: Uh, I'll explain later.

Me: She means that together you two are capable of doing stuff that you never thought possible.

Sweetie Belle: Oh.

Rarity: For now, I think we deserve a celebration!

Applejack, Apple Bloom and Sweetie Belle: Yeah!

Sweetie Belle: Where?

Rarity: The spa, of course.

Applejack, Apple Bloom and Sweetie Belle: [laughing]

Sweetie Belle: Oh, Rarity.

Rarity: No, I-I-I'm serious.

Me: I was hoping for Sugarcube Corner but that works.

Later we were writing a letter to the Princess.

Rarity: Very well then, what should we write to the Princess?

Sweetie Belle: I'll start. Having a sister is just about the bestest thing in the world. But it sure isn't the easiest.

Rarity: I agree that being sisters is a wonderful thing, but it takes teamwork. Sometimes it's about compromising. Sometimes it's about accepting each others' differences. But mostly, it's about having fun together.

Me: And it's about showing that together things can get done even in the worst possible situations.

Rarity: Even if it means getting your hooves a little bit dirty.

Sweetie Belle: A lot dirty.

Rarity: A little bit dirty.

Sweetie Belle: A lot dirty.

Rarity: A little bit dirty!

Sweetie Belle: A lo-

Me: Okay that's enough you two

Spike: Hold it, hold it! How about "a medium amount of dirty, not too little, not too much, just right"?

Rarity and Sweetie Belle: Deal!

Me: That works Spike.

[birds chirping]

---

Eli: Whoa man! At least Rarity and Sweetie Belle made up back then.

Nico: Yeah thank goodness.

Me: It sure was cool seeing the Sisterhooves Social in action though. And some good came out of that one though.

Rarity: Yes that is true darlings and Opal now has a good sweater and I made a great line of fashions.

Lola: You sure did Rarity.

Shanan: And those dresses you and dad made were really beautiful.

Rarity: They sure were.

Spongebob: What's with weddings and bad guys crashing it?

Nico: They just don't give a damn about what true love is.

Me: Shows how black some of their hearts can be.

Eli: And Camille's so-called parents fall right into that category.

Camie: Yeah that is true.

Shanan: That is a fact. But I wonder why Ben didn't get a hero for a Lenopan. That would have been really awesome for him to get another Slime Alien hero next to Goop.

Me: That would have been awesome to see.

Eli: It sure would.

Fluttershy: I thought it would be amazing too.

Apple Bloom: It sure would have been amazing.

Me: Hmm. Something is still puzzling me.

Nico: What is it J.D.?

Me: I read this story on the internet where Lincoln got an Omnitrix and he wound up in Equestria by mistake and accidentally got a sample of Alicorn DNA and got a new Alicorn hero called Eclipse. Do you think Alicorns are…

Nico: That would be strange to see.

Twilight Sparkle: An Alicorn Omnitrix hero? That would be cool.

Rainbow Dash: It sure would be neat.

Spongebob: Could he scan me too?

Me: I don't think I saw a story for that.

SpongeBob: Oh. Hey I can dream.

Laney: True.

Then we smelled a really horrible odor in the air!

Nico: OH MAN!

Me: What is that horrible stench!?

May: It's horrible! Smells like Pig Pen when he rolled around in diarrhea!

Nico: That's it. I'm shooting myself in the head. I'll make sure it regenerates after the smell's gone!

Me: Nico don't pull a Jack Jeebs on us!

Shanan: The smell is coming from there!

Shanan poined to a manhole cover and I pulled out some nose plugs and we put them on.

Eli lifted up the lid.

Me: (Nasally) This will show whatever is in there some manners.

I pulled out a perfume bomb.

Me: Hope it likes the smell of fresh flowers.

I pulled the pin.

Me: Smell ya later!

I threw it and it went into the manhole and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: Nice! Maybe that oughta…

RRRRRRRROOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOAAAAA

A roar was heard and then out of the sewer came A MASSIVE AND TOWERING RAW SEWAGE MONSTER!

Nico: WHAT. THE. FUCK. IS. THAT?!

Me: IT'S A RAW SEWAGE MONSTER!

Eli: IT SMELLS LIKE SHIT! LITERALLY!

Nico: YEAH!

Camie: IT'S UGLY!

?: And it will soon be my dinner!

We turned and we saw a girl with purple hair and purple eyes and she had white and purple clothes.

Nico: Jane Euripides!? Awesome!

Jane Euripides: (Greek Accent) Awesome to see you again Nico. Now for my fun.

Her eyes glowed purple and she turned into a LENOPAN!

Nico: WHOA!

Me: Whoa! She's a Lenopan Gene-Slammer!

Camille Tennyson: That is awesome!

Jane lept at the raw sewage monster and then DEVOURED IT ALL UP! YUCK!

Spongebob: Usually, we see the Gene Slammed form first.

Joel Tennyson: Lenopans are shapeshifters SpongeBob.

Lucy Mann: We usually don't show our true forms unless we're in a fight.

SpongeBob: That is amazing.

Me: Wow.

The monster was eaten whole!

Jane Euripides: (BELCH) Pardon me.

She changed back to human.

Me: Whoa! That was awesome!

I pulled out some air freshener and sprayed it.

Me: That's better.

Rainbow Dash: But that was awesome!

Nico: Boy it sure was.

Me: Yeah.

Jane Euripides: Got any mouthwash on you?

Laney: Here you go.

She handed her spearmint flavor mouthwash and drank it and she gargled it and spat it out.

Jane Euripides: Ahh much better.

Nico: Awesome to see you again Jane.

Me: Euripides is a Greek name. That is awesome.

Jane Euripides: Thanks.

SpongeBob: What's your favorite memory of Nico?

Jane Euripides: I have many of them. But my biggest ones are all in Archaeology. Me and Nico were on a field trip to an awesome archaeological dig site and we found an ancient book in a chest that belonged to an ancient long forgotten civilization from American history dating back thousands of years ago. It was from the Lost Clovis Culture.

Me: Wow! They lived over 13,500 years ago.

J.D. 4: Man it has been eons since I saw them.

Eli: Yeah that is awesome.

Laney: Wow! That is awesome.

Nico: It sure is.

Lana: Yeah! But that is cool that you found that.

Twilight Sparkle: Wow! What did you do with the book?

Nico: We gave it to the Smithsonian Institution in Washington D.C.

Me: Wow! That is a big history of an ancient long forgotten civilization in America.

Lola: Yeah.

Nico and Jane hugged.

Nico: I really missed you.

Jane Euripides: Me too Nico.

May: It'll be awesome having you with us Jane. But Nico can you really regenerate your head?

Nico: Yeah. You guys don't believe me?

Me: Only one way to find out. May I hope you don't kill me for this.

I pulled out an MIB Blaster and pointed it at Nico's head.

Me: Sorry about this man.

I fired and blasted his entire head off!

May: WHOA!

Then Nico got up and he was REGROWING HIS ENTIRE HEAD!

Nico: (Squeaky Voice turning normal) Now I know what Jeebs goes through! (Normal Voice) Ouch!

Me: Wow! That is awesome! You must've gotten that power from Jeebs somehow.

Nico: Yep.

Camie: Wow! Who is Jeebs?

Shanan: His name is Jack Jeebs. He's a pawn shop owner and he is what is called a Skook. They are human aliens and they come from the planet Skorvus. They have the ability to regenerate their heads no matter how many times they are blasted off and they can also breathe in the endless void of space.

Camie: Wow! That is amazing!

Me: Wow! Now Nico is OFFICIALLY hard to kill.

Nico: Yep.

We laughed.

---

After Nico's rescue, Lincoln, Me, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, and Ariel are heading to Stormalong Harbor, and not only is Lincoln going to rescue the six girls there, but we're also going to face one of Flapjack's enemies, the Blood Gnats, along with the Dock Hag, and get her thrown in

prison.

Lincoln: Wow, we're back in Stormalong Harbor, and I know what we're going to do here, not only am I going to rescue the six girls there, but we're also going to face one of Flapjack's enemies, the Blood Gnats, along with the Dock Hag, and get her thrown in prison.

Nico: That's right, big guy. We got reports of a sudden Blood Gnat infestation in Stormalong Harbor from Flapjack, and they're draining people dry of their blood.

Me: Nasty. Plus, we're also going to deal with the Dock Hag, Flapjack and Captain K'nuckles told us about her, she has abused her power of authority and she thinks she can do whatever she wants to anyone.

Lincoln: And from what I heard, the Dock Hag ends up giving so many tickets, that it's now become an issue, and everyone fears her, except for Captain K'nuckles, who flat out hates her, so we're going to send her to jail for good. And thanks for joining us, Ariel.

Ariel: You're welcome, Lincoln. This is going to be one amazing rescue.

Eli: It sure is, Ariel.

?: HELP!

Suddenly, Lincoln heard the sound of six girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye of The Buddha, and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the six girls, but they've been cornered by a massive swarm of Blood Gnats and the Dock Hag.

Lincoln: Guys, I found the six girls, but they've been cornered by the Blood Gnats and the Dock Hag.

?: (British Accent) Those rotten bloodsucking Blood Gnats and that power-abusive hag, let's get them!

Suddenly, we saw Gren, Tactician of Dark World appear before us and is heading for the Blood Gnats and the Dock Hag.

Lincoln: That voice, I knew it from anywhere, that's Griselda Huffington. Come on, let's give her a hand.

We rushed on over, and Lincoln fired threads of blood red energy with stingers at the ends, and as the threads of blood red energy hit the Blood Gnats, along with the Blood Gnat Queen, Lincoln sucked and drained them dry of all the blood they sucked out of the people of Stormalong Harbor, and killed them all, and while Lincoln restored everyone to normal, Griselda was busy pulverizing the Dock Hag badly. Then, she tied her up in a dark energy straitjacket and dark energy chains, and put her in a police wagon, which took her away. We were stunned at how brutal Griselda was with pulverizing the Dock Hag.

Me: Whoa, now that was brutal.

Nico: You said it, J.D.

Lincoln: I knew it was her alright. (To Griselda Huffington) And it's so good to see you again, Griselda Huffington.

Griselda Huffington reverted back to normal, and she's a beautiful 17-year-old girl with long flowing green hair, green eyes, she's tall at 6'5" in height, she had the body of a goddess, and she's dressed in a green closed sleeveless blouse, short-sleeved green top, green camouflage pants, green stockings, green camo sneakers, and a long green sleeveless camouflage trenchcoat with darkness on the coattails, and Gren, Tactician of Dark World on the back.

Griselda Huffington: (British Accent) You too, Lincoln, it's been a long time. And it's also good to see you again, Nicholette, Giselle, Scarlet, Silvia, Renee, Helena, Elizabeth, Selene, Zennia, Jackie, Laniya, and Camie.

Nicholette Torrington, Giselle Harrington, Scarlet Rosenburg, Silvia Excelsior, Renee Ravenclaw, Helena Hufflepuff, Elizabeth Gryffindor, Selene Slytherin, Zennia Nikolaevna, Jackie Wren, Laniya Guillermo, and Camie Nicholetta: You too, Griselda.

Lincoln went up to Griselda Huffington and they hugged, and Griselda Huffington's also very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she's also felt just how strong he's really become.

Lincoln: It sure has been a long time, I haven't seen you when you were fourteen, and as you can see, I really grew a lot since then.

Griselda Huffington: (British Accent) Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Griselda Huffington, she's another of my Guardian Angels who came to Michigan from England, she's the thirteenth Dark World Goth Girl Gene-Slammers, and not only is she one of the smartest of the Dark World Goth Girl Gene-Slammers, she's also the bravest and most courageous out of all of them. She goes into ANY KIND OF DANGER and always picks fights with bad guys and she's been known to beat up a lot of bad people, and what makes her one of my Guardian Angels is that she beat up Lynn, who was eleven at the time so badly, she'd wound up in a full body cast with every single bone in her body broken and rendered her immobile for 2 years.

We winced in total pain and gasped in shock.

Nico: Really?! Oh, I'm going to enjoy hearing about this one later.

Lincoln: You got that right, and I got you a little something, Griselda.

Lincoln gave Griselda Huffington a large Gren-themed sword with Gren, Tactician of Dark World etched on the 6'10" massive, wide, double-edged green blade, large green angel wings for the crossguard, large green gem embedded in the rainguard, longer black handle, and large green gem with black angel wings surrounding it for the pommel.

Griselda Huffington: Wow, I love the new sword you made for me, Lincoln.

Suddenly, a Thunderbird Necklace of Eternal Love appeared on Griselda Huffington's with green gems on the gold lightning bolts links and green crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Griselda Huffington: (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, which means you're now part of my harem and my many future wives, Griselda.

Griselda Huffington had a smile on her face and tears coming from her eyes, as she wrapped her arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around her waist, and he leaned down and kissed Griselda Huffington on her lips, and she returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw them, he immediately recognized them. The six girls are Olivia Kalamari the Squidsmith, Twitch, Vinegar, Ikki the Ghost, and Tiana Locusta the Lobster Siren from Shantae, and Godai Miyako from Dance Dance Danseur.

Lincoln: Oh wow, it's Olivia Kalamari the Squidsmith, Twitch, Vinegar, Ikki the Ghost, Tiana Locusta the Lobster Siren, and Godai Miyako.

Nicole Knudson: From Shantae and Dance Dance Danseur, awesome.

Shantae: Whoa, Olivia Kalamari the Squidsmith, Twitch, Vinegar, Ikki the Ghost, and Tiana Locusta the Lobster Siren are among the group of girls Linky's rescued?! Awesome!

Plinky: We haven't seen them in a long time, this is amazing.

Lincoln: It sure is, Plinky. Are you girls okay?

Olivia Kalamari the Squidsmith: Yes, we're okay, thanks to you.

Then, when Olivia Kalamari and the other five girls saw who it was that saved them from the Blood Gnats and the Dock Hag, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large orange Spellbook of The Gods and The Universe, large orange Spellbook of the Elemental Gods, and large electric blue Spellbook of the Thunderbird holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive and indestructible deep sapphire blue angel wings with stars and blue nebulae reflecting on them with rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, and Buffalo on them and with hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large gold buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanjis "Savior of The Loud House, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, Founder of Team Loud Phoenix Storm, The Unifier of The Three Kingdoms, and Destroyer of The House of Damaskinos" on the left leg, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large deep sapphire blue gem in the shape of a Thunderbird on top of a silver Buffalo head with the Thunderbird and Eternity Kanji on his neck and across his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, a large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had eight large orange orbs orbiting around his legs, and circling around

his feet on the floor are eight golden crosses with angelic runes.

Olivia Kalamari the Squidsmith: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made five clones of himself, and he and the five clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Olivia Kalamari the Squidsmith: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Thunderbird Necklaces of Eternal Love appeared on the necks of Olivia Kalamari the Squidsmith, Twitch, Vinegar, Ikki the Ghost, Tiana Locusta the Lobster Siren, and Godai Miyako with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We return to the TLPS World Tree Estate and we told everyone of the rescue at Stormalong Harbor, and they were shocked when they found out the villains we went after were the Blood Gnats and the Dock Hag.

But, when Lincoln showed everyone what he did to the Blood Gnats and getting everyone back to perfect health and Griselda Huffington pulverizing the Dock Hag and throwing her into a police wagon, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Griselda Huffington have a lot of catching up to do, now that she's back. As for the Dock Hag, she was sent to the Uranus Prison for the rest of her life, and we were going to look for someone else to maintain and enforce the law in Stormalong Harbor.

---

After dealing with the Blood Gnat infestation and throwing the Dock

Hag in jail for abusing her position in law enforcement in Stormalong Harbor, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Griselda Huffington saw Lincoln working out like crazy, she had an atomic red blush on her face.

Griselda Huffington: (British Accent) Whoa, I was right that Lincoln has really grown to be a 17-year-old 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his abs hard at work, and to work out with those 9,500-lb barbells and not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Griselda, and now, I can also defend myself, and I've also gotten smarter as well.

Griselda Huffington: (British Accent) That's incredible.

Nico: It sure is, Griselda. So, what's the story on how you beat up Lynn so bad that she wound up in a full body cast with every single bone in her body broken and rendered her immobile for 2 years?

Griselda Huffington: (British Accent) Oh, now that's one I wouldn't forget. I was babysitting Lincoln while Mr. and Mrs. Loud were out, and Leni, Luna, and Luan were also keeping an eye on Lori, since she was already furious that someone else is babysitting her siblings besides her, but I knew that she was a mean and demanding control freak obsessed with control, and I wasn't going to let her abuse her power. While I was looking after Lincoln, I heard something charging after Lincoln, I then saw it was Lynn, and as soon as she got near Lincoln, she began beating the poor boy up, and she said that she was ordered by Lori to brutally beat her little brother to an inch of his life. I got so mad at that little monster along with the control freak, I charged in and I brutally beat up Lynn so bad, she had every single bone in her body broken. Then, I went downstairs and I grabbed Lori, she confessed that she did it, and she had absolutely no remorse, and she really hated me for taking over her job as the babysitter.

But, I then reminded her of the fact that she was nothing but a mean and demanding control freak obsessed with control. I called Mr. and Mrs. Loud, and after I explained everything, they called an ambulance to the house, and Lynn wound up in a full body cast with every single bone in her body broken and rendered her immobile for 2 years, so there's no need to punish her, but as for Lori, she was grounded for five weeks for what she did. I then hugged Lincoln, and while he was hugging me, he was really crying his heart and his eyes out, it really hurt me greatly. I then swore that if anyone dared to hurt Lincoln physically and emotionally, they'll get no mercy from me.

We were impressed by what Griselda Huffington did with stopping Lynn from beating up Lincoln and reprimanding Lori for what she did.

Nico: Whoa, now that was really brutal.

Me: You said it, Nico.

Sly Cooper: I can't believe Lynn did that to Lincoln, and if Lynn was only 11 at that time, that makes Lincoln 9 years old at the time, and worse, that it was Lori's idea. That just makes my blood boil a lot more, and it's yet another reason to kill Dark Lynn. When I find her, I'll put an end to her myself, she doesn't deserve to live a single second further.

TLPS Mr. Wolf: Yes, that's true, but you better save seconds for Lincoln and the other Loud Kids, they already called dibs on making that superstitious, murderous, deranged gym bag unruly pig suffer for all the pain she'd forced Lynn to cause, Sly.

Lori: That's right, and Lincoln said, we owe her for years of punches and roughhousing and pain that she'd caused all of us, and it's not going to be pretty.

Lincoln: It's definitely not going to be, Lori, and I owe her even more for what she's forced Lynn to do in trying to kill me many times over many years ago.

Nico: Uh oh.

Me: You said it, Nico, if Lincoln catches her, he's going to unleash years of payback on Dark Lynn for trying to kill him many times over years ago.

We then got a shower afterwards, but then, the alarm sounded, and when Lincoln checked the computer, he saw who it was that triggered the alarm: it was Kyogai, Kokushibou, Akaza, Hantengu, Gyokko, Daki, and Gyutaro, the seven other members of the Twelve Kizuki, and they want revenge on us for the slaying of the other members of The Twelve Kizuki.

Lincoln: Guys, I found out just who it was that triggered the alarm: it's Kyogai, Kokushibou, Akaza, Hantengu, Gyokko, Daki, and Gyutaro, the seven other members of the Twelve Kizuki, and they want revenge on us for the slaying of the other members of The Twelve Kizuki.

Sky (Shantae): Then, we need to stop them.

Lincoln: Right, Sky. Let's go.

We flew out of The World Tree Estate, and Lincoln fired a powerful barrage of rainbow energy balls and elemental forces, and they hit Kyogai, Kokushibou, Akaza, Hantengu, Gyokko, Daki, and Gyutaro. When Kyogai, Kokushibou, Akaza, Hantengu, Gyokko, Daki, and Gyutaro, they were pissed off big time.

Kyogai: So, the killers of the other members of the Twelve Kizuki have arrived, now we will avenge their deaths!

Lincoln: Not going to happen, Kyogai, you, Kokushibou, Akaza, Hantengu, Gyokko, Daki, and Gyutaro are going to die here and now.

Suddenly, the colored eyes of Sky, Rottytops, Harmony, Zapple, Vera, and Plinky turned neon, and they were surrounded by colored energy auras with colored magical smoke and genies, and as they approach Kyogai, Kokushibou, Akaza, Hantengu, Gyokko, Daki, and Gyutaro, they left colored energy, colored magical smoke, and genies with every step.

Sky (Shantae): Kyogai, Kokushibou, Akaza, Hantengu, Gyokko, Daki, and Gyutaro, the crimes that you and the other members of the Twelve Kizuki have committed against the world can never be forgiven, and we will see to it that all of you join the rest of your comrades in Hell for what you all have done!

Suddenly, Sky, Rottytops, Harmony, Zapple, Vera, and Plinky were surrounded by massive vortexes of colored energy with colored magical smoke surrounding it, there were six genies flying around the vortexes, and in the vortexes were colored phoenixes, then, as the vortexes faded, Sky, Rottytops, Harmony, Zapple, Vera, and Plinky emerged, but they were changed forever.

Plinky's transformed into SUPER ANGEL INFINITY MAGICSTORM ADVENTURE GENIE ANGEL OF MAGICAL JUSTICE AND DIVINE LOVE!

Shantae: Alright, and now, it's my turn.

Suddenly, Shantae's purple eyes turned neon purple, and she was surrounded by a purple energy aura with purple magic smoke and genies surrounding her, and as she approached the demons, she left purple energy, purple magic smoke, and genies with every step. Suddenly, Shantae was surrounded by a massive vortex of purple energy with purple magic smoke surrounding her, there's a purple genie flying around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Shantae emerged, but she was changed forever.

Shantae grew from 6'0" to 6'5" in height, she had the body of a goddess, she has red highlights in the bangs of her long purple hair tied in a ponytail, she has neon purple eyes and a purple energy aura with purple magic smoke and genies surrounding her. There's a gold kanji below the genie's lamp that said, "Shantae, Guardian Genie of Scuttle Town, Brave Half-Genie Hero and Expert of Magic, Loving Future Wife of Lincoln Loud, Destroyer of Risky Boots and Scuttle Town's Enemies, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Genies and Magic."

Shantae's transformed into SUPER ANGEL INFINITY MAGICSTORM FIRESTORM GENIE ANGEL OF MAGICAL JUSTICE AND DIVINE LOVE!

We were amazed by the Super Angel Eternity Infinity transformations of Sky, Rottytops, Harmony, Zapple, Vera, Plinky, and Shantae, and when Lincoln saw them, he had an atomic red blush on his face, hearts in his eyes, and steam whistling out of his ears, but when Kyogai, Kokushibou, Akaza, Hantengu, Gyokko, Daki, and Gyutaro saw it, they fell into a demonic rage and tried to kill them, but the girls fired six colorful energy blasts, and hit the six demons.

Lincoln: Wow, girls, you look beautiful. How do you feel?

Shantae: (Divine Echoing Cosmic Voice of The Magical Genie and Divine Love) **We feel incredible, Linky**

Sky (Shantae): (Divine Echoing Cosmic Voice of The Magical Warbird and Divine Love) **Now, shall we deal with Kyogai, Kokushibou, Akaza, Hantengu, Gyokko, Daki, and Gyutaro once and for all?**

Lincoln: (Smiles) With pleasure, girls.

Lincoln unholstered his improved massive Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Sky, Rottytops, Harmony, Zapple, Vera, Plinky, and Shantae.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Let's get those six final demons and end the Twelve Kizuki once and for all.**

Lincoln, Sky, Rottytops, Harmony, Zapple, Vera, Plinky, and Shantae went after Kyogai, Kokushibou, Akaza, Hantengu, Gyokko, Daki, and Gyutaro, and they fired powerful blasts of rainbow energy, colored energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, Blood, Magic, rainbow flames, rainbow crystals, colored magic smoke, Buffalo, Thunderbirds, Phoenixes, Angels, Genies, and Dragons at Kyogai, Kokushibou, Akaza, Hantengu, Gyokko, Daki, and Gyutaro, and they exploded with incredible power as they hit the demons. Then, they attacked them with their massive swords, and left painful scars on them, scars that'll never heal, despite their ability of superhuman regeneration, endurance, and stamina. Then, Sky, Rottytops, Vera, Harmony, Zapple, Plinky, and Shantae tied Kyogai, Kokushibou, Akaza, Hantengu, Gyokko, Daki, and Gyutaro up with colored energy threads, so they can't escape.

Harmony: (Divine Echoing Cosmic Voice of the Quake Genie and Divine Love) **Okay, Linky, you know what to do?**

Lincoln: **You got it, Harmony.**

Lincoln spreads his massive deep sapphire blue angel wings, and red energy was being charged in them, and this horrified Kyogai, Kokushibou, Akaza, Hantengu, Gyokko, Daki, and Gyutaro, as they know death's coming for them, and their desire for revenge is about to be cut short.

Lincoln: **This is the end for the Twelve Kizuki once and for all. DEATH WING LIFE DRAIN!**

Lincoln fired massive red energy beams from his massive deep sapphire blue angel wings, and as they hit Kyogai, Kokushibou, Akaza, Hantengu, Gyokko, Daki, and Gyutaro, Lincoln began sucking out the life forces of Kyogai, Kokushibou, Akaza, Hantengu, Gyokko, Daki, and Gyutaro, along with their powers and abilities, and Lincoln's rainbow energy aura with elemental forces, Thunderbirds, Phoenixes, Angels, and Buffalo flared up extremely, as he gained a massive power boost and made their powers his own. Then, as soon he was done, Kyogai, Kokushibou, Akaza, Hantengu, Gyokko, Daki, and Gyutaro were reduced to mummified withered husks drained of life, and as their spirits appeared, Sky, Rottytops, Harmony, Zapple, Vera, Plinky, and Shantae marked their foreheads with a kanji and banished them to the Black Gates forever, and their spirits were erased forever. We cheered wildly for Lincoln, Sky, Rottytops, Harmony, Zapple, Vera, Plinky, and Shantae, as they holstered their massive swords on their backs and power down, and the new bodies, clothes, weapons, jewelry, and massive angel wings of Sky, Rottytops, Harmony, Zapple, Vera, Plinky, and Shantae are permanent.

Lincoln then shared a romantic kiss with Sky, Rottytops, Harmony, Zapple, Vera, Plinky, and Shantae, as we cheered wildly and we returned home to the World Tree Estate.

Tanjiro Kamado: Alright, now, we're finally rid of the members of the Twelve Kizuki.

TLPS Mr. Wolf: That's true, but there's still the matter of Muzan Kibutsuji, the Demon King, that we've got to deal with.

Lincoln: But, we'll be ready for him.

Nico: You bet.

* * *

Later it was time for Nokama's first ever Ambassador Mission.

Nokama: I'm really excited about this.

Mack: Time to meet our second Kamen Rider.

Me: Yep and we're going to meet the Kabuto Kamen Riders next. This is gonna be awesome.

Nico: Yeah no kidding. But what really saddens me is that Hiyori is a worm.

Me: I know that was awful she went through all that. But at least she is no longer alone. Now all the people in the area except her are cured. But chances are the worms will return.

Nico: Yeah.

Nokama: But we'll be ready for them.

Mack Hartford: Yeah.

Nico: Lets head on out.

We were off to Japan.

In Japan, Soji Tenda and Arata saw Nokama.

Soji Tendo: (glares at Nokama) So, another Worm shows itself.

Arata Kagami: I think we know how to deal with your kind by now.

Soji and Arata readied their Rider Belts. Soji grabbed his Kabuto Zector that came to him. Meanwhile, Arata grabbed his Gatack Zector that came to him.

Soji and Arata: HENSHIN!

They put their Zectors on their Rider Belts.

Computers: HENSHIN!

Soji turned into a red Kamen Rider. As for Arata, he turned into a blue Kamen Rider.

Soji and Arata: Cast Off!

Computers: (CLICK) CAST OFF!

They had their weighted armors fly off.

Computers: CHANGE BEETLE/STAG BEETLE!

Soji was now Kamen Rider Kabuto while Arata was now Kamen Rider Gatack.

Arata: I've got the one in blue. You can have the other one.

Soji: (chuckles) Figure you'd say that.

Soji charged at you while Arata threw a punch at Nokama.

But then I teleported in and grabbed Soji's punch.

Me: (Speaking in Japanese) そうじ大丈夫です。彼女は私たちと一緒です。(Soji it's okay. She's with us.)

Soji Tendo: Whoa! J.D. Knudson!? It's an honor.

Arata: Oh man! We're sorry we had no idea she was with you.

Nokama: Sorry for the mixup on that. My name is Nokama and I'm the Toa Metru of Water.

We swooped in.

Eli: Awesome to meet you guys. I'm Eli Winston Bullock.

Nico: Nico Chan and I'm now the leader of the team.

Mack Hartford: Mack Hartford, leader of the Operation Overdrive

Power Rangers.

Me: You know as the Boukengers.

Soji Tendo: Wow! I'm sorry for the mixup. But it's an honor to meet you all.

Me: Same here Soji.

Mack Hartford: (sighs) And these two are Rabbids.

Rabbids: (In Gibberish)

Me: They just joined us and they are not the brightest light bulbs in the closet if you know what I mean.

Soji Tendo: Oh I get it. But it's awesome to meet you all.

Me: Yeah. Also we owe you guys big time for helping us out during the 20 Days of Darkness.

Soji: Wait. I think I saw you and your friends at Radiant Garden.

Me: Yep that was us. And we owe you all big for helping us out when we were up against that army of Heartless.

Nico: That was awesome.

Soji: That was awesome. Think nothing of it though.

Me and Soji shook hands.

Me: That was day 5 of the 20 Days of Darkness. From January 23rd to February 11th, 2021 we had to endure 20 of the most grueling and most depressing days ever in our team's history.

Nico: Yeah it was awful. Most of it was around me and a douchebag enemy from my past.

Eli: Yeah.

Nico: (sighs) I really do wish that the 20 Days of Darkness had been avoided entirely though.

Soji: If they had, events worse would've occured instead. Xemnas would've made the mistake of forming an alliance with Him. And that would've led to his death and Him becoming the ruler of Earth. It would've been the end of heroes everywhere and quite possibly, the world. So before you start ranting again on how you've had enough of certain villains to last an eternity, let me ask you this: Do you truly believe there would've been a way to stop the 20 Days of Darkness without causing further turmoil?

Me: He's right on that. But thank God that Him becoming ruler of Earth didn't happen or we would have really been in trouble.

Nico: Yeah. And honestly I don't think it would have mattered if there was a way to stop the 20 Days of Darkness from happening.

Eli: Yeah I think it was a totally unavoidable event.

Me: It was all fated to happen. And Cameron Clix warned us about it. Eon erased the memories of it. But I haven't forgotten. But those days will be forever remembered by all of us as the most horrible days to ever happen.

Eli: Yeah. They were tearing us apart.

Arata: How about we show you our base?

Nico: Sure.

Nokama: We would like that.

Me: And if it's possible can we meet Hiyori and Jyuka?

Soji: Absolutely.

We followed them.

Nokama: Soji, some people might think of you as a jerk. But me? I think you're truly a good man who stays true to his ideals.

Soji: I'm glad you think so Nokama.

Me: I don't think of you as a jerk at all Soji. You are a good-hearted man and you helped save countless lives from the worms.

Soji: Thanks. That means a lot.

Me: Also you and Arata are awesome partners working together to stop the worms like that.

Nico: You sure are. Also J.D. is a Kamen Rider like you for Kabuto.

Soji: Really?

Me: Yep. You'll see soon.

We arrived at Bistro La Salle.

Soji: Here we are.

Arata: I have a feeling that Masato Mishima could be the one we face on the day your entire teams meets us.

Me: We're projecting July 14th when we all meet you all.

Arata: Wow.

Hiyori came out.

Me: (Speaking in Japanese) 日下部ひよりお会いできて光栄です。私の名前は、チームの元リーダーであるジェームズ・ディーン・ナドソンです。(Hiyori Kusakabe it's a pleasure to finally meet you in person. My name is James Dean Knudson, former leader of of the team.)

Hiyori Kusakabe: (Speaking in Japanese) お会いできて光栄です。私はあなたが私が何であるか知っていると思いますか？(It's an honor to meet you too. I take it you know what I am?)

Me: はい、そうです。あなたはシシラワームに変わり、それは私が見た中で最も美しいワームの1つです。(Yes I do. You turn into the Sisyra Worm and that is one of the most beautiful one of the worms I've seen.)

Hiyori Kusakabe: I'm glad you all think so. Because I don't like it.

Nico: Why is that Hiyori?

Hiyori Kusakabe: I want to be a normal human being and live like everyone else.

One of the Rabbids tried to cheer Hiyori up by putting the Kabuto Zector on its head and dancing funny.

Nico: Hey! Put that back! That's not a toy!

The Rabbid did so.

Soji: He is funny.

Me: The Rabbids may not be bright but they are funny.

I went over to Hiyori.

Me: Hiyori you may not like your worm form but I think it's amazing.

Eli: Me too. You were given amazing power with it and you can do great things for good.

Hiyori Kusakabe: Like what?

Me: You can fly with wings like us and you can use your worm powers for fighting bad guys.

Nico: That's right.

Arata: We'll need to find someone to assume the title of Kamen Rider TheBee. Since the previous ones, including me, have other obligations.

Soji: I'm sure we'll think of something.

Me: Yeah. But Hiyori, your brother can also have you help him in his battles against evil worms that are still out there causing problems.

Soji: That's right Hiyori. I can use your help.

Hiyori: Okay. I'll do it.

Soji: Oh thank you.

Then a Firefly Zector appeared and a bracelet appeared on Hiyori.

Nico: The Hotaru Zector! Wow!

Hiyori: Now it's my turn.

We heard screaming!

Me: Uh oh!

We went out and we saw VERBER WORM ROTA!

Me: Verber Worm Rota! He is UGLY!

Nico: (hears an explosion) Please tell me that's just the sound of demolition.

Me: No it's from him!

We saw another Worm and it was ACARINA WORM!

Me: Acarina Worm too!?

Eli: That one is even more hideous!

Mack Hartford: Overdrive Accelerate!

He turned into the Red Operation Overdrive Ranger!

Me: Now for this! HENSHIN!

Soji: HENSHIN!

Hiyori: HENSHIN!

Computers: HENSHIN!

We transformed!

Nico: YEAH!

Me, Hiyori and Soji: CAST OFF!

Computers: CAST OFF!

We got our armors off.

Soji Computer: Change Beetle!

My Computer: Change Butterfly!

Hiyori Computer: Change Firefly!

Nico: AWESOME!

Arata: Don't leave me out! HENSHIN!

Computer: HENSHIN!

Arata transformed!

Arata: CAST OFF!

Computer: CAST OFF!

Arata got his armor off.

Computer: Change Stag Beetle!

Nico: AWESOME!

Me: This is gonna be awesome.

Eli: Time to tear him apart.

Eli fired a blast of Force Lightning and blasted Acarina Worm all over and electrocuted him.

I flew into the air and slashed him all over with my sword and cut his arms off.

Mack: Kick into Overdrive! Red Ranger!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

1!

A massive fiery explosion went off behind him and he was ready!

Mack slashed Verber Worm Rota all over the place with his Drive Lance!

Hiyori: Try this on.

She flew into the air and blasted Verber Worm Rota with energy lasers from her arms.

Soji: Let's weaken Verber Worm Rota as well!

Me: You read my mind Soji!

Nico: (Goes Super Saiyan 3) Lets fight these monsters if they are ready to die!

Nico teleported and kicked Acarina Worm in the stomach with devastating force.

Nokama blasted Acarina Worm all over with water and drenched it.

Arata: Acarina Worm doesn't have its' arms. So, let's cut off Verber Worm Rota's legs!

Eli: Let me do that! (Echoing) SWORD OF THE DARKNESS FLAME! 邪王炎殺剣!

Eli formed a sword of the pitch black flames of the Underworld and then he slashed Verber Worm Rota's legs and cleaved him right in half!

Hiyori: Whoa!

Soji: Now, who do we finish off first?

Nico: How about Acarina Worm first?

Eli: Leave that one to me.

Nico: Go for it Eli.

Me: Yeah!

Eli: This worm is gonna be the next victim of The Dragon of The Darkness Flame!

Nico: Whoa man! Stand back guys! This is gonna be hot!

Eli was enveloped in a vortex of pitch black fire as hot as the Sun!

Eli: (Echoing) DRAGON OF THE DARKNESS FLAME! 炎殺黒龍波

Eli fired a blast of pitch black fire and it formed into a deadly dragon and it slammed into Acarina Worm and incinerated it into oblivion! When the smoke cleared, Acarina Worm was completely vaporized into nothing!

Hiyori: HOLY SHIT!

Nico: AWESOME!

Me: Nice job bro!

Eli: Thanks.

Nokama: Alright, Soji. If you and Arata have finishers, you two should use them on Verber Worm Rota.

Soji: You got it!

Computer: 1… 2..3..!

Soji: Rider Kick!

Arata: Rider Kick!

Computers: RIDER KICK!

Hiyori: Rider Burst!

Hiyori Computer: RIDER BURST!

Me: Rider Wing!

My computer: Rider Wing!

I flew and slashed Verber Worm Rota with my energy wings.

Soji and Arata formed energy around their legs and kicked Verber Worm Rota and Hiyori fired a laser blast from her arm and it hit Verber Worm Rota and then…

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was destroyed in an instant!

Nico: TAKE THAT! You two worms have failed this city!

Eli: They sure have!

Soji: Nokama, I promise that by your next visit, I'll find someone to assume the title of Kamen Rider TheBee.

Nokama: Awesome.

Me: Also Soji you will love seeing what I am like without my coat on. This coat I wear is lined with magic that acts like training weights and without it I'm really fast.

Nico: It's true. Same things apply to all of us too.

Eli: Yep.

Nokama: It'll be awesome too.

We later came back.

May: Hey guys. How did it go?

Nico: Really well. We took down 2 Worms.

Eli: I used 2 of Hiei's techniques and killed one of them. One of the worms was cleaved in half by me.

Nico: And Eli used Dragon of The Darkness Flame on the other. It was awesome.

We told everyone everything and it was awesome.

May: Wow! That is amazing!

Laney: Yeah it sure is! Awesome job!

May: Nokama, Akira, Disk Wars Iron Man, and 2 Rabbids should go with you next time.

Nokama: Awesome! This will be cool to see.

Lana: It sure will.

Me: Hiyori is really awesome now. She is the Firefly Kabuto Kamen Rider.

Nico: Yep.

Laney: That is cool.

---

We were flying to Montana.

Me: This is gonna be awesome!

Nico: Yeah we've never seen the base for The Masters of Evil before. It'll be awesome to see their base.

Eli: Especially after everything we went through. I hope its just as awesome as the Base of the Legion Of Doom.

Laney: That will be awesome to see.

We arrived in Montana and we saw the Masters of Evil HQ and it was like a fortress! It was a fortress base that looked so much like a true castle from Hell! REALLY SCARY!

Me: WHOA!

We landed.

Vypra: Glad you guys could make it.

Me: It's our first time ever seeing M.O.E. HQ.

Patrick: Your base is so cool!

Vypra: Glad you think so. We called you here because McWolf found someone and brought him here.

Serena: Is it another scumbag?

Dark Spicer: Actually, no. How we know this? This person isn't in chains.

Vypra: Yep. Come on in guys.

We went into the base and it was awesome. It had all the comforts of home.

Me: Wow! The M.O.E. Base is just as cool as our estate is.

Vypra: It sure is.

Firefly: Hey guys! Welcome to our humble abode.

Vexen: Nice of you all to come.

Me: An honor to be here guys.

We then saw COUNTLESS NEW RECRUITS!

Me: HOLY COW! You guys REALLY HAVE been busy recruiting numerous villains.

Vypra: We sure have.

We went to their infirmary and it was amazing.

Me: Wow! You guys have an amazing infirmary.

Vypra: Yep. Not nearly as state of the art as yours but just as good.

We then saw Mark Allen in a bed.

Blackfire: Mark Allen?

Maria: How are you feeling?

Yost Molten Man: Like hammered shit!

Me: Wait a second. Are you the Mark Allen from the Yost Universe?

Yost Molten Man: That's me.

Me: Funny thing is on Hay Lin's last Ambassador Mission we were just talking about you.

Molten Man: Yeah he's different from me. I'm made of lava and he is made of fire.

Me: That is cool.

Molten Man: It sure is. But our names are different. My real name is Mark Raxton.

Me: And this version is Mark Allen. How strange but awesome.

Mark Allen: You guys did a good job bringing that dirtbag Miles Warren to justice. But the remote to my powers was being carried by Goblin.

Fortress Maximus: So that's who J.D. stole the remote from.

G1 Ironhide: We're real sorry that happened to you, Mark.

Mark Allen: (chuckles bitterly) Don't be. It was my own gambling that landed me in that position in the first place.

Me: I think you look really awesome with fire powers Mark. (Flares up Fire Aura) Makes you look totally infernal.

Mark Allen: (Laughs) Yeah that is true.

Me: Yeah. But Miles Warren is now in the Neptune Prison for eternity. He will never see the light of the sun again. Even from 2.8 billion miles away.

Mark Allen: That's good.

Bludgeon: If you want, we can take you to see your sister.

Mark Allen: Not the best time. You guys might be planning to help me shift between forms. But until I can fully master my powers, I'll only put Liz in danger.

Me: Well take as long as you need to fully master your abilities Mark.

Nico: Yeah it'll be a while before that happens but let us know when you are ready for that.

Me: In the mean time.

I gave Vypra the remote for Mark Allen's powers.

Me: Here Vypra. Just in case.

Vypra: Thanks J.D.

Me: You're welcome. And your sister is also Firestar.

Mark Allen: Yeah but not in my world.

Me: That's all right. Lots of heroes and villains don't exist in the Yost Universe. Darn shame though.

Laney: Yeah.

Me: And to be specific in the Ultimate Universe comics Liz is called Firestar.

Mark Allen: That makes sense.

We later went back home.

Wolfgang: (Australian Accent) So, Nico. Which Zenkaiger Gears have you completed this time?

Nico: Ones for Battle Fever, Denziman, Sun Vulcan, Goggle V, Dynaman, and Bioman.

Olga Orromov: Neat! I'll use Battle Fever J.

Akira Akatsuki: Denziman for me.

Carmen Cortez: I'll use Sun Vulcan.

Spiderman: Goggle V.

Rock Lee: I'll gladly use Dynaman.

Earthworm Jim: Groovy! And I'll gladly use Bioman!

Nico: Awesome! Now I have just the mission for us. We're gonna go to the world that Evangelyne is from.

Me: Awesome!

Eli: Cool!

Evangelyne: You guys will love the World of Twelve. Strange name I know but it's a really amazing place.

Nico: It will be awesome to see.

Number 7, Dr. Light, Beast Man, Six Gum Gang, Bane, Devack, Avalanche, Pyros, Shiv, and Ranamon then appeared.

Number 7: Shall me, Dr. Light, Beast Man, Six Gum Gang, Bane, Devack, Avalanche, Pyros, Shiv, and Ranamon accompany you all as well?

Nico: Yes you all can and it was awesome seeing your base.

Laney: Yeah it was awesome.

Bane: (Spanish Accent) Glad you guys find it especial.

Me: It's really awesome.

Nico: Yep. And we're going to another awesome place. We're going to the World of Twelve. That's Evangelyne's world.

Devack: Ooh! Looking forward to that one.

Lana: We all are.

Lusamine: Nico, which Gene Slammer do you think you'll meet on your next rescue?

Goof: (chuckles) I love that question of the day.

Nico: (Laughs) That's true. Lets see. I'm hoping to do one for an Evolved Galilean next.

Me: One for Ultimate Gravattack's kind next. That will be awesome to see.

Laney: Yeah.

Me: So one of the gravity users like Carol, Leni or anyone like that next.

Nico: Yep.

Lana: Awesome.

Lunk: Think we should've told Mark about Yost Spidey being Peter Parker.

Dr. Light: Lunk, Yost Peter wants to fully reveal his identity on the big day. We have to respect that.

Lunk: Oh all right.

Nico: Yeah we have to respect what he wants.

Eli: Yeah patience is a virtue.

Lola: That's right.

Nico: Yeah.

Plitheon: (to Spiderman) Same goes for you as well, Pete.

Jesse Glenn: Until the big show on June, you shouldn't give any indication of you being casted as Spider Man.

Spiderman: I know. It'll be scary but I'll hold it in.

Me: Besides everyone in our world knows who Spiderman is.

Nico: Yeah that's true. Anyway lets get moving.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed an energy signal, and he saw who the figure was in the vision: it was none other than Apollo Flame, an enemy of Mega Man from long ago, and he's come here to destroy us all. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is there someone else coming after us?

Lincoln: Afraid so, Nico, and Geo Stelar, you're not going to like who it is: the energy signal I sensed belongs to Apollo Flame.

Geo Stelar, Mega Man and his incarnations, along with all his allies from different worlds all gasped in shock.

Geo Stelar: Oh man, this isn't good. We got to stop him at once.

Siyana the Light Faerie: Then, allow me and Lincoln to go after him, Geo. We won't let that monster get away with what he's planning on doing.

Lincoln: That's right, we won't, Geo.

Geo Stelar: Lincoln, Siyana, I only have this to say: show that fiery monster no mercy!

Lincoln: (Smiles) That's exactly the words we wanted to hear, Geo. He'll pay for trying to destroy all human life on Earth.

Luan: Ooh, this is going to be good. But, Siyana the Light Faerie and Lincoln are going to make sure that a genocidal monster like Apollo Flame is extinguished for good.

Nico: That's right, Luan.

We were off to the World of Twelve.

We arrived in the World of Twelve.

Shiv: Here we are!

Evangelyne: So good to be back home.

Dixie: (sees something) Is that an Albastrocious?

Nico: Wow! That is an amazing bird.

Laney: It sure is.

Me: Wow. This is a true alien world.

Eli: It's amazing Evangelyne.

Grier: Are there any friends of yours here?

Evangelyne: Yeah there are. Follow me.

We went to Evangelyne's home village and it was amazing and we met Sir Percedal of Sadlygrove, Yugo, Ruel Stroud, and Princess Amalia Sheran Sharm.

Amalia: Evangelyne!

Evangelyne: Amalia it's awesome to see you!

They hugged.

Yugo: We were really worried!

Nico: Long time no see guys.

Yugo: Nico! Wow!

Amalia: There's our favorite monkey!

Sir Percedal: Wow! You have grown a lot!

Dixie: Nico, you know them?!

Nico: I sure do. It was a long time ago. Remember how I know Evangelyne? Well I also know her friends too and we went into battle many times with the villains here. Oh and this is our target…

He pulled out a wanted poster of Nox.

Me: Nox?

Nico: You would not like him one bit.

Nico told us his history of him.

---

Nox is the main antagonist from Season 1 of the French cartoon series Wakfu, which is based on the game of the same name.

He desires to take all of the Wakfu from the world, or at least enough of it, to power the Eliacube, a small cube of incredible power that appears to speak to him, and go back in time to save his family from death. Because he is trying to go back in time, he is ruthless in the pursuit of his goal and takes many lives in his quest to gather Wakfu (life force/energy), as he believes that when he goes back in time, all that he has done will be undone.

He is voiced by Benjamin Pascal in french dub. In the english version is dubbed for Arthur Bostrom on first season, later Kaiji Tang it is who replaces it from the season three.

Before his descent into the maniacal and ruthless Xelor known as Nox, Noximilien Coxen was a human inventor and horologist who had a wife and three children whom he loved dearly. They also had a pet bow-wow (a dog-like creature in *Wakfu* ) named Igole.

Despite the happiness that his family brought him, he often felt distraught that he could not provide for his family financially; he often had to negotiate with his landlord over his accumulating debt. While showing off his latest invention - a portable clock that can fly - to his family on a beach, his invention becomes erratic and flies off and Igole chases after it. Noximilien runs after them and finds them in a cave, where he stumbles upon the Eliacube and witnesses it's extraordinary power when it fixes his invention.

Noximilien takes the Eliacube back to his workshop to study. Unfortunately, as time goes on, the Eliacube seems to mentally and physically affect those who come into contact with it; both Noximilien and Igole become increasingly obsessed with the Eliacube, to the point where Noximilien and Igole barely eat or sleep and no longer spend time with their family. Over time, both of their bodies begin to deteriorate into an emaciated state. His wife, concerned with Noximilien's new behavior and physical state, eventually leaves him when she realizes she cannot get through to him, leaving a note that she and the children have gone to stay with her sister and that he is welcome to rejoin them when he has given up on the Eliacube. When he finally leaves his workshop, he discovers his house to be destitute and abandoned, and finds the note written by his wife.

Just as it seems he is about to go and join them, he is lured back into his workshop by the whizzing machines. Later, his landlord brings him the tragic news that his wife and children were killed in a flood. Noximilien, who was already mentally weakened at this point, finally snaps and is driven over the edge by grief and rage. In his madness, he hears the Eliacube talking to him, telling him that he can fix "his life's clock" by harnessing the power of the Eliacube to reverse time - if he can gather enough Wakfu to power it. This event marks the end of Noximilien and the rise of Nox.

Nox has moved on to the industrial phase of collecting wakfu, for this he uses small mechanical insects called Noxines which, like bees, will plant their sting in living beings (plants or animals) in order to steal their wakfu. Unfortunately, a being deprived of his wakfu dies and the Noxines leave behind fields of desolation.

For 200 years, Nox collects wakfu, but he is far from having successfully filled the Eliacube reservoir. He will therefore attack people with great power. We find out on page 28 of Volume 2 of Tome 2 des "Larmes de Sang" that Nox lashed out at Apifaice and Mufasa's father because he was a powerful shushu keeper. Nox confronted him and managed to steal much of his Wakfu without actually killing him. Unfortunately, without his wakfu, the guardian had become too weak to fight against the shushu locked in his sword. The shushu then took possession of its guardian's body, transforming it into a raging and uncontrollable beast that had to be killed. Nox is therefore indirectly responsible for the death of Apifaice and Mufasa's father.

Season 1

The story begins when Nox discovers the mysterious Grougaloragran (who Nox notices has massive stores of Wakfu), seemingly an old man pushing a baby in a baby carriage. When Nox challenges Grougaloragran, he is shocked to discover that Groulagrolagran is in fact a dragon disguised in human form. Nox loses this battle to Grougaloragran, but is determined to acquire his Wakfu one day. Grougaloragran takes the baby named Yugo to a village where he leaves him with a man named Alibert to raise. As Grougaloragran's powers allow him to see someone's soul, he determined that Alibert was a good man and would raise Yugo well.

Twelve years later, Nox picks up Groulagrolagran's trail once again, having discovered the now 12-year-old Yugo, who has just discovered his Eliatrope powers of being able to create portals. Nox appears and attempts to coerce information about Grougaloragran from Yugo and his friends, but is attacked in turn by an enraged Alibert and others. Nox uses a weak time-stop spell, which freezes them, but Alibert manages to break through the spell and attacks Nox. Nox decides to retreat and steals some of Alibert's Wakfu so that he can teleport away. This ages Alibert, turning his hair white.

Nox remains absent throughout much of the first part of the season, tracking Yugo's and his friend's movements as they search for Yugo's real family, with the hope that their journey would lead him to Grougaloragran.

Appears in some volume chapters as a recurring antagonist of adventures in *Roman Wakfu* that not shown in the television series.

On "Le repaire des Roublards", after delivering their information, the stranger leaves without even asking to be paid. Ruel finds this very suspicious. His distrust is justified since it was actually Nox.

From "L'affaire est dans le sac", Yugo tries to make a portal but curiously, he does not succeed. He does not know that Messer Smisse anticipated his attempted escape. He bought a ring that blocks the powers linked to Wakfu. Yugo has no way to escape. While they were lost, time freezes in the room. Everyone seems almost motionless, only Yugo and his gang are free to move. Taking advantage of the opportunity, they fled without asking for their remains.

In reality it was Nox who discreetly gave them a helping hand. He wants them to be able to resume their quest as soon as possible in order to start following them discreetly and thus discover the location of the island of Oma. Unfortunately, the departure is not for now, they must still recover the Arc d'Evangelyne and Rubilax before they can get back on the road.

Thanks to his flying machine in "L'eau et la glace", Nox intervenes just in time to damage the Smisse's ship and force them to abandon the pursuit. Everyone is happy to have escaped unscathed, only Evangelyne is a little melancholy because she is the only one in the group who has not yet recovered what the Smisses have stolen from her. Tristepin and Ruel reassure her by saying that they will eventually get their hands on her bow. Yugo recalls that they must also recover the magic card if they want to continue their journey. The fine team has no choice, they will have to face the Smisses again.

In "Réunion de famille" the rogues have the advantage of numbers, but that is not enough to scare Yugo and his friends. During the fight, Yugo is forced to activate one of his portals to save Evangelyne. Unfortunately the cave is filled with Stasis crystals which react to the presence of Wakfu. The structure of the cave did not resist, forcing everyone to flee. Thanks to Nox's intervention, Yugo and his friends escape unscathed while the rascals remain trapped in the temple because of the landslides.

Nox is waiting for them at the exit. At first glance, he seems pleasant, simply wishing to negotiate with Yugo: since the airships at the top of the temple are inaccessible, he offers Yugo to return his old boat to him in exchange for the Grav'Mar'Av card. Yugo refuses, so, to make him change his mind, Nox attacks Ruel by shooting him with a discharge from Wakfu. Unfortunately for him, Ruel had Stasis crystals in his Haven bag. The crystals re-examine the discharge on the ship of Nox which undergoes so important damage that it does not take long to crash. Faced with such a loss, Nox gives up the fight.

To find a large quantity, he moves his mobile fortress (in the shape of a giant clock) into the forbidden forest near the village of Yugo. He wants to attack the Big Soft Oak and the emptiness of his Wakfu until he dies from it. Unfortunately for Nox, the reserves of this plant entity are not as large as expected. As he looks out the porthole of his fortress, he sees Alibert, Yugo's adoptive father. He decides to pay him a courtesy visit.

During the episode 16 Grougaloragran knows that it was Nox who found the Eliacube over two hundred years ago, he would like to take it back from him, but his last fight against him 12 years ago, left him with physical scars and a paralysis gains him a little more each day. Yugo and Adamai then inform their friends that when they came here they saw a giant teleportation portal created by Nox to bring their mobile fortress to the island of Oma. Everyone is preparing to face Nox, but when the assault is launched, Grougaloragran casts a magic spell that teleports Adamaï, Yugo and his friends to a place far away from the island of Oma. The dragon therefore remains alone on the island to face Nox in a duel. Adamai understands that Grougaloragran did this to protect them, but he fears that despite his strength, the dragon is not big enough against Nox.

Nox never expected to face such a powerful opponent. Unable to defeat him alone, he called on three Marama, Frisco and Tartufo puppets. Each of them has a specialty: one is a melee adept and his arms lengthen to catch and bring his opponent to him while the other, specialized in ranged attacks, shoots arrows. The latter has an extremely strong shield and intervenes to protect Nox or the other two puppets when they are in bad shape. Grougaloragran, who can see the essence of people through the wakfu which they give off, manages to detect that Nox has a good bottom and that he is less bad than what he wants to make believe. Anyway, he cannot let Nox go back in time and must therefore prevent him from stealing his wakfu at all costs. Although he is immobilized, Grougaloragran explodes the energy he has in him, which has the effect of creating a blast so powerful that Nox and his fortress are very damaged. Nox tries to spot the presence of the dragon but can no longer locate it. He infers that Grougaloragran sacrificed his life to prevent him from carrying out his plan.

Thousands of miles away, Adamai felt the death of the one who raised him. As the sadness started to gain the group, a magic feather appears on the rump of Az. This pen is a message from Grougaloragran. He explains to his friends that he has failed to stop Nox and that now he is going to seek to steal the wakfu from the Tree of Life located in the Sadida Kingdom. Amalia is terrified by this news because the sadidas are linked to this tree: if he dies, all his people will disappear with him. So she has to go home to warn him and prepare to counter Nox's attack.

Fortunately, the Sadida Kingdom was warned by Amalia of the impending Nox attack. Guard Sadida, but also Guard Crâ patrol throughout the kingdom in search of the swarmers of Nox. Indeed, Adamai explained to them that these critters always arrive first to try to build a giant teleportation portal which will allow the fortress of Nox to arrive directly at the Sadida Kingdom. If this fortress makes it this far, it can make matters much more difficult.

Nox's mobile fortress is approaching the Tree of Life and the sadida guard is too far away to reach it. The guards therefore try to stop it from a distance by using their powers to make excessive growth of the trees located just in front of the fortress. The scheme works and blocks the legs of the machine. To be able to clear the trees blocking the fortress and to level the path leading to the Tree of Life, Nox activates the Razortemps, a kind of very powerful robot that uses the Stasis (which is an energy opposite to Wakfu) as energy. With his lasers, he gradually frees the fortress from its vegetable prison.

Nox moves on to his next target, the Tree of Life. He launches an invasion into the Sadida Kingdom, deploying both his minions and machines against the Sadida army. During the battle, Nox also deploys XII Raze-time, a powerful automaton fueled by Stasis, against the Brotherhood of the Tofu. The clockwork robot soon manages to kill Tristepin, traumatizing Evangeline and enraging Yugo in the process. In the end, Nox succeeds in his goal and reaches the Tree of Life, draining it of all its Wakfu and destroying the entire Sadida race in the process.

Nox is then attacked by a grief-stricken Yugo and his dragon brother Adamai. During their struggle, Yugo touches the Eliacube, transporting Nox's entire clock fortress (with Nox, Yugo, and Adamai inside) to Mount Zinit in the future. There, the Xelor and Eliatrope continue their duel, both now powered by the Eliacube's energy. Ultimately, Yugo proves victorious. But before he can deliver the finishing blow, he is distracted by Ogrest's roar, allowing Nox to strike while his guard was down (much like Groulagrolagran). Nox proceeds to drain Yugo of all his Wakfu and powers up the Eliacube to finally travel back in time to save his family.

However, Nox had severely miscalculated the amount of Wakfu needed to travel back in time, and rather than travel 200 years, he only manages to travel back 20 minutes before the Eliacube uses up all the Wakfu Nox collected over the years. Without the Eliacube or any Wakfu to power them, all of Nox's machines shut down. As he stands in the wreckage of his clock fortress, Nox proceeds to rant to the Eliacube (still believing it could talk), demanding to know why it won't let him see his family.

Yugo angrily yells at Nox for all he's done, telling him that the cube can't talk and all of his crimes were ultimately for naught. Nox proceeds to emotionally break down, only responding to Yugo's anger with tears. As the Sadida army surrounds him to finish him off, Yugo calls them off, and Nox bids him farewell as he teleports away. During the end credits for Season 1, Nox's remains are shown next to his family's graves (implying he either committed suicide or died from running out of Wakfu).

Season 2

Days after a pitched battle broke out, Evangelyne recounts what she wrote in her diary, in story prologue, showing the event of when she and her team carried out the invasion that Nox started, also a flashback of the same event where quotes what Nox had said back then. In the Sadida Kingdom, the villagers still remember with great impact what Nox and his machines caused in their lands, commemorating the moment when The Brotherhood of Tofu could stop him, likewise a girl wearing an mask of herself while interpreted the fight he had with Sadlygrove.

He is later mentioned by Adamai to Qilby about his plan to travel back in time with the power of the Eliacube, while they were in the Zinit.

For one of the kings who attended the convocation in the Sadida Kingdom, names Nox when expressing his concern for the Eliacube, an artifact that was once in his possession and put The World of Twelve at risk.

Navigating the Black Ink's ship to the Crimson Claw Archipelago, Yugo mentioned to his team that, confronting the Sufokian army may be more dangerous than his battle with Nox.

Nox equipment and machines have not been lost for everyone. Count Harebourg recovered pieces of Nox's technology to study, including Nox's damaged helmet that was formerly left at his family's graves. This is how he discovered the videos recorded by the Noxines who spied on Yugo and his friends. Thus, he was able to discover their adventures and it is in this way that Count Harebourg fell in love with Amalia without ever having met her.

Yugo recognised Count Harebourg's technology as being the same as Nox's and was alarmed when he thought Harebourg was trying to follow in Nox's footsteps, before Harebourg declared he cared about the future in contrast to Nox's desire to turn time back.

At the beginning of the first episode Dally tells her daughter Elely all the adversaries she faced, mentioning Nox first and appear in front of her "clock lair".

Appears as a kind of ghost created by a hallucination in the spirit of Yugo in "Oropo's Tower". He begins by talking to Yugo who immediately recognizes his voice and Nox replies that he feels flattered that he does not forget it after all years. Tortured in person the mind of little Eliatrope who accuses him of being dead because of him.

When Oropo traps Yugo inside him in "Hyperzaap", so that he does not interfere with his plans, he makes the hallucinations of Nox and

Qilbyappear again that they enter into battle with him. In the same episode, in which the members of The Siblings discover the lies that Oropo was hiding from them, they realize that he was responsible for giving the Eliacube to the watchmaker Noximilian, causing him to go mad while appearing in a flashback.

There was an occasion in the episode "Inglorium" where Oropo mentions him alongside Ogrest.

When he was done we were shocked!

Me: Whoa! That is awful.

Eli: He only wants to save his family. Oh man.

Gabriel: Just like what happened with me and Emile.

Nico: Yep. I did actually kill some Worm monsters, so that's still fresh in my mind.

Amalia: Wow! That is cool.

Laney: It sure is and Amalia I like your hair. It's amazing.

Amalia: Thanks Laney.

Nico: Yeah.

Beast Man: So, what's been going on here lately?

Amalia: Well not much.

Nico: But I do sense Nox near. He will be spared so we can save him from himself.

Me: If he is like Gabriel when he was Hawk Moth then we can still save him.

Laney: And we don't need to worry about losing our cool in this one too.

Camie: That is for sure.

Sirius: It will be awesome to face him though.

Loud House Taylor: Why don't you guys show us around first?

Me: Good idea. This world is totally new to us except for Nico. We don't know all about this world.

Evangelyne: We'll be happy to show you all around.

Yugo: Follow us.

We walked around and flew around the world and it was amazing. The World of Twelve is located in the Krosmoz and is the primary location of the game. It was flooded by Ogrest 200 years ago during Ogrest's Chaos.

Before the gods (and specifically Osamodas) discovered the lifeless planet, it was found by the Eliatropes in their escape from the Mechasms. At the time, it was a very lively planet, and they chose it as their new home for its abundance of Wakfu. However, the Mechasms eventually caught up with them, and all life on the planet was eventually wiped out in the events of Islands of Wakfu.

Still according to Found Fragments I, when Osamodas reached this part of the universe, he found a great void with a platinum sign and burning letters that read "There's nothing here" - which was true except for the sign, of course, and a single star. Through their playing and fighting, the god's dragons created an entire solar system (or more) and gave new life to the planet.

Such an event does not go unnoticed, of course, and Osamodas was soon joined by the other nine gods of the time. Together, they made sure that their new planet had everything it needed to thrive and, lacking inspiration after having named several other planets already, named it World of Ten in reference to their number. The Demon King Rushu got there a little later, and wasn't pleased to have been left out, but the gods explained that they had to be an even number - 5 on the side of white magic, and 5 on the side of black magic - and there was no way they could let Rushu in.

Several years later, however, Sacrier ascended to the pantheon.

Needless to say, Rushu was less than thrilled to see eleven gods in the pantheon and still be confined to his Shustuft Crust, but rather than try to grab a seat, he focused on invading the World of Eleven. A few years later, Pandawa followed in Sacrier's footsteps and the world took the new name of World of Twelve, which it still carries to this day.

It was incredible.

Me: Wow!

Amalia: Is it true that you all went through something involving an event called The 20 Days of Darkness?

Nico: Yep.

Bane: Trust me, Amalia. When you try to mess with the timeline, there are always consequences.

Amalia: What do you mean?

Me: Ugly story on that.

Leni: Yeah it was totes awful.

Dardemus: We're telling you this because of Nox wanting to go back in time to save his family.

Nico: Yeah.

Me: But no reason why we can bring his family to him. I have the power to bring anyone back to life.

Amalia: Wow that is amazing.

Ruel Shroud: It sure is. That is cool.

Evangelyne: I've seen it in action a few times and J.D. does have that kind of power.

Pyros: Also, what do you guys eat around here?

Evangelyne: Our food is much different than that of Earth. But we have something called Gobball Stew.

Nico: Man I haven't had that in a long time. I bet it's just as good as I remember.

Evangelyne: Well lets go get some.

We went to a restaurant.

Nelson Muntz: I bet it tastes great!

Nico: Yeah.

We then got an awesome feast and we saw that all the food looks and is almost the same as what we have on Earth.

Nico: Wow its been a long time since I had food here.

Evangelyne: Dig in guys.

We got to eating and it was DELICIOUS! Wow!

Me: Wow it's good!

Sakura Avalon: Boy it sure is.

Eli: (Eating) It sure is.

Devack: This actually tastes pretty good.

Evangelyne: Some of the best in all of the World of Twelve.

Laney: It's awesome.

We were eating and eating and eating until we were stuffed.

Me: Ahh. (BURPS) Oops excuse me.

Nico: But it brings back memories.

Eli: It was awesome Nico.

Android 21: Alright, we'll finish our meal and then go after Nox.

Nico: Good idea.

Laney: As long as we can defeat him after we resurrect his family.

Me: He'll be wanting us to take him down after that.

Lincoln: Good idea.

Avalanche: Hey, guys. I found him. He's over that hill over there.

We saw a hill in the distance.

Laney: Not that far away.

Lana: No kidding.

Nico: Time for action.

Evangelyne: Yeah. This will be awesome.

Smithers: Time for our entrance.

Nico: Lets get him.

We went at Nox.

Nox was looking around for his next victim and then the spirits of the Animals of Dinosaur Elements appeared and swirled around him and smashed him all over and then converged and then a massive forest grew in front of him almost instantaneously and then we popped out of coconut pods and we were ready!

Me: Nox.

Nico: Been a long time Nox. You're looking good.

Ranamon: Sugah, you don't want to do this. Trust me.

Nox: Actually, I DO want to do this! "Sugah"!

William: Now that's just mean.

Me: Yeah. But You need some people back in your life. (Snaps

Fingers)

I snapped my fingers and then in a massive pillar of light with angels singing divinely came down Nox's wife and three kids and he was shocked to see them!

Nox gasped!

Nox: It can't be.

Nox's wife: Oh Nox it's great to see you again.

Nox's son: Hello dad.

Nox went and hugged his family for the first time in over 200 years he cried happily.

Then Bonz, Thundermon, Kite Man, Dodgeball Wizard, Speed Demon, Xigbar, Black Knight Ghost, Marluxia, Juggernaut, and Black Lance then appeared.

Nico: Bonz, Thundermon, Kite Man, Dodgeball Wizard, Speed Demon, Xigbar, Black Knight Ghost, Marluxia, Juggernaut, and Black Lance.

Bonz: Nothing like reuniting with old friends, huh?

Nico: Got that right.

Thundermon: At least Nox doesn't have an army of villains.

Nico: Yeah thank goodness.

Nox: Honestly, I could never recreate the amount of numbers the Akumatized Army had.

Kite Man: Which is good.

Me: Yeah no kidding. Nox I'm sorry about what happened. You and the Ice King are completely similar.

Nox: Yeah.

Dodgeball Wizard: (to Nico) We heard you dealt with a garbage monster.

Nico: We sure did but it was really a monster of Raw Sewage.

Speed Demon: How did you get rid of it?

Nico: We didn't. My friend Jane here ate it.

Everyone: EWWWW!

Me: Yeah yuck.

Leaky Faucet appeared for round 2.

Nico: Round 2 for Leaky Faucet.

Leaky Faucet: Yep.

Me: Awesome.

Leaky Faucet: You guys need some water after that meal?

Nico: Yeah that would be perfect.

Ed: Mmm I am thirsty.

We got some water and drank it and it was awesome.

We later got the usual battles underway.

## Gia Moran, Applejack, Apple Bloom, Earth Skylanders, Woody Woodpecker, Bad Juju and Wolfgang VS Bonz - Nico's rescue

Bonz was first.

Bonz: (to Gia) I don't know what was more gross in Nico's rescue. The Raw Sewage monster or Jane eating it!

Gia Moran: Nico also getting his head blown off and regrowing it back like Jack Jeebs was gross too.

Applejack: Yeah got to admit though that was amazing that he can do that.

Apple Bloom: It sure was awesome.

Flashwing: We all thought so too.

Woody Woodpecker: Yeah it sure was amazing to see.

Bonz: Yeah that was cool though. I didn't know that Nico had that kind of power and he's not one of Jeebs's kind.

Gia Moran: That is awesome though.

Bonz: No kidding. But I have seen that happen to Jeebs and he must really hate it when that happens to him. Lets do it!

Gia Moran: You have no idea! LEGENDARY RANGER MODE! OPERATION OVERDRIVE!

She turned into the Yellow Operation Overdrive Ranger!

They fired waves of earth, rock, energy, crystal and apples and smashed him down.

Gia Moran: Now that's a Super Mega Win!

Applejack: YEEHAW! That was great!

Woody Woodpecker: HAHAHAHAHA HAHAHAHAHA HAHAHAHAHA HEHEHEHEHEHEHEHEHEHEHEHEHE!

---

## Sage, Rainbow Dash, Scootaloo, Air Skylanders, Lost Galaxy Rangers, Mai (Avatar), and Lusamine vs Thundermon - Lincoln's rescue

---

Thundermon was next.

Thundermon: (to Sage) I heard Lincoln faced the Dock Hag in his rescue? How'd that go?

Sage: That went really well and we now have another one of Flapjack's many enemies down.

Rainbow Dash: Yeah that was an ugly hag.

Scootaloo: Yeah she was ugly and freaky!

Whirlwind: She was gross.

Leo Corbett: Yeah no kidding.

Thundermon: She sure was ugly. Lets do it!

They fired waves of lightning, rainbows and wind and smashed him down.

Sage: RIGHT ON!

Rainbow Dash: That was AWESOME!

---

Wonder Woman, Starlight Glimmer, Cozy Glow, Undead Skylanders, Jeremie, Aelita, Jesse Glenn and Snarler VS Kite Man - Meeting a Gren, Tactician of Dark World Gene-slammer

---

Kite Man was next.

Kite Man: (to Wonder Woman) I heard you guys met a Gren, Tactician of Dark World Gene-slammer. What's her name?

Wonder Woman: Her name is Griselda Huffington and she is one of the strongest and bravest girls we've ever seen.

Starlight Glimmer: Yeah she is really strong, smart and VERY fearless and brave.

Cozy Glow: She is really tough too! She took on the full force of Lynn's wrath and many of Lincoln's enemies.

Hex: Yeah and it was amazing. But the worst was when she put Lynn in the hospital for a year.

---

Griselda Huffington: (British Accent) That's incredible.

Nico: It sure is, Griselda. So, what's the story on how you beat up Lynn so bad that she wound up in a full body cast with every single bone in her body broken and rendered her immobile for 2 years?

Griselda Huffington: (British Accent) Oh, now that's one I wouldn't forget. I was babysitting Lincoln while Mr. and Mrs. Loud were out, and Leni, Luna, and Luan were also keeping an eye on Lori, since she was already furious that someone else is babysitting her siblings besides her, but I knew that she was a mean and demanding control freak obsessed with control, and I wasn't going to let her abuse her power. While I was looking after Lincoln, I heard something charging after Lincoln, I then saw it was Lynn, and as soon as she got near Lincoln, she began beating the poor boy up, and she said that she was ordered by Lori to brutally beat her little brother to an inch of his life. I got so mad at that little monster along with the control freak, I charged in and I brutally beat up Lynn so bad, she had every single bone in her body broken. Then, I went downstairs and I grabbed Lori, she confessed that she did it, and she had absolutely no remorse, and she really hated me for taking over her job as the babysitter. But, I then reminded her of the fact that she was nothing but a mean and demanding control freak obsessed with control. I called Mr. and Mrs. Loud, and after I explained everything, they called an ambulance to the house, and Lynn wound up in a full body cast with every single bone in her body broken and rendered her immobile for 2 years, so there's no need to punish her, but as for Lori, she was grounded for five weeks for what she did. I then hugged Lincoln, and while he was hugging me, he was really crying his heart and his eyes out, it really hurt me greatly. I then swore that if anyone dared to hurt Lincoln physically and emotionally, they'll get no mercy from me.

We were impressed by what Griselda Huffington did with stopping Lynn from beating up Lincoln and reprimanding Lori for what she did.

Nico: Whoa, now that was really brutal.

Me: You said it, Nico.

Sly Cooper: I can't believe Lynn did that to Lincoln, and if Lynn was only 11 at that time, that makes Lincoln 9 years old at the time, and worse, that it was Lori's idea. That just makes my blood boil a lot more, and it's yet another reason to kill Dark Lynn. When I find her, I'll put an end to her myself, she doesn't deserve to live a single second further.

TLPS Mr. Wolf: Yes, that's true, but you better save seconds for Lincoln and the other Loud Kids, they already called dibs on making that superstitious, murderous, deranged gym bag unruly pig suffer for all the pain she'd forced Lynn to cause, Sly.

Lori: That's right, and Lincoln said, we owe her for years of punches and roughhousing and pain that she'd caused all of us, and it's not going to be pretty.

Lincoln: It's definitely not going to be, Lori, and I owe her even more for what she's forced Lynn to do in trying to kill me many times over many years ago.

Nico: Uh oh.

Me: You said it, Nico, if Lincoln catches her, he's going to unleash years of payback on Dark Lynn for trying to kill him many times over years ago.

FLASHBACK ENDS.

Kite Man: WHOA MAN! That is brutal! Griselda really did a number on her back then.

Starlight Glimmer: Yeah that was intense!

Jeremie: Yeah that is so awesome.

Aelita: And she is also an amazing tactician.

Kite Man: Wow! She is really tough. To take on the full force of Lynn's wrath like that takes a lot of guts. Lets do it!

They fired waves of energy, stars, lightning, bones and magic and smashed him down.

Wonder Woman: YEAH!

Starlight Glimmer: That was amazing!

Geo Stelar: I knew there's no mistaking that voice from anywhere. You can come out now, Apollo Flame.

A figure came out, and it was none other than Apollo Flame, the genocidal and very powerful EM Being from Geo Stelar's past.

Geo Stelar: Apollo Flame, I should've known you'd one day return from the dead, you just don't even know when to quit.

Apollo Flame: I will never stop until all human life on Earth has been destroyed once and for all!

Siyana the Light Faerie fired a powerful blast of light at Apollo Flame, and it hit him in the chest and badly damaged him.

Siyana the Light Faerie: I refuse to let you leave here alive, not until you've paid for the lives of all those you've killed.

Suddenly, Siyana the Light Faerie's sunlight yellow eyes turned neon sunlight yellow, and she was surrounded by a sunlight yellow energy aura with suns, light, and fairies, she got out her massive Neopia's Magic Staff of Magical Justice, and as she approached Apollo Flame, she left sunlight yellow energy, suns, light, and faeries with every step.

Siyana the Light Faerie: Apollo Flame, I will never forgive you for what you've done in wiping out all human life on your Earth in the Alternate Dimension, and now, I shall administer your punishment.

Suddenly, Siyana the Light Faerie was surrounded by a massive vortex of sunlight yellow energy with suns and light surrounding her, there was a faerie flying around the vortex, and in the vortex is a sunlight yellow phoenix. Then, as the vortex faded, Siyana the Light Faerie emerged, but she was changed forever.

シヤナ・ザ・ライト・フェアリー、アルタドールの12人の英雄の1人、最も暗いフェアリーのヴァンキッシャー、トルムンド・エリスとロベルタの親愛なる友人、リンカーン・ラウドの愛する未来の妻、悪の殺し屋、狂った、殺人、冷酷、そしてサディスティックな野郎、驚くべきそして驚くべき強力な教師の強力な学生、そして妖精と日光のマスター

Siyana the Light Faerie has transformed into SUPER ANGEL INFINITY TRUE LOVE SUNLIGHT FAIRY OF NEOPIA JUSTICE AND MAGICAL LOVE!

We were amazed by Siyana the Light Faerie's Super Angel Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Apollo Flame saw it, he fell into a rage and fired a blast of fire at her, but Siyana absorbed the fire, and it made her stronger than ever.

Queen Fyora: Incredible, Siyana's transformed.

Me: That's incredible.

Tormund Ellis: Indeed, and now, Apollo Flame's days in this world are numbered.

Lincoln: Wow, Siyana, you look beautiful. How do you feel?

Siyana the Light Faerie: (Divine Echoing Cosmic Voice of the Sunlight Fairy and Solar Love) **I feel incredible, Linky. Now, shall we deal with this hothead once and for all?**

Lincoln: (Smiles) With pleasure, Siyana.

Lincoln unholstered his improved massive Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Siyana the Light Faerie.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Let's get that genocidal fire Electromagnetic Being.**

Lincoln and Siyana the Light Faerie went after Apollo Flame, who fired fire tornadoes, snake-like flames, huge balls of fire, and fire meteors at them, but they absorbed them, and it made them stronger than ever, and they fired powerful blasts of rainbow energy, sunlight yellow energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Faeries at Apollo Flame, and they exploded with incredible power as they hit him. Then, Lincoln attacked him with his massive Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds, and left painful scars on Apollo Flame, and Siyana the Light Faerie fired powerful sunlight yellow energy blasts from her staff, and it hit him. Then, Lincoln grabbed Apollo Flame by the neck, and he sucked out and absorbed his flames, and it made him stronger than ever, and he hurled him into the air with his immense and brute superhuman strength.

Siyana the Light Faerie: **Let's put an end to him once and for all, Linky.**

Lincoln: **You got it, Siyana.**

Siyana the Light Faerie and Lincoln: **ELEMENTAL SUNLIGHT FIRESTORM KAMEHAMEHA!**

Siyana the Light Faerie and Lincoln fired a massive Kamehameha energy wave made of rainbow and sunlight yellow energy with the elemental forces of Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, Blood, Magic, Buffalo, Thunderbirds, Phoenixes, Angels, and Faeries, and as they hit Apollo Flame, they exploded with incredible power, and the resulting explosion killed him, and not only did we also assimilate Flame Apollo's powers, we also got his weapons, and Lincoln banished him to the Black Gates for good, where he was erased from existence for good. We cheered wildly for Lincoln and Siyana the Light Faerie as they holster their weapons and power down, and Siyana the Light Faerie's new body, clothes, weapons, jewelry, and massive fairy wings are permanent.

Siyana the Light Faerie: And now, all of those lives that Apollo Flame has destroyed have now been avenged. Thanks for helping me take care of Apollo Flame, Linky.

Lincoln: (Smiles Warmly) You're welcome, Siyana.

Suddenly, Siyana the Light Faerie wrapped her arms around Lincoln's waist, and it brought an atomic blush to Lincoln's face, as he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into an embrace, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Siyana the Light Faerie's face, they kissed passionately as Siyana the Light Faerie wrapped her left arm around Lincoln's wider and muscular back, and she placed her left hand on Lincoln's massive and wide right pec, and right behind them was a Thunderbird, Phoenix, Angel, and Faerie flying in the air, and we also saw a herd of Buffalo running across the field, and the display of the elemental forces behind them, and we cheered for them.

Nico: Whoa, that was so awesome. First, Queen Fyora transformed, and now, Siyana the Light Faerie has transformed.

Me: That's right, Nico.

Queen Fyora: Siyana's a strong fighter, she once saved an entire village of farmers from bandits, despite being injured herself. When the thieves had been hoping for a successful night attack, Siyana reached the town beforehand and woke the villagers by emitting an intense light.

Nico: That's incredible, and that's what made her one of the 12 Heroes of Altador.

Tormund Ellis: That's correct, Nico.

Roberta: I've read about Siyana's deeds in Brightvale, and they're indeed incredible.

Lincoln: That's incredible.

Nico: And from what we just saw from Siyana transforming, it also means that in the days to come, we're about to see Karui the Wheel of Excitement Faerie, Ariande the Dark Faerie, Delina the Dark Faerie, Bree the Fire Faerie, Ember the Fire Faerie, Nuria the Fire Faerie, Illusen the Earth Faerie, Iyana the Earth Faerie, Marina the Water Faerie, Naia the Water Faerie, Nereid the Water Faerie, Briana the Air Faerie, Casandia the Air Faerie, Psellia the Air Faerie, Zaira the Air Faerie, Aethia the Battle Faerie, Kari the Negg Faerie, Chishiki the Library Faerie, Jhudora the Dark Faerie, Mira the Space Faerie, Zuppa the Soup Faerie, Jhuidah the Island Faerie, Taelia the Snow Faerie, Móyá the Tooth Faerie, Kaia the Shenkuu Faerie, and Yīnyǐng the Dark Faerie transform as well.

Lincoln: That's right, Nico. This is going to be awesome.

Tormund Ellis: And as always, you're also going to be fighting side by side with them, Lincoln. Plus, I've seen what the Faeries in Meridell and Faerieland are capable of, they're quite powerful.

Me: That's right.

Evangylene: (To the viewers) That's one of our enemies down and many more to go. Be ready for more of them in the future when we come here many more times.

Nico: And we'll be ready. Great job everyone! Now lets head home and get ready for Easter.

We went back home and had a great time at the M.O.E. Base and it was amazing. We later went back home and we enjoyed the rest of the day and went to sleep.

Another awesome fanfic done.

Wakfu was a great show. Didn't watch the full show however unfortunately but it was awesome. It was really cool. The first part was for MLP and it was an original story. The second part was for Marvelous Misadventures of Flapjack and that was awesome. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, Etstheclarencefan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Thanks guys. Nico's next rescue is gonna be a really awesome and cool one as Nico, Loni Loud, Eli, me, Varie, Camie, Sirius, Ibara, Lola, Lana, Laney, Lisa, and Lincoln go to Dexter's school in the Simulator and we're going to take down Yani the Janitor and we're going to make sure he gets his butt kicked for trapping Dexter into the school forever while Dee Dee was destroying the lab. We're also going to meet an Ultimate Galilean Gene-Slammer named Gloria Andrukhovych. Gloria Andrukhovych is from the Ukraine and she is one of Nico's friends from Geography. She knows a lot about the world and knows so much about its locations and features. She is also a mischievous one too. Lincoln's rescue is gonna be in the Dexter's Lab episode called Ocean Commotion and we're going after Captain Ahab and his crew and we're going to arrest them and beam them to the M.O.E. and we're going to meet a Beiige, Vanguard of Dark World gene-slammer named Bertha Sellington. She is Lincoln's friend that got into a brutal fight with Lori and ever since then, THEY HATE EACH OTHERS

GUTS! Lori is gonna be in for one hard time apologizing to her. After the exercise scene will be the battle with Karui the Wheel of Excitement Faerie and Lincoln VS. Buzz (Spyro: Year of the Dragon). The next chapter is Easter and it'll be a non-combat party for a fun day for Easter.

See you all tomorrow

Me: HENSHIN!

I turned into my new Kamen Rider W Form! I looked like a rainbow version of Wizard except I had Rainbow Wings.

Me: RAINBOW WIZARD!

Eli: COOL!

Nico: AWESOME! Wow! This is the coolest form yet.

Me: Yep. It sure is.

Loni: Is it true that either Philip or Shotaro faint whenever the other

Henshins?

Me: Yes it is. Because they both share the transformation together.

Nico: Yep. They are linked somehow.

Laney: That is cool.

Nico: It sure is. W is one of my favorites out of the whole line.

Eli: That was a cool one and the chips they all had turned several people into weird monsters.

Me: Yep and Nuju is gonna be in for a wild ride in that one in the next couple of weeks.

Nico: He sure is.

Suddenly we heard a scream and we followed it to the cafeteria and we saw Dexter lying on the floor in his shirt and ruined pants and in his bare feet and he was covered in ketchup and sporks and he was hurt bad! We saw the janitor laughing and it was YANI!

Nico: That's Yani the Janitor. He hates Dexter with a vengeance.

Lisa Loud saw this and then SHE WAS BEYOND PISSED!

Lisa Loud: (Eye twitching) You hurt my boyfriend!?

Eli: Uh oh.

Laney: That janitor just dug his own grave.

Loni: Okay, if there was any doubt that Lisa had emotions, they're gone now.

Nico: Yep.

Lisa Loud: (In Her Head) I will not let this monster hurt Dexter! I heard what he did and he thought it was Dexter that kept him away from home, but in truth it was ALL BECAUSE of him!

But then SOMETHING SNAPPED IN LISA'S HEAD!

Eli: UH OH! Hit the deck!

We ducked and covered!

Lisa Loud: (In her head) AND I WON'T LET THIS MONSTER GET AWAY WITH IT! (Out Loud) AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAHHHHHH

And then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted around the area and a massive vortex of energy blasted out around Lisa she was screaming like a madman! HER POWER WAS RISING FAST!

Nico: WHOA! WHAT POWER!

Me: INCREDIBLE!

LISA GLOWED WITH INCREDIBLE POWER AND HER MUSCLES GREW AND RAINBOW FLAMES ERUPTED OUT ALL OVER HER AND RAINBOW FIRE GEAR WINGS BURSTED OUT OF HER BACK AND THEN SHE SCREAMED FEROCIOUSLY AND THEN IN A MASSIVE EXPLOSION OF RAINBOW FIRE, LIGHTNING AND ENERGY AND ELEMENTS SHE WAS FOREVER CHANGED! WHEN THE SMOKE CLEARED LISA EMERGED COMPLETELY AND FOREVER CHANGED!

(IMPERATRIX MUNDI PLAYS AT 1:35 TO 2:14)

Lisa Loud grew from 6'5" to 7'5" in height, she still retained the body of a goddess, along with the weighted green bands on her biceps and thighs, and they now have silver phoenixes on them, and eight large green orbs orbiting around her legs, she has green highlights in the bangs of her now long flowing brown hair reaching the bottom of her neck, she has neon blue eyes and a rainbow energy aura with rainbow lightning, gears, tech angels, and tech surrounding her, she has a rainbow tech angel holding the Thunder Kanji in her hands emblazoned on her forehead, she has on tech angels earrings with the Thunder Kanji in her hands, and her necklace with the green crystal links from her merged Crystal Necklace of The Buddha, and a tech angel with green crystal eyes with the Thunder Kanji in her hands for the pendant, she has on a sleeveless green shirt with red phoenix on it, red pants with rainbow lightning on the pants legs, black leather ankle-length combat boots with tech angels on them for the buckles, and a long white long-sleeved trenchcoat with rainbow lightning and gears on the coattails, and on the back is a tech angel with gears and rainbow lightning surrounding it. Lisa Loud now has massive brown angel wings with green tips on the large brown feathers. Suddenly, her massive Sword of The Tech Angels began merging with her tech sword and two massive Defender of The Loud House and Destroyer of Team Dark Phoenix Storm swords, and it's surrounded in a kaleidoscope of gears, tech, and rainbow lightning, and when it emerged from the kaleidoscope of orange flames and rainbow flames, it was transformed into Hephaestus' Tech Sword of Divine Justice, it's a new large sword with a 6'5" massive, wide, double-edged red silver blade with a gear and the symbol of The Loud House and the anti-Team Dark Phoenix Storm symbol etched on the blade, large pink angel wings for the crossguard, large blue gem for the hilt, longer black handle, and large faceted silver sphere pommel with surrounding blue gems. Lisa Loud has on her Green Lantern Corps ring on her right ring finger, she still has on her Bracelets of the Champions of The Universe with large green gems on her wrists, Belt of Elemental Bravery with large green gem for the belt buckle on her waist, she has her Spellbook of The Gods and The Universe on her right hip, and her Eater of Sins revolver holstered on her left hip. There's a green kanji below the tech angel that said, "Lisa Loud, Fifth Youngest of The Loud Family, Loving Sister of Her Many Siblings, Nobel Prize Winning Scientist, Master of Quantum Physics, Loving Youngest Daughter of Rita and Lynn Sr., Loving Girlfriend of Dexter, Intelligent Scientist and Genius of Gotham Royal York, Slayer of Evil, Descendant of 17th Century Lisa of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Emissary of Hephaestus, Defender of The Loud House and The Loud Family, Ambassador of Hope, and Master of Tech, Lightning, and Angels."

She had become a SUPER ANGEL ETERNAL INFINITY SCIENCE QUANTUM MASTER!

Nico: WHOA! Lisa transformed!

Me: Wow! Lisa you look incredible!

Eli: Awesome!

Camie: Wow! Lisa looks awesome!

Me: How do you feel Lisa?

Lisa Loud: (Divine Echoing Voice of Science, Hope, Love and Quantum Justice) **I feel amazing J.D. and now it's time for this bad janitor to get a taste of swift and painful justice.**

Loni: Lisa, should I get Dexter to safety?!

Lisa Loud: Please.

Loni did so.

Nico: Hey, let J.D. attack first! This is his first time with his W form!

Me: No Nico, lets let Lisa have the first attack. Ladies first.

Nico: You're right.

Lisa Loud: Much appreciated.

Lisa teleported and kicked Yani in the face with devastating force and kicked him right into the wall! He emerged holding his face and screaming in pain and we saw that Lisa broke his nose and knocked out ALL OF HIS TEETH!

Laney: WHOA! What a powerful kick!

Yani: YOU WRETCHED LITTLE BRAT! YOU RUINED MY FACE!

Lisa Loud: And I'm going to break much more than that!

Me: Now I can attack.

I put seven element Wizard Chips into my Prismbreak sword and fired waves of elements and blasted Yani all over the place!

Eli: Awesome!

Me: You're miles down shit creek buddy!

Nico: You think it's funny beating up Dexter?!

Me: Yeah he's only like what 8 years old!? He's just a kid!

Yani: I want him to feel the pain I had to endure when he makes me stay late every night!

Me: That's what this is all about!?

Eli: You being forced to work extra hours!?

Lola: You fucking disgust me!

Nico: There's nothing wrong to work extra hours! (sheepishly) Aside from being away from your loved ones.

Me: That's true.

Yani: You don't understand! That little monster makes me suffer and I never get home in time to spend with my beloved wife!

He told us what has been happening. Yani is the janitor at Huber Elementary and he cleans the school and prepares it for the next day. But Dexter wanted to work peacefully at the school because of constantly getting annoyed by Dee Dee and because of his constant work late into the night he leaves more and more filth that keeps Yani at the school late into the night. And when he gets home in the early morning hours he is greeted by his wife in bed and she goes apeshit on him like a wild animal! So he planned for the day when

Dexter would leave for something important and then he would lock Dexter in the school for eternity to get REVENGE!

Nico: That's it!? All because Dexter was working to get some peace and quiet and work done?!

Loni: You should be ashamed of yourself!

Me: YEAH!

Laney: You are not a janitor at all! You're just a heartless bully!

Dexter woke up. He was really angry.

Dexter: (GROWLS FEROCIOUSLY!)

Yani: So he is safe.

Dexter: Clean up this mess!

Yani saw our mess and then HE WENT ABSOLUTELY APESHIT CRAZY! DEXTER AND YANI WENT AT EACH OTHER AND BRUTALLY AND MERCILESSLY BEAT THE LIVING CRAP OUT OF EACH OTHER IN A BRUTAL FIGHT CLOUD!

POW BLAM BIFF KROW WHAM BLAM SMASH!

Nico: Let's let Dexter handle the rest.

Lisa Loud: Agreed.

Me: This will be fun.

?: I'll help him too.

An Evolved Galilean appeared and it helped Dexter pulverize and beat the crap out of Yani.

Nico: COOL!

Eli: YEAH!

The fighting went on for 1 hour and 45 minutes until Yani was mangled up and pulverized with every single bone in his body broken!

Nico: Serves him right.

Me: I say we leave him here to die.

Nico: No that would not be good.

Me: Oh you're right.

Evolved Galilean: (In a girl's voice) (Ukrainian Accent) But he will be out of commission for a while.

Nico: Gloria? Gloria Andrukhovych? Wow!

Gloria reverted back and she was a girl with blonde hair and red clothes.

Nico: Awesome to see you again on Easter.

Gloria Andrukhovych: It sure is Nico.

Nico: You okay, Dexter?

Dexter: I'll be fine. It'll take more than him to beat me up.

Lisa picked up Dexter.

Lisa Loud: At least that stupid buffoon will never trap you in here again.

Nico: Thank goodness. And Gloria here came and helped you.

Dexter: Boy she sure did. Thanks.

Gloria Andrukhovych: No problem Dexter. It was great.

Nico: Besides those were just plastic sporks and I was only covered in ketchup.

Me: That's a relief.

Eli: Yeah. Yani is such a jerk for doing this all to you. And all just for revenge on wanting to go home after work and spend some time with his wife.

Lana: Yeah what a clod!

Dexter: What will we do with Yani?

Eli: We should leave him here in agony.

Me: Well as much as we want for that to happen we can't. We're going to beam him to the M.O.E. Infirmary. Qin told me that her sister Mirai is going to have him as her archenemy in the future.

Nico: That makes sense.

Gloria Andrukhovych: I can't wait to see everyone again.

Loni: What's your favorite memory of Nico?

Gloria Andrukhovych: I got a lot of memories. But my favorites are in Geography Class. Me and Nico did a project on Ukraine where I'm from and it was about Chernobyl and how it was affected by the 1986 Nuclear Power Plant disaster.

Me: That was terrible that happened back 36 years ago.

Eli: Yeah.

Gloria Andrukhovych: It was. But me and Nico got an A+ on it.

Nico: Yep. That was fun.

Laney: Cool.

Nico and Gloria hugged.

Nico: I really missed you.

Gloria Andrukhovych: Me too Nico.

Nico: And Happy Easter to you.

Gloria Andrukhovych: Same to you.

Me: This was an awesome rescue though.

Laney: It sure was.

Sirius: I liked it and also Lisa transformed in this one too.

Camie: And she looks more awesome than ever now.

Me: Yep.

Nico: Lets go home.

We beamed Yani to the M.O.E. Infirmary and went back home and everyone cheered wildly for us.

---

After Nico's rescue, Lincoln, Me, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Sima Shi, Sima Zhao, Sun Jian, Guo Jia, Zhang Bao, Guan Xing, Cao Cao, Liu Bei, Sun Quan, Sima Yi, Jiang Wei, Jia Chong, Yukimura Sanada (Samurai Warriors), Keiji Maeda (Samurai Warriors), Kanetsugu Naoe (Samurai Warriors), Hanzo Hattori (Samurai Warriors), Musashi Miyamoto (Samurai Warriors), Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, and Cynder are flying out to sea in the north of Gotham Royal York, and not only is Lincoln going to rescue the eleven girls there, but we're going after Captain Ahab and his crew and we're going to arrest them and beam them to the Masters of Evil.

We also got word that a Beiige, Vanguard of Dark World Gene-Slammer is here, and Lincoln had us all take extra precautions to protect Lori, since he and the other Dark World Goth Girls know who the Beiige, Vanguard of Dark World Gene-Slammer is.

Lincoln: So, our rescue's going to take place in the sea, and I know what we're going to do here, not only am I going to rescue the eleven girls there, but we're going after Captain Ahab and his crew and we're going to arrest them and beam them to the Masters of Evil.

Nico: That's right, big guy. Though, I'm curious, why did you have all of us take extra precautions to protect Lori?

Lincoln: There's a reason why, Nico: you see, we also got word that a Beiige, Vanguard of Dark World Gene-Slammer's here as well, but this one has a pretty nasty grudge against Lori from my youth, her name is Bertha Sellington. She's not only another of my Guardian Angels, but she's one of my closest friends from his youth. During a babysitting day, Bertha was babysitting me and the other sisters while Mom and Dad were out. They trusted Bertha a lot, since she's very responsible and loving, and Lori was a mean, bossy, overly-controlling control freak, and Bertha knew never to let Lori out of her sights. One day, Bertha and I were making something for dinner in the kitchen, but then, Lori came into the room, and she began hurting me so badly that I nearly died, she blamed me for taking away her role as babysitter, and she wanted nothing more than to kill me. In a fit of rage, Bertha beat the living crap out of Lori, and she got her put in a full body cast for 3 years, and ever since then, Bertha hated Lori's guts from then on, and wants nothing more than to finish what she started and kill her.

We gasped in pure shock and horror.

Nico: Oh my God, that's really horrible.

Me: So, because of what Lori did when that psychopathic bitch, Dark Lori, took over, Bertha hated Lori's guts, and now, she wants nothing more than to finish what she started and kill Lori?

Lincoln: That's right, J.D. So, we got to keep Lori safe, and I'm going to get her to cool down, but I'm going to need Sunset Shimmer's help for this, along with Leni, Nicholette and the other Dark World Goth Girls.

Sunset Shimmer: You got it, Linky.

Leni: Same here, we'll help you get Bertha to cool down, Lincoln. But, Lori's going to be in for one hard time apologizing to Bertha. But, when you permanently severed Dark Lori from Lori, and you banned those Low Cal Bean Chips from the Estate for life, this'll make things less complicated.

Lincoln: I hope so, Leni.

Nicholette Torrington: We'll definitely help out with getting Bertha calm, but Lori's got a lot to make up for with her.

?: LORI LOUD, I WILL KILL YOU IF IT'S THE LAST THING I EVER DO!

Suddenly, we saw the Beiige, Vanguard of Dark World, and it was charging right at Lori, with murder in its eyes.

Lincoln: Oh man, it's Bertha Sellington. Sunset, Leni, Nicholette and the Dark World Goth Girls, you ready?

Sunset Shimmer, Leni, Nicholette and the Dark World Goth Girls: We're ready.

Lincoln and Leni fired powerful gravity blasts, and they weighed down Bertha Sellington, and the Dark World Goth Girls fired powerful dark energy chains, and they restrained her.

Bertha Sellington: What the?! Hey, what's going on?!

Lincoln: Bertha, I'm stopping you from doing something that you're going to regret for the rest of your life. I understand that you hate Lori's guts for what she did in almost killing me, and I was also upset at Lori's cold-hearted choice on that day, but there's no reason for you to try and kill her.

Sunset Shimmer: Lincoln's right, killing her won't make things right, it'll leave nothing more than a dark stain on your soul, and you'll cross a path from which there's no return.

Nicholette Torrington: They're right, Bertha. Do you truly want that on your conscience for the rest of your life, along with Lori's blood on your hands for all eternity?

The words of Lincoln, Sunset Shimmer, and Nicholette Torrington got to Bertha, and it really shook her.

Bertha Sellington: I… I…

Lincoln: Ever since you brutally beat the living crap out of Lori and got her put in a full body cast for 3 years, Lori began regretting the choice she made to kill me, and it also helped that Mom and Dad also grounded her for that same amount of time, so that way, she'd remember that lesson well. Bertha, you know that despite the physical, emotional, spiritual, and psychological that Lori, Lynn, Lola, Lisa, and Luan caused, because of their dark sides, I still love them, and I saw that it wasn't them, but the very demons that forced them to be evil, cold-hearted, and selfish to the rest of us, and you know I'd never choose sides against anyone, and that also included you, Bertha.

Suddenly, this caused Bertha's eyes to start developing tears, and she was about to break down.

Bertha Sellington: (Breaking Down) Lincoln… ,I… I… !

Then, Lincoln went up to Bertha Sellington, and he hugged her, and this caused her to revert back to normal, and she's a beautiful 18-year-old girl with long flowing dark blue hair, dark blue eyes, she's tall at 6'5" in height, she had the body of a goddess, she has massive dark blue angel wings, thanks to reigning in the power of Beiige, Vanguard of Dark World, and she's dressed in a dark blue opened vest, sleeveless dark blue top, dark blue skirt, dark blue bellbottom pants, dark blue high heels, and a long dark blue sleeveless trenchcoat with darkness on the coattails, and Beiige, Vanguard of Dark World on the back.

Lincoln: It's okay, Bertha. I forgive you, and I love you.

When Lincoln said those words, Bertha broke down and she cried on his bare chest, and hugged his neck. The sight of it really hurt our hearts, and we had tears in our eyes for that one.

After a few hours, Bertha Sellington calmed down, and she and Lincoln got back up. Suddenly, a Thunderbird Necklace of Eternal

Love appeared on Bertha Sellington's with dark blue gems on the gold lightning bolts links and dark blue crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Bertha Sellington: I should've known that despite all the crap Lori put you through, you still loved her, Lynn, Lola, Luan, and Lisa. That's the one thing I forgot most about you, you've always been kind and forgiving to those around you, Lincoln.

Lincoln: And I know that Lori's going to be in for one hard time apologizing to you, but let this be a start for you.

Bertha Sellington: Okay, Lincoln. I'll let this be a start, for me and you. But, Lori, you're in for one hard time apologizing to me for what you did to Lincoln all those years ago.

Lincoln: Plus, I severed the Dark Side of Lori, along with all the other Dark Sides of us and those we met for good, Bertha.

Nico: That's right, and he also banned those Low Cal Bean Chips from the World Tree Estate for Life.

Lori: He's right, it caused me constipation.

Bertha Sellington: Whoa, okay, I… really didn't want to hear about that. (Shudders)

Nicholette Torrington: But, we're so glad to see you again, Bertha.

Bertha Sellington: You too, Nicholette.

?: HELP!

Suddenly, Lincoln heard the sound of eleven girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye of The Buddha, and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the eleven girls, but they've been cornered by Captain Ahab and his crew, and they're going to kill them.

Lincoln: Guys, I found the eleven girls, but they've been cornered by Captain Ahab and his crew, and they're going to kill them.

Bertha Sellington: That rotten, no-good, whale obsessed sea dog, let's get him!

We rushed on over, and Lincoln fired powerful rainbow energy balls at Captain Ahab and his crew, and it allowed the eleven girls to get away. When Captain Ahab and his crew saw us, they were pissed off.

Lincoln: You sea dogs are going to be dancing the short-plank jig for this!

Bertha Sellington: That's a sea dog's words you used on him, Lincoln.

Lincoln unholstered his improved massive Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, Sima Shi, Sima Zhao, Sun Jian, Guo Jia, Zhang Bao, Guan Xing, Cao Cao, Liu Bei, Sima Yi, Sun Quan, Jia Chong, and Jiang Wei got out their weapons, The Samurai Warriors got out their weapons, Lincoln's sisters transformed into their Super Angel Infinity forms and unholster their massive swords from their backs, Lincoln's sisters transformed into their Super Angel Infinity forms and unholster their massive swords from their backs, Lincoln's harem unholster their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental

Then, Lincoln had them all arrested and he tied them up in rainbow energy threads, and he beamed them to the Masters of Evil. We cheered wildly as we holster our weapons and power down.

Bertha Sellington: Okay, now I'm really feeling much better. Thanks, Lincoln.

Lincoln: You're welcome, Bertha.

Bertha Sellington: And there's a little something I want to give you too, now that I'm part of your harem and one of your future wives.

Bertha Sellington had a smile on her face and tears coming from her eyes, as she wrapped her arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around her waist, and he leaned down and kissed Bertha Sellington on her lips, and she returned it, and we cheered for them. Then, we went up to the eleven girls, and when Lincoln saw them, he immediately recognized them. The eleven girls are Romin Kassidy, Princess G, Sushiko Maki, and Rayne Nanahoshi from Yu-Gi-Oh Sevens, Saya Sasayama, Celina, Grace Tyler, Gloria Tyler, and Allie Ayukawa from Yu-Gi-Oh Arc-V, Risa Hayami and Clarissa Turner from Yu-Gi-Oh Vrains.

Nico: From Yu-Gi-Oh Sevens, Yu-Gi-Oh Arc-V, and Yu-Gi-Oh

Vrains, awesome.

Lincoln: Are you girls okay?

Romin Kassidy: Yes, we're okay, thanks to you.

Then, when Romin Kassidy and the other ten girls saw who it was that saved them from Captain Ahab and his crew, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon

Romin Kassidy: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made ten clones of himself, and he and the ten clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Romin Kassidy: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, eleven Thunderbird Necklaces of Eternal Love appeared on the necks of Romin Kassidy, Princess G, Sushiko Maki, Rayne Nanahoshi, Saya Sasayama, Risa Hayami, Clarissa Turner, Celina, Grace Tyler, Gloria Tyler, and Allie Ayukawa with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We return to the TLPS World Tree Estate and we told everyone of the rescue at the sea, and they were shocked when they found out the villain we went after was Captain Ahab and his crew, and we also had to stop Bertha Sellington, the Beiige, Vanguard of Dark World Gene-Slammer from killing Lori, because of what she did to Lincoln years ago.

But, when Lincoln showed what we did to that rotten sea dog and his crew, and saving Bertha from committing an act from which there's no return, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Bertha

Sellington have a lot of catching up to do, now that she's back, but Lori's in for one hard time apologizing to her, but she'll take the challenge, and Captain Ahab and his crew are members of The Masters of Evil.

---

After saving Bertha Sellington from trying to kill Lori and stopping Captain Ahab and his crew, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Bertha Sellington saw Lincoln working out like crazy, she had an atomic red blush on her face.

Bertha Sellington: Holy crap, Nicholette and the others were right that Lincoln has really grown to be a 17-year-old 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his abs hard at work, and to work out with those 9,500-lb barbells and not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Bertha, and now, I can also defend myself, and I've also gotten smarter as well.

Bertha Sellington: Now, that's incredible.

Nico: It sure is, Bertha. We know that Lincoln told us the story of why you brutally beat the crap out of Lori long ago in that babysitting incident, but, did you have any happy memories with Lincoln?

Bertha Sellington: Oh, now I remember one: one time, Lincoln and I, along with the rest of the Dark World Goth Girls were heading out to see a movie at the Royal Woods Movie Theater. But, we ran into trouble: Damian Alaister and his Church of Necrom flunkies showed up again, and they still wanted to destroy us. We blasted those assholes with blasts of darkness, and Lincoln blasted them with a blast of lightning, and electrocuted them. They ran away with their lives, and that moron, Damian, swore that he'd get his revenge on us again one day. But, none of us gave us a damn about his threats, but he's continued in his constantly failing attempts to destroy us again and again, and it was getting old.

Nico: Don't they ever quit?!

Lincoln: No, they don't, and it's true, Damian's constant failing attempts to destroy you girls again is already getting old, so we're ending that for good, and to do add some damage to them, I also killed Necrom, the powerful and dangerous being from the Marvel Comics universe, and the one that those Church of Necrom boneheads have worshipped.

Nico: He's right, we saw Lincoln drain the life force out of Necrom, along with the other life forces that Necrom had also drained over the years, and he absorbed them and not only did he get stronger, but he also reduced Necrom to a withered husk and banished him to The Black Gates for good.

Bertha Sellington: No way, he really did that?!

Me: Yep, and once all of you have been reunited, Lincoln's going to send a declaration of war against those Church of Necrom bastards and bitches, and you girls along with Lincoln are going to take them down one at a time, and bring them to justice.

Bertha Sellington was already bursting with excitement at wanting to crack some Church of Necrom skulls, and when she saw what Lincoln did to Necrom, she was stunned with awe and shock.

Camie Nicholetta: They've constantly repeated their same strategy of charging in many times over, but they've always failed. But, we'll have strategies planned out on how we're going to take them all down one at a time.

Nico: Nice.

We then got a shower afterwards, but then, the alarm sounded, and when Lincoln had checked the computer, he saw who it was that triggered the alarm: it was Buzz, a Rhynoc servant of the Sorceress and another of Spyro's enemies are here, and he's causing havoc.

Lincoln: Guys, I found out just who it was that triggered the alarm: it's Buzz, the Rhynoc servant of Spyro's old enemy, The Sorceress, he's here and he's causing havoc.

Spyro: What, I thought I torched that Rhynoc long ago. Looks like he's back.

Suddenly, Lincoln saw another figure and it's fighting Buzz, it's Dirk the Daring.

Lincoln: And we also got some help, it's Dirk the Daring, and he's fighting that Rhynoc.

Princess Daphne: Dirk's here, let's give him a hand.

Lincoln: Right, let's go.

We flew out of The World Tree Estate, and Lincoln fired a powerful barrage of rainbow energy balls and elemental forces, and they hit Buzz. When Dirk the Daring saw us, he was honored to meet us. But when Buzz saw us, the Rhynoc roared angrily at us.

Maria: Oh great, another villain that doesn't talk? Buzzkill!

Sly Cooper: That's fine with us, because he's going to die very soon.

Karui the Wheel of Excitement Faerie: And I've had it up to hear with this monster to last a lifetime.

Suddenly, Karui the Wheel of Excitement Faerie's yellow eyes then turned neon yellow, and she was surrounded by a yellow energy aura with wheels and faeries, he got out her massive Neopia's Magic Staff of Magical Justice, and as she approached Buzz, she left yellow energy, wheels, and faeries with every step. Suddenly, Karui was surrounded by a massive vortex of yellow energy with wheels surrounding the vortex, there's a faerie flying around the vortex, and in the vortex is a light yellow phoenix. Then, as the vortex faded, Karui the Wheel of Excitement Faerie emerged, but she was changed forever.

There's a yellow kanji below the faerie that said, "Karui the Wheel of Excitement Faerie, Guardian and Watcher of The Wheel of Excitement, Vanquisher of The Darkest Faerie, Dear Friend of Neopia's Many Heroes, Loving Future Wife of Lincoln Loud, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Faeries and Wheels."

Karui the Wheel of Excitement Faerie has transformed into SUPER ANGEL INFINITY TRUE LOVE EXCITEMENT WHEEL FAIRY OF NEOPIA JUSTICE AND MAGICAL LOVE!

We were amazed by Karui the Wheel of Excitement Faerie's Super Angel Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Buzz saw it, he roared angrily and tried to attack, but Karui the Wheel of Excitement Faerie fired a powerful blast of yellow energy with wheels and faeries, and it hit the Rhynox, and he was sent flying into a wall.

Nico: Now, that's awesome, Karui the Wheel of Excitement Faerie's the next Faerie of Neopia to transform.

Me: This is going to be so cool.

Lincoln: Wow, Karui, you look beautiful. How do you feel?

Karui the Wheel of Excitement Faerie: (Divine Echoing Cosmic Voice of the Excitement Wheel Fairy and Divine Love) **I feel incredible, Linky. Now, shall we deal with this monster once and for all?**

Lincoln: (Smiles) With pleasure, Karui.

Lincoln unholstered his improved massive Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Karui the Wheel of Excitement Faerie.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Let's get that butt-ugly Rhynoc.**

Lincoln and Karui the Wheel of Excitement Faerie went after Buzz, and they fired powerful blasts of rainbow energy, yellow energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Faeries at Buzz, and they exploded with incredible power as they hit him. Then, Lincoln attacked him with his massive Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds, and left painful scars on Apollo Flame, and Karui the Wheel of Excitement Faerie fired powerful yellow energy blasts from her staff, and it hit him.

Then, Lincoln trapped Buzz in a Wheel of Excitement he and Karui formed, and he's strapped to the center, and we saw the different parts of the wheel have the elemental forces of Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, Blood, and Magic, and as it spins and landed, on the panels of the wheel, Buzz was attacked by the element the wheel lands on, and it was really painful. Then, when it finally lands on the skull and crossbones, Buzz was sent to The Black Gates for good, and he was erased from existence for good. We cheered wildly for Lincoln and Karui the Wheel of Excitement Faerie as they holster their weapons and power down, and Karui the Wheel of Excitement Faerie's new body, clothes, weapons, jewelry, and massive fairy wings are permanent.

Karui the Wheel of Excitement Faerie: That's it for that monster. Thanks for helping me with putting an end to Buzz the Rhynox, Linky.

Lincoln: (Smiles Warmly) You're welcome, Karui.

Suddenly, Karui the Wheel of Excitement Faerie wrapped her arms around Lincoln's waist, and it brought an atomic blush to Lincoln's face, as he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into an embrace, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Karui the Wheel of Excitement Faerie's face, they kissed passionately as Siyana the Light Faerie wrapped her left arm around Lincoln's wider and muscular back, and she placed her left hand on Lincoln's massive and wide right pec, and right behind them was a Thunderbird, Phoenix, Angel, and Faerie flying in the air, and we also saw a herd of Buffalo running across the field, and the display of the elemental forces behind them, and we cheered for them.

Nico: Alright, that's yet another enemy of Spyro's put down for good.

Me: That's right, and it's good to meet you, Dirk the Daring.

Dirk the Daring: You too, J.D. I'd heard you were the one who rescued Princess Daphne, and that Mordroc has been dealt with.

Me: That's right, and I hope you're…

Dirk the Daring: No, not really. In fact, I've met another woman.

Nico: Really, who's that?

?: That would be me.

Suddenly, we saw who it was that Dirk the Daring mentioned: it was Risty from Queen's Blade.

Cattleya: Whoa, Risty's here, now that's so awesome.

Lincoln: It sure is. Oh, everyone, it's time for us to head out for our date to the beach.

Nico: Have fun, guys. And don't forget, we got our Easter Party.

Lincoln: Don't worry, we won't.

After getting rid of Buzz the Rhynox, Lincoln, his harem, Dirk the Daring and Risty, Tanjiro Kamado and Tomoe, Johnny Bravo and Melpha, Ed Cowart and Cattleya, Georgina and Peyton, Kendra and Kaz (Chaotic), Nanette and Ed Grant, Sydney and Akira Akatsuki, Qin and Chris Taylor, Erica and Crow Hogan, Missy and Zelos Wilder, Ellie and Jim Crocodile Cook, Marcus and Yoshi, Mondo Ohya and Rockna Hiiragi, Ganta Igarashi and Shiro, and Max Taylor and Zoe Drake are heading to Gelato Beach in the world of Mario.

Lincoln snapped his fingers, and the 17-year-old 7'5" tall, white-haired, handsome, and extremely muscular teen was dressed in large orange swim trunks with a phoenix, thunderbird, buffalo, angel, and elemental forces on it, along with his large weighted orange bands with silver phoenixes on his massive biceps and thighs, his jewelry, large orange sandals, and eight large orange orbs orbiting around his legs, and he also had his weapons holstered, in case of trouble, and Lincoln's harem were dressed in two-piece bikinis in their favorite colors, sandals, along with their jewelry, and they also had their weapons holstered in case of trouble.

Dirk the Daring, Tanjiro Kamado, Johnny Bravo, Ed Cowart, Peyton, Kaz, Ed Grant, Akira Akatsuki, Chris Taylor, Crow Hogan, Zelos Wilder, Jim Crocodile Cook, Marcus, Mondo Ohya, Ganta Igarashi, and Max Taylor were dressed in large swim trunks in their favorite colors, sandals, and they also had on their jewelry, and they had their weapons holstered, in case of trouble, and Risty, Tomoe, Melpha, Cattleya, Georgina, Kendra, Nanette, Sydney, Qin, Erica, Missy, Ellie, Yoshi, Rockna Hiiragi, Shiro, and Zoe Drake were dressed in two-piece bikinis in their favorite colors, sandals, along with their jewelry, and they also had their weapons holstered in case of trouble.

Lincoln: Alright, everyone, are we ready?

Bertha Sellington: We're ready, Lincoln.

The group headed out of the World Tree Estate, and they arrived at Gelato Beach in the world of Mario.

Bertha Sellington: Whoa, we're here in Gelato Beach, this is awesome.

Lincoln: That's right, Bertha. Shall we?

They arrived at Gelato Beach, and immediately, they dived right into the waters at the spa, and they really enjoyed it. Plus, Lincoln got a deep tissue massage from the girls in his harem, and the boys got a deep tissue massage from their girls, and they really enjoyed it, and they returned the favor and they gave the girls a deep tissue massage in return, and Bertha Sellington needed a deep tissue massage after carrying so much anger and rage towards Lori for years. Then, as the sun was about to set, Lincoln made clones of himself, and Lincoln and the clones went up to the girls in his harem, and they pick them up in their abnormally massive and powerful muscular arms, and as the sun turned orange, they passionately kissed and hugged with supercharged and intense passion, and the rest of the boys went up to their girlfriends, and they picked them up in their abnormally massive and powerful muscular arms, and as the sun turned orange, they passionately kissed and hugged with supercharged and intense passion. Then, they came back home to the Estate, and they were in their original clothes.

Nico: Hey, guys, how was your beach dates?

Lincoln: Awesome, Nico. We went to Gelato Beach in the world of Mario.

Bertha Sellington: And we also got a deep tissue massage from the guys, and we also gave the boys a deep tissue massage. Plus, Lincoln's large manly hands really did wonders when he relieved all that tension I've been carrying on my body, and now, I feel even more relaxed than ever.

Me: Awesome.

Lori: And I know that what I did was wrong, Bertha, and ever since then, you've hated my guts due to that, and I really meant it when I say it: I'm so sorry for what I almost did to Lincoln and causing you to hate my guts, and driving you down a dark path of revenge, Bertha. I was nothing but a selfish, cold-hearted, unfeeling control freak who didn't give a damn about anyone but myself and my phone, and I deserved to get put in a full-body cast three years ago.

Bertha Sellington: That's all I wanted to hear, Lori, and this time, you really meant it. Come here.

Lori went up to Bertha Sellington, and they finally hugged, and it really brought an end to the tension between them.

Lydia: Mom and Bertha finally made up for what Mom almost did to Uncle Lincoln three years ago, and now, she's finally freed.

Suddenly, Lori's massive Sword of Ga-Oh, along with the massive Sword of The Crusader of The Thunderbird, Defender of The Loud Family, and Destroyer of Team Dark Phoenix swords that she's gotten through the Treasure Battles unholstered themselves from her back, and they began merging together, as they were surrounded by a massive vortex of sky blue energy, winds, fire, dragons, and eagles, and when it emerged, it was transformed into Ga-Oh's Fire Hurricane Sword of Eagle and Draconic Justice, it's a brand-new large sword with a deer, the symbols of The Loud House, the anti-Team Dark Phoenix Storm, and the Crusaders of The Thunderbird etched on the 6'10 massive, wide, double-edged blade, large gold deer heads with sky blue gems for eyes for the crossguard, large sky blue gem embedded in the rainguard, longer brown handle, and four large gold dragon heads with red gems for eyes and a sky blue gem on the bottom of the large gold dragon heads for the pommel.

Nico: Whoa, now that's one awesome new large sword.

Lincoln 2: Whoa is right, Nico. Lori, the new large sword you see before you is Ga-Oh's Fire Hurricane Sword of Eagle and Draconic Justice, it was born when your massive Sword of Ga-Oh, along with your massive Sword of The Crusader of The Thunderbird, Defender of The Loud Family, and Destroyer of Team Dark Phoenix swords that you've gotten through the Treasure Battles, had merged together, and when you earned Bertha's forgiveness, thanks to your apology.

Lori 2: Yes, and I saw the memory of that day, and I was absolutely horrified, that just proves that Dark Lori went way too far this time, and deserved to be cursed by you, Lincoln.

Lori then grabbed her new massive Ga-Oh's Fire Hurricane Sword of Eagle and Draconic Justice and holsters it on her back. Lori's earned Bertha Sellington's forgiveness, and the hatchet has been buried for good.

---

Later it was time for Gali's 3rd Ambassador Mission.

William: Anyone else want to go with Gali? Besides Man Ray, 1 Rabbid, and Mal.

Rainbow Dash: I can go. It'll be awesome to meet the Kamen Riders of Hibiki.

Maria: Me too. It'll be awesome.

Nico: Awesome.

William: In that case I'll go too.

Laney: Okay.

Man Ray then appeared.

Man Ray: I'm looking forward to this too.

Me: Yeah it'll be awesome.

Gali: Hitoshi and team are gonna be fun to meet.

With that we were off to Japan.

We arrived at Hibiki Temple.

Nico: Here we are.

Me: This is Hibiki Temple.

Maria: Wow nice place.

Hitoshi came out.

Hitoshi: Hey guys!

Gali: Hitoshi, meet my archenemy.

Man Ray: My name is Man Ray and I'm the archnemesis of Mermaid Man and Barnacle Boy.

Me: And these are more of our team.

Maria: Awesome to meet you guys. I'm Maria Rockell, Second in command of the Redemption Squad.

William: I'm William Dunbar, Leader of the Redemption Squad.

Rainbow Dash: Awesome to meet you guys. I'm Rainbow Dash, Princess of Loyalty and the Wonderbolts and the Air Skylanders.

Mal: My name is Mal and I'm the daughter of Maleficent. But I'm not bad like she is.

Hitoshi: Awesome to meet you all.

Hitoshi: Don't you always work alongside Dirty Bubble?

Man Ray: Well, I've learned to sometimes work independently of him.

Nico: They are both Nokama and Gali's archenemies now. Nokama is Gali's sister Toa for Metru Nui.

Gali: Yeah and I'm like a mentor to her.

Hitoshi: That is cool! I heard you all met the Kabuto Kamen Riders.

Me: Yes we sure did. Soji helped us out during the battle against a massive army of Heartless in Radiant Garden on Day 5 of The 20 Days of Darkness.

Hitoshi: That's amazing.

Nico: Okay, I've get a confession to make. I'm actually working on having at least 6 members on a Kamen Rider team. Like with our Power Ranger friends.

Me: That's not a bad idea. And that's not a confession that's a cool plan.

Nico: Oh. I'm glad you like that.

Hitoshi: That's cool.

Maria: It sure is.

Gali: I think it's awesome.

Nico: For this team, it'll consist of Hitoshi, Iori, Tomizo, Gali, and J.D. (to Hitoshi) We just need 1 more of your friends.

Me: Hey that's not a bad setup so far.

Hitoshi: I think I have just the one.

Then out came Zaoumaru Zaitsuhara.

Nico: Wow! Zaoumaru Zaitsuhara.

Me: (Speaking in Japanese) 蔵王丸さん、お会いできて光栄です。(Zaoumaru, it's an honor to meet you in person.)

Zaoumaru: (Speaking in Japanese) (Bows) あなたもジェームズ。ひとしさんからたくさんお話を伺いましたが、みなさんとお会いできて光栄です。(You too James. I've heard so much about you from Hitoshi and it's great to have you all with us.)

Nico: Listen, we need a 6th member for the new setup of your team. Interested?

Zaoumaru: I would be honored to join.

Me: Awesome.

Nico: This will be fun.

Gali: I'm looking forward to this one.

Nico: We'll call this one Team Hibiki.

Me: Nice.

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: (hears an explosion) As if I don't know what's causing that already.

Me: We got ourselves a Code M12. Makamou causing Trouble.

Maria: Time to kick some butt!

We went to find it and we found the Makamou and we saw that it was KASHA!

Nico: Kasha!

Hitoshi: Not this guy again.

Maria: He's a fiery one.

Kasha fired blast of fire at us and I absorbed the fire and it made me stronger.

Me: Nice try sparky.

Man Ray fired twin lasers out of his hands at Kasha.

They blasted Kasha all over and burned him all over the place.

Maria: Time for you to cool down.

Maria fired a blast of water and steam came off of Kasha as the blast hit him.

Zaoumaru: Time for our fun.

Me: Lets do it!

We pulled out our Hibiki changers and pinged them and then Zaoumaru, Hitoshi, Iori, Tomizo, Gali, and me transformed and we were ready!

Me: YEAH!

Nico: Cool!

Zaoumaru was now Kamen Rider Zanki.

Maria: AWESOME! Gali looks amazing as a Kamen Rider.

Man Ray: Wow! Now the Neptune Crusaders will be cooler than ever with her like that.

Me: Yes they sure will.

Kasha roared. But the Rabbid yelled back.

Rabbid: DAAAAAAAAAAAAAHHHHHH!

Nico: That's funny.

I fired a blast of energy and smashed Kasha all over the place.

Maria fired waves of water and blasted Kasha down.

Man Ray and Nico fired waves of energy and blasted him all over.

Zaoumaru charged at Kasha and blasted him all over with his guitar axe and smashed him all over.

Me: Try this one.

I blasted Kasha with my energy Bassoon.

The Rabbid hopped on Kasha and rode him like a pony.

Kasha roared.

Nico: Ride them cowboy!

The Rabbid bonked Kasha on his head.

Nico grabbed the Rabbid!

Nico: Alright, everyone. Time for the finishers. We've messed with this guy long enough.

Me: Lets get him!

We fired waves of elements and energy and sound blasts and the blasts hit Kasha and blasted him apart and killed him!

Nico: YEAH! Kasha you have failed this forest.

Iori: Without the Man and the Woman, the Makamou aren't much of a challenge.

Hitoshi: But the strongest one might need to be dealt with on July 7.

Me: Maybe. But we'll be ready for that one.

Nico: Yep.

Gali: And it'll be awesome.

Rainbow Dash: Boy it sure will. But this all was awesome.

We later came back.

May: How did it go?

Me: Really awesome.

We told everyone everything and it was awesome.

May: Awesome!

Laney: That was amazing.

May: Next time, Izuku should go with you.

Gali: Good idea.

Nico: Yeah.

---

Later we were in the middle of the city.

Maria: So, we're gonna meet Jeebs?

Nico: Yep and it'll be awesome to see what he has at his shop.

Me: As long as me and K get to blast his head off.

Laney: (Laughs) That was awesome seeing that in the movies.

Nico: Yeah and to me yesterday on my rescue.

Lana: Yeah no kidding.

Twilight Sparkle: Yeah that was amazing.

Lily: It sure was.

We arrived at Jeebs Pawn Shop.

Nico: Here we are.

We went in and we saw Jack Jeebs.

Nico: Hi! You must be Jeebs!

Jack Jeebs: Team Loud Phoenix Storm. What an honor.

Me: Same to you Jeebs. You got a lot of neat stuff in here too.

Jack Jeebs: I sure do.

Laney: These Rolex Watches are awesome.

William: Can we buy some?

Jack Jeebs: Sure.

Me: Awesome. We heard from K that you are known for having alien technology.

Shanan: That's right.

Jack Jeebs: I uh don't know what you are saying.

K then came in.

K: How about you show everyone the imports Jeebs?

Jack Jeebs: I got out of that business a long time ago.

K: Why do you lie to me Jeebs. I hate it when you lie.

Shanan then pulled out a laser blaster.

Nico: Better show us Jeebs. You don't want to lose your head like what happened to me.

Shanan: I'm gonna count to 3. 1…

Nico: Better do it.

Shanan: 2…

Jack Jeebs: You wouldn't…

BANG!

His head exploded! Splattering green blood all over.

Shanan: 3.

eli: She would.

Nico: Nice shot!

Izuku: You killed him!

Shanan: Relax guys.

Jack Jeebs: (Squeaky voice) You insensitive wretch! (Regrows his head) Do have any idea how much that stings?

Nico: Ow I know how you feel.

To prove Nico's point, he shot himself in the head.

Lori: (facepalms) I think we're literally abusing our immortality at this point.

Me: I agree.

Nico got up and regenerated his head.

Nico: See?

Jack Jeebs: That is amazing.

Me: Yeah it sure is. But show us the stuff.

He pressed a button and we saw the shelves turn and we saw a bunch of Alien Weapons and stuff.

Laney: Wow! Look at all this.

Nico: Cool!

Lana: Wow! These are amazing weapons.

Max Tennyson: Wow some of these weapons are very dangerous in the hands of humans.

Nico: Can we buy these?

Shanan: Nico in the wrong hands, someone can get seriously hurt using weapons like these.

Nico: But we better be careful then.

Jack Jeebs: Yeah. But I'll be happy to sell them.

Nico: Cool.

Me: Don't worry K we'll have all this put in our weapons vault for safe keeping.

K: Good thinking there. I see you guys have expanded in numbers ever since we last saw each other.

Me: We've been busy.

Izuku: How was Jeebs able to regenerate his head like that though?

Shanan: He's what's called a Skook. They come from the planet Skorvus and they have the ability to regenerate their heads no matter how many times they get blasted off and they can survive without any oxygen.

Eli: That is cool.

Jack Jeebs: That's amazing that you know all about me Shanan.

Shanan: When it comes to knowing about all the life in the universe you would be amazed at what I know.

Nico: The times my head regenerates can span from seconds to at least an hour.

Deadpool: I feel the same way Nico. J.D. shoot me,

Me: You do have awesome regenerative powers Wade. But yours take much longer than that of a Skook. But okay.

I blasted Deadpool and he fell down.

Me: Man it's like a regenerative slugfest here.

Nico: Yeah.

We saw Deadpool regenerating very slowly and it took less than 5 minutes for his head to grow back.

Nico: Wow.

We went back to the estate and got ready.

---

Later it was time for our Easter Party.

Poromon, Poliwag, Manaphy, and Horsea: HAPPY EASTER, EVERYBODY!

Nico: Same to you guys.

Me: And an awesome Happy Easter to all of you too.

Laney: I love Easter. It's awesome.

Lana: Yeah Easter is a beautiful Holiday.

Lincoln: And the best part is all my kids are playing in the park and having Easter Egg hunts too.

Me: Yep.

We were at the estate park and we were having an easter egg hunt. All the children were having fun. Rihoko Amaha, Thunder Sparkle, Phoenix Shimmer, Little Cheese, Butterfly Rose & Mirage Daffodil, Storm Rainbow, Emerald Shine, Topaz Light, Thunderbird Apple, Lightning Fritter, Starlight Aurora, Firelight Flame, Strawberry Pancake & Strawberry Shake, Lemon Zest, Raspberry Sauce, Blueberry Pie, Plum Pie, Orange Slices, Cherry Pie, Apple Pie (with Unit J50G/Glitch), Sweet Tarts (with Snowstalker), Phyllis (with Venus the Plant), Sour Patch, Sadie "Soundwave the Wolf, Elizabeth "Tiger Rage" the Lemur, and Eloise "Crystal Bug" the Beetle were all having fun and getting eggs.

Poromon: Remember what we did last Easter?

Me: I sure do. We went and took down Carlos the Chick and we discovered that Fred's sister has a Hellblade from Warhammer 40000.

Hunter: (German Accent) Ja that was amazing.

Laney: It sure was. That was awesome.

Nico: We had a lot of fun on that one.

Lana: We sure did. And J.D. revealed how he and Nico met for the first time.

Brittney: Yep thanks to a book I have.

Me: That was awesome.

Keiichiro: What was Carlos planning to do?

Nico: Right many of you weren't with us back then. He was going to replace all the candy in the world with bird seed and worms.

Everyone: EEEEEWWWW!

Camie: That would be disgusting.

Lana: I would have liked it.

We laughed.

Me: Yeah you would Lana.

Eli: That's Lana for you.

Then the Masters of Evil all appeared.

Vypra: Happy Easter everyone.

Dark Spicer: Yeah this is a great holiday.

Me: It sure is. It's to celebrate the Resurrection of our Lord and Savior Jesus Christ.

Lana: That's right.

A Rabbid found an Easter Egg.

Rabbid: (Gibberish)

Eddy: You found an egg.

Ed: Eggs eggs eggs eggs eggs eggs eggs.

Luan: What eggsceptional findings! (Laughs) Get it?

We laughed at her joke.

The Rabbid opened the Egg to find Kitkat.

Rabbid: (Gibberish)

Nico: It had candy in it.

Lola: HEY GUYS COME HERE!

We went to Lola and we saw that SHE HAD A BIG OSTRICH EGG SIZED EGG MADE OF SOLID GOLD!

Nico: Whoa! Is that a solid gold egg?

Lola: Yeah!

I looked at it and it was 100% REAL GOLD!

Me: It's real!

Poliwag: Who laid it?

Poromon: Wasn't me!

Lola: Hey look!

We saw a trail of them.

Nico: Looks like we found a trail.

Me: Lets follow that Golden Trail.

We went and picked up the Golden Eggs and followed them into the Park Forest. Then we saw A MASSIVE PILE OF GOLDEN EGGS AND IT WENT ALL THE WAY UP TO THE CEILING! AND YOU WOULD NOT BELIEVE WHO IT WAS THAT LAID THEM! IT WAS GINGER!

Nico: WHOA! Ginger did you lay all these 24K Golden Eggs?

Ginger: (British Accent) I did. Sorry about that.

Me: Wow! I've heard of a Goose that Laid Golden Eggs but never chickens!

Horsea: Ginger, when did this start happening?

Ginger: I honestly don't know. Yesterday I was laying regular eggs and then when I woke up this morning I started laying eggs made of gold.

Brittney: Hmm. Lets see here.

Brittney pulled out her book and scrolled through pages and then she came across a really rare form of magic.

Brittney: This is interesting. The Easter Golden Egg Chicken. It's a special form of magic that picks a chicken for permanent laying of golden eggs once every easter. The magic will last until the sun sets on Easter and then it will kick back in on Easter the next year.

Nico: Wow! That is an amazing kind of magic.

Ginger: Wow! So my eggs are special every easter.

Nico: That is cool.

Lana: When is Easter set for next year in 2023?

Me: April 9th.

Nico: Wow!

Manaphy: Why didn't it happen last year?

Nico: I don't know.

Brittney: It doesn't really say but I think it only affects chickens that have powers or something like that.

Nico: Oh.

Laney: That is awesome though Ginger.

Ginger: It sure is.

Applejack: That kind of magic would be amazing for the chickens at Sweet Apple Acres.

Apple Bloom: It sure would be amazing.

Brittney: Well it's highly possible. It says here that it will also pick more chickens too.

Nico: Wow.

Maria: We should sell these.

Nico: Good idea. But we'll have to do it tomorrow. The banks are closed and it's a major holiday.

Vypra: Yeah.

Our stomachs then growled.

Nico: Getting hungry.

Lynn Sr.: Come and get it guys!

Me: Time for Easter Brunch.

Nico: To close out an amazing holiday, I've completed the last 6 Zenkaiger gears.

Maria: What are they?

Nico: GoGoV, Timeranger, Kyoryuger, ToQger, Ryusoulger, and Kiramager

Me: Cool!

Stacy Bolton: I'll do GoGoV.

Clyde: I'll use Timeranger.

Logan White: I'll do Kyoryuger.

Fu: I'll use ToQger.

Ruby Rose: Kiramager for me.

Emerald Sustrai: And Ryusoulger for me.

Nico: Awesome.

Maria: Nico, which Gene Slammer do you think you'll meet on your next rescue?

Nico: I was hoping you would ask me that. Lets see. I'm hoping to meet a Vaxadactylus Gene-Slammer next.

Me: A gene-slammer for one of Astrodactyl's kind. That will be awesome to see.

Laney: It sure will be awesome.

Me: So it's one of the flying users next.

Nico: Yep.

Rainbow Dash: I'll go with Nico next!

Nico: Awesome!

Me: I had a feeling you would want to go R.D. This will be awesome.

Laney: Boy it sure will be awesome.

We got to having an awesome Easter meal and we had ham and scalloped potatoes and more and we talked about Nico's rescue and Lincoln's Rescue and more and it was awesome. We had a really awesome Easter. We later enjoyed the rest of the day and the M.O.E. got awesome new recruits. We then later went to sleep after an awesome holiday. The Planeteers got new weapons and books called Destroyers of the Eco-Villains, they're large swords with the anti-Eco-Villain symbol etched on the 6'10" massive, wide, double-edged blades, large angel wings for the crossguards, large gems embedded in the rainguard, longer black handles, and large gems surrounded by angel wings for the pommels, and large colored spellbooks, and inside the pages of the books are some awesome spells that are bound to give the Eco-Villains a nasty lesson of what happens when they try to destroy the Earth. Once in hand, they'll get a massive power and energy increase.

THE END

Flying through the sky was Nico, Rainbow Dash, me, Eli, Lincoln, Laney, Lola, Lana, Lily, Hailey Timaeus, Joan Critias, Gina Hermos, Layla Williams, Camie, Sirius, Ibara, Qin and Fluttershy and we were off to Sky High Academy and it'll be awesome to introduce Camie, Sirius and Ibara to another awesome Superhero Academy.

Ibara: So there's another academy here in the sky?

Me: Yep you all will love it. It's the school that Layla and her friends came from.

Layla Williams: Yep. It's called Sky High Academy. Like U.A. Academy it's for Superheroes in training.

Sirius: Wow! That is cool!

Nico: Thanks for coming with me, Rainbow Dash.

Rainbow Dash: No problem Nico. This will be awesome!

Nico: You are all going to like seeing Sky High Academy.

Me: You weren't with us when we went here R.D. It was really cool.

Hailey Timaeus: We're looking forward to going to this one though.

Fluttershy: It sure will be amazing to see.

Nico: Yep.

Me: This will be awesome for you all to see.

Nico: You think Ish will make a good Wonderbolt.

Rainbow Dash: I think he would be awesome as one like Scootaloo will be.

Nico: Cool.

Joan Critias: If I may ask J.D. why are you having us come with you?

Me: It's part of an experiment I want to test out. If this goes really well on Nico's rescue we'll include you all in the usual battle groups.

Gina Hermos: Oh I get it! It's to expand our repertoires of fusions.

Me: Yep.

Nico: That's a very awesome idea.

Fluttershy: It'll be interesting to see.

Sirius: It sure will. Wow! The view of the planet looks incredible from this far up.

Nico: We're here!

We arrived at Sky High Academy.

Camie: Wow! Layla your school that you went to is really amazing!

Layla Williams: Yep. It sure is.

Qin: I remember when we came here the first time. That was so awesome.

Nico: It sure was.

We landed and we went to the main building and went in.

Nico: Welcome to Sky High Academy guys.

Hailey Timaeus: Wow this is awesome.

Nico: Good memories, huh, guys?

Layla Williams: Boy they sure were.

Me: R.D., you would love coming here. The first time we went here was back before the Great War of Wizards against Voldemort and we had all the students gathered for destroying the Horcruxes.

Rainbow Dash: Wow!

Fluttershy: That is interesting.

Layla Williams: That was amazing.

Lola: It sure was and it was really cool seeing this place.

Camie: And it's so high up above the planet. The view is amazing.

Sirius: It sure is.

Ibara: I think it's amazing here.

Lana: It sure was.

Me: Yep. The first time we were here we faced Royal Pain.

Nico: That was awesome.

Laney: Yeah it sure was and Kate Lloyd said that she and Royal Pain looked like twins.

Me: Yep. It was like looking at herself in the mirror.

Eli: Wow! And Kate went through a horrifying ordeal and Royal Pain was a villain.

Me: That's right bro.

Nico: Thankfully, with Royal Pain and her cronies arrested, we should have no trouble finding the next Gene Slammer.

Me: That's a fact.

But then I stepped on something and slipped!

Me: WHOA!

I landed on my back!

Me: (THUD) OOF! OW!

Camie: Are you alright?

Me: Yeah! What the?

We looked and we saw the entire hallway frozen all over with solid ice!

Lana: WHOA!

Me: The whole hall is frozen!

Eli: Whoa!

Qin: I know this wasn't Captain Cold's handiwork.

Lana: Or Vexen's.

Me: Or Blizzard's.

Nico: Let me melt that! (uses Heat Wave's flamethrower)

Me: I'll help too.

Lola: Same here!

Me, Lola, Lincoln and Qin fired waves of fire and we were melting the ice all over.

Camie: WHEW! Toasty.

Eli: Whoever did this really wanted this whole place to freeze.

Sirius: No kidding.

We got to the cafeteria and it too was frozen solid and we saw many students and staff totally encapsulated in blocks of ice!

Nico: Even the staff and students are frozen!

Eli: Oh man!

Nico: You guys help melt everyone. Me and Rainbow Dash will find who's doing this.

Eli: Right!

Me: I don't think we have to look far!

We saw a man in a cryo-suit and it was an evil version of Dr. Victor Fries A.K.A. MR. FREEZE!

---

**Victor Fries**, better known as **Mr. Freeze**, is a recurring antagonist in the *DC Animated Universe*, appearing as a minor antagonist in *Batman: The Animated Series*, *The New Batman Adventures* and *Batman Beyond*, and the titular main antagonist of the 1998 film *Batman & Mr. Freeze: SubZero* .

He is a GothCorp scientist bent on saving his wife Nora who was mutated following an accident caused by his employer Ferris Boyle, making it so he couldn't survive in any warm environment without the use of a special suit. This incarnation of Mr. Freeze is known for completely reinventing the original character from the comics; transforming him from a stereotypical mad scientist into a deeply tragic villain.

He was voiced by the late Michael Ansara.

Heart of Ice

Victor Fries was once a scientist specializing in cryogenics, who worked for the corporation Gothcorp and was married to a woman named Nora, the love of his life. Nora is later diagnosed with a terminal illness, so Victor uses equipment from Gothcorp to put her in cryo-stasis until a cure is found. However, CEO Ferris Boyle shuts the project down because it is costing him too much money, even though stopping the experiment would kill Nora. When Victor tries to save his wife, Boyle kicks him into a table full of unstable coolant chemicals, which causes a major explosion. Boyle flees, leaving Victor for dead.

Victor survives, but as a result of the accident is unable to survive in normal room temperatures, and is forced to wear a robotic suit that keeps his body at sub-zero temperatures. He becomes obsessed with avenging his wife and killing Boyle. Calling himself **Mr. Freeze**, he begins stealing Gothcorp equipment, and finally crashes a Gothcorp event to kill Boyle.

Batman stops him, and supplies a surveillance tape revealing Boyle's crime; Boyle is then arrested. Mr. Freeze is institutionalized in Arkham Asylum in a sub-zero degree cell, where he tearfully begs Nora's forgiveness.

## Deep Freeze

Months passed, Freeze was kidnapped from his prison cell by billionaire Grant Walker. Walker wanted Freeze to mutate him to become immortal. At first, he was reluctant, but agrees to do so after seeing that his wife Nora is still alive. He later helps Walker freeze the world but turns on him when he realizes that Nora would not love him, but will hate him if he helps Walker with his goal. Freeze turned against Walker and destroyed his utopia society.

Mr. Freeze's new body.

Mr. Freeze chose to stay with his wife and secluded himself from the public in a block of ice. The ice eventually drifted into the Arctic Ocean where Freeze found Koonak and adopted him as his own son. Mr. Freeze kept his wife in the containment cell until he could find a cure for her condition.

## SubZero

An exploration crew crashed into Freeze's home, destroying Nora's container which progressed her illness. Mr. Freeze froze the entire crew and travelled back to Gotham City with his wife Nora, Koonak, and his two polar bears to look for his old colleague Gregory Belson who became head cryogenic researcher of Gothcorp. Freeze gave Belson a gold nugget to help him cure Nora with an organ transplant. Since they could not find any deceased donors, they decided to look for living donors.

Belson was reluctant at first but Freeze convinced him to help him by giving Belson a gold vein he found in the Arctic. Among the living donors they've searched, they chose Commissioner Gordon's daughter and Dick Grayson's girlfriend, Barbara Gordon as their donor and kidnapped her. Batman and Robin stopped the transplant and saw that Freeze's lair begins to collapse. Belson refused to continue the operation and tried to escape from the oil rig only to be crushed by the falling debris.

Freeze was still alive but his leg was broken. Batman tries to help him up but Freeze insisted that he, Robin and Barbara rescue Nora and Koonak first. After Koonak and Nora were taken to the Batwing, Batman tries to rescue Freeze, but a pipe hits him, causing him to drop Freeze to a fiery ocean. Mr. Freeze survived the fall and swam with his polar bears to shore. Freeze watched a TV news report about his presumed death and a successful organ transplant funded by Wayne Enterprises that cured Nora of her illness. Freeze walks with his polar bears back home as he was moved to tears of joy, relieved that Nora is finally cured and safe.

### Cold Comfort

Freeze returns his newfound joy quickly evaporated. Nora had recovered, but believing her husband dead, remarried and left Gotham. At the same time, Fries' own condition worsened, and by the time kidnapped doctors were able to stabilize him, Fries was reduced to a head in a jar walking on mechanical spider-like legs, interacting with the outside world with a robotic suit. Faced with no probability of assuming a normal life with Nora, Freeze decides to take out his pain and loss on Gotham by freezing everyone and everything in it. Batman thwarted Fries, who went missing afterward.

**(Note: There are two comics that detail two different outcomes for Freeze and Nora in the time between *Cold Comfort* and *Meltdown* and it is unknown which, if either, are canon).**

In the comic Batman: Gotham Adventures, Freeze allegedly kills Ferris Boyle, Grant Walker and almost kills Nora's new husband Francis D'Anjou. It is later exposed by Nightwing that the Freeze committing the murders was actually a robot duplicate created by D'Anjou, who realized that Nora still loved Freeze more than him and wanted to make her hate him. This backfired as not only did

Nora discover this, but also discovered countless letters from Freeze to her that D'Anjou hid, causing her to divorce Francis and go looking for her former husband. The two reunite for the first time since Nora was put in cryo stasis where Nora confesses she never truly loved Francis and the two confess they still love each other. However, Batman and Batgirl arrive and Freeze, believing them wanting to apprehend him for previous crimes, attempts to fight back, only for his body to be destroyed and his head flung into the ocean, horrifying Nora. Nora tries her best to find her former husband, to no avail, while Freeze's head continues sinking, uttering Nora's name as he does so. It is presumed that this is how Wayne Enterprises manage to find and capture Freeze by the time of Batman Beyond.

In the comic *Batman: The Adventure Continues,* it is revealed that Nora's illness relapsed, and with Freeze not there to put her in cryo-stasis again, she succumbed to the illness and died, driving Freeze into pure grief and madness. Freeze acquired a new suit and returned to Gotham with the goal of somehow bringing Nora back. He steals her body and a shawl that, according to legend, has the power to resurrect. What the legends failed to mention however, was that the shawl only works on the living, with unknown consequences on what it would do to the dead. Batman and Azrael, who came from the order Freeze stole the shawl from, try to convince him not to go through with it, mentioning the shawl's limitations. Freeze refuses to listen and tries to kill them. Azrael manages to distract him by reluctantly kicking aside Nora's body, enraging Freeze, though allowing Batman to defeat him. Batman and Azrael send him back to Arkham. with Nora being lain to rest once more.

Meltdown

Fifty years after being thwarted by Batman, Fries' head was in storage at a facility belonging to Wayne-Powers, kept alive by having machines take care of his vital functions and not having aged a minute. Derek Powers, now Blight, is searching for a cure to his mutation. Dr. Stephanie Lake, a young ambitious researcher, recommends growing a new body for Powers, and transferring his consciousness into the new body. Victor Fries was to be the test subject.

Fries was thrilled to be able to feel again after the procedure, and decides to turn over a new leaf. Bruce Wayne is suspicious of his old foe, and instructs Terry McGinnis, the new Batman, to monitor him. Terry was not so convinced on the old man's suspicion. Fries' newfound life was short, however, as he inexplicably relapses. At Derek's powers' instructions, Dr. Lake locked Victor in a chamber and increased the heat to weaken him enough to run a biopsy to determine the problem.

Freeze managed to escape, however, and returned to vengeance in his new cryogenic suit, which he had left in cold storage. For Power's and Lake's treachery, Mr. Freeze freezes them, despite Lake pleading for mercy, only to be cruelly told by Freeze "Remember, there might be some momentary discomfort" (the same thing she said as she transferred his consciousness) and encases her completely in ice, killing her. Freeze proceeds to destroy the facility. Batman tried to stop him, but Derek Powers, now in his Blight guise, broke out of his ice encasing and intervened, fighting them both.

Freeze finally managed to dispatch Blight, blowing him out of the building, but his suit was damaged by Blight's radiation blast. Batman pleaded with Freeze to escape, but Freeze was determined to go down with the building, saying to Batman in a sad, regretful tone "Believe me, you're the only one who cares…", before sealing himself off. Batman escapes as the building collapses and explodes, killing Freeze and granting him the peace he'd wanted for decades. Terry later admitted to Bruce that he was wrong about Freeze. Bruce replied that they both were.

---

Ibara: Whoa is that?

Me: Dr. Victor Fries A.K.A. Mr. Freeze?

Mr. Freeze: Nice of you all to come.

He fired his ice ray at me and I fired a blast of fire and the blasts collided and then erupted into a huge cloud of steam!

Nico: So you are behind all this!

Lily: I think this is another version of Mr. Freeze.

Me: I take it you froze everyone here to look for someone to help cure your wife Nora.

Mr. Freeze: Yes that's right. How did you know?

Lily: You would be amazed at what we know. Also I helped cure your wife.

Me: Also Nico this was before you joined the team and it was also on the day May got her powers. We helped cure Nora and we were gonna try and find a way to reverse his condition. Also on Carol's birthday we managed to find the cure.

Nico: Wow! I didn't know about that. That is amazing.

Rainbow Dash: Wow that is awesome.

Me: Yep and it was back in the team's old days when it was starting out with its name.

Eli: That is amazing.

Nico: Hey, can you make us snow cones?

Mr. Freeze: Very funny. But how did you cure my wife?

Lily: I used my water powers and my wings. My water is full of curative powers.

Me: It's true Victor. But wait.

I looked into his eyes and I saw that Victor saw that his wife Nora was cured after she was given a vital organ transplant but he went on a rampage after finding out that Nora remarried with someone else.

Me: Oh man!

I went over to him.

Me: Victor I'm sorry about what happened to Nora. She must've moved on after thinking you died in that oil rig explosion.

Mr. Freeze: That's right. How did you know that J.D.?

Me: I saw it in your eyes. I'm sorry that happened to you.

Mr. Freeze: I appreciate your sympathy J.D. Thank you. But I must destroy you all.

Nico: Go ahead, Victor. Kill us as many times as you want. But we are not moving until you stand down.

Me: Lets see how you like fire.

I jumped back and he fired another blast at me and I fired another blast of fire and the blasts collided. Nico, Lola, Lincoln, Qin and Eli fired blasts of fire and thawed everyone out.

Mr. Freeze: I am grateful that you cured Nora. But how did you cure me?

Me: You would be amazed at the kind of cutting edge technology we use. But we had to keep you in our freezer to keep you cold until that happened. At -75˚Fahrenheit till we got the antidote.

Mr. Freeze: That's amazing.

Me: It is. Also we don't have a Mr. Freeze in the Masters of Evil. And no this is not Baron Zemo's Masters of Evil this is Vypra's Masters of Evil.

Mr. Freeze: I'll join after you beat me.

Nico and everyone finished thawing everyone out and putting blankets on them to keep them warm.

Professor Medulla: Thanks for saving us Nico. (SHIVERING) Cold.

Nico: You're welcome Professor Medulla.

Professor Jeannie Elast: So cold.

Lana: You'll be alright Professor Elast.

Nico used one of Pyro's fireballs. It hit Mr. Freeze in his back and it weakened him.

Me: Nice shot Nico.

Nico: Thanks.

Hailey Timaeus: Okay time to put this experiment to the test! I summon my Dragon self and I will merge him with Five Headed Dragon!

She summoned The Eye of Timaeus and Five Headed Dragon and they merged and formed into a new monster and it was called SIX HEADED ELEMENTAL DRAGON OF ATLANTIS! It was a blue version of Five Headed Dragon but it had a sixth head made of light!

Hailey Timaeus: Meet the Six Headed Elemental Dragon of Atlantis!

Lincoln: Awesome!

Nico: That is awesome Hailey!

Joan Critias: Now watch this one. I summon my Dragon Self and I will merge him with Deck Destruction Virus!

She summoned The Fang of Critias and it merged with Deck Destruction Virus and it formed into into a terrifying new dragon. It was a scary Virus Dragon that was blue and translucent and had terrifying tentacles surging with lightning! It was called GENOCIDAL DESTRUCTION DRAGON!

Joan Critias: Meet the Genocidal Destruction Dragon!

Nico: WHOA! That is a scary one!

Layla Williams: Wow! That is awesome!

Joan Critias: Also if this Dragon was used in Duel Monsters it would easily be the deadliest and most dangerous dragon ever known. It has a lethal and devastating ability that destroys the opponents entire deck in one turn and makes them lose automatically.

Eli: WHOA! That is a dangerous one! That one would rank as #1 on the top 10 Forbidden Duel Monster cards.

Joan Critias: Yep.

Gina Hermos: And now for me. I summon my dragon self and I will merge him with Wattaildragon!

She summoned The Claw of Hermos and merged him with Wattaildragon and it formed into a deadly whip made of pure lightning! It was called the WATTAILDRAGON THUNDERSTRIKE WHIP!

Gina Hermos: This is the Wattaildragon Thunderstrike Whip!

She cracked it and then..

LOUD THUNDERCLAP!

Nico: WHOA! That is powerful!

Eli: Wow!

Knowing that Nico had to keep it up, he used Scorcher's abilities next. He fired more balls of fire and blasted Mr. Freeze all over.

Hailey and her dragon fired waves of elements and energy and blasted Mr. Freeze all over. Joan blasted Mr. Freeze too and Gina lashed him with her whip. Lola and Qin blasted him with fire.

Me: Wow! This is turning into a battle like with Gohan and Cell but with fire and ice.

Layla Williams: Yeah it sure is!

Sirius: You're almost there though!

?: Let me help out!

A figure swooped in and blasted Mr. Freeze and knocked him down and knocked his helmet off and he was gasping for cold!

Lana: Oh no!

Lana blasted him with ice and froze him in a block of ice.

Nico: Whoa! Nice save Lana.

The figure was a Vaxadactylus and it reverted back and it was a girl with blue hair and blue clothes.

Wendy Dorrington: Now that was an awesome victory.

Nico: Wendy Dorrington! Wow.

Wendy Dorrington: Nico it's awesome to see you again.

Laney: That was awesome!

Camie: This could be one of the best Rescue that Nico had.

Nico: Yes it was!

Me: And Hailey, Joan, Gina this experiment test was a success! Well done girls.

Lincoln: Awesome job!

Hailey Timaeus: Thanks J.D.

Nico: Yeah!

Rainbow Dash: What's your favorite memory of Nico?

Wendy Dorrington: I have a lot of them but my favorite is in Science class. Me and Nico were doing a project on how tornadoes form and we made this really awesome tornado aquarium and it showed us how they form from categories 1 thru 5 and we even made a space and otherworldly tornado simulator for the sun and other planets.

Me: That is cool! And there was an amazing Solar Storm that happened back in 2012 and it was a tornado that was over 124,000 miles wide and had a wind speed over 186,000 miles per hour and had a temperature of over 5,040,032˚Fahrenheit.

Everyone: WOW!

Laney: That is incredible!

Lana: Really amazing.

Lola: Yeah no kidding! I had no idea that tornadoes can even form on the Sun.

Eli: That is awesome.

Wendy Dorrington: It sure is.

Hailey Timaeus: That is really cool.

Wendy and Nico then hugged.

Nico: I really missed you.

Wendy Dorrington: Me too Nico.

Me: Aww.

Rainbow Dash: This was AWESOME!

We went over to Principal Powers.

Me: Sorry about what Mr. Freeze did here. I hope you all will warm up.

Principal Powers: (Shivering) We will. So cold.

Lola: Hold on.

She went into the kitchen and made a boiling pot of hot water and made hot cocoa and gave it to the students and staff.

Principal Powers: Thanks Lola.

Lola: You're welcome.

Me: Man this was an awesome rescue.

Nico: It sure was.

We went back home and we told everyone about what happened and more and Mr. Freeze was now in the Masters of Evil.

---

After Nico's rescue, Lincoln, Me, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, and Lightning Dust are heading to the Simulator, this time, it's at Peach Creek, and not only is Lincoln going to rescue the nine girls, but we're going to face Peach Creek's rival school, The Lemon Brook Lumpers, and we're going to beat them in football and help Peach Creek claim their first ever championship, and we're also going to those stupid Kankers in their place. The Simulator activated, and we were at Peach Creek Junior High.

Lincoln: Wow, we're here at Peach Creek Junior High, and I know what we're going to do here, not only am I going to rescue the nine girls, but we're going to face Peach Creek's rival school, The Lemon Brook Lumpers, and we're going to beat them in football and help Peach Creek claim their first ever championship.

Nico: That's right, big guy, and after we beat the Lemon Brook Lumpers, we're also going to those stupid Kankers in their place.

Me: In prison for the rest of their lives.

Lincoln: After we rough them up, and thanks for joining us, Lightning Dust.

Lightning Dust: You're welcome, Lincoln. This is so going to be

awesome.

Rainbow Dash: But, we also got watch it: those stupid Kankers are going to start heckling.

Lynn: Scoots did that when she broke out of the Lansing Maximum Security Asylum, and I lost my concentration at a game long ago, and I was so mad at her for what she did. But, Lincoln gave an inspiring speech to me, he told me to simply ignore hecklers and do what I love best.

Rainbow Dash: Wow, that was an awesome speech he gave you, Lynn.

Lincoln: Yep, but Lynn felt like she still needed to get back at that crazy old bat who caused all this. Here's what happened.

---

Lincoln: Hey, where are you going?

Lynn: To give the person who caused all this some payback.

At the ice cream shop, Lynn arrives and sees that mean-hearted Scoots scolding at an employee.

Scoots: I said Mint chocolate Chip and Caramel Turtle! Not Rocky Road, you idiot! (Throws her order at the poor man)

Man: Ma'am please stop! We'll make you a new one on the house! You don't have to overreact!

Lynn: Hey, Scoots! Leave him alone!

Scoots: Well, if it isn't the girl who flubber soccer.

Lynn: Don't start with that, I've got a bone to pick with you!

Scoots: Oh? And what is that?

Lynn: It's about what happened at the game. What you did was not cool, kicking a soccer ball at my face, laughing and taunting at me, and calling me emu legs, which is a stupid insult in more ways than one by the way, because I've read that emus won a war in western Australia!

Scoots: How was I supposed to know that? Plus, you're still sore over that? You really are a baby.

She expected Lynn to cry, but Lynn stood her ground.

Lynn: Sticks and stones, you old bat. But, after listening to my siblings about their experiences with hecklers and how they simply ignore them and continue to do the things they love, you can't hurt me anymore.

Lynn slowly stomps towards Scoots as the old lady gives off every insult she could think of, but gets nervous and couldn't think of anymore. Lynn stops inches away from the mean old bat, ready to give her what's coming to her.

Scoots: Y… you wouldn't hurt an old lady, who's also your friend would you?

Lynn: I know I'm supposed to respect the elderly, but you're not respective yourself! Being elderly does not give you any excuse to be a jerk. You're not my friend and you never were. Your horrible attitude and difficult behavior towards others is the reason why you're permanently banned from my Dad's restaurant, why you also got arrested and sent to The Lansing Maximum Security Insane Asylum, why Tyler broke up with you after he realized that you used and payed him to pretend to be your "boyfriend", why you've made my brother and his friend fight for your own amusement, why you're nothing but a big pain in the butt! Let's see how you like it! You want ice cream?! I'll give you some!

She grabs a carton of ice cream and shoved it in Scoots' face! The old lady falls over and staggers up on her feet. Yeah, that's right. She stands on her own two feet! Lynn was surprised upon seeing this.

Lynn: So, you can walk all this time?! Well, that explains how you kicked that ball.

Scoots: I'm too lazy to walk all the time. Why else would you think people call me Scoots? So you wanna play rough huh? Bring it!

The two engage in combat. Lynn dodges every kick and punch, grabs Scoots' leg, spins her around and tosses her into a giant freezer. After a few seconds, Scoots topples out encased in a block of ice. Lynn cracks the ice with some spoons, and Scoots is lying down terrified and freezing.

Lynn: I'm gonna say this once: leave me, my family, my friends and everyone else alone. Stop being an annoying nuisance. Go get some help. Even move out of Sunset Canyon if you get the chance. If not, I'm not gonna go easy on you next time, chicken legs. (Her eyes glare and fire and lava appears)

Scoots screams, scrambles to her scooter and drives off, but the police catch her again, and drag her back to the Lansing Maximum Security Asylum, where she was put on Maximum Lockdown in Solitary Confinement. The ice cream employees and customers come out of hiding.

Employee: Lynn, thank you! We always knew Scoots was a difficult customer, but we've never had the guts to fight her back! and don't worry about the mess you've made, we'll clean it up. And here, how about a little reward? (Gives her coupons for free ice cream)

Lynn: Wow, thanks! And I suggest you ban Scoots from here for good measure so she doesn't bother you ever again.

Back home, the others were waiting for Lynn to return until she did coming through the front door licking a chocolate-dipped vanilla cone.

Lincoln: So, how did it go? Where were you?

Lynn: Where else, bro? I finally gave Scoots some payback for what she did at the game!

Luna: You finally gave that crazy old bag what for, huh?

Rita: After what we heard about what she did to you at the game, I think she deserved it.

Lynn Sr.: I felt satisfied when I banned her from my restaurant, glad to see you're feeling the same fighting her back as well.

Lola: I'm still mad at her for buying all the chocolate pudding at the store when I needed it!

Lincoln: I'm glad you took my advice about ignoring hecklers, and I'm surprised but glad you got revenge on the person who caused you grief. Sometimes it's not always good to get revenge on hecklers, but I'll give it a pass.

Lynn: Another thing? I thought I'd tell you this… the reason why I always wrongly blamed you for stuff you didn't do was because I was too afraid to take on the real people who caused the problem head on. I know, I'm not as brave as everyone thinks I am. But after hearing what you went though, you gave me the confidence I needed to fight back. Thanks, Linky. (Hugs him)

Lincoln: No problem. (Hugs back)

Luna: You know, hearing what you said made me realize that I should stand up to my own hecklers too. I'm gonna give that coffee shop owner a piece of my mind, not in the same way you did with Scoots, but give her a lot of talking too to show her who's boss.

Luan: Same here, I'm gonna ignore bad comments on my channel. And if they continue to heckle, I'll just simply block them.

The rest of the family left and made plans to go out and stand up to the people that taunted them later on.

Nico: Wow, that was awesome, and there's definitely a lesson to be learned: don't heckle others, or you are going to get it.

Bertha Sellington: That Scoots has been nothing but a big pain in the butt to everyone in Royal Woods, and I was so glad that you guys gave that crazy old bat what for, and sent her to the Lansing Maximum Security Insane Asylum, and she's never getting out again.

Lincoln: Especially when I had her wrapped in a rainbow energy straitjacket and rainbow energy chains and chained to the wall of her cell in rainbow energy chains and Neutronium chains, that'll teach her. (To the TLPS Bad Guys Gang) And TLPS Mr. Wolf, I need you and your gang to send the Kankers flying the second they try to heckle the team.

TLPS Mr. Wolf: On it.

Lincoln gave the same inspiring speech to the Simulator counterparts of the Peach Creek Cobblers, and then, we head for the football field, while the TLPS Bad Guys Gang got into position to send the Kankers flying once they start heckling.

Lincoln: You ready, everyone?

Me: We are, big guy.

We used a lot of maneuvers against the Lemon Brook Lumpers, and before the Kankers were about to heckle us, the TLPS Bad Guys Gang sent the Kankers flying with a blast of wind they fired from their massive angel wings, but they'll be back. Eventually, we won against the Lemon Brook Lumpers, and we helped Peach Creek win their first ever championship.

Lincoln: Alright, we did it, we helped Peach Creek win their first ever championship.

Nico: But, we're not done yet: those stupid Kankers are going to try and get revenge on us for sending them flying out.

?: HELP!

Suddenly, Lincoln heard the sound of nine girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye of The Buddha, and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the nine girls, but they've been cornered by the Kankers, and they're going to kill them and get revenge on us for sending them flying.

Lincoln: Guys, I found the nine girls, but they've been cornered by the Kankers, and they're going to kill them and get revenge on us for sending them flying.

?: Those kissy-face, heckling banshees! Let's get them!

Suddenly, we saw Broww, Huntsman of Dark World appear before us.

Lincoln: That voice, I knew it was you, Chloe Terryington, but we'll have to talk later, we got to deal with those three kissy-faced heckling banshees.

We rushed on over, and Lincoln fired powerful rainbow energy balls at the Kankers, and it allowed the nine girls to get away from the Kanker Sisters. When the Kankers saw us, they were pissed off.

Lincoln: You Stupid Kankers still refuse to learn your lesson, well, now, you've left us no choice!

Lincoln unholstered his improved massive Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and unholstered their massive swords, Lincoln's sisters transformed into their Super Angel Infinity forms and unholster their massive swords from their backs, Lincoln's sisters transformed into their Super Angel Infinity forms and unholster their massive swords from their backs, Lincoln's harem unholster their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Lightning Dust, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Hector got out his massive Heaven's Maw of Judgement sasumata pike, and Me, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went at the Kanker Sisters, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, Blood, Magic, stars, rainbow flames, rainbow crystals, orange flames, blue flames, ice, green flames, and water, and they exploded with incredible power as they hit them.

Then, Chloe Terryington fired three tranquilizer darts tied to her arrows, which hits the Kankers and knocked them out, and Lincoln tied the Kanker Sisters up with rainbow energy straitjackets and rainbow energy chains, and he fired a blast of ice, and froze them, and then, he beams them to the Neptune Cryo-Prison, where they're put into a cryogenic cell for eternity. We cheered wildly as we holster our weapons and power down.

Lincoln: That's it for both the Lemon Brook Lumpers and the Kanker Sisters. (To Chloe Terryington) And it's so good to see you again, Chloe.

Chloe Terryington reverted back to normal, and she's a beautiful 18-year-old girl with long flowing brown hair, green eyes, she's tall at 6'5" in height, she had the body of a goddess, she has massive brown angel wings, thanks to reigning in the power of Broww, Huntsman of Dark World, and she's dressed in a dark orange short-sleeved blouse, sleeveless leopard print top, orange skirt, short pants, orange high-heeled sneakers, and a long orange sleeveless trenchcoat with darkness on the coattails, and Broww, Huntsman of Dark World on the back.

Chloe Terryington: You too, Lincoln, it's been a long time. And it's also good to see you again, Nicholette, Giselle, Scarlet, Silvia, Renee, Helena, Elizabeth, Selene, Zennia, Jackie, Laniya, Camie, and Bertha.

Lincoln went up to Chloe Terryington and they hugged, and Chloe

Terryington's also very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she's also felt just how strong he's really become.

Lincoln: It sure has been a long time, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then.

Chloe Terryington: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Chloe Terryington, she's another of my Guardian Angels, and she's the fourteenth member of The Dark World Goth Girls, and she's known as a skilled archer when she attended archery camp, and she never misses her target.

Bertha Sellington: She's known as the Marksman of The Dark World Goth Girl, but here's the bad news: she also has a really horrible history with Flip.

We gasped in shock.

Lincoln: So do the rest of us, Bertha. Oh, and Chloe, I got you and Bertha a little something.

Lincoln gave Bertha Sellington a large Beiige, Vanguard of Dark World-themed sword with Beiige, Vanguard of Dark World etched on the 6'10" massive, wide, double-edged dark blue blade, large dark blue angel wings for the crossguard, large dark blue gem embedded in the rainguard, longer black handle, and large dark blue gem with black angel wings surrounding it for the pommel.

Chloe Terryington: Wow, I love the new swords you made for me and Bertha, Lincoln.

Suddenly, a Thunderbird Necklace of Eternal Love appeared on Chloe Terryington's with orange gems on the gold lightning bolts links and orange crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Chloe Terryington: (Surprised) Whoa, is this?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're part of my harem and one of my many future wives, Chloe.

Chloe Terryington had a smile on her face and tears coming from her eyes, as she wrapped her arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around her waist, and he leaned down and kissed Chloe Terryington on her lips, and she returned it, and we cheered for them. Then, we went up to the nine girls, and when Lincoln saw them, he immediately recognized them. The nine girls are Shihou Matsuri, Morimiya Aono, Ishizuki Mana, and Kamikawa Mayuko from Sola, Arai Minamo, Himote Kinami, Himote Kokoro, Himote Tokiyo, and Hongou Tae from Himote House.

Lincoln: Oh wow, it's Shihou Matsuri, Morimiya Aono, Ishizuki Mana, Kamikawa Mayuko, Arai Minamo, Himote Kinami, Himote Kokoro, Himote Tokiyo, and Hongou Tae.

Nico: From Sola and Himote House, awesome.

Lincoln: Are you girls okay?

Shihou Matsuri: Yes, we're okay, thanks to you.

Then, when Shihou Matsuri and the other eight girls saw who it was that saved them from the Kanker Sisters, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

Shihou Matsuri: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made eight clones of himself, and he and the eight clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Shihou Matsuri: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, nine Thunderbird Necklaces of Eternal Love appeared on the necks of Shihou Matsuri, Morimiya Aono, Ishizuki Mana, Kamikawa Mayuko, Arai Minamo, Himote Kinami, Himote Kokoro, Himote Tokiyo, and Hongou Tae with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We exit the Simulator, and we told everyone what we did, and we showed everyone that we helped Peach Creek win the championship against the Lemon Brook Lumpers, and they were shocked when they found out the villains we went after were the Kanker Sisters, who were also sore at us for kicking them out when they were almost about to start heckling.

But, when Lincoln showed what we did to the Lemon Brook Lumpers at the football game and what we did to those stupid Kanker Sisters, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Chloe Terryington have a lot of catching up to do, now that she's back.

---

After winning the championship against the Lemon Brook Lumpers and throwing the Kanker Sisters in prison for good, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when

Chloe Terryington saw Lincoln working out like crazy, she had an atomic red blush on her face.

Chloe Terryington: Whoa, I was right that Lincoln has really grown to be a 17-year-old 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his abs hard at work, and to work out with those 9,500-lb barbells and not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Chloe, and now, I can also defend myself, and I've also gotten smarter as well.

Chloe Terryington: That's incredible.

Nico: It sure is, Chloe. So, can you tell us why you have a really horrible history with that three butt-cheeked, ugly, smelly, mutant cheapskate, Flip?

Chloe Terryington: You won't like it, Nico. One day, Lincoln and I, along with the rest of the Dark World Goth Girls were hanging out, but then, I heard something: we turned around, and we saw a man and he had a gun in his hand, and he was about to shoot Lincoln. He fired the gun, but Lincoln caught it, and I shot an arrow into his shoulder, and not only did it hit him and disarm him of his gun, it also pinned him to a wall. We ordered him to tell us why he tried to kill Lincoln, we soon found out the one who hired him was Flip, Royal Woods' three butt-cheeked, ugly, smelly, mutant cheapskate, and he hired him to kill Lincoln, his family, his friends, the Casagrandes, and J.D. for ruining all of his scams again. We called the cops, and after we told Mr. and Mrs. Loud what happened, they went to the prison where Flip was thrown in, and they brutally pulverized that cheapskate. Ever since then, I have a really horrible history with Flip, and I hate that cheapskate so much.

We were shocked by the revelation.

Nico: Now, Flip's gone too fucking far!

Lincoln: Yeah, he did, but that idiot doesn't realize that I'm immortal, along with all of us, mainly because he's too stupid and too wrapped up in wanting revenge on us to even realize the details.

TLPS Mr. Wolf: When the next humiliation session starts, remind me to have Flip cursed for eternity, I made a new curse for just such an occasion.

Nico: Really? We can't wait to see it in action.

Me: Same here.

We then got a shower afterwards, but then, the alarm sounded, and Raven's inscriptions manifested, and when Lincoln checked the computer, he saw who it was that triggered the alarm: it was Muzan Kibutsuji, The Demon King and first of his kind, progenitor of the demons of his world, and creator and leader of the Twelve Kizuki.

Lincoln: Guys, I found out who it was that triggered the alarm: it's Muzan Kibutsuji.

Tanjiro Kamado: So, we've finally approached the final battle with Muzan Kibutsuji.

Tamayo: He will pay for what he did to me.

Nezuko Kamado: Along with what he did to me, Tamayo. Lincoln, shall we?

Lincoln: Of course, Nezuko.

We flew out of The World Tree Estate, and Lincoln fired a powerful barrage of rainbow energy balls and elemental forces, and they hit Muzan Kibutsuji. When Muzan Kibutsuji saw us, he maintained his composure.

Muzan Kibutsuji: Ah, so the famous Team Loud Phoenix Storm has arrived.

Lincoln: Muzan Kibutsuji. I knew you'd show up after we destroyed all of the members of the Twelve Kizuki.

Tamayo: And don't think about trying to influence me or Nezuko, Lincoln cured us of your influence and we became human again, but we still retained the powers that your demon blood gave us.

Nezuko Kamado: And now, I will make you pay for everything that you've done.

Suddenly, Nezuko Kamado's pale pink eyes turned neon pale pink, and she was surrounded by a pink energy aura with blood and phoenixes, and as she approached Muzan Kibutsuji, she left pink energy, blood, and phoenixes with every step.

Nezuko Kamado: Muzan Kibutsuji, I will never forgive you for what you did in attacking me and turning me into a demon, you robbed me of my humanity, but Lincoln gave me back my humanity and removed your influence, and now, I'll use the powers you gave me to end your life once and for all.

Suddenly, Nezuko Kamado was surrounded by a massive vortex of pink energy with drops of blood surrounding it, there's a phoenix flying around the vortex, and in the vortex is a black phoenix. Then, as the vortex faded, Nezuko Kamado emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Nezuko Kamado grew to 6'5" in height, she had the body of a goddess and she has pink highlights in the bangs of her long flowing black hair with flame-orange on the tips, she has neon pale pink eyes and a pink energy aura with blood and phoenixes surrounding her, she has a phoenix with three drops of blood inside its claws emblazoned on her forehead, she has on phoenix earrings with blood red gems for eyes and holding the Blood Kanji inside its claws, and she also has a phoenix with blood red gems for the eyes and the Blood Kanji in its claws for the second pendant, along with the golden Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with pink crystal links from her merged Crystal Necklace of the Buddha and pink gems on the gold lightning bolt links. Nezuko Kamado has on a light pink sleeveless midriff top with a black phoenix on it, black pants with vine-patterns on the legs, and she has on a long black coat with vines and blood on the coattails, and on the back is a phoenix with three drops of blood above its head and vines surrounding it. Suddenly, Nezuko Kamado felt a sharp pain on her back, and then, massive black angel wings with pink and flame-orange tips on the large black feathers, sprouted out from her back, she has on a Ring of The Phoenix with pink gem on her right ring finger and a Star Sapphire ring on her left ring finger.

Nezuko Kamado has a new sword in her hand called Wisteria Blood Sword of Holy Justice, it's a brand new large sword with wisteria flowers etched on the 6'10" massive, wide, double-edged blood red blade, large black phoenix heads for the crossguard, large pink gem embedded in the rainguard, longer black handle, four large black phoenix heads with pink gems for eyes and its open mouths, and a large pink gem on the bottom of the black phoenix heads for the pommel, Nezuko Kamado has on her new large gold cuff Bracelets of the Champions of The Universe with pink gems on her wrists, gold Belt of Elemental Bravery with a gold phoenix head with pink gems for eyes and a large pink gem in its open mouth for the belt buckle, large pink and black Spellbook of The Gods and The Universe and large pink and black Spellbook of The Elemental Gods on her left hip and Eater of Sins revolver holstered on her right hip. There's a pink kanji below the phoenix that said, "Nezuko Kamado, Younger Sister of Tanjiro Kamado, Member of The Demon Slayer Corps, Loving Future Wife of Lincoln Loud, Destroyer of Muzan Kibutsuji and the Twelve Kizuki, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Blood and Phoenixes"

竈門瑠子、鬼滅の刃隊の妹、リンカーン・ラウドの愛する未来の妻、武山きぶつじと十二木月の駆逐艦、邪悪な殺し屋、狂った、殺人、冷酷、そしてサディスティックな野郎、驚くべき強力な学生驚くべき強力な教師の、そして血とフェニックスのマスター

Nezuko Kamado has transformed into SUPER ANGEL INFINITY DEMON SLAYER BLOOD PHOENIX ANGEL OF BLOOD JUSTICE AND DIVINE LOVE!

We were amazed by Nezuko Kamado's Super Angel Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Muzan Kibutsuji saw it, he still maintained his composure.

Tanjiro Kamado: Incredible, Nezuko's transformed and she's become a young woman.

Me: And this is going to be one awesome fight.

Nico: Not to mention, bloody.

Lincoln: Wow, Nezuko, you look beautiful. How do you feel?

Nezuko Kamado: (Divine Echoing Cosmic Voice of The Blood Phoenix and Divine Love) **I feel incredible, Linky. Now, shall we take care of Muzan Kibutsuji once and for all?**

Lincoln: (Smiles) With pleasure, Nezuko.

Lincoln unholstered his improved massive Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Nezuko Kamado.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Time for you to die, Muzan Kibutsuji!**

Lincoln and Nezuko Kamado went after Muzan Kibutsuji, and they fired powerful blasts of rainbow energy, yellow energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, and Angels at Muzan Kibutsuji, and they exploded with incredible power as they hit the Demon King. Then, they attacked him with their massive swords, and really left some painful scars.

Muzan Kibutsuji: Interesting, so this is how powerful you truly are. Now, you two have left me no other choice.

Muzan Kibutsuji then transformed into his true Demon form, and he tried to attack them, but Nezuko and Lincoln attacked Muzan Kibutsuji with their massive swords, and he was being burned badly, due to the wisteria blade and Lincoln also covered the massive blade of his massive sword in holy water, and it also had an effect on Muzan Kibutsuji and it burned him badly.

Lincoln: **Now, to end this.**

Lincoln made a slash on his right palm with a dagger, and he placed it on the ground, and then, his blood formed a large red circle with inscriptions and magic runes around the red circle, and then, it chained Muzan Kibutsuji with blood red chains, and Lincoln's poisonous and acidic blood was hurting Muzan Kibutsuji, and the inscriptions and magic runes were starting to glow. Lincoln's palm healed up and sealed back up.

Lincoln: **SACRED BLOOD DEMON SLAYER ART: DEMONIC PURIFICATION!**

Then, a massive blood red pillar of energy arose from the large red circle, and Muzan Kibutsuji was being incinerated by the acidic and poisonous blood, and when the pillar faded, nothing was left of the Demon King, as he was completely erased forever. We cheered wildly for what Lincoln and Nezuko Kamado did as they holstered their massive swords on their backs and power down, and Nezuko Kamado's new body, clothes, weapons, jewelry, and massive angel wings are permanent.

Nezuko Kamado: Now, at long last, we're finally rid of Muzan Kibutsuji and the Twelve Kizuki for good. Thanks for helping me take care of Muzan Kibutsuji, Linky.

Lincoln: (Smiles Warmly) You're welcome, Nezuko.

Suddenly, Nezuko Kamado wrapped her arms around Lincoln's waist, and it brought an atomic blush to Lincoln's face, as he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into an embrace, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Nezuko Kamado's face, they kissed passionately as Siyana the Light Faerie wrapped her left arm around Lincoln's wider and muscular back, and she placed her left hand on Lincoln's massive and wide right pec, and right behind them was a Thunderbird, Phoenix, and Angel flying in the air, and we also saw a herd of Buffalo running across the field, and the display of the elemental forces behind them, and we cheered for them.

Nico: Lincoln, Nezuko, you did an awesome job in getting rid of Muzan Kibutsuji, and Lincoln, that was one awesome technique you used on that demon, what was that?

Lincoln: That was my Sacred Blood Demon Slayer Art: Demonic Purification technique, I made a slash on the palm of my right hand, and my poisonous and acidic blood formed a large circle with blood red inscriptions and magic runes around the red circle, and it chains up any evil immortal with blood red chains, and once the inscriptions and magic runes started to glow, it then caused a massive blood red pillar of energy arose from the large red circle, and it incinerates the one caught by the chains, and it worked perfectly on Muzan Kibutsuji.

Tanjiro Kamado: That's really incredible.

Kanroji Mitsuri: That was very creative of you, Linky.

Me: I got to admit, even I'm also impressed by what you did, big guy, nice one.

Shinjuro Rengoku: You and Nezuko both accomplished what we've been attempting to do for a long time, Lincoln: and that was to kill Muzan Kibutsuji.

Inosuke Hashibira: Being the first of his kind, Muzan is known to be very powerful and ruthless to both humans and his own subordinates, but you and Nezuko outclassed and overpowered him. J.D. and Nico told us about that acidic and poisonous blood that all of you have, and it's very powerful, but you only use it on certain individuals, right?

Lincoln: That's right, Inosuke, and those certain individuals are evil gods and/or evil immortals, and from what you all saw, it's also effective on powerful demons like Muzan Kibutsuji, and once an evil god and/or evil immortal is struck in the heart with a dagger enhanced by our poisonous blood, it wipes them out of existence forever.

Tanjiro Kamado: Now, that's what I call brutal.

Eli: But, effective, Tanjiro.

TLPS Mr. Wolf: Now, we've seen the last of Muzan Kibutsuji, along with his organization of demons, the Twelve Kizuki, for good.

Nico: You got that right, and they're never coming back again.

---

Later it was time for Nokama's second Ambassador Mission.

Me: I hope we get to destroy more Worms this time.

Eli: It'll be awesome to demonstrate new Spirit World Powers.

Me: Yeah it always is fun.

William: Anyone want to come with Nokama? Besides 2 Rabbids and Akira?

Fluttershy: Um I would like to go if that's okay?

Nico: Sure Fluttershy.

Me: This will be awesome.

Nokama: Awesome. And The Dirty Bubble will come next on the 3rd mission.

Laney: Neat.

Nokama: Lets head out.

We were off to Japan.

We arrived and Soji saw us.

Soji: Hey guys.

Me: Hey Soji.

Nokama: Soji, meet one of the Disk Wars heroes.

Akira: Awesome to meet you Soji. I'm Akira Akatsuki.

Fluttershy: And I'm Fluttershy, Princess of Kindness and Animals and the Life Skylanders.

Soji: Oh it's a pleasure to meet you.

Nico: I hope more worms come for us to take down.

Me: I promised to show you all how fast I am without my coat on. You won't believe how fast I am without it.

Soji: This will be awesome to see.

Nico: Yes it sure will.

Soji: Nokama, meet the new person holding the title of Kamen Rider TheBee.

It was Soh Otogiri formerly the Phylloxera Worm!

Me: (Speaking in Japanese) (Bows) そときり以前はフィロキセラワームでしたが、お会いできて本当に光栄です。(Soh Otogiri formerly the Phylloxera Worm it's truly an honor to meet you.)

Soh Otogiri: (Speaking in Japanese) (Bows) あなたもジェームズ。あなたが私を治してくれたことに永遠に感謝しています。(You too James. I am forever grateful that you cured me.)

Me: I'm glad I could help.

We shook hands.

Nico: Awesome that you cured him J.D. and he was one of The Bee Kamen Riders before.

Me: Thanks Nico. It was awesome.

Nico: Didn't you meet Kamen Rider Decade before?

Soh Otogiri: Yes I did and it was an awesome honor to help him.

Me: That is cool. Decade is one of my favorites out of the Kamen Riders. And Tsukasa Kadoya did awesome.

Nico: Yep and unfortunately…

Me: Oh right. We met Tsukasa Kadoya from Decade and he helped us out at Disney Castle. You weren't with us back then because you were in a slump.

Nico: Oh right.

Soji: What happened?

Me: (Sighs) Oogie Boogie opened his big ugly bug-filled mouth and sent Nico into a spiraling depression.

I told him everything and it was terrible.

Soji: Oh man. I'm sorry Nico.

Nico: It's all right.

Soji: Nokama, I think it's time you got your own Zector and transformation device.

Nokama: Cool! I wonder which Zector I'll be getting?

Then a blue spider Zector appeared and it went to Nokama.

Nokama: Cool! A spider!

Nico: Neat the Blue Spider Zector.

KRABBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM

Akira: (hears explosion) Nokama, looks like you're gonna get the chance to test out your new Kamen Rider form!

Nokama: Awesome!

Nico: Lets get going!

We were off and we found 4 worms! They were Formicaalubus

Worm Oculus, Tarantes Worm Purpura, Acarina Worm Amber and Viella Worm!

Nico: WHOA! Four worms this time!

Eli: And they are ugly!

Fluttershy: And scary.

Nokama: Yeah.

Akira: Iron Man, D Smash!

He summoned IRON MAN!

Nico: YEAH!

Hiyori: This will be good.

Me: Time for some buttkicking!

Soji, Soh, Arata, Hiyori and Nokama: HENSHIN!

Computers: HENSHIN!

They transformed!

Soji, Soh Arata, Hiyori and Nokama: Cast Off!

Computers: (CLICK) CAST OFF!

They had their weighted armors fly off.

Computers: CHANGE BEETLE/WASP/FIREFLY/SPIDER!

Soji, Soh, Arata, Hiyori and Nokama were now in their KAMEN RIDER FORMS!

Nico: So awesome!

Me: Now for this one.

I took off my coat and my boots and arm bands and my weights on my legs.

Me: Soji you are gonna love this. This is the highest compliment that I give opponents that are really fast.

I then dropped my coat and stuff onto the ground and then…

KRASSSSSSSMMMMAAAAAAAAAAAAAAAAAAAAAASSSSSSSSSSSHH

They smashed into the ground with a massive thunderous thud and made a huge crater.

Soji: (GASP)

Soh: MY GOD!

Nico: HOLY SHIT!

I cracked my neck and loosened up.

Me: There! Now I'm ready!

Soji: How much weight is on all that!?

Me: You wouldn't believe it. Now watch.

Then…

ZOOOOOMMMM!

I ran faster than a bullet fired from a gun at incredible speed and set the ground on fire and then I punched Formicaalubus Worm Oculus with devastating force and then bisected him in half and he then exploded in a massive fiery explosion!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: WHOA!

Fluttershy: Wow!

Eli: Way to go bro!

Soji: That is amazing!

Disk Wars Iron Man: Repulsor!

He fired waves of energy and blasted Tarantes Worm Purpura all over.

Eli: Now for this one! ICE DRAGON! 魔闘凍霊拳

Eli fired a massive blast of ice from his fist and froze Tarantes Worm Purpura into a block of ice and then Eli shattered him into a million pieces with just a powerful kick!

Nokama: My turn!

Nokama went at Acarina Worm Amber and punched and pulverized it all over the place and then smashed it into pulp!

Eli: Lets see how it likes this one. FIST OF THE MORTAL FLAME! 邪王炎殺煉獄焦

Eli had his fists enveloped in incredibly intense fire and then punched Acarina Worm Amber in the face and then smashed its head right off! Blasting it to smithereens!

Soji: AWESOME!

Nico: Nice one Eli!

Arata: Viella Worm is the only one left!

Eli: After you guys rough him up I'll use my next attack after you guys use your finishers.

Nico: Okay.

Soji: In that case. HYPER CAST OFF!

Computer: HYPER CAST OFF!

He turned into HYPER BEETLE!

Computer: CHANGE HYPER BEETLE!

Me: WHOA! Soji this is a cool one!

Nico: Wow! Soji this one is powerful! You look awesome.

Soji: Thanks. Hyper Beetle.

Then he summoned his awesome sword!

Nico: AWESOME! I remember that sword.

Soji: Clock up!

He then became faster than light! He moved with incredibly speed that not even we can follow!

Nico: AWESOME!

Me: Unbelievable! His speed is so fast that we can't follow!

Eli: YEAH!

Nico: Now for the finale!

The Rabbids waved a mocking goodbye.

Fluttershy: That will tell him.

Computer: HYPER TYPHOON!

Eli formed a Powerful energy ball on his finger.

Eli: SPIRIT GUN!

Eli fired a massive blast of energy from his finger!

Soji fired a massive blast of energy from his sword and the blasts all hit Viella Worm and obliterated it into nothing!

Me: YEAH!

Nico: Those 4 worms have failed this city!

Soji: That's a few less worms.

Arata: And probably counltess more to go.

Me: Yep. But most of them were destroyed by the Sacred Water.

Nico: Yep.

I put on my coat and shoes.

Soji: Wow! You guys are fast and awesome! And J.D. you were great!

Me: Thanks Soji. It was cool using my speed like that.

Nico: Boy it sure was.

Eli: Nice job bro.

Fluttershy: That was amazing.

We went back to the Estate while the Kabuto team went back to Bistro La Salle. Unknown to any of us, two certain Riders were watching.

So Yaguruma: (smirks) See you next time, J.D.

Shun Kageyama: (laughs) Man, it's good to be back!

The two of them then walk away.

UH OH! TROUBLE IS COMING FOR ME!

We came back.

May: How did it go?

Me: Really awesome.

We told everyone everything and it was awesome.

May: Wow! That is awesome!

Nico: Boy it sure was.

Laney: Yeah! You guys took out 4 Worms and that is awesome.

Eli: It sure was.

May: Next time, 2 Rabbids and Axel Manning should come with you.

Nokama: Good idea May.

Axel Manning: It'll be awesome to meet the Kabuto Kamen Riders.

---

We were now walking to Nanette's house in California. Nico was on my back and shaking like a scared little puppy.

Me: Nico you're gonna be all right.

Ed Grant: I envy you right now, Akira.

Akira: Why?

Ed Grant: You got to have fun fighting Worms with Nokama. Me? I'm about to be killed by Nanette's parents!

Kendra Daniels: That does seem bad when you think about it.

Me: Come on guys don't say that. You're scaring Nico more.

Callie Allbright: Besides it'll be awesome to see mom and dad again.

Nanette: It sure will.

Me: We never met your mom and dad before.

Nanette: You'll love them and you will love our house even more.

We then arrived at Nanette and Callie's home and it was a massive and tremendously huge mansion.

Nico: Wow!

Me: Wow! Nanette, Callie your house is amazing.

Laney: Wow! It's huge!

Eli: Boy it sure is!

Ed Grant: Amazing! Nanette your home is awesome.

Lola: Wow! It's amazing.

Akira: Wow! Nanette your house is awesome.

The courtyard was breathtaking and the garden was amazing.

Me: Wow! Look at all the flowers.

Shaggy: Like what a pad.

Scooby Doo: I'll say.

Daphne: Wow! Nanette your house is awesome! It's almost as beautiful as my mansion.

Nanette: Thanks Daphne. It sure is amazing.

We went to the door and Nanette knocked on it and answering it was a butler.

Butler: Yes?

Nanette: Hello Horace. Awesome to see you again.

Horace: Why Madam Nanette and Callie it's great to see you both. And Team Loud Phoenix Storm it's an honor.

Me: Hello sir. We would like to talk to Nanette's parents please.

Horace: Of course.

We went into the house and it was amazing.

Me: Wow! Nanette your house is amazing.

Lana: It's so awesome.

Carol: Boy it sure is.

We went into the living room and we saw Nanette's mom and dad.

Em: Hi, Nanette's Mommy and Daddy!

Maria: Em, that sweet tone is only promising dread for Nico!

Nico: I'd rather be still fighting Xehanort right now then doing this!

Nanette: Hi mom and dad.

Callie Allbright: Hello mom and dad.

Mrs. Allbright: Oh Nanette and Callie!

They hugged them.

Mr. Allbright: Why my little princesses we were so worried.

Nanette: I know. Oh these are our friends.

Me: Hello Mr. and Mrs. Allbright. It's awesome to meet you.

Mr. Allbright: Why Team Loud Phoenix Storm it's such an honor.

Mrs. Allbright: We are so glad you all could come.

They saw Nico.

Mr. Allbright: Why Nico Chan is that you?

Nico hid behind me.

Me: Oh Nico it's all right. We're here for you. He's afraid that you are going to hurt him.

Mrs. Allbright: Oh goodness no.

Nico: Please don't kill us for being in relationships with your daughters.

Disk Wars Hulk stood in front of them.

Disk Wars Hulk: You wanna kill Ed? You go through me.

The Rabbids got in front of them as well while holding a large bazooka.

Hook: You have to admire how loyal the Rabbids are.

Me: Yeah no kidding. But Mr. And Mrs. Allbright, they are going through what every romantic relationship dreads and that is getting your approval.

Carla Wong III: Good idea. I can stay with Nico if that's all right.

Me: Sure he will need all the support he can get for this.

We sat down.

Mrs. Allbright: Would you get us some tea Horace?

Horace: Certainly madam.

He went and got us some tea. We had really good Darjeeling Earl Grey tea.

Me: (Sips) Mmm. Darjeeling Earl Grey. Very exquisite.

Mr. Allbright: Yes. We got it from England.

G1 Ratchet: Nanette and Callie were Gene Slammed in two different situations. Callie was able to figure out how to shift between forms by the time she met us while fully clothes. Nanette was naked and unable to control her transformations by the time J.D. and the others met her.

Nico: That's true.

Me: Long story on that. Nico and Gali found Callie underwater in Bikini Bottom.

Callie Allbright: It's true.

We also told them how Ed and Nanette dated and more and it was awesome.

Mr. Allbright: Wow and we're so proud of you all and Nico and Ed you have our blessings.

Nico: Thank you Mr. Allbright and it was great to see you again. Its been a long time.

Mrs. Allbright: It sure has Nico. We're so happy to see you again too.

We later left and went back to the estate. It was awesome.

Nico: (sighs in relief) That wasn't so bad, actually.

Me: Thank goodness. I'm glad. But it was REALLY AWESOME Seeing Nanette and Callie's house.

Madison Taylor: Boy it sure was.

Thundercracker: Well, you still have to visit the parents of the other girls in your harem.

Nico: (GULPS) That's what I'm afraid of.

Me: But we'll gladly support you Nico.

Nico: Thanks.

Then Xigbar, Bonz, Thundermon, Kite Man, Dodgeball Wizard, Speed Demon, Black Knight Ghost, Marluxia, Juggernaut, and Black Lance appeared.

Xigbar: Can me, Bonz, Thundermon, Kite Man, Dodgeball Wizard, Speed Demon, Black Knight Ghost, Marluxia, Juggernaut, and Black Lance go with you guys?

Nico: Yes you sure can.

Me: And you'll like the next mission I gave Nico.

Nico: We're going to the town of Glurfsburg in the world of Green Eggs and Ham.

Marluxia: Awesome!

Kite Man: Wow! I haven't read that book in a long time. Ah memories.

Me: Yep and it'll be awesome to meet Sam-I-Am and Guy-Am-I.

Nico: This will be awesome. I loved that book Green Eggs And Ham. So awesome.

Me: Me too. One of my favorites from my childhood.

Yakko: I wonder if they taste as good as Gold Eggs and Meat.

Me: I'm sure they do.

Fisticuffs: Nico, which Gene Slammer do you think you'll meet on your next rescue?

Nico: Hmm. Lets see. I'm thinking about meeting a gene-slammer for a Merlinisapien next.

Me: Cool! One of Chamalien's species next.

Shanan: Now that will be awesome to see.

Me: So it'll be one of us that has the power to go invisible like Toru Hagakure or Susan Storm.

Nico: Yep.

Toru Hagakure: It'll be awesome to see what one of Nico's rescues are like.

Ibara: It sure will Toru.

Dodgeball Wizard: That reminds me. Did you guys eat breakfast?

Me: Yeah we sure did.

Nico: We had pancakes, waffles and French Toast.

Laney: Yep.

Eli: It was awesome.

Nico: Cool.

Dodgeball Wizard: Okay good just checking.

Me: Thanks.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal, and he saw who the figure was in the vision: it was none other than Baphomet from Dungeons and Dragons, and he's here to cause havoc. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is there someone else coming after us?

Lincoln: Afraid so, Nico, and none of us are going to like it one bit: the dark energy signal I sensed belongs to Baphomet from Dungeons and Dragons, and he's here to cause havoc and destroy us.

We gasped in shock.

Nico: Uh oh, this isn't good.

Nicole Knudson: You got that right, Nico. Baphomet from Dungeons and Dragons is a dangerous and evil chaotic demon lord whose goals are to destroy all forms of law and order, and reduce life to it's most primitive and feral state.

Lincoln: He needs to be stopped and destroyed once and for all. But, we can't underestimate him: Baphomet is a skilled user of dark magic, and he has a multitude of minotaurs, ogres, and giant followers and minions. Plus, he's also served by ghour demons, a race of demons resembling burly, hairless minotaurs.

Ariande the Dark Faerie: A battle against a Dark Magic-using Demon Lord, sounds like one battle that I'm going to enjoy.

Lincoln: Along with me, Ariande, and I've also got my secret weapon to siphon and suck out all of Baphomet's powers and abilities.

Nico: That feral demon lord doesn't stand a chance, you two will really show him and his hordes of monsters and demons no mercy.

Lincoln: You bet, Nico, and I may even transform into Lincoln the Nocturnal.

Nico: Ooh, that's even better.

Tanjiro Kamado: You mean your Nocturnal Werewolf hero form? Nezuko told me about that, and I can't wait to see what you and Ariande the Dark Faerie are going to do to Baphomet, Lincoln.

Lincoln: You and the other Demon Slayer Corps members just keep your eyes open, Tanjiro, but I'm going to warn you guys: it's going to get messy.

Nico: He's right, and Lincoln really doesn't mess around, especially when it comes to feral demons and legendary monsters.

We were then off.

---

We arrived in the town of Glurfsburg. And it was really amazing.

Me: Welcome to Glurfsburg everyone.

Eli: Wow! So awesome.

Nico: Good memories just looking at this place.

Disk Wars Deadpool: (to the viewers) It's true, folks. Nico DID used to read Green Eggs and Ham as a kid.

Nico: Yep.

Jamesdean5842: I read that book myself too. So awesome and great back in my childhood.

Disk Wars Deadpool: Cool.

Bonz: What exactly is this town famous for?

Nico: The iconic chase for Sam-I-Am and Guy-Am-I to get him to eat Green Eggs and Ham.

Johnny Bravo: It was like what happened with me when Little Suzie was trying to get me to eat cookies.

Eli: Really Johnny?

Johnny Bravo: Yeah.

We walked around and we saw Sam-I-Am and Guy-Am-I.

Ren Krawler: Hi. You must be Sam.

Linehalt: And that must be Guy.

Sam-I-Am: That's right! Sam-I-Am.

Guy-Am-I: And I'm Guy-Am-I.

Nico: Team Loud Phoenix Storm at your service.

Guy-Am-I: Wow! It's a true honor.

Sam-I-Am: It sure is.

Bonz: The majority of us loved reading your tale in our childhoods.

Me: Me and Nico mostly. Actually all of us did and it was awesome back in our youths.

Eli: Same here. So awesome.

Sam-I-Am: We're honored.

Guy-Am-I: I'm glad we have childhood fans.

Me: Yeah.

Our stomachs then growled.

Me: Oh man are we hungry. Guess we forgot to eat lunch before we left.

Sam-I-Am: I got just the treat for us.

Retrax: What do you have in mind?

Sam-I-Am: Why my favorite.

He made GREEN EGGS AND HAM!

Me: Green Eggs and Ham!

Guy-Am-I: Oh no.

Me: But in the book Guy, you liked them in the end.

Guy-Am-I: That is true. That is true.

Maria: I know some more food we can eat.

Black Lance: What's that?

Maria: (gets out green fish) Green fish!

May: Wait. That isn't Beast Boy, is it?

Beast Boy: (sarcastically) Ha ha. Very funny.

Nico: (LAUGHS) That is a good one.

Yakko: Let us make some food too.

Yakko, Wakko and Dot made Gold Eggs and Meat.

Nico: Awesome.

We got to eating and the Green Eggs and Ham and the Gold Eggs and Meat were all delicious.

Me: Mmm! (Eating) Delicious.

Nico: Yeah they sure are.

Cynder: So, Sam. Has there been any trouble lately?

Sam-I-Am: Just that a Chickeraffe escaped.

Me: A Chickeraffe?

Sam-I-Am: It's like a chicken mixed with a giraffe. Also the B.A.D.G.U.Y.S. are behind it.

Guy-Am-I: It's the work of our enemy Hervnick Z. Snerz.

Me: Hmm let me see.

I pulled up his history and it was awful.

---

Hervnick Z. Snerz is the main antagonist in the first season and an unseen overarching antagonist of the second season of Green Eggs and Ham. He is Sam-I-Am and Guy's arch-nemesis while also the former's boss.

He is voiced by Eddie Izzard, who also voiced the notorious Sir Miles Axlerod in Cars 2, Dr. Schadenfreude in Igor and Burnish in Abominable. His younger self was voiced by Rob Paulsen.

When Snerz was a child, he had a pet Flemur. He claims it was his best friend, did everything together, and they were inseparable. In reality, however, Snerz was rough with his pet as he loved it too much-he constantly hugged it to the point where it could hardly breathe. The Flemur would always try to run away from him, which Snerz mistook as playing. The constant smothering of overlove forced it to leave the house with some help from Snerz's mother. When he learned it ran away, his mother lied that she left the door open by accident. Since then, Snerz never forgave his mother and the loss of his pet would be the driving force of his adult life.

Years later, Snerz is now the CEO of SnerzCo in Meepville, collecting rare animals and chaining them up behind his wall. He now has every animal except for the Chickeraffe. He enlisted the help of Sam-I-Am to break the Chickeraffe out of the Glurfsburg Zoo. However, a mishap leads to Sam losing his briefcase to Guy-Am-I.

When Snerz heard the news, he was not pleased. Eventually, he hires a bounty hunter named Goat to retrieve the Chickeraffe. When Sam arrives at the SnerzDay gala, he (distraught over Guy's reaction to Sam's double-dealing) seemingly gives the businessman the briefcase with the Chickeraffe in exchange for some bruckles. In actuality, however, he gave him a Girooster while taking the real Chickeraffe to it's natural habitat. After the Girooster goes crazy and destroys the gala, Snerz finds out he has been bamboozled "by a bamboozler" and heads for the balloon port.

Snerz arrives at the balloon port shortly after Guy tries Green Eggs and Ham. He then chases after Guy, Sam, Michellee and E.B. across a bunch of hot air balloons. E.B. then attaches her friendship bracelet to his wrist while Michellee throws hers to a flagpole, leaving the business man stuck there. Goat then falls off the balloon and crashes into Snerz.

Later, at the restaurant that Sam I Am and Guy Am I met in, Guy reads a newspaper that reveals Snerz's fate: He was taken to court and was ultimately arrested for his crimes.

Meanwhile, the Flerz that once lived on Snerz's head for many years became the C.E.O of Snerzco and is implied that he renamed the company from Snerzco to Flerzco.

---

When I was finished reading I was shocked! I told everyone what happened and what he was doing and we were horrified!

Nico: WHOA MAN! This guy is bad news.

Laney: Yeah!

Thundermon: What do B.A.D.G.U.Y.S. stand for?

Guy-Am-I: Bureau of Animal Defense - Glurfsburg Upper Yippville Section.

Me: They don't sound bad to me. So the name is misleading. It's really Snerz that is bad and they are not.

Guy-Am-I: That's right.

Nico: Sounds confusing.

RD Lana: The Chickeraffe doesn't sound all that bad.

Laney: Sounds like a really cool creature.

Fluttershy: I agree and it must be an adorable creature.

Nico: What does a Chickeraffe look like?

Sam-I-Am showed us a picture of one and it was awesome.

---

Chickeraffes are a rare and elusive species of large, flightless birds.

Biology

Chickeraffes are colorful bipeds, most notable for their segmented legs and neck, which can be extended and retracted at will; allowing them to curl up into a feathery sphere and fit into small spaces. Their feet can cling to walls and ceilings, but their small wings are useless for flight. They have a pair of ossicones on their heads, like those of a giraffe, and also have a prehensile tongue.

Their natural diet is very specific and consists, curiously, of neckties; as the jungles of Chickeraffe Island contain strange trees that bear neckties like fruits. Their disposition is generally affectionate, although they seem to have a tendency for hyperactive behavior. They also practice parental care. Despite being docile, they are by no means defenseless, and can erect their feathers to make them sharp like blades when attacked. For some reason, they are instinctively afraid of fleas.

---

Nico: Wow!

Black Knight Ghost: Who are the other members of B.A.D.G.U.Y.S.?

Guy-Am-I: They are very secretive and they won't let us divulge their names.

Laney: Oh I get it.

Me: That's understandable.

Eli: Yeah.

Magmon: Then we'll just have to go after the one member that DOES have a known name.

?: Psst.

We looked around for who said that and we saw a big blue guy with a newspaper.

Blue Guy. (Gangster talk) Hey come here.

We went over to him.

McWinkle: Name's McWinkle. I'm a member of B.A.D.G.U.Y.S.

Kite Man: I'll fly over and locate Snerz.

McWinkle: You don't have to look far. He is in that building behind you.

We saw a building called Snerz HQ.

Me: That's a no-brainer.

Nico: Yeah.

Alan: Thanks, McWinkle.

Ann: You're not a bad guy after all.

McWinkle: Thanks guys.

Nico: Awesome. We're just about ready to go after Snerz.

Speed Demon: I'll zoom inside. You guys meet me there.

Nico nodded.

ZOOM!

He was off.

Me: This is gonna be awesome.

Laney: It sure will.

Ratso: Entrance time!

Nico: Lets get him.

We went to Snerz HQ.

Snerz: (On the phone) No I will not give you the Chickeraffe!

But then the spirits of the Techno Masters of Thunder appeared.

Snerz: I'll call you back. (Hangs up)

Then they spun around and converged and then a massive vortex of tornadoes appeared and we came out of them.

Nico: Snerz you are under arrest.

Snerz: Who are you?

Nico: Team Loud Phoenix Storm and you are under arrest.

Snerz: Are you gonna turn me over to the proper authorities?

All of us: WE ARE THE PROPER AUTHORITIES!

Marluxia: We don't know who the other members of your group are. So for now, we'll just have to settle with you.

Nico: And it will be good you're going to jail.

Me: And you can kiss your animal poaching business good bye.

Laney: Yeah! You are through.

Sam-I-Am: It's time for some buttkicking!

Then Katnappe, Yenaldoshi, Samon Shakekisutanchin, Ragdoll, Griffin, Riddler, White Lightning, MetalSeadramon, Count Spankulot, and Black Manta appeared.

Nico: Katnappe, Yenaldoshi, Samon Shakekisutanchin, Ragdoll, Griffin, Riddler, White Lightning, MetalSeadramon, Count Spankulot, and Black Manta.

Katnappe: Good memories, huh?

Nico: You said it.

Me: You said it.

Yenaldooshi: I actually read the book when I joined up.

Nico: Awesome.

Samon Shakekisutanchin: I still think salmon is the best!

Me: That's cool.

Ragdoll: (to Nico) We heard you faced another version of Mr. Freeze.

Nico: We sure did.

Griffin: This is the first one in our ranks.

Me: Yep.

Wicked Washer appeared.

Wicked Washer: I also brought another of my fellow monsters with me.

Mad Mike appeared.

Me: Mad Mike. Here to turn me into a pizza again?

Mad Mike: (LAUGHS) Not this time.

Camie: He turned you into a pizza?

Me: Yep and I was a tasty one. I was made with cheese, sausage, pepperoni, Canadian Bacon, peppers, onions and ham.

We laughed at that one.

Nico: (Laughs) Yeah that was a good one.

We got the usual battles underway.

---

Starfire, Sunset Shimmer, Pipsqueak, Fire Skylanders, Hailey Timaeus, Robin, Cyborg, Beast Boy, Tara, Raven, Blackfire, Kole, Thundercracker and Skywarp VS Katnappe - Nico's Rescue and the Atlantis Dragon Gene-Slammers using their powers against an Evil Mr. Freeze

---

Katnappe was first.

Katnappe: (to Starfire) Nico's rescue was awesome as usual. The Atlantis Dragon Gene-Slammers helped out as well by using their powers against an Evil Mr. Freeze.

Starfire: It sure was most glorious to hear about!

Sunset Shimmer: Boy I thought it was awesome to hear about.

Pipsqueak: (British Accent) It sure was amazing to see.

Hailey Timaeus: I thought it was fun to show off our powers in a battle like that. J.D. said it was part of a test for an experiment for us.

Robin: It sure was awesome.

Cyborg: Boy yeah it sure was cool.

Beast Boy: I thought it was awesome to see how the Atlantis Dragon Gene-Slammers did.

Raven: Making new Duel Monster Fusion Ideas like this is really

awesome.

Tara: It was really cool.

Blackfire: I thought it was cool too.

Kole: And now everyone will see how it works in the usual battles.

Katnappe: This will be awesome to see. Lets do it!

Hailey Timaeus: Oh it'll be awesome. I've always wanted to do this one. I summon my Dragon Self and I'll merge him with Master Hyperion!

She summoned The Eye of Timaeus and merged him with Master Hyperion and they formed a new monster! It was a glowing fire version of Timaeus and he had wings made of sunlight and fire and he had the 9 planets Orbiting around him! He was HYPERION SOLAR SYSTEM DRAGON!

Hailey Timaeus: Meet Hyperion Solar System Dragon!

Katnappe: Wow! That is amazing! That one is a cool one!

They fired waves of fire and elements and energy and smashed her down.

Starfire: Oh glorious!

Sunset Shimmer: That was amazing!

Seto Kaiba, Mokuba, Noriko Kaiba the Blue-Eyes White Dragon Gene-Slammer, Joan Critias, Rarity, Sweetie Belle, Water Skylanders, Penny, Cody, Bianca, Bernard, Brawl & Chain and Fisticuffs VS The Yenaldoshi - Lincoln's Rescue

---

The Yenaldooshi was next.

Yenaldooshi: (to Kaiba) I heard Lincoln faced the Lemon Brook

Lumpers in his rescue. How was it?

Seto Kaiba: It went really well and Lincoln and everyone beat those lunkheads into nothing as well as pulverize another set of Kankers for heckling the Cobblers.

Fluttershy: I think she has a really amazing shot.

Tornado Bolt told him about what he did.

Nico: It sure is, Chloe. So, can you tell us why you have a really horrible history with that three butt-cheeked, ugly, smelly, mutant cheapskate, Flip?

Chloe Terryington: You won't like it, Nico. One day, Lincoln and I, along with the rest of the Dark World Goth Girls were hanging out, but then, I heard something: we turned around, and we saw a man and he had a gun in his hand, and he was about to shoot Lincoln. He fired the gun, but Lincoln caught it, and I shot an arrow into his shoulder, and not only did it hit him and disarm him of his gun, it also pinned him to a wall. We ordered him to tell us why he tried to kill Lincoln, we soon found out the one who hired him was Flip, Royal Woods' three butt-cheeked, ugly, smelly, mutant cheapskate, and he hired him to kill Lincoln, his family, his friends, the Casagrandes, and J.D. for ruining all of his scams again. We called the cops, and after we told Mr. and Mrs. Loud what happened, they went to the prison where Flip was thrown in, and they brutally pulverized that cheapskate. Ever since then, I have a really horrible history with Flip, and I hate that cheapskate so much.

We were shocked by the revelation.

Nico: Now, Flip's gone too fucking far!

Lincoln: Yeah, he did, but that idiot doesn't realize that I'm immortal, along with all of us, mainly because he's too stupid and too wrapped up in wanting revenge on us to even realize the details.

TLPS Mr. Wolf: When the next humiliation session starts, remind me to have Flip cursed for eternity, I made a new curse for just such an occasion.

Nico: Really? We can't wait to see it in action.

Me: Same here.

MetalSeadramon: Of course it was.

Black Manta: The BADGUYS should play nice from now on.

Count Spankulot: If not, they will be in for a spanking!

Nico: That is for sure!

Eli: Boy we sure did and they were awesome!

?: (Demonic Voice) Soon, I will destroy all forms of law and order, and plunge this pathetic world into eternal chaos!

Brittney Knudson: I knew there's no mistaking that voice from anywhere. You can come out now, Baphomet.

A massive 12'0" figure with a goat's head on top of a human body came out, and it was none other than the Demon Lord from Dungeons and Dragons, Baphomet.

Brittney Knudson: Baphomet, hated Demon Lord of Minotaurs and Scourge of Law and Order, I knew you'd one day come out, but now, this shall be your last day alive.

Ariande the Dark Faerie: Brittney's right, and now, you shall pay for the crimes that you committed against the world, Baphomet.

Suddenly, Ariande the Dark Faerie's red eyes turned neon red, and she was surrounded by a purple energy aura with darkness and dark faeries, she got out her massive Neopia's Magic Staff of Magical Justice, and as she approached Baphomet, she left purple energy, darkness, and dark faeries with every step.

Ariande the Dark Faerie: Baphomet, you have caused far too much pain and suffering to so many innocent people and all for your desire to desire to destroy all law and order, and for that, you will pay the ultimate price.

Suddenly, Ariande the Dark Faerie was surrounded by a massive vortex of purple energy with darkness surrounding it, there was a dark faerie flying around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Ariande the Dark Faerie emerged, but she was changed forever.

Ariande the Dark Faerie grew to 6'5" in height, she had the body of a goddess and she has red highlights in the bangs of her long flowing purple hair, she has neon red eyes and a purple energy aura with darkness and dark fairies surrounding her, she has a dark faerie with the Dark Kanji in its hands emblazoned on her forehead, she has on dark faerie earrings with red gems for eyes and holding the Dark Kanji in its hands, she also has a dark faerie with red gems for the eyes and the Dark Kanji in its hands for the second pendant, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with purple crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold lightning bolt links, along with her black choker with spider brooch with red gem in it. Ariande the Dark Faerie has on a long long-sleeved purple dress with red phoenix on it, she has on purple high heels, and a long purple coat with darkness and dark faeries on the coattails, and on the back is a dark faerie with a crescent moon above its head. Ariande the Dark Faerie's bat-like fairy wings grew much bigger for her new body, and they have a dark faerie, a Thunderbird, a Phoenix, and an Angel in them, Ariande the Dark Faerie has on a Ring of The Phoenix with purple gem on her right ring finger and a Star Sapphire ring on her left ring finger.

Ariande the Dark Faerie has her massive Neopia's Magic Staff of Magical Justice in her right hand, Ariande the Dark Faerie has on her new large gold cuff Bracelets of the Champions of The Universe with purple gems on her wrists, gold Belt of Elemental Bravery with a gold phoenix head with yellow gems for eyes and a large purple gem in its open mouth for the belt buckle, large purple Spellbook of The Gods and The Universe and large purple Spellbook of The Elemental Gods on her left hip and Eater of Sins revolver holstered on her right hip. There's a red kanji below the dark faerie that said, "Ariande the Dark Faerie, Good Dark Faerie of Neopia, Vanquisher of The Darkest Faerie, Dear Friend of Neopia's Many Heroes, Loving Future Wife of Lincoln Loud, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Dark Faeries and Darkness."

アリアドネダークフェアリー ネオピアのグッドダークフェアリー、ダークフェアリーのヴァンキッシャー、ネオピアの多くのヒーローの親愛なる友人、リンカーンラウドの愛する未来の妻、悪の殺し屋、狂った、殺人、冷酷、そしてサディスティックな野郎、驚くべき強力な教師の驚くべき強力な学生、と闇の妖精と闇のマスター

Ariande the Dark Faerie has transformed into SUPER ANGEL INFINITY TRUE LOVE DARKNESS FAERIE OF NEOPIA JUSTICE AND MAGICAL LOVE!

We were amazed by Ariande the Dark Faerie's Super Angel Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Baphomet saw it, he fell into a rage and he summoned his army of minotaurs, ogres, and giant followers and minions, along with ghour demons to attack her, but Ariande the Dark Faerie fired a powerful barrage of purple energy blasts, darkness blasts, and dark faeries, and they destroyed Baphomet's army of monsters and demons.

Nico: Now, that's awesome.

Lucy Loud: Gasp, Ariande the Dark Faerie has become a true Angel of Darkness and Dark Justice, and not even a demon lord like Baphomet stands a chance against her.

Lincoln: Wow, Ariande, you look beautiful. How do you feel?

Ariande the Dark Faerie: (Divine Echoing Cosmic Voice of the Dark Faerie and Divine Love) **I feel incredible, Linky. Now then, shall we deal with Baphomet once and for all?**

Lincoln: (Smiles) With pleasure, Ariande.

Suddenly, Lincoln let out a growl as the 7'5" tall, handsome, and extremely muscular man's black pupils in his deep sapphire blue eyes turned into slits, his canines grew into sharp fangs, his nails then grew into sharp claws, large white pointed werewolf ears grew out of his head, and then, his massive and powerful muscular body was covered in white fur and his chest and abs were also covered in white fur, his face elongated into a sturdy white wolf's snout, and his massive, long, and powerful eleven white werewolf tails with large black wolf heads sprouted out, and he let out a loud howl. Lincoln transformed into Lincoln the Nocturnal, and he unholstered his massive Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he also transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Ariande the Dark Faerie.

Lincoln: (Divine Echoing Beastly Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Your days of causing havoc and chaos are over, Baphomet.**

Lincoln and Ariande the Dark Faerie went after Baphomet, and they fired powerful blasts of rainbow energy, purple energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Faeries at Baphomet, and they exploded with incredible power as they hit him. Then, Lincoln attacked him with his massive Cosmic Storm Sword of Universal Hope, Elemental Bravery, and

Unbreakable Eternal Bonds, along with his razor-sharp claws, and left painful scars on Baphomet, and Ariande the Dark Faerie fired powerful purple energy blasts from her staff, and it hit him.

Then, Lincoln sent his eleven massive and long white werewolf tails with eleven slobbering black wolf heads with glowing blue eyes on the tips at Baphomet, and they bit down on his arms, legs, and sides of the demon's stomach, and we saw the wolf heads slowly draining, siphoning, and sucking out all of Baphomet's powers and magic from his body, and we saw red energy visibly flowing down from their heads and necks and into Lincoln, as his rainbow energy aura with elemental forces, Thunderbirds, Phoenixes, Buffalos, and Angels was flaring up even more, as he gained an immense power and energy boost, and he made Baphomet's powers his own, and we also assimilated Baphomet's powers.

Then, Lincoln leapt up high into the air, and he slashed off Baphomet's head, killing him and then, as soon as Baphomet's spirit appeared, Ariande the Dark Faerie banished him to the Black Gates for good, and Lincoln did the same with the rest of Baphomet's army of monsters and demons. We cheer wildly for Lincoln and Ariande the Dark Faerie as they holster their weapons and power down and Lincoln changed back, and Ariande the Dark Faerie's new body, clothes, weapons, jewelry, and massive bat-like fairy wings are permanent.

Ariande the Dark Faerie: That's it for that evil Demon Lord and his army of monsters and demons. Thank you for helping me with taking down Baphomet, Linky.

Lincoln: (Smiles Warmly) You're welcome, Ariande.

Suddenly, Ariande the Dark Faerie wrapped her arms around Lincoln's waist, and it brought an atomic blush to Lincoln's face, as he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into an embrace, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Ariande the Dark Faerie's face, they kissed passionately as Ariande the Dark Faerie wrapped her left arm around Lincoln's wider and muscular back, and she placed her left hand on Lincoln's massive and wide right pec, and right behind them was a Thunderbird, Phoenix, Angel, and Dark Faerie flying in the air, and we also saw a herd of Buffalo running across the field, and the display of the elemental forces behind them, and we cheered for them.

Nico: Now, that's what I call one epic battle between one of the Dark Faeries of Neopia and an Angel of Universal and Elemental Justice and Hope against one of the Demon Lords from Dungeons and Dragons.

Me: You said it, Nico, and Lincoln and Ariande the Dark Faerie really destroyed Baphomet and his army of monsters and demons.

Lincoln: Now, we won't have any trouble from Baphomet ever again.

Tormund Ellis: What Baphomet was about to do would've brought an end to all sense of law and order to the world, and it would've led to the end of mankind, you and Lady Ariande did an amazing job in taking down Baphomet, Lincoln.

Lincoln: Thanks, Tor.

Me: This was awesome. Mad Mike can you uhh.

Mad Mike: You got it.

He turned me into a pizza and I was a tasty pizza.

Me: Who wants to lick my face?

Misty and Camie and Celica ate some pieces from me and everyone laughed.

Sam-I-Am: (To the viewers) This was an awesome adventure! Hope you all like Green Eggs and Ham and more.

Nico: We all do. Great job everyone! We did great here. Lets head home.

We went back home and enjoyed the rest of the day and went to sleep. We had a great time.

Another awesome fanfic done.

Green Eggs and Ham was a great story from my youth and it was awesome. I loved it back in my childhood. The first part was for the Sky High movie. An indirect sequel for it. Also the second part was for the Ed Edd N Eddy episode Tight End Ed and that one aired on August 28th, 2006 and it was awesome and funny. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, braedencarnes22, Darkhai, vinjedi1995, Drako1234658, Nflemingful, Etstheclarencefan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Thanks guys. Nico's next rescue is gonna be a really awesome and cool one as Nico, Ets, Martian Manhunter, me, Mike Mazinsky, Eli, Camie, Himiko, Ibara, Sirius, Tsuyu, Ochaco, Lincoln, Lana, Lola, Lisa and Lily go to the island of Albonquetine and we're going to meet Lu, Og and all the people that live on the island. And we're going to battle pirates there and we're going to meet a Merlinisapien Gene-slammer named Emily Lola Sarsaparilla. Emily Lola Sarsaparilla, no relation to Rufus Xavier Sarsaparilla and Rafaella Gabriella Sarsaparilla, is one of Nico's friends from Language Classes and she knows how to speak in Icelandic, Norwegian, Spanish and French. She is also Nico's partner in stopping jewel heists and drug operations. She is now a Merlinisapien Gene-Slammer. Also Ets is going with us because tomorrow is his birthday and it's to help get things ready for his party. The next rescue for Lincoln is gonna be in the Time Squad Episode called The Prime Minister has No Clothes! Cover your eyes everyone because Lincoln and his group are going back in time to stop Winston Churchhill from turning all of World War II into a Nudist Camp! It'll be like in the episode and it'll be funny! Also we're going to meet a Reign-Beaux, Overlord of Dark World gene-slammer named Rhonda Jeckyl and she is the descendant of Dr. Henry Jeckyl. But no she does not have a split personality. Also Ets is going on that rescue too. For tomorrow's chapter we're going to the world of Mobile Suit Gundam and we're going to embark on an awesome Gundam Fight as we destroy The Principality of Zeon! We're going to kill ALL OF THEM!

See you all tomorrow

# Birthday Gundam Battle

HAPPY 20TH BIRTHDAY TO ETS

Flying over the ocean was Nico, Ets, Martian Manhunter, me, Mike Mazinsky, Eli, Camie, Himiko, Ibara, Sirius, Tsuyu, Ochaco, Lincoln, Lana, Lola, Lisa and Lily and we were going to the Albonquitine Islands.

Me: Mike this is gonna be so awesome! I can't wait to see the islands that you went to.

Camie: Boy these islands must've been beautiful.

Nico: Thanks for coming with me, J'onn.

Martian Manhunter: It's my pleasure Nico. Going to these islands will be a most amazing thing.

Ets: It sure will be cool! And I'm honored to go with you guys on your rescue. But is there a reason why you wanted me to go?

Me: Not telling. It's an special surprise.

Nico: J'onn, the day you landed on Earth pretty much started the Justice League.

Martian Manhunter: Yes it sure did.

Me: We're really sorry your race got destroyed by those monsters.

Eli: Yeah that was horrible!

Ets: Boy I heard about that! That was awful!

Lana: Yeah no kidding!

Lola: That was terrible!

Martian Manhunter: It was a calamity.

Me: It was.

We then saw that we arrived.

Me: We're here.

Mike Mavinsky: Yep this is it.

We arrived at the Albonquitine Islands.

Me: Wow! You went to this island Mike? All the way out in the middle of the Southern Pacific. How scary.

Nico: I hope Lu and Og are okay after the Green Goblin of this Earth tried to kill them.

Mike Mavinsky: I have a feeling they are.

We landed and we saw a small village and it was home to the castaways of the island. It was awesome.

Me: Wow. So these are the people that live here. How awesome.

Mike Mavinsky: Yep these are them.

We walked around and we met the natives:

---

Lu Bellissimo Albonquetine (voiced by Nancy Cartwright) - Lu is a 10-year-old self-proclaimed princess of the island, Og's cousin and Alfred and Margery's niece is characterized by her loud and arrogant nature. She continually exploits Mike, Og, and her pet turtle, Lancelot. Og, being sagacious to a fault, frequently obliges to her will, even at the cost of her own well-being. Though she has a habit of tormenting everyone, she usually learns a lesson in humility by the end of each episode. Lu's unruly behavior is most likely a result of poor parenting on the part of her father, Wendell.

Lancelot Turtle - Lancelot is Lu's long-suffering pet land turtle. She dresses him up in gaudy outfits, forces him to perform weird and dangerous stunts, and often makes him carry Lu on her back. For this reason, Lancelot is always running away from Lu, which is why she keeps him on a leash. Despite this abuse, Lancelot tends to be the savior of Mike and the Islanders (especially Lu) when they're in trouble. Like the other animals on the island, Lancelot tends to exercise more common sense than the humans. Unlike the members of the Philosophical Society, he does not speak (except for a "squeaky" type scream when Lancelot's in danger or a snickering laugh and in "Night of the Living Relatives" where she shouted "BOO" to scare the daylights out of Lu).

Og Albonquetine (voiced by Dee Bradley Baker) - Og is a 7-year-old member of the Albonquetines, Lu's cousin and Wendell's nephew, has a predisposition to scientific theory and discovery. His inventions gone awry help develop the plots of many episodes. He is close friends with his three pets, which are a pig named Mrs. Pig (voiced by Kath Soucie), a goat named Mr. Goat (also voiced by Dee Bradley Baker), and a porcupine named Spiney Porcupine (voiced by Martin Rayner) who are capable of speech and well learned in philosophy. Together, they form the Philosophical Society, discussing such "great thinkers" as Nietzsche, matters of existentialism, and the relevance of time. Og enjoys experiencing new things. To name a few adventures, Og made a video game for himself in "A Boy's Game" which he got hooked on during a flood, performed nude in a fashion show in "Hot Couture" (possibly a homage to "The Emperor's New Clothes"), and made jujubombs in an episode of the same name.

Joshua Wendell Albonquetine (voiced by S. Scott Bullock) - Wendell is Lu's father, and the Governor of the Island. He is wiry, weak-willed (as seen when he ate so many sweets that he returned into his former, "pre-workout" shape in the course of a few hours), and is seemingly unable to control his daughter or of delivering any sort of punishment to her. He is then apt to start crying. He has been the island's Governor for many years. This was misinterpreted by Mike, who thought he was an American-esque governor, which led to an "election" on the island, not realising that the Islanders came to the island from England (and, as seen in the episode with "King Bob", they hold the "King of England" in great respect). He has a large collection of tea cosies, and speaks in a squeaky falsetto similar in style to Kenneth Williams, although whether this was intentional or not remains uncertain. His wife is never seen or mentioned.

Alfred Albonquetine (voiced by Martin Rayner) - Alfred is Og's father, and Margery's husband. He is eccentric and charismatic, and also has a noticeable speech impediment preventing him from pronouncing his Rs. He fancies himself to be the island's hunter, using suction-cup arrows to persistently hunt a wombat named Woolly Wombat. It appears that the island's inhabitants are vegetarian (though clams and chicken soup appear to be fair game), so one may wonder what happens if Alfred ever catches Woolly (including Alfred himself). It was also revealed in "The Great Snipe Hunt" that Alfred is oblivious for the fact that Og does not want to go hunting with him.

Margery Albonquetine (voiced by Kath Soucie) - Margery is Og's mother and Alfred's wife, who fancies herself to be an artist and writer. Her arts including painting, sculpting, and cooking. The majority of Margery's artwork has to do with the island's ancestors. For this, she often seen working on a sculpture of several ancestors on the side of a mountain, reminiscent of Mount Rushmore. Every once in a while she will also be found painting food, and often found cooking it. Margery is the island's chef, preparing meals and tea for everyone on her side of the island, as well as preparing buffets and elaborate meals for special occasions. In writing, she is something of a historian. Throughout the series she is working on a book about the island's history titled "Cuzzlewits End". Margery is very level-headed compared to Alfred's eccentric behavior. An example of this is shown in "Scuba Dooby Doo" when Alfred valiantly offers to protect everyone from the mailman whereas Margery plans on serving tea and crumpets.

Old Queeks Albonquetine (voiced by Corey Burton) - Old Queeks is the island elder and witch doctor whom the Islanders seek advice from. He is also seen to be able to perform a kind of magic, summoning dead spirits. He is often opposed to Mike's innovative ways, but sometimes gets caught up in the modern crazes to hit the island. Old Queeks claims to be psychic and he claims to "know all and see all". In one episode, Mike becomes suspicious of Queeks and decides to investigate him. She climbed up the opposite side of the mountain and found that Old Queeks was not psychic but that he spied on the Islanders through a telescope. Even after Mike informed the Islanders about Old Queeks' telescope, they still held onto their beliefs that he was psychic and communicated with a higher power(s). In some respects, this is truth enough. He can see all with a telescope, and he did bring ghosts to the island to plague Mike for annoying him. He lives alone on the top of a mountain in a cave, and enjoys using "bat products". This includes everything from toothpaste to snacks.

Og: Mike welcome back!

Lu: Oh great action girl! And who are all your friends this time?

Mike Mavinsky: Team Loud Phoenix Storm.

Me: Awesome to meet you all.

Nico: Some of us visited you guys before.

Eli: Yeah it was on another rescue.

Lana: But it's awesome to see you all again.

Me: It sure is.

Og: Same here. Thanks for saving us from the Green Goblin.

Me: Glad we could do it Og.

Margery: We are most forever grateful for it.

Lu: Yeah yeah.

Me: Sounds like you need something sweet to snack on.

I fired a beam of energy and it formed a tree with candy on it.

Me: There.

Nico: Has there been any trouble since then?

Og: The pirates are back and are after our treasure even though we don't have any.

Mike Mavinsky: Those pirates are back? Oh man.

Me: Sounds like these pirates have all given you trouble before.

Eli: Yeah.

Mike Mavinsky: Yeah. They are the pirates that got everyone stranded here on this island.

We gasped in shock! Except for Martian Manhunter as he hardly ever shows any emotion. Also Mike told us all about them.

Three pirates living nearby are descended from the pirates who caused the Brits to be shipwrecked in the first place, but were then shipwrecked themselves. Their leader is named Captain (voiced by Brian George) with two wooden legs and two eye patches. Despite these handicaps, he seems to get around without any problems. The other two pirates are called First Mate (voiced by Martin Rayner) and Bos'n (voiced by Corey Burton). The pirates sometimes attempt to catch and eat Lancelot, but are always foiled by the three children. In one episode, Mike invited the pirates to a Thanksgiving type feast but with only one catch, that the three Pirates had to dress up as Mike's (girl)friends visiting from Manhattan without causing concern with the others (with the exception of Lancelot who saw through their disguises). The pirate captain is known to force his men to put on blindfolds, so he can sneak into his treasury and put a rabbit puppet named Bunny on his hand, engaging in conversations with it, speaking for it in a squeaky voice. In its first appearance, the rabbit puppet's mouth moved as the captain spoke. In its following appearance, the mouth stayed still.

We were shocked.

Nico: Oh man! These guys are bad news.

Lola: And they deserve a nasty buttkicking!

Martian Manhunter: These pirates shouldn't be a problem.

Me: But just in case, we'll be ready for them.

Eli: Yeah!

I then saw something on the ground.

Me: Look here.

We saw footprints. They weren't like anything we've seen.

Nico: Footprints.

They looked lizard-like.

Nico: Randy?

Me: I don't think so. Randy's footprints are more salamander like.

Nico: Oh.

Me: The footprints are heading to the ocean.

Mike Mavinsky: That's the path where the pirates are at.

Eli: The Force is telling me that they are there.

Lu: As long as we get rid of those pirates for good.

Og: I agree.

Me: By the way how long have you all been stranded out here on this island?

Margery: We were all here for 8 years now.

Nico: Whoa! Don't you all miss the city life?

Joshua: Yeah I suppose it has been a while.

Nico: After this, you can come to Gotham Royal York with us.

Alfred: Oh we would like that. It'll be great to get back to city life.

Me: This island was really cool for you though and Mike did teach you all about the city life. She is a hero in that.

Mike Mavinsky: Thanks.

Me: Lets get rid of those pirates. First lets build you all some weapons.

Nico: Time for our blacksmithing skills to be put to use.

We pulled out some metal and got to work and we made spears, swords, axes and more for them.

Me: There. Lets get going.

We were off to find the pirates.

We found them on another island located 200 yards away.

Me: Wow they are all the way over there.

Nico: For us, it'll be 200 kilometres away.

Me: 200 kilometers is a really long ways. Luckily I have an easier way. Watch this.

I punched the ground and formed a big and long land bridge that lead to the island.

Nico: Wow! Very clever.

Me: Tara taught me that one.

Eli: Awesome.

Ets: Now we can get them.

Me: Ladies and gentlemen start your pitchforks!

We went to the island and then we had our swords ready!

Nico: Avast, ye mateys!

Eli: Time for ye sacks of whale vomit to get off this island!

Lu: YEAH!

Captain: Come and make us laddies!

Me: With pleasure!

But then invisible punches started flying. They were pulverizing the pirates all over!

Me: What the?

Captain: No, please wait. [grunting as more invisible punches hit him and the pirates and an elephant sound is heard when the pirate's heads are hit. They are being thrown into the air and on the ground, then given a wedgie] No, please, have mercy! [The pirates are all kicked into the background and they landed into the ocean and sharks came and ate them!]

Me: Whoa!

Nico: Randy, if you wanted to come, you could've just asked.

Eli: Randy is not here.

Lu: Did you guys do that?

Me: No we didn't do anything. In fact we didn't move our hands.

?: That was me.

We looked to find where that voice came from.

Me: Uh who said that?

?: Over here.

I turned on my Infrared Vision and I saw that it was a Merlinisapien!

Me: A Merlinisapien!

It became visible.

Nico: Whoa! So it wasn't randy!

It reverted back and it was a girl with purple hair and purple clothes and green eyes.

Nico: Emily Lola Sarsaparilla!

Emily Lola: Awesome to see you again Nico.

Eli: Wow! That was awesome!

Ets: Yeah you showed those pirates what for without them seeing you.

Emily Lola: Aw it was nothing.

Me: Are you related to…

Emily Lola: (Laughs) No everyone thinks I'm related to the Schoolhouse Rock characters Rufus Xavier Sarsaparilla and his sister Rafaella Gabriella Sarsaparilla.

We laughed.

Ets: That is coincidental.

Nico: We should visit the world of Schoolhouse Rock one of these days.

Me: Good idea Nico. Good memories. Lots of awesome and educational stuff there.

Eli: Yep.

Me: I learned it all from that. Grammar, Math, History, Money, Science and more. It was fun.

Lola: Great video series.

Emily Lola: I know. And Rufus Xavier Sarsaparilla governed Pronouns.

Me: Awesome.

Martian Manhunter: What is your most favorite memory from Nico?

Emily Lola: Well I have a lot of them but my favorites come from language classes.

Eli: Cool what languages do you know?

Emily Lola: Icelandic, Norwegian, Spanish and French.

Nico: Yep.

Me: Cool!

Emily Lola: Yeah. Those are awesome languages. But my favorite moment is when me and Nico were walking to the cafeteria and we found a bully picking on some nerds and we smashed his skull in.

Nico: Oh yeah! He had really bad stupid brain damage from that.

Lola: Cool!

Lily: Serves him right.

Nico and Emily hugged.

Nico: I really missed you.

Emily Lola: Me too Nico. Me too.

Lana: So awesome.

Nico: Yep. Mike lets get you and your friends here to Gotham Royal York.

We beamed the Albonquitine Islands to GRY and it was awesome. It was gonna take a while for them to get used to it.

Nico: Ets, we still need you to not come to the Estate for a few more hours!

Ets: Why?

Me: It's a surprise. So you're coming with us on our Ambassador Mission.

Ets: Awesome! It'll be an honor to meet the Kamen Riders.

Eli: Yep.

After Nico's rescue in the Albonquitine Islands, Lincoln, Me, Nico, Eli, Ets, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, and Danny Phantom are heading to Great Britain in 1941 during World War II, and not only is Lincoln going to rescue the eight girls there, but we're also going to stop Winston Churchill from turning all of World War II into a Nudist Camp!

We were wearing blind-man glasses for this one and Lincoln closed his Third Eye and we stayed as a group, and Lincoln also called Carol to join us, just in case Petra shows up.

Lincoln: So, our rescue's taking place in Great Britain during World War II, and I know what we're going to do here, not only am I going to rescue the eight girls there, but we're also going to stop Winston Churchill from turning all of World War II into a Nudist Camp!

Nico: You got that right, big guy. And good thinking having us wear blind-man glasses and having us stay as a group.

Lincoln: When the Time Squad told us about this mission, I had to go prepared for this one, Nico. And I want to thank you and Carol for joining us, Danny.

Danny Phantom: You're welcome, Lincoln, and I know why you also called Carol here: just in case of Petra Fina showing up here.

Me: That's right, and we haven't had a Time Squad mission in a long while.

Eli: You got that right. Hmm, Lincoln, can you cover up all the nude people running loose in London?

Lincoln: On it, Eli.

Ets: This is gonna be awesome going on a mission for Time Squad.

Lincoln fired a barrage of spheres of darkness, and covered the people of Great Britain up, along with Winston Churchill, and that also impressed the Dark World Goth Girls.

Nicholette Torrington: Wow, that was so awesome and creative, Lincoln.

Lincoln: Thanks, Nicholette. And that makes things a lot easier now.

Lincoln took off his blind-man glasses, along with the rest of us, and his Third Eye of the Buddha on his forehead opened up.

?: HELP!

Suddenly, Lincoln heard the sound of eight girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye of The Buddha, and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the eight girls, but they've been cornered by Winston Churchill, who's now been covered up by the sphere of darkness Lincoln fired.

Lincoln: Guys, I found the eight girls, but they've been cornered by Winston Churchill, who's now been covered up by the sphere of darkness I fired.

?: Time to fix that nudist's big mistake and fix history!

Suddenly, we saw Reign-Beaux, Overlord of Dark World appear

before us.

Lincoln: That voice, I knew it was you, Rhonda Jeckyl, but we'll have to talk later, we got to put a stop to this nudist.

We rushed on over, and Lincoln fired powerful rainbow energy balls at Winston Churchill, and allowed the eight girls to get away. Then, Lincoln played the recorded footage since we had arrived in Britain, until he asks who "the fellow with the gigantic butt" is. Lincoln informs Churchill that the "the fellow with the gigantic butt" in the movie is himself, causing him to be horrified after he realizes what he looks like naked. Embarrassed, Churchill declares his previous stance on nudity to be "indecent" and immediately searches for any article of clothing to wear, demanding that FDR and Stalin do the same.

The mistake was fixed, and we cheered wildly as we return back home. But, strange enough, there's been no sign of Petra Fine until Lincoln saw the message she left, she said that she couldn't go to Great Britain, and she was horrified at the sight of the nude people in Great Britain, and she had to go take a shower just to get that image out of her head.

Lincoln: Well, that's another mission and rescue accomplished, and we fixed Churchill's mistake. (To Rhonda Jekyll) And it's so good to see you again, Rhonda Jekyll.

Rhonda Jekyll reverted back to normal, and she's a beautiful 17-year-old girl with long flowing red-orange hair, green eyes, she's tall at 6'5" in height, she had the body of a goddess, she has massive red-orange angel wings, thanks to reigning in the power of Reign-Beaux, Overlord of Dark World, and she's dressed in a sleeveless red blouse, sleeveless red top, red plaid skirt, red pants, red stockings, red high-heeled sneakers, and long red-orange sleeveless trenchcoat with darkness on the coattails, and Reign-Beaux, Overlord of Dark World on the back.

Rhonda Jekyll: You too, Lincoln, it's been a long time. And it's also good to see you again, Nicholette, Giselle, Scarlet, Silvia, Renee, Helena, Elizabeth, Selene, Zennia, Jackie, Laniya, Camie, Bertha, and Chloe.

Nicholette Torrington, Giselle Harrington, Scarlet Rosenburg, Silvia Excelsior, Renee Ravenclaw, Helena Hufflepuff, Elizabeth Gryffindor, Selene Slytherin, Zennia Nikolaevna, Jackie Wren, Laniya Guillermo, Camie Nicholetta, Bertha Sellington, and Chloe Terryington: You too, Rhonda.

Lincoln went up to Rhonda Jekyll and they hugged, and Rhonda Jekyll's also very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she's also felt just how strong he's really become.

Lincoln: It sure has been a long time, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then.

Rhonda Jekyll: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Rhonda Jekyll, she's another of my Guardian Angels, and she's the fifteenth member of The Dark World Goth Girls, and get this: she's the descendant of Dr. Henry Jekyll and she's also a a smart scientist, but she's not like her ancestor and doesn't have a split personality.

Nico: Phew, that's a relief. We've already had to deal with Mr. Hyde more than once after we freed Dr. Jekyll from him.

Rhonda Jekyll: That's good to hear, and there's something else I also have to tell you guys: I have a really horrible history with the figure-skating losers, Jacques and Josee.

We gasped in shock.

Lincoln: We'll have to hear about that later. Oh, and I got you a little something, Rhonda.

Lincoln gave Rhonda Jekyll a large Reign-Beaux, Overlord of Dark World-themed sword with Reign-Beaux, Overlord of Dark World etched on the 6'10" massive, wide, double-edged red-orange blade, large red-orange angel wings for the crossguard, large red-orange gem embedded in the rainguard, longer black handle, and large red-orange gem with black angel wings surrounding it for the pommel.

Rhonda Jekyll: Wow, I love the new sword you made for me, Lincoln.

Suddenly, a Thunderbird Necklace of Eternal Love appeared on Rhonda Jekyll's with red-orange gems on the gold lightning bolts links and red-orange crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Rhonda Jekyll: (Surprised) Whoa, is this?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're part of my harem and one of my many future wives, Rhonda.

Rhonda Jekyll had a smile on her face and tears coming from her eyes, as she wrapped her arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around her waist, and he leaned down and kissed Rhonda Jekyll on her lips, and she returned it, and we cheered for them. Then, we went up to the eight girls, and when Lincoln saw them, he immediately recognized them. The eight girls are Carla the Dark Elf from Don't Hurt Me, My Healer!, Kofune Mio and Kofune Ushio from Summer Time Render, Narata Ai, Watanabe Sarasa, Hoshino Kaoru, Nakayama Risa, and Nojima Hijiri from Kageki Shojo!

Lincoln: Oh wow, it's Carla the Dark Elf, Kofune Mio, Kofune Ushio, Narata Ai, Watanabe Sarasa, Hoshino Kaoru, Nakayama Risa, and Nojima Hijiri.

Nico: From Don't Hurt Me, My Healer!, Summer Time Render, and Kageki Shojo!, awesome.

Lincoln: Are you girls okay?

Carla the Dark Elf: Yes, we're okay, thanks to you.

Then, when Carla the Dark Elf and the other seven girls saw who it was that saved them from Winston Churchill, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large orange Spellbook of The Gods and The Universe, large orange Spellbook of the Elemental Gods, and large electric blue Spellbook of the Thunderbird holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive and indestructible deep sapphire blue angel wings with stars and blue nebulae reflecting on them with rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, and Buffalo on them and with hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large gold buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanjis "Savior of The Loud House, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, Founder of Team Loud Phoenix Storm, The Unifier of The Three Kingdoms, and Destroyer of The House of Damaskinos" on the left leg, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large deep sapphire blue gem in the shape of a Thunderbird on top of a silver Buffalo head with the Thunderbird and Eternity Kanji on his neck and across his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, a large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had eight large orange orbs orbiting around his legs, and circling around

his feet on the floor are eight golden crosses with angelic runes.

Carla the Dark Elf: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made seven clones of himself, and he and the seven clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Carla the Dark Elf: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, eight Thunderbird Necklaces of Eternal Love appeared on the necks of Carla the Dark Elf, Kofune Mio, Kofune Ushio, Narata Ai, Watanabe Sarasa, Hoshino Kaoru, Nakayama Risa and Nojima Hijiri with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We told everyone what happened in Great Britain, and everyone had to cover their eyes when they saw that everyone in Great Britain, and the villain we went after was Winston Churchill.

But, when Lincoln showed what he did in covering everyone up with spheres of darkness and showing the footage of what happened when we arrived in Great Britain, and it led to Churchill realizing his big mistake and ending that, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Rhonda Jekyll have a lot of catching up to do, now that she's back.

Teresa: Now, that was just disgusting. But, that was some quick thinking of you to fire the spheres of darkness to cover the people of Great Britain up, Lincoln.

Lincoln: Thank Eli for that one, Teresa.

Lori: Plus, we didn't run into Petra Fine, because she couldn't stand to see everyone running around nude.

Carol: Though I couldn't blame her, running around in the nude, that's just plain wrong.

Nico: Big time wrong, Carol.

After that funny nude rescue in Great Britain, we were training intensely in the local gym and not the one at the Estate, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Rhonda Jekyll saw Lincoln working out like crazy, she had an atomic red blush on her face.

Rhonda Jekyll: Whoa, I was right that Lincoln has really grown to be a 17-year-old 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Rhonda, and now, I can also defend myself, and I've also gotten smarter as well.

Rhonda Jekyll: That's incredible.

Nico: It sure is, Rhonda. So, can you tell us why you have a really horrible history with Jacques and Josee?

Rhonda Jekyll: You won't like it, Nico. You see, I've hated those two figure-skating sore losers for a long time. When I was only fifteen, my parents and I were coming home after our big night at the movies, but then, we got ambushed by Jacques and Josee, and they wanted to kill us, they both had knives in their hands. I wasn't going to let those two get away with it, so I fired blasts of darkness at them and trapped them inside. Mom and Dad called the cops, and Josee and Jacques got arrested yet again, and they were dragged back to jail kicking and screaming in pure rage and insanity. Since that day, I swore if they ever broke out to kill us again, I'd send them back to jail for good, and I hate the two figure-skating sore losers for what they tried to do.

When Rhonda Jekyll was finished, we were shocked.

Nico: Damn. That was really shocking to hear, Rhonda.

Me: It sure is. But, we defeated them after our first challenge in The Ridonculous Race in Kyrgyzstan, and Lincoln then cursed them with the Nightmare Demons' Vengeance Curse, and now, they're never going to get a chance to break out to get revenge ever again.

Rhonda Jekyll: Good, those two are nothing but scum.

TLPS Mr. Wolf: We also cursed the other Total Drama Sore Losers, and now, they're never getting out ever again.

Ets: Guys, I'm about to head out, and I've met someone yesterday.

Nico: Okay, Ets, and we got to ask: who's the lucky lady that you met yesterday?

?: That would be me.

Suddenly, we saw who Ets' lucky lady is: it's Katie "Pidge" Holt, former communications cadet at the Galaxy Garrison, and former pilot of the Green Lion of Voltron.

Me: Wow, you must be Katie "Pidge" Holt, the former communications cadet at the Galaxy Garrison and former pilot of the Green Voltron Lion.

Katie "Pidge" Holt: That's right, J.D.

Nico: So, how did you and Ets meet yesterday, Katie?

Ets: Easy, I met her when I came to help her with fixing up communications, we talked for a while and we found we had a lot in common: we're both good with technology, we're fiercely loyal to our friends, and we're known as analytic and independent thinkers.

Katie "Pidge" Holt: And he told me of how he got his powers over technology, and it was so amazing.

Nico: When we heard about it, we were also just as amazed as you, Katie. Alright, you guys, you have fun.

Ets: We will, Nico.

Ets and Katie "Pidge" Holt head out of the gym, and they're heading for Dolphin Shoals in the world of Mario. Ets was dressed in large blue swim shorts with gears on them, blue sandals, and he had on his jewelry and weapons, in case of trouble, and Katie "Pidge" Holt was dressed in a green two-piece bikini and the Voltron logo on it and green sandals.

Katie "Pidge" Holt: Wow, what is this place, Ets?

Ets: This, Katie, is Dolphin Shoals. Lincoln told me a lot about this place, and I figured it's perfect for our date.

Ets and Katie dived right into the water, and they began having fun with the dolphins, and they also met the sea creatures that lived here, and they also had a ton of fun there. But, it's perfect because today is Ets' birthday, and it'll be set at sunset, and it'll be after our mission today.

Ets: Wow, this place is so awesome.

Katie "Pidge" Holt: You said it, Ets.

Ets: When we get back home, remind me to thank Lincoln for suggesting this place for our date.

?: Ets, I will have my revenge on you for throwing me in prison!

Ets: Oh crud, I was hoping not to hear that voice ever again. You can come out now, Elijah Rodriguez.

A young man came out, he had long messy black hair, tanned skin, and he was dressed in prison clothes, his name is Elijah Rodriguez, that Ets had busted long ago for a string of bank robberies, assaults, and numerous other crimes.

Katie "Pidge" Holt: Ets, who's that?

Ets: That's Elijah Rodriguez, he's a criminal that I busted long ago. He'd committed a string of bank robberies, assaults, and numerous other crimes throughout America, and he's been at this since he was only thirteen. I busted him long before coming to Gotham Royal York, and I had him sent to the Federal Penitentiary in Atlanta, Georgia, where he'd spend the rest of his life in prison. And just this morning, I heard he broke out of prison, how the hell did you even get out?

Elijah Rodriguez: You'll never wring the answer out of me, Ets, and now, I will have my revenge on you for throwing me in prison, you and your girlfriend are going to die here together!

Suddenly, Ets' Sword of the Tech Angels unholstered itself from his back, and it was surrounded by a kaleidoscope of cyan blue energy, gears, and lightning, and when it emerged, it was transformed into Hephaestus' Technology Sword of Angelic Justice, it's a new large sword with a 6'10" massive, wide, double-edged metallic silver blade with the Greek God, Hephaestus, surrounded by a ring of bolts of lightning and a ring of gears etched on the blade, large metallic silver dog heads with cyan blue gems for eyes for the crossguard, large cyan blue gem embedded in the rainguard, longer black handle, and four large metallic silver dog heads with cyan blue gems for eyes and four cyan blue gems in its mouths and a large cyan blue gem on the bottom for the pommel.

Suddenly, the new sword called out to Ets, who grabbed the new sword's longer black handle. Then, something happened to Ets, his hazel brown eyes glowed, and then, he felt the electricity of the new sword, along with its immense power, flow right through his body, and he was surrounded by a cyan blue energy aura with lightning bolts and gears. Then, Ets grew up to 7'5" in height, and his upper and lower body muscles growing abnormally massive and powerful at a very incredible rate, and a massive vortex of cyan blue energy, gears, and lightning bolts surrounded him. Then, as the vortex faded, Ets emerged, but he was changed forever.

The 7'5" tall and extremely muscular Ets remained the same, his black hair grew and it went down to his neck, he has neon hazel brown eyes and a cyan blue energy aura with, gears, lightning bolts, and technology surrounding him, he has a falcon with the Thunder, Eternity, and Tech Kanjis in its claws emblazoned on his forehead, he has on falcon earrings with the Thunder, Tech, and Eternity Kanjis in its claws, and he has on his Crystal Necklace of The Buddha with cyan blue crystal links and a falcon with cyan blue gems for eyes and holding the Tech, Thunder, and Eternity Kanjis in its claws for the pendant across his bare chest, and tattooed on Ets' wider and more muscular back is a falcon, and it's surrounded by lightning bolts and gears. Suddenly, Ets felt a sharp pain on his wider and more muscular back, and then, massive silver angel wings with black tips on the large silver feathers, sprouted out from his now wider and more muscular back, and Ets' winged jetpack merged with his new angel wings, and they'll give his angel wings the ability to also fire lasers. Ets has on a pair of large cyan blue pants with gears and lightning bolts on the legs, black ankle-high leather combat boots, large blue weighted bands with silver phoenixes on his massive biceps and thighs, and orbiting around his legs are eight large metallic silver orbs with the ability to deploy attack drones to attack any enemies fast approaching.

Ets has his massive Hephaestus' Technology Sword of Angelic Justice in his large left hand, his hand-crafted custom-made Glitch Tech Gauntlet that is modified to be used in combat against both regular enemies and glitches on his right hand, and he also has his many other weapons holstered, Ets has on his new large gold cuff Bracelets of the Champions of The Universe with cyan blue gems on his wrists, his new large gold Belt of Elemental Bravery with a golden falcon head with cyan blue gems for eyes and a large cyan blue gem in its open mouth for the belt buckle on his waist, large cyan blue Spellbook of The Gods and The Universe and large cyan blue Universal Spellbook of The Elemental Forces on his left hip and Eater of Sins revolver holstered on his right hip, and a Ring of the Phoenix with large cyan blue gem on his left ring finger and Blue Lantern Corps ring on his right ring finger, there's a cyan blue kanji below the falcon that said, "Ethan "Ets" Uson, Technology and Imagination Hero of Hong Kong, Loving Younger Brother and Son, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Emissary of Hephaestus, and Master of Technology and

Imagination."

イーサン・ユーソン、香港のテクノロジーと想像力のヒーロー、愛する弟と息子、悪の殺し屋、混乱した、殺人、冷酷、そしてサディスティックな野郎、驚くべき強力な教師の驚くべき強力な学生、ヘファイストスの使者、そして技術のマスター想像

Ets has transformed into SUPER ANGEL ETERNITY INFINITY IMAGINATION TECHNOLOGY ANGEL OF ELECTRIC JUSTICE AND IMAGINATIVE HOPE!

Elijah Rodriguez: What the!?

When Katie "Pidge" Holt saw what happened to Ets, she had an atomic red blush on her face and hearts in her eyes. But, when Elijah Rodriguez saw it, he took out a gun, but before he was about to fire, Ets' massive metallic silver angel wings fired a cyan blue laser and disarmed the thug.

Ets: (Divine Echoing Cosmic Voice of The Imaginative Techno Falcon and Techno Hope) **You shouldn't have broken out of prison, Elijah. Now, you're going to get thrown into a brand-new prison far from Earth, where you will stay there until you die.**

Ets went after Elijah Rodriguez, and he fired powerful blasts of cyan blue energy, gears, lightning bolts, and any other gadget that he created with his imagination powers, and they exploded with incredible power as they hit the teenage thug and criminal. Then, Ets attacked Elijah with his new massive sword, and left tears on his prison clothes, and he even left a painful scar over Elijah's right eye as the thug screamed in pain. Then, Ets lifts Elijah up with his now immense brute superhuman strength, and with one strong punch, he knocked Elijah out, and he tied him up in cyan blue energy chains with sensors, so he can't escape.

Elijah Rodriguez: (Groans) Oh, my head. Where am I?

Ets: **Guess.**

Elijah Rodriguez: (Realizes he's in chains) No… , NO! My revenge, ruined?! I HATE YOU SO MUCH, ETHAN USON!

Ets' energy aura flared up as he gained a massive power boost from Elijah's hatred. Then, he holsters his massive new large sword on his now wider and more muscular back and powers down, and Ets' new body, clothes, weapons, jewelry, and massive angel wings are permanent.

Ets: Your so-called revenge ends here and now, Elijah Rodriguez.

Then, Sheila, Eric, and Tom arrived.

Sheila: You again, Elijah? You just don't even to quit, do you?

Elijah Rodriguez: GET BENT, PIGS!

Tom Lair: Nice job capturing Elijah, Ets, and thanks to that prison escape, this is now Elijah's 834th offense.

Ets: Jeez, 834 offenses, that asshole never learns. Take him away, officers.

The cops loaded Elijah Rodriguez into the van, and he was sent away to the Uranus Prison, where he was chained to the wall of his cell in Solitary Confinement with rainbow energy and neutronium chains. Ets sat down on the towel with Katie by his side.

Ets: Sorry if the date took a bad turn thanks to Elijah showing up, Katie.

Katie "Pidge" Holt: Are you joking, Ets? You did an awesome job in taking that creep down, and not only that, but you also gained a new weapon, a Super Angel Eternity Infinity form, and of course, a brand-new body.

Just then, Katie "Pidge" Holt came up to Ets, and she leaned towards him as her chest pressed up to Ets' now massive and wide muscular pecs, and then, she kissed him on the lips, which caused an atomic red blush to appear on his face. But, then, he wrapped her up in his abnormally massive and powerful muscular arms, and he returned the kiss with intense passion. Then, they separated.

Ets: (Stunned) Whoa.

Katie "Pidge" Holt": (Seductively and rubs her right hand on Ets' massive and wide muscular left pec) Like that, tall, muscular, and handsome?

Ets: We don't have to be back until sunset. Shall we continue to have our fun in the sun?

Katie "Pidge" Holt: Of course.

They continued to have their fun, which gave us enough time to prepare for his birthday party, and get our mission done.

Then, the sun was about to set on Dolphin Shoals.

Ets: Wow, take a look at that sunrise.

Katie "Pidge" Holt: It's so beautiful, I've never seen a sunset before, it's amazing.

Ets: It sure is, Katie. And here's how a couple always end a date before coming back home.

Suddenly, Ets walked up to Katie, and he wrapped her up in his abnormally massive and powerful muscular arms, and as the sun turned orange, they passionately kiss and hug with supercharged and intense passion.

Katie "Pidge" Holt: (Stunned) Wow.

Ets: That's how Lincoln and many of my friends always end their dates with their girlfriends, with a passionate kiss and hug as the sun turns orange.

Suddenly, something appeared on Ets' massive and wide muscular right pec: it's a tattoo of a tech angel and a green Voltron Lion with a heart above their heads, and below them is a cyan blue kanji that said, "Ethan "Ets" Uson and Katie "Pidge" Holt, Tech Angels of Eternal Love, United by Chance, and Bound Together Forever by True Love"

Katie "Pidge" Holt: Now, that's really amazing.

Ets: A tattoo, wow, and it's one that marks our union together, that's really awesome. Shall we head on home?

Katie "Pidge" Holt: Of course.

We appeared.

Me: Have an awesome time Ets?

Ets: Boy we sure did.

Nico: We heard about Elijah Rodriguez escaping. That guy has serious problems. Anyway it's time for Gali's Ambassador Mission.

William: Anyone want to come with Gali? Besides Izuku and 1 Rabbid?

Ets: Well I agreed to go with you guys.

William: Awesome.

Eli: I'll go too. I want to meet the Hibiki Kamen Riders.

Me: You'll love Hitoshi bro.

Gali: This is gonna be awesome.

We were off to Japan.

William: (To Pinkie Pie on a Radio) Okay guys lets finish setting up everything.

We arrived at Hibiki temple.

Hitoshi: Hey guys!

Gali: Hitoshi, this is Izuku.

Izuku: Awesome to meet you Hitoshi!

Me: Izuku is one of the many students of U.A. Academy.

Hitoshi: What is that?

Me: An academy for Superheroes in Training.

Hitoshi: Wow!

Eli: Awesome to meet you. My name is Eli Winston Bullock.

Me: Eli is my little brother. He was taught so much from me.

Ets: Oh I'm Ethan Uson, but you can call me Ets. It's awesome to meet you.

Hitoshi: Same here.

Gali: Hitoshi, it might take 3 months. But the wait will be worth it.

Nico: Yeah we don't come help you all till July 7th.

Hitoshi: Oh.

Iori: Don't worry. We can learn to be patient.

Nico: Cool.

Me: We're going to be ready for anything that comes our way.

The Rabbid went outside, saw something, and yelled in alarm.

Rabbid: DDDDDDAAAAAAAAAAAAAAAAA!

We came and saw something.

Nico: The last Makamou monster we'll face before July!

Me: Yep. This is gonna be good!

Gali: It's time to kick some Makamou butt!

Eli: Lets get it!

We went to find it and we then saw that it was the Hime of Ittanmomen (Okukuji)!

Me: The Hime of Ittanmomen (Okukuji)!

Gali pinged her Device and so did the Hibiki Kamen Riders and they transformed and were ready!

Nico: It's buttkicking time!

Ets: This is gonna be good!

Eli: Lets see how it likes this one!

He pulled out a Steaming Sphere and he squeezed it and out came steam and then he inhaled it and Eli got an awesome new animal armor!

Eli: Beast Armor, Armor of the Ape! 武獣装甲 魔猿の装!

Hitoshi: Wow! Eli that is cool!

Me: It sure is bro! That's Kuro Momotaro's special power with that.

Nico: Yeah it sure is!

Eli: Yep and over the years I've gained new powers as well as memorize the pain of each and every one of my opponents moves and I gain immunity from each one.

Me: Wow!

Hitoshi: Since this will be Gali's final mission, I think it's only fair for you to see my Final Form.

Nico: Oh this will be awesome!

Hitoshi turned into his Kamen Rider Armed Hibiki form!

Me: COOL!

Eli: Oh that is awesome!

Hitoshi: Yep.

Me: Hitoshi how about you and Eli do one of our awesome combo attacks? We do amazing teamwork techniques.

Hitoshi: It would be an honor.

Eli: Lets do it! SWORD OF THE DARKNESS FLAME! 邪王炎殺剣!

Eli formed a Sword of Pitch Black and Green Fire!

Eli and Hitoshi: DARKNESS FLAME DRUM BEAT!

Eli and Hitoshi smashed their sword flame and Sticks and slashed and pulverized Hime of Ittanmomen all over and then she exploded!

She was dead!

Nico: WHOA! AWESOME!

Gali: YEAH!

Nico: Hime of Ittanmomen you have failed this world.

Hitoshi: Gali, ever since I met you, I've come to see you as my big sister.

Gali: I'm honored you think that Hitoshi.

Nico: So awesome.

Eli: Yeah.

Ets: That was cool though.

May: (On the radio) Nico we're all set. You can bring Ets back now.

Nico: Okay May. Gali's Ambassador Missions are done. She did awesome.

May: Awesome. Glad she had fun.

We flew back.

May: Takanuva, your missions are in two days. Casey and 3 Rabbids will go with you.

Takanuva: Awesome! Looking forward to it.

May: Cool.

We later came back and the lights were off.

Ets: It's dark.

Me: Let me get the lights for you.

I turned on the lights and then…

Everyone: SURPRISE! HAPPY BIRTHDAY ETS!

Ets: WOW! You guys remembered!

Eli: That's why we were taking you on our missions.

Ets: Oh you guys are so awesome! Lets PARTY!

We got to partying and then we had fun games and then we opened presents and we had an awesome cake. It was an awesome pineapple vanilla cake. Ets got awesome video games, comics, clothes, model kits and more.

Commander Mars: So, Ets. Are you having a Happy Birthday so far?

Ets: Oh I sure am! This is awesome!

Nico: Glad you are having fun. We have just the mission for you after we come back.

Later in the city of Corinth, we arrived at the Landsdown estate and it was amazing and beautiful.

Laney: WOW! Summer your house is amazing.

Summer Landsdown: It sure is amazing huh?

Nico: Boy it sure is.

Me: Wow! I remember seeing this house. It was awesome.

We knocked on the door.

And we went in and it was beautiful.

Me: Wow! Summer this is awesome.

Summer Landsdown: It sure is.

We then saw Martin and Clara Landsdown.

Reggie: You two must be Summer's parents.

Maria: (glares at them) The ones who encouraged her to be spoiled just like the Princess Morbucks we all know and hate!

Nico: Maria calm down.

Clara Landsdown: Yes we are Summer's parents. And it's an honor to meet you Team Loud Phoenix Storm.

Me: Same here.

Martin Landsdown: Summer sure has been busy.

Shockwave: You two should be proud of your daughter. She not only helped destroy Venjix the first time but also helped us save the world on several occasions.

William: She even helped take down Lila Rossi.

Me: Yep. And many more villains too.

Eli: You wouldn't believe the kinds of villains we have faced.

Clara Landsdown: Indeed.

Me: Also I remember on TV that Venjix was after the Landsdown Diamond.

Summer Landsdown: That's right.

Clara Landsdown: Would you like to see it?

Me: Sure.

She brought the diamond and we saw that it was a beautiful Black Diamond.

Me: (Whistles) Wow! That is a beautiful black ice.

Wheeljack: What's it made of?

Clara Landsdown: It's a really rare black diamond. Been in our family for generations.

Pacifica Northwest: Wow that is amazing. Just like the cabin that was in my family for generations. Until my so-called parents got the book thrown at them.

Eli: That is amazing.

Summer Landsdown: It sure is awesome. You see I didn't want to be pampered like a princess. I wanted to do my own life away from my family.

Me: I remember seeing that and your mom and dad arranged you to be married too.

James (Pokemon): You and I are so much similar in many ways Summer. I came from a rich family myself and my mom and dad did the same for me.

Eli: It's true.

Me: Very coincidental.

Nico: No kidding and Jessebelle is still out there waiting for her chance.

Ransik: Venjix was probably one of the most evil villains of them all. Even more evil then I ever was.

Nico: That is true.

Me: But in my opinion, no villain that the Power Rangers all have faced is more evil than Jark Matter. They wanted to destroy the entire universe and remake it in their own image. Same with

Yodonheim.

Ransik: That makes sense.

Nico: Yeah.

Me: But if we ever face Emperor Yodon and Don Armage in the future they are definitely getting the Black Gates. Same with Master Org and Rita. Actually you know what? Lets save the worst Power Rangers Villains just for the Black Gates. The rest will be Super Hakaied.

Summer Landsdown: Good idea. And Venjix will get the Black Gates.

Me: Yep.

Clara Landsdown: But thank you for keeping Summer safe.

Nico: Our pleasure Mrs. Landsdown.

Later we came back.

Nico: That was cool seeing your house Summer.

Summer Landsdown: It sure was. Sorry you all had to hear about what happened after Venjix ripped the world apart.

Me: No worries Summer. At least Venjix will never terrorize the world again. Still I can't get that out of my mind that Venjix and Evox were both one in the same. What a shocker.

Nico: No kidding. Also Ets it's time for your awesome birthday mission.

Then White Lightning, Katnappe, Yenaldoshi, Samon Shakekisutanchin, Ragdoll, Griffin, Riddler, MetalSeadramon, Count Spankulot, and Black Manta appeared.

White Lightning: Can me, Katnappe, Yenaldoshi, Samon Shakekisutanchin, Ragdoll, Griffin, Riddler, MetalSeadramon, Count Spankulot, and Black Manta go with you guys this time?

Nico: Yes you sure can and today is Ets's birthday and our mission is a great one. We're going after the Principality of Yeon and we're going to face them with our Gundams!

Eli: AWESOME! I'm looking forward to this one!

Me: Boy this will be awesome.

Ets: COOL! I can't wait to kick some butt in that one!

Domon Kasshu: It'll be awesome to bring those monsters down!

Allenby: It sure will be awesome!

Dusk: Nico, which Gene Slammer do you think you'll meet on your next rescue?

Nico: I'm hoping to meet one for Shock Rock's kind next.

Shanan: Wow! That is gonna be awesome. A Fulmini Gene-Slammer. That will be awesome to see.

Me: It sure will. So it'll be Rainbow Dash, Stormy Weather, The Wonderbolts, Lincoln, Linka, Paula or any one of us that controls the weather.

Nico: Yep. This is gonna be awesome.

Eli: Boy it sure will be.

Riddler: Riddle me this: Who are the main heroes who fight the Principality of Yeon?

J.D. 4: You will like them Edward. Their names are Quatre, Trowa, Heero, Duo and Wufei.

Domon Kasshu: They were a group of rebels that are out to destroy the Principality of Zeon.

Domon told us all about them.

Heero Yuy (ヒイロ・ユイ, Hiiro Yui)

Ascendancy: Japanese

The protagonist of Mobile Suit Gundam Wing, and the pilot of the XXXG-01W Wing Gundam and (later) the XXXG-00W0 Wing Gundam Zero. During the series, very little of his past is revealed, although the prequel manga Episode Zero revealed that he was once a nameless protégé of the assassin Odin Lowe until the assassin's death during a failed mission. Shortly thereafter, the nameless boy was taken in by Doctor J and trained as a Gundam pilot. At the onset of Operation Meteor, Doctor J gave him the code name "Heero Yuy" after the martyred leader of the space colonies whom Odin assassinated years prior. Although Heero often acts very cold, reckless, emotionless and anti-social, he sympathizes with the oppressed colony citizens and forms strong bonds with his fellow Gundam pilots, Relena and other allies over time. Though his true feelings for Relena are never fully explained in the series, he has vowed to protect her from any danger (even though, ironically enough, he originally threatened to kill her when she learned of his mission). At the end of the sequel novel series Frozen Teardrop, Heero asks Relena to marry him, and she accepts his proposal. In the epilogue, which takes place 5 months after the events of the final chapter, Heero is now living a happy and peaceful life with Relena on Mars, with the two discussing their plans on marriage and starting a family of their own. Heero Yuy was voiced by Hikaru Midorikawa in the Japanese version and Mark Hildreth in the English dub.

Duo Maxwell (デュオ・マックスウェル, Dyuo Makkusuweru)

Ascendancy: Native American

The pilot of the XXXG-01D Gundam Deathscythe and the XXXG-01D2 Gundam Deathscythe Hell. He is cheerful, amicable and goofy, but this is a front to cover up his tragic past. In "Episode Zero", it was revealed that he chose his name to commemorate a boy he admired named Solo; they had been part of a street gang together. Solo had told the young Duo that they would always be together, but Solo later died from a disease that swept the colony. Duo took his last name from the Maxwell Church, a home for war orphans run by Father Maxwell and Sister Helen, a Catholic priest and nun. He lived in the church until it was destroyed during an Alliance attack, in what became known as "the Maxwell Church Massacre". Duo was the only survivor because he was not there during the attack; he had gone to steal a mobile suit from a nearby military base to drive out a group of Colony rebels hiding in the church. Mementos of Duo's lost loved ones are his distinctive 3-foot braid (a reminder of Sister Helen, who carefully braided his long hair as a child) and the priest's clothes that he usually wears. He refers to himself as Shinigami (the "God of Death" in the original Japanese version or the "Great Destroyer" in the edited English dub), because anyone who gets close to him eventually dies. Duo later became a member of the Sweeper Group, an engineer, a hacker of great skill, and finally a Gundam pilot after meeting Professor G. Duo Maxwell was voiced by Toshihiko Seki in the Japanese version and by Scott McNeil in the English dub.

Trowa Barton (トロワ・バートン, Torowa Bāton)

Ascendancy: Russian

The pilot of the XXXG-01H Gundam Heavyarms; he is also known as "Nanashi" (名なし, "No-Name"). Trowa is a stoic young man who has spent almost his entire life on the battlefield. Reserved by nature, he can be seen to be as emotionless like Heero, but is in fact a warm-hearted person who is very protective of those he cares about. Nanashi took the name "Trowa Barton" after the real one (the son of Dekim Barton) was shot and killed by the assistant of Doktor S, the creator of Gundam Heavyarms, when they were unwilling to proceed with Operation Meteor. Besides being a Gundam pilot, Trowa is also an accomplished acrobat, which serves him well in his cover identity as a clown in a travelling circus. Trowa is assumed to be Triton Bloom, Catherine Bloom's long-lost brother that was believed to have died years ago as an infant. There is only a little evidence of this: in the Episode Zero manga, the baby shown being thrown from the cart's wreckage in the bombing that killed Catherine's family has Trowa's trademark bangs, and according to official sources, Trowa has "a burn scar on his back that he didn't get in battle", but if the names of the pilots do relate to numbers, it would seem more likely that this was true. Trowa Barton was voiced by Shigeru Nakahara in the Japanese version and Kirby Morrow in English.

Quatre Raberba Winner (カトル・ラバーバ・ウィナー, Katoru Rabāba Winā)

Ascendancy: Arab

The pilot of the XXXG-01SR Gundam Sandrock, as well as the heir to a major space mining company known as the Winner Corporation. Quatre is a very kind young man who loves animals, and is the greatest believer in pacifism of the five Gundam pilots. He has twenty-nine older sisters that were all test tube babies (according to the Episode Zero manga) due to the numerous problems experienced in natural pregnancy during the colonists' first arrival in space created the need for test-tube babies until a cure was developed. Everyone was then able to produce children naturally sans the Winner family due to their living in space since the colonies' creation. Quatre's mother desperately wanted to bear at least one child naturally and so she did though it cost her life. Quatre was never informed that he was the only child who was born naturally, and thus had a cold, angry demeanor for a long time (due to feeling that he and his sisters were just pawns created by his father to benefit the Corporation and that they could all be replaced at any time). Quatre is a natural leader as he leads a group of middle-eastern fighters known as the Maganac Corps (who are all test-tube babies themselves). The Maganacs have accepted Quatre as their leader as (in Episode Zero) Quatre saved their leader Rashid's life when Quatre flushed out a traitor within the Maganac ranks. Quatre was then given his goggles by Rashid as a symbol of the leader of the Maganacs. The Maganacs also taught Quatre to have pride in himself, no matter where he came from, and the young man's kind, gentle nature arose from that understanding. Despite being a pacifist, Quatre sees the Gundams as a necessary evil, which has strained his relationship with his father, who followed the path of absolute pacifism prior to his death. Toward the end of the series, Heero turns leadership of the Gundam Team over to Quatre. Although Newtypes are not referenced in the Gundam Wing universe, Quatre seems to sense the "Heart of Space" (or "Soul of Outer Space") like Amuro Ray was able to. Quatre Winner was voiced by Ai Orikasa in the Japanese version and Brad Swaile (Amuro Ray's voice actor in Mobile Suit Gundam) in the English dub.

When he was done we were amazed!

Nico: Whoa! These guys are awesome.

Eli: And awesome friends too.

Ets: I'm so looking forward to this one!

Spinister: Goddamit, their Gundams make us look like toy robots in comparison!

Maria: Oh, c'mon! You guys are still awesome!

Spinister: That's true.

Nico: But this will be awesome to bring down those dirtbags for good.

Me: But first we need to know more about the Principality.

Nico: Sure.

He told us about them.

---

The Principality of Zeon, also referred to as the Duchy of Zeon and Zeon Dukedom, are a militaristic political power seeking to dominate the entire Earth Sphere and the main antagonists of Mobile Suit Gundam. The name was adopted by the residents of Side 3 from the Republic of Zeon following the death of their former leader Zeon Zum Deikun and the succession of Degwin Zabi on August 15, U.C. 0069. Rise

When the leader of the Republic of Zeon, Zeon Zum Deikun, became gravely ill he mentioned only one name on his death bed, "Degwin Zabi". The people of Republic of Zeon took this to mean that Zeon Zum Deikun was naming Degwin to succeed him as leader of the Republic in UC 0068. After being appointed as the leader of the Republic of Zeon, Degwin Zabi adopted the title of Sodo, meaning "Lord", and was referred to from them on as Degwin Sodo Zabi.

Seizing control of the government, Degwin maintained the only way for the colonies to be independent of the Earth Federation was for the Principality to fight (though in reality Side 3 was already independent of Earth at that time). To this end Degwin appointed his own children into military and political offices, and pushed for rapid development of military technology. Gihren Zabi, the eldest of the Zabi children remained at his fathers side as his aide, achieving the rank of Admiral and eventually became the Supreme Commander of the Zeon Armed Forces in place of his father. Dozle Zabi, the second eldest son of the Zabi family, became Vice Admiral and the Commander of the Zeon Space Attack Force, responsible for overseeing fleet movements within the Principality and securing areas. Kycilia Zabi, a Vice Admiral as well, shared command of the Zeon Space Attack Force with her brother Dozle, which led to conflicts between the two as she operated from the lunar city of Granada. Garma Zabi, the youngest of the Zabi family was placed in command of the Zeon Earth Attack Force.

With the backing of the Principality of Zeon's new leadership, technological breakthroughs were made in a number of fields of research. One of the largest developments was that of mobile suit technology, which while originally intended for colony construction found military applications. Research by Doctor Minovsky lead to the discovery of the Minovsky Particle and the Minovsky Particle Effect, which allowed for the development of further technology, such as the Minovsky Craft System. Supported by Kycilia Zabi, research into a growing phenomenon led to the classification and discovery of Newtypes, and with her support the development of Newtype based military units.

Negotiations with the Earth Federation finally broke down in UC 0079, leading to the Principality of Zeon re-declaring its independence from the Earth Federation and at the same time declaring war on the Federation.

One of the first groups of colonies to be drawn into the conflict were the colonies located at Side 1, also called Zarn, which served as the capital of the Earth Federation in space. The group of colonies at Side 2 (also known as Hatte) and Side 4 (also known as Mua) were drawn into the conflict as well, with one of the devastated colonies from either Side 2 or Side 4 being used for "Operation British", which was to use a colony as a weapon by sending it on a collision course with the Earth. Operation British met with moderate success, as an explosion caused the colony to alter its trajectory and instead of impacting on the Earth based capital of the Earth Federation, it instead landed on Sydney, Australia, destroying 16% of the continent. While attempting to gain another colony to drop onto the Earth, the Earth Federation Space Forces intercepted the Zeon Space Attack Force at Side 5 (also known as Loum), resulting in the "Battle of Loum". The resulting battle employed the use of both nuclear and biological weapons, causing the complete destruction of Side 5 as both forces attempted to bring a quick end to the war. The massive loss of life at the Battle of Loum resulted in a truce being called between the Earth Federation and the Principality of Zeon in order for representatives of both governments, as well as those of other colonies, to meet and discuss the terms of the war. This meeting lead to the signing of the Antarctic Treaty, which prohibited the use of nuclear and biological weapons by both the Earth Federation and the Principality of Zeon. The treaty also outlined that colonies could not be used as weapons in the conflict, the treatment of prisoners of war, and the neutrality of other colonies that wished to remain out of the war, becoming a safe haven for refugees.

With the signing of the Antarctic Treaty, the war between the Earth Federation and the Principality of Zeon entered a new phase. Knowing that they could not continue the war without resources, the Principality of Zeon organized an assault force for the purpose of invading Earth and securing resources for the war effort. Garma Zabi, the youngest child of Degwin Zabi, was named as the Commander of the Zeon Earth Attack Force and descended to Earth with mobile suits. The invasion of the Earth proceeded quickly due to the Earth Federation Forces being ill equipped to deal with the new threat of the Zeon mobile suits, and so the Principality capturing a large number of territories and setting up mining operations as well as bases to transport materials back to the homeland. The base of operations for the Zeon Earth Attack Force was the captured California Base of the Earth Federation. The Earth Federation were however able to develop new tactics in dealing with the mobile suits, which with the aide of the Antarctic Treaty and the return of General Revil, led to a stalemate in the war as both sides worked to replenish their resources for the war and the Earth Federation gained a moral boost due to Revil's speach "Zeon is Exhausted!". However, even with the war at a stalemate, a Zeon victory seemed to be inevitable due to the high quality mobile suits being produced for both their land and space forces.

The discovery of "Project V" marked the turning point for the Zeon's war against the Federation. Till the discovery of the Federation project, the corporations within the Principality of Zeon led the way in technology and production of mobile suits. Curious and alarmed by the development of a series of Federation mobile suits, as well as a new ship in order to carry them, operations were carried out to investigate the ship codenamed the "Trojan Horse". The pursuit of the mobile suits and the ship eventually contributed to the death of Garma Zabi, as well as experienced and valuable pilots such as Ramba Ral and the Black Tri-Stars.

The death of Garma Zabi on October 4, UC 0079 marked yet another turning point in the war as it led to a shake up in the political power of the Principality of Zeon. Grief stricken by the death of his youngest son, Degwin Zabi started to strongly consider moving towards a peaceful end to the war with the Federation. Degwin, however fell out of power and was now little more then a figure head as his eldest son Gihren took command of not only the military but the Principality itself. Inspired by the speech given by Gihren Zabi at his brothers funeral, the Zeon military forces fought harder in order to obtain victory and independence. Their moral boost however did not last long, as the Earth Federation started to deploy its own mobile suits on Earth and in Space, as well as carry out successful operations against the Zeon forces on Earth due to its lacking an adequate command structure with the absence of Garma Zabi. The victory of the Earth Federations "Operation Odessa" on November 9, UC 0079 started a collapse in the support infrastructure for the

Zeon Earth Attack Forces.

In an effort to regain their momentum, an attack is carried out on the Earth Federation headquarters of Jaburo on November 30, UC 0079. The attack led by Captain Char Aznable succeeds in breaching the Federation Headquarters, however, due to the lack of supplies and resources at his disposal, the operation ends in failure and eventually results in a mass evacuation by Zeon forces from Earth.

With the success of operations on Earth, the Earth Federation again turned its attention and the war effort to space, which both the Earth Federation and the Principality of Zeon knew would be the final battleground for the war. Confident that the Zeon Space Attack Force can withstand anything that the Earth Federation could throw at it, Vice Admiral Dozle Zabi amassed as many ships under his command to the asteroid base of Solomon, his base of operations and a Zeon strong hold located close to Lagrange Point 5. Dozle Zabi was reluctant to ask for support from his sister Kycilia, but was able to get some reinforcements for Solomon before the Earth Federation Space Forces attacked, his reinforcements coming in the form of the MA-08 Big Zam. The added firepower of the Big Zam however was not enough to curve the tide of the Federation forces as Solomon fell with the aide of a secret Federation weapon on December 24, UC 0079, the battle ending with the abandonment of the base by the Principality of Zeon and the death of Dozle Zabi.

With the loss of Solomon and a second son, Degwin Zabi started to make a move to peace, however he took notice of the shifting ideals of his eldest son Gihren. The war between the Earth Federation and the Principality of Zeon transformed under the leadership of Gihren Zabi, where instead of simple independence from the Federation, Gihren wished to destroy all human life on Earth so that the chosen race of Side 3, the Principality of Zeon can rule. Degwin departs from Side 3 in an effort to meet with General Revil, in the hopes of negotiating a peace between the Earth Federation and the Principality of Zeon before the Federation launches an attack on the last line of defense for the Principality. Knowing of the plot, Gihren orders the firing of his own secret weapon, a colony laser called the "Solar Ray". The firing of the weapon led to the destruction of a third of the Earth Federation fleet as well as the deaths of General Revil and Degwin Zabi on December 30, UC 0079.

Taking command of the remaining Zeon forces, Gihren Zabi commands from the space fortress A Baoa Qu as the remaining Federation forces launch an attack against the Zeon forces. Gihren is able to command the forces for a while, however he is executed for the assassination of Degwin by his sister Kycilia. Kycilia takes command of A Baoa Qu and oversees the battle, deploying as many mobile suits as she can in order to combat the Federation forces. Curious as to why they are taking such heavy losses Kycilia learns that a majority of the forces deployed are pilot cadets who have not yet been fully trained to pilot mobile suits. Determining that the battle is lost, Kycilia gives the order to have her ship ready to depart and for the remaining forces to surrender once she has left with an escort group. The command however is never issued as the command center was over run by Federation forces that gained entry to the fortress, and Kycilia was assassinated by Char Aznable, her ship destroyed not long after.

With a lack of command and control, the remaining Zeon fleet went into a panic. Split as to what to do a number of ships gathered as many as they could before fleeing the battlefield, while others remained to fight to the last man, each believing that it was what their commanders wanted. With the fall of A Baou Qu, the remaining government of the Principality of Zeon surrendered to the Earth Federation, bringing an end to the war on January 1, UC 0080.

The Principality of Zeon is effectively a monarchistic military dictatorship, with its government under the control of the Zabi family and its patriarch Degwin Zabi following the passing of Zeon Zum Deikun. The armed forces of Zeon are divided between the Zeon Space Attack Force, commanded by Dozle Zabi, which deals with Zeon military operations in the general Earth Sphere and defending the territories claimed by Zeon, the Zeon Earth Attack Force, commanded by Garma Zabi, whose focus is the Zeon ground invasion of Earth and establishing a military foothold on the planet, and the Zeon Mobile Assault Force, which is led by Kycilia Zabi and encapsulates Zeon's intelligence agencies and numerous R&D projects. General management of the military is handled by Gihren

Zabi, who serves as Supreme Commander of the entire Zeon Armed Forces. While Degwin Zabi is officially the Sovereign and absolute ruler of Zeon, in practice it is his eldest son Gihren who is the real power behind the throne and the primary mastermind of Zeon's war effort in the One Year War. Gihren is seen as the face of the Principality by the Earth Federation and thanks to his numerous loyalists within the military controls the majority of Zeon's political affairs, with his only significant rival being his sister Kycilia.

Despite having peacefully gained independence from the Earth Federation, the Principality of Zeon sees the Earth Federation as its primary foe in the Earth Sphere. Zeon propaganda paints the Earth Federation as an oppressive government controlled by corrupt bureaucrats that seeks to keep all of the Sides under its hold and to halt humanity's evolution and migration into the stars. Zeon's primary objective in the One Year War was the overthrow of the Earth Federation as the governing power of the Earth Sphere and for Zeon to move in and take control of the planet Earth and all of its space colonies. Had Zeon won, according to Gihren Zabi, the population of Earth would have been reduced to under one billion and kept that way in order to prevent any revolution against the Zabi family's rule.

While Zeon's stated aim in the One Year War was to "liberate" the Sides from the Earth Federation's control, in truth the leadership of Zeon held no concern for the citizens of these colonies and was willing to commit genocide against them in order clear them out so the Sides could be re-purposed as weapons. For instance, Side 2 had its entire population wiped out so that it could be used in an attempted colony drop on the Federation headquarters in Jaburo, South America.

Because Side 6 chose to remain neutral in the One Year War, Zeon did not attempt to invade it and left it alone. Secretly, Side 6 had sided with the Earth Federation and was supporting them in the One Year War by allowing them to establish a military R&D base on the colony. When this was discovered by Zeon, the Zeon military attempted to nuke the colony but the operation was stopped when the Zeon forces involved were intercepted by the Earth Federation Forces.

When he was done we were shocked and horrified!

Eli: Yeah they want to rule over everything with an iron fist. That's why we're going to destroy them all.

Nico: Yep.

Me: A world without free will.

Ragdoll: What are we waiting for then?

Nico: Then lets go get them!

Hiei: We'll gladly kill them all.

Laney: I'm looking forward to this one.

Lana: Me too.

Ets: As long as we get to spill some blood.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal, and he saw who the figure was in the vision: it was none other than Barbarus from Dragon Quest IX, and he's here to cause havoc. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is there someone else coming after us?

Lincoln: Afraid so, Nico, and none of us are going to like it one bit: the dark energy signal I sensed belongs to Barbarus, the dragon of darkness.

The Dragon Quest girls in Lincoln's harem gasped in shock.

Jessica Albert: I never thought we'd have to see or hear from Barbarus ever again. I thought he'd stay gone for good.

Delina the Dark Faerie: Looks like he's come back from the dead to finish what he started, but we're going to put an end to that, right,

Lincoln?

Lincoln: (Smiles) You got that right, Delina.

Nico: And I thought Malefor was a truly evil malevolent dragon.

Lincoln: Malefor and Barbarus are both evil malevolent dragons, but Barbarus sought to conquer the world by fighting alongside the Gittish Empire, while Malefor sought to destroy the world and all life on Earth.

Me: A clear difference, but they're both dragons of destruction and chaos.

Lincoln: Right, and just like what happened with Malefor, Barbarus is going to get the Black Gates for this.

TLPS Mr. Wolf: That monster deserves to die once and for all.

Nico: My thoughts exactly, TLPS Mr. Wolf, alright, everyone, let's go.

We were off.

* * *

In the voids of space, we then arrived at the base of the Principality and it was on the colony Munzo.

Kerchak: Is this their base?

Nico: Yep. Colony Munzo. This is gonna be a deadly battle.

Katnappe: I say we mark this spot for when we come back to it. Let's meet Heero and the rest first.

Nico: Very wise move.

Eli: I know where to find them. Lets go.

We followed Eli and we were off and we arrived at a hidden colony on Earth and we got into a base.

Nico: Is this the place?

Eli: Yep.

Heero: Eli Winston Bullock. Its been a long time.

Eli: Heero. You are looking good.

Heero pulled out a gun and Eli slashed the gun in half with his lightsaber.

Eli: Still the same Stoic Warrior that I remember.

Weather Vane: Nico, how about I be one of the people who go on your rescue as well? I CAN control the weather, after all.

Nico: Good idea. But lets worry about that one tomorrow. Heero we didn't come here to fight you. We came to help you all. We're going to kill the entirety of the Principality of Zeon.

They survived for far too long.

Ets: That's right and we're going to destroy them all.

Eli: Let us help you Heero.

Heero: We handle this alone.

Eli: You haven't changed one bit Heero.

Me: That kind of attitude is what always ticks people off.

Laney: Yeah what is your problem!?

Eli: Heero has always been like this Laney. He is very stoic and has a very cold personality.

Black Manta: Look, I get you think you can handle those dirtbags alone. But for all we know, they're probably getting stronger by the minute.

Nico: That's right. Like it or not we are all in this together. Our power can help you destroy the Principality once and for all.

May: (sighs) I just hope Ryotaro and the other Kamen Riders are doing fine on their end then we are right now.

Heero: Fine. Just don't get in my way.

Me: You even step out of line and I'll kill you.

He jumped and then I blocked a kick aimed for my head and I punched him in the stomach with devastating force and knocked the wind out of him.

Trowa Barton: Wow! J.D. is really powerful!

Eli: No one messes with my brother.

Trowa: Sure. We are hungry.

Me: Can't take down the Principality on an empty stomach.

Nico: After we eat before we go after the Principality lets have our usual battles to show you how strong we all are. That will show Heero how strong we all are.

Eli: Good idea Nico.

Me: Also it's Ets's birthday and he wants to have a shot at a usual battle too he said.

years.

Metal Sonic: That's a good point.

Nico: Yeah.

Delina the Dark Faerie: But, he won't be for much longer.

Suddenly, Delina the Dark Faerie's purple eyes turned neon purple, and she was surrounded by a purple energy aura with darkness and dark faeries, she got out her massive Neopia's Magic Staff of Magical Justice, and as she approached Barbarus, she left purple energy, darkness, and dark faeries with every step.

Delina the Dark Faerie: Barbarus, the crimes that you've committed over 300 years ago can never be forgiven, you have caused far too much pain and suffering to so many innocent people, and for that, you will pay the ultimate price.

Suddenly, Delina the Dark Faerie was surrounded by a massive vortex of purple energy with darkness surrounding it, there's a dark faerie flying around the vortex, and in the vortex is a magenta-colored phoenix. Then, as the vortex faded, Delina the Dark Faerie emerged, but she was changed forever.

Delina the Dark Faerie has transformed into SUPER ANGEL INFINITY TRUE LOVE DARKNESS FAERIE OF NEOPIA JUSTICE AND MAGICAL LOVE!

We were amazed by Delina the Dark Faerie's Super Angel Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Barbarus saw it, he fired a blast of dark breath from his mouth, but Delina fired a blast of purple energy, darkness, and dark faeries, which overwhelmed his dark breath, and hit Barbarus.

Nico: Wow, Delina the Dark Faerie's transformed, and just like Ariande the Dark Faerie yesterday, she has become a true Angel of Darkness and Dark Justice, this is going to be so awesome.

Me: That malevolent black dragon doesn't stand a chance.

Lincoln: Wow, Delina, you look beautiful. How do you feel?

Delina the Dark Faerie: Divine Echoing Cosmic Voice of the Dark Faerie and Divine Love) I feel incredible, Linky. Now then, shall we deal with Barbarus once and for all?

Lincoln: (Smiles) With pleasure, Delina.

Lincoln unholstered his massive Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Delina the Dark Faerie.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Let's clip that malevolent beast's wings!

Lincoln and Delina the Dark Faerie went after Barbarus, who fired blasts of dark breath at them, but they dodged them, and they fired powerful blasts of rainbow energy, purple energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Dark Faeries at Barbarus, and they exploded with incredible power as they hit him. Then, Lincoln attacked him with his massive Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds, and left painful scars on Barbarus, and Delina the Dark Faerie fired powerful purple energy blasts from her staff, and it hit him.

Then, Lincoln slashed off Barbarus' wings, and he went crashing down to the ground. Then, Delina and Lincoln sent Barbarus flying into the air, and they fired powerful energy beams and they explode with incredible power, killing Barbarus, and when his spirit appeared, he was marked with a kanji on his forehead by Delina the Dark Faerie and banished to the Black Gates and erased from existence for good. We cheer wildly for what Lincoln and Delina the Dark Faerie did as they holster their weapons and power down, and Delina the Dark Faerie's new body, clothes, weapons, jewelry, and massive bat-like fairy wings are permanent.

Delina the Dark Faerie: Hah, that should serve that monster right. Thanks for helping me with taking down Barbarus, Linky.

Lincoln: (Smiles Warmly) You're welcome, Delina.

Suddenly, Delina the Dark Faerie wrapped her arms around

Lincoln's waist, and it brought an atomic blush to Lincoln's face, as he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into an embrace, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Delina the Dark Faerie's face, they kissed passionately as Delina the Dark Faerie wrapped her left arm around Lincoln's wider and muscular back, and she placed her left hand on Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Dark Faerie flying in the air, and we also saw a herd of Buffalo running across the field, and the display of the elemental forces behind them, and we cheered for them.

Tormund Ellis: Delina's always helped out and is kind to many Neopets, despite being known as a Dark Faerie, which makes her a known hero throughout Neopia.

Eli: That's right.

Lincoln: And the same goes for Ariande and Jhudora, and Jhudora's not a malevolent faerie, she's just misunderstood.

Jhudora the Dark Faerie had a blush on her face from the words that came from Lincoln's mouth, and she had a smile on her face. Then, she went up to Lincoln, and they both hugged and kissed.

Jhudora the Dark Faerie: Wow, those were indeed the kindest and very true words that you said with your heart, Linky.

Lincoln: And they are true, Jhudora, and I did mean them from the heart.

Nico: Now, that's really deep.

Ets: Big time, Nico. And thanks, guys, for making this one awesome birthday.

Lincoln: You're welcome, Ets, and when you told us of what you did to Elijah Rodriguez and when you transformed, we were really stunned and amazed. Plus, I got you a little something.

Lincoln gave Ets a special blaster and it has components to put in the Cyber Planet Keys.

Ets: Whoa, what is this, Lincoln?

Lincoln: It's a new blaster, and not only does it fire powerful blasts of elements, but it also has some components to insert the Cyber Planet Keys, and it'll enhance the firepower of your new blaster, and this baby will do a ton of damage to villains.

Ets: Awesome. Can't wait to try this bad boy out.

Nico: Awesome! Did you have an awesome birthday Ets?

Ets: Oh you bet I did! You all made this THE BEST BIRTHDAY EVER!

We cheered wildly!

Ets: (To the viewers) This was an awesome adventure! And it was the best birthday ever! I had a lot of fun in this one!

Nico: We all did. Great job today everyone! Especially to you Ets. We're so happy you had a lot of fun.

Ets: Thanks Nico.

Nico: Lets go home guys.

We went back home and enjoyed the rest of the day and then we went to sleep.

# LETS GET READY TO BAKE

Walking through a very spooky forest was Nico, Raiden, Johnny Bravo, The Mystery Inc. Gang, Eli, Camie, Himiko, Ibara, Sirius, Tsuyu, Ochaco, Lincoln, Lana, Lola, Lisa and Lily and it was scary and spooky.

Me: Boy this forest gives me the creeps.

Nico: No kidding. It's scary.

Shaggy: Like it sure is scary.

Scooby Doo: Yeah.

Eli: But it sure is scary.

Nico: Thanks for coming with me, Raiden.

Raiden: No problem Nico. This is gonna be awesome going with you on a rescue.

Johnny Bravo: It sure will be awesome. HYAH! I can't wait for you all to meet my Aunt Jebidisa. She lives in a really spooky house on top of Widow's Peak.

Nico: This is gonna be awesome.

Lana and Lola were scared and they were hugging each other in fright.

Nico: What's wrong, you two?

Lana: This forest is scary!

Lola: And the house that Johnny's aunt lives in sounds scary.

Lily: It sure does sound scary from the way it sounds.

Lisa Loud: Oh pish posh. If anything is like what Mystery Inc. goes through on a daily basis it's always a person in a mask.

Sirius: I agree there.

Ochaco: Besides I'm not scared.

Johnny Bravo: Well you don't have to look any further. We're here.

We arrived at Aunt Jebidisa's estate.

THUNDERCLAP THUNDERCLAP THUNDERCLAP!

Lightning struck all over.

Nico: Ominous.

Eli: Yep.

We got to the door and just as Johnny Bravo knocked the door opened and we went in.

Me: Ooh spooky.

Eli: Scary too.

Johnny Bravo: Yeah whatever. Aunt Jebidisa?

We went in.

Nico: Johnny, your aunt. What's she like?

Johnny Bravo: She's eccentric and doesn't like me for some reason. She hates me for some reason.

Nico: That's not nice.

Evil Voice: GEEEEEEEEEEETTTTTTT OUUUUUUUUTTTTT!

Shaggy, Scooby, Lana and Lola hugged in fright!

Nico: Who said that!?

Evil Voice: YOU'RE NOT WELCOME HERE!

Nico: We… have arrived!

Evil Voice: What?

Nico: I'm sorry. That came out of nowhere!

Me: Another Kabuto Kamen Rider line.

Nico: Actually that was from Den O.

Eli: That was cool though.

Raiden: Show yourself!

Sirius: YEAH You butt-ugly coward!

Camie: Yeah! And we'll go easy on your ugly ass!

Then THE GHOSTLY GARDENER THEN APPEARED!

Shaggy: ZOINKS! THE GHOSTLY GARDENER!

Raiden hurled some lightning at it.

ZAAAAAAAAAAAPPPPPPPP!

Nico: Take that you ghost!

The Ghostly Gardener came at us with a Scythe!

Camie formed an energy scythe and she clashed with him!

KROW!

She kicked him down.

?: This ghost is sickening!

THUNDERCLAP!

A lightning bolt zoomed by and hit the gardener and electrocuted him and knocked him down! Then a figure came out and we saw that it was a Fulmini!

Nico: A Fulmini!

Me: AWESOME!

The Ghostly Gardener got up and roared!

Raiden: Stay down, fiend!

Tsuyu: I got this!

Tsuyu formed an energy scythe and she jumped and slashed a Chandelier and it fell onto the Ghostly Gardener and tied him up!

Nico: There!

Fred Jones: Now lets see who this ghostly gardener really is.

Fred pulled off its mask and it was PROFESSOR HYDE WHITE!?

All of us: PROFESSOR HYDE WHITE!?

Nico: From the Black Knight Mystery?!

Johnny Bravo: Where's my Aunt Jebidisa you big freak!?

Me: That can't be right! He's a professor of archaeology and doesn't have a single flaw or a criminal record.

Eli: Yeah! There's no way it's him.

Eli pulled off another mask and it was HARRY THE HYPNOTIST!?

All of us: HARRY THE HYPNOTIST!?

Me: That can't be it! He's in prison!

Sirius: What was he known for?

Me: He stole from a circus and was sent to prison earlier and then he got out and came back for revenge by dressing up as the Ghost Clown and tried to ruin the same circus. Got 50 Years in prison for his crimes.

Nico: Yep. But this isn't him.

Nico pulled off another mask and it was BIGFOOT!?

All of us: BIGFOOT!?

Camie: He's just a legend!

Camie pulled off another mask and it was DON KNOTTS!?

All of us: DON KNOTTS!?

Me: But he has been dead for 16 years! Died in 2006.

Lana: But he was funny.

Lana pulled off another mask and it was BOB DOROUGH!?

All of us: BOB DOROUGH!?

Nico: From Schoolhouse Rock!? But he died 4 years ago.

Then he got free…

Bob Dorough?: All right all right! Enough with the silly masks!

Then she pulled off another mask and it was AUNT JEBIDISA!

Johnny Bravo: HOLY! Aunt Jebidisa!? It was you all along!

Nico: WHOA!

Eli: Big shocker!

Nico: How the fuck did you manage to get all those masks on your face?!

Aunt Jebidisa: It's a trick I know.

Johnny Bravo: But why?

Aunt Jebidisa: I was trying to scare you away Johnny. Because quite frankly I just don't like you!

Fulmini: (In a girls voice) Why do you hate your own nephew?

Nico: Tasha Noriyama?

The Fulmini reverted back and she was a girl with blue hair and blue clothes.

Tasha Noriyama: We'll catch up after hearing the motive.

Nico: Okay.

Johnny Bravo: But what do you mean auntie?

Aunt Jebidisa: You are an embarrassment to the family name!

Me: HEY! Don't you dare talk that way to your nephew!

Nico: How can you say that to Johnny!? He didn't do anything to you!

Eli: Yeah are you that delusional!

?: I can answer that!

Johnny Bravo's mom Bunny came in.

Johnny Bravo: Mamma!

Aunt Jebidisa: (SNARLING) BUNNY!

Bunny Bravo: (SNARLING) JEBIDISA!

They growled ferociously at each other!

Nico: Oh boy. There must be a lot of bad blood between them.

Johnny Bravo: Mamma never told me why she and Aunt Jebidisah hate each other.

Lana: Man.

Tasha Noriyama: Whatever it is it must be really bad.

Raiden: What is your favorite memory of Nico?

Tasha Noriyama: I have a lot of them but my favorites are in gym class. Me and Nico were the king and queen of track. We could run 1000 miles in many laps.

Nico: Tasha is known for having some of the largest levels of stamina ever.

Me: Wow! That is amazing.

Tasha Noriyama: It sure is.

Me: Mrs. Bravo why do you and Jebidisah hate each other so much?

Bunny Bravo: I tried to tell Johnny this but he ran off before I could tell him. You see me and my sister got into a brutal fight over Johnny's dad. He died in a car crash when Johnny was inside me and Jebidisa blamed me for it and called me a murderer.

Lincoln: Oh man!

Nico: Not cool.

Velma: That is bad.

Me: Now you wait just one sassafrassing minute here! Johnny is not to blame for anything!

Lana: Yeah you spineless old buzzard!

Lily: Yeah!

Nico and Tasha then hugged.

Nico: I really missed you.

Tasha Noriyama: Me too Nico. Me too.

Bunny Bravo: But not only that she was trying to get you out of your inheritance as well Johnny.

Johnny Bravo: What inheritance?

Bunny Bravo: She was trying to make sure that you were cut out of her will and keep all her money she was going to give you for herself.

Eli: That is sick!

Aunt Jebidisa: Yeah and I would have gotten away with it too if it weren't for that stupid nephew of mine and you meddling kids!

After Nico's rescue, Lincoln, Me, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, Mollie, and Carol are heading back in time to Washington D.C. in 1911, and not only is Lincoln going to rescue the eight girls there, but we're also going to help the Time Squad solve the mystery of the Ghosts of Presidents Past.

Lincoln: Wow, we're here in Washington D.C. in 1911, and I know what we're going to do here, not only am I going to rescue the eight girls here, but we're also going to help the Time Squad solve the mystery of the Ghosts of Presidents Past.

Nico: That's right, big guy. This is going to be one awesome and hilarious rescue.

Me: Plus, it was during 1911 that Woodrow Wilson was elected as President.

Lincoln: That's right, and I want to thank you and Carol for joining us, Mollie.

Mollie: You're welcome, Linky.

Carol: Plus, if Petra shows up, you know what I'm going to do to her.

Lincoln: Yeah, and since she didn't show up yesterday, you'll get your shot at her, Carol. Now, let's find the Time Squad.

We met up with the Time Squad, and they told us that monsters have been haunting the White House and Woodrow Wilson needs us to stop them. But, we knew that from our time with Mystery Inc. that it's someone in disguise trying to scare Woodrow Wilson out of the White House, and during the time of the upcoming election. So, Lincoln had a plan: we were going to outscare the monsters haunting the White House and capture them.

?: HELP!

Suddenly, Lincoln heard the sound of eight girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye of The Buddha, and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the eight girls, but they've been cornered by a zombie version of Zachary Taylor, a vampire version of Benjamin Harrison, and a Frankenstein-esque of James Buchanan.

Lincoln: Guys, I found the eight girls, but they've been cornered by a zombie version of Zachary Taylor, a vampire version of Benjamin Harrison, and a Frankenstein-esque of James Buchanan.

?: Let's get those phony monsters.

Suddenly, we saw Cobal, Excavator of Dark World, appear before us.

Lincoln: That voice, I knew it was you, Connie Jackelstein.

Lori: Connie's here, literally amazing. But, we'll have to talk later, we got a bunch of phony monsters to stop. Lincoln, are you ready to give them the fright of their life?

Lincoln: (Smirks) You bet, Lori.

We took to the shadows, and then, as the monsters weren't aware of what's about to happen, Lincoln he fired spheres of darkness and created a fog of neverending darkness surrounding them, and then, out of the darkness, a torrent of horrifying monsters and demons from the darkest of nightmares are unleashed, and that frightened the monsters as they ran away. But, a chandelier dropped and traps the monsters, and as the dark fog and torrent of monsters and demons disappear, we reappeared. Then, Lincoln unmasked the monsters, and they were none other than William Howard Taft, Vice President James Sherman, and Secretary of State Philander Knox.

Woodrow Wilson: But, why would they do something like this?

Lincoln: It's quite simple, Mr. Wilson, they attempted to scare you out of the White House to keep you from running for president.

Me: But, we foiled their plan to do so.

Nico: And these three are in pretty big trouble for their little stunt.

The cops came, and they carted off Taft, Sherman, and Knox to jail. The next day, Woodrow Wilson is elected the 28th president of the United States and the White House is ghost-free, and we were given medals for bravery and solving the mystery in the White House, and we returned home.

Lincoln: That's it for that ghostly mystery. (To Connie Jackelstein) And it's so good to see you again, Connie Jackelstein.

Connie Jackelstein reverted back to normal, and she's a beautiful 17-year-old girl with long flowing dark blue hair, dark blue eyes, she's tall at 6'5" in height, she had the body of a goddess and she has a tattoo of the kanji Two on her forehead, she has massive dark blue angel wings, thanks to reigning in the power of Cobal, Excavator of Dark World, and she's dressed in a dark blue short-sleeved blouse, sleeveless dark blue top, dark blue skirt, dark blue bellbottom pants with snowflakes on them, dark blue high-heels, and long dark blue sleeveless trenchcoat with darkness on the coattails, and Cobal, Excavator of Dark World on the back.

Connie Jackelstein: You too, Lincoln, it's been a long time. And it's also good to see you again, Nicholette, Giselle, Scarlet, Silvia, Renee, Helena, Elizabeth, Selene, Zennia, Jackie, Laniya, Camie, Bertha, Chloe, Rhonda, and Lori.

Nicholette Torrington, Giselle Harrington, Scarlet Rosenburg, Silvia Excelsior, Renee Ravenclaw, Helena Hufflepuff, Elizabeth Gryffindor, Selene Slytherin, Zennia Nikolaevna, Jackie Wren, Laniya Guillermo, Camie Nicholetta, Bertha Sellington, Chloe Terryington, Rhonda Jekyll, and Lori: You too, Connie.

Lincoln went up to Connie Jackelstein and they hugged, and Rhonda Jekyll's also very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she's also felt just how strong he's really become.

Lincoln: It sure has been a long time, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then.

Connie Jackelstein: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Connie Jackelstein, she's another of my Guardian Angels and one of Lori's friends from High School, and she's the sixteenth member of The Dark World Goth Girls, and as you can guess, she has a tattoo for the kanji for Blue in the middle of her forehead. She's also one of the strongest and fastest girls of all in track, and has outrun Lynn many times.

Nico: Wow, she's one fast and strong athlete to outrun Lynn many times.

Connie Jackelstein: You got that right, but there's also something else: I also have a horrible history with Scott from Total Drama, and get this: I not only shot him, but I even threatened his life!

We gasped in pure shock.

Me: Whoa, so we're not the only ones who hate that asshole.

Bertha Sellington: You guessed it, she hates his guts with a merciless hatred and vengeance, and she's also friends with Fang the Man Shark.

Connie Jackelstein: In fact. (Whistles)

Fang the Man Shark appeared, and Connie petted him on the head, which he really liked.

Lincoln: Wow, I didn't know you're friends with Fang the Man Shark, Connie, that's so awesome. Oh, and I got you a little something.

Lincoln gave Connie Jackelstein a large Cobal, Excavator of Dark World-themed sword with Cobal, Excavator of Dark World etched on the 6'10" massive, wide, double-edged dark blue blade, large dark blue angel wings for the crossguard, large dark blue gem embedded in the rainguard, longer black handle, and large dark blue gem with black angel wings surrounding it for the pommel.

Connie Jackelstein: Wow, I love the new sword you made for me, Lincoln.

Suddenly, a Thunderbird Necklace of Eternal Love appeared on Connie Jackelstein's with dark blue gems on the gold lightning bolts links and dark blue crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Connie Jackelstein: (Surprised) Whoa, is this?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're part of my harem and one of my many future wives, Connie.

Connie Jackelstein had a smile on her face and tears coming from her eyes, as she wrapped her arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around her waist, and he leaned down and kissed Connie Jackelstein on her lips, and she returned it, and we cheered for them. Then, we went up to the eight girls, and when Lincoln saw them, he immediately recognized them. The eight girls are Danielle

Fireseed from Turok, Trishka Novak from Bulletstorm, Kinzie Kensington and Asha Odekar from Saints Row, Carahil and Lyra Rosentia from Elder Scrolls IV: Oblivion, Mira and Diana Peyton from Lost Planet.

Lincoln: Oh wow, it's Danielle Fireseed, Trishka Novak, Kinzie Kensington, Asha Odekar, Carahil, Lyra Rosentia, Mira, and Diana Peyton.

Nicole: From Turok, Bulletstorm, Saints Row, Elder Scrolls IV: Oblivion, and Lost Planet, awesome.

Lincoln: Are you girls okay?

Danielle Fireseed: Yes, we're okay, thanks to you.

Then, when Danielle Fireseed and the other seven girls saw who it was that saved them from Taft, Sherman, and Knox, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in

Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large orange Spellbook of The Gods and The Universe, large orange Spellbook of the Elemental Gods, and large electric blue Spellbook of the Thunderbird holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive and indestructible deep sapphire blue angel wings with stars and blue nebulae reflecting on them with rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, and Buffalo on them and with hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large gold buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanjis "Savior of The Loud House, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, Founder of Team Loud Phoenix Storm, The Unifier of The Three Kingdoms, and Destroyer of The House of

Danielle Fireseed: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made seven clones of himself, and he and the seven clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Danielle Fireseed: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, eight Thunderbird Necklaces of Eternal Love appeared on the necks of Danielle Fireseed, Trishka Novak, Kinzie Kensington, Asha Odekar, Carahil, Lyra Rosentia, Mira, and Diana Peyton with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We told everyone what happened in Washington D.C. in 1911, and they were shocked when they found out the villains we went after were Taft, Sherman, and Knox, who tried to scared Woodrow Wilson out of the White

House to keep him from running for President.

But, when Lincoln showed what he did in outscaring those three, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Connie Jackelstein have a lot of catching up to do, now that she's back.

Carol: I'm so glad those three got what they deserve for trying to scare Woodrow Wilson out of the electoral race, but still, there was no sign of Petra anywhere.

Lincoln: That's okay, Carol. But, we witnessed Woodrow Wilson being elected as President, and we also outscared Taft, Sherman, and Knox.

Carol: Yeah, we sure did, and that was one awesome trick you pulled, Lincoln.

Mollie: Yeah, that was really impressive, Linky.

Nico: (Snickers) Next time, we could use that on Scott, let's see how that asshole likes that.

Connie Jackelstein: And I heard of what you guys did to that asshole when he, Tim Buktu, Evil Jimmy, Evil Sasuke, Justin Hammer, and Albedo formed Team Buktu to ruin your reputations. Now, I really hate that asshole, Scott, even more.

Lori: And we also blame that jerk, Alejandro, for breaking him and the other Total Drama Sore Losers out to get revenge. But, both he and Scott got what they deserved.

Lincoln: Yeah, I gave Alejandro the Marzanna's Ice Heart Vengeance Curse and he was frozen for all eternity, and Scott got the Chronos' Vengeance Curse, and he was turned into an old man.

Connie Jackelstein: Awesome!

---

After solving the mystery of the Ghosts of Presidents Past, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Connie Jackelstein saw Lincoln working out like crazy, she had an atomic red blush on her face.

Connie Jackelstein: Whoa, I was right that Lincoln has really grown to be a 17-year-old 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Connie, and now, I can also defend myself, and I've also gotten smarter as well.

Connie Jackelstein: That's incredible.

Nico: It sure is, Connie. So, can you tell us why you have a really horrible history with that asshole, Scott?

Connie Jackelstein: You won't like it one bit. I knew from day one Scott was nothing but an asswipe who enjoys seeing everyone around him suffer dearly, and he's nothing but a jerk. But, it turns out he's a lot worse than any of you would think: he murdered my younger sister, Emily Jackelstein, who was sixteen at the time, in cold blood. The day after that, my mom committed suicide, and my dad drank himself to death. I was so enraged at Emily's death, along with the suicide of my mom and my dad drinking himself to death, this is why I now hate Scott with a vengeance. So, after Total Drama All Stars, I found him, and I shot him in his leg, and I told him that this was for my sister, my mom, and my dad.

We gasped in shock.

Lori: I literally can't believe it, so Scott really is even worse than we first thought: he was the one who killed your little sister, Emily, in cold blood, and it led to your mom's suicide and your dad drank himself to death. That's nothing but pure evil.

Fang the Man Shark growled in anger, and Connie Jackelstein understood what he meant.

Connie Jackelstein: And Fang said that he wished he could've eaten Scott long ago.

Nico: Whoa, how did you know what he was saying?

Lincoln: That's one thing I forgot to mention: Connie has the power to talk to animals.

Me: That's awesome.

TLPS Mr. Wolf: Okay, now I really hate Scott even more. But, that shot to the leg, that was really awesome.

Lincoln: And getting hit with the Chronos' Vengeance Curse, that's what I call justice. Now, Scott will spend all eternity in prison forever, and when he dies, he'll answer for everything in Hell.

Connie Jackelstein: For what he did to Mom, Dad, and Emily, he deserves to burn forever.

We then got a shower afterwards, but then, the alarm sounded and when Lincoln checked the computer, he saw who it was that triggered it: it was Armogohma, the giant tarantula from the Legend of Zelda: Twilight Princess.

Lincoln: Guys, we need to do a little pest extermination: Armogohma, the giant tarantula from The Legend of Zelda: Twilight Princess is here, and it's causing havoc.

Nico: Yuck.

Katie "Pidge" Holt: Let me and Ets take down Armogohma.

Nico: You got it, Katie.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal, and he saw who the figure was in the vision: it was none other than Brand, the mad mage of fire from League of

Legends, and he's here to cause havoc. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is there someone else coming after us?

Lincoln: Afraid so, Nico, and Ahri, you and the others from your world aren't going to like it one bit: the dark energy signal I sensed belongs to the mad fire mage, Brand, and he's here to cause havoc.

Ahri the Nine-Tailed Fox and the other League of Legends girls in Lincoln's harem gasped in shock.

Ahri the Nine-Tailed Fox: Yikes, it looks like Brand refuses to stay gone for good. So, now we got a case of double trouble.

Lincoln: But, we're going to make sure that both of them are put down for good, so that way, we won't have any trouble on Fluttershy's big mission tomorrow. Let's go.

We flew out of The World Tree Estate, and Lincoln fired a powerful barrage of rainbow energy balls and elemental forces, and they hit Armogohma. When it saw us, it screeched in anger.

Maria: Great, another villain that doesn't talk?! Buzzkill.

Katie "Pidge" Holt: But, that's not going to stop me and Ets from killing it.

Suddenly, Katie's eyes turned neon green, and she was surrounded by a green energy aura with green lightning and lions, and as she approached Armogohma, she left green energy, green lightning, and lions with every step. Suddenly, Katie was surrounded by a massive vortex of green energy with green lightning surrounding it, there was a lion running around the vortex, and in the vortex is a green phoenix. Then, as the vortex faded, Katie emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Katie "Pidge" Holt grew to 6'5" in height, she had the body of a goddess and she has green highlights in the bangs of her neck-length light brown hair, she has neon green eyes and a green energy aura with lions, green leaves, and green lightning surrounding her, she has a lion with bolts of lightning inside its claws emblazoned on her forehead, she has on lion earrings with green gems for eyes and holding the Thunder Kanji inside its claws, and she has on her Crystal Necklace of the Buddha with green crystal links and a lion with green gems for eyes and holding the Thunder Kanji in its claws for the pendant. Katie "Pidge" Holt has on a green sleeveless midriff top with a silver phoenix on it, black pants with lions on the legs, and she has on a long green sleeveless trenchcoat with lightning bolts on the coattails, and on the back is a lion with lightning bolts surrounding it. Suddenly, Katie felt a sharp pain from her back, and then, massive green angel wings with green tips on the large green feathers, sprouted out of her back, she has on a Ring of The Phoenix with green gem on her right ring finger and a Star Sapphire ring on her left ring finger.

Katie "Pidge" Holt has her new massive Defender of Voltron sword in her hand, she has on her new large gold cuff Bracelets of the Champions of The Universe with green gems on her wrists, gold Belt of Elemental Bravery with a gold lion head with green gems for eyes and a large green gem in its open mouth for the belt buckle, large green Spellbook of The Gods and The Universe and large green Spellbook of The Elemental Gods on her left hip and Eater of Sins revolver holstered on her right hip. There's a green kanji below the lion that said, "Katie "Pidge" Holt, Pilot of The Green Voltron Lion and Communications Expert, Skilled Hacker, Loving Girlfriend of Ethan "Ets" Uson, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Destroyer of The Zarkon Empire, and Master of Nature and Lightning."

Katie has transformed into SUPER ANGEL INFINITY NATURE

# VOLTRON LION PALADIN ANGEL OF JUNGLE JUSTICE AND ELECTRIC LOVE!

We were amazed by Katie's transformation, and when Ets saw her, he had an atomic red blush on his face and hearts in his eyes, but when Armogohma saw it, the tarantula tried to attack, but Katie fired a powerful green energy blast, and it hit the giant tarantula.

Nico: Whoa, Katie's transformed, and that giant tarantula's going to get squashed if it tries to attack.

Ets: Whoa, Katie, you look beautiful. How do you feel?

Katie "Pidge" Holt: (Divine Echoing Cosmic Voice of The Forest Voltron Lion and Electric Love) **I feel incredible, Ets. Now, shall we squash that giant tarantula?**

Ets: (Smirks) With pleasure, Katie.

Ets unholstered his massive Hephaestus' Technology Sword of Angelic Justice from his now wider and more muscular back and transformed into Super Angel Eternity Infinity Imagination Technology Angel of Electric Justice and Imaginative Hope, and joined with Katie "Pidge" Holt.

Ets: (Divine Echoing Cosmic Voice of The Imaginative Techno Falcon and Techno Hope) **Let's get that giant tarantula.**

Ets and Katie "Pidge" Holt went after Armogohma, and they fired powerful blasts of cyan blue energy, green energy, gears, lightning bolts, leaves, lions, falcons, and any other gadget that Ets created with his imagination powers, and they explode with incredible power as they hit the giant tarantula. Then, Ets and Katie attacked Armogohma with their massive swords and slashed off Armogohma's legs and it crashed to the ground. Then, they fired powerful cyan blue and green energy beams, and as they hit Armogohma, they exploded with incredible power, killing it and Super Hakaing it for good. We all cheer wildly for what Ets and Katie did as they holster their weapons and power down, and Katie's new body, clothes, weapons, jewelry, and massive angel wings are permanent.

Katie "Pidge" Holt: That's it for that ugly spider. Thanks for helping me take care of Armogohma, Ets.

Ets: (Smiles Warmly) You're welcome, Katie.

Suddenly, Katie "Pidge" Holt wrapped her arms around Ets' waist, and it brought an atomic blush to Ets's face as her chest pressed pressed up to Ets' now massive and wide muscular pecs and her stomach came into contact with Ets' eight-pack abs, as he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into an embrace, which took her by surprise and brought an atomic red blush to her face. Then, as Ets leans down to Katie "Pidge" Holt's face, they kissed passionately as Katie "Pidge" Holt wrapped her left arm around Ets' wider and muscular back, and she placed her left hand on Ets' massive and wide right pec, and right behind them was a Falcon flying in the air, and we also saw a pride of Lions running across the field, and the display of the elemental forces behind them, and we cheered for them.

Nico: Now, that was awesome.

Lincoln: That makes another enemy of Hyrule taken down for good. But, we're not done yet, there's still the matter of the mad fire mage, Brand, to take care of.

Bree the Fire Faerie: That's right, Lincoln, and you and I are going to put that mad fire mage out for good.

Nico: This is going to be one fiery fight.

Lincoln: Not to worry, Nico. I've got a plan to contain the fight, so that way, Brand doesn't try to burn the city to the ground.

?: Soon, I will burn every living thing in this entire world to the ground!

Ahri the Nine-Tailed Fox: I knew there's no mistaking that voice from anywhere. You can come out now, Brand.

A humanoid lava-like figure came out, and it was none other than Brand, the mad fire mage and the former tribesman of the icy Freljord once named Kegan Rodhe, but in seeking one of the legendary World Runes, Kegan betrayed his companions and seized it for himself, and, in an instant, the man was no more. His soul burned away, his body a vessel of living flame, Brand now roams Valoran in search of other Runes, swearing revenge for wrongs he could not have suffered in a dozen mortal lifetimes.

Ahri the Nine-Tailed Fox: Brand, I should've known you'd return one day. You just don't even know when to give up, do you?

Brand fired a blast of fire at Ahri, but Bree the Fire Faerie absorbed it, and it made her stronger than ever.

Bree the Fire Faerie: I've had it up to hear with you to last an eternity.

Suddenly, Bree the Fire Faerie's red-orange eyes turned neon red-orange, and she was surrounded by a red-orange energy aura with flames, keys, and faeries, she got out her massive Neopia's Magic Staff of Magical Justice, and as she approached Brand, she left red-orange energy, flames, keys, and faeries with every step.

Bree the Fire Faerie: Kegan Rodhe, the crimes that you've committed against the Freljord and your own companions can never be forgiven, and now, you shall pay the price for your misdeeds.

Suddenly, Bree the Fire Faerie was surrounded by a massive vortex of red-orange energy with flames and keys surrounding it, there's a faerie flying around the vortex, and in the vortex is a red-orange phoenix. Then, as the vortex faded, Bree the Fire Faerie emerged, but she was changed forever.

Bree the Fire Faerie has transformed into SUPER ANGEL INFINITY TRUE LOVE KEY FIRE FAERIE OF NEOPIA JUSTICE AND MAGICAL LOVE!

We were amazed by Bree the Fire Faerie's Super Angel Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Brand saw it, he fell into a rage and fired another blast of fire at her, but Bree absorbed it and it made her stronger than ever.

Nico: Whoa, Bree the Fire Faerie's transformed.

Me: This is going to be one awesome fire fight.

Lincoln made a wall of fire, and it cut off Brand's attempts to escape and cause havoc.

Queen Fyora: And Lincoln did say he's going to contain the fight, so that way, the fires won't cause any havoc in Gotham Royal York.

Lincoln: Wow, Bree, you look beautiful. How do you feel?

Bree the Fire Faerie: (Divine Echoing Cosmic Voice of the Fire Key Faerie and Divine Love) **I feel incredible, Linky. Now, shall we administer Kegan Rodhe's punishment?**

Lincoln: (Smiles) With pleasure, Bree.

Lincoln unholstered his massive Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Bree the Fire Faerie.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Your days of revenge and fiery destruction are over, Brand.**

Lincoln and Bree the Fire Faerie went after Brand, who continued to fire powerful blasts of fire at the two, but they absorbed the fire blasts and it made them stronger than ever, and then, they fired powerful blasts of rainbow energy, red-orange energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, Faeries, and Keys at Brand, and they exploded with incredible power as they hit him. Then, Lincoln attacked him with his massive Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds, and left painful scars on Brand, and Bree the Fire Faerie fired powerful red-orange energy blasts from her staff, and it hit him.

Then, Lincoln grabbed Brand, and he began sucking out and absorbing all of Brand's fire powers, magic, and abilities, and Brand screamed in excruciating pain as Lincoln continued absorbing his fire powers, magic, and abilities, as Lincoln's rainbow energy aura with Phoenixes, Angels, Thunderbirds, Buffalos, and elemental forces flared up extremely, as he gained a massive power boost. Then, as soon as Lincoln was done, Brand was nothing more than a lifeless charred corpse, and as soon as his spirit appeared, Bree the Fire Faerie marked his forehead with a kanji and condemned him to the Black Gates forever as his spirit was erased from existence by the spirits of those he killed. We cheer wildly for what Lincoln and Bree the Fire Faerie did as they holster their weapons and power down, and Bree the Fire Faerie's new body, clothes, weapons, jewelry, and massive fairy wings are permanent.

Bree the Fire Faerie: May you never return to plague the world ever again with your desire for revenge. Thank you for helping me take care of Brand, Linky.

Lincoln: (Smiles Warmly) You're welcome, Bree.

Suddenly, Bree the Fire Faerie wrapped her arms around Lincoln's waist, and it brought an atomic blush to Lincoln's face, as he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into an embrace, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Bree the Fire Faerie's face, they kissed passionately as Bree the Fire Faerie wraps her left arm around Lincoln's wider and muscular back, and she placed her left hand on Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Fire Faerie flying in the air, and we also saw a herd of Buffalo running across the field, along with flames raging behind them, and the display of the elemental forces behind them, and we cheered for them.

Nico: Whoa, now that's what I call one fiery battle between the Fires of Justice and The Fires of Revenge and Hatred.

Me: And in the end, it was the fires of justice that brought an end to the fires of revenge. Now, Brand will never terrorize the world ever again.

Lincoln: That's right, J.D., what Brand did can never be forgiven. He gave into his desire for power when the World Rune took over his body, and he became a living flame of revenge, wanting to find the other World Runes and burn the world to the ground, along with every living thing in it, that's just evil.

Bree the Fire Faerie: But, we stopped him once and for all.

Sunset Shimmer: You and Linky sure did, Bree. That was awesome.

Sunset Shimmer and the Fire Skylanders also agreed with her, along with the fire users on our team.

Lori: And the way Linky killed Brand, that was literally awesome.

Lincoln: Brand didn't realize we have the power to absorb fire and it makes us stronger, and that was one thing that led to his defeat and his death, Lori.

Sunset Shimmer: You got that right, Linky, and now, you've made Brand's fire powers, magic, and abilities your own.

Lincoln: Same with all of us when Brand was killed, Sunset.

Me: That's right, we all assimilated Brand's powers after he was killed by Lincoln when he sucked out and absorbed all of his fire powers, magic, and abilities.

Later it was time for Nokama's 3rd Ambassador Mission.

William: Anyone else want to go with Nokama? Besides 2 Rabbids, Dirty Bubble, and Axel?

Nokama: How about Brittney Knudson, Lucy Loud and Carly Atlas comes with me next.

Me: Good idea.

Carly Atlas: It'll be awesome to meet the Kamen Riders for Kabuto.

Nico: This is gonna be awesome. I hope we face 6 worms this time.

Eli: That will be awesome!

Nico: Yeah!

Me: Yep.

Nokama: Lets head out.

We were off.

We arrived in Japan yet again.

Me: Here we are.

Soji: Hey guys!

Me: Sup Soji.

Nokama: Soji, meet my archenemy.

Dirty Bubble: Awesome to meet you. I'm the Dirty Bubble, second greatest archnemesis of Mermaid Man and Barnacle Boy.

Me: And this is my Daughter.

Brittney: I'm Brittney Knudson, leader of the Goths of Darkness.

Lucy Loud: I'm Lucy Loud.

Carly Atlas: And I'm Carly Atlas, Dark Signer of the Hummingbird and member of both The Masters of Evil and the Redemption Squad.

Axel Manning: And I'm Axel Manning. It's an honor.

Soji: Wow! It's awesome to meet you all.

Hiyori: Same here. It's an honor.

Nico: FYI, Soji. We're making each Kamen Rider team like each Power Rangers and Super Sentai team in numbers. We pretty much have the 6 members for yours.

Soji: Awesome!

Me: Yeah we all thought it was awesome ourselves.

Brittney: Yep. Oh and one of my fellow Gothic members of the Goths of Darkness picked one of your fellow Kamen Riders as your archenemy in the Masters of Evil.

Me: I guess it will be Shun Kageyama.

Soji: I can't stand that guy.

Nokama: I remember seeing him and he is bad news.

Carly Atlas: And for Nico's friend Emily Lola Sarsaparilla she chose So Yaguruma.

Soji: Cool!

Nico: Yeah they already made up their minds for it. Pretty cool.

Just then, a rock smashed through the window.

Nico: What the Hell?! Who threw that?!

Me: I hope that was just a punk kid that threw that.

Carly Atlas: I hope so too.

The Rabbids spoke in gibberish and then we looked.

We then went outside and saw two certain Riders.

Nico: (chuckles) Well, I was wondering when we'd run into you two.

Shun Kageyama: Apologies for the rock. But we had to get your attention somehow.

Me: Shun Kageyama and So Yaguruma. Funny thing is we were just talking about you two.

Carly Atlas: Yeah!

Me: You know funny thing is I sensed that you two were watching us as we left and I knew it was gonna be a matter of time before you showed up.

Shun Kageyama: Yeah no kidding.

Soji: You're not working for the Worms, are you?

So Yaguruma: Nope. We just want to fight you all to see if you're good as they say.

Me: You know I had a feeling you were gonna say that.

Shun Kageyama: And to get spots on the Masters of Evil. Since you guys haven't recruited any Kamen Rider villains for them yet. Plus, I haven't had a good fight since I died so many years ago.

Me: Wait a minute? You died?

Eli: Unless you faked your death somehow.

Shun Kageyama: Now there is the beauty of it.

Me: All righty. I suppose I might as well blow off some steam facing you.

Nico: Show them your stuff J.D.

Me: With pleasure. And just so you know Shun, So, I won't be holding back.

So Yagurama: Fair enough.

Nokama: If it's a fight you want, you got it! Henshin!

She went rider!

Nokama: But who am I to spoil J.D.'s fun first.

Me: Yeah. Also you two are honored. No one has ever gotten me to demonstrate my ultimate speed twice in a row.

I took off my jacket, weights and shoes and folded them.

Me: Watch this.

I tossed my stuff aside and then…

KRASSSSSSMAAAAAAAAAAAAAAAAAAAAAAAAAAAAAASSSSSSSSSS

They smashed into the ground with an incredibly thunderous crash and they were in a big crater!

Me: (CRACKS NECK) Ahh! There.

I loosened up.

Shun Kageyama: HOLY FUCKING SHIT! How heavy is all that you wear?

Me: You wouldn't believe me even if I told you Shun.

So Yaguruma: Time to suit up.

So and Shun: Henshin!

They went rider!

Nico: You know the Locust and the Grasshopper are two very amazing insects.

So Yaguruma: So we heard.

So and Shun: CAST OFF!

Computers: CAST OFF!

Their armors flew off.

Computers: CHANGE KICKHOPPER, CHANGE PUNCHHOPPER!

Nico: Cool!

Me: Awesome!

Soji, Soh, Hiyori and Arata: Henshin!

Soji, Soh, Hiyori and Arata went Rider.

Soji, Soh, Hiyori, Nokama and Arata: CAST OFF!

Computers: CAST OFF!

Their armor flew off.

Computers: CHANGE BEETLE/WASP/SPIDER/FIREFLY!

Nico: AWESOME!

Me: Shall we dance?

So Yaguruma: Lets.

They went at me and then…

ZOOM!

I went at them with blazingly incredible speed and punched and kicked them all over the place.

Shun tried to punch Dirty Bubble but he disappeared with a pop. Shun smirked, thinking that he beat him until he reappeared behind him. Shun tried to punch Dirty Bubble again but he disappeared with another pop.

Shun: Okay, this is starting to get silly. I'm fighting a bubble, for God's sake!

Me: What am I? Chopped liver?

KROW!

I punched Shun and Carly swooped in and kicked him in the back of the head.

Eli: Also So watch this. ICE DRAGON! 魔闘凍霊拳

He punched So and froze him all over in ice!

Shun: What the!?

Eli: That's for starters. STORM OF TORMENT! 暗黒雷迅拳

Eli fired a massive blast of lightning and Shun tried to outrun it but it was completely impossible and he was electrocuted all over.

So broke out of the ice.

So: (chuckles) Haven't had this much fun in a long time. Not counting that one time I was Another Kabuto.

Axel Manning: Wait. Another Kabuto?

Arata: I know what So's talking about. But to get more info, you'll have to wait until you meet Kamen Rider Zi O and his friends.

Me: Okay then.

Nico: This will be good.

Eli: Very impressive how you were able to break out of the ice.

So: Thanks. Also I heard you obliterated a worm with a powerful black dragon.

Eli: That's right and it was the Dragon of The Darkness Flame. It forms a Dragon made of pure fire from the depths of the Underworld as hot as the sun and anything it hits is incinerated in an instant.

Nico: Yep it's true.

Nokama: Time for me to unveil another form.

Nokama reverted back and then she went TOA HORDIKA!

Nico: Now they are both in for it.

Eli: Also I have this one too. SWORD OF THE DARKNESS FLAME! 邪王炎殺剣

Eli formed a sword of pitch black fire and it was hot as the sun.

Shun: How are you able to do all that?

Eli: You would be amazed at what I can do.

Me: Who do you think taught him? Eli is no show off that's for sure.

Shun: Wait Eli as in Eli Winston Bullock, master of the Force, Summoner of the Kaiju, Great Duelist, Son of Pharaoh Atem, Member of The Black Knights, Overthrower of LeLouch of Brittania, Great Gundam Pilot and great pupil of J.D. Knudson?

Eli: That's right.

Me: How did you know all about that?

Shun: Many legends have been swirling all around him! Wow!

Arata: My turn. Hyper Cast Off!

Computer: HYPER CAST OFF!

Arata donned an awesome HYPER KAMEN RIDER FORM!

Computer: CHANGE HYPER BEETLE!

Nico: AWESOME!

Me: This is getting good. Also I have a new technique as well.

I then unleashed a massive and powerful blue energy aura!

Nico: WHOA!

Me: I must thank Bui for teaching me this and in return, I taught him how to control his power at the max.

Nico: Wow! So you have your own version of Bui's Battle Aura.

Me: Yep.

I flew at So and smashed him down and Arata went at Shun and kicked him down.

Eli slashed So in his chest and knocked him down and me, Arata and Soji blasted Shun with energy and Nokama fired a blast of blue energy and smashed them down.

Nico: CHECKMATE! If you two were worms I would say that you two have failed this city.

Eli: Same here. That was epic!

Carly Atlas: Boy it sure was!

Axel Manning: YEAH IT WAS!

Shun: (laughing) That was the best fun I've had since I died!

Dirty Bubble: Welcome to the Masters of Evil, you two.

Shun: Thanks.

I helped them up.

Me: Man you two did awesome.

So: Same here J.D. Wow! You are as powerful as you say. And you taught Eli really well.

Me: Eli is more than just my student and I'm more than his teacher. Eli is my brother and he has learned so much from me too.

Nico: That's right. Eli has done so much over the years too.

Soji: He sure has.

Eli: Thanks guys. And it was awesome demonstrating my powers too. But there is many more where those came from.

Brittney: But it was so awesome facing you guys.

So: Same here.

Soji: You two are still paying for a new window.

Me: That won't be necessary Soji.

I snapped my fingers and fixed the window and it was good as new.

Soji: Oh thanks J.D.

Me: No problem. Next time I'll introduce you to the people Eli learned all those techniques from.

Nico: That's a great idea J.D.

Soji: It'll be awesome and an honor.

We later came back.

May: How did it go?

Me: Epic!

We told everyone everything and it was awesome.

May: WHOA! That is amazing!

Me: Yep it was. Yusuke, you and everyone will come with too.

Yusuke: Awesome! I'm looking forward to this one.

Nico: It'll be awesome.

May: For your last mission, 2 Rabbids and Mike Chilton should go with you.

Nokama: I'm looking forward to that one.

Me: Yep.

Emily Lola Sarsaparilla: And I'm looking forward to having So as my archenemy.

Rhonda Jekyll: And me as Shun's archenemy. This is gonna be awesome.

Me: You girls will love it.

---

We were having fun with the Rabbids and the Mascots were starting to get jealous.

Poliwag: (growls) Ever since those Rabbids showed up, Nico, J.D., and the others have been paying more attention to them!

Nico: Oh come on guys. I still pay attention to you all.

Eli: Same here.

Manaphy: Well thanks guys.

May: I would never abandon you.

Manaphy: I know you wouldn't mama.

Poromon: (Growls) But I won't let them replace us.

Poromon got an idea. An AWFUL idea!

Poromon then got A GRINCH GRIN ON HIS FACE!

Poromon: (smirks evilly) Time to get rid of those pests!

OH NO! HE IS UP TO SOMETHING BAD!

Manaphy: Hey, Rabbids. Can you guys come here?

They went over to the Mascots.

The mascots pushed the Rabbids, riding a wagon, into the woods.

Horsea: (laughs evilly) Bye bye, stupid pests!

The mascots left.

The Rabbids then knew the mascots were up to something. But they were truly loyal to Eddy. So they ran back to the estate.

Maria: Horsea, have you seen the Rabbids anywhere?

Horsea: Nope. I don't keep track of them.

But then the elevator door opened and in came the Rabbids.

Maria: Oh there they are.

Horsea: AW MAN!

Poromon: They came back!?

Eddy: Where were you guys?

They spoke in gibberish.

Eddy: THE MASCOTS DID WHAT!? WHY YOU LITTLE!?

He jumped the mascots and smashed them all over in a fight cloud!

Ed: FIGHT!

Ed jumped Eddy and pulverized him all over!

We pulled them away.

Nico: Eddy, why are you beating the mascots up?!

Eddy: They left the Rabbids in the woods!

Nico: WHAT!?

Me: I think I know what this is. The Mascots were jealous because they thought the Rabbids were getting more attention than they were.

May: Oh man.

Manaphy hugged May and cried.

May: Manaphy it'll be okay.

Nico: Poromon, I know you guys are jealous but you should've have done that!

Poromon: Can you blame us?! We've had enough of the Rabbids to last an eternity!

Eddy: Oh no! You don't get to use one of our own lines against us! The Rabbids could've died alone in the woods!

Me: Eddy! But yeah. Guys you should have told us how you were feeling.

Nico: Yeah!

Eli: Besides you guys need to think about that stuff.

Me: But that is amazing how they were able to come back here.

Manaphy: (sobbing) We understand. We're no longer the cuties on the team.

Horsea: (also sobbing) If you need us, we'll be in a trash can. It's where garbage like us belong.

Nico: What!?

Me: What!?

Ninetales: They don't mean it like that!

Eevee: Yeah it's not like that!

Maria: We should NEVER get tired of you guys.

Jirachi: Don't look at us.

Tentacool: We just got here.

Me: You've been with us for a few months.

Nico: Yeah. Also Poromon, Poliwag how could you ever think it like that!

Eli: Yeah you will never be replaced!

Poromon: Then why have you guys been paying attention to the Rabbids more then us?!

Nico: Poromon that is not true. The Rabbids have been providing laughter and comedy. You are always helping us out too.

Eli: Yeah. Now you owe Eddy an apology.

Poliwag: We're sorry, Eddy.

Eddy: Yeah I bet!

Nico: Eddy!

Eddy: Okay okay. I forgive you. But if you ever do this again, I will make you sleep with Ed in his tub of gravy!

Ed: There's plenty for everyone! I got plenty of ladles.

Poromon: We're sorry, Rabbids.

The Rabbids forgave them. Then they farted in their faces and belched loudly.

Poliwag: (GROSSED OUT)

Maria: All's well that ends well.

Nico: Yep.

Laney: Yeah.

Callie Allbright: I have an awesome thing for us all to do.

Nico: What's up Callie?

Callie Allbright: There's an awesome baking contest being held at Phoenix Land and the grand prize for the winner is a 100 inch big screen HDTV with over 5,000 channels and it comes with everything, snack and popcorn dispenser, surround sound speakers, 50,000 video games and more.

Nico: WHOA! That is a big TV.

Izuku: We want to enter that contest so we can win it.

May: I take it you guys want a TV so badly?

Izuku: We sure do because we have so many movies we all want to watch.

Tsuyu: It'll be awesome. Besides the room we all have doesn't have a TV.

Nico: Well it'll be awesome.

Me: And it'll be awesome to show off my cooking skills.

Laney: This will be awesome.

Callie Allbright: I'll gladly help too. Also the ad says that it's a contest against the great chefs of Extreme Food Fight. It's gonna be against Hal Apeño, Sue Shi, Crepe Suzette and Brad Wurst.

Nico: Cool!

Me: Just like Iron Chef! This is gonna be awesome!

Eddy: Nico, which Gene Slammer do you think you'll meet on your next rescue?

Nico: I'm hoping to meet a gene-slammer for one of Atomix's kind next.

Eli: Ooh a radioactive one next.

Laney: This will be awesome.

Lana: Yeah.

Me: Well Nico lets get moving.

Vypra and the Masters of Evil came.

Vypra: You guys heading to Phoenix Land for the Bake-Off?

Nico: Yep we sure are.

Dark Spicer: Awesome! And on the eve of Fluttershy's big mission too! This will be fun!

Fluttershy: It sure will be lovely.

Me: Boy it sure will.

Nico: Lets get a move on!

We were off to Phoenix Land.

---

Later we were at Phoenix Land.

Poromon: This is gonna be so exciting!

Nico: It sure is.

Camie: Wow! So this is your amusement park?

Me: Yep it sure is. Phoenix Land is our very specially built amusement park.

Eli: It always is fun coming here.

Timmy Turner: Yep and my mom entered Extreme Food Fighting long ago.

Me: That's right Timmy you wished for your mom to be the best cook ever right?

Timmy Turner: I sure did. She made the best food ever.

Cosmo: Her cooking is as bad as Wanda's cooking!

POW!

I punched Cosmo in the face.

Wanda: Thanks J.D.

Me: You're welcome Wanda and don't listen to that dunderhead. Your cooking is the best.

Wanda: Thanks again J.D.

Me: No problem.

Maria: We built Phoenix Land after Horrorland was destroyed.

Nico: Yep.

Me: That was awesome.

Sirius: How cool is that.

Me: Horrorland was what I call the Amusement Park from 100 Hells. You would not like what it was like.

I went over what happened during the events of chapter 771 and it was wicked.

---

At the estate, we were all getting Kevin, Gwen, Nico, May, William and Maria ready for a triple date. Me, Ben, Alan and Lincoln were dressing up Kevin. Kevin was in an awesome tuxedo.

Me: Lookin, Sharp Kevin.

Kevin: Thanks man. I haven't gone on a date with Gwen in a while.

Me: When was the last time you went on a date the last time?

Ben: Back when I was going through a phase.

Me: What kind of phase Ben?

Ben: I was going through Necrofriggian Pregnancy and I ruined it.

Me: Really?

Ben: Yeah I found out that Necrofriggian's lay eggs once every 80 years.

Me: Wow. That's a long time for a moth humanoid alien.

Kevin: It sure is.

In Lori's room, Varie, the Loud Sisters, Julie, Chione and Earth were dressing up Gwen.

Lori: You literally look so beautiful in this dress Gwen.

Gwen: Thanks Lori. We haven't been on a good date in a while.

Luna: When was your last date?

Gwen: Back when we were in Bellwood. Ben was going through Necrofriggian Pregnancy.

Varie: (Skeptical) Really?

Chione: Is that even possible?

Gwen: It was weird. We were shocked ourselves.

Julie: I caught it all on camera.

Julie showed them a video of what went down during that time and they saw that Necrofriggian babies look like blue bubbles when they hatch and turn into little Necrofriggians.

Chione: They are so cute!

Varie: They sure are. How often do Necrofriggians lay eggs?

Gwen: Once every 80 years.

Chione: Wow! I didn't know that.

Manaphy: That is really weird but so cool! I didn't know Alien Biology works like that.

Lana: Me neither. But that is so awesome!

Lola: It sure is.

Lynn: That is really cool.

Later they were ready.

Lynn: Have fun with your date, guys!

Kevin Levin: Thanks, Lynn.

Gwen: Make sure nothing bad happens here while we're gone.

Lynn: Got it!

Lori: Look at those two, guys. After a whole year of being apart, they're literally ready to get their love lives back on track.

Soon enough, Kevin, Gwen, Nico, May, Manaphy, Horsea, Maria, and William were in Vanzilla.

Nico: Alright. Time to go.

Manaphy (takes the wheel as Lynn and Lori see this): I'll drive us.

The engine starts, making Lynn laugh and shocking Lori.

Lori: GUYS, NO! MANAPHY'S TOO YOUNG TO DRIVE! (runs to stop her)

Manaphy: Aw man!

Maria: Better let me drive Manaphy.

Manaphy: You're right.

Maria took the wheel.

We saw them drive off.

Me: Ah. There go three awesome couples guys.

Lincoln: Yep.

Varie: I love it when couples get together.

---

They went to a very luxurious restaurant and it was a good one.

Gwen: I'm so glad to be on this date with you, Kevin.

Kevin: Same here. I mean, when was the last time we did anything romantic together?

Gwen: Since the time Ben went through his Necrofriggian Pregnancy.

May: I was told about that. That was so strange but amazing at the same time.

Nico: Yeah.

They were ordering their dinner.

They had their dinner 20 minutes later.

Then a young teenage girl came in.

?: Guys can you all help me?

Nico recognized her.

Nico: Oh wow! You're Lizzy Morris from the Goosebumps book One Night at Horrorland!

Lizzy: That's right Nico. It's an honor to meet you. I came to find you.

May: What's wrong?

Lizzie: My brother Luke and his best friend Clay disappeared somehow and they went to Horrorland.

May: That scary deathtrap amusement park Nico showed me in the Goosebumps books?

Lizzy: That's right.

Kevin: That place sounds horrible.

Gwen: I've read about Horrorland in the Goosebumps series too and it is awful.

May: Don't' worry, Lizzie. We'll head back to the estate and-

Lizzy: No. You guys finish your triple date first. My brothers can wait a little while longer.

Nico: That's very kind of you.

They finished their date.

---

On the van ride back home after paying for their dinner and having an awesome time, Lizzy was telling them about everything she and her family went through at Horrorland.

Maria: Lizzy that's awful.

May: That is an amusement park from Hell 100-Fold!

Manaphy: I would not want to go there mama.

Nico: Me neither. But maybe we can make our own version of Horrorland without the deadly attractions.

Maria: That's a great idea Nico.

William: I'm inclined to agree.

May: Me too.

Nico: First we'll need to get the blueprints for it.

Maria: Okay. Lizzy, we'll gladly help you out.

Lizzy: Thank you so much Maria.

Kevin: I'll take my car while we drive to Horrorland. I haven't driven it in forever.

Maria: Good idea Kevin.

The van parked in the garage and they got out.

We heard them come in.

Me: Hey guys. How was your date.

Nico: It was great man. But we had an encounter.

Lizzy: I'm Lizzy Morris. It's an honor to meet you J.D.

Me: Same to you Lizzy. I take it you're here because of Horrorland right?

Lizzy: That's right.

Me: You're not the only one that has had encounters like this. Let me show you.

We showed Lizzy the exploits and travesties that happened to Carly Beth, Brooke, Evans, Sabrina and Andy.

Lizzy: So you all had encounters with these terrifying monsters too!?

Carly Beth: We sure did.

Nico: I was a victim to Slappy the Living Dummy.

Nico showed her the books for Night of The Living Dummy.

Nico: But also I'm not the only one that was tormented by Slappy.

Dr. Strange: And before Nico killed a clone of him, I killed the real one and sealed him into the Dark Dimension.

Nico: That's right Stephen.

Carly Beth: Here's the one me and Sabrina know.

Carly Beth and Sabrina showed them the books of The Haunted Mask.

Sabrina: That mask was pure evil.

Brooke: Here's the one I faced.

Brooke showed Lizzy the book for Phantom of The Auditorium.

Brooke: That was a terrifying one.

Sheena: And here's the one me and Billy faced.

Sheena showed them her the book Deep Trouble.

Sheena: There was no monster in that one. Just a greedy money-hungry criminal scientist assistant.

Billy: Yeah.

Me: Yep. And when we started taking down the Goosebumps Monsters, we made a branch team for Team Loud Phoenix Storm.

Nico: Yep. I'm the Leader of Team Loud Phoenix Storm's Goosebumps Monster Busters.

The symbol was the Goosebumps G with a no sign over it.

Lizzy: That's so cool!

Nico: It sure is.

Carly Beth, Sabrina, Brooke, Sheena, Billy, Evans and Andy had the same symbol.

Lizzy: Awesome!

Me: Lizzy can you show us where Horrorland is located?

Lizzy: I sure can.

I pulled up a holographic map of the world on the computer and Lizzy showed us by touching it.

Lizzy: (Touches the border between California and Oregon) Right here.

I zoomed into the location.

Me: That's just 25 miles from the Springfield Nuclear Crater.

Nico: Weird seeing it there.

Laney: Then it looks like that's where we're gonna go.

Me: Yep. Okay, some of us are gonna drive, fly and ride our horses.

Lizzy: Oh wow! I love riding horses!

Me: Awesome! Would you like to ride a Rapidash?

Lizzy: I would love that!

Me: All right! Lets head out for Horrorland!

Everyone: YEAH!

Me: Team Loud Phoenix Storm…

Jaime: And Team Loud Fairywind…

Me: LETS FLY!

(The Night Begins to Shine plays)

We were off to Horrorland. We were driving, flying and riding horses. I was riding my Rapidash. As the Crescent Moon shined in the night sky, we were like a powerful army ready to take on anything. We went over mountains and landscapes, went through forests and more.

---

HORRORLAND!

---

We arrived at our destination: HORRORLAND!

Me: Here we are guys. Horrorland. Welcome to Hell 100-fold.

We saw a terrifying amusement park that was practically filled with evil. It was a horrifying place.

Lola: This place is really scary.

Xerneas: No kidding.

We saw the ticket counter.

Horror: Can I see your tickets, please? (gets shot by Dead End)

Dead End: Don't bother. We can let ourselves in.

Nico: Good shot Dead End.

Dead End: Thanks boss.

We went into the park and we saw that it was as big as a massive medieval kingdom.

Laney: Wow! This place is massive!

Maria: No kidding. They could be anywhere in here.

Me: Okay. We better split up into 12 teams and cover more ground.

Nico: Okay.

Lizzy: Here's a map of Horrorland.

Lizzy handed us a map of Horrorland and there were 12 major locations.

Me: Thanks Lizzy.

Meta Knight: I think it would be wise to copy the blueprints of each ride. Their designs are interesting if it weren't for the deadly features.

Nico: I suggested that already.

Me: But that's a great idea guys.

Kup: Let's all meet back here after our assigned rides are dealt with.

Me: Good idea Kup. Lets go.

We were off.

We split up into 12 groups for each location.

---

Stagger Inn - William, Kevin, Stacy, Eddy, Shego, Luan, and Stella.

---

William, Kevin, Stacy, Eddy, Shego, Luan and Stella were at the first attraction: Stagger Inn.

The Stagger Inn is a hotel for HorrorLand visitors.

It has a castle-like look and two sculpted Horrors with axes at the bottom of the staircase leading to the hotel entrance. Many screams and roars can be heard from inside the hotel, indicating that it is most likely haunted.

When Britney Crosby and Molly Molloy were given their suite on the 13th floor, their room has a flat-screen TV, plenty of clothes, and no mirrors.

William: So this is the first attraction.

Stacy: Stagger Inn.

They went into the castle and it was a creepy place. They saw a horror and Kevin absorbed a bar of steel and he turned his hand into a blade and he slashed the horror and killed it.

Kevin (to deflated Horror): Guess you were full of hot air.

Then continued in and it was a creepy hotel.

Shego: This hotel gives me the creeps.

Stella: Me too. This is horrifying.

Stacy: I would give a hotel like this 100 thumbs down.

Luan: And there are no Thumbs Up here. (Laughs) Get it?

They laughed.

Eddy: (Laughs) Good one Luan.

Shego: That was funny.

They walked on and saw that the rooms were lavish but the conditions were horrible.

William: This place is horrible.

Eddy: No kidding. I would never stay here if my life depended on it.

Suddenly there was a scream!

William: Uh oh!

They went down the hall and in a room they saw a girl. It was Molly Molloy.

Molly is twelve years old, Caucasian, taller than Britney and thin with lighter and curlier coppery hair and brown eyes. And she is more into sports.

She was being terrorized by a monster with 6 eyes on stalks and it had orange skin and a leech-like mouth and 7 legs.

Stacy: Let that girl go you freak!

Stacy fired a powerful blast of lightning and burned it all over and incinerated it.

Stacy: Nice try you freak.

They went over to her.

William: Are you all right?

Molly: I am now. Thanks to you guys.

Luan: I know you. You're Molly Molloy from the Goosebumps book Revenge of the Living Dummy.

Luan held up said book.

Molly: That's right. Wow! You're Team Loud Phoenix Storm!

Stacy: We sure are. It's a pleasure to meet you Molly.

Molly: You too. We were teleported here when I touched some of those Horrorland Tickets.

Shego: How many others are there?

Molly: There's 12 of us.

Stacy: Looks like we arrived just in the nick of time.

Stacy pulled out a radio.

Stacy: Stacy to Nico, do you read? Over

Nico: (On the Radio) Nico here Stacy. Over.

Stacy: We found another guest here at Stagger Inn. It's Molly Molloy. Over.

Nico: From Revenge of The Living Dummy? Over.

Stacy: Affirmative. She said that she and 9 more are here as well. I think they are from the Goosebumps Horrorland series. Over.

Nico: Whoa! Have her go with you and get the blueprints for the hotel. Over.

Stacy: Copy that Nico. Over and out. (Puts away radio) Molly, we're gonna get you and the others out of here.

Molly: Thank you so much Stacy.

Stacy: You're welcome.

They went into a room that said main office and they found blueprints for the hotel.

William: Interesting setup for the hotel.

Eddy: Too bad it's a death trap.

William: But when we build our own amusement park, we'll make it safe.

William rolled up the blueprints and put them in a tube he brought with him.

Quicksand Beach - Luna, Meta Knight, Trudy, Hiyana, Chione, Lapis Lazuli, Maria, Bai Tza, and Irma.

Luna, Meta Knight, Trudy, Hiyana, Chione, Lapis Lazuli, Maria, Bai Tza, and Irma were at a place called Quicksand Beach.

Quicksand Beach is a beach that resides in Black Lagoon Water Park and is made entirely out of quicksand. HorrorLand visitors are given special quicksand (semi-resistant shoes and are told to walk across the beach. They sink, no matter what, into tubes hidden underneath the beach that take them to another part of the park.

They saw a sign that said Quicksand Beach.

Trudy: Quicksand Beach? This place is really dangerous!

Chione: No kidding. But we can just fly over it.

Bai Tza was flying and everyone else spread their wings. They saw that the beach of quicksand stretched for miles.

They hovered over it and it was an amazing but extremely deadly beach.

Meta Knight: Hardly anyone here.

Chione: No kidding.

Bai Tza: I hope nobody dies here.

Irma: I think they did.

Irma used her powers to suck all the water out of the quicksand and turn it into regular sand and she threw the water back into the ocean.

Lapis: That was really clever Irma.

Irma: Thanks Lapis.

Luna: Wait dudes. Look.

They saw the sand collapse and they saw that the beach covered tubes all over the place.

Trudy: So that's it. The beach covers tubes that lead to different places of the park.

Hiyana: That's a clever rues.

Maria: But very dangerous. It makes it all look like they died.

Then they heard a scream and they saw a girl sinking.

Irma: Oops. Missed a spot.

Maria: Lets go!

They went over and they saw that it was Julie Martin!

Julie is twelve years old, Caucasian, tall and skinny with long straight dark brown hair and brown eyes.

Hiyana: I got you!

Julie grabbed her hand and they pulled her out.

Julie M.: Whew. Thanks. Whoa, you're Team Loud Phoenix Storm! I'm Julie Martin.

Luna: That's right dude. It's a pleasure to meet you. And you're from the book Say Cheese - And Die Screaming!.

Luna held up said book.

Julie M.: That's right.

?: What happened here.

They saw a boy hover over the sand and they saw that he was flying! It was Jack Johnson from the Goosebumps Book How I Learned to Fly.

Jack has dark, very curly hair. Jack describes his own nose as being too big.

Maria: Wow! You're flying!

Jack: Yeah I know. I'm Jack Johnson.

Luna: Whoa! You're from the book How I Learned to Fly!

Luna held up said book.

Jack: That's right. Wow! You're Team Loud Phoenix Storm! You guys are my heroes!

Bai Tza: We get that a lot.

Jack: It's so awesome to meet you all.

Trudy: How are you able to fly like that?

Jack: I took a potion that enabled me to get the ability to fly.

Meta Knight: That's amazing.

Lapis: It sure is. Usually you have to have wings or superpowers to do that.

Jack: That's true.

Maria: Is it permanent?

Jack: Yes it is. The potion I took made it last forever.

Everyone: Wow.

Julie M.: That is awesome!

Then the ground shook and out came a huge monster! It was the Plant Worm Monster from the 1981 movie BLOOD BEACH!

The Blood Beach Monster is an enormous worm-like organism that terrorized the visitors of Santa Monica Beach near Los Angeles, California.

The Blood Beach Monster is a large worm-like creature with sickly green skin and a flower-like mouth.

Maria: Whoa! That's the Blood Beach Plant Monster!

Bai Tza: From that 1981 movie?

Meta Knight: Ugly!

Chione: I got this!

Chione spread her Necrofriggian wings fired a massive blast of ice fire and froze it. A bird cry was heard and they saw a Falcon Humanoid.

Maria: Whoa!

The Falcon Humanoid swooped in and shattered the plant monster and Maria pulled out the rest of it and fired a powerful blast of water that shredded it to nothing.

Maria: Wow! That was awesome.

The Falcon Humanoid landed by them. She had a falcon head, falcon wings and feathers all over and she had tail feathers and she had falcon feet with razor sharp claws. Her shirt was gone and so were her shoes.

Chione: You're half human, half falcon.

Swiftclaw: That's right. My name is Abigail Florence. But I'm also called Swiftclaw.

Maria: You're a gene-slammer.

Swiftclaw: That's right. Dr. Arthur Paradigm did this to me.

Chione: Is he the last member of the Paradigm brothers that specializes in Air Animals?

Swiftclaw: That's right. How did you know that?

Maria: We killed the first member of the Paradigm Brothers, Dr. Luther Paradigm. He specialized in gene-slamming with marine animals.

Bai Tza: And now we're dealing with his brother Dr. Roland Paradigm who specializes in Gene-Slamming with Land Animals.

Maria: And it looks like Stacy's suspicions are now confirmed. Abigail, how did this happen to you?

Swiftclaw: I was an ordinary girl out having a good time.

---

Abigail Florence was a girl right around Lincoln's age. She had black hair with a blue ponytail and is a goth girl like Brittney and Lucy. She'll have all black clothes and black leather pants and spike-tipped boots. She also had a scar on her right arm in the shape of a sun.

Swiftclaw: (Narrating) **I was walking down the street after leaving the video game store when I came across a hot dog cart. I bought a hot dog with some ketchup on it. When I got home, I suddenly was experiencing tremendous back pain and excruciating pain unlike anything I've ever felt. At first I though I thought I was having a stomach bug. But then I started to**

**change. My head turned into a falcons, my back grew wings and I grew tail feathers and falcon feet. I looked at myself in the mirror and I was horrified!**

Abigail: (BLOODCURDLING SCREAM!) What happened to me!?

Swiftclaw: I knew that there was only one person that could help me. Or rather a bunch of persons.

FLASHBACK END

Swiftclaw: I set out to find you guys. But I got sucked into a strange portal and wound up here in this awful amusement park.

Maria: That's terrible! My friend J.D. can give you the ability to change into your Swiftclaw form at will like a lot of Gene-Slammers we know.

Swiftclaw: You can help me out?

Maria: We sure can.

Julie M.: This is so awesome!

Swiftclaw: It sure is. But I'm also looking for my brother Aaron. He vanished 6 years ago. He's about as old as Lisa Loud.

Maria: We'll find him for you.

Maria pulled out a radio.

Maria: Maria to Nico? Do you read? Over.

Nico: (On the radio) Nico here Maria. Over.

Maria: We rescued one of the kids here. Julie Martin from Say Cheese - And Die Screaming!. Over.

Nico: Good work. Over.

Maria: Thanks Nico. But we found another Gene-slammer here. Stacy's suspicions have been confirmed. There is another Paradigm Sibling that specializes in Air Animals. His name is Dr. Arthur

Paradigm. Over.

Nico: So Stacy was right. I take it you encountered a gene-slammer made by him. Over.

Maria: Affirmative. Her name is Abigail Lawrence and she's half human, half falcon. Over.

Nico: That's amazing. But we'll get her cured and you and Teresa can get her some new clothes afterwards. Over.

Maria: Roger that Nico. I always come prepared. Over.

Nico: Meet up with us on J.D.'s command. Over.

Maria: Roger that. Over and out. (Puts radio away)

Swiftclaw: Thanks for helping me out guys.

Bai Tza: No problem.

Luna: Any time dude.

The found the blueprints for the Quicksand Beach.

Crocodile Café - Lincoln, Earth, Kirby, Spiderman, Shocker, Elena, and Will.

---

Lincoln, Earth, Kirby, Spiderman, Shocker, Elena, and Will were at the Crocodile Cafe.

Lincoln: The Crocodile Cafe.

Earth: Doesn't look like the kind of place to eat.

Spiderman: I would not want to eat here either.

Shocker: No kidding.

A girl screamed and they saw her. It was Abby Martin from the book Who's Your Mummy?.

Abby is twelve years old, tall and thin with straight long jet-black hair and green eyes.

They saw that she was in the middle of a crocodile pond.

Lincoln: That's abby Martin from Who's Your Mummy?.

Earth: I'll get her out of there!

Earth spread her wings and flew down and she grabbed her.

Abby: Awesome! You're Earth of Team Loud Phoenix Storm!

Earth: That's right. It's a pleasure to meet you Abby.

Abby: Same here.

They landed and Abby saw them.

Abby: Wow! Team Loud Phoenix Storm. It's such an honor.

Lincoln: Pleasure to meet you too Abby.

Shocker: I take it you got here the same way some others got here.

Abby: I sure did.

Lincoln: It's good we found you. We're gonna destroy this whole park and erase it from existence forever.

Lincoln pulled out a radio and told us everything. They found the blueprints for the Crocodile Cafe.

Abby saw Kirby and she squealed and hugged him.

Abby: Kirby you are so cute!

Kirby: I am cute huh?

## The Haunted Theater - Laney, Dead End, Riley, Samus, Flora, Venom, and Rhino

The Haunted Theater is where movies are played and they are the movies that bring your worst fears to life. It was here that Laney, Dead End, Riley, Samus, Flora, Venom and Rhino encountered Britney Crosby from the book Revenge of The Living Dummy. Dead End destroyed the films and they didn't have any effect on him because of him being with Megatron for a while.

Britney is twelve years old, Caucasian, tall and thin with coppery hair and brown eyes. She also has her hair in a ponytail. (She was in a missing poster on the first page of Monster Blood for Breakfast!)

They saved her from having to watch a horrifying movie and got the blueprints for the theater.

Britney: Wow! Team Loud Phoenix Storm!

Laney: That's right.

Britney: It's such an honor to meet you guys.

Venom: We're glad we could help you.

Britney: Venom and Rhino of the Redemption Squad? Am I glad to see you two!

Rhino: Same here Britney.

Britney: Dead End, why isn't the Haunted Theater having any effect on you?

Dead End: I used to work for Megatron and I am fearless.

Rhino: It was due to his gloomy personality. So he really didn't have any fear.

Britney: Thanks guys.

# Wolfsbane Forest - Lori, Teresa, Arpeggio, and Hay Lin

---

Lori, Teresa, Arpeggio and Hay Lin were in Wolfsbane Forest in Werewolf Village.

The Werewolf Village is one of the many monster villages found throughout HorrorLand. It is a real working neighbourhood inhabited exclusively by Werewolves. It was created because at HorrorLand's start when its monsters were all roommates, a werewolf´s roommate would disappear on every full moon. A forest spot called Wolfsbane Forest was picked and added a few things.

The main attractions are:

Make Me Howl! - A shop where they will transform you into a werewolf digitally.

Moment of Paws - A werewolf-run spa where it turns out that werewolves are really good masseuses and hairdressers.

Wolfgang´s Music Shop - A place where you can purchase werewolf howl recordings, moon-themed songs, and CDs of the most famous all-werewolf band ever called Howie and the Howlers.

Fur Sure! - A clothing store where all the clothes are made of shredded werewolf fur.

Over the Moon Souvenirs - A gift shop selling silver bullet key-chains, wolf cub dolls, miniature Werewolf Village play sets, jars of authentic werewolf drool, and wolf´s tooth necklaces.

Wolf It Down - The only vegetarian werewolf restaurant with the house specialties being tofu one-armed shepherd pie, cub club cheese sandwiches, and little pigs lettuce in a salad.

The Werewolf Petting Zoo - Visitors to HorrorLand can pet many kinds of werewolves from snuggly grey little cubs to mean gigantic adult ones.

The Wolfsbane Forest - A deep dark forest where giant bugs crawl in the trees. The Wolfsbane Forest is the feeding place for many werewolves and home to their distant, rare, and dangerous cousin called the White Wolf.

There they saved Robbie Schwartz from the book Dr. Maniac VS Robbie Schwartz.

Robby is twelve years old, Caucasian, tall and thin with long and wild brown hair which is almost blond and blue eyes.

They saved him from a werewolf and killed it.

Robbie: Whoa! Team Loud Phoenix Storm! It's such an honor!

Lori: Same here. It's literally amazing how you stopped that mad scientist.

Robbie: Thanks Lori.

Teresa: Robbie, have you seen a kid named Aaron around here?

Robbie: Yes. But he was gene-slammed by a mad scientist.

Teresa: So he's here. We were told by Nico that Dr. Arthur Paradigm is responsible for turning a girl into a half human, half falcon gene-slammer named Swiftclaw.

Robbie: That's terrible!

Teresa: Can you tell me what he looked like?

Robbie: He looked half human, half grey owl.

Teresa: I better tell J.D. about this.

Teresa called me on the radio and told me.

Cornelia: EW!

Clayface: Whoa. That coaster did a nightmare on his stomach.

Sandman: No kidding.

Kup: Boy he's gonna be sick for a while.

Vampire State Building - Lucy, Mandy, Brittney, Shannon, Maggie, Haiku, Goliath and the Manhattan Clan, Riku, Roxy, and Demona.

---

Lucy, Mandy, Brittney, Shannon, Maggie, Haiku, Goliath and the Manhattan Clan, Riku, Roxy, and Demona were over at the Vampire State Building. It looked like a darker version of the Empire State Building in New York City. Or our version of it in Gotham Royal York.

Brittney: Wow. This looks like a dark version of the Empire State Building.

Goliath: A building like this is not worthy to cut the skies.

Brooklyn: I would not want to live here dudes.

Lexington: Me neither.

Demona: This place is not that impressive.

Angela: Mother now is not the time for criticisms.

Roxy: This place already gives me the creeps.

Then a horror jumped out and tried to scare Mandy.

Mandy (to Horror): You took your best scary shot. Now here's mine.

Mandy growled ferociously and the horror backed away and Brittney blasted it

Demona: I know he wasn't that much of a threat.

Brittney: No he wasn't.

They continued and went inside and they saw a lavish building. But some of its decorations were deplorable.

Shannon: The decorations in this building stinks.

They heard someone yell.

?: Let me go!

Brittney: That's clay!

They went down a hall down some stairs and they saw strapped to a chair.

Brittney: Oh no you don't! SOLAR FLARE!

Brittney released a massive blast of white blinding light and the vampire screaming in pain as it incinerated him with ultraviolet light.

Brittney: Dad's newly enhanced Solar Flare technique really paid off.

When it faded they freed him.

Lucy: Are you all right?

Clay: Yeah. Thanks to you guys. Whoa! Team Loud Phoenix Storm!

Brittney: Glad you're safe Clay. We were sent to rescue you and Luke.

Shannon: Yeah.

Clay: I'm glad. We have to find him.

---

Spider House/Hall of Mirrors - Leni, Lizzy, Ed, Karai, Musa, and Xion.

---

Leni, Lizzy, Ed, Karai, Musa, and Xion were in the Spider House and Hall of Mirrors. Ed was making sure Leni doesn't freak out.

They found Luke Morris in another room and behind a mirror and they freed him.

Luke: Wow! Team Loud Phoenix Storm! Lizzy!

They hugged.

Lizzy: I'm so glad you're all right Luke.

Musa: We were sent to rescue you and destroy Horrorland for good.

Xion: That's right.

Lizzy: Let me call J.D.

Lizzy pulled out a Radio.

Lizzy: Lizzy to J.D. Over.

Me: (On the radio) J.D. here Lizzy. Report. Over.

Lizzy: We rescued Luke. Over.

Me: Excellent. It's time to regroup. We're going after the main operator of this place.

Lizzy: Roger that. Over and out.

Later we all regrouped. We found Abigail's brother Aaron.

---

I snapped my fingers and cured Abigail and Aaron and gave them the ability to transform into their gene-slammer forms at will. But because we didn't have Maria and Leni's clothe making kit with us we gave them robes for now.

Lizzy: I know who's behind this place. His name is Madison Storm.

Luke: I remember him.

Nico: This guy sounds dangerous.

Lizzy: He is.

Me: Well then lets get him. And this time he dies along with this whole park.

Ben: I got just the alien to take him down.

Ben turned into Juryrigg.

Ben: JURYRIGG!

Me: A Planchaküle from the planet Aul-Turrhen.

Juryrigg: That's right.

Me: They look more like those gremlins you see in folklore that destroy planes and equipment.

Laney: They sure do.

We then set out for Madison Storm's castle.

---

At Dr. Madison Storm's Castle, Madison Storm was looking at the security screens and he saw his plans ruined.

Dr. Storm: FUCK THAT TEAM LOUD PHOENIX STORM! THEY RUINED EVERYTHING!

A massive fiery explosion blasted through the ceiling and a phoenix cry was heard.

We busted in and landed on the floor.

---

Very little is revealed about Storm's life before HorrorLand, but comments made in his introductory video at the HorrorLand Museum indicate that he had an unhappy childhood, and created HorrorLand (a scary, potentially lethal amusement park) due to feelings of resentment that he had to any family that may have any shred of happiness about them. Another video reveals that, shortly after finishing HorrorLand, Storm decided that he didn't want to live in his big old amusement park alone; this led to him creating the Cosmic Monster Attractor, which could suck any being in the world (and presumably other dimensions) towards it, allowing Storm to populate his park ("Soon, every werewolf, vampire, mummy, and dis-spirited spirit came spiraling through the stratosphere to join meeeee!").

Although he is not seen or even mentioned during One Day at HorrorLand, Storm apparently took the escape of the Morris family and Clay very badly. This failure, coupled with (a) the monsters beginning to doubt his ability to run the park (a fact he reveals at the end of the game) and (b) the emergence of a power struggle between himself and park resident Count Dracula, led Storm to begin planning revenge. As one of Storm's Horrors (horned-monster minions that handle the day-to-day running of the park) had given the family free park passes when they escaped, Storm uses these to transport Lizzy, Luke and Clay (as well as the player character, albeit accidentally) back to HorrorLand, which is now - according to Lizzy - ten times more scary due to it being night-time.

As Lizzy, Luke, Clay, and the player make their way through the park - from Werewolf Village, through to the Valley of the Lost Kings, and then right down to Vampire Village - little glimpses of Storm are revealed: he is mentioned by Hannah Black (the park guide), videos of him can be found at the museum, and his mocking laughter can be heard at the Deadly Doom Slide. After Lizzie and the player manage to defeat the Werewolf, Storm makes his first move by grabbing Lizzie from behind the player's back (the player only hearing Lizzie's stifled scream).

Later, in Vampire Village, Luke and the player discover a laboratory where Lizzie is being kept prisoner, although Storm has used some of his magic chemicals to transform her into a strange little monster. After some goofing around by Luke, Lizzie is finally transformed back to normal (after transforming into some other things first). Storm isn't mentioned again until the gang arrives at Dracula's Castle in Vampire Village to rescue Clay. Here, Dracula reveals that he actually runs HorrorLand, not Storm (although this just may be an attempt to impress Lizzie, whom Dracula is trying to bend to his control). After escaping Dracula and making their way through the Monster Zoo, the gang finally find Mr. and Mrs. Morris - both of whom are being kept in a cage - before the two are whisked away by a pair of Horrors. The quartet follows them into a large arena, where all of the park monsters (including Dracula) sit, jeer and stamp their feet, eating their popcorn. The kids then see that Mr. and Mrs. Morris are tied back-to-back and standing on a conveyor belt that is taking them closer and closer to a large pot of bubbling purple goo.

However, Clay (who at this point had been the most cowardly of the gang) revealed that he had sneaked into Storm's tower, and had sabotaged the Cosmic Monster Attractor in order to blast every last monster in HorrorLand back into the stratosphere. However, the victory is short-lived: Storm then announces that what will actually happen is that the machine will explode, eradicating every last inch of HorrorLand. As the monsters all run for their lives out of the arena and off into the distance, Lizzie and Luke run to the tower in order to help Clay, followed by the player. The player then takes a lift all the way to the top of the tower, to discover Lizzie, Luke and Clay tied-up back-to-back. Stump - a dimwitted Horror that had been helping out throughout the game - suddenly appears, mentioning that he was so glad the player was joining them as he was hoping they could meet face-to-face. Stump then removes his head, revealing himself to be none other than Dr. Madison Storm, who had been wearing a Haunted Mask.

At this point, the player then has three options: deactivate the Cosmic Monster Attractor whilst preventing Mr. and Mrs. Morris from falling into the goo, save them from the goo but allow the machine to explode, or deactivate the machine but allow Mr. and Mrs. Morris to perish ("Awww… allow me to offer my congratula-I mean, my condolences"). Depending on what happens, Storm will either escape or get sucked by the player into the Attractor himself, defeating him.

Lizzy, Luke, Clay, and the player then escape HorrorLand just as it explodes (either through the countdown or through Clay pushing the button on a pad he'd stolen), ending its evil for good. In the bad ending, they return home, only to find that Mr. and Mrs. Morris are still alive, albeit transformed into Horrors by the goo. However, in the good ending, Lizzy and Luke say goodbye to Clay and return home to find their parents are home and normal. After a tearful reunion, the kids then ask how their parents got home. Mr. Morris then reveals that they hitched a ride from their new neighbor Maddy. As realization hits Lizzie and Luke, a man in shorts and a shirt walks out the door.

---

Me: Dr. Madison Storm. So we meet at last.

Dr. Storm: You fuckers have ruined everything!

Me: And we show no remorse for doing so. You've tormented and killed innocent people. And that we will never tolerate!

Nico: Dr. Madison Storm, you have failed this world!

Dr. Storm: (Laughs insanely) It's those retche…

POW!

I punched him in the face and knocked out some of his teeth.

He got up and he had blood dripping from his mouth and nose.

Dr. Storm: You motherfucker! You broke my nose!

Me: I'm about to break a whole lot more than that you fuckhead! I'm going to kill you.

I punch him in the stomach and we stood in stances.

Dr. Storm: You scared shithead? Well you should be. Because this mad scientist is going to kick your big fucking ass.

Me: I eat motherfucking fucked up lunatics like you for breakfast. And right now I'm… (Kicks him in the face) Really hungry!

I punched him in the chest.

Then all the horrors came.

Horror: You think you can come in here and threaten our lives?!

Lizzy: What about the lives of the people that come here?! They wanted to have a good time, but you endanger them! You think getting pinched was bad? You haven't seen anything yet!

Lizzy then surprised us when she fired a massive blast of lightning from her hands and it hit them and electrocuted the horrors.

Lizzy: Whoa! How did I do that!?

Lori: You got powers when you helped us out.

Lizzy: This is so awesome!

Me: I'll face Dr. Storm. You all face the horrors.

Nico: Right!

Everyone else attacked the horrors and destroyed them with everything we got and we were killing them all. Juryrigg was tearing apart all the machines all over the place and destroying them. I punched Dr. Storm in the face and kicked him in the stomach. I fired an energy blast at him and it hit him and exploded and blasted his whole right arm clear off! He screamed in excruciating pain as he was clutching the stub of his missing arm.

Me: Had enough?

Dr. Storm: (ENRAGED GROWL) FUCK YOU ASSHOLE!

Me: Fuck YOU asshole.

I punched him in the face again and slashed off his leg.

Nico: Combo time guys!

Dead End: Right! CYBER KEY POWER!

The Velocitron Cyber Planet Key went into his back and it enhanced his Double Cannon 100-fold.

Kevin: I've always wanted to do this. GIGANTION CYBER KEY POWER!

The Gigantion Cyber Planet Key went into his right arm and it enhanced his Osmosian Powers 100-fold. He put his hand on an electrical wire that was sparking and it turned him into a body made of pure electricity.

Dead End and Kevin Levin: THUNDERSTORM SPEED CANNON!

Dead End fired his Double Cannon and Kevin fired a massive blast of lightning and the blasts combined and they slammed into the horrors and killed them instantly!

Kup: Lets get them! CYBER KEY POWER!

The Earth Cyber Planet Key went into his musket laser and it enhanced it 100-fold.

Meta Knight: I've wanted to try this. EARTH CYBER KEY POWER!

The Earth Cyber Planet Key went into his sword and turned it into a flaming fire sword.

Kup and Meta Knight: ACID FIRE BLADESTORM!

Kup fired massive blasts of corrosive acid and Meta Knight slashed them to pieces.

Mandy: Time to finish these clods off! SUPERNATURAL BURSTSTORM!

Mandy fired a massive blast of supernatural energy at the horrors and destroyed them.

Lizzy: My turn. LIGHTNING METEOR SHOWER!

Lizzy fired a massive blast of lightning that turned into a deadly meteor shower and it slammed into the remaining horrors and obliterated them.

During the battle, Nico caught a Porygon Z and Gallade.

Lizzy: (To the viewers) You mess with Team Loud Phoenix Storm and we will mess you up.

Me: We're almost done here.

We got all the blueprints for the park and we tied up Dr. Storm.

Me: You will pay for your crimes Storm.

We left and we got outside Horrorland.

I flew up into the air.

Me: Now to make sure you never cause fear to everyone ever again. KAAAAAAAAAAA! MEEEEEEEEEEEEE! HAAAAAAAAAAAAAAA! MEEEEEEEEEEEEE! HAAAAAAAAAAAAAAAAAAAAAAAAAAA!

I fired a massive Kamehameha Wave at Horrorland and it hit the center of the park and it exploded with incredible power.

KRAAAAAAAAAAAAAABBBBBBBOOOOOOOOOOOOOOOOOOOOOOO

The whole park was completely destroyed in a massive fiery explosion and the mushroom cloud could be seen for miles. When the smoke cleared, Horrorland was nothing more than a massive smoldering crater in the ground that filled up with water. Horrorland was now completely obliterated and the terror it caused to innocent people faded from memory. We used the blueprints from the park to make our own theme park: Phoenix Land. It was as big as Glove Universe. It was a major league success.

When I was done everyone that hadn't heard it was shocked.

Twilight Sparkle: Whoa! That is awful!

Rainbow Dash: But that was awesome how you all took down that

Dr. Storm guy.

Rarity: It sure was. He was a true monster.

Fluttershy: He sure was.

Nico: Yep and thank goodness he is dead.

Laney: That was a great adventure though. And the scary part was that it was not far from the Springfield Radioactive Crater.

Lana: Yeah it sure was.

Nico: We met a lot of new friends that day.

Sunset Shimmer: You all sure did.

Carly Beth: That was a really awesome sight though.

Me: And we also confirmed that the Paradigm Brothers all use the animals of Land, Air and Sea.

Laney: No kidding.

Lana: Yeah and all the Paradigm Brothers are all dead now for good.

William: The work those 3 did are nothing now compared to Giovanni's work!

Nico: No kidding. But at least we're having a lot of awesome adventures in finding my friends. Same with Lincoln.

Laney: That is for sure. Many of the friends are so awesome as Duel Monsters and more.

Lana: They sure are awesome!

Maria: This no battles day is perfect for before we help Laval out.

Nico: Yep it sure is. Perfect for getting some rest in before we go after one of Chima's enemies.

Vypra: Boy no kidding.

Sunset Shimmer: I can't wait to see Laval again.

Lincoln: Boy me too.

Nico: Anyway it's time for us to get ready.

We got our supplies ready.

Poliwag: What food are you guys making?

Callie Allbright: I got awesome recipes ready for desserts from different parts of the world.

Nico: Cool!

Horsea: We'll try not to eat any of it.

Nico: Good.

Me: Believe it or not Nico this is exactly like how I was doing in Iron Chef when I was over in Japan. I was up against famous Japanese New York chef Masaharu Morimoto.

Nico: Wow! I remember that when we met Bobby Flay and the great chefs. That was awesome.

Maria: Who's winning right now?

Horsea: Looks like Callie and her group.

We were watching really amazingly and it was awesome.

Callie Allbright: Lola mix in 1 third cups of brown sugar and flour!

Lola: Right!

They were really going at it and were making their 10th dish! It was a fruit noodle dish made of watermelon flavor pasta. Really awesome.

Vypra: By the way Nico we heard your rescue was at Johnny Bravo's aunts house. Sorry she hated his guts.

Eli: Yeah that was rough.

Nico: And all because of bad blood going on too.

Me: Yeah and Lincoln's rescue was in the White House when it was supposedly haunted by the Ghosts of Presidents Past.

Otto: Boy it was crazy! We saw that the monsters were the ghosts of Presidents Zachary Taylor - America's 12th President, Benjamin Harrison - America's 23rd President and James Buchanan - America's 15th President. # THE LEGO WORLD OF CHIMA

GET READY FOR AN AWESOME ADVENTURE

---

In the early morning hours at 2:53 AM, Lincoln had a dream, and he saw two little girls who was hiding out and living in the streets of Tokyo, Japan. But, they were no ordinary two little girls, their were Jasmine "Ravage" the Cat, the daughter of Lincoln's future wife, Honey the Cat, and Stephanie "Thunderblast" the Anglerfish, the daughter of Lincoln's future wife, Princess Undina. Lincoln woke up from the dream, but he wasn't the only one, Honey the Cat, Princess Undina, Lori Loud, Nico, and I also had the same dream.

Lincoln: Honey, Undina, Lori, J.D., Nico, did you guys have that same dream as me?

Lori: We sure did, bro.

Honey the Cat: And it also means that we found out where our daughters is at.

Me: they're at Tokyo, Japan.

Nico: Oh man, that's not good. Out on the streets in Tokyo, Japan, is not a safe place for little kids.

Lincoln: That's right, Nico. Come on, we're going to rescue them, and bring them to the Estate. Jasmine the Cat, and Stephanie the Anglerfish are my daughters now, and I'm not letting little girls like them suffer life on the streets. They needs to be home again in the arms of their mothers and their new father.

Lincoln, Lori Loud, Honey the Cat, Princess Undina, Me, and Nico were heading to Aurora, Colorado. Then, Lincoln saw a 11 year old Cat/Human girl who has dark skin, short black hair in a side ponytail with purple streaks, green eyes, and black night vision mask with fins around her green eyes. She wears a black top, jacket, stretch pants, cat belt, black and purple boots, sharp mechanical claw-like gloves, and a mechanical tail with claw on the tip, as well as some black cat ears on top of her head. and a 11 year old Anglerfish/ Human girl who has pale pink scales that cover her entire body, as well as webbed hands and fins protruding from her lower arms and legs. She has long blond curly hair that's streaked blue, as well as freckles on her face and yellow eyes. She has a water-based breathing device over her gills, her vintage microphone lure is green, and a shark-like fishtail with triangular lines behind her. She wears a deep pink tank top, a purple jacket with mid-quartered sleeves and fish-styled hoodie, purple and light blue shorts with fishnet attachments and deep pink mary janes. Lincoln saw who they was, it was Jasmine "Ravage" the Cat and Stephanie "Thunderblast" the Anglerfish.

Lincoln: Excuse me, are you Jasmine the Cat?

Jasmine "Ravage" the Cat: Also known as, Ravage! But yes, And who are you?

Lincoln: I'm Lincoln Loud of Team Loud Phoenix Storm, and this is my older sister, Lori Loud, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know all too well.

Then, Honey the Cat, and Princess Undina came out, and when Jasmine "Ravage" the Cat, and Stephanie "Thunderblast" the Anglerfish saw them, they were stunned.

Stephanie "Thunderblast" the Anglerfish: Mom, is that you?

Princess Undina: Yes, sweetie, it's me.

Jasmine "Ravage" the Cat, and Stephanie "Thunderblast" the Anglerfish ran up to Honey the Cat, and Princess Undina, and they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, and Lori.

Lincoln: And there's something you should know, Honey, Undina, your mothers is one of my many future wives.

Stephanie "Thunderblast the Anglerfish: That means… you're our father.

Lincoln smiled, and that filled Jasmine "Ravage" the Cat, and Stephanie "Thunderblast" the Anglerfish with joy, as he picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Jasmine "Ravage" the Cat, and Stephanie "Thunderblast" the Anglerfish to the rest of his siblings, who are now their aunts. We were proud of what Lincoln did in reuniting Honey, and Undina with their daughters, and they now has a loving, strong, brave, and caring father in their life.

Later it was time for another rescue. Walking over to Dexter's house was Nico, Hulk, May, Maria, Varie, me, Eli, Camie, Himiko, Ibara, Sirius, Tsuyu, Ochaco, Lincoln, Lana, Lola, Lisa and Lily and we were heading there to see what he is working on.

Me: I hope Dexter is doing all right after what happened during the wrath of Yani.

Himiko: Yeah that was scary and strange.

Ibara: Poor Dexter really did nothing to deserve that. Yani was really upset because he didn't get to spend time with his wife. That's all he wanted.

Tsuyu: Yeah no kidding.

Hulk: Hulk glad Lisa smashed puny Janitor.

Lisa Loud: Thanks. That was pretty amazing giving that germ infested dirtbag what for.

Lana: That guy was a jerk.

Eli: Yeah no kidding.

Nico: Thanks for coming with me, Hulkster.

Hulk: No problem Nico. Hulk happy to go with you on rescue.

Me: This is gonna be awesome.

We went into Dexter's house and went up to his room and Lisa opened his bookcase and we went into his laboratory. We saw Dexter working on something.

Me: Hey Dexter.

Dexter: DEE DEE HOW MANY TIMES HAVE I TOLD YOU…

He saw us.

Dexter: Oh hello everyone.

Nico: Didn't mean to startle you like that Dexter.

Dexter: That's all right. Force of habit.

His watch beeped and it showed that it was lunch time.

Dexter: Oh Lunch Time.

Me: Lets get you some grub.

We folloed Dexter.

We followed Dexter and he clocked out for lunch and went to a hidden statue phone and called someone.

Dexter: Yes hello Burrito Palace? I would like a Big Bad Burrito please. Thank you goodbye.

He hung up and a delivery man came.

Man: Delivery.

He gave the man money.

Dexter: Keep the change.

Me: Boy that was fast.

Dexter placed the bag on a table.

Dexter: Holy mother of all burritos!

We saw the Big Bad Burrito and IT WAS MASSIVE! It was a huge 5 pound burrito full of beans and cheese!

Me: GOOD GRAVY!

Nico: That burrito is huge!

Lily: Geez Dexter do you think you can eat all that?

Dexter: I sure can.

Dexter pulled out a fork and knife and got to eating and in 30 minutes he ate the whole thing.

Me: WHOA! He was sure hungry.

Nico: Wow! No kidding.

Dexter: Ah sweet satisfaction.

Me: Boy after eating a huge burrito like that you shouldn't be eating for the rest of the day.

Lisa Loud: I agree.

We walked back and then we heard Dexter's stomach growl loudly.

Nico: You okay, Dexter?

Me: Your stomach is really growly.

Dexter: I'll be all right but what is this strange phenomenon? Computer analyze.

Dexter's computer: It seems to be an unruly gaseous formation growing inside you at an alarmingly high rate. Recommendation: Experiment.

Me: Well we better see what's up.

Dexter had a balloon and drew on it.

Dexter: This balloon will represent me. Hello little Dexter. And this pump will be the gas.

Dexter got to pumping and he inflated the balloon and then…

KRAPOP! (ECHOING POP)

Me: OH SHIT!

Dexter was in a state of shock and we gasped in fear!

Nico: OH NO!

Lana: This can't be good!

Lisa Loud: Oh no!

Nico: Are you saying you might die?!

Dexter: NOT THAT! I AM TOO YOUNG TO DIE! NOOOOOOOOO!

Nico: I'll take that as a yes.

Dexter began writing his list of things he must do before he kicks the bucket. And it had the following:

WRITE MEMOIRS

WORLD PEACE

FIX OZONE LAYER

DO DISHES

LAUNDRY

END WORLD HUNGER

CLIMB MOUNTAIN

FREE ROBOTS

LEARN TO DANCE

MAKE MOM AND DAD HAPPY

PROVE EXISTENCE OF LIFE ON OTHER PLANETS

BE NICE TO DEE DEE

SYSTEM SHUTDOWN

and TELL MOM AND DAD ABOUT SECRET LAB

We were devastated.

Me: Oh man.

Lisa Loud: Oh Dexter.

Dexter: I've got a lot of stuff to do.

He looked at his watch and he saw that he had 30 minutes to live.

Hulk: Hulk help Dexter!

Hulk grabbed Dexter and started patting his tummy. Dexter farted with each pat.

FART FART!

Nico: YUCK!

Lily: Hulk that only seems to be making it worse.

Me: Besides I remember this from Lincoln's previous rescue.

Lincoln: That's right! Lets just do his tasks.

We went to make his mom happy. Dexter went down to the kitchen.

Dexter: Surprise.

Dexter's mom: Huh? OH DEXTER! Your bunny pajamas!

Dexter was dressed in really cute and adorable bunny pajamas.

Dexter's mom: And I thought you hated wearing those. Oh you are just so precious! Do me a favor could you hop around a bit for mommy?

BOING BOING BOING BOING BOING BOING BOING!

He was hopping around.

Nico: (SNICKERING)

Dexter's mom: OH DEXTER! OH WHAT JOY!

She was really happy.

Dexter then made his dad happy.

Dexter's dad: Son you have given me the greatest gift that has ever been given in the history of gift giving!

Dexter built his dad an awesome indoor bowling lane.

Me: Wow! That is cool!

Nico: Very amazing.

Eli: Awesome indoor bowling lane.

Sirius: And Dexter's dad is a bowler.

Me: Oh right. Dexter's dad where is that smashed up trophy you have?

Dexter's dad: Right there.

We saw a smashed trophy. It was in pieces.

Me: I got this for you.

I fired a beam of magic and it hit the trophy and I put it back together right and fixed it up perfectly! It was good as new.

Me: Done.

Dexter's Dad: Thanks J.D. That was amazing!

Dexter's Dad then rolled a ball and then…

CRASH!

He hit and knocked all the pins down!

Dexter's Dad: STEEERIKE!

Dexter then later had all his robots gathered.

Dexter: Now the reason I have assembled you all here today is because I have something very important to tell you.

He opened a door.

Dexter: You are free.

Me: Dexter Robots in my opinion are not slaves. We view them as friends. I would be more than happy to have them be with us.

Dexter: Thanks J.D.

Dexter crossed off that item. But then he felt a massive pain in his stomach as gas built up!

Dexter: (GROANS IN PAIN!) PAIN!

Me: Dexter are you okay!?

Lisa Loud: Oh man! That is bad gas!

Dexter: Must complete list.

Nico: I don't know how much longer I can watch this.

Me: Me neither. But we have to help Dexter.

At the United Nations Building we brought all the World Leaders Together and made them come to terms and did world peace. Then Dexter made a formula and made a strawberry grow huge! He ended World Hunger. Dexter then was learning how to dance and he was dancing like a pro. Then we did the other tasks and then Dexter played with Dee Dee and it made her happy. I told Dexter not to shut down his lab.

Dexter: Not much longer before I bite the big one.

His watch said that he had 2 minutes left to live.

Nico: Dexter, don't you think you're overreacting just a little bit? Even if you do die, I can still revive you.

Me: Yeah he's right on that.

?: Yeah Dexter this is getting out of hand.

We then saw a girl that was glowing in an atomic green aura and she had green hair and green clothes.

Nico: Selene Tutankhamen? Whoa!

Me: Awesome! Are you a Uranonian Gene-Slammer?

Selene Tutankhamen: Yes I am and no I was born with this aura.

Nico: It's true.

Selene Tutankhamen: Lets go had Dexter talk to his parents before we catch up Nico.

Hulk: Hulk want to see Gene Slammed form!

Selene Tutankhamen: Sure.

Me: Wait are you related to…

Selene Tutankhamen: No I may share the same name as King Tut but I'm not related. Anyway…

Selene turned into her Uranonian form!

Me: AWESOME!

Nico: So awesome and cool!

Eli: Yeah!

Selene reverted back and we went to talk to Dexter's parents.

Dexter went into the living room and shut off the TV.

Dexter: Mother, Father forgive my rudeness but I have something very important to tell you.

Dexter's Mom: Well honey as a busy scientist you are you know you can always talk to us about anything.

Dexter's Dad: Yeah whatever it is, Let her rip.

Dexter was about to say something when the gas was at critical and he held his stomach.

Eli: HE'S GONNA BLOW!

We ducked for cover!

But then…

**EXTREMELY LOUD AND MASSIVELY LONG FART!**

The fart was so loud and powerful that it was heard all over the galaxy and even everyone in the Masters of Evil HQ heard it!

Vypra: HOLY CRAP!

Dark Spicer: WHO IN THE WORLD CUT THE CHEESE!?

When the fart stopped we looked and saw that Dexter's loud explosive fart had blasted a hole through the wall of the living room!

Nico: HOLY SHIT!

Eli: WHAT A BIG FART!

Dexter's Dad: (Stunned) Dexter.

Me: (GAGS!) OH MAN! That did it!

Lily: THAT WAS BAD!

Sirius: GEEZ! WHAT A NASTY FART!

Nico: See, Dexter? You're not dead. And you never will be. We're gonna live for a long time. If not forever.

Me: That's for sure!

Dexter's Mom: What did you eat Dexter?

Me: He ate a gigantic burrito.

Lily: It was full of beans. He got nasty stomach cramps and thought he was going to die.

Selene Tutankhamen: That burrito really did a number of him.

Lisa and Dexter then hugged and kissed.

Lisa Loud: At least my little scientist is not going to die.

Nico: Thank goodness.

Me: WHOA! Man that fart really was explosive! It blasted a hole through the entire living room!

Nico: Thank goodness it wasn't a fiery chili fart.

Eli: No kidding.

Camie: That would not be good.

May: No it sure wouldn't.

Selene Tutankhamen: Yeah no kidding.

Nico: Dexter I think you'd better go to the bathroom before stuff you don't want to happen happens next.

Dexter: Good idea.

He ran to the bathroom fast and took a crap in the toilet!

Hulk: What Atomix Girl's favorite memory of Nico?

Selene Tutankhamen: I got a lot of memories but as you saw earlier I had an aura flared up. My aura is my power. I was born with Aura Control and it became an awesome force of good for me. I can do anything with it. Also most of my memories are in science class. Me and Nico worked on a project involving liquid nitrogen and then we saw a bully girl about to pour sulfuric acid into a kid down his throat and then me and Nico saw that the teacher was asleep and then I used my powers and splashed the girl in her face and destroyed her entire face.

Nico: Whoa I remember that. They never knew it was you Selene.

Selene Tutankhamen: Yep but I got the girl expelled and sent to prison too because they looked at the security cameras and now she is an outcast and a freak.

Nico: Yep.

Me: Good riddance! What a menace to the schools that monster was!

Lana: No kidding there!

Varie: At least karma in the form of you bit her in the butt hard.

May: With a really huge cost.

Maria: Absolutely.

Nico and Selene hugged.

Nico: I really missed you.

Selene Tutankhamen: Me too.

Hulk: (Sniffles) Hulk have tears of joy.

Lola: But this was one crazy rescue huh?

Nico: It sure was.

Me: No kidding.

Dexter came down and he was much better.

Lily: Hope you learned a big lesson about all this Dexter.

Dexter: Oh I sure have. Never eat a big bad burrito full of beans.

Me: And?

Dexter: Also never convince yourself that you are going to die from severe gastrointestinal distress.

Nico: Good.

We later went back home.

---

After Nico's rescue, Lincoln, Me, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, and Ed Grant are heading to a different version of Equestria, and not only is Lincoln going to rescue the six girls there, but we're also going to meet cute versions of Twilight and her friends, along with a potential member for The Knights of the Friendship Table, Potion Nova, and a potential member for The Masters of Evil, Dishwater Slog.

Lincoln: Whoa, we're here in a different version of Equestria, and I know what we're going to do here, not only am I going to rescue the six girls there, but we're also going to meet cute versions of Twilight and her friends, along with a potential member for The Knights of the Friendship Table named Potion Nova, and a potential member for The Masters of Evil named Dishwater Slog.

Nico: That's right, big guy.

Lola: (SQUEALS) Oh my goodness, the cute versions of the residents of Equestria are so cute.

Me: We'd better be careful though, we could get cuteness overload.

Rainbow Dash: I'd heard that Dishwater Slog has been flirting with the cute version of myself here.

Lincoln: Yeah, he is. But, that's only with the cute version of yourself here, Rainbow Dash. And thanks for joining us, Ed Grant.

Ed Grant: You're welcome, Lincoln. Plus, we got two Gene-Slammers here as well.

Lincoln: Yep, one of them is the Gene Slammer for Celri, Monk of Dark World, and the other is the Gene Slammer for Bistro Butcher.

Nicholette Torrington: And we know who the Celri, Monk of Dark World Gene-Slammer is, her name is Celine Wendova, she's another of Lincoln's Guardian Angels and the seventeen member of The Dark World Goth Girls, she's a goth girl that has a powerful mastery over the powers of dark magic and she has a tattoo in the middle of her forehead shaped like the kanji for Zero. She's also really smart and powerful and she's in Luan's classes.

Lincoln: And the Bistro Butcher Gene-Slammer is Olivia Gansley, she's another of my Guardian Angels, she was born to an awesome family of high class and amazing luxurious chefs in New York City, Olivia's been cooking all her life and she's very good at it. She travels all over the planet and cooks for the biggest and high class of all people all over the world and her food's awesome, and she's the envy of my dad. But she's awesome at what she does and can gladly teach her secrets to many people.

Nico: Now, that's so awesome! I can't wait to meet them.

Lincoln: And there's something they both have in common, they have a really nasty history with local scooter riding local jerk elder from Royal Woods, Scoots. But, they always beat Scoots at her own game: by heckling Scoots at the very thing she does: making peoples' life miserable.

Me: Whoa, so you got two Guardian Angels who not only have awesome talents, but they also have a nasty history with that scooter riding jerk girl, Scoots, but they've always beat her at her own game by heckling Scoots at the very thing she does: making peoples' lives miserable.

Nico: Heckling a jerk for the good of the public, that's pretty awesome.

Lincoln: Just like what we've been doing to our local jerks still chained up at Dad's restaurant.

TLPS Mr. Wolf: But, that's mainly for humiliations, Lincoln. What those two have done in heckling Scoots, that's justice for all those whose lives she's made miserable.

Nico: Amen to that.

Suddenly, we saw a group arrive before us, they were the cute versions of Twilight and her friends, along with Potion Nova, a female pony with white fur, dark blue eyes, a mane of long dark blue hair with sparkles, and a long dark blue tail with sparkles, and on her left flank is a potion with stars around it.

Twilight Sparkle: Wow, so you're the cute versions of us, that's awesome.

Pony Life Twilight: That's right, and it's a pleasure to meet you all.

Lincoln: Same here, and you also must be Potion Nova.

Potion Nova: That's right, Lincoln, and it's a pleasure to meet you all.

Nico: Same here, Potion Nova. So, what can you tell us about yourself?

Potion Nova: I'm known as the master of potions in Equestria, and I've mixed up and brewed a lot of incredible and powerful potions throughout my life. Plus, I also know a lot about astronomy along with the constellations in the skies. And I can see that many of you also have constellations tattooed on you.

Lincoln: That's right, the constellations we have tattooed on us represent who we are, Potion Nova.

Potion Nova: That's really incredible.

Twilight and her friends were already getting along with their Pony Life counterparts, and Lola was already squealing with delight on how cute the Pony Life counterparts are.

?: HELP!

Suddenly, Lincoln heard the sound of six girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye of The Buddha, and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the six girls, but they've been cornered by Dishwater Slog.

Lincoln: Uh oh, guys, I found the six girls, but they've been cornered by Dishwater Slog.

?: Time to teach him a lesson.

?: And get him put into the Masters of Evil.

Suddenly, we saw Celri, Monk of Dark World and Bistro Butcher appear before us.

Nicholette Torrington: Wow, Celine Wendova.

Lincoln: And Olivia Gansley, alright. We'll have to talk later, let's go.

We rushed on over, and Lincoln fired powerful rainbow energy balls

at Dishwater Slog, and allowed the six girls to get away.

Dishwater Slog: Who are you?

Lincoln: We're Team Loud Phoenix Storm, and you're just the pony we've been looking for: we're going to have you put into the Masters of Evil.

Dishwater Slog: I ain't going down without a fight.

Lincoln: Okay then. If you want a fight, you got one.

Then, Lincoln sent him to The Masters of Evil, and he was then welcome into their ranks. We cheered wildly as we holster our weapons and power down.

Pony Life Rainbow Dash: That… was… AWESOME!

Rainbow Dash: Didn't I tell you all of you were going to be in for one awesome show.

Starlight Glimmer: Aw, it's too bad me, Sunset, and Trixie haven't seen our counterparts here.

Sunset Shimmer: If we saw them, we'd get a crazy case of cuteness overload, the same way we saw the counterparts of Twilight and her friends.

Trixie: That's a definite, Sunset.

Lincoln: That's what I call an awesome and cute rescue. (To Celine Wendova and Olivia Gansley) And it's so good to see you both again, Celine Wendova and Olivia Gansley.

Celine Wendova reverted back to normal, and she's a beautiful 17-year-old girl with long flowing dark blue hair, dark blue eyes, she's tall at 6'5" in height, she had the body of a goddess, she has the kanji for zero on her forehead, she has massive dark blue angel wings, thanks to reigning in the power of Celri, Monk of Dark World, and she's dressed in a sleeveless dark blue blouse, sleeveless dark blue top, dark blue skirt, dark blue pants, dark blue stockings, dark blue high-heeled sneakers, and long dark blue sleeveless trenchcoat with darkness on the coattails, and Celri, Monk of Dark World on the back.

And Olivia Gansley reverted back to normal, and she's a beautiful 17-year-old girl with long flowing red hair, red eyes, she's tall at 6'5" in height, she had the body of a goddess, she has massive red angel wings, thanks to reigning in the power of Bistro Butcher, and she's dressed in a sleeveless red vest, sleeveless red midriff top, red skirt, red pants, red stockings, red high-heeled boots, and long red sleeveless trenchcoat with flames and food on the coattails, and Bistro Butcher on the back.

Olivia Gansley: You too, Lincoln, it's been a long time.

Celine Wendova: And it's also good to see you again, Nicholette, Giselle, Scarlet, Silvia, Renee, Helena, Elizabeth, Selene, Zennia, Jackie, Laniya, Camie, Bertha, Chloe, Rhonda, and Connie.

Nicholette Torrington, Giselle Harrington, Scarlet Rosenburg, Silvia Excelsior, Renee Ravenclaw, Helena Hufflepuff, Elizabeth Gryffindor, Selene Slytherin, Zennia Nikolaevna, Jackie Wren, Laniya Guillermo, Camie Nicholetta, Bertha Sellington, Chloe Terryington, Rhonda Jekyll, and Connie Jackelstein: You too, Celine.

Lincoln went up to Celine Wendova and Olivia Gansley and they hugged, and the girls were also very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she's also felt just how strong he's really become.

Lincoln: It sure has been a long time, I haven't seen you when you two when you were sixteen, and as you can see, I really grew a lot since then.

Celine Wendova: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Olivia Gansley: Yeah, you must've been eating a lot of meat and veggies to get that big and strong, Lincoln.

We shared a laugh.

Nico: And Nicholette and Lincoln already told us about you two, along with the fact that you two have a nasty history with Scoots.

Olivia Gansley: We sure do, she gets off by heckling others and making their lives miserable for her own amusement, which is why we always got back at her by heckling her.

Celine Wendova: And driving her even more insane than ever.

Lincoln: That's right, and I got you girls a little something.

Lincoln gave Celine Wendova a large Celri, Monk of Dark World-themed sword with Cobal, Excavator of Dark World etched on the 6'10" massive, wide, double-edged dark blue blade, large dark blue angel wings for the crossguard, large dark blue gem embedded in the rainguard, longer black handle, and large dark blue gem with black angel wings surrounding it for the pommel, and he gave Olivia Gansley a large Bistro Butcher-themed sword with Bistro Butcher etched on the 6'10" massive, wide, double-edged red blade, large red angel wings for the crossguard, large red gem embedded in the rainguard, longer black handle, and large red gem with angel wings surrounding it for the pommel.

Celine Wendova: Wow, I love the new swords you made for us, Lincoln.

Suddenly, a Thunderbird Necklace of Eternal Love appeared on Celine Wendova's with dark blue gems on the gold lightning bolts links and dark blue crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love, and a Thunderbird Necklace of Eternal Love appeared on Olivia Gansley's with red gems on the gold lightning bolts links and red crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Olivia Gansley: (Surprised) Whoa, is this?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you and Celine are part of my harem and one of my many future wives, Olivia.

Celine Wendova and Olivia Gansley had a smile on their face and tears coming from their eyes, as they wrapped their arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around their waists, and he leaned down and kissed Celine Wendova and Olivia Gansley on their lips, and they returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw them, he immediately recognized them. The six girls are Brooklynn, Yasmina Fadoula, Roxie, and Sammy Gutierrez from Jurassic World: Camp Cretaceous, Jessica Harding from Jurassic Park, and Chateau Dankworth from Love of Kill.

Lincoln: Oh wow, it's Brooklynn, Yasmina Fadoula, Roxie, Sammy Gutierrez, Jessica Harding, and Chateau Dankworth.

Eli: From Jurassic World: Camp Cretaceous, Jurassic Park, and Love of Kill, awesome.

Lincoln: Are you girls okay?

Brooklynn: Yes, we're okay, thanks to you.

Then, when Brooklynn and the other five girls saw who it was that saved them from Dishwater Slog, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted

Brooklynn: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made five clones of himself, and he and the five clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Brooklynn: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Thunderbird Necklaces of Eternal Love appeared on the necks of Brooklynn, Yasmina Fadoula, Sammy Gutierrez, Jessica Harding, Roxie, and Chateau Dankworth with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We head back to the World Tree Estate, and we told everyone about our rescue in the cute and comical version of Equestria, and they met the cute versions of Twilight and her friends, along with Potion Nova, and they were shocked when they heard that the villain we went after was Dishwater Slog.

But, when Lincoln showed what we did to him and sent him to the Masters of Evil, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln, Celine Wendova, and Olivia Gansley have a lot of catching up to do, now that they're back.

Princess Celestia: And it's good to see you again, Potion Nova.

Potion Nova: You too, Princesses Celestia, Luna, and Cadence.

Lincoln: And you've heard that Twilight's friends and the Cutie Mark Crusaders have become Alicorns, right?

Potion Nova: That's right, and they've indeed earned it through their heroic deeds, and we're now rid of the 23 worst enemies of Equestria for good.

Sunset Shimmer: That's right.

---

After the rescue in the comical version of Equestria, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Celine Wendova and Olivia Gansley aw Lincoln working out like crazy, she had an atomic red blush on her face.

Celine Wendova: Whoa, I was right that Lincoln has really grown to be a 17-year-old 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible.

Olivia Gansley: That's so awesome.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Celine and Olivia, and now, I can also defend myself, and I've also gotten smarter as well.

Celine Wendova: That's incredible.

Nico: It sure is. So, Celine, Olivia, what memories did you have with Lincoln?

Celine Wendova: I'm glad you asked, Nico, and this involved me, Olivia, and Lincoln in driving off that mentally-damaged, troublemaking old goat, Scoots, before she could try to start heckling. We were at the restaurant Olivia opened up in Royal Woods, and we were having an awesome lunch. But, we had trouble incoming: Scoots was about to barge in and cause trouble again. So, not only did I fire a blast of darkness and disable Scoots' scooter, but Olivia Gansley's security system triggered, and when it sensed Scoots, the system sent out a couple of drones to force that old goat out. But, she swore we haven't seen the last of her.

Olivia Gansley: That's right, but I swore that I wasn't going to let that old goat get away with this, so I began heckling Scoots in what she did best: making peoples' lives miserable, and it got so bad, she was that close to losing it. But, I swore if she dared to heckle others again, I'd throw that old goat in an insane asylum where she'll never be let out again.

Lincoln: Well, you're in luck: after an incident at Dad's restaurant, Scoots was arrested and thrown in the Lansing Maximum Security Asylum and after she broke out to cause trouble again and heckled Lynn at her game, Lynn got back at Scoots, and Scoots got herself put in Solitary Confinement after I had her put in a rainbow energy straitjacket and rainbow energy chains, so she couldn't escape.

Olivia Gansley: Awesome, that'll teach her.

Lynn: Yeah, even though we're suppose to respect our elders, Scoots doesn't respect anyone around her and all she does is cause trouble, she's been nothing but trouble ever since the day she was born, and she should've been put away long ago.

Rita: And what she did in messing with my kids, she's just lucky I didn't punch her dentures out of her mouth.

We then got a shower afterwards, and then, we were heading off to meet Toph Bei Fong's parents.

Lincoln: This is going to be so awesome to meet your parents, Toph.

Toph: You got that right, Lincoln, and I've been telling them a lot about you, and that just wants them to meet you even more.

Nico: And we're also here for support as well.

TLPS Mr. Wolf: That's right, and from what we heard, weren't there two bounty hunters that came after you, Toph?

Toph: You mean Xin Fu and Master Yu? Yeah, but I outsmarted those two long ago. But, if they're here, they'll be wanting revenge.

Lincoln: If they hurt one hair on you, they're going to get their teeth punched out of their mouths.

Nico: Now, that's what I like to hear.

We arrived at Toph's house, and it was a beautiful place, and waiting outside were Toph's parents. We landed as soon as they saw us.

Lao Beifong: Toph, it's so good to see you again.

Toph: You too, Dad.

Poppy Beifong: And this young man must be Lincoln Loud.

Lincoln: Yes, that's correct. But, I didn't come alone.

Lincoln stood to the side, and all of us went up to meet Toph's parents.

Lao Beifong: Ah, I see, you brought the rest of the team for support for when you're going to meet your future in-laws, correct?

Lincoln: Yes, that's correct. And Toph told me that you shielded her from the outside world, and I understand that as her father, you wanted to protect her, and I should know. I've also got kids of my own as well.

Lao Beifong: Yes, you're indeed correct. I wanted to protect Toph, she was born blind long ago, and I didn't want her to get hurt. But, then, she ran away, and I hired Xin Fu and Master Yu to track her down. But, I can see I was wrong to do so, she's much happier with you and Team Loud Phoenix Storm, Lincoln, and I know you'll take good care of her.

Lincoln: I will, Mr. Beifong.

TLPS Mr. Wolf: Hmm, Mr. Beifong, where are Xin Fu and Master Yu?

Poppy Beifong: When they found out you were coming, they were planning on ambushing and killing all of you, but before they could spring the trap, they were snatched by someone and dragged to a castle located near our home.

Poppy Beifong gave TLPS Mr. Wolf the photo of Xin Fu and Master Yu, and he saw who it was that captured and dragged them to the castle: Tex Avery McWolf.

TLPS Mr. Wolf: So, Tex Avery McWolf was the one who captured them.

Lincoln: And he's got them at his castle. Let's get going.

We headed for the castle of McWolf, and right in the center of the room, we saw Xin Fu and Master Yu chained up by McWolf's Chains of Torment.

McWolf (Tex Avery): Sorry to cause something like this, guys, but Vypra needed those two captured, so that way, they don't try anything bad.

Lao Beifong: We understand. I see I made a big mistake in trusting you two, you cared only about money, and as such, I shall let my future son-in-law decide your punishment.

Lincoln: What you two have done in trying to capture Toph in the past, and motivated by one of the Seven Deadly Sins: Greed, you two should've realized that Toph made her own decision to join Aang and his friends, but you two aren't going to get killed, because I got a better punishment.

Lincoln stripped Xin Fu and Master Yu of his Earthbending using the ancient art of Energybending.

Lao Beifong: What was that?

Lincoln: That was the ancient art of energybending in action, Mr. Beifong. J.D. used it to strip Ozai of his firebending and strip Hama the Bloodbender of her bloodbending and waterbending.

Lao Beifong: I remembered hearing tales about this ancient art long ago, but I never thought I'd see it for myself.

Me: And now, Lincoln used it to strip Xin Fu and Master Yu of their Earthbending. So, that's the very punishment you had for them, huh?

Lincoln: That's right, and without it, they won't use it to try and attack us again, and we'll put them in The Masters of Evil's prison.

After we left the castle, Xin Fu and Master Yu were then put in the Masters of Evil's prison, where they will remain there.

Lao Beifong: And now, I understand you must be going: today is your other future wife's special mission.

Lincoln: Yes, that's correct, Mr. Beifong, and it was an honor to meet you and Mrs. Beifong.

Toph then said goodbye to her parents, and so did the rest of us, as we head back home to the World Tree Estate.

---

Later it was time for Takanuva's first ever Ambassador Mission and it was for meeting the Den-O Kamen Riders.

Casey: Considering our special mission today, me and my team sure am gonna get a lot of focus.

William: No kidding. Anyone else want to come with Takanuva? Besides 3 Rabbids?

Takanuva: I'm gonna have Brittney, Misty Tredwell and Carly Atlas come with.

Nico: Cool! This is gonna be so awesome meeting the Den-O Kamen Riders.

Me: It sure will be awesome. And the monsters they face are the Imagin.

Nico: Yep.

Eli: I can't wait to blast them into dust.

Me: Me too.

Carly Atlas: Me too. This will be awesome.

Me: But they will not be as easy to destroy as the Worms are. But we can take them.

Eli: Yeah!

With that we were off to Japan yet again.

Me: This one had me confused of the most Nico. It's like Ryotaro had many sides to him in this one.

Nico: That is confusing isn't it. It was because Ryotaro had many Imagin inside him. They each made him get different personae inside him.

Phoenix: (From inside my head) He's right on that. Imagin are known for taking control of people when they have a contract with them for getting a wish they want granted. Ryotaro has a contract with Six Imagin.

Me: Wow! I remember seeing that. He has Momotaros, Urataros, Kintaros, Ryutaros, Sieg and Deneb in him.

Phoenix: Correct. But the train they travel in is really awesome.

Nico: It sure is. The DenLiner is really awesome. It's like a living creature in the form of a bullet train.

Eli: Wow that is cool! The Den-O Kamen Riders would love the ToQgers.

Nico: Yes they sure would.

Carly Atlas: But we will have to be careful.

Me: Yep.

We arrived and we saw Ryotaro Nogami and Yuto!

Yuto Sakurai: So, more Imagins reveal themselve?

Ryotaro: Hold on. Maybe we should see if they're hostile or not.

Momotaros: Ryotaro, there's one thing we always follow in our line of work. Fight first and ask questions later.

Ryotaro: (sighs) If something bad happens, I'm blaming you.

Ryotaro and Yuto pressed buttons on their belts.

Ryotaro and Yuto: Henshin!

Ryotaro turned into Kamen Rider Den O and Yuto turned into Kamen Rider Zeronos. Momotaros then went into Ryotaro, possessing him and turning him into Kamen Rider Sword Form.

Me: AWESOME!

Nico: Now that is cool!

Computers: Sword Form/Altair Form!

Momotaros: I… have arrived!

Yuto: Let me say this to start: I am fairly strong! (to Momotaros) I'll take the gold one. You can have the other one.

Momotaros: With pleasure!

Yuto charged at Takanuva while Ryotaro and Momotaros approached me.

Ryotaro: I'm very sorry about this.

Me: (Speaking in Japanese) 良太郎は申し訳ありません。あなたはあなたが一番好きなことをしているだけで、それはあなたが愛する人を守るためにお尻を蹴っています。(Ryotaro you have nothing to be sorry of. You are just doing what you like best and that is kicking ass to protect those that you love.)

Momotaro: I'm not! (throws punch at me)

I blocked it.

Me: Ryotaro you should know that facing us is a bad idea. We are Team Loud Phoenix Storm.

Nico: That's right and we are not your enemies.

Eli: We are also not Imagin.

Carly Atlas: We're friends.

Ryotaro: Wow! Team Loud Phoenix Storm!?

Momotaro: Wow! It's an honor!

Phoenix: Been a long time Momotaro.

Momotaro: Phoenix!? You're now inside J.D.?

Phoenix: I sure am and I'm redeeming myself.

Nico: It's true.

Ryotaro: For the record, I wanted to ask questions first.

Me: No worries.

Takanuva: Sorry we should introduce ourselves. My name is Takanuva and I'm the Toa of Light. I'm here on my first ever Ambassador Mission to help you all out.

Me: You know who me and Nico are.

Eli: My name is Eli Winston Bullock.

Ryotaru: Whoa! I've heard so much about you Eli!

Momotaros: Wow! You are a force to be reckoned with.

Eli Winston Bullock: Yeah.

Brittney: I'm Brittney Knudson, J.D.'s second born daughter.

Carly Atlas: I'm Carly Atlas, Dark Signer of the Hummingbird and Member of Team Loud Phoenix Storm's Redemption Squad and the Masters of Evil.

Misty Tredwell: And I'm Misty Tredwell, Dark Signer of the Lizard and member of Team Loud Phoenix Storm's Redemption Squad and the Masters of Evil.

Casey Rhodes: And I'm Casey Rhodes, Leader of the Jungle Fury Rangers. In Japan you know them as the Gekirangers.

Ryotaru: Awesome to meet you all.

Yuto Sakurai: It's a great honor.

Casey Rhodes: (sighs) And these guys are Rabbids.

Nico: They are funny too.

Me: But they're also not the brightest light bulbs in the closet if you know what I mean.

Ryotaru: Oh I get it.

We then were on the DenLiner.

Nico: This is a nice train.

Me: Boy it sure is awesome.

Carly Atlas: Yeah it sure is. It's amazing.

Nico: The DenLiner is a really cool train and it has the power to go through time.

One of the Rabbids was about to put a Rider Ticket in his mouth.

Nico: No! No sucking on those! They're not food!

Me: See they really aren't that bright.

Eli: Yeah but they are funny.

Carly Atlas: Yeah they sure are.

Nico: Ryotaro, it must be awesome to have Momotaros and the others possess you in combat. What's it like?

Ryotaro: Really cool and it's like you can talk to 6 people all at once as well as do things you never thought possible.

Nico: Well said.

Me: Also you and your fellow Kamen Riders really helped us all out in the 20 Days of Darkness.

Eli: We didn't see you during that time but they really all helped us.

Ryotaro: Man I heard all about the 20 Days of Darkness from sis and that was awful. I'm sorry you all had to go through that.

Yuto: Yeah no kidding! But at least you guys were warned about it.

Me: That's right. We were warned about it.

Ryotaro: If it makes you feel better, all heroes have bad days every now and then. Heck, on those bad days, innocent people sometimes die. But what's important is that you get back up and do better.

Nico: That is true.

Me: Yeah that is definitely true. And that's right we always get back up and try again.

Eli: It's never easy being a hero.

Me: That's for sure. But with Great Power Comes Great Responsibility.

Carly Atlas: Absolutely.

Nico: On the day we exposed Albedo's former teammates, Tim Buktu said something similar to me while I was undercover in their team. (bitterly chuckles) Guess he was right about some thing, even if it was pretend on his part.

Me: Yeah.

Ryotaro: Those boneheads on Team Buktu were never right at all.

Yuto: Yeah we didn't believe what they said either.

Brittney: That's good you didn't. I sensed LOTS of lying in them too.

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

Momotaros: (hears explosion) What was that?

Me: Looks like we got trouble.

Eli: It's an Imagin attack!

Nico: Time for some action!

Carly Atlas: It will be awesome to destroy one.

Eli: It sure will.

Nico: Which Imagin's attacking?

Me: I think them!

We saw 4 Imagin! BLUEBIRD, WASP, BLOODSUCKER AND KRAKEN!

Nico: Bluebird, Wasp, Bloodsucker and Kraken!

Carly Atlas: This is gonna be awesome!

Casey Rhodes: Time for action! JUNGLE BEAST! SPIRIT UNLEASHED!

He transformed!

Casey Rhodes: WITH THE STRENGTH OF THE TIGER! JUNGLE FURY RED RANGER!

He was ready!

Ryotaro and Yuto: Henshin!

They transformed!

Nico: Time for some buttkicking!

Takanuva: I'm ready!

Nico went Super Saiyan 3!

Me: Natsumi should be here too to get in on the action.

Urataros: I agree there.

Momotaros: I… have arrived!

Yuto: Let me say this to start: I am fairly strong!

Nico: Better get ready you 4 Imagin because it's BUTTKICKING TIME!

Eli: Let me start this off. DRAGON OF THE DARKNESS FLAME!

Nico: So it's time for the Dragon of The Darkness Flame right off the bat! Stand back guys. This is gonna get hot.

Eli summoned the pitch black flames of the underworld.

Me: Those flames are as hot as the sun and anything they hit will be incinerated in an instant.

Eli: Get ready because Bluebird and Wasp are the first Imagin to be sacrificed. DRAGON OF THE DARKNESS FLAME! 炎殺黒龍波

He fired a massive blast of pitch black fire as hot as the sun and it formed into a deadly dragon and it slammed into Wasp and Bluebird and incinerated them in an instant! THEY WERE BOTH COMPLETELY OBLITERATED IN AN INSTANT!

Nico: TAKE THAT!

Eli: Nice!

Seeing the deaths of their comrades, Bloodsucker and Kraken charged at Yuto, Momotaros, Takanuva, and Ryotaro.

Ryotaro: Now it's our turn!

Me: Let me take down Kraken! KAAAAAAAAA MEEEEEEEEE HAAAAAAAAAAA MEEEEEEEEEEE HAAAAAAAAAAAAAAAAAAAAAAA!

I fired a massive Red Kamehameha Wave and it hit Kraken and completely obliterated him in an instant! HE WAS TOTALLY DESTROYED!

Bloodsucker was enraged!

Ryotaro: SWORD HENSHIN!

He transformed!

Takanuva: Yuto, if you and Ryotaro have any Finishers, now's the time to use them. Me and Casey will help you two out!

Yuto: We gladly do!

Nico: Then lets do it!

Eli: Let me help too with my own finisher too.

Nico: Awesome!

Casey: With the spirit of the Tiger!

Casey ran at Bloodsucker and turned into an energy tiger!

Eli: FIST OF THE MORTAL FLAME!

Eli fired a powerful blast of fire from his fist.

Nico fired a blast of energy.

Carly, Misty and Brittney fired blasts of darkness and Takanuva fired waves of light.

Ryotaro and Yuto fired blasts of energy and the blasts all hit Bloodsucker and he exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The 4 Imagin we faced were dead!

Nico: You four Imagin have failed this city! I like using the lines of the Kamen Riders but I also like using the Failed City Line too.

Me: Next time I'll turn into my Phoenix Form as well.

Ryotaro: Takanuva, next time, you'll get a chance to be a Rider.

Takanuva: Awesome! Looking forward to it. But I don't know if I can become a Den-O Rider. I'm a robot after all.

Nico: We'll think of something for that.

We later came back.

May: How did it go?

Me: Really awesome.

We told everyone what happened and it was awesome.

May: Wow! That is awesome!

Laney: It sure was cool.

May: Ruby should go with you next time.

Ruby: I would be honored.

Takanuva: It sure will be awesome.

---

We were thinking.

Me: Varie I heard that after what happened in the 20 Days of Darkness that you made Squidward an awesome sanctuary. How did that go?

Varie: It was really awesome and cool.

---

FLASHBACK - BETWEEN CHAPTERS 1325 & 1326

---

Master Frown: So, you guys are okay now, right?

Ren Krawler: Relax, Master Frown. All of us are fine.

Rotwood: Forgive us if we find that hard to believe. After all, you all just got through the 20 most horrible days of your lives.

Linehalt: J.D. and the Loud Kids are still trying to get over it. The rest of us have moved on.

Lily: Yeah that was hard. But I'm okay.

Varie: Same with me as long as we get to have some Krabby Patties.

Rotwood: That is good but thank you for Pardoning us.

Varie: No problem.

SpongeBob: Ow! [This causes Squidward's newspaper to fly out of his hands]

Varie: Oh here Squidward.

Varie gave his paper back to him.

Squidward: Thanks Varie.

SPLAT!

Squidward got hit in the face with a watermelon!

Fish: Get out of our city Stupid Squidward! You are ugly and stupid and we don't want you here! CRIMINAL!

Varie: HEY! YOU DON'T EVER SAY THAT TO HIM FISH BREATH!

POW!

Varie punched the fish in his face!

Squidward: [groans] Okay. I can do this. Just put them out of my mi…

---

French Narrator: (French Accent) One extremely brutal shift later…

---

Squidward: [screams and runs into his house. Locks door using every type of lock. Comes to crossword puzzle] A nine-letter word for bad bullies: Jerkheads. [writes "Jerkheads" on crossword] Ugh. [wipes his face] Finally. Some peace and quiet.

Fluttershy: Squidward, if you want, me and the others can build a place for you to have peace and quiet.

Squidward: Aren't Lily and her siblings going to help you with that?

Maria: After everything that happened over the past few weeks?! I prefer that they take it easy.

Then a bunch of people came and they were REALLY PISSED WITH SQUIDWARD! THEY WERE CHANTING GET OUT OF TOWN!

Fish: GET OUT OF TOWN! GET OUT OF TOWN!

Maria: Oh great. Fluttershy?

Fluttershy: I got this.

She used her stare on the people of Bikini Bottom and scared them bad!

Squidward: [sobbing hysterically and rams into his wall in his house, becoming dazed. Squidward is then under his chair in a fetal position, crying] All I really want is to live in a world where I can just relax in peace [sniffs] and quiet. Is that too much to ask?

Lily: Oh man. SpongeBob and Patrick, guys, we got to do something special and awesome for Squidward. The people of Bikini Bottom really hate him and he wants someplace to lay low for a bit.

Brawl: No offense, Lily. But you, J.D., and your siblings need to take it easy after what happened the last few weeks.

Lily: I appreciate your concern Brawl but we got to do this for Squidward. He needs this.

Brawl: Yeah you're right.

[cuts to later that night]

Squidward: [in bed] Good night… lamp. [turns lamp off. Then, sawing and hammering noises begin outside and he turns the lamp back on] I guess having a relaxing evening meant saying up all night with power tools! Well, it's not that late, even the morons of Bikini Bottom need to sleep sometime.

[clock spins around until morning and construction sounds are still there]

Squidward: I can't take it anymore!

[runs downstairs grumbling]

Squidward: When I get those morons, I am gonna… ! [opens the door] All right, you two, I… [gasps. he walks out his door to a Hawaiian-like beach with tikis, palms, and waterfalls] It's, it's, it's… beautiful! [gazes in amazement] It's too good to be true! [sadly] It's a mirage! I knew it! [starts walking back to his house] I guess this is it. [Gary walks by with a coconut and Squidward grabs it] Insanity.

[SpongeBob slingshots a Hawaiian shirt on him. Patrick uses a fishing pole to reel down a hat, sunglasses, and a lei and drapes it around Squidward's head.]

Squidward: [sadly] Next stop, padded room at the cephalopod home! [weeps, then looks at his drink and sighs] Just go with it, Squiddy.

[Squidward walks around a bit, drinking his coconut along the way, then comes to a waterfall, goes inside, and takes a shower. Then he comes back out to see a tiki boat waiting for him. He gets in and floats down a stream, drinking the coconut. Then he realizes it is empty and notices a tiki bar ahead and stops.]

Squidward: A refill, my good man! What the? [notices Patrick behind the bar blending a smoothie] Patrick?! What are you doing here?!

[Patrick turns around and pours the drink into Squidward's coconut. While he takes out a newspaper and reads it, Squidward drinks the drink.]

Squidward: It's delicious! What is it?

Patrick: A smoothie.

Squidward: Remember, Squiddy, just go with it.

[tiki song starts as three tikis watch Squidward in the boat]

Tiki #1: Hey fellas, look! it's Squidward!

Tiki #2: Hey, buddy, where ya been?

Squidward: Hit it boys!

Tikis: Welcome, to Squidward's Tiki Land! Welcome, to Squidward's Tiki Land! You can relax all day like a tiki can, or lay out in the sun for a tiki tan.

Squidward: Or drink from a coconut that's full of flan! [drinks from the coconut]

Tikis: Here in Squidward's Tiki Land! You can play all day in a tiki band, and dance all night on the tiki strand.

Squidward: Don't matter to me 'cause, 'cause I'm crazy, man!

Tikis: Here in Squidward's Tiki Land! [song continues as Squidward floats down the stream]

Squidward: Ahhhh, this is the life!

[Boat bumps onto land where SpongeBob puts out a canvas and paint. Squidward then paints a picture of the wonderful scenery]

SpongeBob: It's beautiful!

[SpongeBob hands Squidward his clarinet and he starts playing.]

Squidward: I've never felt this happy in my life!

Lily: Like it Squidward? We built it for you.

Varie: It's your own sanctuary.

Lily: Yep.

Brad Morton: I'm gonna take a nap in here.

Prowl: Go ahead and do so. This isn't just for Squidward exclusively, after all.

Lily: Yep it's for all of us.

Squidward: Wow! You guys are the greatest.

Varie: Glad you like it. We built one for you at the estate too.

Squidward: Amazing! Thanks guys.

Luna: No problem dude.

Lana: Glad you like it Squidward.

Varie: We call it Enchanted Tiki Sanctuary. It's perfect for relaxing and just enjoying yourself.

FLASHBACK ENDS

Me: That is awesome!

Nico: Wow! That sanctuary was a great idea guys.

Fluttershy: Oh it was really lovely and amazing.

Me: It sure was and after everything we went through with the 20 Days of Darkness that was a great place to rest.

Eli: Boy no kidding. Also Varie where did you get those awesome Tikis?

Varie: I made them. When you lived in Hawaii for as long as I have you pick up some things.

Nico: Cool!

Thetis: (to Brad Morton) That nap actually lasted the whole day.

Brad Morton: Okay, so maybe I was feeling a little tired that time.

Nico: Boy we all were.

Squidward: Those 20 days took it all out of us big time.

Laney: That is a massive understatement.

Lily: But it sure was awesome going on all those adventures. Minus the dark parts. But building that entire sanctuary for Squidward was worth it in the end.

Laney: It sure was awesome.

Sunset Shimmer: It was really beautiful.

Squidward: How did you guys build all that so fast?

Laney: I used my plant powers to make the plants and the jungle and the rivers for the oasis.

Luna: I helped make the waterfall.

Fluttershy: And I called the animals to help out.

Eli: And I got the luxurious stuff for you.

Squidward: Oh wow!

Nico: Yep. Anyway it's time to get ready for Fluttershy's special mission.

Fluttershy: Oh it'll be amazing to see Laval and everyone again.

Me: It sure will be awesome.

Then Zexion, Metal Sonic, Lythos, Hydros, Whirlin, Abra Kadabra, Whiplash, David Cain, Chemistro, and Puppetmon appeared.

Zexion: Can me, Metal Sonic, Lythos, Hydros, Whirlin, Abra Kadabra, Whiplash, David Cain, Chemistro, and Puppetmon go with you guys this time?

Nico: Yes you sure can.

Metal Sonic: By the way we heard a really loud fart earlier.

Dexter blushed in embarrassment.

Dexter: Sorry about that.

Lily: Dexter ate a huge burrito and he convinced himself that he was going to die.

Me: But all he had was nasty stomach cramps leading up to an explosive level of flatulence.

Whiplash: WHOA! Geez!

Nico: Yeah no kidding.

David Cain: That was insane. Also Vypra told us how you all did in that awesome bake off and congratulations on winning.

Callie Allbright: Thanks. That was so much fun.

Nanette: And I'm proud of my sister and friends.

Brawlrus: Nico, which Gene Slammer do you think you'll meet this time?

Nico: I'm hoping to go meet a Stomachoan Gene-Slammer next.

Me: One of Gutrot's kind next. That will be cool.

Rainbow Dash: Really awesome!

Me: So it's someone that knows about poisonous chemicals and all that like say Twilight Sparkle, Lisa, Dexter or anyone that knows about chemistry.

Laney: Yeah.

Fluttershy: I agree.

Whiplash: Let's get going.

Nico: Yeah!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal, and he saw who the figure was in the vision: it was none other than the Twisted version of Alice, who looks physically the same, but she was beheaded by the Queen of Hearts, and after that, she was brought back from the dead by the Cheshire Cat and she was turned into a twisted puppet. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is there someone else coming after us?

Lincoln: Afraid so, Nico, and we're not going to like it one bit: the dark energy I sensed belongs to the Twisted Princess version of Alice, she may look physically the same, but she was beheaded by the Queen of Hearts, and after her tragic execution, she was brought back from the dead by the Cheshire Cat and she was turned into a twisted puppet.

We gasped in pure shock.

Helena Nicos-Knudson: That's not good.

Alice (Disney): What happened to her that made her like this?

Nico: I was just about to say the same thing.

Helena Nicos-Knudson: You won't like it.

Helena Nicos-Knudson proceeded to tell us about Twisted Alice, and we weren't going to like it one bit.

After she's declared guilty, the Queen of Hearts and her army then proceed to chase Alice through Wonderland. Unfortunately, Alice trips and hurts her leg, allowing them enough time to catch up to her. Alice is then dragged away by the Queen's soldiers. All of this is being watched by the Cheshire Cat who's hiding in the shadows. Alice is taken to the center of the Queen's garden maze where all the bodies of the many victims of the tyrannical Queen are discarded, and like all of the Queen's victims, Alice is beheaded and left in the center of the maze to rot. Unknown to the Queen, the Cheshire Cat followed her to the center of the maze and witnessed the tragic execution of the young girl. Once the Queen and her army has left, the Cheshire Cat appears. He feels extremely guilty for the death of this little girl… but that feeling soon passes, for the Cheshire Cat now had himself a new toy… a new body to posses…

a new puppet to carry out his twisted motives.

When Helena was finished, we were horrified.

Nico: My God, this proves how violent The Queen of Hearts really is, to kill a little girl and dispose of her like she was nothing, that's just evil and sick.

Fluttershy: Is there a way to save her, Linky?

Lincoln: Yes, there is a way, Fluttershy. Remember how Rainbow Dash and Twilight saved the twisted versions of Belle and Mulan and Mushu?

Me: So, you're going to use the same spell to save Twisted Alice?

Lincoln: That's right, but first, we need to get the Twisted version of the Cheshire Cat out of her, and put somewhere he won't cause any trouble again.

Nico: Good idea, big guy. Alright, let's go.

We opened a portal and went into the world of Lego for the world of Chima.

---

## CHIMA - WORLD OF LEGO

---

We arrived in the world of Lego.

Nico: Here we are.

Tomahawk Man: Nothing like another Lego World.

Kai: We've never been to this part of the Lego world before.

Nico: But wow! The world of Chima is amazing.

Eli: It sure is.

Qin: Wow! And the level of Life Energy coming off of it is amazing.

Fluttershy: Oh it'll be amazing to see Laval and friends again.

Nico: Well lets go find them.

We went to find Laval. Laval was training hard and then he saw us.

Laval: Wow! Hey guys!

David Cain: Hello again, Laval.

Fluttershy: Laval it's great to see you.

Laval: You too sis.

Me: Awesome to see you Laval.

Eris (Chima): Hey guys!

Eris and everyone came.

Eris (Chima): Awesome to see you all here.

Cragger: Wow you all are here today.

Nico: Yep we sure are.

Worriz: Awesome you all are here.

Livewire: We want to thank you guys for helping to free Red.

Laval: No problem. But he was NOT easy to subdue.

Nico: That's true but we still owe you all big time for that last week.

Starlight Glimmer: Yeah and next week is my special mission and it's gonna be amazing.

Eli: But it's gonna be an epic challenge.

Nico: Also when we face the Scorpion Tribe you're going to meet the live action counterparts of the Transformers soon.

Me: Yep. Just wanting to give you all the heads up.

Laval: Thanks.

Puppetmon: I like that you're a lion, Laval. Reminds me of the Pride Lands.

Leomon: And the fact that I'm a lion Digimon myself.

Laval: That is cool huh.

Jeri Katou: I think it's really amazing.

Laval: I'm glad too.

Nico: We actually met a bunch of Lego World characters here.

Me: Yep we met Ninjago, Bionicle, DC Heroes, Marvel and now you guys.

Nokama: It's true. It's so awesome.

Tahu: It sure is.

Poromon got out 3 beer bottles.

Laval: What are those?

Poromon: 3 bottles of beer!

Fangry: Okay, hopefully, Laval and his friends are old enough to drink beer.

Laval: We are but unfortunately we don't drink.

Nico: Good.

Laval: How about we show you all around?

Varie: Sure.

Chemistro: Anyone else think this place is like Equestria?

Nico: I do.

Me: Same here.

Twilight Sparkle: That is amazing.

Lyra Heartstrings: But yeah this is really amazing though.

Laney: I got that same feeling too. It's awesome.

Lana: It sure is.

We then saw Laval's friends and the students of his father learning all about the arts of Chi and more.

Skunk: Boy it's like learning martial arts back at the Valley.

Po: But this is Awesome! I think this is amazing too.

Nico: It sure is cool.

Stormy Weather: Laval, we'll need some info on the Scorpion Tribe.

Laval: Sure. The target we're going after is King Scorm.

He told us about him.

---

Scorm is the king of the Scorpion Tribe and the main antagonist of Season 2 in the Legends of Chima series.

When the prince of the lion tribe Laval dropped the Crocodile Tribe's CHI into the Gorge of Eternal Depth during a dispute, normal scorpions, spiders and bats transformed into human animal hybrids called the Crawlers due to the effects of CHI, Scorm rose to become their leader, they start demanding more CHI, and made the frightened king Crominus and Queen Crunket of the Crocodile tribe to show them were they can find more CHI. The crocs leads them out of their cave to show them Mount Cavora, a floating mountain whose waterfalls are the source of all CHI. The Crocodile couple then try to escape, but Crominus gets caught. Scorm orders the Bat tribe to fly and take the CHI with the help of the Spiders and their webs, blocking the waterfalls that provide CHI so that they can have it all for themselves, he and the Crawlers also start to capture the Legend Beasts and use them for various purposes. Crunket warns the tribes of Chima of the threat of the Crawlers, and 8 warriors representing each one of the main 8 tribes of Chima set out to the Outlands to save Crominus and Legend Beasts, whilst also facing Scorm and his army. Scorm's and Spinlyn always quarrel about that whether the Dark Tribes were created the Sky Scorpion or Sky Spider until it surfaces that that Laval accidentally created the dark tribes by throwing the crocs chi down the gorge, which they immediately discard as ridiculous. When the Dark Tribes were defeated by the 8 warriors, Laval gave his last CHI-orb to Scorm and told him to use it well, and use it wisely. Laval and his friends then returned to Chima and the freed Legend Beasts proceeded to unplug the CHI falls so that the tribes could get their CHI again. Scorm wasn't grateful for the CHI though, he wished he and his allies never had discovered CHI, because then he would never have felt so defeated and alone. He threw the Chi orb down a deep pit, which reanimated Sir Fangar, an ancient sabretooth warrior and leader of the Ice Hunters, when Scorm's henchmen came to him with more CHI he threw it all down the pit, which gave Sir Fangar the opportunity to awaken his army of Sabretooth tigers, mammoths and vultures, they climbed up the pit and froze some of Scorm's henchmen, Scorm tried to fight back with his Scorpion stinger, only to be frozen himself, Fangar proceeded to freeze the rest of the Crawlers and start conquering Chima. During Fangar's conquests Scorm was one of his frozen trophies until the phoenix child Flinx melted Fangar's entire fortress, including Scorm and his army of Crawlers, they immediately started attacking Laval and his allies, but where then subdued by king Crominus, Queen Crunket, and the lion king/Lavals father Lagravis, while Laval pointed out that they had a lot of pent up anger against the Crawlers. Flinx then melted the entire fortress and the spiders and scorpions (including Scorm) started falling to their death, but Spinlyn saved them with her webs, they then retreated to the Outlands. During the Great illumination, Scorm and his allies were presumably purified of their evil and hunger for Chi.

---

When he was finished we were shocked!

Nico: WHOA! So the darkness they had in them was still too strong for the Phoenix Tribe to destroy.

Eli: Oh man!

Whirlin: Can we learn Chi too?

Laval: Anyone can learn Chi.

Fluttershy: We'll all gladly teach you all.

Nico: This is gonna be awesome.

Laval: All right lets get to teaching.

GONG SOUNDS!

We got to training in learning how to use Chi!

Blackarachnia: Even Cybertronians like us can learn Chi too apparently.

Nico: That is awesome!

We were learning all over the place and more and really learning so much about Chi and more.

But then THE PHOENIX TRIBE CAME!

Fluminox: Looks like some of the tribes we thought we purified haven't changed.

Eris (Chima): King Fluminox! It's great to see you again.

Fluminox: You too Eris. And Team Loud Phoenix Storm it's an honor.

Me: You too your majesty.

Nico: We are honored to be in the grace of the Phoenix Clan.

Hydros: Funny how both teams are inspired by the Phoenix.

Nico: It sure is.

Fluminox: Indeed. But we are honored that you are helping us.

Me: Thank you your majesty. The Ice Warriors were out there when Fluttershy started on her Ambassador Missions.

Fluttershy: Yes they were.

Nico: And now they are in our frenemies in the Masters of Evil.

Fluminox: I can see that. Thank you all.

Batch: They weren't the only tribes that we recruited.

Me: No they weren't.

Laney: Yeah lots of tribe members are now in the Redemption Squad.

Nico: It's true.

Fluminox: And I'm glad they are on the road to redemption and Fluttershy you are a true hero to the world of Chima. And for that I have a gift for you.

He fired a beam of fire and then her wings changed and she got AWESOME WINGS MADE OF PURE FIRE! They were also overflowing with incredibly powerful life energy!

Nico: WHOA!

Lincoln: WOW! Fluttershy you look incredible!

Fluttershy: Wow!

Lythos: That's not the only upgrade Fluttershy's gonna get today.

Nico: That is for sure. She's going to transform.

Lincoln: Yep.

Fluminox: I wish you all luck against Scorm.

Nico: Not that we'll need it but thank you your majesty.

We got back to learning all about Chi and more and it was amazing.

Metal Man: Man, we've trained a lot the past hour!

Nico: No kidding. But it's awesome.

Laval: Lets have lunch before you guys show us your powers in the usual battles you all have.

Me: You've been doing your homework too.

Nico: Yep.

We got to having lunch.

We got to having our favorite foods as well as the food that the people of Chima have.

Abra Kadabra: This is good food.

Nico: You said it.

Me: You said it.

Lincoln: Fluttershy your new wings are incredible.

Carmen Dillo then appeared.

Carmen Dillo: Looks like I haven't missed a thing. Wow! Fluttershy your wings look incredible!

Fluttershy: Oh thank you Carmen.

He joined us too and we were having a great meal too.

Eris (Chima): Awesome to see you again Carmen.

Carmen Dillo: Same to you Eris. You guys did great helping everyone last week.

Laval: Thanks.

Poromon: This food is so good!

Nico: Yeah it sure is.

We had a great meal and now it was time for the usual battles.

SkullMeramon, Johnny 13, Motor Ed, Weather Wizard, Cheshire, Beautiful Gorgeous, Mercurymon, Eccentro, Fixer, and Marionette Shadow then appeared.

Nico: SkullMeramon, Johnny 13, Motor Ed, Weather Wizard, Cheshire, Beautiful Gorgeous, Mercurymon, Eccentro, Fixer, and Marionette Shadow.

Eli: You guys made it just in time too.

Beautiful Gorgeous: It sure is awesome here.

Mercurymon: This is the 5th Lego World you all went to.

Nico: Yep.

SkullMeramon: We have a bunch of archenemies for you all to face.

Killer Croc, Eis Shenron, Evil Nuova Shenron, Evil Oceanus Shenron, Rage Shenron, Yomi, Kuro Momotaro, Zeru, Byakko, Genbu, Seiryu, Suzaku, Bui, Younger Togeru and Rishu appeared!

Nico: WHOA MAN!

Me: Wow! Been a long time Byakko, Genbu, Seiryu, Togeru and Kuro.

Kurama: And Yomi I didn't know you were now in the Masters of Evil now.

Yomi: Yes and it's gonna be a most fun experience being part of your frenemies now Kurama.

Nico: Cool!

SkullMeramon: (to Nico) We heard you met Ryotaro today.

Nico: I sure did.

Me: We sure did and he was awesome.

Johnny 13: That's another Kamen Rider you've befriended in person.

Nico: Yep.

Motor Ed: Which one's after Kabuto?

Nico: Why spoil the mystery?

Weather Wizard: Fair enough. We also heard a loud fart this morning.

Cheshire: Was it Dexter?

Nico: Yep. Funny thing about that.

Me: He ate a ginormous burrito and he thought he was gonna die.

Lily: All he got was a really nasty case of gas.

Lana: Yeah no kidding.

Nico: Yeah.

Byakko: So we see. We have another for you all that you might know.

Another figure came out and it was VINCENT CRABBE!

Nico: Vincent Crabbe! So they decided to give you a chance too.

Vincent Crabbe: (British Accent) They sure have.

Nico: Been a long time since we saw each other. Last time was the calm before the storm against Voldemort and his followers. But you obviously now know that they are all dead and given the Black Gates.

Vincent Crabbe: I have heard.

Me: I take it you heard about what Voldemort was going to do to the world.

Vincent Crabbe: That's right. Wipe out everyone in the name of Pureblood Wizards.

Eli: That's right.

Then Icy Angel came out.

Nico: Icy Angel. Another round I see.

Icy Angel: That's right.

Nico: Cool.

Icy Angel: (to Leo) Funny how Laval's a lion like your Galactabeast, Red Ranger.

Leo Corbett: That's true.

Nico: Awesome too.

Maria: So you don't know where your former pal Malfoy is?

Vincent Crabbe: Not that I give a rat's ass about him anymore. But last I heard, he wasn't in the prison you guys sent him to.

Nico: (sighs) Well, until we can find more leads, we can't focus on that right now.

Me: I knew it was only a matter of time before he got out. But we'll find out where he is in due time. But something is telling me that he is up to no good. And he must be really pissed for what happened to him and to his father.

Nico: Yeah.

Eli: But if we face him we'll gladly make sure he pays like we killed his father.

Me: Yeah that racist jerk had it coming!

I went up to Crabbe and I put my hand on his shoulder.

Me: I was wrong about you Crabbe. You have a very strong sense of honor and that shows that you are not like Malfoy and all of Voldemort's followers.

Vincent Crabbe: Thanks J.D. That means a lot to me.

Me: Anytime.

We got the usual battles underway.

Mizore Shirayuki, Rarity, Sweetie Belle, Water Skylanders, Rai, Sena, Thetis and Driscoll VS SkullMeramon - Nico's Rescue

---

SkullMeramon was first.

SkullMeramon: (to Mizore) Nico's rescue this time was one of the funny ones. At least Hulk tried to help by trying to get the gas out of Dexter.

Mizore: (Laughs) Yeah it sure was funny! But After eating a big burrito like that, I wouldn't eat anything else for the rest of the day.

Rarity: Oh my neither darlings. A burrito like that would be really filling and bloating.

Sweetie Belle: Boy that would be one explosive burrito.

SkullMeramon: What was in that big burrito?

Sweetie Belle: It was all beans and cheese.

Gill Grunt: Yeah no kidding! It was huge! It was a five pound burrito full of beans and cheese.

SkullMeramon: WHOA! That is huge! For a little guy like Dexter to eat a burrito that big that must've been filling but gassy.

Rai: No kidding! That burrito was huge!

Sena: I can't believe that Dexter ate a huge burrito like that.

SkullMeramon: Boy if I ate a burrito that big I would be farting out a massive atomic explosion of blue fire out of my butt for a week! Lets do it!

They fired waves of ice, water and jewels and smashed him down.

Mizore: YEAH!

Rarity: Rapture darling that was grand!

Shane Clarke, Fluttershy, Tornado Bolt, Life Skylanders, Tom, Sarah, Peyton, Kaz, Silver Banshee and Livewire VS Weather Wizard - Dexter eating a massive and ginormous burrito like that

---

Weather Wizard was next.

Weather Wizard: (to Shane) I can't believe Dexter ate a massive and ginormous burrito like that. Next time, he should try smaller bites!

Shane Clarke: It wasn't the small bites that did it. It was the beans. That burrito was overstuffed with them.

Fluttershy: Yes it was all full of beans and it was more than enough to cause bad gas.

Tornado Bolt: Yeah Dexter had REALLY bad stomach cramps.

Stealth Elf: It was so bad that he thought he was going to explode.

Tom Majors: Not a good thing.

Sarah Gunderson: Yeah that was crazy.

Peyton: Dexter thought he was gonna die because of that.

---

Cheshire was next.

Cheshire: (to Casey) I'm glad you guys remembered Lily, SpongeBob. Patrick and the Neptune Crusaders building that awesome sanctuary for Squidward. Even though Brawl told Lily, J.D., and the other Loud Kids to take it easy after what happened during the 20 Days of Darkness.

Casey: That just goes to show that even in times of pain Lily and the others can get through anything.

Applejack: It sure is and it's really amazing that they were able to build a great sanctuary.

Apple Bloom: Boy it sure is amazing.

Flashwing: Boy it sure was pretty too.

Theo Martin: It sure was amazing.

Lily Chilman: I thought so too.

Cheshire: It sure was cool. Lets do it!

They fired waves of earth, rock, crystal and apples and smashed her down!

Casey Rhodes: RIGHT ON!

Applejack: YEEHAW! That was great!

## Rita Loud, Starlight Glimmer, Cozy Glow, Undead Skylanders, Ace Ventura Pet Detective, Lynn Loud, Lightning, Sirius, Proto Man and Stormy Weather VS Beautiful Gorgeous - Squidward deserved to have a place to lay low till the hate storm died

Beautiful Gorgeous was next.

Beautiful Gorgeous: (to Rita) Squidward deserved to have a place to lay low till the hate storm died. It was thanks to him and his teammates for helping us against the Digimon Emperor.

Rita: I agree there completely. It's hard to imagine that Squidward did all that because of his hatred towards SpongeBob. But in my opinion he was hurting inside because he was never that happy.

Starlight Glimmer: Yeah the poor guy. I think it was because he was totally unappreciated.

Cozy Glow: Yeah no kidding. Poor guy.

Hex: Yeah. I love Squidward's cooking and his food. He has a lot of talent in cooking.

Axe Ventura: It's all delicious!

Lynn Loud: Yeah it was awesome!

Lightning: It sure was.

The X-Squad attack Scorm in a cartoon fight cloud.

Jungle Fury Rangers: Claw Cannon!

Lily Chillman: Charging!

Jungle Fury Rangers: POWERED BY ANIMAL SPIRITS!

R.J.: WOLF BEAM!

Dominic: RHINO SHOOTER!

Nico: FIRE!

We fired waves of elements and energy and the blasts from our attacks, techniques, final smashes and finishers all hit the Scorpion Soldiers and King Scorm and exploded!

EXTREMELY MASSIVE EXPLOSION!

He was knocked down!

Nico: It's over Scorm!

Laval: You're finished!

Scorm: This isn't over! Not by a long shot!

Nico: You've lost Scorm!

But then he grew GIANT!

Nico: OH NO!

Laney: Not good!

Me: We need Zord Power!

The Jungle Pride Megazord and Rhino Pride Megazord were ready!

Jungle Fury Rangers: Jungle Pride Megazord!

Dominic: Rhino Pride Megazord!

Scorm: You think I'm scared of your toys?

Isabel: You will be scared of this!

Isabel then blew a horn and then there was a rumble and a massive army of Animal Zords came!

Nico: WHOA!

Isabel: And the Jungle Fury Rangers will love this one! (BLOWS A TUNE)

The zords and the Jungle Pride and Rhino Pride Zords combined with them and Isabel jumped in and landed in the cockpit!

Isabel: ANIMAL KINGDOM PRIDE SUPER ULTRAZORD!

Casey Rhodes: Whoa! This is awesome!

Dominic: Wow! This is incredible!

Reegull was knocked down.

Reegull: You wouldn't hurt an organic creature, would you, Optimus?

Live Action Optimus: An Organic Creature? No. You? Yes!

They blasted him and turned him INTO FRIED CHICKEN! Reegull is dead!

Starlight Glimmer: That's it for that bad bird!

They saw the ANIMAL KINGDOM PRIDE SUPER ULTRAZORD!

Starlight Glimmer: Wow! That is cool!

Live Action Bumblebee: That is amazing!

Live Action Ironhide: It was just like old times, Optimus.

Live Action Optimus: Indeed it was, old friend.

Live Action Ratchet: Now, let me repair all of you.

Live Action Crosshairs: C'mon, Ratchet. That's not necessary.

CLANG!

Live Action Ratchet: (whacks him with wrench) No buts! You've been without a proper medic for several years now. I need to make up for lost time starting today!

Starlight Glimmer: Boy it really has been a while for them.

Live Action Ratchet: Yeah it sure has.

Live Action Optimus: But it's great to have everyone back. Just have to wait for 7 more days.

Scorm was scared bad!

Isabel: Now this ends! ANIMAL KINGDOM SPIRIT STRIKE!

The Super Ultrazord fired a massive blast of energy and it hit Scorm and he exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Scorm was dead!

We cheered wildly and it was awesome!

Nico: TAKE THAT!

We later regrouped at the temple.

Laval: Thanks for helping us today, guys.

Beautiful Gorgeous: It was our pleasure, Laval.

Mercurymon: And now, we have another set of Lego heroes.

Eccentro: (To the Live Action Autobots) You guys helped too.

Me: We owe you all big time for helping us.

Live Action Optimus: It was our pleasure.

Live Action Hound: Damn straight!

Laval: We'll see you guys in 7 days.

Live Action Optimus: We will be waiting until then.

Live Action Optimus gave Laval a thumbs up. Laval responded with a fist bump.

Selene Tutankhamen: I think I'm gonna love it here with you guys.

Fixer: You sure will.

Marionette Shadow: Is there still more of that food?

Nico: I think there is.

Lincoln: I knew there's no mistaking that voice from anywhere. You can come out now, Twisted Alice.

An undead figure came out, and it was none other than Twisted Alice, she may look like she did when she was alive, but she has pale skin, her clothes were dirty, the blood and suture marks on her neck was proof she was beheaded, her eyes were purple, and she had the Cheshire Cat's grin on her face, and we saw the Cheshire Cat appear right by her side.

Nico: (Gasps) So, that's the Twisted Princess version of Alice. She matches up with Helena's story on her.

Helena Nicos-Knudson: That's right, Nico. The Queen of Hearts was the one who did this to her, and it's an unforgivable sin.

Fluttershy: Alice did nothing to her, but the Queen of Hearts cruelly executed her. But, we're going to save her.

Suddenly, Fluttershy's eyes turned neon light green, and she was surrounded by a green energy aura with butterflies, leaves, plants, and animals, she unholstered her massive Sword of The Knights of The Friendship Table from her back, and as she approached Twisted Alice, she left green energy, butterflies, plants, leaves, and animals with every step.

Fluttershy: Twisted Alice, what happened to you was indeed unforgivable, but when you became a puppet thanks to the Cheshire Cat's desire to take revenge, you wound up on a dark road of revenge and hatred, and that's something I can't allow, you both need to be stopped and cleansed of the very darkness that's corrupted you.

Suddenly, Fluttershy was surrounded by a massive vortex of green energy with leaves and plants surrounding the vortex, there are butterflies flying around the vortex, and in the vortex is a pink phoenix. Then, as the vortex faded, Fluttershy emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Fluttershy grew to 6'5" in height, she had the body of a goddess, she had neon green eyes and a green energy aura with forest animals, plants, and leaves surrounding her, she has an alicorn with leaves emblazoned on her forehead, she has on alicorn earrings with the Nature Kanji in its hooves on her ears, her golden Amulet of Life has green gems in the gold lightning bolts from her merged Thunderbird Necklace of Eternal Love and green crystals embedded in it because her Crystal Necklace of the Buddha merged with it, and in addition to the gold Thunderbird pendant, she now has an alicorn and they're holding the Nature Kanji. She now had a hair clip with three jeweled butterflies on her head, and she was dressed in a short-sleeved pink blouse with butterflies and forest animals and a pink phoenix, pink sleeveless top, spring green skirt with leaves, pink leather combat boots, and a long green sleeveless trenchcoat with leaves and plants on the coattails, and on the back is an Alicorn surrounded by leaves and plants and right on top of its horn is the symbol of The Life Skylanders. Suddenly, Fluttershy felt a sharp pain on her back, and then, massive yellow angel wings with pink tips on the yellow feathers, sprouted out from her back, Fluttershy has on her Ring of the Phoenix with large pink gem on her left ring finger and Yellow Lantern ring on her right ring finger.

Suddenly, Fluttershy's massive Sword of the Knights of The Friendship Table, Destroyer of The Armageddon 23, and Sword of

Kindness began merging together, and when it emerged, it was transformed into the Nature Sword of Magical Kindness, it's a brand-new large sword with a 6'5" massive, wide, double-edged yellow blade with her cutie mark and leaves etched on the blade, large yellow angel wings for the crossguard, large light pink gem embedded in the rainguard, longer black handle, and large yellow alicorn heads with pink gems for eyes for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with light pink gems on her wrists, her Belt of Elemental Bravery with an alicorn for the belt buckle and pink gems for the eyes and a large green gem in its collar for the belt buckle on her waist, large green Spellbook of the Gods and the Universe and large pink Spellbook of the Elemental Gods on her left hip and Eater of Sins revolver holstered on her right hip. There's a pink kanji below the Alicorn that says, "Fluttershy, Alicorn Princess of Kindness and The Life Skylanders, Loving Future Wife of Lincoln Loud, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Destroyer of The Doomsday 23, Defender of Equestria, Ponyville, and Canterlot, Member of The Knights of The Friendship Table, and Master of Nature, Animals, and Plants."

フラッターシャイ、優しさとアリコーンプリンセスライフスカイランダーズとリンカーンラウドの愛する未来の妻、悪の殺し屋、狂った、殺人、冷酷、そしてサディスティックな野郎、驚くべき強力な教師の驚くべき強力な学生、終末の破壊者23、エクエストリアの擁護者、ポニーヴィル、カンタロット、友情テーブルの騎士団のメンバー、そして自然、動物、植物のマスター

Fluttershy has transformed into SUPER ANGEL-ALICORN INFINITY ANIMAL KINGDOM LIFE ALICORN ANGEL OF ETERNAL KINDNESS AND ETERNAL LOVE!

We were amazed by Fluttershy's Super Angel Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Twisted Alice saw it, she tried to attack her, but Fluttershy fired a powerful green energy blast with butterflies, and it hit her, and she was restrained by vines that Fluttershy summoned.

Nico: Wow, Fluttershy's transformed into her new Super Angel-

Alicorn Infinity form, that's so awesome.

Twilight Sparkle: That's truly amazing.

Lincoln: Wow, Fluttershy, you look beautiful. How do you feel.

Fluttershy: (Divine Echoing Cosmic Voice of The Kindness Alicorn and Divine Love) **I feel incredible, Linky, and now, it's time for us to free Twisted Alice and the Cheshire Cat.**

Lincoln: Right, let's do this.

Lincoln unholstered his improved massive Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Fluttershy.

Twilight Sparkle: Let me and Rainbow Dash join you two.

Twilight Sparkle transformed into Super Angel-Alicorn Magical Alicorn Elemental Angel of Magical Friendship and Divine Love and Rainbow Dash transformed into Super Angel-Alicorn Infinity Athletic Alicorn Rainbow Lightning Angel of Awesome Loyalty and Divine Love, and they also joined Lincoln and Fluttershy.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Hold on, Twisted Alice, we're going to save you.**

Lincoln, Fluttershy, Twilight Sparkle, and Rainbow Dash went after Twisted Alice, and they fired powerful blasts of rainbow energy, purple energy, yellow energy, animals, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, Blood, Magic, Nature, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Alicorns at Twisted Alice, and they exploded with incredible power as they hit her. Then, Lincoln, Fluttershy, Twilight Sparkle, and Rainbow Dash formed a magic circle, which surrounded Twisted Alice and it chained her both up, so they can't escape.

Alice (Disney): This is just like what happened with the Twisted Princess version of Mulan.

Nico: But, for this one, Lincoln and Fluttershy have Twilight Sparkle and Rainbow Dash helping them out.

Lincoln, Fluttershy, Twilight Sparkle, and Rainbow Dash then read the incantations from their large Spellbooks of the Gods and the Universe, and the magic circle they made around Twisted Alice and Twisted Cheshire Cat began to glow purple, and they screamed with excruciating pain, as Twisted Cheshire Cat was then separated from Twisted Alice and they were both bound with rainbow energy chains made from the magic circle, and their eyes turned purple as a massive column of rainbow purifying energy rose up from the magic circle, purifying them both. We cheered wildly for what Lincoln, Fluttershy, Twilight Sparkle, and Rainbow Dash did, as they holster their massive swords on their backs and power down, and Fluttershy's new body, clothes, weapons, jewelry, and massive angel wings are permanent.

Suddenly, the column of rainbow energy faded, and we saw that Alice 2 was now completely purified of darkness and she's been brought back to life, and her world's Cheshire Cat has been freed from the darkness as well. Then, Alice 2 got up from the floor, and realizing what she'd done, she ran up to Lincoln and Fluttershy and she hugged them and she broke down crying, and Lincoln and Fluttershy hugged Alice 2 and Cheshire Cat 2 appeared around them.

Nico: I can't help but feel sorry for them. What the Queen of Hearts did to them in that world was indeed unforgivable.

Me: I agree, and we saw the consequences of Cheshire Cat 2 resurrecting Alice 2, and it led to Alice 2 turning into a puppet devoid of humanity. But, thanks to the spell from Lincoln, Fluttershy, Twilight Sparkle, and Rainbow Dash, they've been freed.

We ran up to Lincoln, Fluttershy, Twilight Sparkle, and Rainbow Dash, and we hugged them, and they hugged them back, and we had tears in our eyes and a smile on our faces.

Fluttershy: That's another Twisted Princess freed from the darkness. Thank you for helping me with freeing Alice 2 and Cheshire Cat 2 from the darkness that corrupted them, Linky.

Lincoln: (Smiles Warmly) You're welcome, Fluttershy.

Suddenly, Fluttershy wrapped her arms around Lincoln's waist, and it brought an atomic blush to Lincoln's face, as he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into an embrace, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Fluttershy's face, they kissed passionately as Fluttershy wraps her left arm around Lincoln's wider and muscular back, and she placed her left hand on Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Alicorn flying in the air, and we also saw a herd of Buffalo and animals running across the field, along with plants growing around their feet, and the display of the elemental forces behind them, and we cheered for them.

Laval: Wow, that was amazing. Lincoln and Fluttershy are indeed an amazing couple.

Then, Lincoln gave Twilight Sparkle and Rainbow Dash the same thing that he did with Fluttershy, and we saw the same displays from after the battles with Twisted Mulan and Twisted Belle.

Nico: And the same with the other members of the Mane 9, Laval, and they're also his future wives, as well.

Me: Yeah, Lincoln's got the golden charm, and that attracts many ladies to him, making him a ladies man like me, Nico, and Clyde.

Laval: (To the viewers) This was an awesome adventure and I hope you all loved it! It was so great!

Nico: It sure was. Great job everyone. This was a great adventure. Lets head home.

We went back home and we were exhausted. We enjoyed the rest of the day and went to sleep.

Another awesome fanfiction done.

Lego Legends of Chima was an awesome show! I thought it was awesome how Chima was made and it was so awesome and beautiful. Laval and his friends are really cool and amazing. The show ran from January 16, 2013 - November 22, 2014 and it was all amazing! The first part of the chapter was for the Dexter's Laboratory episode called Critical Gas and that was a funny one. Dexter ate a huge burrito and got really nasty gas and he thought he was going to explode. But the ending always made me laugh so hard it was unbelievable. The episode aired on February 4th, 1998 and it was awesome. The second part was for the series of MLP Friendship is Magic called Pony Life. That was a more comical and silly but cute version of the show and it was awesome. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, braedencarnes22, Darkhai, vinjedi1995, Drako1234658, Nflemingful, EtstheClarenceandTLHfan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Thanks guys. Nico's next rescue is gonna be a really awesome and cool one as Nico, Jimmy Neutron, May, Maria, Varie, me, Eli, Camie, Himiko, Ibara, Sirius, Tsuyu, Ochaco, Lincoln, Lana, Lola, Lisa and Lily are gonna help Sweet Apple Acres for the Zap Apple Harvest. We're also going to meet a Stomachoan Gene-Slammer named Denise Wellington. Denise Wellington is one of Nico's friends from Science Class and she is from Alaska and she knows so much about chemistry. Lincoln's next rescue is gonna be on a Chili Swamp Planet and we're going to see a planet made entirely out of chili! With beef, spices, onions, Worcestershire sauce and more and we're going to face the Chili Monster from Camp Lakebottom and meet the final goth girl of the Dark World Gene-Slammers, Clara St. Clarice the Gene-Slammer of Colorless, Chaos King of Dark World! She is the strongest and most powerful of the Dark World Monsters! Also tomorrow is Earth Day and we're going to embark on an awesome adventure as we battle the Planeteers Villains that have come back from the dead to get revenge. This time we're going to curse them with the Mother Nature's Vengeance Curse!

See you all tomorrow

# EARTH DAY 2022 AWESOME

🌍HAPPY EARTH DAY 2022 EVERYONE🌎

---

Walking to Sweet Apple Acres was Nico, Jimmy Neutron, May, Maria, Varie, me, Eli, Camie, Himiko, Ibara, Sirius, Tsuyu, Ochaco, Lincoln, Lana, Lola, Lisa and Lily and for Earth Day it was gonna be awesome as it was the coming of the Zap Apples.

Me: You guys are all in for an awesome treat. The Zap Apple Harvest is coming and we're very close to the final sign.

Camie: I'm really excited to see this.

Himiko: Me too. I've never seen Zap Apples before.

Nico: You guys will love it. Zap Apples are the big export that made Ponyville into what it is today. It's the founding staple that made it what it is.

Me: Yep. And last year we witnessed how the Zap Apples came into being and that was when we found out about Vampires being our neighbors. Crazy huh?

Sirius: Wow that is crazy.

Nico: Yeah no kidding.

Tsuyu: How do the Zap Apples come?

Me: Well Granny Smith said that there are signs that let everyone in the orchard know they are coming.

I told everyone the signs.

First sign: timberwolves

First, Granny Smith announces that the timberwolves are howling and that the zap apples are coming, although she later says that they howl "when the zap apples first start growing", after the other signs. The timberwolves appear in Granny Smith's flashback when she tells the story of the zap apples and the founding of Ponyville to Apple Bloom's class. Young Granny Smith enters the Everfree Forest despite its dangers in search of food. She hears a wolf's howl, and after she comes across the zap apple trees the timberwolves start gathering around her, howling and snarling. She escapes, and outruns the wolves back to the farmhouse, where she clangs pots and pans which scare away the timberwolves.

Second sign: zap apple leaves

The next day after the first sign, a sudden strong wind starts blowing and the skies get covered with dark clouds. The naked trees starts buzzing with blue sparks around their branches, and soon the sparks disappear and big leaves sprout, which Applejack calls "zap apple leaves". The clouds quickly disperse, and soon afterward Granny Smith tells Filthy Rich that the zap apples are due in four "days, to be exact."

Third sign: crows and flowers

The third sign is loudly pointed out by Granny Smith. There is another sudden wind and gathering of dark clouds, and a flock of crows circles above the orchard, making an apple shape with their flight pattern. Glowing teal flowers sprout on the trees and blossom into star-shaped flowers, accompanied by blue electric sparks. The clouds quickly disperse and the flowers stop glowing but remain on the trees.

Fourth sign: meteor shower

The evening before zap apple harvest, the Cutie Mark Crusaders watch the zap apples sprout on the trees after a meteor shower. Apple Bloom announces that it's the fourth sign, and the three Crusaders sneak into the orchard to harvest the zap apples, though Apple Bloom warns her friends that zap apple trees are magic. The fillies fail at their attempts to pick the apples, which are still small and gray, and not rainbow-colored like the harvest-ready zap apples.

Fifth sign and ripening

The weather changes abruptly for a final time before the zap apples are ready to harvest. There's a lightning storm over the orchard, then a rainbow shines over it, and the zap apple trees are once again teeming with electrical sparks. The zap apples turn from gray to rainbow-streaked, and rainbow-beams fire all across the orchard from the apples. An aurora-like rainbow shines behind the apple trees and the zap apples change shape from small round apples to larger, more elongated and squarish. Applejack watches the transformation and announces that the zap apple harvest has begun, and Granny Smith announces that "tomorrow we will be makin' up some zap apple jam!"

Sirius: Wow! That is a lot of signs to signal the Zap Apples Coming.

Nico: It was really cool to see them.

Lana: It sure was.

Nico: Thanks for coming with me, Jimmy.

Jimmy Neutron: It was my pleasure Nico and I am most fascinated with the zap apple harvests myself. It's really amazing to see a magnificent specimen give amazing jam and juice.

Nico: Yeah and it's really tasty.

Eli: Boy it sure is.

Nico: Jimmy, Goobot, Flippy, and your Evil Clone might be dealt with. But several of your enemies that aren't in the Masters of Evil are still at large.

Jimmy Neutron: I am most well aware of that Nico and we'll be ready for them.

Me: I got word from Vypra that Goobot's brother Ooblar is in the M.O.E. and he is really funny and awesome to hang out with.

Jimmy Neutron: That's good and he is the exception.

Me: Good.

We arrived and saw that the storm was there and the fifth sign was just about done!

Sirius: Wow! Look at all this lightning!

Me: That's the fifth and final sign everyone!

Then we saw rainbows hit each apple and then they turned into ZAP APPLES!

Nico: The Zap Apples are there!

Applejack: YEEHAW! This will be great! Oh howdy everyone. Happy Earth Day to y'all.

Me: Same to you Applejack.

Nico: Looks like we got here just in time to witness the final sign.

Apple Bloom: You sure did and it's awesome.

Lana: And right on Earth Day too. Talk about perfect timing.

Nico: I agree there.

Lola: You got that right.

Nico: This is gonna be awesome.

Me: Well (Cracks Knuckles) Lets get to work.

Applejack: YEEHAW!

Me: Might as well start us off! HIYAH!

I punched the ground and many of the Zap Apples fell into the baskets.

We got to picking them and loading them in and we were sweating like pigs.

Nico: WHEW!

Eli: Boy this is amazing! Nothing like picking apples to put some hairs on your chest.

Me: Not that again bro. But yeah it builds character.

Nico: Damn, this hard work was worth it!

Me: You said it.

Tsuyu: That is awesome. What happens if you pick the Zap Apples too early?

Me: The Zap Apple Trees are not ordinary apple trees. They are magical trees and they don't give up the Zap Apples till they are ripe and ready after the fifth and final sign.

Nico: It's true. And if you buck a tree before that they emit a powerful electrical shock.

Lily: Yeah the Mascots learned that one the hard way.

Nico: Yep.

?: Boy that must've been painful.

A Stomachoan came out.

Nico: Whoa a Stomachoan.

Stomachoan: (In a girls voice) Awesome to see you again Nico.

Nico: Denise Wellington? Wow!

Eli: Another friend from class?

Nico: Yep. From science class actually.

She reverted back and Denise was a girl with orange hair and beautiful clothes.

Denise Wellington: These apples are awesome. I was helping

Applejack and friends get the harvest ready.

Nico: But yeah. I was planning to use some zap apples to take care of some evil neighbors before. But that turned out to be impossible.

Me: Yeah it's part of a magical defense mechanism that the Zap Apple Trees all have.

May: Yeah but it was cool seeing the Zap Apple Harvest all in action.

Maria: It sure was. We may have stayed up all night because of that but it was all worth it.

Eli: It sure was.

Nico: Yeah.

Granny Smith: Boy no kidding. Now who wants to make Zap Apple Jam!?

We cheered!

We got to making Zap Apple Jam, cakes, baked goods and more and it was awesome.

We did it all.

Me: Boy this is fun. The first time we had Zap Apple Jam was 2 years ago. Nico came down for breakfast pissed off because he took a shot for Lincoln. And he was really pissed off and thought I was gonna banish him to the Warp.

Nico: (Groans) Did you have to bring that up?!

Me: Sorry man.

Nico: But yeah I was really mad back then but it's all water under the bridge.

Denise Wellington: (Eats waffles with Zap Apple Jam on them) Mmm! But the Zap Apple Jam is awesome!

Sirius: (Eats toast with Jam) It sure is.

Camie: (Eats pancakes with Zap Apple Jam) So delicious.

Me: Yep. It's really good stuff.

Jimmy Neutron: Anyway, do you have any favorite memories of Nico to share?

Denise Wellington: My favorite memories are when me and Nico were in science class and we were watching one of our favorite documentaries and Nico fell asleep watching a very slow documentary about bugs and he fell asleep on my lap and I held him like a pillow. Everyone said it was the sweetest thing ever.

Me: Aww that is so cute.

Eli: It sure is.

Varie: Yeah that is awesome.

Nico: Yeah it sure was.

Jimmy Neutron: That is really amazing.

Denise Wellington: Yeah many of the class fell asleep because of it.

Applejack: Boy that must've been a slow documentary.

Lola: No kidding.

Nico and Denise hugged and Denise had Zap Apple Jam on her face.

Nico: I really missed you.

Denise Wellington: Me too Nico.

Me: But this was more than a rescue. It was a great harvest.

Lana: It sure was.

Apple Bloom: But this one was fun too.

Pear Butter: It sure was. We're glad you all can come for this one.

Nico: Thanks Pear Butter. It was cool.

---

After Nico's rescue, Lincoln, Me, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, and Double D are heading to a planet made of chili, and not only is Lincoln going to rescue the eight girls, but we're going to also fight a monster made of chili.

Lincoln: Whoa, we're here on a planet made of chili, and I know what we're going to do here, not only am I going to rescue the eight girls, but we're going to also fight a monster made of chili.

Nico: That's right, big guy.

Me: (DROOLS) A whole planet made of chili, I'm drooling already.

Lincoln: Ah, ah, J.D., you ate enough chili already, specially Wiggum's chili. And thanks for joining us on our rescue, Double D.

Double D: You're welcome, Lincoln. This is going to be one amazing rescue.

?: HELP!

Suddenly, Lincoln heard the sound of eight girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye of The Buddha, and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the eight girls, but they've been cornered by the Chili Monster.

Lincoln: Uh oh, guys, I found the eight girls, but they've been cornered by the Chili Monster.

?: That ravenous Chili Monster, now he's going to get it.

We then saw Colorless, Chaos King of Dark World appear before us.

Lincoln: That voice, I knew it was you, Clara St. Clarice, but we'll have to talk later, we got a Chili Monster to stop.

We rushed on over, and Lincoln fired powerful rainbow energy balls at the Chili Monster, and that allowed the eight girls to get away. When the Chili Monster saw us, it roars in fury at us.

Lincoln: If you want a fight, you got one.

Lincoln unholstered his improved massive Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and unholstered their massive swords, Lincoln's sisters transformed into their Super Angel Infinity forms and unholster their massive swords from their backs, Lincoln's sisters transformed into their Super Angel Infinity forms and unholster their massive swords from their backs, Lincoln's harem unholster their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Double D, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Hector got out his massive Heaven's Maw of Judgement sasumata pike, and Me, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went at the Chili Monster, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, Blood, Magic, stars, rainbow flames, rainbow crystals, orange flames, blue flames, ice, green flames, and water, and they exploded with incredible power as they hit him.

Then, Lincoln sprouts a massive tail with a stinger and he stabs it into the Chili Monster, and Lincoln sucks the Chili Monster into his body. We cheered wildly as we holster our weapons and power down.

Lincoln: That's it for that monster. (To Clara St. Clarice) And it's so good to see you again, Clara St. Clarice.

Clara St. Clarice reverted back to normal, and she's a beautiful 17-year-old girl with long flowing red hair, dark blue eyes, she's tall at 6'5" in height, she had the body of a goddess, she has the kanji for void on her forehead, she has massive red angel wings, thanks to reigning in the power of Colorless, Chaos King,of Dark World, and she's dressed in a sleeveless red vest, sleeveless red midriff top, red skirt, red pants, red stockings, red high-heeled ankle-high boots, and long red sleeveless trenchcoat with darkness on the coattails, and Colorless, Chaos King of Dark World on the back.

Clara St. Clarice: You too, Lincoln, it's been a long time. And it's also good to see you again, Nicholette, Giselle, Scarlet, Silvia, Renee, Helena, Elizabeth, Selene, Zennia, Jackie, Laniya, Camie, Bertha, Chloe, Rhonda, Connie, and Celine.

Lincoln went up to Clara St. Clarice and they hugged, and Clara St. Clarice's also very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she's also felt just how strong he's really become.

Lincoln: It sure has been a long time, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then.

Clara St. Clarice: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Clara St. Clarice, she's the eighteenth member of The Dark World Goth Girls, she's a powerful master of the dark arts and knows so much about the occult and more. She's a master of darkness in its entirety. Shes also another of my close Guardian Angels and she also has a tattoo for the kanji for Void in the middle of her forehead.

Nico: Wow.

Connie Jackelstein: You got that right, but there's also something else: Clara ABSOLUTELY HATES SCOOTS with a vengeance! She did something REALLY TERRIBLE TO LINCOLN THAT MADE HER HATE HER GUTS! Now she wants nothing more than to curse her and send her to the fires of oblivion forever! She also has a tattoo for the kanji for Void in the middle of her forehead.

We gasped in pure shock.

Me: Whoa. We're hearing about that soon.

Lincoln: That's right, and I got you a little something.

Lincoln gave Clara St. Clarice a large Colorless, Chaos King of Dark World-themed sword with CColorless, Chaos King of Dark World etched on the 6'10" massive, wide, double-edged red blade, large red angel wings for the crossguard, large red gem embedded in the rainguard, longer black handle, and large red gem with black angel wings surrounding it for the pommel

Clara St. Clarice: Wow, I love the new sword you made for me, Lincoln.

Suddenly, a Thunderbird Necklace of Eternal Love appeared on Clara St. Clarice's neck with red gems on the gold lightning bolts links and red crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Clara St. Clarice: (Surprised) Whoa, is this?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're part of my harem and one of my many future wives, Clara.

Clara St. Clarice had a smile on her face and tears coming from her eyes, as she wrapped their arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around her waist, and he leaned down and kissed Clara St. Clarice on the lips, and they returned it, and we cheered for them. Then, we went up to the eight girls, and when Lincoln saw them, he immediately recognized them. The eight girls are Adda the White, Abigail, Celina, Deidre Ademeyn, Sabrina Glevissig, Morenn the Dryad, Shani, and Triss Merigold from The Witcher.

Lincoln: Oh wow, it's Adda the White, Abigail, Celina, Deidre Ademeyn, Sabrina Glevissig, Morenn the Dryad, Shani, and Triss Merigold.

Nico: From The Witcher, awesome.

Lincoln: Are you girls okay?

Adda the White: Yes, we're okay, thanks to you.

Then, when Adda the White and the other seven girls saw who it was that saved them from the Chili Monster, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

Adda the White: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made seven clones of himself, and he and the seven clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Adda the White: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, eight Thunderbird Necklaces of Eternal Love appeared on the necks of Adda the White, Abigail, Celina, Deidre Ademeyn, Sabrina Glevissig, Morenn the Dryad, Shani, and Triss Merigold with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We head back to the World Tree Estate, and we told everyone about our rescue on the planet made of chili, and they were shocked when they heard that the villain we went after was the Chili Monster from Camp Lakebottom.

But, when Lincoln showed what he did to that Chili Monster, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Clara St. Claire have a lot of catching up to do, now that she's back, and now, the Dark World Goth Girls have finally been reunited.

---

After getting rid of the Chili Monster, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Clara St. Claire saw Lincoln working out like crazy, she had an atomic red blush on her face.

Clara St. Clarice: Whoa, I was right that Lincoln has really grown to be a 17-year-old 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Clara, and now, I can also defend myself, and I've also gotten smarter as well.

Clara St. Clarice: That's incredible.

Nico: It sure is. So, Clara, can you tell us why you absolutely hate Scoots with a vengeance and what did she do to Lincoln to really earn your wrath?

Clara St. Clarice: You won't like it. One day, Lincoln and I were walking back home from Gus' Games and Grub, but then, we heard something fast approaching: it was Scoots, Royal Woods' infamous troublemaker and big-time heckler, and she was barreling towards Lincoln, and she ran him over and he was bruised badly and his arms and legs were broken, and Scoots was laughing like the bitter old witch that she is. I got so angry at Scoots, I fired blasts of darkness at her, and not only did I destroy that scooter of hers, but I also sent her flying back to Sunset Canyon, where Varie put her in another straitjacket and threw her back in her room. Ever since then, I hate Scoots' guts, and I want nothing more than to curse her and send her to the fires of oblivion forever,

We gasped in pure shock and horror.

Nico: Why, that bitter old… !

Me: As if Scoots couldn't get that more lower than that. Now, she really crossed the line.

Lincoln: After what Scoots did, I was in the hospital for two months because of her, and when the rest of the family and Pop-Pop found out what Scoots did to me, they wanted to rip her to shreds.

Eli: (Growling Ferociously) That troublemaker has no respect for anyone.

Nico: Which is why she's in deep trouble when the Grim Reaper comes for her, and there'll be H-E-Double Hockey Sticks to pay.

TLPS Mr. Wolf: Oh, she'll be paying a whole lot more. In fact, I say we also include her in the humiliation sessions.

We gasped at the sudden idea of that.

Nico: Including Scoots as another target for the humiliations. (Smirks) I like the sound of that, TLPS Mr. Wolf.

Everyone else agreed, and we then got a shower afterwards, and then, we were heading off to meet the families of Natalie "Nat" Blackstone aka Cure Black and Hannah Whitehouse AKA Cure White.

Lincoln: I can't wait to meet your families, Natalie and Hannah.

Natalie Blackstone: Trust us, you're going to love meeting our families, Linky.

Hannah Whitehouse: Along with the rest of the team.

TLPS Ms. Tarantula: This should be good.

TLPS Mr. Piranha: So, this is also what you guys do after the workouts in the gym?

Nico: Most of the time, it's either a date for most of us, dealing with trouble, or in this case, meeting the in-laws of Lincoln's future wives, and they're really nice people.

TLPS Mr. Wolf: Yeah, we already met Julie's parents, Mr. Piranha.

We arrived in Japan, and when we arrived at the houses of Natalie "Nat" Blackstone and Hannah Whitehouse, they were amazing.

Lincoln: Wow, so this is where you live, Natalie and Hannah.

Hannah Whitehouse: That's right. Shall we?

Lincoln rang the doorbell and then, Natalie's mom and dad, Terry Blackstone and Glenda Blackstone, and Natalie's little brother, Ryan Blackstone, came out, along with Hannah's parents, and when they saw their girls, they ran up to the girls and hugged. Then, they were introduced to Lincoln, and they heard that Lincoln was the one who rescued their daughters, and they're now his future wives, and they offered their congratulations to them.

Then, Lincoln moved their homes to Gotham Royal York, and they also moved to Gotham Royal York for not only a fresh start there, but they'll also be close to Hannah and Natalie, and they won't be apart.

Later it was time for Nokama's final Ambassador Mission and it was gonna be awesome.

Nico: Well this is gonna be another awesome final ambassador mission.

William: Anyone else want to come with Nokama? Besides Mike Chilton and 2 Rabbids.

Me: Mike is one of my friends from my past before the team was starting. I helped him and his team the Burners take down Abraham Kane. 2 weeks ago we brought Kane to justice and got him thrown in prison forever.

Yuta: Wow that is amazing!

Me: It sure is.

Nico: We are all glad he is gone.

Nokama: Soji, I promise that by the time we have our full mission with you, all the Worms will be gone for good.

Me: Everyone but Hiyori.

Soji: Thank goodness.

Hiei: But these worms are an absolute menace to the world and must be destroyed.

Kuwabara: Yeah no kidding. But at least they will be taken care of later on.

Mike Chilton: That's true.

Me: Yep.

Nico then snapped my fingers.

Soji: What did you just do?

Nico: Something to ensure that you or anyone who's been a Kamen Rider can't be altered by the shit the Time Jackers do ever again.

Mike Chilton: Who are the Time Jackers?

Nico: I'm sorry but I can't tell you this early until we meet Kamen Rider Zi O.

Me: That's gonna be a while. But that will be awesome to meet

them.

Eli: It sure will.

Keiko: I have a feeling that the Zi O Kamen Riders will involve time traveling.

Me: Yeah.

But then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Mike Chilton: (hears an explosion) Please tell me someone's bombs just dropped!

Me: No I know that kind of an explosion anywhere.

Hiei: It's a worm attack!

Nico: Yep.

We ran outside and we saw a Brachypelma Worm Aurantium, Epilachna Worm, Pulex Worm, Culex Worm, Leptophyes Worm and a Combatman Yummy army!

Me: WHOA MAN!

Nico: It's time to kick some butt!

Me: Yep!

I took off my jacket and weights.

Me: Just like you Bui, I too wear weighted clothes.

I folded them up and put them aside and then…

KRASSSSSSMAAAAAAAAAAAAAAAAAAAAAAAAASSSSSSSHHHHHHHH

They crashed into the ground with a thunderous crash and made another crater.

Bui: Impressive J.D. You wear much heavier clothes.

Me: (Cracks neck and loosens up) Yeah I sure do.

Soji, Hiyori, Yuta, Arata and Nokama: Henshin!

They transformed!

Vakama: Cool!

Soji, Hiyori, Yuta, Arata and Nokama: Cast off.

Computers: CAST OFF!

Their armors flew off.

Computers: CHANGE BEETLE/WASP/SPIDER/FIREFLY!

Soji: Hyper Cast Off!

Computer: HYPER CAST OFF!

He donned his awesome Hyper Beetle Mode!

Computer: CHANGE HYPER BEETLE!

Nico: YEAH!

Eli: This is gonna be awesome! Hiei shall we start things off?

Hiei: Lets do it.

Eli and Hiei formed swords of Pitch black fire!

Eli and Hiei: SWORD OF THE DARKNESS FLAME! 邪王炎殺剣

Eli and Hiei slashed a bunch of Worms with incredible speed and power and incinerated them in an instant.

A worm slashed Kuro Momotaro!

Kuro Momotaro: Oh yeah!

KROW!

He kicked him away.

Kuro Momotaro: Nice try worm face!

He used a Steaming Sphere and inhaled it and then he had on awesome beast armor! It was his ARMOR OF THE WOLF!

Kuro Momotaro: Beast Armor! Armor of the Wolf! 武獣装甲 魔雉の装

Nico: WHOA!

Me: That one is cool Kuro! You never showed us this one the last time we fought.

Kuro Momotaro: It sure is cool and I have a few sharp new toys on my hand that I am going to share with these cretins.

Me: And now you are impervious to their attacks.

Kuro slashed numerous worms all over.

Soji: Clock up!

He sped up time and zoomed fast and slashed numerous Worms all over.

Kurama: ROSE WHIP!

He lashed numerous Worms and killed them all over.

Kuwabara: Check this out! SPIRIT SWORD!

He formed a sword of energy! Kuwabara slashed numerous worms all over.

Zeru and Suzaku fired waves of fire and lightning and incinerated numerous worms.

Mike Chilton charged at the Pulex Worm and then he kicked him down.

Seiryu: ICE DRAGON!

He punched Pulex Worm all over and froze him and shattered him into powder!

Nico: YEAH!

The Culex Worm charged at Nokama.

Nokama kicked him down.

I flew at the numerous worms with incredibly powerful speed and slashed and obliterated them.

Nico: Take that!

Matau: How many Worms are left?!

We saw that only Leptophyes Worm was left.

Nico: Now it's just him left.

Fires were all over the place and they were really burning and more. They were the burning carcasses of the worms we all destroyed.

Nokama: One left.

Nokama: Time for our Finishers.

Nico: Lets do it!

Eli: Ready Yusuke?

Yusuke: Oh yeah!

Eli and Yusuke had balls of energy on their hands ready on their fingers.

Soji: May God have mercy on your souls. Because we have none to give to you!

Nico: Lets get them!

Eli and Yusuke: SPIRIT GUN!

Hiei: DRAGON OF THE DARKNESS FLAME!

Me: SPECIAL BEAM CANNON!

Suzaku: STORM OF TORMENT!

Seiryu: ICE DRAGON!

Keiko: FLOWER DRAGON FURY!

Soji: HYPER TYPHOON!

Nico: NUOVA STAR!

We fired massive and powerful energy blasts and the blasts all hit Leptophyes Worm and he exploded with incredible power!

EXTREMELY MASSIVE EXPLOSION!

HE WAS COMPLETELY OBLITERATED IN AN INSTANT!

The shockwave from the explosion was powerful enough to reach Hibiki Temple and the mushroom cloud could be seen for miles. Good think a force field was covering much of the city.

Eli: That's it for those worms.

Nico: That is for sure.

Yusuke: Yeah those assholes are all dead.

Kuwabara: Boy they sure are.

Kurama: Yeah that was amazing.

Hiei: That was a good fight.

Kuro Momotaro: Boy I haven't had this much fun since the Dark Tournament.

Me: That was awesome.

Soji: Nokama, you might find this silly coming from me. But ever since I met you, I've come to see you as a big sister.

Nokama: I'm honored Soji. I'm truly honored.

Nico: Awesome.

The Rabbids were crying tears of joy.

Nico: Aw it's all right guys.

Me: Yeah. But Eli all that training under Yusuke and everyone has really paid off.

Eli: It sure has bro. And I'm only getting stronger and stronger under everyone.

Me: Yeah you sure are.

Hiei: We're all really proud of you Eli.

Kuwabara: Yeah you got an amazing spirit.

We came back.

May: Hey guys. How did it go?

Me: Went really well.

Yusuke: Yeah we kicked a ton of ass.

Me: 434 worms in one battle. But out of all that only 5 of them were major.

We told everyone everything what happened and it was EPIC!

May: WOW! That was intense!

Laney: No kidding! That was awesome!

May: Stella, your missions are in two days. You should take 4 Rabbids and Scott Truman with you.

Winx Club Stella: Awesome!

Eli: That's gonna be in Kiva next.

Me: Now we're going to get into some action.

Blade: Those fangires better be ready. Because they obviously…

Me: Do not know…

Me and Blade: WHO THEY ARE FUCKING WITH!

Nico: YEAH!

---

At Gotham Royal York Wharf, two Autobots were talking to two workers.

Live Action Mudflap: You're saying that a group called the Sullen 6 made the lives of the heroes here a living Hell for a week?

Live Action Skids: Sullen 6 is a lame ass name.

Worker 1: Hey, those guys tried turning us against Team Loud Phoenix Storm. But Plankton defected a few months ago.

Live Action Mudflap: Hey, I know there are bad humans out there. But Decepticons are the real bad news.

Worker 2: Oh, the Decepticons actually are actually good ever since 2019.

Live Action Skids: Good Decepticons? Man, this world's crazy!

Toya then came up to them.

Toya: Excuse me. What's going on here?

Live Action Mudflap: Well who are you bluehair?

Toya: My name is Tōya The Hexed Ice-Master. And you have no right to say things like that to the people we know.

Live Action Skids: Really?

Me: That's right.

We came out.

Me: I see you already met Toya.

Nico: He's now one of us. And for your information you two the Decepticons are now on the road to redemption under my lead.

Nico showed his Decepticon Leadership Medal.

Live Action Mudflap: A Decepticon Leadership Medal!? How did you get that?

Nico: Long story on that.

Live Action Barricade: Been a long time you two.

Live Action Mudflap: Barricade!? You're with Nico?

Live Action Barricade: Yeah.

Orange Islands Nurse Joy: What do you two remember before you got here?

Live Action Skids: Well, we were trying to escape from Cemetery Wind on a highway when that punk Savoy shot a rocket at us.

Live Action Mudflap: (in realization) Oh, crap. We died, didn't we?

Maria: We're really sorry, you two.

Nico: Yeah you did die. The world you know is in turmoil. Really bad turmoil.

Nico revealed everything about what happened after they died and more and it was shocking.

Live Action Mudflap: Oh man! Sentinel Prime did this!?

Me: But he wants to make up for all the trouble he caused. We leave in 6 days for the Live Action Transformers universe and we're going there to set everything right. We can't let the torn relationships between the Autobots and humans go on any longer.

May: There are some people who think you two are racists.

Live Action Skids: What?! How'd they reach that conclusion? From how me and my bro talk and look?! We only called new girl here Bluehair because she really does have Blue Hair.

Live Action Mudflap: And we said Decepticons are bad because every Decepticon we've met has tried to kill us. (to Armada Starscream) No offense.

Armada Starscream: None taken. As long as you two don't say any racist names, we won't have a problem.

Nico: I agree.

Me: Yeah there's enough hate in the world without you two adding to the mix.

Eli: That's true.

Me: But also in this universe the war with the Autobots and the Decepticons is over after 8 million years of fighting.

Camie: Wow! The Autobots and the Decepticons were really going at it for that long!?

Fiona Hernandez: You don't know how bad that war was Camie. It was horrible.

Jetfire: Also, you two are right. Sullen 6 is a lame name.

Live Action Skids: Ha! I was right!

Me: I agree there too. Sullen 6 is a stupid name.

Plankton: Yeah it was the first name they could come up with.

Laney: Oh. I would have chosen a name like the Vengeful 6.

Lynn: That was already taken Lanes.

Laney: Oh. It was the first name I could come up with too.

Me: I would have picked a really scary Cult Style name.

Nico: Ooh like what?

Me: Uh I haven't thought of anything for that yet. But it would have been scary.

Live Action Skids: It's honestly gonna be a little hard to get used to Decepticons not shooting at us.

Azula: (laughs) Trust me. The Decepticons and Autobots have been trustworthy allies since Day 1.

Nico: It's true. Anyway we better get back. We got a lot of work to do today. It's Earth Day.

Me: It's the day we give appreciation to the planet we call home.

Eli: That's right.

We were getting ready.

Then Beautiful Gorgeous, SkullMeramon, Johnny 13, Motor Ed, Weather Wizard, Cheshire, Mercurymon, Eccentro, Fixer, and Marionette Shadow appeared.

Beautiful Gorgeous: Can me, SkullMeramon, Johnny 13, Motor Ed, Weather Wizard, Cheshire, Mercurymon, Eccentro, Fixer, and Marionette Shadow go with you guys?

Nico: You all sure can. Today is Earth Day and we're going to help the planet around.

Eli: This will be awesome.

Eccentro: It sure will.

Nelson: Hey, Nico. Which Gene Slammer do you think you'll meet on your next rescue?

Nico: I'm hoping to meet a Yautja Gene-Slammer next.

We gasped in shock!

Eli: Whoa! A gene-slammer for one of the most lethal hunters in the galaxy!

Cody (OC): Wow this will be an interesting one.

Me: It sure will be scary. I hope after that we don't go after a Xenomorph Gene-Slammer.

Varie: No kidding there. We've had enough of the Xenomorphs to last an eternity.

Aylene C.: I agree there.

Eccentro: Earth Day's a perfect day we celebrate the very Earth we're standing on. And I mean literally.

Nico: Yes it sure is.

Eli: Earth is our home planet.

Laney: Yeah it sure is.

Earth Chan: And I am happy about the home planet I personify.

Lincoln: We all are.

Commander Mars: I also remember that around this very day, we met the Planeteers.

Nico: Yeah that was 2 years ago.

Me: Those 8 days were awesome too.

Laney: Yep. From April 15th to April 22nd we took down the most evil Ecovillains ever.

Lana: Yeah we sure did. And we destroyed them too.

Lola: And they would not like it if they called Dot Warner, Dottie.

Dot Warner: Nope. Call me Dottie and you die.

Nico: Yep.

Live Action Mudflap: Why don't you like being called that?

Motor Ed: Dude, trust me. Don't call her that. Seriously.

Me: She absolutely hates being called that. She'll blow you to pieces if you do.

Nico: Yep.

Me: When you watched Animaniacs for as long as any of us can remember you have to respect that.

Power Girl: Remember when we met WALL-E last year on this day?

Nico: Boy that was awesome! We cleaned up the entire planet in the 29th Century.

Laney: Yeah that was awesome.

Camie: Wow that was 800 years into the future.

Laney: Yep.

Sirius: That was really amazing.

Lola: Yeah and you wouldn't believe how many bags of garbage we cleaned up.

Lana: Yeah. It was incredible.

Eli: We made a massive pile of garbage as big as Mount Everest.

Nico: And that was just on the planet. Around the planet in space was millions of tons of space junk.

Tsuyu: Whoa!

Cheshire: We also gave AUTO a choice to shut down his bomb or risk us following him in Hell.

Nico: Yeah we sure did.

Laney: And we faced robots he sent.

Tara: That was awesome. Especially a robot of Slade.

Me: Yep.

Nadira: We also fought Hexxus two years ago on this day.

Nico: We sure did.

Laney: That was awesome. And there was a moral to that adventure.

Camie: Which was?

Laney: Clear cutting can cause terrifying and disastrous consequences. Ecologically, economically and environmentally.

Nico: Yep.

Crysta: That is true.

Weather Wizard: Especially when those consequences involve a large monster probably made of lava.

Me: That's right. Hexxus was made of smoke and then he was made of fire and oil. Fed off of pollution.

Crysta: That's true.

Laney: But it was amazing helping all the people of FernGully then.

Lana: It sure was.

Laney: Yep and I used the same technique that I got from being imbued with the Magical Powers of Nature to trap Captain Pollution.

Nico: That was awesome.

Laney: Yeah. I also learned that nature is more than just a thing we take for granted. (Hand glows blue with nature energy) It's a gift that we must cherish and love. Because it's important to us and to our planet.

Nico: That is true.

Poison Ivy: I especially love Earth Day. For obvious reasons.

Me: That's right Pamela you started out as an ecoterrorist and you hated all the progress we did.

Laney: That's right and I helped change you by making awesome plant houses.

Poison Ivy: You sure did.

Johnny 13: Let's enjoy a nice and quiet Earth Day while we can. Because you bet something's gonna happen sooner or later.

Nico: Yeah I agree there.

Johnny Bravo: I have a feeling something will happen soon.

But then…

Gaia: Team Loud Phoenix Storm!

We saw a projection of Gaia the spirit of the Earth.

Me: Lady Gaia! What's wrong?

Gaia: All the villains you destroyed 3 years ago are back. They are over by the Caspian Sea.

Kwame: I had a feeling they would one day return.

Laney: Then we will give them what they deserve and that is the Mother Nature's Vengeance Curse!

Lincoln: That is for sure!

Jungle Fury Jarrod: Johnny called it!

Nico: Yes he sure did. And now we have a chance to make sure those villainous eco-dirtbags never return!

Laney: And you know what will be ironic? The Mother Nature's Vengeance Curse will make them part of the very planet they were trying to destroy.

Lana: Boy it sure will.

Me: Yep. And there's no more pollution or anything for them to use so they are out of luck.

Fixer: Let's stock up on some gear first.

Nico: Good idea. Lets suit up and gear up.

Twilight Sparkle: And I have just the thing to help too.

She gave us all electromagnetic railguns, a weapon that packs enough electricity to power a small city.

Me: Whoa.

Twilight Sparkle: Something I invented with the help of Dexter, Lisa and Nicole with science. It's an electromagnetic railgun.

Me: Cool.

Laney: Wow!

Taylor: Why pick these specifically?

Twilight Sparkle: Just to give a good shot.

Me: Wow!

Nico: This is gonna be awesome.

SkullMeramon: For those of you who don't know, we'll fill you in on who these villains are.

Nico: Go for it.

He revealed the history of all the villains that the Planeteers faced and when he was finished everyone that hadn't heard about them was shocked and horrified!

Izuku: With a name like Captain Pollution, I can see why he's Captain Planet's opposite.

Caitlyn: Damn right!

Nico: You got that right!

Me: And they are waiting for us no doubt.

Laney: No kidding.

Mercurymon: Let's not keep them waiting.

Nico: Lets get them!

We were off to the Caspian Sea.

Bomb Man: Time for an entrance.

Nico: They want a fight, we'll give them Armageddon!

Laney: I've had enough of these environmental dirtbags to last an eternity.

Me: We all have.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal, and he saw who the figure was in the vision: it was none other than Claudio, Lara Croft's old enemy from long ago, and he's returned from the dead and he wants revenge on Lara Croft for killing him long ago. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is there someone else coming after us?

Lincoln: Afraid so, Nico, and Lara, you're not going to like it one bit: the dark energy I sensed belongs to your old enemy from long ago, Claudio, and he's returned from the dead and he wants revenge on you for killing him long ago.

Lara Croft gasped in shock.

Lara Croft: I thought I would be rid of Claudio for good, but it looks like he's returned from the dead.

Me: He's among one of your many enemies, right, Lara?

Lara Croft: That's correct.

Nico: And I've heard about Claudio, he's a member of the Fiamma Nera cult in Italy, and they were after the Dagger of Xian in China.

Nicole Knudson: The Dagger of Xian is a dangerous weapon, and in their hands, it could ultimately lead to trouble.

Ember the Fire Faerie: But, now, Lincoln and I are going to make sure that Claudio and the Fiamma Nera cult pay for what they've done.

Lincoln: That's right, and I refuse to let that cult of monsters live any longer.

Nico: Taking down another cult, this is going to be so awesome, and we'll be rid of your old enemy from long ago, Lara.

Lara Croft: Yes, and it'll be the last time I ever deal with Fiamma Nera,

Nico: We'll be ready for that one. Lets go!

We flew at them.

The Ecovillains were really enraged! But then elemental steampunk gears swirled around them and formed into the elements of steampunk. Then they smashed the villains down and then converged and formed into a beautiful planet Earth! And then out of it's continents came us and we were ready for them!

Nico: This Earth Day will be your last!

Eli: You will pay for everything you have done to our planet!

Marionette Shadow: It's just you guys and us now. No AUTO to save you now.

Nico: That's for sure.

Duke Nukem: We don't need him! And now you will…

POW!

I punched Duke Nukem in his face!

Lori Jimenez saw Amelia Blight and she growled in rage!

Lori Jimenez: You will pay for killing my mother!

Nico: Uh oh!

Twilight Sparkle: I have a feeling that Blight is in a lot of trouble.

Me: Big time. Blight murdered Lori's mother in cold blood.

Eclair: This is gonna be brutal for her. After everything that Blight did to Lori and her family I don't blame her for wanting revenge.

Kira Ford: That is an understatement Eclair.

Nico: Linka feels the same way against Verminous Skumm for killing her cousin Boris.

Qin: What these monsters have done is unforgivable.

Laney: Yeah and they all deserve to be destroyed.

Then Larxene, Marluxia, Demyx, Saix, Zexion, Vexen, Xaldin, Xigbar, Krusty and Patty & Selma appeared.

Krusty: Hey hey kiddies! (Goofy laughter)

Nico: Larxene, Marluxia, Demyx, Saix, Zexion, Vexen, Xaldin, Xigbar, Krusty and Patty & Selma.

Larxene: (to Nokama) You miss Soji already, don't you?

Nokama: Of course I do.

Marluxia: Don't worry. When July comes, you'll be reunited with him.

Demyx: (to Mudflap and Skids) And on a less sad note, it's good to meet you guys.

Skids: Same here, dude.

Mudflap: Can't wait to see how badass you are.

Saix: (to Nico) We heard you helped Applejack grow Zap Apples.

Nico: We sure did.

Zexion: Sure we can't use them against the pricks near us?

Nico: Well we couldn't use them earlier because of a magic defense mechanism.

Zexion: I see.

Then Freezard appeared for round 2.

Nico: Freezard. Back for Round 2?

Freezard: Yep.

Laney: Neat.

Freezard: Not only is this round 2 for me. But I brought someone else with me too.

A figure came out and it was DAIKON WORLD!

Me: Daikon World! I guess this battle will qualify as round 2 for us.

Daikon World: It sure will and it was awesome facing you all on Zarya's Ambassador Missions. Also it was fun facing you all. Sorry Zocks punched you in the face Nico.

Nico: I'm all right. Besides I took it like a man and it was awesome.

Himiko: Yeah LeFou sang an awesome song for him and it was awesome.

Daikon World: I heard about that. That was awesome.

Eli: It sure was.

We got the usual battles underway.

He told her all about it.

---

On his way home from the Bikini Bottom Hospital, mourning his spatula, who was hospitalized, SpongeBob finds a fancy-looking spatula made of machinery. Still thinking Spat was the only spatula to flip Krabby Patties, he ignores it but comes back thinking that he does need a replacement.

Almost touching him, an employee, who works at the shop selling the metallic spatula, smacks SpongeBob's hand, telling him that Le Spatula is highly expensive. SpongeBob replies eagerly wanting to buy him, but it costs all of his property until he sells his outfit. SpongeBob is naked when he walks back to work in front of the public.

At the Krusty Krab, Mr. Krabs goes to the kitchen to see what SpongeBob is doing and the latter is showing off the fancy tool. An impressed Krabs knows the new spatula will flip more patties and make more money, only to find out later that he is worthless, and he only cooks fancy food. Le Spatula then laughs and runs away after spitting in SpongeBob's face.

SpongeBob goes back for his old spatula and apologizes for buying Le Spatula.

Fiona Hernandez: Well they are really easy to identify. J.D. and Nico did a really big study on them and they were really awesome to see.

Fiona went over the signs.

---

First sign: timberwolves

First, Granny Smith announces that the timberwolves are howling and that the zap apples are coming, although she later says that they howl "when the zap apples first start growing", after the other signs. The timberwolves appear in Granny Smith's flashback when she tells the story of the zap apples and the founding of Ponyville to Apple Bloom's class. Young Granny Smith enters the Everfree Forest despite its dangers in search of food. She hears a wolf's howl, and after she comes across the zap apple trees the timberwolves start gathering around her, howling and snarling. She escapes, and outruns the wolves back to the farmhouse, where she clangs pots and pans which scare away the timberwolves.

Second sign: zap apple leaves

The next day after the first sign, a sudden strong wind starts blowing and the skies get covered with dark clouds. The naked trees starts buzzing with blue sparks around their branches, and soon the sparks disappear and big leaves sprout, which Applejack calls "zap apple leaves". The clouds quickly disperse, and soon afterward Granny Smith tells Filthy Rich that the zap apples are due in four "days, to be exact."

Third sign: crows and flowers

The third sign is loudly pointed out by Granny Smith. There is another sudden wind and gathering of dark clouds, and a flock of crows circles above the orchard, making an apple shape with their flight pattern. Glowing teal flowers sprout on the trees and blossom into star-shaped flowers, accompanied by blue electric sparks. The clouds quickly disperse and the flowers stop glowing but remain on the trees.

Fourth sign: meteor shower

The evening before zap apple harvest, the Cutie Mark Crusaders watch the zap apples sprout on the trees after a meteor shower. Apple Bloom announces that it's the fourth sign, and the three Crusaders sneak into the orchard to harvest the zap apples, though Apple Bloom warns her friends that zap apple trees are magic. The fillies fail at their attempts to pick the apples, which are still small and gray, and not rainbow-colored like the harvest-ready zap apples.

Fifth sign and ripening

The weather changes abruptly for a final time before the zap apples are ready to harvest. There's a lightning storm over the orchard, then a rainbow shines over it, and the zap apple trees are once again teeming with electrical sparks. The zap apples turn from gray to rainbow-streaked, and rainbow-beams fire all across the orchard from the apples. An aurora-like rainbow shines behind the apple trees and the zap apples change shape from small round apples to larger, more elongated and squarish. Applejack watches the transformation and announces that the zap apple harvest has begun, and Granny Smith announces that "tomorrow we will be makin' up some zap apple jam!"

---

When she was done Pink Ranger Slayer was amazed.

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Lincoln: This is the end for you all.

Lincoln turned into his Nature Elemental Hero Form!

Lincoln: (Singing Divinely) I see a cold wind blowing through, I see days neither fun nor free, I see a future caused by you, I see a path not meant to be. Your future should filled with magic, dreams, and wishes brought to life. But, the days ahead are dark and tragic, no time for hope when all is strife, whatever might have been, all the dreams that you did share, because of you, Duke Nukem, Looten Plunder, Sly Sludge, Verminous Skumm, Hoggish Greedly, Dr. Amelia Blight and Captain Pollution. Now, the future is a cold nightmare.

Nico and I had shivers going down our spines and so did many of us when Lincoln sang that song.

Then, Lincoln fires powerful blasts of green energy and plants from his massive angel wings, and once the blasts hit the Planeteers Villains, because of their crimes to try and destroy the Earth, an act of trying to destroy the environment, they screamed in terror as they were both imprisoned inside an enchanted tree for all eternity.

Nico: That is true cruel irony.

Me: They wanted to destroy the planet and now here they are as part of the very planet they were trying to destroy.

Vexen: And so ends the villains of the Planeteers.

Xaldin: After everything they did, this is what they get!

Xigbar: They sure weren't easy to take down though.

Selma: But it was worth it.

Krusty: This calls for a celebration! I'll get out the Krusty Burgers!

Me: YEAH!

Bart Simpson: I hope we have those Mother Nature Burgers. This time without the tainted barley in it. (Season 20 Episode 21)

Nico: That would be nice.

?: (Italian Accent) I will have my revenge on you for ruining Fiamma Nera's plans, Lara Croft!

Lara Croft: I knew there's no mistaking that voice from anywhere. You can come out now, Claudio.

A figure came out, and it was none other than Claudio, the fanatically devoted member of the Fiamma Nera Cult, and one of Lara Croft's many enemies from years ago.

Nico: So, that's Claudio, he's exactly what you told us about him, Lara.

Lara Croft: That's right. You just refuse to give up, do you, Claudio?

Ember the Fire Faerie: I've had it up to hear with you to last an eternity.

Suddenly, Ember the Fire Faerie's red-orange eyes turned neon red-orange, and she was surrounded by a red-orange energy aura with flames and fire faeries, she got out her massive Neopia's Magic Staff of Magical Justice, and as she approached Claudio, she left orange energy, flames, and fire faeries with every step.

Ember the Fire Faerie: Claudio, the crimes that you and the rest of the Fiamma Nera cult have committed can never be forgiven, and now, you shall pay the price for your misdeeds.

Suddenly, Ember the Fire Faerie was surrounded by a massive vortex of orange energy with flames and keys surrounding it, there's a fire faerie flying around the vortex, and in the vortex is a red-orange phoenix. Then, as the vortex faded, Ember the Fire Faerie emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Ember the Fire Faerie grew to 6'5" in height, she had the body of a goddess and she has orange highlights in the bangs of her long flowing orange hair, she has neon orange eyes and an orange energy aura with flames and fire faeries surrounding her, she has a fire faerie with the Fire Kanji in its hands emblazoned on her forehead, she has on faerie earrings with orange gems for eyes and holding the Fire Kanji in its hands, she has a fire faerie with orange gems for the eyes and the Fire Kanji in its hands for the second pendant, along with the golden Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with orange crystal links from her merged Crystal Necklace of the Buddha and orange gems on the gold lightning bolt links. Ember the Fire Faerie has on a red sleeveless blouse, sleeveless midriff orange dress top with red-orange phoenix on it, orange ankle-length high-heeled leather combat boots, and long orange sleeveless trenchcoat with flames and fire faeries on the coattails, and on the back is a fire faerie with a flame above its head. Ember the Fire Faerie's light orange fairy wings with grew much bigger for her new body, and they have a fire faerie, a Thunderbird, a Phoenix, and an Angel in them, Ember the Fire Faerie has on a Ring of The Phoenix with red-orange gem on her right ring finger and a Star Sapphire ring on her left ring finger.

Ember the Fire Faerie has her massive Neopia's Magic Staff of Magical Justice in her right hand, Ember the Fire Faerie has on her new large gold cuff Bracelets of the Champions of The Universe with orange gems on her wrists, gold Belt of Elemental Bravery with a gold phoenix head with orange gems for eyes and a large orange gem in its open mouth for the belt buckle, large orange Spellbook of The Gods and The Universe and large red-orange Spellbook of The Elemental Gods on her left hip and Eater of Sins revolver holstered on her right hip. There's a red kanji below the fire faerie that said, "Ember the Fire Faerie, Fire Faerie of Neopia, Vanquisher of The Darkest Faerie, Dear Friend of Neopia's Many Heroes, Loving Future Wife of Lincoln Loud, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Flames and Fire Faeries."

火の妖精、ネオピアの火の妖精、最も暗い妖精のヴァンキッシャー、ネオピアの多くの英雄の親愛なる友人、リンカーン・ラウドの愛する未来の妻、悪の殺し屋、狂った、殺人、冷酷、そしてサディスティックな野郎、驚くべき強力な学生強力な教師、そして炎と火の妖精のマスター

Ember the Fire Faerie has transformed into SUPER ANGEL INFINITY TRUE LOVE FIRE FAERIE OF NEOPIA JUSTICE AND MAGICAL LOVE!

We were amazed by Ember the Fire Faerie's Super Angel Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Claudio saw it, he fell into a rage and got out a knife and tried to stab her, but Ember the Fire Faerie fired a powerful blast of fire with fire faeries and magic, and it burned Claudio badly.

Nico: Wow, Ember's transformed, this is going to be one fiery fight.

Me: You said it, Nico.

Lincoln: Wow, Ember, you look beautiful. How do you feel?

Ember the Fire Faerie: (Divine Echoing Cosmic Voice of the Fire Faerie and Divine Love) **I feel incredible, Linky. Now, shall we administer Claudio's punishment?**

Lincoln: (Smiles) With pleasure, Ember.

Lincoln unholstered his massive Cosmic Storm Sword of Universal

Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Ember the Fire Faerie.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Your days of causing chaos in the name of Fiamma Nera are over, Claudio.**

Lincoln and Ember the Fire Faerie went after Claudio, and they fired powerful blasts of rainbow energy, orange energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Fire Faeries, at Claudio, and they exploded with incredible power as they hit him. Then, Lincoln attacked him with his massive Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds, and left painful scars on Claudio, and Ember the Fire Faerie fired powerful red-orange energy blasts from her staff, and it hit him.

Then, Lincoln and Ember the Fire Faerie fired a barrage of powerful energy beams, which hit Claudio, along with the rest of Fiamma Nera cult members hiding out in an underground chamber in Italy, and they both exploded with incredible power as they hit him, and the explosions killed Claudio and the rest of the Fiamma Nera cult, and their spirits were condemned to the Black Gates forever, and their spirits were erased forever. We cheer wildly for what Lincoln and Ember the Fire Faerie did as they holster their weapons and power down, and Ember the Fire Faerie's new body, clothes, weapons, jewelry, and massive fairy wings are permanent.

Ember the Fire Faerie: May you and the entire Fiamma Nera cult never return to plague the world ever again. Thank you for helping me take care of Claudio, Linky.

Lincoln: (Smiles Warmly) You're welcome, Ember.

Suddenly, Ember the Fire Faerie wrapped her arms around Lincoln's waist, and it brought an atomic blush to Lincoln's face, as he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into an embrace, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Ember the Fire Faerie's face, they kissed passionately as Ember the Fire Faerie wraps her left arm around Lincoln's wider and muscular back, and she placed her left hand on Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Fire Faerie flying in the air, and we also saw a herd of Buffalo running across the field, along with flames raging behind them, and the display of the elemental forces behind them, and we cheered for them.

Nico: Alright, that's it for one of Lara Croft's enemies.

Me: And Lara's made a lot of enemies over the years, so we got to watch out for them.

Lincoln: But, we'll make sure that every last one of Lara's enemies pays the price for trying to get their revenge on Lara, and they'll pay… in blood.

Nico: You got that right, big guy.

Me: That's right, enemies of Lara Croft, beware.

Captain Planet: Yeah. (To the viewers) Remember this folks, you must always look after the planet with all your loving heart. Remember this everyone…

All of us: (To the viewers) THE POWER IS YOURS!

Nico: This Earth Day Adventure was awesome! Great job everyone! Now we have officially seen the last of the Planeteers villains. Lets go home and get some grub.

Eli: Good idea.

We went back home and got some Mother Nature Burgers at Lynn's Table and we later went back home and went to enjoy the rest of the day and went to sleep.

Flying out in space was Nico, Ghost Rider, May, Maria, Varie, me, Eli, Camie, Himiko, Ibara, Sirius, Tsuyu, Ochaco, Lincoln, Lana, Lola, Lisa and Lily and we were heading to a strange planet.

Me: I have a feeling this planet we're heading to will be awesome.

Himiko Toga: It sure will be awesome.

Nico: Thanks for coming with me, Johnny.

Ghost Rider: No problem Nico. This is gonna be awesome going with you all on an amazing rescue.

Tsuyu: It sure will be awesome.

Lola: I hope we are going someplace awesome.

We then came across an amazing pink planet and we landed and to our amazement, excitement and hunger we saw that it was a planet MADE ENTIRELY OUT OF DONUTS!

We gasped.

Maria: Oh wow!

Varie: A planet made entirely out of donuts!

Me: (Slurps) Oh wow!

Lily: Mmmm Donuts!

Nico: (SLURPS) Must RESIST Urge to eat!

Lana: Me too.

Nico: Johnny, as long as Mephisto doesn't cause any trouble, we won't go after him. Which is fair.

Lana: But this world is amazing.

Camie: No kidding! Wow!

Tsuyu: It's really cool!

Nico: Looks like there won't be any villains here. So, let's just eat some of these donuts.

But little did we know that something we watching us. We were being watched by someone that had infrared vision.

Nico: (Distorted Talk) Boy first we see a planet made of meat, then Limburger cheese, and then one made of chili and now one for Donuts.

Eli: (Distorted talk) No kidding. It's really awesome.

Nico: Hey, Johnny. Wanna try some donuts?

Ghost Rider: (Distorted voice) Sure thing.

He tried some and they were tasty.

Me: (Distorted voice) Man these are delicious!

Lana: (Distorted voice) Boy they sure are.

Figure: (In a girls voice) That is no doubt. That's Nico. Awesome seeing him here this far out.

But then it saw something in the donut bushes.

Figure: Looks like my target is here.

She zoomed in.

ZOOM ZOOM ZOOM!

An audio analyzer bar appeared. The voice was someone she was looking for.

?: Nico will die.

Nico: Let's save some for Homer and for when we meet the Kamen Rider Wizard team.

Nico: Good idea.

The figure watched the target and she had a target locked on it. Targeting lasers were locked on and then she fired a blast of plasma and it hit him in his leg and burned it right off and he screamed in excruciating pain and rolled out and we saw that it was LONGHORN from Freakazoid!

Nico: Longhorn!? What's he doing here!?

Eli: Up there look!

We saw the figure and it jumped down and it decloaked and it was a Yautja!

We gasped!

Nico: A Yautja!

It reverted back and the armor stayed on and so did the gear and we saw that it was a girl with orange hair and orange clothes.

Nico: Evelyn Roarington!

Evelyn Roarington: Awesome to see you again Nico.

Nico: What the Hell is Longhorn doing here?!

Evelyn Roarington: I got word that he escaped from prison and I traced him all the way to this world of donuts.

Eli: Wow that is awesome.

Nico: Evelyn goes after the worst criminals in the world. She's a bounty hunter.

Lana: That is cool!

Evelyn Roarington: It sure is.

Evelyn tied up Longhorn.

Ghost Rider: What's your favorite memory of Nico?

Evelyn Roarington: I have a lot of them but my favorite is where me and Nico went after the worst drug cartel ever and that was Don Harvey and he was part of the Italian Mafia. We brought down the entirety of the Harvey Mafia Family.

Nico: That was awesome. They had the biggest bounty on their heads. $725,235,332.00.

Me: Wow! That's good money.

Lily: No kidding.

Nico and Evelyn hugged.

Nico: I really missed you.

Evelyn Roarington: Me too Nico. Me too.

Me: Lets get some donuts and get back home.

We did so and arrested Longhorn and went back home.

After Nico's rescue, Lincoln, Me, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Sima Shi, Sima Zhao, Sun Jian, Guo Jia, Zhang Bao, Guan Xing, Cao Cao, Liu Bei, Sun Quan, Sima Yi, Jiang Wei, Jia Chong, Yukimura Sanada (Samurai Warriors), Keiji Maeda (Samurai Warriors), Kanetsugu Naoe (Samurai Warriors), Hanzo Hattori (Samurai Warriors), Musashi Miyamoto

Lincoln: So, our rescue's taking place here in the city, and I know what we're going to do here, not only am I going to rescue the ten girls here, but we're also going to kill Captain Zachary Storm, who's another enemy of the Road Rovers.

Nico: That's right, big guy, and like with General Parvo, Captain Zachary Storm's another enemy of the Road Rovers that I've gone after for a long time.

Hunter (Road Rovers): And you're not going to like him one bit, Lincoln, Captain Zachary Storm's a disgraced army captain who sought revenge on the United States for his court-martial.

Lincoln: So, we got a traitor to the US to deal with, I'm looking forward to putting an end to him for good, and I want to thank you and Kaina for joining us, Duncan.

Duncan: No problem, Linc, this is going to be so awesome.

Kaina: We'll make sure that he never hurts anyone ever again.

Hunter (Road Rovers): And wait until he sees us transform, he'll have a heart attack and die.

Nico: I hope not, that'd be denying us the right to give him a full-out beatdown before Lincoln kills him, Hunter.

Hunter (Road Rovers): Not to worry, Nico. We'll make sure we don't kill him before Lincoln does so.

?: HELP!

Suddenly, Lincoln heard the sound of ten girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third

Eye of The Buddha, and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the ten girls, but they've been cornered by Captain Zachary Storm, and he's going to kill them.

Lincoln: Uh oh, guys, I found the ten girls, but they've been cornered by Captain Zachary Storm, and he's going to kill them.

?: That disgraceful US captain, let's tear him to shreds.

Suddenly, we saw a Bountiful Artemis appear before us.

Lincoln: That voice, I knew it was you, Colleen Gallagher. But, we'll have to talk later, we've got a disgraced US Captain to tear to shreds.

We rushed on over, and Lincoln fired powerful rainbow energy balls at Captain Zachary Storm, and that allowed the ten girls to get away. When Captain Zachary Storm saw us, he was enraged, but he was even more enraged when he saw Nico and the Road Rovers here.

Captain Storm: How dare you all get in my way, Team Loud Phoenix Storm?! I will destroy all of you, along with the entire United States?!

Lincoln: You've caused nothing but chaos and discord all because of your dishonorable discharge from the US Army and wanting revenge on the US, as the members of the Sima family would say, you are an imbecile.

Sima Yi: Well put, Lincoln.

Kaina Tsutsumi: And we've had about enough of you to last an eternity.

Suddenly, Kaina's eyes turned neon purple with a mauve shade, and she was surrounded by a dark blue energy aura with pink energy and winds, and as she approached Captain Zachary Storm, she left dark blue energy, pink energy, and winds with every step. Suddenly, Kaina was surrounded by a massive vortex of dark blue and pink energy with winds surrounding it, there was a phoenix flying around the vortex, and in the vortex is a pink phoenix. Then, as the vortex faded, Kaina emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Sirius has on a Ring of The Phoenix with pink gem on her right ring finger and a Blue Lantern ring on her left ring finger.

Kaina Tsutsumi's massive Defender of U.A. High School sword underwent a powerful change, and it was then transformed into Hurricane Phoenix's Sword of Hurricane Justice, it's a brand-new large sword with a phoenix and the symbol of U.A. High School etched on the 6'10" massive, wide, double-edged dark blue blade, dark blue phoenix heads for the crossguard, large pink gem embedded in the rainguard, longer black handle, and four large dark blue phoenix heads with a large pink gem on the bottom of the phoenix heads for the pommel, she has on her new large gold cuff Bracelets of the Champions of The Universe with dark blue gems on her wrists, gold Belt of Elemental Bravery with a gold phoenix head with dark blue gems for eyes and a large dark blue gem in its open mouth for the belt buckle, large dark blue Spellbook of The Gods and The Universe and large dark blue Spellbook of The Elemental Gods on her left hip and her Eater of Sins revolver holstered on her right hip. Kaina Tsutsumi has transformed into SUPER ANGEL INFINITY HURRICANE PHOENIX ANGEL OF WIND JUSTICE AND HURRICANE HOPE!

We were amazed by Kaina Tsutsumi's Super Angel Infinity transformation, but when Captain Storm saw it, he fell into a rage and tried to kill her, but Kaina fired a powerful dark blue and pink energy blast with winds and phoenixes, and it hit Captain Storm and sent him flying into a wall.

Lincoln: Awesome, Kaina's transformed.

Kaina Tsutsumi: (Divine Echoing Cosmic Voice of The Hurricane Phoenix and Divine Hope) **That's right, Lincoln. But, all of you aren't going to be left out, come on, let's get him.**

Exile: (Russian Accent) Took the words out of our mouths, Comrade Kaina.

Lincoln: Yeah, let's get him.

Duncan: (Takes off Muzzle's muzzle) Ready, Muzzle.

Road Rovers and Duncan: MUZZLE HIM!

Muzzle: REAH!

Muzzle went at Captain Zachary Storm, and he brutally pulverized him badly for 45 minutes, and as he got off of Captain Storm, who was badly mangled, Lincoln approached him menacingly, and as he then raised his massive Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds over Captain Storm, a bell of judgement can be heard, and Lincoln swings his sword down, and cuts down Captain Storm, leaving a mess of blood, and Captain Storm's spirit was sent to the Black Gates forever. We cheered wildly as we holster our weapons and power down and Kaina Tsutsumi's new body, clothes, weapons, jewelry, and massive angel wings are permanent.

Lincoln: That's it for that traitor to the US. (To Colleen Gallagher) And it's so good to see you again, Colleen Gallagher.

Colleen Gallagher reverted back to normal, and she's a beautiful 17-year-old girl with long flowing pink hair, pink eyes, she's tall at 6'5" in height, she had the body of a goddess, she has massive white angel wings, thanks to reigning in the power of Bountiful Artemis, and she's dressed in a sleeveless pink jersey with the number 23 on it, pink gym shorts, pink knee braces with pink hearts on it, and long pink sleeveless trenchcoat with moons on the coattails, and Bountiful Artemis on the back.

Colleen Gallagher: You too, Lincoln, it's been a long time.

Lincoln went up to Colleen Gallagher and they hugged, and Colleen Gallagher's also very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she's also felt just how strong he's really become.

Lincoln: It sure has been a long time, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then.

Colleen Gallagher: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Colleen Gallagher, she's another of my Guardian Angels from Lori's High School, and she's the best athlete in the city and has proven to be an incredibly awesome force in the world of sports, and she even beat Lynn in every kind of sport you can think of.

Nico: Whoa, so you also have another athletic Guardian Angel, that's awesome.

Lori: And there's something you should know, Nico, Colleen literally has a long and terrible history with that stupid scooter-driving heckler, Scoots, and she hates her so much that she wants nothing more than to bury her alive, and what also makes her another of Linky's Guardian Angels is that she's protected him from Lynn's wrath at her worst.

Me: Whoa, so not only has she protected Lincoln from Lynn's wrath at her worst.

Nico: But, she also has a long and terrible history with that stupid scooter-driving heckler, Scoots, and she hates her so much that she wants nothing more than to bury her alive. Yikes.

Lincoln: Yep, it's bad. Oh, and I got something for you, Colleen.

Lincoln gave Colleen Gallagher a large Bountiful Artemis-themed sword with Bountiful Artemis etched on the 6'10" massive, wide, double-edged pink blade, large pink angel wings for the crossguard, large pink gem embedded in the rainguard, longer black handle, and large pink gem with white angel wings surrounding it for the pommel.

Colleen Gallagher: Wow, I love the new sword you made for me, Lincoln.

Suddenly, a Thunderbird Necklace of Eternal Love appeared on Colleen Gallagher's neck with pink gems on the gold lightning bolts links and pink crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Colleen Gallagher: (Surprised) Whoa, is this?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're part of my harem and one of my many future wives, Colleen.

Colleen Gallagher had a smile on her face and tears coming from her eyes, as she wrapped their arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around her waist, and he leaned down and kissed Colleen Gallagher on the lips, and they returned it, and we cheered for them. Then, we went up to the ten girls, and when Lincoln saw them, he immediately recognized them. The ten girls are Audrey from Stitch!, Isabella and Ankha from Animal Crossing, Agitha from Legend of Zelda: Twilight Princess, Marin from Legend of Zelda: Link's Awakening, Lana, Cia, and Linkle from Hyrule Warriors, Jing Xialian and Sofia Taylor from Appare-Ranman!

Lincoln: Oh wow, it's Audrey, Isabella, Ankha, Agitha, Marin, Lana, Cia, Linkle, Jing Xialian, and Sofia Taylor.

Nicole Knudson: From Stitch!, Animal Crossing, Legend of Zelda: Twilight Princess, Legend of Zelda: Link's Awakening, Hyrule Warriors, and Appare-Ranman!, awesome.

Lincoln: Are you girls okay?

Audrey: Yes, we're okay, thanks to you.

Then, when Audrey and the other nine girls saw who it was that saved them from Captain Zachary Storm, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The

Audrey: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made nine clones of himself, and he and the nine clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Audrey: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, ten Thunderbird Necklaces of Eternal Love appeared on the necks of Audrey, Isabella, Ankha, Agitha, Marin, Lana, Cia, Linkle, Jing Xialian, and Sofia Taylor with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We head back to the World Tree Estate, and we told everyone about our rescue, and they were all shocked when they found out the villain we went after was disgraced former US Captain Zachary Storm, who's also another enemy of the Road Rovers.

But, when Lincoln showed what we did to that monster, along with Kaina Tsutsumi transforming, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Colleen Gallagher have a lot of catching up to do, now that she's back, and another Road Rovers enemy has bitten the dust.

---

After getting rid of Captain Storm for good, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Colleen Gallagher saw Lincoln working out like crazy, she had an atomic red blush on her face.

Colleen Gallagher: Whoa, I was right that Lincoln has really grown to be a 17-year-old 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Colleen, and now, I can also defend myself, and I've also gotten smarter as well.

Colleen Gallagher: That's incredible.

Nico: It sure is. So, Colleen, can you tell us how you have a really long and terrible history with that stupid scooter-driving heckler, Scoots?

Colleen Gallagher: I can gladly tell you, and this is also one incident where it also involved Lynn also helping out that stupid scooter-driving heckler. One time, Lincoln and most of his family were heading to my school to cheer me and my team on as we're facing off against Hazeltucky, and Lynn's suppose to be at home, she got grounded for beating up Lincoln, which I busted her for hours earlier. Lynn wanted revenge on me, so she did the lowest thing ever: she called Scoots and busted her out, and not only were they coming to heckle me, but Lynn was going to beat me and Lincoln up badly. Not a minute into the game, Lincoln saw something heading right for us: it was that stupid scooter-driving heckler, Scoots, along with that animal, Lynn, and she had rage in her eyes and revenge on her mind, and they were about to kill Lincoln, but I wasn't going to let that superstitious animal, along with that stupid, scooter-driving heckler do something like this. So, I pounced on Lynn and Scoots, and I beat those two up and after hogtying Lynn, I sent Scoots flying back to Sunset Canyon, where she was then restrained and put into an isolation room, and Lynn got grounded for nine more weeks for leaving the Loud House and for asking Scoots to break her out to get revenge.

We gasped in shock.

Nico: Whoa, so not only did you protect Lincoln from Lynn's wrath at her worst, but also from that stupid scooter-driving heckler, Scoots, that's so awesome.

Me: When we find Dark Lynn, she's so getting that Crystal Dragon's Vengeance Curse, and Scoots, oh, she's so going to get humiliated for everything she's ever done.

Lincoln: You better get in line, J.D., my family and I have had it up to hear with that stupid scooter-driving heckler, she's caused too much trouble for the last time, and now, she's going to pay.

Lori: Big time, bro.

We then got a shower afterwards, and then, Lincoln, his harem, and his kids are heading to Koopa's Seaside Soiree in the world of Mario.

Lincoln snapped his fingers, and the 17-year-old 7'5" tall, white-haired, handsome, and extremely muscular teen was dressed in large orange swim trunks with a phoenix, thunderbird, buffalo, angel, and elemental forces on it, along with his large weighted orange bands with silver phoenixes on his massive biceps and thighs, his jewelry, large orange sandals, and eight large orange orbs orbiting around his legs, and he also had his weapons holstered, in case of trouble, Lincoln's harem were dressed in two-piece bikinis in their favorite colors, sandals, along with their jewelry, and they also had their weapons holstered in case of trouble, and Lincoln's kids were all dressed in swimsuits in their favorite colors, sandals, along with their jewelry, and they had their weapons holstered in case of trouble.

Lincoln: Alright, everyone, are we ready?

Thunder Sparkle: We're ready, Dad.

Lincoln, his harem, and his kids left the World Tree Estate, and they arrive at Koopa's Seaside Soiree in the world of Mario. When they arrived, it was a beautiful island resort board hosted by Koopa. He built it because he always wanted to have a place to hang out by the sea and he wanted his friends to have fun in it. Here, Koopas are everywhere and are in charge of the games and shops.

Girl Jordan: Whoa, what is this place, Linky?

Lincoln: This, Girl Jordan, is Koopa's Seaside Soiree, Bowser told me about this place, it's a beautiful island that Koopa built, because he wanted to have a place to hang out by the sea and he wanted his friends to have fun in it.

Twilight Sparkle: This is going to be so awesome.

Lincoln, his harem, and his kids dived right into the waters, and they really enjoyed it. Plus, Lincoln got a deep tissue massage from the girls in his harem, and he returned the favor and he gave the girls a deep tissue massage in return, and he also helped out the kids as well. Then, as the sun was about to set, Lincoln made clones of himself, and Lincoln and the clones went up to the girls in his harem, and they pick them up in their abnormally massive and powerful muscular arms, and as the sun turned orange, they passionately kissed and hugged with supercharged and intense passion, and his kids cheered for them. Then, they came back home to the Estate, and they were in their original clothes.

Nico: Hey, Lincoln, how was your beach dates?

Lincoln: Awesome, Nico. We went to Koopa's Seaside Soiree in the world of Mario.

Nico: Koopa's Seaside Soireee, wow, I've heard about that place, it's known as a beautiful seaside island resort that Koopa built as a place of fun for his friends.

Lincoln: That's right, and we had fun there.

Thunder Sparkle: Dad's right, Uncle Nico, and Dad got a deep tissue massage from our Moms and the rest of his future wives, and he did the same thing for our Moms and the rest of his future wives.

Storm Rainbow: And he did the same for us as well. I've never felt even more relaxed in my life.

Nico: Awesome, and you guys definitely had a lot of fun by the looks of it.

Girl Jordan: We sure did.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal, and he saw who the figure was in the vision: it was none other than Crocomire, another enemy of Samus Aran from long ag, and he's returned from the dead and he wants revenge on Samus Aran for killing him long ago. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is there someone else coming after us?

Lincoln: Afraid so, Nico, and Samus, you're not going to like it one bit: the dark energy I sensed belongs to your old enemy from long ago, Crocomire, and he's returned from the dead and he wants revenge on you for killing him long ago.

Samus Aran gasped in shock.

Samus Aran: I can't believe it. I thought I wouldn't have to deal with Crocomire ever again.

Nicole: Same here.

Nico: Crocomire may not be a member of the Space Pirates, but he still tried to kill Samus long ago, so it's settled: Crocomire's got to go.

Nuria the Fire Faerie: That's right, and Lincoln and I are going to put an end to that monster.

Lincoln: That's right.

---

Later it was time for Takanuva's second Ambassador mission.

William: Anyone else want to go with Takanuva? Besides Ruby and 3 Rabbids?

Stacy Bolton: I'll go.

Nico: Cool.

Me: This is gonna be awesome.

Eli: It sure will be awesome.

Ruby Rose: This is gonna be so awesome.

Me: It sure will be fun.

With that we were off to Japan.

We arrived in Japan.

Ryotaro: Hey guys!

Takanuva: Ryotaro, this is Ruby Rose.

Ruby Rose: Hey there.

Stacy Bolton: Radical to meet you. Name's Stacy Bolton.

Ryotaro: Awesome to meet you.

We then saw another Kamen Rider.

Momotaros: Guys, meet Kotaro Nogami.

Kotaro: Pleasure to meet you all.

Me: (Bows) (Speaking in Japanese) 幸太郎さん、お会いできて光栄です。(It's a pleasure to meet you too Kotaro.)

Nico: Same to you.

Kotaro Nogami: Believe it or not, I'm also called Kamen Rider New Den O.

Nico: Awesome!

Me: That is really cool.

Ruby Rose: This is gonna be awesome to see what you can do.

Eli: It sure will be awesome.

Yuto: Takanuva, remember when we said that we'll be getting you your own Kamen Rider form?

Takanuva: I sure do. This will be awesome.

Yuto: It sure will be awesome.

Suddenly Takanuva felt something and then he felt a force in him. It was an Imagin of Light!

Inside his subconscious, Takanuva met a girl Imagin! And she had this immensely bright light around her!

Takanuva: Are you… an Imagin?

Sunsharnos: Yes Takanuva. My name is Sunsharnos and I am the Imagin of light. I have chosen you to be a Kamen Rider.

Takanuva: Wow! This is amazing!

Sunsharnos: Yes. The great evil of the Den-O Kamen Riders, Kai is going to return and it's going to be my job to prepare you for when he comes back.

Takanuva: I understand Sunsharnos. I will gladly have you help.

Sunsharnos: Thank you.

In the real world we saw Takanuva acting like he was staring out into space.

Me: Takanuva are you okay?

Takanuva: Yes I'm okay. I have an Imagin inside me. Let me show you.

Sunsharnos appeared as a projection from his Mask of Light and she was a beautiful blond hair girl with beautiful angel wings and was glowing in a bright yellow light.

Nico: WHOA!

Sunsharnos: It's an honor to meet you all. I'm Sunsharnos, Imagin of Light and me and Takanuva are going to work together.

Ruby Rose: Wow!

Takanuva: Sunsharnos told me that Kai might return.

Momotaros: I hope that he also brings the Death Imagin and Eve as well. I really hate those guys!

Me: Then we have to be prepared for them later on.

Nico: Absolutely.

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Yuto: (hears explosion) First, let's find out which Imagins are attacking!

Nico: Lets go!

We went to see who they were Snowman, Albinoleo and Bat!

Nico: The Snowman, Albinoleo and Bat Imagin!

Ruby Rose: This will be awesome!

I saw the Bat Imagin going after a girl that was floating high in the sky as she was changing the weather in the area. She was turning the sky from a rainstorm to a beautiful sunny day!

Nico: Wow! How did she do that!?

Me: That was amazing!

Eli: Whoa! That's Hina and with her is Hodaka!

Nico: More friends Eli?

Eli: Yes and I promised to help find a way to keep them together. Hina is the Sunshine Girl, the Ambassador of the Weather Maiden.

Ruby Rose: Wow!

Nico: Go help them Eli!

Eli: Right!

Eli ran fast as a bunch of Imagin were blasting at him and massive explosions were going off all over as he was dodging them!

Ryotaro: Whoa! Eli is really fast!

Nico: Yep.

Eli then jumped and flew high into the sky and then he zoomed past the Bat Imagin and went up to Hina.

Hina Amano: Eli!

Eli and Hina hugged again.

Eli: Hina it's awesome to see you. But we got to land! Look!

Hina saw the Bat Imagin and gasped!

Eli: Hold on!

They flew down and landed fast.

Hodaka: Hina!

Hina: Hodaka!

Eli: Hina, Hodaka, go with my brother and everyone! It's not safe here.

They agreed and went to us.

Takanuva: Henshin!

He turned into his Kamen Rider Form! It was called LIGHT CLAYMORE!

Takanuva: Wow! This is awesome!

Sunsharnos: It sure is. And there's more.

Wings made of pure light sprouted from his back!

Takanuva: Wow!

Yuto: Wow! That was really brave of Eli!

Nico: Yep that's Eli for you.

Ryotaro: Our turn now!

Nico: Lets do it!

Ruby had her scythe ready!

?: Let me help Ryotaro!

We saw Natsumi Hikari!

Ryotaro: Natsumi!

Natsumi Hikari: I'm ready for this.

Ryotaro: Okay.

Ryotaro, Natsumi and Yuto: HENSHIN!

They transformed!

Nico: Take out the Bat Imagin first! Without it, we'll have nothing to fear from above!

Me: Leave him to me.

I spread my wings and flew at the Bat Imagin.

Me: Here I come you monster!

I flew at him.

The Bat Imagin fired a sonic wave blast and I dodged it.

Me: Try this one! DRAGON OF THE DARKNESS FLAME! 炎殺黒龍波

I fired a blast of pitch black fire as hot of the sun and it formed into a dragon and it slammed into the Bat Imagin and obliterated it in an instant! There was nothing left of it! The flames of the underworld completely destroyed the Bat Imagin!

The Snowman Imagin started to play Frosty the Snowman on a jukebox only for Ruby to destroy said jukebox with Crescent Rose.

Ruby Rose: No! You don't get to play that and disgrace Frosty's memory!

Nico: YEAH and Christmas is not for another 7 months you dipshit! SWORD OF THE DARKNESS FLAME! 邪王炎殺剣

Nico formed a sword of pitch black fire as hot as the sun!

Nico and Ruby: DARKNESS FLAME BLADEDANCE!

They slashed and cut up the Snowman Imagin and incinerated him in an instant!

Ryotaro: Wow! That was an awesome combo!

Takanuva: (to Yuto and Ryotaro) Our turn now.

Yuto: Lets do it!

Ryotaro: This will be awesome.

Natsumi: I'm always looking forward to this.

They punched and kicked and pulverized Albinoleo all over the place.

Nico: Yeah!

Me: Lets even the playing fiend for them. FIST OF THE MORTAL FLAME! 邪王炎殺煉獄焦

I fired a blast of fire from my fist and it slammed into Albinoleo with incredible power and burned him all over.

Takanuva: This is one tough Imagin!

Nico: He sure is but he is severely weakened. The Fist of the Mortal Flame did a really considerable amount of damage.

Eli: I'll help finish him for you guys. I have just the technique for this.

Hina: What are you gonna do Eli?

Eli: Watch this.

Eli flared up his spirit energy and transferred it to his back and it formed into incredible powerful and dangerously hot pitch black fire angel wings.

Eli: WINGS OF THE DARKNESS FLAME! 闇の炎の翼

Nico: AWESOME!

Eli flew at the Albinoleo and then slashed him all over with incredible speed!

Nico: Now lets finish him!

They fired waves of elements and energy and obliterated Albinoleo in an instant!

Nico: WOW! That was awesome Eli!

Ryotaro: Not bad for your first time.

Eli: Thanks. The Wings of the Darkness Flame is a brand new technique I invented.

Me: That was awesomely well done bro.

Eli: Thanks.

Hina: Wow! But thanks for saving us both Eli.

Eli: No problem. But I'm not going to let you two be separated.

Hodaka: Thanks Eli.

Hina: We are grateful.

We placed Hina and Hodaka into our protection.

We later came back.

May: Hey guys. How did it go?

Nico: Really awesome.

We told everyone everything and they were all amazed.

May: Wow! That is cool!

Hiei: I'm really impressed you made a technique like that Eli.

Kurama: Forming the Darkness Flame into wings is very ingenius.

Eli: Thanks. It was awesome making my own technique.

May: Next time, Kyd Wykkyd and Ang Leung should go with you

Takanuva: Good idea.

Me: This will be awesome to see who we face next. Now we get ready for Stella's Ambaasador Missions tomorrow. Now we have to get ready.

Nico: For what?

Me: You won't like this Nico but we're going to meet the parents of the Hernandez Sisters.

Then Nico got scared out of his mind as he turned as white as a ghost.

Nico: (GULPS)

Unfortunately Twilight Sparkle got sick with a terrible spring allergy.

Twilight Sparkle: [sneezes]

Twilight was in bed with a really nasty case of hay fever. Her nose was red and she was sneezing magic from her nose like a bat out of hell.

Spike: I've tried everything! Poultices, soup, a poultice made of soup. But nothing's helping Twilight get better!

Twilight Sparkle: [congested] I told you, Spike. It's just a little spring allergy- [sneezes]

[magic zap]

Me: Believe me Twilight, I absolutely hate it when people get sick. I've never been sick a day in my life.

Twilight Sparkle: Lucky you.

Rarity: Strange. I've never had a allergy like this.

Rainbow Dash: Must be an Alicorn thing.

Princess Celestia: Believe me Twilight the same thing happened to me too.

Princess Luna: It sure did happen to me too.

Rarity: Oh, pity. The glitter is simply par excellence.

There was glitter on the bed.

Me: That's not glitter.

Spike: Uh, I wouldn't do that.

[poof!]

Her hand turned into a pair or wheels.

Spike: Told ya.

Me: Whoa.

[whiffle!]

She tried to shake them off but nothing.

[stretching]

Then she pulled on them.

[snap!]

Applejack: That… is the fifth strangest thing I've ever seen.

Rarity: How do I get it off?!

[thud]

She slipped.

Rarity: Whoa! Whoopsie! Ugh.

Twilight Sparkle: [coughing]

I helped Rarity up.

Me: I got this.

I fixed Rarity for her.

Me: Twilight we're going to meet Fiona, Nicole. Marie and Natasha's mom and dad. You stay here and get some rest.

Twilight Sparkle: No I'll go too.

Sam S.L.: (Congested) I'll go too.

Sam was going through Hay Fever too.

Nico: Oh man.

Luna: I'll look after Sam dudes.

Nico: Okay.

We were later on our way to the Hernandez Sisters house in Florida.

Nico: Why couldn't I have gotten sick along with Twilight and Sam?!

Clayface: I don't think that would be a good thing.

Me: No it wouldn't. But they want to get through this.

Pinkie Pie: That's the spirit there!

Fiona Hernandez: You guys will love our house. It's a huge mansion in Miami.

We arrived at the mansion of the Hernandez sisters and their house was amazing!

Eli: WHOA!

Me: Wow! Fiona your house is amazing!

Fiona Hernandez: Yes our parents are filthy rich. They are inventors of a really awesome and delicious form of candy bar called the

Ultimate Chocolate Bar. It combines milk, white and dark chocolate together and it's really awesome and popular.

Nico: Boy I forgot how big your house is girls.

Laney: It's amazing.

We went up to the door and knocked on it and a butler answered.

Butler: Yes?

Marie Hernandez: Hello Francis.

Butler: Why hello girls it's great to see you all again and Team Loud Phoenix Storm it's an honor.

Me: Hello sir. Can we please speak to Fiona, Natasha, Marie and Nicole's parents please?

Butler: Certainly.

We were lead inside.

Me: Wow! Girls your mansion is amazing. This is the kind of mansion Florida Celebrities would love.

Eli: Boy you girls must've been the envy of all sorts of people.

Nicole Hernandez: Yeah we sure have been called that.

In the conservatory Fiona, Nicole, Natasha and Marie's parents were reading books when there was a knock.

Butler: You have a bunch of visitors madam and sir.

Paul Hernandez: Send them in.

We came in.

Fiona Hernandez: Hello mom and dad.

Marie: You have been doing great.

Sasha Hernandez: Why girls its been so long our princesses.

We came in.

Samus: You two must be the Hernandez parents.

Paul Hernandez: Why Team Loud Phoenix Storm. We certainly are. I'm Paul Hernandez and this is my wife Sasha.

Me: It's a pleasure to meet you.

Eli: Your house is awesome.

Me: Also we came here because we have someone who would like to talk to you.

They saw Nico hiding behind me.

Paul Hernandez: Why Nico Chan is that you my boy? Why you look as amazing as ever.

Nico: (Nervously) Hello sir.

Swindle: Don't mind Nico. He's just afraid you're going to shoot him with a shotgun.

Me: Swindle!

Swindle: What it's true!

Paul Hernandez: Now now why don't we talk this over.

We got to talking over some really awesome tea.

Me: (Slurp) Mmm. Good tea.

Samurai Jack: It is really quite good.

Paul Hernandez: Yes it's Japanese Southern Edo Tea.

Samurai Jack: Yes I am familiar with Edo. My family and I would spend our summers there.

Me: I remember learning about that when we were in that house possessed by a demon.

Fu: That was a very scary adventure in our journey as the Brave 12.

Nico: Yes.

Paul Hernandez: But we are glad you found our girls Nico.

Nico: They have had really awesome times in our adventures.

Marie Hernandez: It's true dad. We have been on so many awesome adventure with everyone.

Nicole Hernandez: And now we are gene-slammers of the 3 Sacred Beasts.

Natasha Hernandez: And I'm now a Gene-Slammer of Red-Eyes Zombie Dragon.

Sasha Hernandez: That is really amazing. Those Team Rocket Scientists have caused quite a lot of trouble.

Sunstreaker: Now, your daughters can transform at will.

Fiona Hernandez: It's true.

Me: But they have been a massive and major help in Nanette's Ambassador Missions.

Nanette: Yes it's true. During my second mission we helped Himiko here. She had a really unstable Quirk that was destroying her mind and they used their powers to give her a much better Quirk.

Nicole Hernandez: We also got a sample of her blood for testing and we found out that her quirk was destroying her atomic genetic structure and it was the reason why her parents got rid of her.

Paul Hernandez: That type of technology takes a long time doesn't it?

Me: Normally yes but with our kind of technology it only takes a few minutes.

Marie Hernandez: We went and found Himiko's parents and they were shocked and had no idea this was happening.

Eli: They couldn't find the proper and best medical treatment for her.

Sasha Hernandez: That is strange. But I'm glad that the girls were such a great help to you. And Nico if this is all about you wanting our approval in dating and loving our girls then you have our blessings.

Nico: Oh thank you.

Twilight Sparkle sneezed.

Lincoln: Twilight and Sam both have a really nasty case of hay fever.

Me: Yeah it's really bad.

Paul Hernandez: I see. I'm sorry they got sick.

Sam S.L.: (Sniffles) We'll be all right.

Later we were back at the estate and getting ready for our next mission.

Ace: You sure you and Sam are okay, Twilight?

Twilight Sparkle: (Sneezes) We'll be all right guys. Besides we're not going to let a little Hay Fever stop us.

Nico: I like that spirit.

Eli: Sorry you guys got sick like this.

Sam S.L.: (Blows nose) We'll be all right.

Me: Good.

Fiona Hernandez: We're glad to hear that girls.

Nico: And I have just the mission for us. Fluttershy helped me out on this one so we're all going to do it. We're going to the world of the movie Jumanji and we're going to help Judy and Peter.

Laney: Awesome! This is gonna be cool.

Me: Jumanji is one of my favorites.

Then Patty & Selma, Larxene, Marluxia, Demyx, Saix, Zexion, Vexen, Xaldin, Xigbar and Krusty appeared.

Krusty: Hey hey kiddies! (Goofy Laughter)

Patty: Can me, Larxene, Marluxia, Demyx, Saix, Zexion, Vexen, Xaldin, Xigbar, Krusty and Selma go with you guys?

Selma: (to Twilight) Geez, Twilight. You and Sam don't look so good.

Twilight Sparkle: (Sneezes) It's just spring allergies.

Sam S.L.: But we'll make it.

Me: Yeah we have an awesome mission planned for this one.

Nico: We're going into the world of the movie Jumanji and we're going to help Judy & Peter throughout most of the movie.

Marluxia: This will be interesting.

Zexion: Yes we're looking forward to this one.

Vegeta: Bokrua, which Gene Slammer do you think you'll meet on your next rescue?

Nico: Lets see. I'm hoping to go meet a gene-slammer for the natural predator of the Florauna's next.

Shanan: That would be the Ifloptera. They are very potent and dangerous predators on Flors Verdance. This is what they look like.

Shanan showed us what an Ifloptera looks like. It looked like a 10-legged pillbug mixed with a mole. They have amazing abilities too:

Has very sharp teeth that allow it to easily destroy the vines of its prey.

Its bite is full of herbicidal toxins that weaken and disorient their prey.

Its saliva is very sticky, ideal for creating barriers with any heavy object that gets caught in its stickiness.

Can use its teeth and claws to create underground tunnels.

Can be rolled up into a ball to go fast.

Niico: Whoa! That is amazing.

Eli: Whoa that one is ugly.

Me: Scary too. I didn't know a creature like that even existed.

Laney: Me neither.

Laura Wynn: Boy I would not want to meet something like that. Especially because I'm also a Florauna Gene-Slammer.

Nico: That is true.

Zexion: Let's go visit Judy and Peter.

Nico: You got it.

With that we were off to the world of the movie Jumanji.

We arrived in Brantford, New Hampshire.

Nico: Here we are.

Me: Brantford, New Hampshire. Wow.

Airi: I feel like this town is wrong. Very wrong.

Nico: What do you mean?

Airi: Like something is completely off about it.

Nico: We'll find out what it is later.

We went to the Parrish House.

Nico: The old Parrish Residence. I have a feeling that this will be one adventure to remember.

We went up to the house and went in and it was a great place.

Me: Wow. Alan's house is amazing.

Nico: No kidding.

Judy saw us.

Judy Shepherd: Hey guys!

Me: Judy! Awesome to see you here.

Peter Shepherd: Boy we missed you.

I looked in Judy's eyes and saw pain.

Me: Judy are you all right?

Nico: What's wrong?

Judy Shepherd : It's Okay. We barely even knew our parents. They were always away. Skiing, gambling in Monte Carlo, on safari in darkest Africa. We didn't even know if they loved us. But when the Sheik's yacht went down, they managed to write us a really beautiful goodbye note that was found floating in a champagne bottle amongst the debris. [Starts crying]

I then hugged Judy and she cried hard into my chest.

Nico: Oh no.

Fluttershy: Poor Judy.

Me: It's all right Judy. It's all right.

Krusty: If it makes you two feel any better, Elsa lost her parents the same way.

Elsa: It's true.

Anna: Yeah.

Me: I'm sorry guys.

Eli: Me too.

We then heard drums.

Nico: I know those drums. They're coming from the attic.

We went up to find out where there were coming from and then we found the game JUMANJI!

Nico: There it is.

Me: Jumanji.

Judy Shepherd: Wow.

Aylene C.: I've got a bad feeling about this.

Judy Shepherd: JUMANJI, A GAME FOR THOSE WHO SEEK TO FIND

A WAY TO LEAVE THEIR WORLD BEHIND

YOU ROLL THE DICE TO MOVE YOUR TOKEN

DOUBLES GETS ANOTHER TURN

THE FIRST PLAYER TO REACH THE END WINS

Judy and Peter got their pieces on the board.

Judy rolled.

Her riddle came up.

Judy: "A tiny bite can make you itch /

Make you sneeze, make you twitch."

Eli: Uh oh! Incoming!

We saw HUGE MOSQUITOES!

Nico: WHOA!

Me: I got this!

I fired a blast of lightning and destroyed all the mosquitoes except for one and I caught it on a jar.

Me: Whoa!

We analyzed it.

Lisa Loud: That Culicidae is as big as a full grown rat.

Me: Wow! We haven't seen mosquitoes this big since the Carboniferous Period back 350 million years ago,

Raythor: How about we play the game outside so there's more room?

Nico: Good idea.

We went outisde.

Xigbar: Maybe this game can answer why something seems to be wrong about this town.

Nico: Maybe. Anyway it's Peter's turn.

Peter rolled and he got 2.

His piece moved.

Peter Shepherd: "This will not be an easy mission / Monkeys slow the expedition."

We then heard clattering and went into the kitchen and we found MONKEYS ALL OVER THE PLACE!

Me: Whoa! These are Crab-Eating Macaques! They live over in Southeastern Asia.

Fluttershy: Oh they are simply adorable.

Lana: They sure are.

Nico: Fluttershy, Lana do your stuff.

Lana and Fluttershy used their Animal love powers and got the monkeys all to follow them and they were awesome.

Me: Aww hey little guys.

Eliza Thornberry: Boy you guys sure are mischievous.

Monkey 1: Yeah we get that a lot.

We went back outside.

Nico: That was crazy.

Galaxy Man: If lions appear, I'm shooting them down!

Nico: No Galaxy Man. Let Fluttershy, Lana, Syd or our animal charmers on the team handle it.

Judy Shepherd: What's this? "ADVENTURERS BEWARE:

DO NOT BEGIN UNLESS YOU INTEND TO FINISH

THE EXCITING CONSEQUENCES OF

THE GAME WILL VANISH ONLY WHEN

A PLAYER HAS REACHED JUMANJI AND CALLED OUT IT'S NAME"

Nico: So that's it. Lets see here.

Nico scanned the area and it showed that Jumanji started back in 1996 and 26 years passed since it started.

Nico: This game started 26 years ago. Long story on that. It's your turn again Peter.

Peter: Okay. (Rolls dice) 5.

His piece moved.

Peter Shepherd: "His fangs are sharp, he likes your taste / Your party better move poste haste."

Nico: Uh oh.

We then heard growling and then we saw a LION!

Nico: The King of the Jungle himself.

Eli: That's not Simba. But I got this.

Eli went over to the lion as it growled.

Eli: (Growls like a lion)

Marluxia: Looks like you called it, Galaxy Man.

The lion viewed Eli as his friend and it was awesome.

Nico: Wow.

Nico gave the lion a steak and it loved it.

But then we saw a grown man in leaves for clothes come out and he had a dagger made of rock.

Me: Whoa!

Laney: Wait a second. Alan? Is that you?

Alan Parrish: Guys? It's great to see you! But did someone roll a five or an eight?

Nico: Peter here did.

Alan laughed and hugged Peter and Judy.

Alan Parrish: Oh thank you! Thank you thank you thank you thank you!

Me: You're free Alan.

Nico: But I'm afraid a lot has changed.

Alan Parrish: What happened?

Me: Lots of things. 26 years have passed since you started playing.

Phage: First, take a shower and shave yourself. You fucking stink!

Nico: Yeah no kidding. First lets tell Judy and Peter's aunt about this.

We went in and told her everything.

Aunt Nora: My god. It's all true. But you're alive?

Nico: It's a long and ugly story. And as you can see time has not been pretty for him.

We got him to the shower and he got cleaned up and shaved and more.

Fluttershy: Things have changed a lot for Alan haven't they?

Laney: No kidding. It's like 26 years have been stolen from him.

Judy Shepherd: Yeah.

Nico: After we're done here we're going to give that bully Billy a piece of our fucking minds.

Aunt Nora: Hey language.

Nico: Sorry.

Aunt Nora: But who was Billy?

Nico: His name was Billy Jessup and he hated Alan with a vengeance and made his life a living nightmare.

Alan came out all dressed in normal clothes.

Nico: Much better Alan.

Xaldin: Alan, you should know that the second half of our set of Ambassador missions already started. And they involve a new set of heroes.

Alan: I'm glad they did.

Nico: Well now Judy and Peter have been added to the game. And we have a bunch of awesome animal friends too.

Eliza Thornberry: They are amazing.

Nico: Yep. But this game has four players playing. Someone is missing. And I know who it is.

Nico and Alan: Sarah Whittle.

Alan Parrish: What happened to the shoe company?

Nico: Well everyone thought you ran away because of a falling out with your father. He searched for you high and low. Died trying.

Acid Man: I believe with your father quitting his job to search for you, it caused the decline of this town.

Nico: Yeah he looked everywhere but couldn't find you.

Alan Parrish: My god.

Nico: Well lets find Sarah.

Judy Shepherd: We have seen a lot of things too.

Alan Parrish: [warning Judy and Peter] You think that mosquitos, monkeys, and lions are bad? That is just the beginning. I've seen things you've only seen in your nightmares. Things you can't even imagine. Things you can't even see. There are things that hunt you in the night. Then something screams. Then you hear them eating, and you hope to God that you're not dessert. Afraid? You don't even know what afraid is. You would not last five minutes without me.

Nico: Same here. In the jungle it's all about life or death. But lets find Sarah.

We went to find her and we found her house.

Alan Perrish: This is where she used to live.

Me: Nice place.

Peter Shepherd: This place gives me the creeps.

Me: Not nearly as scary as many places we went to.

We saw a plaque on the door.

Alan Parrish: We used to play on this porch. I knew she still wouldn't live here. Probably married Billy Jessup and are living in a trailer park.

Me: No this is just a front. But if I see Billy, I'm going to punch him in the face so hard that his face will cave in.

Nico: Yeah but she is here.

Eli: Yeah I sense it. She's here.

We knocked on the door.

Woman: Hello?

Me: Yes we're Team Loud Phoenix Storm. We're looking for someone.

Woman: It's an honor but what can I do for you?

Me: We're looking for a woman named Sarah Whittle. Sorry to bother you.

The woman opened the door.

Me: Are you Sarah Whittle?

Woman: No I don't go by that name anymore.

Alan Parrish: Twenty-six years ago, you played a game with a little boy down the street. A game with drums.

Sarah Whittle: How do you know that?

Alan Parrish: I was that little boy, Sarah.

Sarah Whittle: [hushed] Alan…

[she falls over in a faint]

Peter Shepherd: [to Alan] You killed her.

Nico: She just fainted.

We got her back to the Parrish mansion

We told her everything.

Maria: If we complete the game, everything should go back to normal.

Larxene: And then, what happens?

Nico: From what I remember time reverts back to when it started. Besides, we'll go with him.

Me: He's right. We went back in time to when it began.

Nico: Right! I remember.

Sarah Whittle: I have spent over 2,000 hours in therapy convincing myself that that doesn't exist. See, what happened to you was so awful I made up that whole thing.

Alan Parrish: Sarah, it was awful. It was awful. It was awful, it really was. But it was real. Real.

Sarah Whittle: No, no, no, it wasn't real, Alan. Your father murdered you and he chopped you up into little pieces.

Alan Parrish: Sarah, come on! My dad did that? My father could barely hug me, let alone cut me into little pieces.

Me: Sarah that's bullshit and you know it.

Nico: Yeah it was just a rumor people were spreading around to scare people. Sam Perrish was a good man. He would never do that.

Sarah Whittle: What happened then?

Me: He disappeared into the game. And for 26 years he was trying to survive.

Alan Perrish: He's right.

Sarah Whittle: Alan, please, last time I played this game, it ruined my life.

Alan Parrish: [laughs] It ruined your life? "In the jungle, you must wait 'til the dice read five or eight."

Sarah Whittle: I was a little girl, Alan. You disappeared, and a bunch of bats surrounded me and chased me down the street. I was afraid. I'm sorry, Alan. No one believed me. I was all alone.

Alan Parrish: So was I. For 26 years, Sarah.

We were shocked.

Me: Sarah please. We have to finish it. If I was able to help finish Zathura all by myself for everyone while we were lightyears out in space, we can do it here too.

Sarah Whittle: Okay.

She then rolled. And then her riddle came.

Sarah Whittle: "They grow much faster than bamboo / Take care or they'll come after you."

We then saw plants growing all over in a seconds.

Me: Oh man. I know this plants.

Nico: Yeah.

I fired a blast of fire and burned the plants all over the place and incinerated them.

Me: There.

Nico: Close one.

Sarah Whittle: Takanuva, you're friends with Kamen Rider Den O right now. Why can't you ask him to fix this? Or better yet, ask Kamen Rider Zi O and his friends?!

Takanuva: Because we haven't fully recruited Ryotaro into the team yet.

Harley Quinn: And Nico still won't spill the full story about Kamen Rider Zi O.

Nico: I can't reveal anything about that just yet!

Me: He wants it all to be a surprise.

Nico: Yeah. Anyway it's Alan's turn. I know what's coming next.

Alan rolled.

Alan: "A hunter from the darkest wild / Makes you feel just like a child."

Sarah Whittle: What is it?

Alan: Van Pelt.

BANG!

A Gunshot was heard and Alan ducked!

Out came the hunter VAN PELT!

Van Pelt is the main antagonist of the 1995 film Jumanji and the 2020 film Jumanji: Level One, both of which are based on the 1981 fantasy children's picture book by Chris Van Allsburg. He also appears in the animated series based on the films. In the 1995 film, Van Pelt is portrayed a cunning, murderous, destructive and traitorous hunter who resides within the cursed board game, Jumanji. As a game hunter, he wears a hunter's uniform with a cape and pith helmet. He is also one of the game's main dangers as a portrait of his face is carved on the top left corner of one of the lids of the game box. This incarnation of Van Pelt serves as the basis of his appearance in the animated series. He is also Alan Parish's arch-nemesis.

In the first film, he was portrayed by Jonathan Hyde, who also played Alan's father Sam Parrish in the same film, J. Bruce Ismay in James Cameron's Titanic, and Eldritch Palmer in FX's The Strain, and voiced Stricklander from Tales of Arcadia. In Jumanji: Level One, he is portrayed by Andrew Fairgrieve who played as the original Van Pelt and later Robert Laenen, who also played Private Dewell in the same film. In the animated series, he was voiced by Sherman Howard, who also played Derek Powers in Batman Beyond, Chief McBrusque in An American Tail: The Treasure of Manhattan Island, and Metal Kor in Jak II.

## 1995 Film

Van Pelt is first introduced after one of Alan's turns on Jumanji, which releases the hunter, who immediately begins chasing him. He tells Sarah that he did not shoot her because "You didn't roll the dice. Alan did," implying he is hunting down Alan because Alan released him from the game (as part of the rules, as everything released from the game is apparently "ordered" by the game itself to attack whomever rolled the dice at the time of its/their release). After managing to evade him, Alan explains that Van Pelt has been trying to kill him since they first met within the game's world, seemingly finding Alan's very existence to be offensive.

After he runs out of bullets, he switches his weapon at a gun shop with a sniper and silencer because his previous weapon's bullets had stopped being produced in 1903. He tries to shoot Alan from a distance when he is taken in by a police officer, his childhood friend from his dad's shoe factory, Carl Bentley, and then chases after Sarah, Judy, and Peter (who is transformed into a monkey while attempting to cheat) to steal the game so Alan will come to him for it (and for them), but his plan is once again foiled by Peter and later Alan. His next appearance is at the climax, when he holds both Alan and Sarah at gunpoint when the former is about to throw the dice.

When Van Pelt tells him to drop the dice, he orders Alan to start running again so that he can chase him. However, Alan refuses to run off this time, admitting that even though he is still scared, he no longer finds it in his heart to run away from what he's afraid of and instead face it to get it over with like his father told him. Impressed, Van Pelt acknowledges Alan of acting like a real man, and asks for any last words before he pulls the trigger.

Before his defeat, it was then the dice gave in the right number that allows Alan to win the game, and once he says "Jumanji", all of the animals and dangers of the game are sucked back into it by powerful tornado-force winds, including Van Pelt himself, much to his dismay. This also sends Alan and Sarah back to their past with their memories of the future intact before they get rid of the game and eventually begin a romantic relationship, thus altering and creating a newer and better future while Van Pelt remains sealed inside Jumanji, which is covered in chains and heavy bricks and thrown into a river by Alan and Sarah in hopes of never being found again.

---

Hunter Van Pelt: You miserable coward! Come back and face me like a man!

Me: HEY! Welcome to the 21st Century!

BANG!

I shot him in the leg with a 12 Gauge Shotgun and he was wounded!

Vexen: It's too early to face you now.

Van Pelt: You will pay for this!

Me: You want Alan you go through us!

I had my gun with a laser scope pointed right at his head.

Me: Unless you back off right now and wait for the right moment you will run.

He ran.

Me: Now the Hunter has Become the Hunted.

Nico: Nice shooting there though.

Me: Thanks.

Eli: And he dropped his gun too.

Eli picked it up.

Me: 1901 Winchester Shotgun. Very awesome weapon.

C.C.: They don't make those anymore but it's still in great shape. I can use this.

Ultra Humanite: We should probably go after him.

Nico: Not quite. Judy's turn.

Judy rolled.

Judy Shepherd: [reads] "Don't be fooled, it isn't thunder / Staying put would be a blunder."

[Judy looks at Peter, confused. Peter feels a vibration and looks towards the bookcase. Alan and Sarah continue arguing until they feel the same vibration]

Alan Parrish: You hear that? Listen.

Me: Uh oh. I know that rumbling anywhere.

[walks towards the bookcase, where books start falling]

Alan Parrish: Run! IT'S A STAMPEDE!

Me: Here it comes!

[Judy, Peter, and Sarah run out of the library]

Alan Parrish: The game!

[grabs the game and runs screaming just as a stampede breaks through the bookcase]

We then saw Fluttershy stop the Stampede with her stare. It had Elephants, rhinoceroses, zebras and even pelicans!

Nico: Whoa! That was awesome Fluttershy.

Fluttershy: Thank you Nico.

Eliza Thornberry: Wow that was great.

Me: Yeah.

Laney made a lot of plants for the animals and they ate them.

Nico: Boy this is turning into a zoo.

Demyx: Let's go after Van Pelt before he fucks things up even more.

Nico: Good idea. I know where he's at.

We went to the big supermarket in the middle of town. He was looking for us. Many people were running out of the supermarket in fear but there was a trail of blood. We then saw that Peter rolled.

Peter Shepherd: [in horror] Judy!

Judy Shepherd: What?

Sarah Whittle: What happened?

Me: What's wrong?

Peter Shepherd: I thought I could end the game myself. I was only ten spaces away.

Judy Shepherd: [reads] "A law of Jumanji having been broken / You will slip back even more than your token."

Sarah Whittle: You tried to cheat?

Peter Shepherd: No, I tried to drop the dice so they'd land on twelve.

Sarah Whittle: Oh, okay, honey. Well, that would be cheating.

Judy Shepherd: [in terror] Peter, your hands! Look at your hands!

[Peter sees that he is growing monkey fur on his hands as a punishment]

Me: Whoa!

Fluttershy: Oh Peter you are gonna look so cute as a monkey.

Lincoln: (Laughs) Only Fluttershy would think that.

Gabriel: I think it's time we do our entrance. Before things get worse!

Nico: Agreed.

We went at the supermarket. Van Pelt was causing mayhem and then the spirits of Organization XIII came and orbited around him and blasted him all over with elements and knocked him around and then they converged and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted through the roof of the building and then a phoenix cry was heard and we came in.

Nico: Hunting season is over Van Pelt.

Me: Yeah!

Nico: Let's go, Kivat!

Van Pelt: (laughs as Nico realized what he just said) That was a stupid thing to say! None of your teammates are named Kivat!

Saix: (to Nico) It's another one of those moments, huh?

Nico: Yeah.

Me: Kamen Rider Kiva reference. (To Van Pelt) But Van Pelt you will face the power of the wolf. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into Wolf Moon 🌙!

I slashed him in his chest with my scythe!

Lord Drakkon, Myotismon, Baron Mordo and the Dark Signers all appeared.

Nico: Wow Lord Drakkon, Myotismon, Baron Mordo and the Dark Signers.

Misty Tredwell: Awesome seeing you all here.

Lord Drakkon: What's gonna happen after the game is done.

Nico: Then everything should go back to normal.

Myotismon: What happens to us then?

Baron Mordo: We can only hope we stay unaffected.

Nico: Don't worry we all will be all right.

Me: Nico, Fluttershy and his group were unaffected when the game finished.

Carly Atlas: Good.

Roman: (to Nico) We heard you visited a donut planet.

Homer: Mmm Donuts.

Carly Atlas: How many donuts did you get?

Nico: Tons of them!

Brickneck then appeared for round 2.

Brickneck: Can't you Rangers fix this mess with the time equipment you have?

Wes: I don't think it works that way. It's a magic game.

Brickneck: Oh.

Me: It's like what happened with Zathura. We have to finish the game for it to be over.

Roman: I remember that.

We got the usual battles underway.

## J.D. Knudson, Rainbow Dash, Scootaloo, Air Skylanders, Mighty Morphin Rangers, Breach and Ace VS Lord Drakkon - Nico's rescue

Lord Drakkon was first.

Lord Drakkon: (to me) I can't believe you ate so many donuts on Nico's rescue. What kinds did you eat?

Me: You should have seen it! It was a planet made entirely out of donuts! I ate 20 of them.

Lord Drakkon: Wow! That must've been a big breakfast.

Rainbow Dash: Homer Simpson saw the pictures of it and he was in heaven. He went Mmm Donuts and drooled.

Scootaloo: So did Lily and that was funny.

Whirlwind: Lily and Homer are the great donut gurus and they are awesome.

Tommy Oliver: They sure are awesome.

Jason Lee Scott: Boy I wonder how many food planets are out there.

Lord Drakkon: Boy I don't know. You guys found planets made of meat, limburger cheese, chili and now donuts.

Me: No kidding! Chief Wiggum would love that world too.

We laughed at that one.

Lord Drakkon: Yeah he sure would. And he would love the chili world too. Lets do it!

Me: I have an awesome treat for you too.

I put on an OOO Belt and put in 3 Red Core Medals. One for the Hawk, Condor and Peacock!

Me: OOO HENSHIN!

HAWK CONDOR PEACOCK!

I was in the Tajadol Combo OOO Kamen Rider form!

Rainbow Dash: WOW! J.D. that is so awesome!

Scootaloo: Wow! J.D. you unlocked Kamen Rider OOO now!? That is amazing!

Me: Yep. I wanted to surprise you all later for the upcoming battle in the Live Action Transformers Universe but I figure why not show you all right away.

Lord Drakkon: Wow! That is awesome! I heard from my fellow teammates that you can do this now and that is awesome!

I spread wings made of red fire.

Me: It sure is. I think it's really cool.

I jumped and flew and formed into a phoenix and smashed him down flying through 3 red rings.

Lord Drakkon got back up and I powered down.

Me: Many more combos where that one came from. Now for this. ZENKAI CHANGE!

I turned into my Zenkaiger form!

Me: ZENKAI ZODIA! ゼンカイゾディア!

I was ready!

We fired waves of elements, wind, lightning, rainbows and energy and smashed him down.

Me: A victory worth remembering!

Rainbow Dash: That was AWESOME!

## Nico, Sunset Shimmer, Pipsqueak, Fire Skylanders, Zyuohgers, Vegeta and Shadow the Hedgehog VS Myotismon - Lincoln's rescue

Myotismon was next.

Myotismon: (to Nico) I heard Lincoln faced Captain Storm on his rescue. Did he win?

Nico: Yep he sure did and we killed him and made sure he would never come back.

Sunset Shimmer: That maniac had it coming and he will never be welcome on Earth again.

Pipsqueak: (British Accent) I agree there. He was a monster.

Sunburn: He sure was and he got what was coming to him.

Yamato: I'm glad he did.

Vegeta: Yes Storm brought it on himself.

Myotismon: I'm glad he did. Lets do it!

Nico: ZENKAI CHANGE!

Nico turned into his Zenkaiger form!

Nico: ZENKAI JET! ゼンカイジェット

Nico was ready!

They fired waves of fire and energy and smashed him down.

Nico: YEAH BABY!

Sunset Shimmer: That was amazing!

Samus Aran: Crocomire. So, it's true, he's come back.

Nico: Yeesh, and he's even uglier up close.

Me: You said it. Before we let Nuria the Fire Faerie and Lincoln destroy him, let's scan him.

Me: We're done.

Nico: Alright, Nuria and Lincoln, he's all yours.

Nuria the Fire Faerie: And that's what we were waiting for,

Suddenly, Nuria the Fire Faerie's orange eyes turned neon orange, and she was surrounded by a red and orange energy aura with flames and fire faeries, she got out her massive Neopia's Magic Staff of Magical Justice, and as she approached Crocomire, she left red and orange energy, flames, and fire faeries with every step. Nuria the Fire Faerie has transformed into SUPER ANGEL INFINITY TRUE LOVE DESERT FIRE FAERIE OF NEOPIA JUSTICE AND MAGICAL LOVE!

We were amazed by Nuria the Fire Faerie's Super Angel Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Crocomire saw it, it roared in rage and opened his mouth to fire plasma balls at Nuria, but Nuria fired a powerful red energy blast with flames and fire faeries, and it hit Crocomire's mouth, and it burned him badly.

Nico: Wow, Nuria's transformed, this is going to be one fiery fight.

Me: You said it, Nico.

Lincoln: Wow, Nuria, you look beautiful. How do you feel?

Nuria the Fire Faerie: (Divine Echoing Cosmic Voice of the Fire Faerie and Divine Love) **I feel incredible, Linky. Now, shall we destroy this monster once and for all?**

Lincoln: (Smiles) With pleasure, Nuria.

Lincoln unholstered his massive Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Nuria the Fire Faerie.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Time for you to die, Crocomire.**

Then, Lincoln attacked him with his massive Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds, and left painful scars on Crocomire, and and Nuria the Fire Faerie fired powerful red-orange energy blasts from her staff, and it hit him.

Then, Lincoln and Nuria the Fire Faerie fired powerful energy beams, which hit Crocomire, and they exploded with incredible power as they hit his open mouth, and the explosions killed Crocomire, and its spirit was condemned to the Black Gates forever, and its' spirit was erased forever. We cheered wildly for what Lincoln and Nuria the Fire Faerie did as they holster their weapons and power down, and Nuria the Fire Faerie's new body, clothes, weapons, jewelry, and massive fire fairy wings are permanent.

Nuria the Fire Faerie: That's it for yet another one of Samus Aran's enemies. Thank you for helping me take care of Crocomire, Linky.

Lincoln: (Smiles Warmly) You're welcome, Nuria.

Suddenly, Nuria the Fire Faerie wrapped her arms around Lincoln's waist, and it brought an atomic blush to Lincoln's face, as he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into an embrace, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Nuria the Fire Faerie's face, they kissed passionately as Nuria the Fire Faerie wraps her left arm around Lincoln's wider and muscular back, and she placed her left hand on Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Fire Faerie flying in the air, and we also saw a herd of Buffalo running across the field, along with flames raging behind them, and the display of the elemental forces behind them, and we cheered for them.

Nico: Alright, that's it for another of Samus Aran's enemies.

Me: That's right, and we also scanned Crocomire and got his DNA added as well, the same with all the aliens that Samus had faced over the years.

Nico: That's right, and we've seen what those aliens are capable of, and they're dangerous.

Fluttershy: (To the viewers) Always show love and kindness to all animals and they will love you too.

All of Fluttershy's animal friends agreed.

Nico: That was a great adventure though. Alan, Sarah, Judy, Peter we're really sorry about what you all went through because of Jumanji. Originally you and Alan started in the movie you started in 1969. But waiting for over 20 years must've been worth it.

Alan Parrish: It was.

Nico: But great job today everyone. We've now seen the last of Jumanji and we have accomplished going to two awesome worlds made by Chris Van Allsburg.

Eli: Yeah we sure did.

Me: One for the jungle and the other for space. Space was much more fun.

Laney: Yeah that was awesome.

Nico: Lets go home everyone.

We went back home and we rested and more. Judy and Peter's mom and dad and the Parrish Family live in Gotham Royal York along with all of Brantford, New Hampshire. We rested after an amazing adventure and went to sleep.

THE END

Another fanfiction done. Just got to wait for more scenes because the Guest Reviewer is gonna be out of commission for a while due to computer trouble.

Jumanji is one of my favorite movies and it was so awesome. It came out in 1995 and it was so awesome! That board game Jumanji was really freaky and it was amazing how Alan found it and more. But it was terrible how it did all that back then. Robin Williams, Jonathan Hyde, Kristen Dunst and many big stars in that movie ad they did great. This whole chapter was made in honor of Robin Williams and he was a great actor and he has been an awesome source of fun for many of us throughout our childhoods and more. I loved ALL OF HIS Movies and they were great.

Rest In Peace

Robin Williams - July 21, 1951 - August 11, 2014

He will never be forgotten.

The first part of the chapter was for a planet of Donuts and that was a cool one. The second part was for taking down Captain Storm from Road Rovers. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, EtstheClarenceandTLHfan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Nico's next rescue is gonna be a really awesome and cool one as Nico, Syd Chang, Applejack, May, Maria, Varie, me, Eli, Kaina Tsutsumi, Camie, Himiko, Ibara, Sirius, Tsuyu, Ochaco, Lincoln, Lana, Lola, Lisa and Lily go treasure hunting with Nicole, Rainbow Dash, Daring Do, Laney and Judy Shepherd and we're going to go to the jungles of Colombia for an awesome treasure. We're also going to meet a gene-slammer named Ophelia Bluestein. Ophelia Bluestein is one of Nico's friends from math and geography classes and she knows so much about the world and math. She is now a gene-slammer for a Ifloptera, the natural predator of the Florauna. The next rescue for Lincoln is gonna be in the Indiana Jones movie Raiders of The Lost Ark. And Lincoln and the group are going to find the Ark of The Covenant and also we're going to meet a gene-slammer for Gem-Knight Lady Rose Diamond from Laos named Okalani Xayavong. She is from Laos and she is one of Lincoln's amazing Guardian Angels. She is a really awesome friend of Leni and hates it when Lincoln got kicked out of Lori and Leni's room. The next chapter is gonna be where we face KiLIT DJ 3000 from Regular Show and we're going to smash that machine into pieces.

See you all tomorrow

# PARK VS THE MUSIC

Flying over the ocean towards South America was Nico, Syd Chang, Applejack, May, Maria, Varie, me, Eli, Kaina Tsutsumi, Camie, Himiko, Ibara, Sirius, Tsuyu, Ochaco, Lincoln, Lana, Lola, Lisa and Lily and we were with Nicole, Daring Do, Rainbow Dash, Laney and Judy Shepherd as we were heading out on another awesome and amazing treasure hunt.

Nico: This is gonna be so awesome.

Syd Chang: Boy it sure will be awesome! I can't wait to see what kind of treasure we're going to find.

Kaina Tsutsumi: Me too! I never went on an amazing treasure hunt with you guys before.

Camie: You'll love it Kaina. To be honest I've never been on one either.

Laney: You'll love it guys. We have treasure hunts that are really fun.

Nicole: We sure do and you will love what we're going after for our quarry.

Nico: This is gonna be awesome and full of adventure.

Applejack: YEEHAW! It sure will be awesome.

Nico: Thanks for coming with me, Syd.

Syd Chang: No problem Nico. This will be so awesome going on an awesome treasure hunt too.

Eli: I love the treasure hunts we do.

Nico: So, Syd. When do you and Clyde plan to get married?

Syd Chang: We haven't thought of that yet but it will be awesome when the time comes.

Daring Do: That will be an awesome wedding though.

Nicole: It sure will.

Me: So what is the treasure we're going to find Nicole?

Nicole: The treasure we're going after is a really elusive one that I was trying to find for years. It's called the Staff of Illapa the God of Thunder in Incan Myth. Its powers over lightning are so powerful that it makes the powers Lincoln and Linka have look like nothing.

Nico: WHOA! That is amazing.

Laney: Wow! That is amazing! I can't wait to see what this staff looks like.

Nicole: It'll be a really powerful sight.

We arrived in the jungles of northeastern Colombia and we were walking through the jungle.

Nico: I find it hard to believe that ANYTHING can make Lincoln and Linka's lightning look like nothing.

Nicole: That's what it said in the legend.

Eli: This will be amazing to see.

Judy Shepherd: I have a feeling this will be awesome.

We walked on and then a massive lightning storm appeared out of nowhere and then lightning struck all over. Then in a massive flash of light appeared an amazing temple!

Nicole: There it is! The Temple of Illapa! At long last we found it!

Nico: Wow!

Eli: That is amazing.

Syd Chang: Boy it sure is cool.

Nicole: Legends say that when a lightning storm appears the temple will appear when lightning strikes the ground at this very spot.

We went into the temple and it was amazing.

Nico: (puts on rubber gloves) Better put on something insulated just in case.

Nicole: Well okay.

We looked around the temple and it was amazing.

Nico: Wow look at this place.

Eli: Incredible.

Me: It's amazing.

I then saw a mural.

Me: Whoa.

I went over to it and looked it over.

Me: Wow this mural has one amazing story.

Eli: What does it say?

Nicole: It's really amazing from the looks of it.

Me: Lets see here. It says "Long ago the evil warlord of the Tawantinsuyu, Carnage Wolf, came with a mighty and terrible army with which he went into battle with the Incan Civilizations. No one could match his terrible armies as they brought terror to all. So the brave king of the Incan Civilization made a pact with the God of Thunder, Illapa and he granted the king a really powerful staff made from Illapa himself and with the power of staff he destroyed the entirety of Carnage Wolf's army in one fell swoop. He also used the power of the staff to banish Carnage Wolf to another dimension beyond the reach of time and space where he will stay forever. Word about the defeat of Carnage Wolf and his army spread across the civilizations and using the staff defeated the armies. But fearing that the staff would be used for evil and the power it had would go to his head, he made another pact with Illapa and hid the staff here in this temple where only one soul that is pure of heart can wield it and use its powers for good."

Nico: Wow! That is an amazing story.

Eli: Incredible.

Rainbow Dash: That is really amazing.

Laney: It sure is.

Kaina Tsutsumi: Wow what a legend.

Nicole: Lets go see if we can find it.

We went into the temple and then we found a huge room that was beautiful and it was incredible.

Me: Wow!

In the room was the staff and it was in the middle of a storm.

Nico: Wow!

Laney: That is so cool.

Nicole: There it is. The Staff of Illapa.

Camie: It's amazing.

Nico: So, who wants to touch it?

Judy Shepherd: I'll go.

Nico: Okay.

Judy went up to the staff and then she pulled it out successfully and then suddenly a massive surge of lightning enveloped her and then she was getting a massive and incredible transformation! When the storm cleared she was changed forever! She was now 6'5" and had the body of a goddess and she had awesome purple eyes surging with lightning and she had a purple version of Venus Butterfly's clothes on and she had purple angel wings with yellow lightning bolt feathers and she had lightning surging all throughout her wings and it was amazing!

Nico: WHOA! Judy you look awesome!

Laney: Wow! Judy how do you feel?

Judy Shepherd: (Older Voice) I feel amazing guys. This is all incredible.

Nico: All that and not one villain came. Looks like we're in the clear!

?: I wouldn't be counting on it lad!

We looked behind us and we didn't see anything.

?: Down here.

We looked and saw a little pirate!

Nico: Who are you?

Captain Mel: I be Captain Mel! Terror of the Seven Seas and ye be handing over me staff!

Judy Shepherd: Sorry but I got the staff as it chose me.

Nico: Yeah!

All of us laughed at this.

Nico: (wipes a tear away) Okay, pal. You're obviously new at this. So, we'll let you have the first shot.

Me: Wait a second. I've heard about you. You're a very dangerous and treacherous pirate that is know to have brought down lots of cruise ships in the Caribbean and steal their loot.

Laney: Yeah! Also the Warner Brothers and Sister told us about you and it was crazy! They blasted you with a cannon.

Nico: Oh so he is not new at this.

Rainbow Dash: Yeah he is a pirate.

Me: You know Captain Mel you will be a good member of the Masters Of Evil.

Nico: Seriously, take your best shot.

Me: Yeah Dolphin face.

He unsheathed his sword and went at us and Judy stopped his sword with a grab of her hand and didn't get cut. But then she sent a shock of lightning through the sword and then…

ZZZZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA

ZAPPITY ZAP ZAP!

Nico: Whoa! That is intense voltage.

Laney: Yeah.

Lola: No kidding.

Lana: Yeah.

Captain Mel was down but burned.

?: Now to squish him flat!

A rolling figure came in and then squished Captain Mel and he was flatter than a pancake.

We saw that the figure was a Ifloptera.

Nico: Whoa!

Nicole: An Ifloptera.

It reverted back and and we saw that she was a girl with green hair and green clothes.

Nico: Ophelia Bluestein? Wow!

Ophelia Bluestein: Awesome to see you again Nico!

Nico: Same to you.

Syd Chang: What classes did you go to with Nico?

Ophelia Bluestein: I went to math and geography with him and I'm really good at both subjects.

Eli: Cool!

Camie: Awesome.

Syd: What's your favorite memory of Nico?

Ophelia Bluestein: I have many of them but my favorites are in Math class. One time me and Nico were doing an advanced Trigonometry Test and then we saw one of the bullies about to hurt a kid while the teacher was reading a book. But we wouldn't let him get away with that so while Nico filmed the whole thing about to happen on his phone I secretly put disappearing ink in his pen and then after the kid was badly beaten up he got his test done but failed miserably because of the disappearing ink. He was then forced to repeat the entire class for that. But after that we showed the film to the principal and he called the police and he was arrested and expelled.

Laney: Wow!

Nico: That was a fun prank.

Ibara: That was great!

Me: Very clever too.

Nicole: It sure was awesome.

Nico and Ophelia hugged.

Nico: I really missed you.

Ophelia Bluestein: Me too Nico. Me too.

Judy Shepherd: This was a great treasure hunt though.

Eli: It sure was.

Rainbow Dash: I thought it was cool too.

Me: Yep.

We later went back home.

Lincoln: Wow, we're here in the world of Raiders of the Lost Ark, and I know what we're going to do here, not only am I going to rescue the five girls here, but we're also going to find the Ark of the Covenant and deal with a couple of Nazis who are out to get the Ark of the Covenant.

Nico: That's right, big guy. Those Nazis just don't even know when to quit.

Me: They'll try anything to win, Nico. But, we saw exactly what happened when they opened the Ark of the Covenant, and look at what happened.

Lincoln: Yep, so this is going to get pretty messy. And thanks for joining us, Mrs. Chang.

Becca Chang: You're welcome, Lincoln. This is going to be one awesome rescue.

TLPS Mr. Wolf: The Nazis just don't even know when to quit, even after we put them down in World War II, they refuse to give up. Well, this'll be the last time that we ever deal with them.

?: HELP!

Suddenly, Lincoln heard the sound of five girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye of The Buddha, and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the five girls, along with Indiana Jones and Marion Ravenwood, but they've been cornered by Nazi officer Colonel Dietrich, his right-hand man Major Gobler, the sadistic Gestapo agent Major Arnold Toht, and rival archaeologist and agent of the Nazis, René Belloq, and they're going to kill them.

Lincoln: Guys, I found the five girls, along with Indiana Jones and Marion Ravenwood, but they've been cornered by Nazi officer Colonel Dietrich, his right-hand man Major Gobler, the sadistic Gestapo agent Major Arnold Toht, and rival archaeologist and agent of the Nazis, René Belloq, and they're going to kill them.

?: (Laotian Accent) Those heartless Nazis, let's rip them to shreds!

Suddenly, we saw a Gem-Knight Lady Rose Diamond appear before us.

Lincoln: That Laotian accent, I knew it was you, Okalani Xayavong. But, we'll have to talk later, we've got a couple of Nazis to kill.

We rushed on over, and Lincoln fired powerful rainbow energy balls at Colonel Dietrich, Major Gobler, Major Arnold Toht, and René Belloq, and that allowed the five girls, along with Indiana Jones and

Marion Ravenwood, to get away. When Colonel Dietrich, Major Gobler, Major Arnold Toht, and René Belloq saw us, they were pissed.

Lincoln: We've had it up to hear with you miserable Nazis for the last time, this time, you're all going to die here and now.

Lincoln unholstered his improved massive Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Infinity forms and they unholstered their massive swords, Sima Shi, Sima Zhao, Sun Jian, Guo Jia, Zhang Bao, Guan Xing, Cao Cao, Liu Bei, Sima Yi, Sun Quan, Jia Chong, and Jiang Wei got out their weapons, The Samurai Warriors got out their weapons, Lincoln's sisters transformed into their Super Angel Infinity forms and unholster their massive swords from their backs, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Becca Chang, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Hector got out his massive Heaven's Maw of Judgement sasumata pike, and Me, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went at Colonel Dietrich, Major Gobler, Major Arnold Toht, and René Belloq, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, Blood, Magic, steel orbs, throwing axes, stars, rainbow flames, rainbow crystals, orange flames, blue flames, ice, green flames, and water, and they exploded with incredible power as they hit the Nazis.

Colonel Dietrich opened the Ark of the Covenant, and we covered our eyes, but Dietrich, Gobler, Toht, and Bellog weren't able to close their eyes, as the Ark released spirits, flames, and bolts of energy that kill Belloq, Toht, Bellog, Dietrich, and the assembled Nazis before sealing itself shut. Then, we had it sealed up in a crate for good, and we cheered wildly as we holster our weapons and powered down.

Lincoln: That's it for those evil Nazis. (To Okalani Xayavong) And it's so good to see you again, Okalani Xayavong.

Okalani Xayavong reverted back to normal, and she's a beautiful 17-year-old girl with long flowing rose hair, rose-colored eyes, she's tall at 6'5" in height, she had the body of a goddess, she has massive rose-colored angel wings, thanks to reigning in the power of Gem Knight Lady Rose Diamond, and she's dressed in a pink sleeveless blouse, pink sleeveless shirt, pink skirt, pink pants, pink high-heeled shoes, and long pink sleeveless trenchcoat with jewels on the coattails, and Lady Rose Diamond on the back.

Okalani Xayavong: (Laotian Accent) You too, Lincoln, it's been a long time.

Lincoln went up to Okalani Xayavong and they hugged, and Okalani Xayavong's also very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she's also felt just how strong he's really become.

Lincoln: It sure has been a long time, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then.

Okalani Xayavong: (Laotian Accent) Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Okalani Xayavong, she's another of my Guardian Angels who came to Michigan from Laos and she has some awesome skills. She's also one of Leni's awesome friends and she knows so much about about fashions and loves to adorn them with jewels.

Rarity: That's amazing. I definitely need to see some of the dresses that she's made.

Lincoln: Don't worry, you will, Rarity, and get this: like many of my Guardian Angels Okalani hates that stupid scooter-riding heckler, Scoots, and all jerks with a vengeance and she will pulverize them into dust.

Nico: Whoa.

Okalani Xayavong: (Laotian Accent) And wait until I tell you all something that involved a fashion show I was doing, and it also involved me kicking the tar out of that stupid scooter-riding heckler, Scoots.

Lincoln: You guys are going love hearing this, and Okalani, I got you a little something.

Lincoln gave Okalani Xayavong a large Lady Rose Diamond-themed sword with Lady Rose Diamond etched on the 6'10" massive, wide, double-edged rose quartz-colored blade, large pink angel wings for the crossguard, large pink gem embedded in the rainguard, longer black handle, and large pink gem with white angel wings surrounding it for the pommel.

Okalani Xayavong: (Laotian Accent) Wow, I love the new sword you made for me, Lincoln.

Suddenly, a Thunderbird Necklace of Eternal Love appeared on Okalani Xayavong's neck with rose quartz gems on the gold lightning bolts links and rose quartz crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Okalani Xayavong: (Laotian Accent) (Surprised) Whoa, is this?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're part of my harem and one of my many future wives, Okalani.

Okalani Xayavong had a smile on her face and tears coming from her eyes, as she wrapped their arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around her waist, and he leaned down and kissed Okalani Xayavong on the lips, and they returned it, and we cheered for them. Then, we went up to the five girls, and when Lincoln saw them, he immediately recognized them. The five girls are Catherine Rochefort, Diana del Rio, Maxine Silverstone, Sophie Gainsbourg, and Yuri Fujishiro the Android from the Double Decker anime.

Lincoln: Oh wow, it's Catherine Rochefort, Diana del Rio, Maxine Silverstone, Sophie Gainsbourg, and Yuri Fujishiro the Android.

Nico: From the Double Decker anime, awesome.

Lincoln: Are you girls okay?

Catherine Rochefort: Yes, we're okay, thanks to you for saving us.

Then, when Catherine Rochefort and the other four girls saw who it was that saved them from the Nazis, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

Catherine Rochefort: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made four clones of himself, and he and the four clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Catherine Rochefort: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Thunderbird Necklaces of Eternal Love appeared on the necks of Catherine Rochefort, Diana del Rio, Maxine Silverstone, Sophie Gainsbourg, and Yuri Fujishiro the Android with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We head back to the World Tree Estate, and we told everyone about our rescue, and they were shocked when they found out the villains we went after were the Nazis.

But, when Lincoln showed what we did in pulverizing them and the Nazis ultimately leading to their own deaths by opening the Ark of the Covenant and they were all vaporized while we shielded our eyes, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Okalani Xayavong have a lot of catching up to do, now that she's back.

---

After getting rid of the Nazis, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Okalani Xayavong saw Lincoln working out like crazy, she had an atomic red blush on her face.

Okalani Xayavong: (Laotian Accent) Whoa, I was right that Lincoln has really grown to be a 17-year-old 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Okalani, and now, I can also defend myself, and I've also gotten smarter as well.

Okalani Xayavong: (Laotian Accent) That's incredible.

Nico: It sure is. So, Okalani, can you tell us about that fashion show you did, and how it involved you pulverizing the daylights out of that stupid scooter-driving heckler, Scoots?

Okalani Xayavong: (Laotian Accent) I'd be glad to, Nico. One night, I was preparing to display the all-new Fall Fashion line I made, and Leni helped out greatly with designing the dresses and I put in the jewels that matched the colors of Fall. On the night of the show, the models came out wearing the dresses from my new Fall Fashion line, but that night, Scoots came out and she threw tomatoes at the models and they ran out of the building crying, and Scoots was laughing like the crazy old witch she really is. I was immediately seeing red, and I pounced on Scoots and I immediately began to beat the daylights out of that stupid heckler. After I was done, Scoots was immediately taken away and put under strict watch at Sunset Canyon. I found the models who ran out thanks to Scoots throwing tomatoes at them and Lincoln and I cleaned them up, and they continued to do the show and my Fall Fashion line was a success, and as for Scoots, she was banned from all events for life for constant heckling and troublemaking.

We gasped in shock.

Rarity: Oh my word.

Nico: Now, Scoots really has gone too far this time. Messing with the dresses that you and Leni made for the Fall Fashion line, this just proves even further that Scoots is a big-time jerk who doesn't give a damn about anyone but herself.

Lincoln: And causing misery and trouble wherever she goes. She deserves to spend the rest of her days in the Lansing Maximum Security Asylum, especially put in Solitary Confinement and chained to the wall of her padded cell in rainbow energy and Neutronium chains.

Rita: That's right, honey, and there's no place in society for her or Flip.

Nico: Yeah, they're flat-out jerks.

We got a shower afterwards, and then, Lincoln and his harem were on their way to Bingo Highway located in Casino Park in Sonic's world. When they got there, it was an awesome casino-like area with large pinball tables and neon-lit paths.

Paige: Whoa, is this…?

Lincoln: That's right, Paige, this is Bingo Highway located right here in Casino Park in Sonic's world, I heard about it from Sonic and the others, and we're going to have a lot of fun here.

Ronnie Anne: And Casino Park and Bingo Highway are a lot like Las Vegas, with the neon-lit paths, the casino-like area, playing cards, poker chips, the giant roulette wheels, and large pinball tables. This is going to be fun.

Lincoln and his harem had their fun by playing a mini-game of Bingo as they slide down the paths, and they also had fun at the large pinball tables, and they also had to keep themselves from getting dizzy from seeing the spinning giant roulette wheels. Then, as the sun was about to set, Lincoln made clones of himself, and Lincoln and the clones went up to the girls in his harem, and they pick them up in their abnormally massive and powerful muscular arms, and as the sun turned orange, they passionately kissed and hugged with supercharged and intense passion. Lincoln and his harem return home, and they had scrolls filled with what sounded like rings and gold.

Nico: Hey, guys, how was your date?

Lincoln: It was awesome, Nico. We went to Bingo Highway in Casino Park in Sonic's world.

Nico: Whoa, I've heard about that place, that's so awesome. And from the sound I heard inside your scrolls, you guys won big there.

Lincoln and the girls opened the scrolls, and we saw tons of gold rings and coins, and our eyes went wide open and our jaws dropped literally to the floor.

CLANG!

Me: Holy shamoly, you guys really won big at Bingo Highway.

Nico: Dang, that's a ton of gold rings and coins you guys won there.

Lincoln: And we didn't gamble, we won the games fair and square.

Paige: And win, we sure did.

Applejack: Hoowee, that's right, Paige.

Lincoln: And this is all going inside the vault.

Lincoln and his harem put their winnings inside the vault, and it was locked up tight.

Sonic: Wow, you guys sure had a lot of fun there, Lincoln.

Tails: And I hope you didn't run into Eggman's robots there, did you?

Girl Jordan: Don't worry, Tails, we didn't.

Nico: That's good. But, wait, we destroyed all of Eggman's robots two years ago when Eli and J.D. 3 came to our world.

Eli: That's right.

Sonic: But, even after we sent him to jail, his robots are still running loose, so if we see them, we'll dismantle them.

Nico: You got that right, Sonic.

* * *

Later it was time for Stella of Solaria's first ever Ambassador Mission and we're going to meet the Kiva Kamen Riders.

William: Anyone else want to come with Stella? Besides 4 Rabbids and Scott?

Brittney: Me, Lucy, Haiku, Carly, Misty, Natasha Hernandez and Hiei can go.

Tori Meadows: And I want to go give it a shot myself because I am one of the Female Duelists that doesn't have an archenemy.

Nico: Fair enough. But this is gonna be incredibly dangerous. The Fangires are not like the Imagin, Worms or Makamou. They are like vampires and they pack a wallop.

Stella: We're ready for them.

Hiei: The Fangires are no match for us anyway.

Eli: Well this is gonna be awesome.

Nico: Yep. Lets head out.

We were off to Japan.

Flying over the ocean was us.

Nico: You guys have to understand though. The Fangires are dangerous creatures and they will kill you by sucking out your soul.

Me: Yeah. And they are really foulmouthed too.

Nico: Yep. And that's what I am ready for.

Eli: Same with me.

Me: Yep.

We flew to Japan.

Stella was walking around.

Then Wataru saw her.

Wataru: Excuse me, miss. But I don't think I've seen you around here before.

Stella: Oh you must be Wataru. We've been trying to look for you. My name is Stella and I'm the Princess of planet Solaria.

Wataru: Wow it's an honor to meet you Stella.

Me: She is with us.

We came out.

Me: (Speaking in Japanese) ワタルお会いできて光栄です。(Wataru it's an honor to meet you in person.)

Nico: We are Team Loud Phoenix Storm and it's awesome to meet you.

Wataru: Wow! It's a great honor.

Brittney: I'm Brittney Knudson and these are some of the Goths of Darkness.

Lucy Loud: I'm Lucy Loud.

Haiku: I'm Haiku.

Carly Atlas: Carly Atlas.

Misty Tredwell: Misty Tredwell.

Natasha Hernandez: I'm Natasha Hernandez.

Me: And these are some of the team.

Hiei: I'm Hiei of the Jagan.

Scott: Hey. I'm Scott Truman. I'm the leaser of the RPM Rangers.

Me: You may know them as the Go-Onger's.

Wataru: Wow it's an honor to meet you all.

Me: We saw you help us in the world of Beauty and The Beast during the 20 Days of Darkness.

Stella: I'm just glad you didn't mistake me for a Fangire and attack me.

Wataru: Why would I do that?

Stella: Well, every first Kamen Rider Ambassador mission involved my Toa friends getting attack after being mistaken for an enemy.

Wataru: I guess it's because Toa aren't exactly human.

Nico: That's a good relief there.

Eli: Yeah no kidding. That has happened to us 3 times in a row.

Me: That was crazy.

Carly Atlas: Yeah it sure has.

Scott: (sighs) And these 4 are Rabbids.

Me: The Rabbids are funny but they are also not the brightest light bulbs in the closet if you know what I mean.

Wataru: I see what you mean.

Keisuke Nago then came.

Keisuke Nago: Hi. I'm Keisuke Nago. Otherwise known as Kamen Rider Ixa.

Nico: Pleasure to meet you.

Me: 名護啓介、はじめまして。(Pleasure to meet you Keisuke Nago.)

Nico: I hope we get to destroy some Fangires.

Brittney: Yeah these monsters give all vampires everywhere a bad name.

Wataru: Wanna see our base?

Winx Club Stella: Sure.

We went to the base of the Kiva Kamen Riders.

Nico: Do you have a partner named Kivat?

Kivat then came.

Kivat: Someone call?

Nico: Wow!

Lucy Loud: Wicked. I think you are amazing.

Natasha Hernandez: I think this is awesome.

Kivat: Team Loud Phoenix Storm it's an honor.

Nico: Same here.

Me: Yeah.

Nico: It's really awesome that you became the Fangire King and ensure that the Demon Races could live in peace with humans.

Eli: That is really cool!

Wataru: It sure is awesome.

Kivat: Yeah I think it's awesome too.

Me: I just can't believe that the Fangire were that way. They gave all vampires everywhere a really bad name.

Nico: No kidding.

Me: But what was really cool however Wataru is how you have the power to turn into forms based on the great monsters of horror. Dracula, The Wolfman, The Creature From The Black Lagoon and a bunch more.

Wataru: Awesome huh? But did all that happen to you during the 20 Days of Darkness?

Nico: It sure did.

Keisuke: We really am sorry that the 20 Days of Darkness happened. But 20 days is better than an eternity of Darkness.

Nico: You're not kidding there.

Me: Yeah that was awful. But we owe you guys for helping us in the world of Beauty And The Beast.

Wataru: Aw it was no problem.

Hiei: That was amazing that you helped us in that time.

Me: Yeah Gaston is now gone for good. Cursed forever.

One of the Rabbids tried to eat a Fuestle.

Nico: No! That's for whistling, not for eating!

Me: See they are not the brightest guys.

Eli: Yeah but they are funny.

Brittney: Yeah they sure are.

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Scott: (Hears an explosion) I just hope that explosion hasn't killed anyone!

Nico: That explosion can only mean one thing. Fangire attack.

Me: Time to stab those douchebags with stakes.

Brittney: I hope they like the taste of holy water.

Carly Atlas: It's not gonna be good for them.

Wataru: Lets go get them.

Keisuke: So, which of our "old friends" is back from the grave?

Nico: Lets find out.

We then saw Spider, Octopus, Prawn and Crab Fangires!

Nico: Whoa man!

Octopus: You guys are gonna be tasty for us.

Me: Three words for you: FUCK YOU ASSHOLES!

I flipped the bird at him.

Octopus: WHY YOU MOTHERFUCKING BASTARD!

He came at me and I teleported and kicked him down.

Me: Up your fucking nose with a fucking rubber hose.

Nico: Boy they really do have rotten mouths.

Wataru: Yeah no kidding.

Scott: RPM, Get in Gear!

Wataru and Keisuke: Henshin!

Scott transformed and he was ready!

Scott Truman: GET IN GEAR! RPM RED!

Wataru and Keisuke transformed too.

Tori Meadows and Prawn Fangire will be perfect to test in my first usual battle.

Tori spread butterfly wings and she flew at him and kicked him in the face!

Brittney: You buttfaces give all vampires everywhere a bad name.

Crab Fangire: Shut up bitch!

Brittney: Fuck yourself!

Brittney fired a blast of darkness fire and blasted him down.

Stella: You guys…

Nico: ..obviously don't

Me:… know who

Scott… you are

Wataru: (catching)… FUCKING WITH! (to us) Did you really have to put me on the spot?

Me: What? It was really good.

Eli: Yeah.

Hiei: But it's time for these fools to understand who they are messing with.

Winx Club Stella: Wataru, would you do the honors first?

Wataru: Gladly.

Octopus Fangire: You wouldn't hurt a lady, would you?

Me: A lady? No. Free a lady from you? YES!

I fired a wave of rainbow lightning and it hit the Octopus Fangire and freed the body and soul of Hitomi Miyazawa.

Wataru: Hitomi Miyazawa!

Nico: Nice one!

Me: Yeah!

Octopus Fangire: YOU BASTARD!

Me: FUCK YOU BITCH!

He slashed Octopus Fangire all over with his sword and kicked her all over.

Eli: Time for this freak to go. SPIRIT SWORD!

He formed a sword of energy!

Eli then slashed Octopus Fangire all over the place.

Eli: Chew on this one! SWORD OF THE DARKNESS FLAME!

Eli formed a sword of pitch black fire and slashed Octopus Fangire and destroyed her!

Nico: YEAH! One down.

Keisuke: My turn!

Keisuke blasted Crab Fangire all over.

Nico: Yeah!

Brittney: Lets see how they like this.

Brittney fired waves of darkness and blasted Crab Fangire all over.

Carly Atlas: Time to send these monsters back to hell!

Nico: Lets get him!

Nico and Misty kicked Crab Fangire all over and smashed him down.

Crab Fangire: YOU MOTHERFUCKING ASSWIPES!

Nico: I know you are but what am I? FUCKFACE!

Scott: And then there was one!

Prawn Fangire: One's all it's gonna take to mop the floor with you fuckers!

Nico: Your mother owns a pickle wagon!

Tori Meadows blasted the Prawn Fangire all over.

Tori Meadow: Time to free the one you were disguised as!

Tori fired waves of rainbow energy and freed Count Inukai!

Nico: Count Inukai!

Vypra and Dark took Prawn Fangire away.

?: Don't forget me!

Sheep Fangire appeared!

Nico: Well it looks like we're going to use our finishers on you.

Me: But first this.

I fired a wave of energy and freed Noboru Kuramae.

Winx Club Stella fired beams of light and they hit Sheep Fangire all over the place.

Scott: Street Saber Strike!

He fired a blade of energy.

Wataro and the Kiva Kamen Riders got the Full Moon and Crescent Moon ready and they fired waves of energy.

Me: DRAGON OF THE DARKNESS FLAME!

Hiei: FIST OF THE MORTAL FLAME!

Brittney: STORM OF TORMENT!

Eli: SPIRIT GUN!

Winx Club Stella: SUNSHINE LASER!

We fired waves of energy and then the blasts all hit Sheep Fangire and obliterated him.

Nico: What a fucking yutz.

Me: Those 5 Fangire have failed this universe.

Nico: Yes they sure have. They are as dumb as Beanie the Braindead Moronic Bison.

Carly Atlas: Yeah they were stupid. Their mouths were as bad as their tempers.

Tori Meadows: But at least I now have my own archenemy.

Hiei: They weren't that much of a challenge though. They were fools.

Haiku: Yes they sure were.

Wataru: Awesome work, Stella. Next time, we'll make you an official Kamen Rider.

Winx Club Stella: Awesome! I am looking forward to it.

Me: I have a feeling it will be a cool one.

Nico: Angel Kamen Rider looks awesome.

Eli: Ooh not bad.

Me: Maybe all of the Winx Club can get awesome Kamen Rider Kiva forms.

Nico: Good call there.

Later we came back.

May: How did it go guys?

Me: Killed 4 Fangire and got one sent to the M.O.E.

We told everyone everything and it was awesome.

May: WHOA! That is awesome!

Twilight Sparkle: Boy it sure is.

Sam S.L.: No kidding but that was great dudes.

Luna: Yeah you said it. Sam and Twilight are both almost fully better dudes.

Nico: That's good.

Me: Glad to hear that.

May: Next time, Tracer should go with you.

Tracer: (British Accent) It'll be a great honor.

Me: This will be their first time meeting a member of Overwatch.

Laney: It sure will.

---

Later we were walking to a Drive In Movie Theater.

Sailor Saturn: There have been recent reports of laughing coming from one of the cars for the last few hours.

Me: Probably some kids making out and laughing hysterically as they are making love.

Nico: (LAUGHS) Funny. But that would be stupid.

Eli: Yeah.

Sailor Saturn: It's coming from a drive-in theater.

Me: Well we better check it out.

We pulled up to a Chevrolet Volt.

Palutena: Whoever you are, step out of the car immediately.

Laney: Yeah!

Car: (LAUGHS HYSTERICALLY)

He was laughing hysterically at the Nutty Professor with the farting Dinner Scene!

Mama Klump: Everytime we have a meal you start breaking gas. Don't break gas and destroy our meal!

Papa Klump: Don't tell me to stop! You were the one who brought up colon cleansing and all that mess!

Mama Klump: I did not say anythin' about breakin' gas, I said that I was gonna get my colon cleansed!

Papa Klump: Oh, so you can talk about puttin' a tube up somebody's ass, but I can't break wind.

Mama Klump: I didn't say nothin' about puttin' a hose up somebody's ass, Cletus.

Papa Klump: Well what do you think a colonic is? You think you run yo' asshole by the car wash?

Mama Klump: You're chokin' the baby! (Ernie Jr. spits out food with laughter]

Papa Klump: Look, as long as I pay the bills, I can do what I want at this table. Case in point; [farts]

WE LAUGHED!

Grandma Klump: Who did call my name?

Papa Klump: I'll call you if your name is (FART) (LAUGHS)

Grandma Klump: Making fun of me. (Holds up a knife) I'll toss this between the crack of your ass.

Papa Klump: Yeah you know I can go all night. (FARTS)

Mama Klump: I hope you fart until your asshole falls off!

FART!

LAUGHING HYSTERICALLY!

BABY FARTS

Mama Klump: Oh baby too!

WET FART!

Papa Klump: Oh see what you made me do!?

We were laughing hysterically!

Car: OH THAT IS FUNNY!

Nico: Wait a second! That's Jolt of the Live Action Universe.

Live Action Jolt: Bout time someone found me.

He transformed.

Offroad: So, do you have any abilities?

Live Action Jolt: Let me show you.

Live Action Jolt got out electric whips and electrocuted Barricade with them, knocking him down.

Live Action Jolt: Any last words, Barricade? Because you're about to join Brawl and Bonecrusher in the All Spark!

Barricade: (groans dazed) I'm a little teapot, short and stout. Here is my handle, here is my-

Live Action Jolt: (weirded out) Okay, forget the last words!

Nico: Jolt that's enough!

Live Action Jolt: I will take no orders from a human!

Nico: Oh I'm more than a human.

Nico showed his Decepticon Leadership Medal.

Live Action Jolt: A Decepticon Leadership Medal! How did you get that?

Nico: Long story on that but you were killed in your universe by Shockwave.

We told him everything and more.

Live Action Jolt: I just hope Optimus and the others are ok without me there.

G1 Sideswipe: Well, they're actually doing very better than when Starlight and the others first met them.

Nico: He's right. But soon Cemetery Wind will be a forgotten memory and Megatron and Starscream in your world too. There's only room in the universe for one version of Megatron.

Laney: That is for sure.

Dusk: How'd you like the movie?

Live Action Jolt: It was the funniest one ever! I never laughed that hard in my life!

Nico: That always was a great movie.

Laney: Yeah it sure was.

Vinyl Scratch: It sure was awesome.

Potion Nova: We all think so too.

Live Action Jolt: Don't you guys have any good memories of kicking Decepticon ass during the wars in your worlds?

Brawn: Well, I did enjoy using Megatron's fusion cannon against him.

Aligned Bulkhead: And I enjoyed tearing apart many Vehicons.

Animated Bumblebee: And I loved making Blitzwing turn into his tank mode and crash into the water by taunting him.

Nico: Those were awesome times.

Me: Yeah they sure were.

Eli: Guys Benson called and there's a DJ Concert going on in the park.

Nico: We better check it out.

Me: Yep.

Then Baron Mordo, Drakkon, Myotismon, Roman, Rex, Devack, Greiger, and Kalin appeared.

Baron Mordo: Carly and Misty are here with you all. But can me, Drakkon, Myotismon, Roman, Rex, Devack, Greiger, and Kalin go with you guys?

Nico: Yeah you all can. It's gonna be awesome.

Laney: Yeah.

Long Haul: Boss, which Gene Slammer do you think you'll meet on your next rescue?

Nico: I'm hoping to meet one for an Evolved Polar Manzardill next time.

Me: Ooh a cold one. One for Ultimate Arctiguana's kind next.

Shanan: A gene-slammer for that one is gonna be a cold one.

Lana: So it'll be the ice users next.

Me: Yep. Shoto can come with if he wants.

Shoto Todoroki: It would be an honor.

Me: Awesome. Or it can be another one of us that knows ice.

Greiger: I get the feeling that Mordecai and Rigby are familiar with what's gonna happen today.

Nico: I got that same feeling too.

Vinyl Scratch: My music says that it's a very familiar enemy they know.

Hina Amano: I have this feeling you're right Vinyl.

Eli: The Force is telling me that too.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal, and he saw who the figure was in the vision: it was none other than the Brain Golem, the giant one-eyed tentacled brain from the videogame Gradius, and it's here to cause havoc. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is there someone else coming after us?

Lincoln: Afraid so, Nico, and none of us are going to like it one bit: the dark energy signal I sensed belonged to the Brain Golem, the giant one-eyed tentacled brain from the videogame Gradius, and it's here to cause havoc.

We gasped in shock.

Me: Oh man, I haven't played Gradius in a long time, and that Brain Golem is one ugly monster.

Nico: Yeah, a brain with only one eye and two tentacles. Sheesh, this is going to be one wild battle with that monster.

Iyana the Earth Faerie: Indeed, but it'll be the first and last time we deal with him.

Lincoln: That's right, in fact, when Iyana and I get done pulverizing him, I'm going to use my tails to drain it completely dry.

Nico: A serious case of brain drain to kill the Brain Golem, ooh, that's a good one, big guy.

Me: Same here.

Nico: Alright, everyone, let's go.

With that we were off to the park.

---

We arrived at the park.

Strike Man: Here we are.

Nico: Looks just as awesome as ever.

Laney: It sure is.

Judy Shepherd: It sure is awesome.

Lily: It sure is. I hope Benson, Mordecai, Rigby and everyone are all okay.

Kalin: I hope Hotel California by the Eagles is played.

Nico: That is a great song.

Me: That is one of my moms favorites by the Eagles. May Glenn Frey rest in peace.

We took off our hats and put our hands on our chests in respect for the great Glenn Frey.

Nico: Glenn Frey was awesome.

Laney: Yes he was.

Sam S.L.: That is right.

Quake Woman: Hey, Benson!

Benson: Hey guys! Glad you could make it.

Mordecai: Wait! Judy is that you?

Rigby: Wow! You look amazing! What happened?

Judy Shepherd: Got a new look from a treasure hunt during Nico's rescue.

Nico: Yep.

Carly Atlas: We also met another Autobot.

Live Action Jolt: Name's Jolt. Awesome to meet you all.

Nico: Jolt is one of the Autobots from the Live Action Universe.

Laney: He is a Chevy Volt.

Benson: Wow! That is amazing.

Me: It sure is.

Benson: I heard you guys have been very busy meeting awesome new gene-slammers and going on awesome rescues and all that.

Me: We sure have. And a couple of weeks ago we went to the world of My Hero Academia and destroyed All For One.

Laney: That was so awesome and epic.

Mordecai: Wow!

Blaster Tron: Scanning for any suspicious activity.

Nico: Lets keep our wits up.

Mordecai: While Blaster Tron scans how about you tell us how the world of My Hero Academia Mission went down?

Nico: Sure.

Nico told them what happened and more during Nanette's Ambassador Missions and also during the big mission. When he was done they were amazed.

Mordecai: Wow! That is incredible!

Rigby: Wow! You guys had a big mission on that one!

Skips: Yeah that was awesome.

Lana: That was a cool mission.

Devack: We've also encountered a few Kamen Riders.

Nico: Yep and those are awesome Ambassador Missions so far. We're on Kiva right now.

Me: Yep. This is set 4 of the Kamen Rider Ambassador Missions.

Eli: It's so much fun.

Mordecai: That is so awesome!

Muscle Man: Boy it's a darn shame that Kamen Rider didn't get adapted in America.

Lana: Yeah what a rip!

Muscle Man: Who know who else thinks that's a rip?

Lola: We know what is coming here!

Muscle Man: MY MOM!

We laughed!

Camie: Uh I don't get it.

Me: We don't either. But his jokes are awesome.

Threatpack: Mordecai, does this seem familiar to you at all?

Mordecai: Yes it does! It reminds me of when we faced K.I.L.I.T. DJ 3000!

Me: K.I.L.I.T. DJ 3000? What's that?

Muscle Man: You would not like this machine one bit bro.

He told us about it.

---

K.I.L.I.T DJ 3000 appears as the main antagonist in the episode "K.I.L.I.T. Radio". It is a supercomputer with a female voice which is introduced by a bunch of top executives to cut budget costs.

On August 4, 2:14 P.M. EST, the computer became self aware and control of the station and all the equipment scaring away all the DJs- except for Donny G., whom it keeps hostage and forces to work as a janitor. When Donny helps Muscle Man, Rigby, and Mordecai sneak into the station in order to play a song on the radio, the computer starts attacking them. The group reaches the broadcasting room, and when Donny tries to play the song, the computer threatens to kill him off. Donny keeps going, even when the computer launches a record at him and punches a hole in his body. Finally, when Donny inserts the tape and turns on the broadcast, the computer activates its self-destruct sequence, destroying itself and the station.

---

When he was done we were shocked!

Me: WHOA MAN!

Nico: That is very familiar! It's like Skynet but without the making of robots to destroy humanity.

Me: Yeah! That is so strange!

Misty Tredwell: You don't think it's planning a comeback, do you?

Nico: If it is then we're in a lot of trouble.

Vinyl Scratch: My music is telling me that it is planning a comeback.

Luna Loud: It's the same with me dudes.

Sam S.L.: I feel the same thing dudes.

Eli: The Force is telling me that too.

Blaster Tron: Sensors indicate the K.I.L.I.T. DJ 3000 is operating to initiate a full operational return.

Drakkon: Do we go to its' base like you guys did last time?

Mordecai: At K.I.L.I.T. Radio? Yes we do.

Me: That is not gonna be easy though.

I pulled up a hologram of the KILIT Radio Building and it showed that it had cameras all around it and it had a bunch of Power Rangers Foot Soldiers all around the building perimeter. The only way to get in it was by going under it.

Tussle Sprout: Should we dig a hole?

Nico: We should.

We got to digging.

Ed: Dig a hole. Dig a hole, dig a hole, dig a hole, dig a hole.

Nico: Yeah.

Rex Goodwin: So, the concert was a trap?

Muscle Man: That's right Rex.

Applejack: Why that hornswoggling hunk of junk!

Apple Bloom: Yeah! What a hornswoggling piece of junk!

Laney: Yeah!

Hood Sickle: They won't even see us coming.

Nico: Nope. Perfect ambush.

Me: We should just about there.

Lola: Look what I found!

Lola found a big buried suitcase full of jewelry and jewels!

Nico: Wow! That must be a heist from years ago. Hold on to that so we can give it to Sheila and Tom later on Lola.

Lola: Okay.

She held on to it.

Roman: Now, what connections does a heist have to do with this?

We shrugged.

Me: You just never know what you can find underground.

Nico: That's true.

Pam: Let's worry about it later.

We nodded and continued on. Then Nico hit a floor tile.

Nico: I think I found a floor tile.

Me: Scans shows that we are right underneath the radio station.

Nico: Awesome.

Myotismon: This is the place.

Nico: Yep.

Me: Wait Nico. We better make sure no security cameras are there.

Nico agreed and used X-Ray Vision to peak out and then he found a bunch of them.

Nico: There's lots of them all over. We'll be spotted very easily.

Bentley: I got this. I'll hack into the system and disable it.

He went and disabled the system with ease from his computer.

Bentley: System disabled.

Nico: Awesome.

Nico popped up his head and we came out.

Mordecai: The machine is above us.

Nico: Okay.

Tania: Entrance time.

Nico: Lets do it.

We flew up and plowed through the ceiling.

K.I.L.I.T. DJ 3000 was really working hard but then the spirits of the Dark Signers, me, Nico, Eli and the Leaders of the pack swirled around it and then converged and then…

THUNDERCLAP THUNDERCLAP THUNDERCLAP THUNDERCLAP THUNDERCLAP!

Massive lightning strikes hit everything for the K.I.L.I.T. DJ 3000 and short-circuited much of its equipment and then a thunderbird cry was heard and we came out.

Nico: Time to pull the plug on you!

K.I.L.I.T. DJ 3000: Team Loud Phoenix Storm! Welcome.

Mordecai: You're not going to get anymore songs in!

Maria: That concert you're planning as a trap? Not gonna happen!

Nico: Yeah! You are not using that concert for that!

Eli: Ever!

Eli fired a blast of Force Lightning and short circuited some of its Equipment.

Then Metal Sonic, Vreedle Brothers, Duff Killigan, INSTIGATOR, Carmen Dillo, El Oso, Kaos, Tchang Zu, Dr. Starbolt, Hades Beast Specter, King of Flan, Copperhead, Femme Fatale, Robo Roxy and Prawn Fangire appeared.

Nico: Metal Sonic, Vreedle Brothers, Duff Killigan, INSTIGATOR, Carmen Dillo, El Oso, Kaos, Tchang Zu, Dr. Starbolt, Hades Beast Specter, King of Flan, Copperhead, Femme Fatale, Robo Roxy and Prawn Fangire.

Metal Sonic: So, the whole concert was a trap, huh?

Maria: Unfortunately.

Nico: Yeah.

INSTIGATOR: What a ripoff!

Me: HEY! That's my line for unadapted Power Rangers Monsters.

Rhomboid: I hope you blow up that sorry excuse for a radio station real good!

Nico: Oh don't worry we will.

Duff Killigan: (to Nico) We heard you found another sword.

Nico: Not a sword actually. It's a Staff.

Carmen Dillo: Who pulled it out this time?

Judy Shepherd: I did.

Carmen Dillo: Dios mio! Wow! You look amazing Judy.

El Oso: (Spanish Accent) Muy caliente!

Bowling Org then appeared for Round 2.

Bowling Org: (to Izuku and his friends) You guys know how to bowl, right?

There's a green kanji below the Earth faerie that said, "Iyana the Earth Faerie, Earth Faerie of Neopia, Vanquisher of The Darkest

Faerie, Dear Friend of Neopia's Many Heroes, Loving Future Wife of Lincoln Loud, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Plants and Earth Faeries."

地球の妖精イヤナ、ネオピアの地球の妖精、最も暗い妖精の先駆者、ネオピアの多くの英雄の親愛なる友人、リンカーン・ラウドの愛する未来の妻、悪の殺し屋、狂った、殺人、冷酷、そしてサディスティックな野郎、驚くべき強力な教師の驚くべき強力な学生、そして植物と地球の妖精のマスター

Iyana the Earth Faerie has transformed into SUPER ANGEL INFINITY TRUE LOVE FOREST EARTH FAERIE OF NEOPIA JUSTICE AND MAGICAL LOVE!

We were amazed by Iyana the Earth Faerie's Super Angel Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when the Brain Golem saw it, it tried to fire laser blasts from its hands, but Iyana the Earth Faerie fired a powerful blast of green energy with earth faeries and magic, and it hit the giant brain alien, and tied him up in green vines so strong, he couldn't get out.

Nico: Wow, Iyana the Earth Faerie's transformed.

Me: That's so awesome.

Lincoln: Wow, Iyana, you look beautiful. How do you feel?

Iyana the Earth Faerie: (Divine Echoing Cosmic Voice of the Forest Earth Faerie and Divine Love) **I feel incredible, Linky. Now, shall we put an end to the Brain Golem once and for all?**

Lincoln: (Smiles) With pleasure, Iyana.

Lincoln unholstered his massive Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Iyana the Earth Faerie.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Let's get that giant brain alien.**

Lincoln and Iyana the Earth Faerie went after the Brain Golem, and they fired powerful blasts of rainbow energy, green energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Earth Faeries, at the Brain Golem, and they exploded with incredible power as they hit the giant one-eyed brain alien. Then, Lincoln attacked him with his massive Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds, and left painful scars on it, and Iyana the Earth Faerie fired powerful green energy blasts from her staff, and it hit him.

Then, Lincoln sprouted his eleven long, massive, and powerful white werewolf tails, but this time, instead of the eleven large wolf heads, they had Cell's suction stingers on them, and Lincoln sent them, and after he stabbed them into the Brain Golem, he began sucking out and absorbing the Brain Golem's bio-energy, and his rainbow energy aura with Thunderbirds, Buffalos, Phoenixes, Angels, and elemental forces flared up as he was gaining a massive power boost as he made the Brain Golem's powers his own. Suddenly, we saw the Brain Golem was starting to shrivel up as Lincoln continued to absorb its bio-energy, and then, there was nothing left of the Brain Golem as Lincoln absorbed it into his body, and his tails sank back into his body. We cheered wildly for what Lincoln and Iyana the Earth Faerie did as they holster their weapons and power down, and Iyana the Earth Faerie's new body, clothes, weapons, jewelry, and massive fairy wings are permanent.

Iyana the Earth Faerie: That's it for that monster. Thank you for helping me take care of that zombie, Linky.

Lincoln: (Smiles Warmly) You're welcome, Iyana.

Suddenly, Iyana the Earth Faerie wrapped her arms around Lincoln's waist, and it brought an atomic blush to Lincoln's face, as he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into an embrace, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Iyana the Earth Faerie's face, they kissed passionately as Iyana the Earth Faerie wraps her left arm around Lincoln's wider and muscular back, and she placed her left hand on Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Earth Faerie flying in the air, and we also saw a herd of Buffalo running across the field, along with plants growing around them, and the display of the elemental forces behind them, and we cheered for them.

Nico: Whoa.

Me: Now, that's awesome. Not only did we see another awesome display from Lincoln and one of his future wives kissing, but we've also seen a display of the elemental forces from the Faeries of Neopia when they and Lincoln kiss.

Eli: That's amazing.

Nico: It sure is.

Me: It was awesome.

Nico: Yeah it was. Lets go home.

Rainbow Dash: (To the viewers) Music is great! But it's what comes from your hearts that makes a really awesome and great song.

Nico: That is true.

We went back home and enjoyed the rest of the day and then went to sleep.

THE END

Another awesome fanfic done.

This chapter was based on the Regular Show episode KILIT Radio and that was a great one. It had some very strong similarities to the Terminator Movies minus the bits that were destroying everything and everyone and all that and it was cool! It aired on Earth Day or

April 22nd, 2013 and it was really awesome! The first part of the chapter was an awesome treasure hunt! It was awesome! The Second part was for the Indiana Jones movie called Raiders of The Lost Ark and that was a wicked awesome movie! The ending where the Nazis looked into the Ark and had their faces and bodies melted was awesome and one of the most gruesome scenes ever! NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, EtstheClarenceandTLHfan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Nico's next rescue is gonna be a really awesome and cool one as Nico, Nuju, Applejack, May, Maria, Varie, me, Eli, Kaina Tsutsumi, Camie, Himiko, Ibara, Sirius, Tsuyu, Ochaco, Lincoln, Lana, Lola, Lisa and Lily go on an awesome fight in the world of Shrek against Fairy Godmother and her cronies and take down her evil Xenophobic ways for good! We're also going to meet an Evolved Polar Manzardill gene-slammer named Amelia Waverley. Amelia is Nico's friend from North Pole, Alaska and she is both smart and awesome in dogsledding. She loves huskies and malamutes. She went to Nico's school and was also giving pet therapy classes too. She also was in Nico's metalworking classes and she did a lot. Next for Lincoln's rescue we're going into the world of the episode of Looney Tunes called Drip-Along Daffy and we're going to take down Nasty Canasta and Lincoln is gonna show his immunity to poisons by drinking drinks made with Cobra Fang Juice, Old Panther and Hydrogen Bitters and that is gonna be awesome! Also they are going to recruit Nasty Canasta into the M.O.E. And they are going to meet a gene-slammer for Number 87: Queen of The Night named Carly Morgan and she is Lincoln and his sisters friend who has a REALLY DARK PAST from a massively traumatic experience that happened from her mother who is insane. The next chapter is gonna be where we go back to the planet Ra'Dos and we're going to face Lady K'tahsh. We're going to make that monster bitch pay for her crimes.

---

The Fairy Godmother is the main antagonist of Shrek 2 and the posthumous overarching antagonist of Shrek the Third. She is also briefly mentioned in Shrek Forever After.

Just like in her origin story, the Fairy Godmother is a magical fairy. However, her personality is different from her classic counterpart's personality. She is also the mother of Prince Charming. She originally made a deal with King Harold to have Charming rescue Fiona from the Dragon's Keep and free her from the curse which makes her turn into an ogress by night, but her plans were foiled when Shrek and Donkey rescued Fiona before Charming could arrive.

In the film, she was voiced by Jennifer Saunders, who also played Other Spink in Coraline. In the video-game, she was voiced by Claudia Christian, who also played Helga Katrina Sinclair in Atlantis: The Lost Empire.

Years before the events of Shrek 2, Princess Fiona's parents, King Harold and Queen Lillian ask the Fairy Godmother to help their cursed daughter Princess Fiona get rid of her curse. Fiona was cursed by a witch, causing her to turn into an ogre every night and return to human form at sunrise. The Fairy Godmother told them to lock her away in a dragon-guarded castle where she would be rescued by her son, Prince Charming, who was supposed to kiss Fiona and break her curse.

Years later, during the events of Shrek 2, the Fairy Godmother is first seen physically when Fiona goes to her bedroom balcony and cries because her father King Harold was not pleased that her new husband Shrek was an ogre, her tears supposedly calling to the Fairy Godmother. Arriving, the Fairy Godmother is surprised to learn that Fiona matured. She decides to show her powers to make her pretty, but Fiona refuses kindly, much to the shock of her furniture. When Shrek and Donkey enter, Fairy Godmother discovers that Shrek is Fiona's husband much to her confusion. Before she could leave, she reminds Fiona that if she should ever need her, happiness is just a tear drop away, handing her a card Shrek swipes from her angrily, replying that they all the "happiness" they need. To learn more, she picks up her son and goes to take Harold for a ride in a carriage. They both confront the king, revealing that Charming travels a long distance by horse to the Dragon's Keep to rescue Fiona. To his shock, he finds the Big Bad Wolf in her bed instead who tells him that Fiona has already been rescued and is on her honeymoon. The trio stop by Friar's Fat Boy. The Fairy Godmother is seen to order two Renaissance Wraps, no mayo, and chili rings, while also offering King Harold curly fries or a sourdough soft taco, both of which he refuses. Prince Charming requests a Medieval Meal, which comes with a paper king's crown and a free battle-axe. The Fairy Godmother states that Fiona and Charming will be together which is what's best best for both his daughter and his kingdom. After they drop king Harold back to the castle, he asks what he should do about it. The battle-axe is later given to him. The Fairy Godmother demands him to use his imagination and returns to her cottage.

Fairy Godmother is later seen again when Shrek, who had a fight with Fiona after Fairy Godmother left the Far Far Away castle, visits her cottage with Donkey and their new friend Puss-In-Boots, which to their surprise is actually a large factory where she manufactures spells and potions. They walk in on her while she's brewing a love potion singing her same song, which included "a drop of desire, a pinch of passion and just a hint of lust". When Fairy Godmother see Shrek, Donkey, and Puss, Shrek ask her to help him with Fiona. However, she spites him by saying that ogres don't live happily ever after. Before Shrek leaves, he steals one of her potions, the Happily Ever After potion to be specific, and causes a giant mess. After Fairy Godmother learns that Shrek stole the Happily Ever After potion, she realizes that she could use it to her advantage.

The following day, after Shrek (and Donkey) have drunken the potion and Shrek has become a handsome human, Donkey has become a stallion, and Fiona has become human again, Fairy Godmother and Charming go to the castle where Charming poses as a transformed Shrek while the Fairy Godmother prevents the real Shrek from finding Fiona and then makes him witness a "moment" between Charming and Fiona, making him believe she's fallen for Charming. She uses his grief to seemingly gently convince him to stop living in a fairytale, and that if he truly loves Fiona he'll let her go. The plan works but is blown when Shrek, Donkey, and Puss see her, Charming, and Harold at the Poisoned Apple tavern.

When Charming complains that Fiona is not warming up to him, Harold wants to call the whole thing off, declaring that you can't force someone to fall in love. Undeterred, the Fairy Godmother gives Harold a love potion she was working on earlier and orders him to have Fiona drink some of it, saying it will make her fall in love with the first man she kisses, and to make sure it is Charming. At first, Harold refuses, but Fairy Godmother then blackmails him by reminding him that she helped him with his happily ever after and that she can take it away just as easily, making Harold give in. Then, when Charming calls her his mother, they hear Donkey shout, "Mother?!" and look outside to see him with Shrek and Puss, the three of them having heard the whole plan. Realizing the jig is up, the Fairy Godmother calls the trio "Thieves", bumps into the Headless Horseman and has them arrested and imprisoned while she and Charming attend the royal ball.

She then notices Fiona is not going for Charming (who's still under the impression he's Shrek) because of his behavior. She then declares to dedicate a song to Fiona and "Prince Shrek" and sings "Holding Out for a Hero," causing Fiona and Charming to dance. The plan almost works until Donkey, Puss, and the real Shrek arrive, having been rescued by Shrek's fairytale friends. They fight over her over the Fairy Godmother's wand. Fairy Godmother quickly orders her son to kiss Fiona, telling him she's already taken the potion, but after Charming kisses Fiona, she headbutts him, revealing Harold didn't give Fiona the philtre, after all. Charming manages to recover and then grabs his mother's wand out of Puss's paw and throws it to her.

Enraged, the Fairy Godmother turns to Shrek and Fiona, exclaiming a final foolish belief message directed at Shrek, "I told you ogres don't live happily ever after!" She then unleashes a purple death ray from her wand as soon as the ray is about to hit Shrek. King Harold jumps in the way and then the spell reflects off the armor he is wearing, and hits the Fairy Godmother. At first she seems unharmed, but as she prepares to attack again, she suddenly bursts into nothing but bubbles and sparkles, leaving only her damaged glasses and wand, which dims out along with her life, thus proving its actually villains like her who truly don't live a happily ever after.

Nico: I can't believe that the Fairy Godmother is back.

Eli: She doesn't know when to quit!

Lana: No she doesn't!

Nico: Thanks for coming with me, Nuju.

Nuju: Anytime Nico. This is gonna be awesome to face the Fairy Godmother again.

Camie: I heard about this version of the Fairy Godmother and she is bad news.

Kaina Tsutsumi: Yeah she sure is bad.

Nico: Nuju, your missions won't be immediately after Stella's. But I promise they will be in May.

Nuju: And I know where I'm going too. I'm going to meet the W Kamen Riders during that time and I'm looking forward to that one.

Eli: Boy me too. That one is where he can use 2 forms at once and use the powers of the elements in the forms of those awesome chips.

Me: Boy that one was so cool! I loved how Philip and Shotaro were both using one body in that one. That took a lot of coordination.

Eli: Yeah no kidding.

Nico: Yep that one was neat.

Camie: It sure was cool.

Kaina Tsutsumi: It sure was awesome. And those monsters they faced were made from chips.

Lola: Yeah they were scary!

Lily: But the sword we saw was awesome and J.D. used that.

Nico: Kinda like how me and Salem shared the same body before I helped get her out

Eli: Very much so.

Tsuyu: That is amazing that Salem lived inside you before she came out.

Me: Yeah but we found out some very interesting things about her.

I went over Salem's history.

---

Salem is the main antagonist of the American animated web series RWBY. She leads a group of people with malicious plans, with her goals being to divide and weaken the people of Remnant, then collect the four Relics and summon the Gods so they will finally end her immortality.

She is voiced by Jen Taylor, who also voiced Cortana in the Halo series.

In a time before the world was Remnant, Salem was a human woman locked in a tower by her cruel father. One day, she was rescued by a brave knight named Ozma. The two fell in love and spent their life together until Ozma fell deathly ill and passed away. Desperate to bring back her lost love, Salem met with the God of Light to beg him to bring Ozma back, but the God of Light refused in order to maintain the balance of life and death.

Seeing no other hope, Salem turned to the God of Darkness for help. The God of Darkness, thinking he has a worshiper and follower, agreed to her request. However, the God of Light intervened and explained the situation to the God of Darkness, who corrected his mistake. The two of them then cursed Salem with immortality by bathing her in the Fountain of Life, hoping that it would teach her the importance of life and death.

Salem was distraught that she could not die and be with her beloved, even trying to kill herself many times. However, she decided she could use her gift to get revenge on the gods. She went around the world, flaunting her immortality and claiming she stole it from the gods. She would describe the gods as being able to be overthrown, leading to a massive human revolution against the gods. When humans tried to kill the gods, the God of Darkness wiped out everyone in the world except for Salem, and the gods abandoned the world as a "Remnant" of what it once was.

Salem wandered the world for centuries as life returned to it, but only desired to die. She eventually came across the God of Darkness' Grimm Pool, which she thought would counter the Fountain of Life and finally kill her. She dove in, but was not killed, but rather transformed into an entity craving destruction while also given authority over the Grimm.

However, Ozma was given the chance by the God of Light to return to Remnant and reunite humanity. Once he did, he could gather the relics of knowledge, creation, choice, and destruction to summon the gods again and have them once again live among them. However, if humanity was still divided when they returned, the gods would wipe the world clean again. Ozma agreed to the task so he could be with Salem again, and returned in a new body. He found Salem, and the two reunited, though she blamed the destruction of the old world on the gods and Ozma did not tell her of his task. Seeing each other as immortal beings, Salem suggested they use their powers to become the new gods of the world. Ozma reluctantly agreed, and the two grew a following as god-like beings, establishing a kingdom. The two quickly married and started a family, parenting four daughters.

However, Salem's ambitions grew stronger, and her desire to rule over humans began to become her one goal and obsession. Ozma, fearful of the person she had become, explained to her why he had been sent back. She didn't mind this and stated instead that she plans on replacing the current humans with magical humans from their bloodline. Alas, such dreams would come to a tragic and brutal end when Ozma, finally unable to tolerate Salem's malicious ways any longer, tried to sneak away with their children. Salem caught them and betrayed, furiously attacked Ozma. Although Ozma was the more powerful warrior, Salem's immortality allowed her to emerge victorious as though he was able to kill her, she would simply resurrect until he was finally too injured to be able to fight back anymore and Salem killed him while condemning Ozma for not being able to just settle in with her, as their daughters were killed in process.

However, because his task was not yet completed, Ozma's soul traveled into the body of a like-minded individual. This continued for centuries until Ozma, now known as Ozpin, remembered his task and began trying to reunite humanity. However, Salem opposed him and tried to divide humanity. She kept a facade that she wanted to use the Relics to remake the world, but in truth she had long lost interest in such dreams: Shattered by the deaths of her daughter and the destruction of the kingdom she and Ozma had built and with it, the only time she was truly happy, Salem only cared to find a way to be released from her immortality. Knowing that bringing the Relics together would summon the Gods, Salem planned to find and unite the relics after she had divided humanity so when the gods would see how divided the world still was, it would be destroyed and Salem along with it, finally giving her rest.

Sometime before the beginning of the series, Salem identified Silver-Eyed Warriors as being threats to her Grimm conquest, and began working on wiping them all out. This included hiring Tock to assist in the genocide. At some point, Salem was challenged by Summer Rose, a Silver-Eyed Huntress and mother of series protagonist Ruby Rose, and presumably killed her, the encounter being enough of a fight that she seemed to respect Summer for her capabilities and courage. Volume 1

In "Ruby Rose", Salem narrates the early of history of humanity, born from dust. She tells of their struggles against the Creatures of Grimm, their discovery of nature's wrath, Dust and the beginnings of civilization in the absence of the shadow of the Grimm. Salem ominously warns that "there will be no victory in strength". However, Ozpin replies that "Perhaps victory is in the simpler things that you've long forgotten. Things that require a smaller, more honest soul."

Volume 3

In "End of the Beginning", after the fall of Beacon Academy and the death and destruction that are wrought upon Vale, Salem's conversation with Ozpin is continued. Salem declares that this is merely the first step in her plan to divide humanity, to snuff out their source of hope which they draw strength from. She claims that she will destroy everything that Ozpin has built, and she invites him to send in his Guardians, his Huntsmen and his Huntresses, and his "simple soul", for she is confident she will defeat them all and expresses malicious joy at the idea of seeing Ozpin burn.

Volume 4

In "The Next Step", after the Fall of Beacon, Salem holds a meeting with her subordinates in her lair. She orders Doctor Watts to meet with an informant in Mistral, Hazel Rainart to meet with the White Fang leader, Sienna Khan and Tyrian Callows to hunt down Ruby Rose whilst Cinder Fall stays at her side for "treatment". She claims Haven Academy will be the next to fall.

In "Of Runaways and Stowaways", Salem remains in her lair with Cinder as she receives her "treatment". Salem tells Cinder "it" can sense her fear and tells Cinder to make it fear her instead. A Seer floats into the meeting room and gives a message to Salem regarding the Grimm's lack of progress in finding the relic at Beacon Academy. Salem turns to Cinder and adamantly asks her for a final answer reporting on whether she killed Ozpin or not.

When Cinder turns to Emerald to speak on her behalf, Salem angrily slams the table and orders Cinder to say it herself. Cinder reaffirms Ozpin's death. Salem orders the Grimm to reinforce their numbers at

Beacon Academy, stating "The relic **is** there." She then mutters to herself, "What are you planning?"

In "Taking Control", Salem is seen training Cinder to control her Fall Maiden powers by pitting her against Grimm. Furious that Cinder continues to have difficulty using them, Salem asks Cinder if she lied about wanting power. Tyrian then enters the room and Salem asks if he succeeded in retrieving Ruby Rose. Upon hearing he failed his mission, Salem expresses disappointment in him before leaving the room.

In "No Safe Haven", Salem is seen watching Cinder train with more Grimm and smiles when Cinder mercilessly incinerates a vision of a defeated Ruby Rose created by Emerald.

Volume 5

In "Dread in the Air", Salem and a recovered Cinder are contacted through a Seer by Watts and Leonardo Lionheart. Lionheart informs Salem that Qrow Branwen had arrived at Haven Academy with Team RNJR and told them he believes the Spring Maiden is hiding in Raven Branwen's bandit tribe. Pleased at this news, Salem instructs Cinder to travel to Anima with her team to meet with Watts and convince Raven to cooperate with them.

Once they have the Spring Maiden and use her to retrieve the relic, Cinder will then contact Hazel and fulfill their promise to let the White Fang destroy Haven Academy. In the meantime, Salem assigns Watts to begin work on a new tail for Tyrian, who lost it in battle with Qrow and Team RNJR, before ending the call.

Salem then listens to Cinder vent her frustrations about working with bandits and keeping Ruby Rose alive. Salem tells Cinder not to underestimate the usefulness of others, using Lionheart as an example and warns Cinder that if Ruby has learned to harness her powers, she must make sure to protect her own. Before Cinder departs, Salem requests that she informs Tyrian she wishes to have a word with him.

In "Haven's Fate", when Professor Lionheart attempts to gather items in his office and flee the losing battle at Haven, Salem contacts him through the Seer and asks Lionheart where he was going, to which Lionheart can only stammer. Salem then asks him if there was something he wanted to tell her, to which he tells her that Cinder was to blame for deviating from the original plan. When Lionheart begs that he could flee to her location and prove he still has used to her, she replies with nothing but silence, having decided to kill Lionheart, upon realizing just how cowardly Lionheart is and how easily he would turn his back on her. Realizing that Salem has no intention of letting him live, Lionheart tries to destroy the Seer only for Salem to have it knock Lionheart's weapon away, after which Lionheart attempts to run away only to be grabbed by the Seer and while begging for his life and contentiously telling Salem he could still be of use to her, Salem coldly ignores Lionheart's pleas and has the Seer viciously stab Lionheart until he dies. After killing Lionheart, Salem looks through the Seer and disgustingly notes that Lionheart was a coward.

Volume 6

In "Uncovered," the God of Light's creation Jinn reveals that Salem was once a human.

In "The Lost Fable", Jinn tells Team RWBY, Oscar, and Qrow Salem's story, from being locked in her tower as a human to her fall, her rebirth as a monster, and her conflict with Ozpin. However, she also reveals that Salem cannot be destroyed.

In "So That's How it Is", Salem calls a meeting. She disciplines Hazel, demanding he tells her the reason they failed at Haven Academy. Hazel explains that it was Cinder's fault, and Salem decides that she will leave Cinder behind. Hazel then tells her that Ozpin is still alive, and has inhabited a new body much sooner than normal. This infuriates Salem, as Ozpin getting the Relic to Atlas would prevent her from achieving her goals, to where she emits a dark aura and starts cracking the windows of the room and dismisses her faction. Once they have left, Salem tries to calm down but eventually snaps and unleashes her magic in a rage with a scream so powerful it shatters the windows of the room.

In "Our Way", Emerald and Mercury look on in shock and horror as Salem creates new, hybrid Beringels with wings on their backs.

Hazel tells them that Salem is taking matters into her own hands.

Volume 7

In "Gravity", as tensions rise between Team RWBY, general Ironwood, and the Ace-Ops, a seer Grimm bursts out of Watts' duffle bag. Salem's disembodied voices addresses Ironwood. Shortly after, the seer Grimm dies. Upon death, it releases a smoke projection of Salem. Salem tells RWBY and Ironwood that Watts and Tyrian were not sent to Atlas to "win", but to set the stage for her. Salem offers the choice of surrender or die, to which, Ironwood refuses to back down. Ruby steps in and tells Salem they are going to stop her. Salem retorts and tells her, her mother said those words. Ruby then breaks down and her silver eyes flash for a brief second. The Salem smoke projection dissipates.

In "The Enemy of Trust", Salem is seen riding on top of a whale Grimm with an army of Grimm flying behind her.

Volume 8

In "Divide", Salem sits on a throne inside Monstra, where she is reunited with Cinder. She expresses disappointment with Cinder, telling her she put her trust in having Cinder as the host for the Maiden powers, and it wouldn't have been wise coming back empty handed. To the immortal queen's surprise, Cinder offers her the Relic of Knowledge, the Fall Maiden takes full credit in stealing it from Ironwood, this frustrates Neo. Tyrian then steps forth from the shadows and begins taunting Cinder. Telling her she isn't cunning, but that Ironwood is an idiot.

Cinder retorts by saying that very same General outsmarted him and Watts. She then sarcastically tells the Faunus it is a shame Watts never made it back. Tyrian answers her and says Watts was a necessary sacrifice. Their argument is cut short when Salem asks who Neo is and Cinder answers that Neo is a very useful asset. This further frustrates the mute enforcer. Shortly after, Hazel, Emerald, and Mercury arrive. Emerald sees Cinder and is delighted her old master has returned, but Cinder berates her, shutting down any happy emotions Emerald had. Cinder tells Salem that Polendina's robot got in her way from obtaining the Winter Maiden powers, and will soon claim what is hers. But Salem tells her to know her place and Cinder reluctantly grovels before her queen. Salem places her hand on her throne and an image projects the city of Atlas on Monstra's front. She dismisses her subordinates afterwards.

Much later after her subordinates were dismissed, Salem seemingly talks to the Relic, telling it she has questions, but first needs to know how to use it. She puts the object in front of a Grimm and the latter sniffs it. She then orders the Grimm to bring her the one who has the knowledge of using it.

In "Fault", after the Hound was successful in bringing Oscar to her, Salem is finally reunited with her former lover. When Oscar wakes up, Salem was conjuring a dark cloud of her daughters before she dismisses it and proceeds to mock Ozma for choosing a vessel as small as Oscar and asks if he has nothing to say to her. Oscar's attempts to imitate Ozma irritate Salem to where she furiously grabs him by the face to make it clear she can tell he is not yet fully Ozma. She then calmly asks Oscar where the Relic of Beacon is, but Oscar truthfully answers her, saying he has no idea what she is talking about. Salem is unsurprised, knowing fully well Ozma would keep it hidden as long as possible. She then asks the farm boy how to access the Lamp of Knowledge and Oscar lies, saying the Lamp is out of questions. Not fooled, Salem then shoots a magical beam at Oscar's chest, causing him to writhe in agony. Salem gives off a sardonic smirk as she caresses Oscar's face and admits that now she can see why Ozma choose Oscar and tells him to give her the password to the Lamp. Oscar defiantly claims she will never have it. Salem simply smirks and summons Hazel to physically beat Oscar. Claiming that is for Salem's failure at Haven Academy, and the rest will be for his sister.

Walking through the halls with her pet by her side, Salem encounters Cinder and Neo, who nervously asks what that Grimm is. Salem coolly response it's an experiment. Cinder then tries to get Salem's approval in locating the Winter Maiden, but Salem immediately denies Cinder's request and mocks Cinder for believing she could demand her and get what she wants after her failures. Cinder then scolds her master, telling her without the Maiden powers, the vault is useless, and that they are doing nothing. While hearing this, the Hound turns around and roars at Cinder. Salem tells her subordinate to know her place, and the latter reluctantly claims without her she is nothing.

In "Midnight", after Ozpin finally takes control of Oscar and tries to reason with Hazel, Salem gives a dark smile as she states Ozpin has wonderful timing. She then prepares for her assault on Atlas and when Ozpin tries to reason with her allies, Salem sadistically says that he is too late. As the grimm pool she has conjured unleash hordes of Grimm upon Atlas, Salem smirks and states it is time.

In "War", Salem is seen starting to attack Atlas herself, while Ozpin finally reveals what Salem's true goals are: Her reasons to gather the four Relics together was never to be able to remake the world, but to summon the Gods to Remnant. Her true goals are to have the Gods judge humanity and the world unredeemable and thus eradicate Remnant along with her, finally releasing her from her curse, thus why she has been dividing the world, knowing if humanity remains divided, the gods will destroy Remnant, clearly rattling him. Ozpin tells the disbelieving Hazel that and even tells him the password for the lamp so he can confirm the truth for himself. Meanwhile, Emerald also hears and unlike Hazel believes Ozpin and tells Mercury. Despite Mercury's initial disbelief, he comes to believe it once Tyrian callously admits Salem is highly destructive and is left unnerved but is forced to go to Vacuo, though the look on his face suggests he is planning to betray Salem just like Emerald is.

In "Witch", Salem is alerted to Emerald's betrayal and Oscar's escape, with Emerald and Hazel having betrayed Salem after realizing Oscar was right, when the Lamp is stolen by Neo, who has overheard everything. She soon corners Emerald, Oscar, Yang, Jaune and Ren and easily defeats them all but Hazel arrives and saves them and fights Salem, eventually restraining her as Oscar uses a powerful spell on them both.

In "Ultimatum", it is revealed that Oscar used most of the magical power stored in the Long Memory wielded by Ozma's reincarnations to summon a powerful bolt of magical energy that killed Salem and presumably Hazel as well. Though it leaves the Long Memory weakened, Oscar states that Salem was damaged enough that she won't be able to recover for a long period of time and it also ends her invasion on Atlas temporarily.

In "Final Word", Salem has reformed and she goes to the Atlas Vault to meet with Cinder, who has acquired both the Staff and the Lamp. Presented with 2 of the Relics and closer than ever to finally achieving eternal rest, she ignores Ruby's death, which she clearly knew Cinder had caused, and instead tells her she has done well, pleased with the results. As she leaves, ignoring Ironwood, she also asks on what Cinder used the Staff to create to unmake what the Staff had made before and when Cinder said she added more flames to the fires of Atlas, Salem simply nods satisfyingly, clearly knowing she meant she had killed Watts and not caring, and flies away victoriously.

---

When I was finished everyone was shocked and horrified.

Tsuyu: That is so unfair!

Camie: She was cursed with immortality just because she tried to bring back her lover!? That is completely unfair!

Nico: Yeah it was awful.

Kaina Tsutsumi: But that is amazing that Salem wanted to atone for her crimes by being Nico's Guardian Angel.

Me: It sure is. She came to me as a spirit during the 20 Days of Darkness on the 2nd day and I was sworn to secrecy and was told not to tell anyone until after we killed Xemnas.

Nico: Yep.

Sirius: Wow that is big!

Nuju: We had a press conference that cleared her name. Although Poliwag wanted to do funny faces…

Nico: Yeah we sure did and you know how Poliwag loves to be cute.

Me: But it took a lot of courage to get Salem's name cleared. Remnant all forgave her. Love has a really nasty way of causing people to do strange and crazy things.

Lana: Yeah that is for sure.

Ochaco: Boy no kidding. That is so sad for Salem.

Sirius: Yeah but it's good that she redeemed herself after living for thousands of years and causing nothing but trouble.

Camie: That is a really good thing.

Nuju: Yes it sure is.

Lola: And we're glad for her too.

Me: Can't say the same for some of her followers though. They deserved to be destroyed or thrown in jail.

Nico: Some of them have the potential to be Masters of Evil members. Except Tyrian. Nate and his friends helped off him.

Me: Yeah and you guys would not like Tyrian Callows. This guy was fucked up to the core and he was a monster that wanted nothing more than to see the entire world burn.

I went over his history.

---

Tyrian Callows is a major antagonist of the American animated webseries RWBY. He is a serial killer and a member of Salem's Faction. He's the main antagonist of Volume 4 and one of the main antagonists of Volume 7 (alongside Arthur Watts) as well as the archenemy of Qrow Branwen.

He is voiced by Josh Grelle, who also voices Demigra and Yukiteru Amano.

Past

In the past, Tyrian was a known serial killer who killed people across Remnant. He was eventually arrested, but his transport to prison was attacked by Grimm and he escaped. Likely as thanks to the Grimm's leader Salem, Tyrian swore allegiance to her and regarded her as his queen.

Volume 4

In "The Next Step", Tyrian attends a meeting at Salem's Domain along with Watts, Cinder and Hazel. Tyrian encourages Cinder to seek revenge on Ruby Rose for the loss of her left eye. Salem later orders Tyrian to continue his search for the Spring Maiden. However, upon hearing Cinder's concern about Ruby, she reassigns him to track Ruby down and bring her back alive. Tyrian promises to take one of Ruby's eyes for Cinder before bursting into maniacal laughter.

In "Menagerie", Tyrian arrives at Higanbana and asks a waitress for information on Ruby's whereabouts.

In "Tipping Point", Tyrian intercepts Team RNJR at Oniyuri and attacks them. When questioned about who he is, Tyrian tells them that his name doesn't matter and he's only interested in Ruby, whom he declares will be coming with him. During their fight, Tyrian reveals he is a scorpion Faunus, which makes Ruby question if this is about the White Fang or Roman Torchwick. Tyrian calls them nothing but pawns and states that he only serves his "goddess". Despite Team RNJR's efforts, Tyrian easily defeats them and incapacitates Ruby. However, before he can strike her with his stinger, Qrow Branwen intervenes and blocks the attack.

In "Punished", Tyrian has a quick talk with Qrow before engaging him in battle. Ruby attempts to rejoin the fight despite Qrow's warnings and Tyrian knocks her into an unstable building; causing Qrow to come save her from falling debris. Tyrian takes the opportunity to strike Qrow across the abdomen with his stinger; poisoning him. However, Ruby severs Tyrian's stinger from his extended tail with Crescent Rose, causing him to scream in pain. Surrounded and too injured to continue fighting, Tyrian flees the area, hoping Salem will forgive him for his failure.

In "Taking Control", Tyrian returns to Salem's Domain and grovels before Salem. He tells Salem that though he failed to retrieve Ruby like she asked, he managed to poison Qrow and remove him as a threat; asking if he's still pleased her with this action. Salem nonetheless expresses disappointment in Tyrian, causing him to break down into tears and bawl. When a nearby Beowolf attempts to attack him, Tyrian viciously kills it before taking his grief out on its corpse; stabbing it repeatedly as his cries turn into maniacal laughter.

Volume 5

In "Dread in the Air", when Salem hears that Qrow is alive and well, she orders Cinder to summon Tyrian to her conference room so that she can "have a word with him".

Volume 6

In "So That's How it Is", Tyrian returns with a new mechanical tail made by Dr. Watts. He mocks Hazel, Mercury Black, and Emerald Sustrai on their defeat at Haven Academy, enraging Emerald when he mocks the supposed death of Cinder. She threatens him and cuts his face, but he only laughs manically. He later attends a meeting called by Salem, where he offers to stop the Beacon students from delivering the Relic of Knowledge to Atlas. However, Hazel reveals that Ozpin is still alive, prompting Salem to dismiss Tyrian and the others before unleashing her rage.

In "Lost", Tyrian gives Emerald and Mercury some advice about how far they want to go, before telling them that he and Watts have been assigned to a special mission to go to Atlas.

Volume 7

In "A New Approach", Tyrian and Watts have a brief argument via earpieces. Tyrian expresses worriment that he and Watts will be recognized by the Atlas security. Watts reassures him by telling him the security code in Mantle is outdated, allowing the scientist to hack the security cameras, and allowing both men to walk freely.

In "Ace Operatives", Tyrian corners Forest in an alleyway. Forest asks who the scorpion Faunus is. Tyrian responds to the question that he's someone like him, someone who wants to mix things up around Mantle. Afterwards he proceeds to kill Forest.

In "A Night Off", Tyrian and Watts sabotaged Robyn Hill's victory party. With Watts cutting the power and altering the security camera footage, Tyrian was free to kill as many of Robyn's supporters. He attacked Fiona, Robyn's right-hand woman, and then made his escape. With Tyrian gone, Watts switched the lights back on. The survivors of the ordeal seeing Penny on the stage with Robyn, they quickly placed the blame on her.

In "As Above, So Below", Tyrian drops down from the rooftops. He and Watts watch as the citizen of Mantle riot and loot the stores as well as destroy the paladins.

In "Out in the Open", Tyrian and Watts watch Ironwood and Robyn Hill expose the truth about the recent murders and their plans to divide the people of Mantle. Watts looks at the schematics in making Amity Colosseum a communications tower, and is dumbfounded how those plans had gotten past him. Tyrian becomes enraged that their plans failed. Watts goes to sabotage the colosseum, Tyrian is sent to create more tension and chaos in Mantle. Later, Tyrian corners Robyn in an alleyway, dodging, and catching her crossbow bolts. Tyrian charges at Robyn, but is interrupted by Qrow and Clover.

In "Gravity", after Clover tell Tyrian he is under arrest, he begins to cackle insanely. In response, Qrow charges at him. Tyrian blocks and counters their attacks. With Qrow fighting on the offensive, while Clover, and Robyn providing support. They quickly overwhelm Tyrian, which causes him to burst out into maniacal laughter. Robyn shoots a crossbow bolt at him, he catches it in his teeth. Suddenly, the bolt explodes, dazing him, and depleting his aura. While on the ground he chuckles at Robyn as she approaches, she then kicks him in the head, knocking him out. Much later during the time Ruby is exposing Ironwood's plan to her companions, Tyrian is seen on the bullhead airship, tied up, and sitting next to Clover, Robyn, and Qrow.

In "With Friends Like These", after hearing Ruby exposing

Ironwood's plan to abandon Mantle. On everyone's scrolls a warrant is out for team RWBY's arrest, including Qrow. Robyn becomes enraged at Clover for following Ironwood's orders. As tensions between Clover, Qrow, and Robyn rise. Tyrian bides his time and waits for them to attack each other. Qrow tries to de-escalate the hostility, but his pleas fall on dead ears. Robyn fires a bolt at Clover, but the latter blocks it. Tyrian is accidentally freed by Clover's fishing hook, he sneaks off, kills the pilots, and sabotages the controls of the manta.

As Qrow and Clover begin to fight one another, Tyrian "regains" consciousness. He removes the bolas from his wrists by dislocating his thumb, then popping it back into place. The two stop for a brief moment, but Tyrian interjects and tells them not to stop on his account. Qrow angrily responds to his second opponent and charges at him. Tyrian, Qrow, and Clover fight one another. Qrow angrily claims he and Tyrian have a score to settle, Tyrian calmly agrees. Tyrian then suggests they "put the kid to bed before they finish it." Qrow agrees to the serial killer's suggestion and the two go after Clover.

During the fight between the three, Tyrian and Qrow gain the upperhand, Qrow loses his sword, but goes in and punches Clover in the stomach. His punch causes Clover's aura shatters. Qrow demands why he's following Ironwood, Clover responds he owes the general his life. His life his cut short when Tyrian runs Qrow's sword through the leader of the Ace-Ops' back. In mock sympathy, Tyrian tells Qrow it doesn't look like Clover is going to make it. Enraged, Qrow screams he is going to kill Tyrian. The scorpion Faunus sadistically responds just like the way *he* killed Clover. Tyrian tells Qrow their score will have to wait and leaves Qrow and Robyn to the authorities.

Volume 8

In "Divide", Cinder returns to Salem with Neo and with the Relic of Knowledge in their possession. Cinder takes all the credit for stealing the Lamp from Ironwood, Tyrian steps out from the shadows, insulting the Fall Maiden, telling her she isn't cunning, but that General Ironwood is an idiot. Cinder retorts, telling him that he and Watts were both outsmarted by the General. She sarcastically tell him it's a shame that Watts never made it back. Tyrian states the doctor was a necessary sacrifice and hopes that Neopolitan isn't another. Salem asks Cinder who her new partner is, upon which Cinder answers her master, stating that Neo is a valuable asset. Moments later, Hazel, Emerald, and Mercury arrive. Emerald sees Cinder and starts to run towards her, expressing relief she's ok, but Cinder chastises her subordinate. Tyrian proceeds to insult Emerald, saying she shouldn't put her faith into someone so incompetent. The Faunus proudly exclaims while he and Watts were causing strife and chaos amongst the citizens of Atlas, Cinder was merely atoning for her past failures. Cinder states Penny had gotten in her way during her personal mission in stealing the Winter Maiden powers, and says she will take what is hers. Salem then demands Cinder to know her place, and while she is more valuable to her than a pawn, she is not a player in this game. Salem waves her hand, and her subordinates immediately leave.

In "Midnight" Tyrian shows Salem (via scroll) texts that state that Arthur Watts has managed to hack Penny while kneeling before Salem (along with the rest of her subordinates). He gleefully watches Salem briefly torture Cinder via her Grimm arm and then watches Hazel slam Oscar into the ground of the Monstra, after Oscar declares that aiding Salem in her plans will "bring about the end for all of them".

In "War", Tyrian happily debunks Mercury Black's argument that "Salem is not ending the world" after overhearing Emerald and Mercury's conversation, and states that her destructive intentions were obvious, before leaving with Mercury to go to Vacuo under Salem's orders.

---

When I was finished they were shocked and horrified!

Tsuyu: He was a monster!

Camie: And he killed so many innocent people!

Me: Yeah and if he ever does come back I'm going to make sure he gets the Black Gates. Same with Cinder Fall.

Nico: J.D., I do admit that you did the right thing getting Torchwick to help us against Shredder.

Me: I'm glad you think so Nico. Torchwick has a lot of honor and that is something that I completely respect in a formidable adversary.

Nico: That is true.

Nuju: And the strangest part is that we met Ruby and her friends shortly after the war with the Royal Defenders.

Nico: Boy that was 2 years ago almost.

Camie: Wow! And that took place in another universe? That is amazing.

Sirius: Wow no kidding. We heard all about it from Nanette and that was really cool.

Nuju: Yeah it was awesome.

We then arrived in the land of Far Far Away.

Me: We're here.

Eli: I sense Fairy Godmother! She's in that arena and she is blasting people left and right!

Nuju: If her son Charming is here, let me deal with him.

Nico: You got it.

Eli: I sense that she is not alone.

Applejack: Me and Eli will face her and y'all can face anyone else she has.

Nico and all of us agreed.

We flew down and we landed and we saw Prince Charming too!

Me: Hello Fairy Godmother. Nice to see you again. Not!

Charming: I couldn't help but overhear your lovely conversation earlier. (to Nuju) A shame that you won't live long enough to see Kamen Rider W.

Nuju: Guys, get going. He's mine.

Nico: Gladly.

Fairy Godmother: And I have a bunch of friends for you all to play with too.

She used her magic and resurrected TYRIAN CALLOWS, CINDER FALL, XEMNAS AND FAORA!

Nico: Tyrian Callows, Cinder Fall, Xemnas and Faora, one of Zod's followers and fellow insurgents!

Tyrian Callows: (LAUGHS INSANELY) NOW I WILL KILL YOU ALL!

I punched him down!

Me: Not this time!

Nico: Okay lets get them! I'll face Xemnas, J.D. you face Tyrian, Eli and Applejack will face Fairy Godmother and Varie you take down Cinder Fall. May and Maria you face Faora but leave her alive for the Masters of Evil.

We went at them.

(HOLDING OUT FOR A HERO BY BONNIE TYLER PLAYS)

Varie: (to Cinder) Oh, I won't use the Black Gates on you this time. No. I want Pyrrha to do the honors when you return again in the future. So, I'll just send you to the Warp!

Cinder Fall: I WILL NOT GO BACK TO THAT HORRIBLE PLACE AGAIN!

Cinder Fall went at Varie and Varie kicked her in the face and punched her in the stomach and dealt her a deadly uppercut and kicked her some of her teeth!

Varie: You killed Pyrrha and Amber and I will make sure you suffer by both of them you heartless bitch!

Varie kicked her in the face and broke her nose!

Nuju: (to Charming) You call Shrek a monster. But the only mosnter I see is you. Just because Shrek's different doesn't mean he's a bad guy!

Charming: He is an ogre and that makes him a freak!

Nuju: You don't know what a TRUE MONSTER really looks like! Ever heard of that old saying "Beauty is Only Skin deep?" Right now you're only seeing my beauty side.

Charming: So you have some secrets as well. What are you going to do start making faces at me?

Nuju: Now you're being much too hasty Charming. Patience. You don't want to spoil the surprise and what I have is a good one! Consider yoursef warned.

Nuju became NUJU HORDIKA!

Nuju: (Beastly voice) As I said, You only saw the beauty side of me before. Now with great pleasure I introduce you to the beast!

Nuju pulverized and mercilessly thrashed Charming all over with punches, kicks and savage attacks!

Faora: (to May and Maria) Tell me. What are your relationships with Nico? It's not to mock you. But to test your characters.

May: I am married to him and as his loving and awesome wife I always will be there for him. Same with my children.

Maria: And for me I'm like a sister to him. I love him greatly like a brother just like I love Carol as a sister.

Faora: I see. That is a very powerful bond.

May: I take it you heard about Krypton.

Faora: Yes Krypton was going to explode.

May: Krypton is gone. It exploded. But you don't have to worry about your people anymore. They are now in Gotham Royal York and are also helping people all over. Earth is now Krypton's new home.

Maria: It's true.

Nuju: I know many Prince Charmings more heroic than you! In your desire to have Fiona as a wife, you've become the villain of your own story!

POW BLAM BIFF KROW SMASH!

Charming was badly mangled and smashed into pulp and he had bruises, cuts and wounds all over and he was bleeding profusely and more!

I was punching and kicking Tyrian Callows all over.

Me: You make me sick Callows! You get a sick thrill out of making people suffer! And all you do is treat life like it's nothing but a disposable commodity! Now I'm going to make you suffer for your crimes Times ∞!

Tyrian Callows laughed insanely after I said than and he threw his tail at me and I grabbed it and then slashed it clear off with my sword!

I then punched him in the face and knocked out many of his teeth!

May and Maria were punching and kicked Faora all over. They knocked her around all over the place.

Faora: (to May and Maria) For humans, you two fight well.

May: We'll take that as a compliment.

Maria: But we've had many awesome experiences and we have many great teachers.

Applejack and Eli were clashing all over the place with Fairy

Godmother.

CLANG CLANG CLANG CLANG CLANG CLANG CLANG CLANG!

They blocked blasts of magic with their swords and then kicked her wand out of her hands and Eli caught it.

Nuju saw Tyrian's cut off tail and grabbed it.

Nuju: I can still put this to good use!

Nuju pocketed it.

I kicked Tyrian in the face and he was laughing more like a lunatic.

Me: I guess this is your only attack, laughing like a fucked up nutjob, because you're too weak to challenge me any other way.

Tyrian then SNAPPED AND THEN WENT BALLISTIC!

HE SCREAMED FEROCIOUSLY AND WENT AT ME AND THEN I WENT AT HIM!

Me: It's time for you to pay the ultimate price for your crimes!

I went at him with my fist aglow with energy from the Black Gates! I then slammed my fist right into his chest and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I PLOWED ALL THE WAY THROUGH HIM AND SMASHED A HUGE HOLE ALL THE WAY THROUGH HIS CHEST AND BLEW IT COMPLETELY THROUGH! HE WAS THEN JUDGED BY THE SPIRITS OF ALL THOSE HE KILLED AND HE WAS FOUND GUILTY AND BANISHED TO OBLIVION FOR ALL ETERNITY!

Me: YOU ARE FINISHED CALLOWS! Black Gates Fist.

Camie: HOLY FUCKING SHIT!

Sirius: UNBELIEVABLE!

Tsuyu: WHOA! HE PLOWED THROUGH HIS CHEST AND

DESTROYED HIM WITH THE BLACK GATES!

Kaina Tsutsumi: THAT WAS INCREDIBLE! WHAT A COMBO!

Nuju: That's 1 one of your buddies down!

Charming: Go ahead then. Kill me.

Nuju thought about it.

Nuju: Nah. You're not worth it.

Lincoln: But he is worthy of the Hecate's Mystic Vengeance Curse!

Lincoln turned into Magic Lincoln!

Lincoln: (Singing Divinely) I see a cold wind blowing through, I see days neither fun nor free, I see a future caused by you, I see a path not meant to be. Your future should filled with magic, dreams, and wishes brought to life. But, the days ahead are dark and tragic, no time for hope when all is strife, whatever might have been, all the dreams that you did share, because of you, Prince Charming. Now, the future is a cold nightmare.

The group saw the skies turn magenta with the many constellations in the skies, along with elemental forces. Then, Lincoln fired powerful blasts of magenta energy and magic from his massive angel wings, and as they hit Prince Charming, he was imprisoned inside a prison made of magical diamond surrounded by orbs of elemental forces and orbs of magic which'll keep someone from trying to free him. Then, he beamed Prince Charming to the Naiad Prison for Xenophobic Egotists, and he put his prison in a separate cell in Solitary Confinement, and it'll be where he'll spend the rest of his life there, frozen forever in time in magical diamond, and he'll never be free again.

Nico: Correction. Make that 2.

Nico was facing Xemnas.

Nico: You know what, Xemnas? Since your blades are like lightsabers, I'll just use my own. (Gets out Dooku's lightsaber)

Nico was ready.

Xemnas: I'll put you back in darkness again!

Nico clashed with Xemnas and kicked him all over the place and then fired beams of magic and energy at him and smashed him all over.

Nico: But to tell you the truth Xemnas, I never got to thank you.

Xemnas: (Confused) Thank me? For what?

Nico: If it weren't for you making me do all those things during the 20 Days of Darkness we would have been lead down a path to a devastating future. You inadvertently saved the world from being taken over by HIM, one of the most dangerous enemies of the Powerpuff Girls. He would have killed you in a massive act of betrayal and also plunge the entire planet into hell. So thanks for that.

Xenmas: Uh you're welcome.

Faora: (to May and Maria with a smile) Your bonds with Nico are impressive. For that, I surrender to make things easier for you.

Fairy Godmother: What?!

Faora: (to Fairy Godmother) I no longer wish to play this pointless game of yours anymore. You, Xemnas, and Cinder are on your own.

Faora was teleported to the Masters of Evil HQ.

Nico: Also I never got to compliment you on your new jacket. It's very stylish and white brings out the power inside you from your hair and it goes great on me to symbolize my role as the new leader of the team.

Xemnas: You're now leader of the team?

Nico: Yep. And also I have decided on this.

Nico teleported and used a power stripping curse on him which gave

Nico and me all of Xemnas's powers and then Nico tied him up with magic rope and energy.

Nico: To tell you another truth Xemnas, by unleashing the 20 Days of Darkness and also having Lori, Lynn and Lola attempt to travel back in time to stop you as well as inadvertently creating that devastating future, you saved the entire universe from certain doom. So I'll have Vypra and the Masters of Evil decide on your fate.

Lincoln: After this.

Lincoln slapped the Hinon's Vengeance Curse on Xemnas and then Nico teleported him to the M.O.E. Prison.

Maria fired a water blast at Cinder.

Maria: Didn't you hear, Cindy? Water puts out fire!

Cinder Fall: It's Cinder Fall you bitch!

She tried to fire a blast of fire at Maria but nothing happened!

Cinder Fall: NO!

Me: And another thing Cinder, The Autumn Maiden's powers you stole, Those were NEVER MEANT for a heartless evil bitch like you!

I chanted a magic spell and fired a blast of magic and stripped her of her Autumn Maiden Powers and returned them to their rightful user Amber.

Cinder Fall: What did you do to me!?

Nico: Stripped you of your magic and abilities!

Maria: Now for you to go to prison till Pyrrha kills you!

Maria snapped her fingers and beamed her to the Neptune Prison!

Applejack and Eli slashed Fairy Godmother's wings off

Nuju: And then there was one!

Applejack: Now to send you back to the Warp.

?: Let me do that!

An Evolved Polar Manzardill appeared and fired a blast of ice and froze Fairy Godmother in a block of ice! Then Nico opened up a portal to the Warp and the Evolved Polar Manzardill threw her in there!

Nico: Awesome!

The Evolved Polar Manzardill reverted back and she was a girl with light blue hair and blue clothes.

Amelia Waverley: That was awesome.

Nico: Amelia Waverley! Wow!

Amelia Waverley: Awesome to see you again Nico and you all were awesome taking down those bastards!

Sirius: Everyone was awesome!

Varie: Yeah.

Shrek and everyone came.

Shrek: What happened here?!

Nico: Um… we were taking out the trash.

Princess Fiona: There's rubble everywhere!

Nuju: The trash put up a fight.

Me: Guys lets just tell him the truth.

Nico: Okay.

We revealed everything.

Nico: And that's what happened.

Shrek: Wow! That was amazingly well done.

Amelia Waverley: Thanks and Shrek, I don't care what Fairy Godmother and Charming say about you. You are the most amazing Ogre ever and you will always be accepted as a man instead of a monster.

Shrek: Thanks! That means a lot to me.

Donkey: I'm glad you think so.

Me: Sorry about all the commotion though.

Princess Fiona: No worries guys.

Nuju: Good.

Amelia Waverley: This was as much fun as going through the snowy mountains of Alaska though.

Nico: Amelia is from Alaska and she is a 7 time Iditarod Dogsledding Champion.

Eli: Wow! That is cool!

Me: I love the Iditarod! It's awesome!

Amelia Waverley: It sure is and I love Alaskan Malamutes and Huskies as much as I love the cold.

Me: Where have you been all my life?

We laughed.

Nuju: What's your favorite memory of Nico?

Amelia Waverley: I have a lot of them but my favorite was when me and Nico both won the Iditarod together at one time.

Nico: I remember that. It was really awesome. We had to travel 1,100 miles from Anchorage to Nenana to Nome. That was brutal. We had to endure blistering cold blizzards, whiteout conditions, subzero freezing cold, freezing cold wind chill and more. But we won.

Me: Wow!

Lily: That is amazing! Just like what happened with me and Balto.

Amelia Waverley: Wow! You must be the famous Lily Loud! You are the hero of Alaska even before it was a state!

Lily: Yeah that's me.

Me: We are really proud of Lily for enduring all that.

Amelia Waverley: Wow! You are all awesome.

Nico and Amelia hugged.

Nico: I really missed you.

Amelia Waverley: Me too Nico. Me too.

Me: But this was an awesome and eventful rescue.

Lana: Boy it sure was!

Eli: The best ever!

We later went back home and then we told everyone what happened and it was intense!

---

After Nico's rescue, Lincoln, Me, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, the Looney Tunes and Tiny Toons, and Kopaka are heading to the desert, and not only is Lincoln going to rescue the six girls there, but we're going to take down Nasty Canasta and have him recruited to the Masters of Evil, and Lincoln's going to show his immunity to poisons by drinking drinks made from Cobra Fang Juice, Old Panther, and Hydrogen Bitters.

Lincoln: So, our rescue's going to take place in the episode Drip-Along Daffy, and I know what we're going to do here, not only am I going to rescue the six girls there, but we're going to take down Nasty Canasta and have him recruited to the Masters of Evil.

Nico: That's right, big guy.

Me: And Lincoln's going to show his immunity to poisons by drinking drinks made from Cobra Fang Juice, Old Panther, and Hydrogen Bitters.

Lincoln: Yeah, that's right, and we still remember what happened when Daffy and Porky drank that vile cocktail when they first went after Nasty Canasta.

Bugs Bunny: How can we forget, doc? It was awful.

Lincoln: Big time, and thanks for joining us, Kopaka.

Kopaka: You're welcome, Lincoln.

We head inside the saloon, and when Daffy Duck was about to drink his milkshake, a gun was fired and the glass was shattered, and we saw who we were after: Nasty Canasta, and when the patrons saw him, they ran out.

Lincoln: So, you're Nasty Canasta.

Nasty Canasta: And you're Lincoln Loud. Heard you're one tough hombre, let's see if that's true.

The barkeep poured in Cobra Fang Juice, Old Panther, and Hydrogen Bitters into the mixer, and he shook it, and then, he poured it into the glasses and gave one to Nasty Canasta, and when he drank it, it only caused his hat to flip, and when Lincoln drank his, he let out a belch and colorful smoke came out of his mouth.

Lincoln: Not bad.

Nasty Canasta: Well, well, you're definitely one tough hombre to drink something like that. But, I'm not going down without a fight.

Nasty Canasta left out of the saloon, but we know he's not done yet.

?: HELP!

Suddenly, Lincoln heard the sound of six girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye of The Buddha, and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the six girls, but they've been cornered by Nasty Canasta, and he's going to kill them.

Lincoln: I knew he wasn't done yet. Guys, I found the six girls, but they've been cornered by Nasty Canasta, and he's going to kill them.

?: Let's take that brute down.

Suddenly, we saw Number 87: Queen of the Night appear before us.

Lincoln: That voice, I knew it was you, Carly Morgan. But, we'll have to talk later, we've got a nasty outlaw to deal with.

We rushed on over, and Lincoln fired powerful rainbow energy balls at Nasty Canasta, and that allowed the six girls to get away.

Lincoln: Knew you weren't going to give up that easily, but guess what, so do we.

Lincoln unholstered his improved massive Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Infinity forms and they unholstered their massive swords, Lincoln's sisters transformed into their Super Angel Infinity forms and unholster their massive swords from their backs, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Kopaka, The Looney Tunes and Tiny Toons, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Hector got out his massive Heaven's Maw of Judgement sasumata pike, and Me, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went at Nasty Canasta, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, Blood, Magic, dynamite, stars, rainbow flames, rainbow crystals, orange flames, blue flames, ice, green flames, and water, and they exploded with incredible power as they hit him.

Then, Lincoln beamed Nasty Canasta to the Masters of Evil's HQ in Montana, and we cheered wildly as we holster our weapons and power down.

Lincoln: That's it for that bad hombre. (To Carly Morgan) And it's so good to see you again, Carly Morgan.

Carly Morgan reverted back to normal, and she's a beautiful 17-year-old girl with long flowing pink hair, pink eyes, she's tall at 6'5" in height, she had the body of a goddess, she has a crescent moon and the number 87 on her forehead, she has massive white angel wings, thanks to reigning in the power of Number 87: Queen of the Night, and she's dressed in a short-sleeved black blouse, yellow sleeveless dress top, pink skirt, black pants, pink high-heeled sneakers, and long black sleeveless trenchcoat with moons on the coattails, and Number 87: Queen of the Night on the back.

Carly Morgan: You too, Lincoln, it's been a long time.

Lincoln went up to Carly Morgan and they hugged, and Carly Morgan's also very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she's also felt just how strong he's really become.

Lincoln: It sure has been a long time, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then.

Carly Morgan: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Carly Morgan, she's another of my Guardian Angels, but she has a really dark past and someone that was traumatized really bad from it, because of her mother who's completely insane, in fact, her mother's tried to kill her twice.

We gasped in pure shock.

Nico: What? Oh, we're definitely hearing about that later.

Lincoln: Trust me, Nico, you'll probably throw up from hearing it. Oh, and Carly, I got something for you.

Lincoln gave Carly Morgan a large Number 87: Queen of the Night-themed sword with Number 87: Queen of the Night etched on the 6'10" massive, wide, double-edged black blade, large pink angel wings for the crossguard, large pink gem embedded in the rainguard, longer black handle, and large pink gem with white angel wings surrounding it for the pommel.

Carly Morgan: Wow, I love the new sword you made for me, Lincoln.

Suddenly, a Thunderbird Necklace of Eternal Love appeared on Carly Morgan's neck with pink gems on the gold lightning bolts links and pink crystal links from her brand-new Crystal Necklace of the

Buddha which merged with her Thunderbird Necklace of Eternal Love.

Carly Morgan: (Surprised) Whoa, is this?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're part of my harem and one of my many future wives, Carly.

Carly Morgan had a smile on her face and tears coming from her eyes, as she wrapped their arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around her waist, and he leaned down and kissed Carly Morgan on the lips, and they returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw them, he immediately recognized them. The six girls are Ningyhime Marina from Saban's Adventures of the Little Mermaid, Urashima Mako from Mahou no Mako-Chan, Isono Shizuka, Kurita Aoi, Nakahara Tomoe, and Unno Yamabuki from Mars of Destruction.

Lincoln: Oh wow, it's Ningyhime Marina, Urashima Mako, Isono Shizuka, Kurita Aoi, Nakahara Tomoe, and Unno Yamabuki.

Nicole: From Saban's Adventures of the Little Mermaid, Mahou no Mako-Chan, and Mars of Destruction, awesome.

Lincoln: Are you girls okay?

Ningyhime Marina: Yes, we're okay, thanks to you.

Then, when Ningyhime Marina and the other five girls saw who it was that saved them from Nasty Canasta, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and

He had his massive Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large orange Spellbook of The Gods and The Universe, large orange Spellbook of the Elemental Gods, and large electric blue Spellbook of the Thunderbird holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive and indestructible deep sapphire blue angel wings with stars and blue nebulae reflecting on them with rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, and Buffalo on them and with hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large gold buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanjis "Savior of The Loud House, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, Founder of Team Loud Phoenix Storm, The Unifier of The Three Kingdoms, and Destroyer of The House of Damaskinos" on the left leg, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large deep sapphire blue gem in the shape of a Thunderbird on top of a silver Buffalo head with the Thunderbird and Eternity Kanji on his neck and across his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, a large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had eight large orange orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Ningyhime Marina: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made five clones of himself, and he and the five clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with

equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Ningyhime Marina: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Thunderbird Necklaces of Eternal Love appeared on the necks of Ningyhime Marina Urashima Mako, Isono Shizuka, Kurita Aoi, Nakahara Tomoe, and Unno Yamabuki with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We head back to the World Tree Estate, and we told everyone about our rescue in the desert, and they were all shocked when they found out the villain we went after was Nasty Canasta.

But, when Lincoln showed what he did in drinking that vile cocktail of Cobra Fang Juice, Old Panther, and Hydrogen Bitters, showing his immunity to poisons and many other forms of harm, along with his immortality, and us in pulverizing Nasty Canasta, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Carly Morgan have a lot of catching up to do, now that she's back, and Nasty Canasta's now a member of the Masters of Evil.

---

After dealing with Nasty Canasta, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Carly Morgan saw Lincoln working out like crazy, she had an atomic red blush on her face.

Carly Morgan: Whoa, I was right that Lincoln has really grown to be a 17-year-old 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Carly,, and now, I can also defend myself, and I've also gotten smarter as well.

Carly Morgan: That's incredible.

Nico: It sure is. So, Carly, can you tell us exactly why your insane mother tried to kill you twice? If it's too painful, we'll…

Carly Morgan: No, it's okay, I already told Lincoln and the Louds about it, so it's fair you should also hear about it. It happened when I turned fifteen, and I saw that my mother tried to kill me with the car, and that really terrified me. At first, I didn't know what to think, but my mother's tried to kill me numerous times, and it's really horrified me to the extreme. Then, she tried to attack me again, but Dad saved me, and she was taken to the Asylum. I persuaded Dad to take me to the asylum, and I then asked why she tried to attack me, and she said I wasn't her daughter, but I was her daughter, but she ranted and ranted like a madwoman, and the nurses took her away. I tried not to think of the car incident, but no matter how many times I've tried not to think about it, I still have nightmares of that day, and I feared that one day, she'll break out and try to finish me and Dad off.

We gasped in shock and horror, and as Lincoln said, Nico ran to the trashcan, and he threw up like crazy.

Me: My God.

Nico: Jeez, your mother's completely insane, Carly.

Lincoln: Way too insane, Nico. But, I'm not going to let your insane mother get away with trying to kill you, Carly.

Nico: Yeah, we'll make sure she stays locked up for good.

We then got a shower afterwards, and then, we were off to meet Princia Ramode's parents on Planet Magica.

Lincoln: I can't wait to meet your parents, Princia.

Princia Ramode: You're going to love meeting my parents, Lincoln, and the same goes with the rest of the team.

Me: Yeah, this is going to be good.

We then arrived at the palace of Princia Ramode, and we met with her father, the King of the Desert Kingdom of Magica, and he was happy to see Princia again, and he also met Lincoln and the rest of us, and Princia told him that she's now one of Lincoln's future wives, and he's happy that she and Lincoln are now together, and he offered them his congratulations. Then, Lincoln had moved Planet Magica to our solar system, and this'll allow the king to see his daughter whenever he wants.

Later it was time for Takanuva's 2nd Ambassador Mission.

William: Anyone else want to go with Kyd Wykkyd and Takanuva? Besides 3 Rabbids and Ang Leung?

Nico: Hmm. How about May and Maria?

May: Ooh it'll be an honor.

Eli: Cool!

Me: This will be awesome. You guys will love meeting the Den-O Kamen Riders.

Nico: Yep. Lets head out.

We were off to Japan.

We arrived.

Ryotaro: Hey guys!

Me: Hey Ryotaro.

Takanuva: Ryotaro, this is my archenemy.

Kyd Wykkyd: Awesome to meet you guys! I'm Kyd Wykkyd and I'm originally one of the H.I.V.E., one of the enemies of the Teen Titans.

Me: H.I.V.E. stands for Hierarchy of International Vengeance and Extermination. It was a dangerous school of supervillains for villains in training.

May: It's true. Also my name is May Chan, I'm Nico's wife.

Maria: And I'm Maria Rockell, 2nd in Command of the Redemption Squad.

Takanuva: And this is Ang Leung

Ang Leung: Awesome to meet you guys.

Ryotaro: Same to you.

Me: Ang is one of our teammates and we met from one of our major 2021 missions.

Nico: Yep. It was really cool.

Momotaros: So, you used to be mute before?

Kyd Wykkyd: Yep.

Me: Our friend Lisa Loud was to thank for that. She made a Voice Box for him.

Nico: That's right.

Eli: I thought that was really cool too.

Momotaros: Wow that is really genius too. Is Lisa really that smart?

Me: You won't believe how smart she is. She was born with a really high IQ at birth and she is a junior Nobel Prize Winner for physics. She knows all sorts of things that are so complex that it will cause your head to spark and crash.

We laughed.

Nico: It's true.

Me: Yeah and it really hurts your head too. But she is a really awesome prodigy for someone her age.

Nico: It's true. Guys, I've assembled the layout for the Den O team. It'll consist of J.D., Takanuva, Ryotaro, Yuto, Natsumi, and Kotaro.

Kotaro: Wow! Awesome setup.

Eli: Yep.

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: (Hears an Explosion) And it's gonna be good to test out the group.

Ryotaro: Which blast from the past are we fighting this time?

We saw Armadillo, Female Snail and Wolf Imagin!

Nico: Armadillo, Female Snail and Wolf Imagin!

Takanuva: This will be awesome!

Takanuva, Yuto, Natsumi, Kotaro and Ryotaro: Henshin!

They transformed and were ready!

Nico: Time for some buttkicking!

Eli: Me, May and Maria will face the Wolf Imagin.

Me: I'll take on the Armadillo Imagin.

Nico: And the rest of us will face the Female Snail Imagin.

Me: Time to kick some butt!

The Female Snail Imagin went at Kyd Wykkyd but he teleported out of the way. The Female Snail Imagin then crashed into a wall!

Nico kicked punched the Female Snail Imagin all over the place in the stomach with devastating force.

Nico: You know I actually like Escargot and I'm going to eat you for lunch! (Licks lips)

Momotaros: (through Ryotaro) Kyd, can I be honest with you?

Kyd Wykkyd: Sure.

Momotaros: Your former headmaster was a dickless son of a bitch!

Maria: I… actually agree with you on that one.

May: Me too. Brother Blood was a monster!

Nico: Yes he was.

Yuto: Time for me to show you guys Zero Form!

Nico: Go for it Yuto!

Maria: YEAH!

Yuto's device: Charge and Up!

Yuto: Zero Henshin!

He turned into his Zero Form!

Nico: YEAH!

Maria: So awesome!

Yuto charged at the Armadillo Imagin.

Me: BATTER UP!

Me and Yuto kicked him as he was rolling at us and then we sent him into the air.

Me: Time for this! DRAGON OF THE DARKNESS FLAME!

I fired a blast of pitch black fire as hot as the sun and it formed into a dragon of black fire and it hit the Armadillo Imagin and he was incinerated in an instant!

Me: One down.

Yuto: Wow! J.D. those spirit world techniques are awesome! Think you can teach me that?

Me: I would be honored Yuto.

Eli slashed Wolf Imagin all over.

Eli: Time for this one! SPIRIT SWORD!

Eli slashed Wolf Imagin in half and destroyed him!

Eli: 2 down!

Nico: One to go.

Kyd: Don't worry, Nico. You can still have the Female Snail as a meal!

Nico: Bring it on! (SLURPS)

Female Snail: UH OH! DON'T EAT ME!

Nico: Too late! This is a provocative technique but it's too barbaric even for me. So watch this one. VORE CARNAGE STYLE NINJA ART: MAW OF DARK DEMISE!

Nico had his mouth open wide and he jumped and then went at Female Snail and then…

CHOMP!

Nico chomped and swallowed her in one big gulp!

Me: I think I'm gonna be sick!

Eli: Me too!

Maria: YUCK! That'll leave a really bad taste in your mouth!

KABOOM!

It exploded inside Nico!

Nico: (LOUD MONSTROUS BELCH!)

Eli: Geez!

Nico: Ahh!

Nico was full.

Nico: Cest Magnifique!

Me: Nico you are disgusting.

Nico: That was actually good!

Me: But it sure got the job done. I'm not going to eat for the rest of the day after seeing that.

We laughed at that.

Me: I'm serious.

Nico: (to Natsumi) Honestly, I didn't know who was gonna be the 6th member of the Den O team until you appeared on the last mission.

Natsumi Hikari: That's okay but I'm glad to be a Kamen Rider.

Me: You are awesome as one Natsumi.

Eli: I agree there.

Me: Me too.

We came back.

Takanuva: That was awesome!

Nico: YEAH!

May: For your last mission, Laval should go with you.

Laval: I would be honored May.

Takanuva: Awesome and my fellow Toa can come along if they want.

Toa: It would be an honor brother.

---

Talia: So, we're going to a candy shop?

Nico: Yes we are. But this is not just a candy store.

Me: This candy store is one that Yakko, Wakko and Dot went to before. The owner is someone that was mentioned during one of the usual battles. His name is Fermin Flaxseed and he is a total asshole and a major jerk! We're going here to teach this guy some manners.

Nico: What can you tell us about him?

Me: Here's what I know.

---

Fermin Flaxseed is the main antagonist of the Animaniacs cartoon "The Big Candy Store". Flaxseed is a pretty standard uptight-snob figure, his pompous-jerkitude isn't inflated enough to play for laughs; he just serves to first ignore, then deride, then get flustered by the Warners, and has little in the way of memorable lines that aren't direct responses to the Warners. Though some of those are admittedly great little comedic back-and-forths in the classic Warner tradition, like this exchange:

Wakko: "This is a great store, Mr. Candyman."

Flaxseed: "I'm not the candyman!"

Dot: "Well you sell candy, don't you kid?"

Flaxseed: "I'm not a kid!"

Yakko: "Relax, my good man."

Flaxseed: "I'm not your good man!"

Yakko: "Hm, we're running out of options here."

Flaxseed's eventual comeuppance comes courtesy of a well-timed third party, Sister Margaret Mary June July-who sends up a quick prayer for a football team to come and trample Flaxseed in retribution for his mistreatment of the Warners and orphans. To add insult to his injuries, the Warners placed him in a vat of quick-dry chocolate and carved him in the shape of a bunny for easter. After the orphans take away the bunny containing Flaxseed, Yakko ends the cartoon with this innuendo: "Wait till they get to the creamy center filling".

---

When I was done everyone was shocked.

Nico: Man what a total prick and a fucking son of a bitch!

Me: Yeah no kidding.

Eli: He needs to be taught some manners!

Sailor Jupiter: I see there's only one thing to do.

Sailor Jupiter busted down the door.

Sailor Jupiter: FREEZE! THIS IS A STICKUP!

Fermin Flaxseed: Who are you!?

Stickybeard: Why we be candy pirates here to take all yer candy!

Me: (Imitating Long John Peter) AHA! Tis be Candy For all good people without snobs like you spoiling the fun!

Everyone: HAR HAR HAR HAR HAR HAR HAR!

Poromon: Give me all your candy!

Drag Strip: (sighs) At least it's better then him drinking beer.

We took all the candy and Fermin Flaxseed was infuriated!

Me: Now lets give it to the orphanage and the people that need it.

Stickybeard: Good idea lad.

Fermin Flaxseed: YOU WILL PAY FOR THIS! I WILL KILL YOU ALL!

Hound: Poromon, you can have some. But don't eat all of it!

Poromon: Thanks.

Fermin Flaxseed: GIVE ME BACK MY CANDY YOU MOOCHERS!

Nico and me: YOU WILL GET SOMETHING! A BLACK EYE AND A TRIP TO PRISON! WITH INTEREST!

KRASMASH!

We punched him in the face and knocked him out!

He was carted off to the Newest prison we built: The Ganymede Prison for Candy Hogs.

Me: What a wuss.

Nico: He had it coming.

We gave much of the candy to the orphanage and to the kids that were hungry.

Poromon was eating the candy.

Roxas: (chuckles) Alright, Poromon. That's enough

Poromon did puppy eyes.

Roxas: Nice try Poromon but that trick doesn't work on me.

Aeleus: It was a nice try though.

Nico: Yeah. Poromon don't eat just candy.

Poromon: Oh all right.

Nico: Good.

We later went back to the estate.

Me: A successful candy heist.

Laney: I can't believe he was hogging all that candy all for himself. What a pompous jerk!

Nico: Yeah.

Yakko: Yeah the guy was a total menace. We had to team him a lesson somehow.

Then Tchang Zu, Metal Sonic, Vreedle Brothers, Duff Killigan, INSTIGATOR, Carmen Dillo, El Oso, Kaos, Tchang Zu, Copperhead, and Femme Fatale appeared.

Tchang Zu: Can me, Metal Sonic, Vreedle Brothers, Duff Killigan, INSTIGATOR, Carmen Dillo, El Oso, Kaos, Tchang Zu, Copperhead, and Femme Fatale go with you guys this time?

Nico: Yes you can. And perfect timing too. We are needed back on Ra'Dos. One of the DiGata Defenders Enemies is on the move.

Eli: Whoa! Which one?

Nico: It's Lady K'tahsh. She's a dangerous assassin.

We were told about her history.

---

Many years ago, Torash was born to a Di-Gata Defender and a Yin-Tos War Master. Studying in the capital of Yin-Tos, she showed much promise and was seen as the heir apparent to replace her mother as War Master. At the outset of the Ethos War, the city of Yin-Tos was laid waste by the Ethos hordes. Little of the Yin-Tos army survived the siege, only Brackus, Doku and several other Lords of Yin-Tos escaped to rally at the Temple of Yan-Sumos with the Wizards of Yan. Torash, her father and her mother did not escape however, and it was claimed by Brackus himself that they were destroyed heroically defending the Sepulcur of Infinis.

Several years later, rumours circulated amongst the Wizards that a dark lady who resembled Torash stalked the alleys of the Wizard capital, Altamar. She killed anyone she met and these dreaded ambushes culminated in the high profile assassination of Al-Yamata, a Wizard within the inner circle of Alnar's Temple of Yan.

Her first task was to collect the first Icon to the Celestial Abyss. She ends up successfully stealing it and leaving the Defenders with the Desiccator. She also awakens the Ethos spirit inside of Von Faustien, to turn him over to the Ethos. Erik frees him from its control, but K'tahsh escapes.

Her second task was to gain control of Si'i, the human-guardian hybrid. She first asked Aa-Ron for assistance for finding him, but Aa-Ron was defeated by Seth and Rion. She later takes the matter into her own hands. After the accident in Lydia's vehicle, she kidnapped Melosa and brought her to a tribal village. Si'i lives near their village and they plan to use Melosa to flush out Si'i either as bait or a sacrifice.

At various points between these objectives, she appears every once in a while to attack the Defenders to cause troubles or retrieve the Icons for Malco, later Brackus.

She is the only one who knows of Flinch's alliance with Brackus when he drugs her water, overhearing a conversation between the two while Flinch thought she was unconscious. She doesn't do anything with him as they are both allied with Brackus. Before she was possessed, she had a relationship with Brackus. Brackus owns a locket with a picture of the two of them inside of it before her possession.

She eventually starts to lose Malco's trust because of suspicions of her loyalties to Brackus and that she is constantly failing the Ethos cause.

In "Nightfall" she has Brackus trick the children into gaining the four Icons the defenders have hidden beneath Lake Maki. Brackus succeeds and gives the icons to K'tahsh but is soon ambushed by

Malco who has Brackus brutally injured for trying to take the icons and takes them himself, while just leaving K'tahsh with a warning. Brackus dies moments later, with the Defenders holding the final Icon.

Her final task was leading her army of Sigil Slayers and Si'i to the Defender's Dojo to obliterate them once and for all. However using the power of the two ancient sigils Erik causes an earthquake causing K'tahsh to fall below to her death taking the crystal that controls the Sigil Slayers with her.

When he was done we were shocked!

Me: Whoa! We're going to have our hands full in dealing with her.

Nico: Yeah.

Ra's Al Ghul: She would have made a most promising member of the League of Assassins.

Nico: That she would have but she is a ruthless monster.

Bright Man: Nico, which Gene Slammer do you think you'll meet on your next rescue?

Nico: I'm hoping to go meet a gene-slammer for Squitstrictor's kind next.

Shanan: Wow a gene-slammer for a Cephalod-ae. They come from the planet Molluskus.

Varie: What do they look like?

Shanan: They look like this mom.

Shanan showed a picture of one.

Squidstrictor is an orange animalistic alien with a jellyfish-like head, green eyes, and a body with nine tentacles like a squid, two of which act as primary arms. The Omnitrix is located on the chest of the torso that connects the tentacles

We were amazed.

Nico: Wow! That is gonna be interesting.

Laney: Yep.

Me: So Squidward, one of the Neptune Crusaders or someone that has Squid Abilities. Or anything like that.

Octagon: Seth, mind if we go to your base?

Rhomboid: We can try some stones that you and your team like to use.

Seth: Sure guys.

Nico: Then lets head off to Ra'Dos.

Me: You'll love Ra'Dos guys. Seth and his friends and sister are actually from there. It's an amazing planet.

Camie: Wow! That is cool!

Kaina Tsutsumi: This will be awesome to see.

Tsuyu: I have a feeling it's gonna be awesome.

Me: Yep and maybe we can teach you how to use the spells they do. They are awesome.

Sirius: Wow! We would like that.

Pyrrha: I just can't believe that Cinder Fall is back. But thank goodness she is now in prison for good after how she killed me.

Thundercracker: Don't worry, Pyrrha. Sooner or later, Cinder will somehow get out of prison. When she does, you'll be there waiting for her.

Nico: Yeah Pyrrha. You deserve to use the Black Gates on her after everything she did to you.

Me: I agree there.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal, and he saw who the figure was in the vision: it was none other than Death, another of Dr. Curien's zombie creatures, and he's come here to kill us. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is there someone else coming after us?

Lincoln: Afraid so, Nico, and none of us are going to like it one bit: the dark energy signal I sensed belonged to Death, another of Dr. Curien's zombie creatures, and he's come here to kill us.

We gasped in shock.

Silver the Hedgehog: What? But, I thought we killed all of the zombies in the world of House of The Dead, while you and Colette Brunel went after Caleb Goldman last year, Lincoln.

Lincoln: We did, but he was hiding out in the EFI Research Facility, and not at Curien Mansion, the place where the horrible tragedies occurred, Silver.

Sonic the Hedgehog: But, just like the other zombies that were unleashed by Curien, Death's head is his weak spot. So, who's going to face him?

Illusen the Earth Faerie: That'll be me and Lincoln, Sonic.

Lincoln: That's right, we're not letting this zombie brute go, he's going to die here and now.

Shadow the Hedgehog: Hmm.

Nico: Is something wrong, Shadow?

Shadow the Hedgehog: Actually, something's been troubling me. We did kill every last zombie in the world of House of the Dead, and Colette Brunel and Lincoln killed Caleb Goldman last year. But, from what we've seen, there may be a possibility that Dr. Curien and his creations could one day return from the dead.

We gasped in shock at that possibility.

Silver the Hedgehog: If that happens, Shadow, we'll make sure that Dr. Curien and all the other DBR Corporation monstrosities created by that madman are destroyed for good.

Nico: That's right.

Lincoln: And there's also another good thing: the world of House of the Dead hasn't merged with our world, so we can head to the world of House of the Dead and destroy the DBR Corporation facilities there, along with the dreaded Curien Mansion.

Me: The very place where that whole nightmare began, that's perfect, big guy.

Silver the Hedgehog: If Dr. Curien comes back and if he's in his Wheel of Fate form, allow me to face and kill him.

Nico: Okay, Silver, you got it.

We were off to Ra'Dos.

PLANET RA'DOS

We arrived.

Me: Everyone welcome to the planet Ra'Dos.

Everyone that hadn't been to Ra'Dos before was amazed.

Kaos: Nice place.

Sirius: It sure looks like a nice planet.

Me: Before we came here it was ANYTHING BUT Nice.

Seth: Yeah we have many enemies roaming around.

Me: We actually found this planet in a far away system in the Hydra Galaxy Cluster, 157 million light-years away from Earth.

I went over the history of Ra'Dos.

---

The humans, or RaDosians, of this world came from another planet. The planet's inhabitants were mostly dark-skinned, white haired individuals with glowing blue eyes. However, these people were struck with a life-destroying Toten'Ka virus, which had spread across their planet and killed millions. A small team of RaDos Primes (the name of these original aliens) escaped from their planet on a starship. These original humans eventually crash landed in RaDos. The sun and atmosphere of RaDos began to take effect on their physical forms, turning them into the people of the current timeline. But in doing so, they eventually exiled the original inhabitants, the Mortigarians, a race of amphibious snake-like humanoids to live under the sea. The people that live in RaDos as of the current timeline are the descendants of these first RaDosians.

Before the humans arrived in this world, mystical beings called the Primordials roamed the realm. Their bodies used mystical energies as their life force. As they died, their life force leeched into the rocks of Di-Gata Mountains. Humans soon crash landed on the planet, caused by a stowaway creature named the Wrath-norak and a virus from their dying planet. Under Rados' sun, man's skin colour soon changed. Man was then able to mine the enchanted rocks found in the mountains, but were only able to recover energy from eight of the eleven sigils. Many rocks were mined by man, then carved into dice-like Di-Gata stones, and these were then carved with the sigil their power contained. From this point onward, anyone who used these stones were called stone casters or stone-slingers. It was believed that the first people who used these stones of power were called the Chi'Brek Tribe. This tribe was also the first tribe to document the arrival of the human race onto the planet.

There are currently ten known power forms in RaDos called Sigils. These sigils take up energy forms inside of Di-Gata Stones. But because the power of one sigil isn't as strong as the other, multiple sigils must be used, creating Henges. This creates a far greater concentration of power. However, some sigils do not need to be formed into henges, due to the extreme power that is contained within them (Vitus and Nostrum Vitae). The thirteen Power Sigils are:

Ogama - (Order)

Dako - (Chaos)

Yin - (Youth)

Yan - (Wisdom)

Altas - (Balance)

Nega - (Force)

Sum - (Peace)

Infinis - (Eternity)

Vitus - (Renewal)

Nostrum Vitae - (Life - Unconfirmed)

Ethos - (Stagnation)

Orn-Ra - (The First Sigil)

Mal-Ra - (The Last Sigil)

"The beginning and the end, both portions of the whole, both parts of a cycle without end. See that they are the one and the same and achieve balance"

Casters choose how many Sigils to use and their combination. A single Sigil was not very powerful on its own, but combining multiple Sigils often led to unpredictable and uncontrollable powers. Most casters choose to specialize in only one or two sigils, to make sure they retain complete control of their power at all times. Otherwise, miscasting (where the forming of the Henge doesn't perform correctly) would become common and hazardous to both the caster or their allies.

In short, these stones contain great power. However, some were not using it for the purposes for good. The Wizards of Yan, a powerful order of RaDos' most powerful wizards and stone-casters formed a group, the Di-Gata Defenders. These Defenders were trained to use these stones to police the realm against those who would use such power for evil purposes.

But amongst their own ranks, a wizard named Nazmul wanted to keep all the power of the realm for himself. So he recruited powerful stone casters of his own and formed the Order of Infinis. Nazmul's goal was to achieve eternal life by any means necessary and establish his own rule in RaDos.

As the Order continued to flourish, Nazmul managed to find a way to re-create a guardian called the Megalith using a large portion of the Realm's energy. This beast had unparalleled power and virtually made Nazmul invincible. The creation of the Megalith forced the Di-Gata Defenders of the previous generation to engage it. The Wizards of Yan came up with a ritual, the Spell of Binding to counter this unbeatable foe. They hired Brim, a stone-carver to create the four Pure Stones, which were the casting mediums for this spell.

In the final battle, they used the Four Pure stones against the Megalith and sealed him within the Pure Stones using the Machine of Binding. However, the generation of Di-Gata Defenders made the ultimate sacrifice and also destroyed a portion of the land around the Machine. Nazmul's first body ends up being destroyed as well.

Four of the five children of the original Defenders were then taken to a secret Dojo (Adam was the fifth child but was taken by Brackus after his parents died as revealed in the episode, "The Adam and Eve of Destruction"), to go for training to prepare for the day when the Megalith should break free from his seal. After sensing the Megalith was about to come forth, they left their Dojo behind and ventured forth into the realm, to continue where their parents left behind - to seal the Megalith once more and stop anyone who dares to relive their horrifying incident.

However, they do succeed in stopping the Megalith, and crush the Order. Instead of sealing the Megalith as they first planned, they destroyed it with their combined efforts. For if they had proceeded with the seal, it would have brought forth the apocalypse of RaDos. The sealing was meant to be a cycle, to not only keep the Megalith imprisoned but also to keep the Di-Gata vampires known as the Ethos in check. The Ethos want one thing: to merge their world with RaDos, so they can have an unlimited supply of Di-gata energy, which when depleted, could very well bring the end of life to the entire realm. Now with the assistance of Rion, the six Defenders must now stop this ancient evil, as recompense for breaking the cycle and to save RaDos.

Eventually they discover a machine called the Celestial Abyss created by Filch to keep the Ethos out of Rados. They set out to find it only to discover that the wizards have scattered different pieces of it all over Rados. They find all of the pieces except for one, which is with Filch and Malco. Malco steals the rest of the pieces and Filch builds the machine. This unleashes the Ethos who reveal that Malco is possessed by one of them and they destroy him. The Defenders also receive a terrible blow as Rion gives in to his Ethonosian half. Adam turns him human just before the life force is sucked out of him and the others. Rion unleashes his anger and remorse by transforming the Celestial Abyss into his armour and defeating the Ethos after which Rados and her people go back to normal.

---

When I was finished, everyone that hadn't heard about it was shocked!

Sirius: Whoa! That is intense!

Tsuyu: No kidding!

Kraven: (Russian Accent) We are sorry about your parents.

Tsuyu: Yeah that was awful.

Seth: It's all right guys.

Kara: But we're all here and all right.

We went into the base of the Di-Gata Defenders.

Seth: This is our base.

Laney: Wow just like when we first saw it.

Sirius: It's really amazing.

Ochaco: Yeah it sure is.

El Oso: (Spanish Accent) So, your parents were the previous Di Gata Defenders?

Seth: That's right and our mission like our parents before us was to destroy the forces of evil that threaten the planet. The biggest enemy that we have ever faced was the Megalith.

He told us about the Megalith and how dangerous it was.

---

The Megalith is an ancient creature that feeds on energy from the realm. It takes the form of a giant crustacean, with each of the eight power sigils engraved in the rocks on its back.

It attacks by firing a powerful energy beam from its mouth, and by reaching out with its tentacles to feed on energy. Its power is so great that it can manipulate and influence objects near it, and possess RaDosians.

Binding the Megalith was done in cycles, documented as far back as the Bakkorian period in "The Cycle". Nazmul was able to take control of the Megalith by carving it a guardian stone with Sari, and cast a spell that drained a lot of the realm's sigil energy to feed it to the Megalith.

The Pure Stones and the Machine of Binding were a new development by the Wizards of Yan, and concealed the Megalith's power into the four stones. However, it caused a large amount of damage to RaDos each time the Spell of Binding was cast. During the last Spell of Binding, it shattered the entirety of the Spell Zone and killed the Wizards of Yan and Defenders' parents. As the years went by, it slowly began to break through the seal again.

Inside the Pure Stones, the Megalith has created its own plane of existence which appears as a smog-filled wasteland. In "One Down", it overpowers Mel after she touches the Dako Pure Stone, and her mind enters the Megalith's realm. Inside she encounters both Nazmul and Alnar, who urge her to join the Order of Infinis in their quest for immortality. In "Dark Descent", after being fired at by an energy beam Seth is pulled into the Yan Pure Stone. He finds the Megalith, which has taken on Mel's form. It remarks that the Defenders will fall and begins to attack him, but is defeated by Kragus allowing Seth to escape.

The Defenders manage to get their hands on all four Pure Stones, but were warned previous times by Sari and Brim about just how devastating the spell was. They do not realize this until the Spell Zone is being torn apart by the Spell of Binding, and by Nazmul explaining it to Seth during their battle. Although it would seal the Megalith forever, it would have completely destroyed RaDos.

They stop the Spell of Binding by destroying the machine before it is complete. The Megalith breaks free of its prison, and is immediately attracted to Nazmul's energy in the Nova Stone. It shoots energy beams at Seth until he hides in a nearby forest, and extends its tentacles to reach him. Seth puts the Nova Stone in the Yan-Altas Container causing it to lose interest and leave.

At a nearby farm, the Megalith fires a lightning bolt onto the home to possess the old woman living there. While engaging in combat with Seth, she fires a powerful energy blast that separates Kragus from him. She tells him that one she regenerates her power by feasting on the stones of Arboth, all of RaDos will burn. Before she destroys Seth, she is knocked unconscious by Omniaxor allowing Mel to release her from the Megalith's power. The Defenders then realize that this was just a distraction, as the Megalith is weak and needs to feed.

They use Flinch's teleporter to reach Arboth just as the Megalith prepares to feed. Seth opens the Yan-Altas Container to attract its attention and they attempt to incapacitate the Megalith. The Defenders cast their guardians as a distraction for them to use the Warrior Henge, and channel it through Kara for a powerful blast of energy. However, it is not enough power and the Megalith uses the energy to pull her to it. In a last ditch effort Seth casts the Nova Stone into Kara, which creates a blast so strong that it destroys the Megalith once and for all. It dissipates into the air as its energy returns to the realm.

When it was done we were shocked!

Nico: Whoa!

Eli: That is bad.

Laney: Yeah.

Sirius: What enemies have you all faced here on Ra'Dos when you came here?

Me: Lets see. We destroyed Nazmul and the Cultists of the Celestial Light. And I think that's it but I am not really sure.

Eli: But we got their most dangerous enemies on the run.

Elena Validus: I'm sure your parents are very proud of you guys.

Seth: I know they would be very proud of us.

Kara: Yes they would.

Nico: Yeah.

Taylor (Loud House): I'll never forget going with you guys to Ra'Dos for the first time. That was awesome.

Laney: It sure was Taylor.

Ets: It was my first ever time on an alien world.

Nico: Yeah.

Seth: Anyway how about we pass the time to teach more spells for you all?

Sirius: We would like that.

INSTIGATOR: I'd like to learn Flash Blast.

Me: Now now. There are many spells to learn.

Nico: Lets get to it.

We got to learning the spells of RaDos. We learned so many of them and made all sorts of new combos and new spells too. They were really amazing.

Nico: Wow they are amazing.

Minerva Mink: Those spells are really amazing.

Lincoln: Yeah they sure are.

Bertie: How about I demonstrate Flash Blast first?

Nico: Go for it.

Nico formed into a training dummy in the shape of Rita Repulsa.

Bertie: FLASH BLAST!

She formed a rune and fired a blast of energy and it slammed into the statue and exploded!

KRABBBBBOOOOOOOOOOOOOOOOOOOOOOMMMMM!

Nico: YEAH!

Me: Wow!

Sirius: That was amazing! Let me see here.

Eli formed a bunch of statues that looked like the villains of MHA.

Sirius: FLAMING VORTEX!

She fired a vortex of fire and it slammed into the statues and incinerated them into dust!

Eli: WOW!

Ibara: That is amazing!

Duff Killigan: (Scottish Accent) My turn!

Nico formed a dummy in the shape of Drakken.

Duff Killigan: INCINERATOR!

He fired a ball of fire and it hit the statue and exploded on contact!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It was blasted into splinters.

Nico: Take that Drakken!

Laney: Yeah! My turn! SCREAMING PINWHEEL!

Laney fired spinning energy wheels and they slashed a dummy that looked like Edgar the Bug and reduced it to dust.

Emerald Sustrai: I'll go next. Think of it as thanks for kicking Cinder's ass.

Nico: Awesome! Sure.

Nico formed a statue that looks like Cinder Fall.

Emerald Sustrai: DOOM DART!

She fired an energy dart and it hit the statue and slashed it apart and destroyed it.

Nico: YEAH!

Femme Fatale: I'll go next!

Nico summoned a bunch of statues that looked like a bunch of men she hated.

Femme Fatale: ROCK SHARDS!

She fired a massive rock shower and smashed the statues!

Nico: AWESOME!

Red Lantern Ratchet: I'm up next!

Nico summoned a bunch of statues that looked like the Sullen Six.

Red Lantern Ratchet: BLACK TORPEDO!

He fired a black energy spear and skewered the statues in an instant.

Nico: ALL RIGHT!

Me: May I try one?

Nico: Sure.

Nico summoned a statue that looked like All For One.

Me: CONGREGATION OF YIN!

I summoned a bunch of orbs of fire and threw them and smashed them into the statue and destroyed it in a powerful explosion!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM

Nico: YEAH!

Eli: That was awesome!

Seth: Yeah!

Nico: Yeah!

Copperhead: Can I go next?

Nico: Sure why not. But then we got to get ready.

Copperhead: Okay.

Nico made a statue that looked like Lex Luthor.

Copperhead: SHIELD BREAKERS!

He fired a shower of Explosive Knives and they hit the statue and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: WHOA!

Leni: That was totes amazing!

Me: Yeah!

Eli: (Senses something) And just in time too! I sense that our target is close!

Tso Lan: I hate to interrupt. But it's time to go after our target.

Nico: Then lets do it.

We went to find our target. The only way to do that was to search while hiding in the clouds. We saw a shadowing figure zoom fast.

Nico: There she is. Lets go.

We went for the entrance.

Lady K'tahsh was running and then a massive wall of fire stopped her. Then the spirits of the Elements of Harmony and the Female Duelists appeared and swirled around her and then they converged and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above her and fireballs rained down and hit her all over and smashed her all over the place. Then a phoenix cry was heard and we came out.

Nico: Lady K'Tahsh. Time for you to die.

Lady K'Tahsh threw a bunch of Knives and Nico caught them and threw them back and cut her all over.

Nico: For an assassin you sure are a bad one.

Me: Yeah!

Eli: What's a matter? Cat got your tongue?

Lady K'Tahsh: You will pay for making a fool of me!

Me: Well well you can speak after all. I was afraid you were the strong silent type.

Metal Sonic: Scanning target for weak points.

Nico: Looks like her ego is her weakness.

Nico teleported and elbowed her in the face and kicked her in her stomach and then smashed her in her face and kicked her into a tree.

Agony: Not gonna say anything?

Nico: I would suggest that you start praying.

Lady K'Tahsh: I will never bow to the likes of you! Not until you die!

Eli: Good luck with that one!

Eli fired a blast of Force Lightning and electrocuted her all over!

Sirius: FLAME VORTEX!

She fired a vortex of fire and burned Lady K'Tahsh all over.

Nico: You got it!

Nico picked up Carmen Dillo and threw him and then…

KRASMASH!

Right into her face! OUCH!

Nico: YEAH!

Then Waffle Woman, Katnappe, Roquefort, Common Cold, Xaldin, Technus, Salami Swami, Dr. Viktor, Demyx, Heatwave, Dai Gui and Vulture appeared!

Nico: Waffle Woman, Katnappe, Roquefort, Common Cold, Xaldin, Technus, Salami Swami, Dr. Viktor, Demyx, Heatwave, Dai Gui and Vulture.

Waffle Woman: It's been a while since you guys fought one of Seth's enemies.

Maria: I know.

Nico: Boy no kidding.

Katnappe: This is probably your third one.

Me: Yes it is.

Roquefort: It probably won't be the last.

Eli: No it won't.

Common Cold: (to Nico) We heard you fought the Fairy Godmother.

Nico: Boy did we ever!

Technus: Was it really a big battle?

Me: It sure was! She brought back Cinder Fall, Tyrian Callows, Xemnas and even Faora who is one of General Zod's followers.

Technus: WHOA!

Xaldin: How is that possible!?

Me: Her magic is powerful.

The Wolfblades appeared.

Nico: Wolfblades.

Wolfblades: Yep.

Me: Cool.

Wolfblades: I hope you Rangers use those new spells against us.

Shane Clarke: That would be awesome.

Me: Yeah it sure would be awesome.

Leni: Totes cool.

We got the usual battles underway.

Nico: We took down that bad outlaw and he's now in the M.O.E. But also Lincoln showed his immunity to poisons by drinking Nasty's usual drink.

Roquefort: Which was?

Nico: Nasty Canasta has a drink made from Hydrogen Bitters, Old Panther and Cobra Fang Juice. It was so potent that it was unbelievable! It made Daffy Duck and Porky Pig go flying.

Roquefort: YUCK! That must've been a dangerous, poisonous and deadly drink!

Katnappe: Uh oh what happened?

Starlight Glimmer: He own mother is insane and she tried to kill her twice. J.D. said she suffers from a form of psychosis that he saw before called Capgras Delusion.

Katnappe: What's that?

Starlight Glimmer: It's where the one afflicted with it believes that the person, object or pet they have was replaced with an imposter. It's usually associated in people with Schizophrenia and people with Neurodegenerative Disorders.

Katnappe: Oh man! That's horrible! I'm glad she's all right.

Cozy Glow: Me too! Poor Carly.

She broke out 20 years ago after being found guilty of murder by reason of insanity and sentenced to Life Without Parole there. She got plastic surgery and altered her appearance and went on the run and got a new name. She married and had Carly. She was sent back to the nuthouse for good after what she tried to do.

Fluttershy: Boy that was awful.

Tornado Bolt: Yeah it was terrible.

Stealth Elf: Yeah and now she is in the Saturn Insane Asylum.

Whirlwind: I agree there.

Golden Queen: Yes she was born rusted out.

Gulper: Gulper agree too.

Wolfgang: (Australian Accent) I feel sorry for her though mates.

Chompy Mage: Boy me too. Don't you Chompy Puppet? (Through Chompy Puppet) I sure do.

Dr. Krankcase: I may be a doctor but the brain is not my field of science.

Then, we saw a hulking and huge undead security guard with a skull-studded club appear before us, it was none other than Death, one of the EFI Research Facility's monstrosities.

Lincoln: I was definitely right that another of Curien's creations was here.

Nico: Death, the one-man security officer of the EFI Research Facility, he's not going to be easy to take down.

Illusen the Earth Faerie: But, we're not going to let him get away with trying to kill us all.

Suddenly, Illusen the Earth Faerie's green eyes turned neon green, and she was surrounded by a green energy aura with plants, leaves, and Earth faeries, she got out her massive Neopia's Magic Staff of Magical Justice, and as she approached Death, she green energy, plants, leaves, and Earth faeries with every step. Illusen the Earth Faerie has transformed into SUPER ANGEL INFINITY TRUE LOVE KEY EARTH FAERIE OF NEOPIA JUSTICE AND MAGICAL LOVE!

We were amazed by Illusen the Earth Faerie's Super Angel Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Death saw it, the brute zombie fell into a rage and tried to swat her with his club, but Illusen the Earth Faerie fired a powerful blast of green energy with earth faeries and magic, and it hit the hulking zombie guard, and tied him up in green vines so strong, he couldn't get out.

Nico: Wow, Illusen the Earth Faerie's transformed, that's so awesome.

Me: You said it, and that hulking zombie doesn't stand a chance against her.

Lincoln: Wow, Illusen, you look beautiful. How do you feel?

Illusen the Earth Faerie: (Divine Echoing Cosmic Voice of the Earth Faerie and Divine Love) **I feel incredible, Linky. Now, shall we administer Claudio's punishment?**

Lincoln: (Smiles) With pleasure, Illusen.

Lincoln unholstered his massive Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Illusen the Earth Faerie.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Let's put that zombie seven feet under.**

Lincoln and Illusen the Earth Faerie went after Death, and they fire powerful blasts of rainbow energy, green energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Earth Faeries, at Death's head, and they exploded with incredible power as they hit the zombie. Then, Lincoln attacked him with his massive Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds, and left painful scars on Death's head, and Illusen the Earth Faerie fired powerful green energy blasts from her staff, and it hit him.

Then, Lincoln and Illusen the Earth Faerie fired a barrage of powerful energy beams, which hit Death, and exploded with incredible power, killing it, and his spirit was condemned to the Black Gates for all eternity, and his spirit was erased forever. We cheer wildly for what Lincoln and Illusen the Earth Faerie did as they holster their weapons and power down, and Illusen the Earth Faerie's new body, clothes, weapons, jewelry, and massive fairy wings are permanent.

Illusen the Earth Faerie: That's it for yet another of Dr. Curien's mad creations. Thank you for helping me take care of that zombie, Linky.

Lincoln: (Smiles Warmly) You're welcome, Illusen.

Suddenly, Illusen the Earth Faerie wrapped her arms around Lincoln's waist, and it brought an atomic blush to Lincoln's face, as he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into an embrace, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Illusen the Earth Faerie's face, they kissed passionately as Illusen the Earth Faerie wraps her left arm around Lincoln's wider and muscular back, and she placed her left hand on Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Earth Faerie flying in the air, and we also saw a herd of Buffalo running across the field, along with plants growing around them, and the display of the elemental forces behind them, and we cheered for them.

Nico: Wow, that's so beautiful.

Tormund Ellis: Lady Illusen and Lincoln both worked together as a team to put an end to another one of Dr. Curien's mad creations, and they're also an amazing couple.

Roberta: You said it, Tor.

Silver the Hedgehog: Now that another of Dr. Curien's mad creations have been dealt with, we'll also have to keep an eye out for more of them, including the mad Dr. Curien.

Nico: You said it, Silver, and like Lincoln said, the world of House of the Dead hasn't merged with our world, which means, we'll make sure that the EFI Research Facilities are destroyed for good, along with the very place where those tragedies have occurred, Curien Mansion.

Sonic the Hedgehog: Dr. Curien may have wanted to create a cure to save his son, Daniel, but he was playing with forces that were beyond his control, and in the end, he paid for it when he descended into madness and tried to destroy mankind, what a monster.

Silver the Hedgehog: You said it, Sonic. And when I find Dr. Curien, I will kill him, along with his other partner, Thornheart, and the both of them will join Caleb Goldman in Oblivion for good.

Lincoln: You got that right, Silver.

Seth: (To the viewers) This was an awesome adventure on Ra'Dos and it was great that we took down another villiain.

Laney: It sure is.

Nico: Yep. But great job everyone! Lets go back to Earth and celebrate.

We cheered and we went back to Earth and had a great lunch at Lynn's Table. And then we went back to the estate and enjoyed the rest of the day and went to sleep.

Another awesome fanfic almost done. But the Guest Reviewer is back.

This was the 3rd installment of the Di-Gata Defenders chapters. 2 were chapters and one was a rescue. This was awesome. The first part was for where we faced Fairy Godmother in the world of Shrek and it was awesome. The second part was for the Looney Tunes cartoon Drip Along Daffy and that was one of my all time favorites. Funny too. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, EtstheClarenceandTLHfan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Nico's next rescue is gonna be a really awesome and cool one as Nico, Aquaman, Carol Pusateri, May, Maria, Varie, me, Eli, Kaina Tsutsumi, Camie, Himiko, Ibara, Sirius, Tsuyu, Ochaco, Lincoln, Lana, Lola, Lisa and Lily are going into the Looney Tunes cartoon Rocket Squad and we're going into the future to take down the Flying Saucer Bandit and we're going to help Daffy Duck and Porky Pig as Detectives Joe Monday and Tuesday. This time however we're going to make sure that the Flying Saucer Bandit's goose is cooked! We're also going to meet a Cephalod-ae Gene-Slammer named Melissa Edinborough. Melissa is from Scotland and she is one of Nico's Awesome friends from Marine Biology classes. She knows so much about fish and more. Now she is a gene-slammer for a Cephalod-ae. The next rescue for Lincoln is gonna be in the Tiny Toons cartoon called Sawdust and Toonsil and we're going to rescue not only the animals that Silas Wonder took from Wackyland but we're also going to meet 2 Gene-Slammers. One that was gene-slammed with a Sphinx of Uthuun from Magic the Gathering and another that was gene-slammed with a Light and Darkness Dragon from Yu-Gi-Oh. They are the Salazar Twins named Ruby and Sapphire. Ruby is the Sphinx of Uthuun and Sapphire is the Light and Darkness Dragon. They both have awesome powers over Fire and Ice and they have a REALLY NASTY HATRED towards Nurse Sue, the Former Nurse of Sunset Canyon Retirement Home. Hold on to your sides everyone because it's time for another awesome set of humiliations as we do a chapter for a Humiliation of Flip, Bubble Bass, Lewis Travolta, Billy McLean and Amy and we're going to give those dirtbags a pranking and humiliation fest like no other!

See you all tomorrow!

In the early morning hours at 2:53 AM, Lincoln had a dream, and he saw four figures who was hiding out and living in the streets of Cairo, Egypt. But, they were no ordinary four figures, their were Zeta "Silver" Telekinetic, the daughter of Lincoln's future wife, Trixie Lulamoon. And Frostbyte, Princess Frozen, and Grindcore, the children of Lincoln's future wife, Ester. Lincoln woke up from the dream, but he wasn't the only one, Trixie Lulamoon, Ester, Lori Loud, Nico, and I also had the same dream.

Lincoln: Trixie, Ester, Lori, J.D., Nico, did you guys have that same dream as me?

Lori: We sure did, bro.

Ester: And it also means that we found out where our kids is at.

Trixie Lulamoon: But the question is, Where?

Me: they're at Cairo, Egypt.

Nico: Oh man, that's not good. Out on the streets in Cairo, Egypt, is not a safe place for them.

Lincoln: That's right, Nico. Come on, we're going to rescue them, and bring them to the Estate. Zeta Telekinetic, Frostbyte, Princess Frozen, and Grindcore are my kids now, and I'm not letting kids like them suffer life on the streets. They needs to be home again in the arms of their mother and their new father.

Lori: You got that right, bro.

Lincoln, Lori Loud, Ester, Me, and Nico were heading to Cairo, Egypt. Then, Lincoln saw a young centaur who has long silver hair and blue legs and her human half has a orange long sleeve shirt with a black vest and a big, long, flowing black and purple magician cape. She has a cutie mark in a shape of a thunderbird with magic element around it. A 13-years-old French Girl who has light blue skin with blonde hair in braided style, blue eyes, rosy cheeks, thin pink lips and a tiara with a diamond-shape at the top. She wears the black suit with icy blue armors, shoulder plates, frozen gauntlets-like, cyan transparent skirt-like and cyan open-toe ballet flats. A 10 year old Iguana/Human girl who has shimmery light blue scales with small spikes around her face, and long icy blue hair that's tied back into a ponytail. She has teal eyes and icicle earrings, and blue lipstick. She has four pointed fins reaching down her back. She wears a dark blue coat with a snowy neck collar and has a blue lightning design with a snowflake in the middle. She wears an ice belt around her waist. She also wears long white boots with blue tips. and a muscular humanoid green and orangish brown wood-like dragon with two horns, big dragon wings, his tail has a black mace on it, And dark green stone-like spikes each shaped like the dorsal fin of a shark run down his spine from the top of his neck to a black mace on the end of his tail. Lincoln saw who they was, it was Zeta "Silver" Telekinetic, Frostbyte, Princess Frozen and Grindcore.

Lincoln: Excuse me, are you Zeta Telekinetic, Frostbyte, Princess Frozen and Grindcore?

Frostbyte: Yes, we are, And who are you?

Lincoln: I'm Lincoln Loud of Team Loud Phoenix Storm, and this is my older sister, Lori Loud, my older brother and former leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and current leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know all too well.

Then, Trixie Lulamoon and Ester came out, and when Zeta "Silver" Telekinetic, Frostbyte, Princess Frozen, and Grindcore saw them, they were stunned.

Princess Frozen: Mom, is that you?

Ester: Yes, little princess, it's me.

Zeta "Silver" Telekinetic, Frostbyte, Princess Frozen, and Grindcore ran up to Trixie Lulamoon and Ester, and they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, and Lori.

Lincoln: And there's something you should know, Ester, your mother is one of my many future wives.

Zeta "Silver" Telekinetic, Frostbyte and Princess Frozen: That means… you're our father.

Lincoln smiled, and that filled Zeta "Silver Telekinetic, Frostbyte, Princess Frozen, and Grindcore with joy, as he picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Zeta "Silver" Telekinetic, Frostbyte, Princess Frozen, and Grindcore to the rest of his siblings, who are now their aunts. We were proud of what Lincoln did in reuniting Trixie Lulamoon and Ester with their kids, and they now has a loving, strong, brave, and caring father in their life.

Daffy Duck: (Narrating) Wednesday, January 23rd 10:42 PM…

Porky Pig: (Correcting) 10:46.

Daffy Duck: Like I said, 10:46 PM. We returned to headquarters.

We arrived at the Interplanetary Police Force HQ and we landed on the 17,000th Floor.

Nico: Arthur, I'm sorry you ended up being the one to kill your brother.

Aquaman: It's all right Nico. But I had no other choice or the world would have been destroyed.

Me: Yeah he deserved it.

We walked into the building and went into a red Pneumonic Tube pod and then it closed and we were sent flying through a red tube and onto a pad and a machine shook us out and we landed on the floor in a heap.

Me: Ow.

Nico: Wow that is amazing and fast.

Porky Pig: Isn't modern science wonderful? People used to have to use the stairs.

Nico: Boy no kidding

Carol Pusateri: Yeah but wow.

Daffy Duck: (Narrating) 10:52, back at the old desk. Waiting for a call from the chief. Half a cops life is spent in waiting. 10:53, the chief calls.

The Chief: Joe come right over please. I need your help immediately.

Daffy Duck: Right.

We went over to him and the chief was begging for our help.

Daffy Duck: (Narrating) My interview with the chief was brief and to the point. He wanted me to find out who the Flying Saucer Bandit was and then to place him under arrest. I consented. 11:07, we went to the scene of the crime.

Nico: I think Mr. Mind recruited Ocean Master because there was no suitable villain from Kameo's world to recruit.

Eli: That could be the case.

Lola: Yeah it could be.

We teleported to the Scene of the Crime which was the First National Bank of Jupiter.

Daffy Duck: 11:21, Checked in at the scene of the crime. The Crime Robots were on the job. They were searching out and collecting vital bits of evidence. Picking up suspicious footprints. Gathering up suspicious looking objects. No clue was too small to escape their notice.

Me: Those robots are awesome.

Eli: Yeah.

We later returned to HQ.

Daffy Duck: (Narrating) 12:15 AM, we returned to headquarters with the clues.

Porky Pig: A cops life isn't all beer and skittles you know.

We dumped the clues into a machine and it was analyzing them.

Daffy Duck: (Narrating) Now all the facilities of the great modern crime lab were brought to bear.

And then out came a player piano song card and played it.

MOTHER AND MACHREE PLAYS.

Daffy Duck: (Narrating) We identified the name of that song.

Daffy Duck: Mother and Machree.

Daffy Duck: (Narrating) We proceeded to the McRee file.

Daffy pulled out a drawer and the file of Machree was a big one!

Daffy Duck: It was a long one. We finally found what we were after..

Porky pulled out a picture of him.

Me: George "Mother" Machree, Alias "Danny Boy; Wild Irish Mose; Eddie The Fagan."

Nico: Wow! He is really crafty.

Lana: And his record is the longest ever.

Daffy Duck: (Narrating) This criminal was so clever he had never been suspected of anything.

Nico: Now, if I were a Flying Saucer Bandit, where would I hide?

Daffy Duck: (Narrating) The case was beginning to heat up. Our next step was the Criminal-Detecto Set.

Daffy pressed his button and it revealed he was at a sandwich shop.

Daffy Duck: (Narrating) Machree was found to be at Elsa's Blast-Inn, selecting a sandwich.

Me: That's where we're off to.

Nico: Also, can we do our entrance during this rescue?

Me: Lets do it.

We were off to get him.

Daffy Duck: (Narrating) 12:40 AM, he selected a pastrami on rye with mustard. That figured. We didn't have much time. He was a notoriously fast eater!

Suddenly Machree was surrounded by the spirits of the Teen Titans and W.I.T.C.H. and they converged all around him and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out above him and a phoenix cry was heard and then we came out.

Me: You're under arrest Machree!

Daffy Duck: (Narrating) Like all criminals, he had an elaborate alibi prepared.

Machree: I didn't do nothing, I didn't do nothing, Like I said I didn't do nothing!

?: (Scottish Accent) That's what they all say now!

A Cephalod-ae came out and grabbed him!

Nico: Whoa!

Cephalod-ae: (In a girls voice) Looks like you guys did great helping me found this clod now.

Nico: Melissa Edinborough? Whoa!

It slapped the cuffs on Machree and we searched his flying saucer and found stolen money by the billions and more!

Nico: There's the money!

Me: Yep this is it all right.

Machree: I didn't do nothing!

Me: Yeah yeah that's what they all say.

Eli: Tell it to the judge bub!

We got him arrested and the money was all recovered.

Sirius: Boy that was really easy.

Melissa reverted back and she was a girl with blond hair and yellow clothes.

Melissa Edinborough: (Scottish Accent) Aye now that was a good capture.

Aquaman: What's your favorite memory of Nico?

Melissa Edinborough: I have a lot of favorite memories with him now. But I would have to say me and Nico studying for a really hard test on the ocean and we saw a nasty bully cheating and then we turned him in and he swore to kill us.

Nico: We sure did stop him. He was a total fink for taking the easy way.

Eli: No honor in that.

Me: No there isn't. Also Melissa did you know that Lincoln and his family are all descended from Scotland?

Lincoln: It's true. During the battle with Team Dark Phoenix Storm we found out that we have Scotland in our blood and we found out that our ancestors were the king and queen of Loch Loud.

Melissa Edinborough: Ach that is really amazing laddie! I've heard so much about that now.

Nico: It sure is awesome.

Nico and Melissa hugged.

Nico: I really missed you.

Melissa Edinborough: Ach me too Nico.

Me: This was an awesome rescue though.

Lana: It sure was.

Tsuyu: And we busted a dangerous criminal here in the future.

Kaina Tsutsumi: We sure did and it was so awesome.

Aquaman: Really fun.

We later went back home. The Flying Saucer Bandit was sentenced to 999 years in Federal Prison.'

Nico: That's right, big guy.

Buster Bunny: Gogo told us that Silas Wonder has kidnapped his friends from Wackyland and put them in his circus. We got to get them out and back to Wackyland at once.

Me: And we're also going to kill Silas Wonder.

Lincoln: That's right, J.D. And thanks for joining us on our rescue, Mera.

Mera: You're welcome, Lincoln. This is going to be one awesome and wacky rescue.

Nico: (Laughs) You said it.

We then saw the train which was the center of Silas' circus, and we met up with Gogo Dodo, and we got to work by freeing his friends from the cages in secret without warning Silas Wonder. We then got everyone back to Wackyland, and when Silas Wonder saw the empty cages, he was already seeing red and steam came out of his ears.

Lincoln: Alright, we got Gogo and his friends back to Wackyland, and now, all that's left is to get rid of Silas Wonder.

?: HELP!

Suddenly, Lincoln heard the sound of eight girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye of The Buddha, and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the eight girls, but they've been cornered by Silas Wonder, and he's going to kill them.

Lincoln: Guys, I found the eight girls, but they've been cornered by Silas Wonder, and he's going to kill them.

?: That evil so-called circus owner.

?: Let's get him!

Suddenly, we saw a Sphinx of Uthuun and Light and Darkness Dragon appear before us.

Me: Whoa, that's the Sphinx of Uthuun from Magic the Gathering and the Light and Darkness Dragon Duel Monster.

Lincoln: And I recognized those voices from anywhere, I knew it was you, Ruby and Sapphire Salazar, but we'll have to talk later. We got an evil circus owner to kill.

We rushed on over, and Lincoln fired powerful rainbow energy balls at Silas Wonder, and that allowed the eight girls to get away. When Silas Wonder saw us, he was enraged.

Silas Wonder: Do you fools realize what you've done?! You've ruined my circus!

Lincoln: What you've done is taken the animals of Wackyland from their home and subjected them to abuse and suffering, and now, you've left us no choice. It's time for you to die, Silas Wonder.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Time to die, Silas Wonder. CONGREGATION OF YIN AND YANG!

Lincoln summoned a bunch of orbs of light and darkness, and he threw them and they smashed into Silas Wonder and exploded with incredible power, killing him and erasing him from existence when he was sent to the Black Gates forever. We cheered wildly as we holster our weapons and power down.

Nico: Whoa, was that a new RaDos spell you used, Lincoln?

Lincoln: Yep, it's just like J.D.'s Congregation of Yin, but for my Congregation of Yin and Yang, instead of orbs of fire, I summoned orbs of light and darkness.

Me: Nice one.

Lincoln: And that's it for that evil and demented ringmaster. (To Ruby and Sapphire Salazar) And it's so good to see you again, Ruby and Sapphire Salazar.

Ruby Salazar reverted back to normal, and she's a beautiful 17-year-old girl with long flowing red hair, red eyes, she's tall at 6'5" in height, she had the body of a goddess, she has massive red angel wings, thanks to reigning in the power of Sphinx of Uthuun, and she's dressed in a sleeveless red vest, sleeveless red midriff top, red skirt, red bellbottom pants with light red flowers, red high-heeled sneakers, and long red sleeveless trenchcoat with flames and sand dunes on the coattails, and Sphinx of Uthuun on the back.

Ruby Salazar: You too, Lincoln.

Sapphire Salazar: It's been a long time.

Lincoln went up to the Salazar twins and they hugged, and the Salazar twins are also very surprised at just how much taller and much more muscular Lincoln's gotten since they last saw him, and they also felt just how strong he's really become.

Lincoln: It sure has been a long time, I haven't seen you two when you were sixteen, and as you can see, I really grew a lot since then.

Ruby Salazar: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Sapphire Salazar: That's incredible.

Nico: Wow, Lincoln, you know this pair of twins?

Lincoln: Indeed I do, Nico, the Sphinx of Uthuun Gene-Slammer is Ruby Salazar and the Light and Darkness Dragon Gene-Slammer is Sapphire Salazar, they're known as the Salazar twins, and they have awesome fire and ice powers. They're also among my many Guardian Angels and they have an awesome love for ramen and along with being my Guardian Angels, they're also amazing entertainment, movie, TV and Food Critics and they don't abuse their power like some critics have done over the years.

Me: That's so awesome.

Nico: Finally, critics who don't abuse their power, unlike some critics have done over the years.

Lincoln: And there's also something else you guys should know: they absolutely LOATHE Nurse Sue, the Former Nurse of Sunset Canyon Retirement Home with every single fiber of their being.

Nico: Uh oh, I hate to find out what that bottom feeder, Sue, did to earn their wrath.

Lincoln: Trust me, Nico, no one is going to like it one bit. Oh, Ruby, Sapphire, I got you a little something.

Lincoln gave Ruby Salazar a large Sphinx of Uthuun-themed sword with Sphinx of Uthuun etched on the 6'10" massive, wide, double-edged red blade, large red angel wings for the crossguard, large red gem embedded in the rainguard, longer black handle, and large red gem with red angel wings surrounding it for the pommel, and he gave Sapphire Salazar a large Light and Darkness Dragon-themed sword with Light and Darkness Dragon etched on the 6'10" massive, wide, double-edged dark blue blade, large dark blue angel wings for the crossguard, large dark blue gem embedded in the rainguard, longer black handle, and large dark blue gem with dark blue angel wings surrounding it for the pommel.

Sapphire Salazar: Wow, we love the new swords you made for us, Lincoln.

Suddenly, a Thunderbird Necklace of Eternal Love appeared around Ruby Salazar's neck with ruby red gems on the gold lightning bolts links and ruby red crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love, and a Thunderbird Necklace of Eternal Love appeared around Sapphire Salazar's neck with sapphire blue gems on the gold lightning bolt links and sapphire blue crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Salazar Twins: (Surprised) Whoa, are these…?

Lincoln: Yep, those are Thunderbird Necklaces of Eternal Love, and that means you and Sapphire are part of my harem and one of my many future wives, Ruby.

The Salazar Twins had a smile on their faces and tears coming from their eyes, as they wrapped their arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around their waists, and he leaned down and kissed the Salazar Twins on the lips, and they returned it, and we cheered for them. Then, we went up to the eight girls, and when Lincoln saw them, he immediately recognized them. The eight girls are Ai, Akemi, Fukutome, Komaba Misaki, Kurobe, Majima Eriko, Tomo, and Utako from Crossing Time.

Lincoln: Oh wow, it's Ai, Akemi, Fukutome, Komaba Misaki, Kurobe, Majima Eriko, Tomo, and Utako.

Nico: From Crossing Time, awesome.

Lincoln: Are you girls okay?

Ai: Yes, we're okay, thanks to you.

Then, when Ai and the other seven girls saw who it was that saved them from Silas Wonder, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made seven clones of himself, and he and the seven clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Ai: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, eight Thunderbird Necklaces of Eternal Love appeared on the necks of Ai, Akemi, Fukutome, Komaba Misaki, Kurobe, Majima Eriko, Tomo, and Utako with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We head back to the World Tree Estate, and we told everyone about our rescue in Acme Acres, and they were shocked when they found out the villain we went after was Silas Wonder.

But, when Lincoln showed what we did in rescuing Gogo Dodo's friends from Wackyland, and what Lincoln did in using his new Congregation of Yin and Yang spell to destroy Silas Wonder, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and the Salazar twins have a lot of catching up to do, now that they're back in town.

---

After getting rid of Silas Wonder, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when the Salazar Twins saw Lincoln working out like crazy, she had an atomic red blush on her face.

Ruby Salazar: Whoa, I was right that Lincoln has really grown to be a 17-year-old 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Ruby and Sapphire, and now, I can also defend myself, and I've also gotten smarter as well.

Sapphire Salazar: That's incredible.

Nico: It sure is. So, Ruby, Salazar, can you tell us about why you girls have a really nasty hatred for former Nurse Sue?

Ruby Salazar: We'd be glad to. We already know that Sue was nothing more than a monster who has hated the elderly and was a criminal from the start, but it was also very personal as well: Sue kicked out our grandparents for no apparent reason, and she was laughing cruelly at them. This angered us so badly, we pounced on and viciously pulverized Sue badly. But, our grandparents couldn't go back to Sunset Canyon, and they died a week later in the hospital, and it was right at that moment that we now hated Sue with a vengeance.

Sapphire Salazar: And we both swore that if we ever cross paths with that stupid, control-obsessed, greedy, bad-tempered, pinhead of a bitch, we'd rip her to shreds and leave her to die in a pool of her own blood.

We gasped in shock.

Nico: Oh my God!

Me: That stupid, greedy, bad-tempered, pinhead of a so-called nurse. I knew Sue was bad news, but to find out about this, that did it.

Rita: If she so much as comes back, I'll personally send her to The Black Gates myself. Imagine if she did that to my Dad?

Lincoln: She's a shrew.

Rita: I think she's worse than that, Lincoln. But, a shrew, that's a good word for the likes of her.

We then got a shower afterwards, and then, we were heading out to meet Jolyne Kujo's parents.

Lincoln: I can't wait to meet your family, Jolyne.

Jolyne Kujo: You're going to love meeting them, Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal, and he saw who the figure was in the vision: it was none other than Ao Kuang from Smite, and he's here to cause havoc. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is there someone else coming after us?

Lincoln: Afraid so, Nico, and Neith, you're not going to like it one bit: the dark energy signal I sensed belongs to your world's version of Ao Kuang, and he's here to cause havoc.

Neith gasped in shock.

Neith (Smite): Oh no, this is not good.

Nico: Neith, what can you tell us about your world's version of Ao Kuang?

Neith (Smite): You won't like it, Nico.

Neith proceeded to tell us about her world's version of Ao Kuang, and we weren't going to like it one bit.

Ao Kuang (Smite)

Ao Kuang is a playable character in the MOBA game Smite. He is a character from the Chinese Pantheon, originated from the mythology, being one of the four Dragon Gods of the Seas.

Biography

As one of the four Dragon-Gods, Ao Kuang demanded to be worshiped from people at the shorelines for calm tides, rain for their crops, and to not cause rivers to flood. Originally, Ao Kuang was more greedy and expected large amounts of child sacrifices, causing flooding, large waves, and storms if he did not get said items. This caused people to be terrified of him, and not report said greed to the Jade Emperor. But one day, Sun Wukong visited his palace to get a weapon for his journey to the west. Although Ao Kuang offered other weapons, Wukong only wanted the Ruyi Jingu Bang, an large staff that helped control tides. Despite assumptions that no-one can lift it, Sun Wukong lifted the weapon easily, and also demanded armor, shoes, and a helmet, which the humiliated god also have to give.

Sometime after this, the demigod Neh-Za acidentally shook Ao Kuang's palace while playing in a stream, causing the peeved god to tell his favorite scout to find and kill the child. However, Neh-Za managed to both save himself and kill the scout, causing the infuriated Ao Kuang to order his third son to destroy him, who Neh-Za also slain. A now enraged Ao Kuang stomped off to Neh-Za's father and threatened to take the issue directly to the Jade Emperor, but Neh-Za simply tackled the god and demanded him to bow down to him. These two actions both made the god humble and made the god determined to make himself look menacing, and strike fear into people again.

---

When Neith was done, we were horrified.

Nico: Whoa, so in addition to meeting Jolyne Kujo's parents, we got a power-mad deity running loose in the world.

Me: Yikes.

Lincoln: Leave that to me and Marina the Water Faerie. We're not going to let Ao Kuang cause havoc in the world, he uses his power to cause havoc among the world, and that's breaking the rule we live by: With Great Power Comes Great Responsibility. He's going to pay for this.

Nico: Big time.

We arrived at the home of Jolyne Kujo, and it was amazing. We then met Jolyne Kujo's uncles, Rikiel, Ungalo, and her mother, and they were happy to see Jolyne again, and she told them that Lincoln's the one who rescued her, and she's one of his many future wives, and they offer their congratulations to them, and they know Lincoln will take good care of Jolyne.

?: I will destroy every last one of you mortals!

Suddenly, the eight large planets and stars orbing around my legs, the eight large orange orbs orbiting around Lincoln, Linka, TLPS Ms. Tarantula's, and Duke Lincoln's legs, the eight large dark blue orbs orbiting around Ed Cowart's legs, the eight large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the eight large crimson red orbs orbiting around Naruto and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lucy, Lars, and Dudley Puppy's legs, the eight large pink orbs orbiting around Lola and Lexx Loud's and Steven Universe's legs, the eight large green orbs orbiting around Lynn Sr.'s legs, the eight emerald green orbs orbiting around Yakko Warner's legs, the eight large sapphire blue orbs orbiting around Wakko Warner's legs, the eight large hot pink orbs orbiting around Dot Warner's legs, the eight large marine blue orbs orbiting around Liam, Lana, and Leif Loud's legs, the eight large scarlet red orbs orbiting around Lynn Loud and Lynn Jr.'s legs, the eight coral red orbs orbiting around Timon's legs, the eight large blood red orbs around Marco Diaz's legs, the eight large blue orbs orbiting around Lori, TLPS Mr. Shark, Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Leni and Loni Loud's legs, the eight large yellow orbs orbiting around Luan, TLPS Mr. Snake, and Lane Loud's legs, the eight large brown orbs orbiting around Laney and Larry Loud's legs, the eight large light green orbs orbiting around Lisa and Levi Loud's legs, the eight large lavender orbs orbiting around Lily and Leon Loud's legs, the eight large colored orbs orbiting around Bobby Santiago and Nico's legs, the eight large rainbow orbs orbiting around Rainbow Dash's legs, the eight large aqua and ocean blue orbs orbiting around Varie, William Dunbar, and Adam Lyon's legs, the eight large white orbs orbiting around Timmy Turner's legs, the eight large metallic silver orbs orbiting around Ets' legs, and the eight large purple orbs orbiting around Luke Loud's legs and Menat's legs, along with our gems on our Bracelets of The Champions of the Universe were glowing, and that means we've got big trouble incoming, and we saw a storm appear out of nowhere.

Lincoln: I knew there's no mistaking that voice from anywhere. You can come out now, Ao Kuang.

A figure appeared as a lightning bolt crashed down from the heavens, and it was none other than Ao Kuang from Smite, the powerful Dragon King of the Eastern Seas.

Neith (Smite): Lincoln was right that you'd show up here, Ao Kuang.

Ao Kuang (Smite): And now, I shall destroy you mortals once and for all, and rule this world!

Marina the Water Faerie: No, I won't let that happen.

Suddenly, Marina the Water Faerie's aqua blue eyes turned neon aqua blue, and she was surrounded by an aqua blue energy aura with water, ocean waves, and Water faeries, she got out her massive Neopia's Magic Staff of Magical Justice, and as she approached Ao Kuang, she left aqua blue energy, water, ocean waves, and Water faeries with every step.

Marina the Water Faerie: Ao Kuang, I will never forgive you for the constant chaos and suffering that you'd caused to mortals, and now, I will make you pay for everything that you've done.

Suddenly, Marina the Water Faerie was surrounded by a massive vortex of aqua blue energy with water and ocean waves surrounding it, there's a Water faerie flying around the vortex, and in the vortex is a light blue phoenix. Then, as the vortex faded, Marina the Water Faerie emerged, but she was changed forever.

マリーナ・ザ・ウォーター・フェアリー、ヒーリング・スプリングスの守護者、最も暗いフェアリーのヴァンキッシャー、ネオピアの多くの英雄の親愛なる友人、リンカーン・ラウドの愛する未来の妻、悪の殺し屋、狂った、殺人、冷酷、そしてサディスティックな野郎、驚くべき強力な学生驚くべき強力な教師、そして水と水妖精のマスター

Marina the Water Faerie has transformed into SUPER ANGEL INFINITY TRUE LOVE HEALING WATER FAERIE OF NEOPIA JUSTICE AND MAGICAL LOVE!

We were amazed by Marina the Water Faerie's Super Angel Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Ao Kuang saw it, the Dragon God fell into a rage and fired a blast of lightning to kill her, but Marina the Water Faerie fired a powerful aqua blue energy blast with water and water faeries, and it hit Ao Kuang and really hurt him badly.

Nico: Whoa, Marina the Water Faerie's transformed, that's so awesome.

Me: This is going to be one awesome and epic fight.

Lincoln: Wow, Marina, you look beautiful. How do you feel?

Marina the Water Faerie: (Divine Echoing Cosmic Voice of The Water Faerie and Divine Love) I feel incredible, Linky. Now, shall we administer Ao Kuang's punishment?

Lincoln: (Smiles) With pleasure, Marina.

Lincoln unholstered his massive Cosmic Storm Sword of Universal

Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Marina the Water Faerie.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Your days of causing havoc on mortals is over, Ao Kuang.

Lincoln and Marina the Water Faerie went after Smite Ao Kuang, and they fired powerful blasts of rainbow energy, aqua blue energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Water Faeries at Smite Ao Kuang, and they exploded with incredible power as they hit the power-mad deity. Then, Lincoln engaged in a powerful sword fight, and Lincoln disarmed Smite Ao Kuang of his Dragon Sword, and then, Lincoln attacked him with his massive Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds, and left painful scars on Ao Kuang, and Marina the Water Faerie fired powerful aqua blue energy blasts from her staff, and it hit him.

Then, Lincoln grabbed Smite Ao Kuang, and as Lincoln lifted the power-mad Dragon King up with his immense brute superhuman strength, Lincoln sucked out and absorbed Smite Ao Kuang's powers and abilities, and he made them all his own, and Smite Ao Kuang's Dragon Sword merged with Lincoln's massive Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds, along with his massive Sword of The Crusaders of The Thunderbird, and it was then transformed into Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds, it's a brand-new large sword with a 7'0" massive, wide, double-edged, golden blade with the blue cross surrounded by the ring of lightning bolts, the symbols of the elemental forces, along with the Elemental Gems, and the symbol of The Loud House, the Anti-Team Dark Phoenix Storm Symbol, the Team Cosmic Dragon symbol, and the Thunderbird etched on it, massive orange curved upward ram horns for the large sword's crossguard massive rainbow gem with a rainbow Celtic Triquetra inside of the gem embedded in the rainguard, longer black handle, and four large orange buffalo heads with rainbow gems for eyes and in its open mouths and a large rainbow gem on the bottom of the buffalo heads for the pommel.

Then, after Lincoln finished sucking out and absorbing Smite Ao Kuang's godly powers, Lincoln drove his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds through Smite Ao Kuang's heart, and the power-mad deity was destroyed, and his evil spirit was sent to The Black Gates forever. We cheered wildly for what Lincoln and Marina the Water Faerie did as they holster their weapons on their backs and power down, and Marina the Water Faerie's new body, clothes, weapons, jewelry, and massive fairy wings are permanent.

Marina the Water Faerie: That's it for that power-mad deity. Thank you for helping me with taking care of Ao Kuang, Linky.

Lincoln: (Smiles Warmly) You're welcome, Marina.

Suddenly, Marina the Water Faerie wrapped her arms around Lincoln's waist, and it brought an atomic blush to Lincoln's face, as he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into an embrace, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Marina the Water Faerie's face, they kissed passionately as Marina the Water Faerie wraps her left arm around Lincoln's wider and muscular back, and she placed her left hand on Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Water Faerie flying in the air, and we also saw a herd of Buffalo running across the field, along with ocean waves and lightning bolts crashing behind them, and the display of the elemental forces behind them, and we cheered for them.

Nico: Wow.

Me: Now, that's so awesome.

Lincoln: And we made sure that one of the evil deities from Smite have been dealt with. But, there's bound to be more of evil gods out there.

Me: But, we'll be ready for them, big guy.

Nico: Yeah.

---

Later it was time for Stella's 2nd Ambassador Mission.

William: Anyone else want to go with Stella? Besides Tracer and 4 Rabbids?

Stella: I was thinking of having the entirety of the Winx Club come with too.

Bloom: Wow! It will be an awesome honor.

Flora: It most sure will.

Me: Also I have something awesome to show you when we see Wataru again.

Nico: Ooh what is it?

Me: No spoilers now. I will show you all and explain when we get there.

Laney: This will be awesome.

Nico: Yep. All right lets head on out.

With that we were off to Japan.

We later arrived in Japan.

Wataru: Hey guys!

Me: Awesome to see you guys.

Stella: Wataru, meet my fellow Winx Club members.

Bloom: Awesome to meet you. My name is Bloom and I'm the princess of Domino and Fairy of the Dragon Flame.

Flora: My name is Flora and I'm the princess of Linphea and Fairy of Nature.

Musa: I'm Musa, Princess of Melody and Fairy of Music.

Tecna: (British Accent) My name is Tecna and I'm the Princess of Zenith and Fairy of Technology.

Layla: I'm Layla, Princess of Andros and Fairy of Waves.

Roxy: And my name is Roxy and I'm the last of the Earth Fairies and Fairy of Nature.

Wataru: Wow it's a pleasure to meet you all.

Tracer: (British Accent) Awesome to meet you Wataru. My name is Lena Oxton but in Overwatch, I'm known as Tracer.

Wataru: Wow it's an honor!

Nico: Yep.

Wataru: Stella, meet Taiga Nobori, my half brother.

Taiga Nobori: Awesome to meet you Stella.

Stella: Same to you as well.

Taiga Nobori: And J.D. Knudson it's a true honor and you as well Nico.

Nico: Pleasure is ours.

Me: Same here.

Tracer: Awesome to meet you too.

Taiga Nobori: It's an honor.

Tracer: Was there conflict between you two before?

Taiga Nobori: Yes but not anymore.

Nico: That's good.

Me: Okay now I can show you guys my surprise.

Nico: What is it?

Me: Watch this.

I pulled out a strange looking belt and put it on me and then I pulled out a lock that had a blue raspberry on it.

Me: HENSHIN!

I pressed it and inserted it into the belt.

Computer: LOCK ON!

I opened the lock and a portal unzipped above me and formed a Blue Raspberry above me and it locked onto my head and I turned into A BLUE RASPBERRY KAMEN RIDER FOR GAIM!

Computer: BLUE RASPBERRY ARMS!

I had a longsword from a Blue Raspberry!

Nico: WHOA!

Eli: Wow! A Blue Raspberry Kamen Rider!?

Nico: WOW! One for the Gaim series!

Eli: Cool!

Wataru: Wow! This is awesome!

Nico: How did you get a Gaim form?

Me: Well it was easy. Look there.

Everyone looked out the window and to their surprise they saw Zawame City just 5 miles southwest.

Nico: Wow that's Zawame City and it's just a short hop away from here.

Me: Yep and that tall building right there is the Yggdrasill Corporation. I got this form last week after we met the Hibiki Kamen Riders and I declared war on the Yggdrasill Corporation.

Nico: Wow!

Me: Yep. Here's how it went down. I found out what they were gonna do and I discovered that they were going to wipe out 6/7 of the entire human race. But I was not going to let that

happen.

---

Me: (Narrating) I decided to pay their commander a little visit in the form of my red glowing eyes.

Amagi Kureshima: Soon the Human Race will enter the next step of evolution.

Me: That is not going to happen!

My glowing red eyes appeared.

Me: Amagi Kureshima, this is J.D. Knudson, 2nd In Command of Team Loud Phoenix Storm.

Amagi Kureshima: What does the former leader want?

Me: I'm here to give you an ultimatum. You either stop this senseless form of murder and unethical experimentation on all of this city with the power of the Helheim Forest or this will be war coming in Early September.

Amagi Kureshima: Don't you understand what it is we're going to do?

Me: Oh I understand completely. What you are going to do will ultimately destroy much of the human race and we won't let that happen. So what will it be?

Amagi Kureshima: We will never stop. This company is the step into the next step of our evolution.

Me: Very well then. I am hereby issuing a declaration of war. I declare war on the entire Yggdrasill Corporation. In Early September you better be ready to fight us with everything you have.

I then saw a Sengoku Driver and a Blue Raspberry Lock and teleported it to me.

Me: You better enjoy the last 5 months you have left.

I vanished.

FLASHBACK ENDS..

Me: And there you have it.

Nico: Whoa.

Eli: Intense.

Stella: Yeah.

Wataru: I wonder how Kouta's doing.

Nico: I'm sure he's doing okay.

Me: Yeah.

Nico: Better change that to August. The Dino Fury team might still be fighting their own enemies during that time. But the rest starting with Decade will be in August.

Me: Noted. Better change it then to early or late August. But that will be the perfect Ambush opportunity because they will think it's still in Early September.

Eli: Nice.

Wataru: But this is amazing that you guys are meeting fellow Kamen

Riders.

Me: We owe you and your fellow Kamen Riders big time for helping us out in the 20 Days of Darkness.

Tecna: Yes we sure do.

Tracer: It was really amazing.

Wataru: Stella, how would you like to be a Kamen Rider?

Stella: I would be honored Wataru. But only if my fellow Winx Club members can be Kamen Riders too.

Wataru: Fair enough.

Nico: This will be awesome to see what happens.

Me: It sure will.

Nico: Actually, I have plans for Flora and Roxy to be other types of Kamen Riders. The others are fair game.

Me: I didn't know you already had plans for Flora and Roxy, Nico. But can we still include Kiva and other Kamen Riders in their arsenal as well?

Nico: That's fine.

Me: Cool. Oh and Eli got this one for you too.

I pulled out another Gaim Sengoku Belt and a Pomegranate Lock for him.

Eli: Cool A Pomegranate Lock and my own Sengoku belt for Gaim.

Wataru: Wow! You are a good brother to Eli, J.D.

Me: Thanks.

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM

Stella: (hears explosion) And that would be more Fangires.

Nico: Looks like it's time to kick some butt!

We went and faced them and we saw Pearlshell Fangire fighting Horse, Ladybug, Seamoon, Mantis and Polar Bear Fangire!

Nico: WHOA! That pink one is Maya the Pearlshell Fangire and she's fighting the Horse, Ladybug, Seamoon, Mantis and Polar Bear Fangire!

Wataru: We better help out! Maya is a good Fangire.

Me: I remember seeing that. That was awesome.

We went to help Maya.

Maya: Wait! I'm-

Stella: One of the good ones? We know!

Horse Fangire: What are you going to do, little girl?

Stella: You're about to see what a "Little Girl" can do! Henshin!

She then glowed in a yellow light and grew neon sunlight angel wings and turned into THE ANGEL KAMEN RIDER!

Nico: COOL!

Me: Wow! An Angel Kamen Rider for Kiva!

Bloom: Time for the Winx Club to join in.

Winx Club: HENSHIN!

They went Kiva Kamen Rider!

Bloom was a Fire Dragon Kiva Kamen Rider, Flora was a Sprite of Nature Kiva Kamen Rider, Layla was a Mermaid of Water Kiva Kamen Rider, Tecna was a Robot Kiva Kamen Rider, Musa was a Siren Kiva Kamen Rider and Roxy was an Elf Kiva Kamen Rider!

Nico: WOW!

Me: Oh that is so awesome!

Eli: YEAH! Lets try mine.

Eli put on his Sengoku Belt.

Eli: HENSHIN!

Computer: LOCK ON!

He then donned awesome POMEGRANATE ARMOR!

Computer: POMEGRANATE ARMS!

And he had a Pomegranate Warhammer!

Polar Bear Fangire tried to grab Tracer but she teleported out of the way

Polar Bear Fangire: Huh?

Tracer: Looking for someone?

She punched and kicked the Polar Pear Fangire all over.

Me: Hey Seamoon your mother just called and she wants you to return the soul you stole!

Seamoon Fangire: YOU FUCKING BASTARD!

Me: UP YOUR UGLY FUCKING NOSE WITH A FUCKING RUBBER HOSE!

I went at him and slashed him all over the place and then kicked him down.

Me: You know my friend Olga would love having you as a secondary archenemy partner with Jellica.

Nico kicked the Horse Fangire all over the place.

Wataru: Don't leave me and my friends out! Henshin!

They transformed too!

Eli: YEAH! Time to see what this can do.

Eli smashed the Polar Bear Fangire with his Warhammer and pulverized him.

Polar Bear Fangire: WHY YOU LITTLE!

Eli then charged up his hammer and then smashed Polar Bear Fangire into glass shards!

Nico: YEAH! One down.

Horse Fangire: YOU FUCKFACED BASTARD!

The Rabbids jumped on the Horse Fangire and started riding it.

Horse Fangire: HEY GET OFF ME YOU PESTS!

Rabbids: (Gibberish)

Flora and Tecna punched the Horse Fangire and punched him all over and then Nico fired an energy blast and smashed the Horse Fangire into shards.

Nico: Take that!

Stella: Time for a test run!

She flew into the air and Ladybug Fangire flew after her and Stella punched and slashed and pulverized him all over. Then Stella slashed Ladybug Fangire and shattered him into dust.

Stella: OH YEAH! That was awesome!

Tracer: Marinette would be proud.

Nico: Yes she sure would. That Fangire gives Ladybugs everywhere a bad name.

Tracer: No kidding.

Me and Wataru were facing Mantis Fangire!

Me: You obviously…

Wataru: Do not know…

Me and Wataru: WHO YOU ARE FUCKING WITH!

Me and Wataru flew at him and slashed him in half and he shattered into dust!

Keisuke: How many are left?

Nico: Seamoon Fangire is left.

Seamoon Fangire came.

Nico: Now for some Finishing Power!

Me: Lets do it! BLUE RASPBERRY SLICER!

I fired blades of energy and they formed into Blue Raspberries!

The group fired waves of energy and elements and the blasts all hit Seamoon Fangire and he exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was destroyed and then the flying base of the Kiva Riders sucked in all the souls stolen.

Nico: Those 5 Fangire have failed this city!

Maya: Yes they have.

Wataru: Not bad for your first time, Stella.

Stella: It was awesome.

Me: Yeah it sure was and it was my first time using the Gaim Kamen Rider Power in this one too.

Eli: Same with me too. This was awesome.

Nico: Boy it sure was cool. I know what Applejack's Kamen Rider form for Gaim would be. Apples.

Eli: Yep.

Maya: But that was amazing.

Nico: It sure was Maya and you would make an awesome member for the Redemption Squad.

Maya: I'm honored.

We later came back.

May: Hey guys. How did it go?

Nico: It was really awesome!

Nico told everyone everything and it was amazing!

Laney: Oh that is cool! And J.D. that is awesome that you are a Gaim Kamen Rider as well! Same with Eli and for Blue Raspberries and Pomegranates too.

Lana: No kidding! That is awesome! Now Stella and friends are all Kiva Kamen Riders too.

Stella: Yep.

Me: Oh and Applejack, present for you.

I gave her an Apple Lock and a Gaim Sengoku belt too.

Applejack: YEEHAW! My own Kamen Rider belt and lock. And Apples too.

Nico: Awesome! I can teach you how to use that Applejack.

Applejack: Thanks Nico.

May: Chalmers and Animated Optimus should do with you next.

Nico: Ooh good idea.

Stella: That is awesome.

---

We were over in Los Angeles, California and we got reports of an explosion in the area.

Strut: According to witnesses, the explosion came from this area.

Nico: This is right around one of the homes of some of the famous celebrities.

We then saw a big mansion on fire and we saw Slappy and Skippy Squirrel and they had a Mercedes-Benz E550 with them?

Nico: Whoa! Wait a second. This is the house of famous critics Lean Hisskill and Codger Eggbert.

Eli: Whoa! I wonder why they are destroying it.

Nico: You must be another Autobot.

Mercedes-Benz E550: Not just an Autobot.

He transformed and it was LIVE ACTION WHEELJACK!

Live Action Wheeljack: Wheeljack at your service!

Nico: Wow!

Slappy Squirrel: I haven't seen this much excitement since when we beat Daniel Boone

Jonny Quest: Are you a scientist like the Wheeljack that we know?

Live Action Wheeljack: Yes I sure am.

Nico: Cool!

Laney: Awesome.

Me: That is awesome. But why were you blowing up the house of Lean Hisskill and Codger Eggbert?

Slappy Squirrel: Because they said some bad stuff about me and said I was the most unfunny squirrel ever.

Me: Oh in that case.

I fired a blast of energy and it hit the house and exploded with incredible power and I blew the entire thing into a flaming crater.

Nico: That serves those two blockhead critics right.

Ruby Salazar: Yeah those two give all critics everywhere like us a really bad name.

Sapphire Salazar: No kidding. And we give those 2 a big nasty -20 Stars out of 10.

Nico: Well said.

G1 Breakdown: Barricade, didn't you play a part in this Wheeljack's death?

Barricade: (frowns) Unfortunately.

Live Action Wheeljack: Water under the bridge. I know it's really the Soundwave of my world who gave out the order.

Nico: Then we'll destroy that one in that world too.

Laney: Yeah.

Mirage: Did you really use your guns to destroy the house?

Live Action Wheeljack: Nope. It's all thanks to some explosives I made.

Wheeljack: Kinda like most of my inventions.

G1 Ironhide: Aha! So you admit it!

Wheeljack: Yeah.

Me: But that was awesome too.

Eli: It sure was.

Star Man: Think you can make us some weapons?

Live Action Wheeljack: Certainly. When I first woke up in this world, I began making the same kinds of weapons Cemetary Wind used to kill my fellow Autobots. Your powers are impressive, sure. But you need all the good shit to take out the irredeemable Decepticons in my world. who are bigger then you guys.

Maria: That's… actually a good point.

Me: It sure is.

Nico: Yeah and they'll be perfect for killing much of Cemetery Wind too.

Laney: Yep.

Nico: Well lets head home and get ready.

We went back home. But when Lean Hisskill and Codger Eggbert came back they saw their home completely destroyed and they saw a sign by it that said "Slappy Squirrel was Here" and it also had our symbol on the sign too.

They SCREAMED IN RAGE!

---

We got ready for lunch and another awesome humiliation.

Nico: I always liked going to these humiliations.

Then Common Cold, Waffle Woman, Katnappe, Roquefort, Technus, Salami Swami, Dr. Viktor, Heatwave, Dai Gui and Vulture appeared.

Common Cold: Can me, Waffle Woman, Katnappe, Roquefort, Technus, Salami Swami, Dr. Viktor, Heatwave, Dai Gui and Vulture go with you guys?

Nico: You all sure can. It's time for another awesome humiliation session.

Eli: This is gonna be so awesome and funny.

Camie: I love a good laugh.

Sirius: Me too. This is gonna be awesome.

Shego: Nico, which gene slammer do you think you'll meet on your next rescue?

Nico: I'm hoping to do one for Walkatrout's kind next.

Me: Wow! One that's for an Ickthyperambuloid.

Eli: That will be awesome to see.

Camie: So it'll be one of the Neptune Crusaders, the water users or anyone that uses water next.

Nico: Yep.

Laney: Cool.

Dr. Viktor: J.D., I suggest that you save the destruction of the Yggdrasill Corporation for Lillian's second mission. That way, we'll only have to deal with the remaining Inves on the big day.

Me: Noted and scheduled. I was planning on blowing up the Yggdrasill Corporation during that time anyway.

Lillian Hale: Wow this is gonna be awesome.

Nico: It sure will be awesome. Lets head on over to Lynn's Table.

---

We were walking to Lynn's Table.

Toad Man: I've got a feeling that we're only talking about the remnants who are struggling to pick off where the dirtbag company left off.

Nico: I got that same feeling too.

Laney: Yeah. But without their base of operations they will be easy to pick off.

Nico: Yep.

We arrived at Lynn's Table and went in.

Nico: Good Morning Lynn's Table Crew!

Lynn Sr.: Hey guys! Your usuals?

Nico: You know it Mr. Lynn.

Lynn Sr.: Coming right up!

I then saw Amy asleep.

Me: Watch this one.

I went over to her and then I formed a wood plank and then…

WHAP WHAP WHAP WHAP WHAPWHAPWHAPWHAPWHAP!

I whacked her butt with the plank!

Amy: (SCREAMS IN PAIN!) WHY YOU FUCKING LITTLE!

Sirius: AHHH SHUT UP!

POW!

Sirius punched her in the face and gave her a nasty black eye!

Foghorn Leghorn: Those guys, I say those guys are lower than a snake full of buckshot.

Heat Wave: I'll start us off with some burning undergarments!

Heat Wave fired a barrage of fireballs and they hit Bubble Bass, Amy and Flip's butts and burned them to ash.

Dennis Mitchell: I have one.

Nico: Go for it Dennis.

Dennis crawled up to Flip and then he put a stick of dynamite in his pants and lit it and ran back to us and then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

His pants exploded and he was burned bad!

Flip then screamed in pain all over.

Foghorn Leghorn: He sure is, I say he sure is making more noise than a bunch of skeletons dancing on a tin roof.

Soundwave: Wheeljack, we actually recruited the Ravage of your world, who came from my counterpart.

Live Action Wheeljack: Wow that is amazing!

Nico: Yes it sure is.

Tsuyu: Mind if I do one?

Me: Go for it.

Tsuyu went over to Flip.

Tsuyu: Can you hold this for me?

Flip: Uh sure.

He held two ends of a huge rubber band.

Tsuyu stretched it and then loaded a big boulder into it and then she sent it flying at him and then…

KRASMASH!

OUCH!

Nico: YEAH! Nice one!

Technus: I've got a good one!

Technus then went over and possessed Bubble Bass and then pulverized him all over with bowling balls and anvils!

Nico: TAKE THAT YOU JERK!

Dot Warner: I got one.

Dot Warner went over to Amy.

Amy: Dottie Warner!

Dot Warner: Call me Dottie and you die!

Amy: Dottie! (Raspberries)

Dot Warner: (Pulls out a bomb) I warned you.

She threw it and it hit Amy in her face and exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was badly burned and charred.

Stone Man: I'll do one next.

Nico: Okay.

Stone Man went over to Lewis Travolta and then pulverized him all over with stone bricks and really smashed him to pulp.

Homer: Hey I got one.

Homer went over to Flip.

Homer: WHY YOU MUTATED LITTLE!

He strangled Flip and really hurt him all over!

Waffle Woman: Me next!

Waffle Woman went up to Billy McLean.

Waffle Woman: Chug on my Radioactive Polythermal Syrup Launcher!

She hooked up a Syrup Cannon and then fired a blast of syrup blast and it hit Billy McLean and drenched him and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He exploded!

He was badly burned and charred.

Eli: Nice one!

Stewie: I got a good one!

Stewie went over to Lewis Travolta and then put a divers helmet on him.

Stewie: Guys check it out. Jackass number 2.

He pulled down his pants and then farted right into the hose.

FFFAAAAAAAAAARRRRRTT!

Lewis smelled the fart and then screamed and then threw up 7 times into the helmet and we laughed hysterically at that one!

Lana: (LAUGHS) That was a good one Stewie!

Roquefort: I will go next.

Roquefort then went over to Amy and fired a wave of scalding hot nacho cheese sauce and she screamed in pain as it melted her entire face off! OUCH!

Nico: OOH! Nothing hurts worse than scalding hot nacho cheese.

Eli: Yep.

Eli then got an idea.

Eli: Here's one.

Eli then went over to Billy McLean and then put on Earmuffs and pulled out a chalkboard and then turned his fingernails into claws. We covered our ears and then…

(HORRIBLE SCRAPING NOISE!)

Billy, Flip and Amy screamed in pain from the scraping. Their ears bled too.

Shocker: My turn now.

Shocker then fired a blast of lightning and electrocuted Amy and Flip all over.

Katnappe: My turn next!

Katnappe went over to Amy and slashed her all over with her claws and they hurt like a son of a bitch.

Pinkie Pie: OOH! I got one.

Pinkie Pie pulled out her Yovidaphone and she took a deep breath and was playing it and it sounded like a bunch of bagpipes and tubas being played by a monkey! It was so cacophonous and bad! Flip, Lewis and Billy's ears bled bad!

Nico: Awesome!

Jewel Man: I'm up next!

He fired waves of jewels and they hit Amy and pulverized her all over.

Jewel Man: They say Diamonds are a Girls Best Friend but not today.

Earthworm Jim: This will hurt them! (BLASTS THE JERKS ALL OVER) AHAHAHAHAHAHAHAHAHAHAHAHAHAHA! EAT DIRT JERKS OF PUTRIDITY! AHAHAHAHAHAHAHAHAHAHAHAHAHAHAAAA!

He burned them all over with his blaster.

We laughed.

Salami Swami: Allow me to have a shot.

He fired waves of salami and meat and they force fed Billy and Lewis and bloated them up and then they threw up all over Amy and Flip.

Nico: Ooh I got one! Taste THE MAD FIRE HYDRANT!

Nico fired a huge wave of frozen yogurt and it went down Amy's throat and she swallowed and then got a massive brain freeze!

Amy: (SCREAMS) BRAIN FREEZE! (SCREAMS)

Harpus: I got one!

Komba: What do you have in mind, Harpus?

Harpus: Watch this.

Harpus came out and then she was tickling Amy all over!

Amy: (LAUGHING HYSTERICALLY) OH STOP IT!

She then peed her pants!

Komba: (LAUGHS) THAT WAS FUNNY!

Nico: OH THAT WAS FUNNY!

Lynn Sr.: ORDER UP!

Nico: Oh it's time to eat.

We got to eating our food.

Kaina Tsutsumi: (Eating Lynn-Sagna) Mmm! This is delicious!

Ruby Salazar: (Eating Every Meat Burrito) Delicious.

Nico: We added more and more to the menu at Lynn's Table.

Dai Gui: This whole day has been one laugh riot.

Nico: Boy it sure has.

Iron Man: No it sure won't be the last time.

Jimmy Neutron: It's an amusing term saying that they hope it will pay off medical bills from our pranks.

Griffin: Oh I get it. That's funny.

Rarity: It was really amusing.

Sweetie Belle: Yeah that was really funny too.

Gill Grunt: Yeah it was funny.

Ruby & Sapphire were looking for their archenemies.

Then out came LEAN HISSKILL AND CODGER EGGBERT!

Ruby Salazar: There's our boys.

Lean Hisskill: Do you have any idea what you all have done!?

Codger Eggbert: YOU BLEW OUR HOUSE UP!

Ruby Salazar: You guys give movie and entertainment and TV Critics everywhere a really horrible bad name!

Codger Eggbert: Oh yeah and like you can judge movies and entertainment better than us!

Sapphire Salazar: As a matter of fact yes we can! Starting with one cartoon that you loathe with every fiber of your being!

Ruby Salazar: We are big time entertainment and TV Critics ourselves and we love ALL MOVIES No matter how bad they are.

Sapphire Salazar: That's right! We give Slappy Squirrel 10 out of 5 stars!

Lean Hisskill: WHAT!? YOU CAN'T…

Ruby Salazar: Her cartoons are much better than what you blockheads think! They are funny and the way with how she blows up her enemies is so funny that they are EXPLOSIVE! We give it 12 out of 10 Stars!

Codger Eggbert: WHAT!? WHY YOU ROTTEN…

Ruby and Sapphire: And here is what we think about you 2! YOU ARE BAD CRITICS AND WE GIVE YOU 2 -20 STARS OUT OF 10!

Then Lean Hisskill and Codger Eggbert turned red with rage and they EXPLODED INTO FIRE!

## Dino Thunder Rangers, Megaforce Rangers, Nico, Eli, Nunnally, C.C., Laney, Lola, Lana, Lisa and Lily VS White Terrorsaurus

White Terrorsaurus was next.

Nico: This is gonna be awesome!

Nico teleported and opened his safe and in it was a bunch of Swords and Spellbooks called The Destroyers of the Principality of Zeon, they're large swords with the anti-Principality of Zeon symbol etched on the 6'10" massive, wide, double-edged blades, large angel wings for the crossguards, large gems embedded in the rainguard, longer black handles, and large gems surrounded by angel wings for the pommels, and large colored spellbooks, and inside the pages of the books are some awesome spells that are bound to give enemies of the Earth Federation quite a nasty lesson in pain. Once in hand, they'll get a massive power and energy increase.

Nico teleported back with them.

Dino Thunder Power Rangers: DINO THUNDER POWER UP! HA!

We went back home to enjoy the rest of the day and we went to sleep.

THE END

---

Another awesome fanfiction almost done.

This was a really funny and awesome adventure! Hope you all got a great laugh out of this one and the pranks we did are all really funny. I hope you didn't laugh too hard at this one. The first part was for the Looney Tunes cartoon called Rocket Squad. That one was really funny. It was about Daffy and Porky as Space Cops in the Distant Future. that one aired on March 10th, 1956. It was awesome. I salute Mel Blanc for that one. The second part is for the Tiny Toons Cartoon called Sawdust and Toonsil and that's one of my favorites. But it was awful what Silas Wonder was gonna do to the animals of Wackyland. That one aired on November 5th, 1990 and it was one of my all time favorites. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, EtstheClarenceandTLHfan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Nico's next rescue is gonna be a really awesome and cool one as Nico, Gi, Carol Pusateri, May, Maria, Varie, me, Eli, Kaina Tsutsumi, Camie, Himiko, Ibara, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Lana, Lola, Lisa and Lily are gonna go to the ocean and we're going to help Ariel learn how to play the Sea Calliope and we're also going to destroy an ancient Seaclops. Momo is gonna transform in this one so I'll need the transformation sequence for that one and we're going to meet a Ickthyperambuloid gene-slammer named Olivia Boone. Olivia Boone is the direct descendant of the greatest frontiersman that ever lived, Daniel Boone and she is known as the queen of the Great Frontier because she is known for making awesome cabins with her plant powers. She also is known for making some of the mountain chili stew ever. She also can make log cabins, hotels, mansions, furniture and more with her powers and she is also Nico's great friend in woodworking class. And she is now a gene-slammer for an Ickthyperambuloid. Also for Lincoln's rescue we're going to the world of the 1990 Teenage Mutant Ninja Turtles movie and we're going to face the Shredder in that one and I am going to give that monster what for. Also we're going to meet a gene-slammer for Nibiru the Primal Being named Constance Santiago. Constance Santiago (No Relation to Ronnie Anne or her family) is the gene-slammer of Nibiru, The Primal Being and she is not a planet destroyer. She is actually the strongest and fiercest out of all of Lincoln's Guardian Angels and anyone that hurts him will answer to her. The next chapter is gonna be a calm before the storm non-combat chapter as we go to Ponyville in the simulator and see what Zecora was like before she became a great friend and helper.

See you all tomorrow.

# MLP: BRIDAL GOSSIP

Swimming underwater in the ocean was Nico, Gi, Carol Pusateri, May, Maria, Varie, me, Eli, Kaina Tsutsumi, Camie, Himiko, Ibara, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Lana, Lola, Lisa and Lily and we were on another awesome rescue but this time near Atlantica.

Nico: This will be awesome.

Me: It sure will. We haven't been to Atlantica in a while.

Eli: I can't wait to see how Ariel, Melody and everyone are doing.

Camie: Boy Ariel and all of Atlantica must be really close to Eli.

Me: They sure are Camie. Eli loves Ariel like a big sister as much as Carol, Dana, Becky, Sam and Teri. And He loves Darcy like a little sister.

Momo: Oh that is so sweet.

Nico: It sure is.

Carol Pusateri: It's true.

Nico: Thanks for coming with me, Gi.

Gi: No problem Nico. This will be awesome going with you on a great rescue.

Me: It sure will. And you all were awesome helping us on Earth Day last week.

Gi: We sure were.

Nico: Gi, can you imagine if you were in Linka's shoes during the whole Bliss shitshow?

Me: Oh man I don't even want to think about that!

Gi: Me neither. That would be awful but I would be absolutely devastated if that happened to me.

Lana: Yeah it sure would be awful.

Lola: Yeah no kidding!

But then we heard REALLY BAD OBNOXIOUS CACOPHONOUS ORGAN MUSIC!

Nico: (COVERS EARS) WHAT IN THE FLYING HELL IS THAT!?

Me: SOUNDS LIKE A BUNCH OF CLARINETS BEING PLAYED BY A MONKEY!

Lana: IT'S REALLY HORRIBLE!

Eli: Wait a second! I heard that instrument before!

We went to a dome and we saw Ariel, Melody, Flounder and Sebastian and they were in front of a huge Sea Calliope Organ.

Me: Wow! What a Calliope!

Ariel: Oh hey guys!

Eli: Ariel!

Eli and Ariel hugged.

Nico: Wow! Ariel was that you playing this?

Ariel: Yes it was.

Me: Wow! Ariel this Sea Calliope is amazing.

Melody: It sure is.

Ariel: It is an amazing instrument.

Nico: You're having trouble playing an instrument, are you?

Ariel: Oh no it's just that I am terrible at playing this and I don't want to disappoint daddy.

Me: Oh Ariel. You just need to have a little practice.

Eli: Yeah sis and they do say that Practice makes perfect.

Momo: Yeah.

Ariel: Well I'll try.

King Triton came.

King Triton: Oh hello everyone.

Me: Oh hello your majesty. It's great to see you again.

King Triton: You as well J.D.

We later saw Ariel play and they were laughing as she was playing.

Nico: It is really amusing.

Gi: Need any help?

King Triton: I suppose she does need a little practice.

Nico: Well we can try to teach her.

Me: Then lets get to it.

We got to helping Ariel practice the Sea Calliope and within a matter of minutes she was playing the music like a pro in less than an hour.

King Triton: Oh I am so proud of you Ariel.

Me: She is a really fast learner under our tutelege.

Momo: She sure is.

Kaina Tsutsumi: Yeah she sure is.

Eli: It's awesome. (Senses Something) Wait! I sense a REALLY ANGRY Force coming!

Me: Uh oh. What is it?

Lily: I don't like the way that sounds.

Eli: Oh no. It's the Ancient Seaclops!

Me: The Ancient Seaclops? You mean like a Cyclops that lives underwater?

Eli: Yeah.

Eli told us all about it.

---

The Seaclops is an aquatic monster from The Little Mermaid TV series. As his name suggests, he is an enormous aquatic cyclops that enjoys sleeping peacefully in which he becomes constantly irritated by out-of-tune music; despite his behavior, he constantly calms down whenever he listens to Ariel playing the harp gently.

He appeared in the episode "Calliope Dreams".

The Seaclops prefers to sleep every thousand years, but when Ariel's unskilled calliope playing wakes him 600 years earlier, he starts causing havoc across Atlantica. King Triton has to come to the realization that it is the Seaclops who is responsible for destroying the calliope used by his grandfather Neptune.

All of Sebastian's attempts to lull the Seaclops back to sleep result in becoming futile, unable to calm the monster. However, Ariel starts playing the harp that had fallen to the ocean floor that finally lulls the Seaclops back to sleep. As a precaution, Triton relocates the monster to the underwater mountain range far from Atlantica.

---

When he was done we were shocked!

Melody: This monster is trouble.

Nico: Big time.

Gi: No offense, King Triton. But you should've destroyed that thing instead!

King Triton: None taken Gi but yes I should have.

Me: We won't let a cranky sea monster stop us.

Eli: Lets go stop him before he comes here.

Nico: Agreed. But where is he?

Eli sensed for him and he found him.

Eli: He's 5 kilometers south and moving this way really fast!

Nico: Whoa!

We got ready.

Then out of a crack came THE ANCIENT SEACLOPS!

Melody: WHOA!

Nico: Hey, buddy! If you wanted a tour, you should've just asked!

It roared ferociously!

I grew to its size!

Me: You want to get to the Sea Calliope then you got to go through us!

It roared and went at me and then…

POW!

I punched it in its face and it roared in pain and that only made it angrier and angrier!

Gi: Water!

She fired a blast of blue energy from her ring and it swirled around the Ancient Seaclops and spun him around in a whirlpool. Momo created a metal pole from her hand and smashed it into the Ancient Seaclops head and smashed him all over!

Me: Try this one on!

POW BLAM BIFF SMASH!

I punched and kicked the Ancient Seaclops all over.

Nico: It's very durable. I'll give it that.

Me: But not to our power.

I kicked him in the face and it made it more and more angry! HE WAS NOW OUT OF HIS MIND WITH ABSOLUTE RAGE!

Himiko Toga: Chew on some lightning!

Himiko fired a blast of lightning and electrocuted the Seaclops all over!

?: Time to finish him for good!

An Ickthyperambuloid appeared.

Nico: Whoa! An Ickthyperambuloid.

Ickthyperambuloid: (In a girls voice) Awesome to see you again Nico.

Nico: Olivia Boone? Whoa!

Ickthyperambuloid: We can catch up later. Lets rip this monster to pieces.

Nico: You got it!

Suddenly, Momo's eyes turned neon red, and she was surrounded by a red energy aura with flames and phoenixes surrounding her, and as she approached the Seaclops, she left red energy, flames, and phoenixes with every step. Suddenly, Momo was surrounded by a massive vortex of red energy with flames surrounding her, there was a phoenix flying around the vortex, and in the vortex is a black phoenix. Then, as the vortex faded, Momo emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Momo Yaoyorozu grew to 6'5" in height, she had the curvy body of a goddess and she has red highlights in the bangs of her long black hair tied in a ponytail, she has neon red eyes and a red energy aura with flames and phoenixes surrounding her, she has a phoenix holding the Fire Kanji inside its claws emblazoned on her forehead, she has on phoenix earrings with red gems for eyes and holding the Fire Kanji in its claws, and she also has a phoenix with red gems for the eyes and the Fire Kanji in its claws for the pendant of her Crystal Necklace of the Buddha with red crystal links. Momo has on a sleeveless red vest, a sleeveless red midriff top with black phoenix on it, red skirt, black pants, black high-heel knee-high boots, and she has on a long red sleeveless trenchcoat with flames and phoenixes on the coattails, and on the back is a phoenix surrounded by flames. Suddenly, Momo felt a sharp pain on her back, and then, massive black angel wings with red tips on the large black feathers, sprouted out of her back. Momo has on a Ring of The Phoenix with red gem on her right ring finger and a Red Lantern ring on her left ring finger.

Momo's massive Defender of U.A. High School sword underwent a powerful change, and it was then transformed into Firestorm Phoenix's Sword of Fiery Justice, it's a brand-new large sword with a phoenix and the symbol of U.A. High School etched on the 6'10" massive, wide, double-edged red blade, red phoenix heads for the crossguard, large black gem embedded in the rainguard, longer black handle, and four large red phoenix heads with a large red gem on the bottom of the phoenix heads for the pommel, she has on her new large gold cuff Bracelets of the Champions of The Universe with red gems on her wrists, gold Belt of Elemental Bravery with a gold phoenix head with red gems for eyes and a large red gem in its open mouth for the belt buckle, large red Spellbook of The Gods and The Universe and large red Spellbook of The Elemental Gods on her left hip and her Eater of Sins revolver holstered on her right hip. There's a black kanji below the phoenix that said, "Momo Yaoyorozu A.K.A. Everything Hero: Creati, Vice President of Class 1-A at U.A.

High School, Friend of Izuku Midoriya and his Friends, Destroyer of All For One and The Paranormal Liberation Army, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, and Master of Phoenixes and Flames."

モモヤオヨロズA.K.A.すべてのヒーロー：Creati、米国のクラス1-Aの副社長高校、緑谷出久とその仲間たちの友、オールフォーワンと超常現象解放軍の駆逐艦、悪の殺し屋、狂った、殺人、冷酷、そしてサディスティックな野郎、そしてフェニックスと炎の達人

Momo has has transformed into SUPER ANGEL INFINITY FIRESTORM PHOENIX ANGEL OF INFERNO JUSTICE AND CREATION RAGE!

We were amazed by Momo's Super Angel Infinity transformation, but when the Seaclops saw it, it fell into a rage and tried to flatten her, but Momo fired a powerful blast of red energy with flames, and it hit the Seaclops.

Me: Wow! Momo transformed now! Way to go Momo!

Camie: Yeah!

Me: How do you feel?

Momo: (Divine Echoing Voice of Fire and Justice) **Incredible J.D. Now to make this monster pay.**

Gi: Captain Planet isn't needed for this brainless monster!

Nico: Nope he sure isn't.

Me: It's time to finish him. (CUPS HANDS) KAAAAAAAAA MEEEEEEEEE HAAAAAAAAA MEEEEEEEEEEE!

Nico: You have failed this ocean Seaclops!

Me: HAAAAAAAAAAAAAAAAAAAAAAAAAAA!

I fired a massive red Kamehameha Wave and it slammed into the Seaclops and obliterated it into dust!

Nico: TAKE THAT!

Gi: That was a tough one!

Nico: Yeah he sure was.

Olivia Boone reverted back and she was a girl with blue hair and blue clothes.

Olivia Boone: Now that was awesome.

Nico: It sure was. Awesome to see you again Olivia.

Olivia Boone: You too Nico.

Me: Are you by any chance related to…

Olivia Boone: I sure am. Daniel Boone was my ancestor and I have amazing log cabin building skills. Been in my family's blood for generations.

I saw that she also had the kanji for Frontier in the middle of her forehead.

Me: That kanji means Frontier.

Olivia Boone: Yep. I thought it would be cool.

Gi: What's your favorite memory of Nico?

Olivia Boone: Most of them come from Woodworking class and my experiences in the forest. Me and Nico got tasked with building the largest mountain lodge up in Mount McKinley National Park in Alaska.

Me: Whoa! The Great Anchorage Lodge was all your doing?

Olivia Boone: Yep and thanks to my plant powers we didn't need to chop down any trees or hurt animals homes. It's a very popular place to stay up there.

Nico: Yep. We got an A++ on it too.

Eli: That is so awesome.

Melody: It sure is.

Camie: That is cool.

Nico: Yep.

Nico and Olivia hugged.

Nico: I really missed you.

Olivia Boone: Same here Nico. Same here.

Me: Your ancestor would be really proud of you Olivia. Daniel Boone was the greatest frontiersman that ever lived.

Eli: He sure was.

Momo: And he is a great master of the Wilderness too.

Camie: He sure was.

Olivia Boone: That's for sure. Being a frontier master runs in my blood.

We later went back home.

Lincoln: Whoa, we're here in the world of the 1990 movie Teenage Mutant Ninja Turtles, and I know what we're going to do here, not only am I going to rescue the eight girls there, but we're also going to face the Shredder in that world and we're going to give that monster what for.

Me: You said it, big guy, especially me, since I really hate Shredder for everything he's done.

Nico: You got that right, J.D.

Lincoln: And you're in for a surprise on how I'm going to kill him. And thanks for joining us on our rescue, Linka.

Linka (CP): (Russian Accent) You're welcome, Lincoln. This is going to be one awesome rescue.

?: HELP!

Suddenly, Lincoln heard the sound of eight girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye of The Buddha, and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the eight girls, along with a little girl, and the 1990 Turtles, but they've been cornered by 1990 Shredder, and he's going to kill them.

Lincoln: Guys, I found the eight girls, along with a little girl, and the 1990 Turtles, but they've been cornered by 1990 Shredder, and he's going to kill them.

?: That hate-filled bastard, let's get him!

Suddenly, we saw the Duel Monster, Niburu, The Primal Being, appear before us.

Lincoln: That voice, I knew it was you, Constance Santiago.

Me: Santiago, Lincoln, is she…?

Lincoln: No, she has no relation to Ronnie Anne and her family, J.D.

Me: Ooh, yeah, I had that same problem when we were introduced to Chloe Santiago. Every time that someone has Santiago for their last name, I immediately associate it with Ronnie Anne and her family.

Ronnie Anne: That's alright, J.D. But, we'll have to talk later, let's kill 1990 Shredder and make him pay for everything he's ever done.

Me: My words exactly, Ronnie Anne.

We rushed on over, and Lincoln fired powerful rainbow energy balls at 1990 Shredder, and it hit him, and it allowed the eight girls, along with a little girl to get away, and the 1990 Turtles joined us. When 1990 Shredder saw us, he was incredibly enraged.

Me: Shredder, you don't deserve to live even for another second. You deserve only to die a horrible and painful death.

Lincoln: And we'll make sure you never ever come back again.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Infinity forms and they unholstered their massive swords, Sima Shi, Sima Zhao, Sun Jian, Guo Jia, Zhang Bao, Guan Xing, Cao Cao, Liu Bei, Sima Yi, Sun Quan, Jia Chong, and Jiang Wei got out their weapons, The Samurai Warriors got out their weapons, Lincoln's sisters transformed into their Super Angel Infinity forms and unholster their massive swords from their backs, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Linka (Captain Planet), Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Hector got out his massive Heaven's Maw of Judgement sasumata pike, and Me, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went at 1990 Shredder, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, Blood, Magic, steel orbs, throwing axes, stars, rainbow flames, rainbow crystals, orange flames, blue flames, ice, green flames, and water, and they exploded with incredible power as they hit the 1990 Shredder.

Then, Lincoln and I slashed off 1990 Shredder's arms with our massive swords, and Lincoln pinned him to the wall with talons he sprouted out from his back. Then, Lincoln grabbed 1990 Shredder's head and he turned it to the side, and with his sharp fangs, he bit 1990 Shredder on the neck, and he began drinking his blood and absorbing his blood memories. Then, after Lincoln was done, he slashed off 1990 Shredder's head, and he sent his evil spirit to The Black Gates forever. We cheered wildly as we holster our weapons and power down, and Lincoln's body absorbed the blood all over his body.

Eli: Whoa.

Me: Holy crap, Lincoln, what you did to 1990 Shredder, Selene told me that's the same way Marcus Corvinus killed that prick, Kraven, and you also absorbed his blood memories, right.

Lincoln: Yep, and like with the other incarnations of Shredder, he's really evil and a monster of pure hatred and rage.

Me: Yeah.

Lincoln: That's it for that evil monster. (To Constance Santiago) And it's so good to see you again, Constance Santiago.

Constance Santiago reverted back to normal, and she's a beautiful 17-year-old girl with purple neck-length hair, dark purple eyes, she's tall at 6'5" in height, she had the body of a goddess, she has massive dark purple angel wings, thanks to reigning in the power of Nibiru the Primal Being, and she's dressed in a sleeveless purple vest, sleeveless purple midriff top, purple jean shorts, open-toe high-heels, and long purple sleeveless trenchcoat with meteors on the coattails, and Nibiru the Primal Being on the back.

Constance Santiago: You too, Lincoln, it's been a long time.

Lincoln went up to Constance Santiago and they hugged, and Constance Santiago's also very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become.

Lincoln: It sure has been a long time, I haven't seen you two when you were sixteen, and as you can see, I really grew a lot since then.

Constance Santiago: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Me: Wow, Lincoln, you know her?

Lincoln: Indeed I do, J.D. This is Constance Santiago, she's a local girl from Royal Woods who I met long ago, and she's actually the strongest and fiercest out of all of my Guardian Angels and anyone that hurts me will answer to her.

Constance Santiago: With a serious butt-kicking, and I may even break a few bones in their bodies.

Me: (Whistles) That's awesome.

Nico: Yikes, and no one, not even Lori, Lynn, Lola, Lisa, and Luan dared to mess with her?

Lincoln: Not unless they want to be crippled for life.

Me: (Gasps) Yikes.

Lincoln: Yeah, and she takes her role as Guardian Angel seriously.

Luna Loud: Believe me, dude. I've seen what Constance is capable of, and you don't want to be on the receiving end of her wrath.

Lincoln: Well put, Luna. Oh, and I got something for you, Constance.

Lincoln gave Constance Santiago a large Niburu the Primal Being-themed sword with Niburu the Primal Being etched on the 6'10" massive, wide, double-edged purple blade, large purple angel wings for the crossguard, large purple gem embedded in the rainguard, longer black handle, and large purple gem with purple angel wings surrounding it for the pommel.

Constance Santiago: Wow, I love the new sword you made for me, Lincoln.

Suddenly, a Thunderbird Necklace of Eternal Love appeared around Constance Santiago's neck with purple gems on the gold lightning bolts links and purple crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Constance Santiago: (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're now part of my harem and one of my many future wives, Constance.

Constance Santiago had a smile on her face and tears coming from her eyes, as she wrapped their arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around her waist, and he leaned down and kissed Constance Santiago on the lips, and they returned it, and we cheered for them. Then, we went up to the eight girls, along with the little girl, and when Lincoln saw them, he immediately recognized them. The eight girls are Eleonora Viltaria, Limalisha, Ludmila Lourie, Sofya Obertas, Titta, Alexandra Alshavin, and Elizaveta Fomina from Lord Marksman and Vanadis, and Michiko Malandro from Michiko and Hatchin, and accompanying Michiko is her adopted daughter, Hana "Hatchin" Morenos.

Lincoln: Oh wow, it's Eleonora Viltaria, Limalisha, Ludmila Lourie, Sofya Obertas, Titta, Alexandra Alshavin, Elizaveta Fomina, and Michiko Malandro.

Nico: From Lord Marksman and Vanadis and Michiko and Hatchin, awesome.

Me: And that little girl with Michiko is her adopted daughter, Hana "Hatchin" Morenos, which means you now have another kid, big guy.

Lincoln: That's right, Hana always accompanies Michiko on their adventures. Are you girls okay?

Michiko Malandro: Yes, we're okay, thanks to you.

Then, when Michiko Malandro and the other seven girls saw who it was that saved them from the 1990 version of Shredder, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and

He had his massive Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large orange Spellbook of The Gods and The Universe, large orange Spellbook of the Elemental Gods, and large electric blue Spellbook of the Thunderbird holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive and indestructible deep sapphire blue angel wings with stars and blue nebulae reflecting on them with rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, and Buffalo on them and with hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large gold buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanjis "Savior of The Loud House, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, Founder of Team Loud Phoenix Storm, The Unifier of The Three Kingdoms, and Destroyer of The House of Damaskinos" on the left leg, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large deep sapphire blue gem in the shape of a Thunderbird on top of a silver Buffalo head with the Thunderbird and Eternity Kanji on his neck and across his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, a large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had eight large orange orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Michiko Malandro: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made seven clones of himself, and he and the seven clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Michiko Malandro: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, eight Thunderbird Necklaces of Eternal Love appeared on the necks of Eleonora Viltaria, Limalisha, Ludmila Lourie, Sofya Obertas, Titta, Alexandra Alshavin, Elizaveta Fomina, and Michiko Malandro with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We head back to the World Tree Estate, and we told everyone about our rescue, and they were shocked when they found out the villain we went after was the 1990 version of Shredder.

But, when Lincoln showed what we did in ending that monster, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Constance Santiago have a lot of catching up to do, now that she's back in town, and Hana "Hatchin" Morenos now has Lincoln as a loving, strong, brave, and caring father in her life.

---

After getting rid of the 1990 version of Shredder, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Constance Santiago saw Lincoln working out like crazy, she had an atomic red blush on her face.

Constance Santiago: Whoa, I was right that Lincoln has really grown to be a 17-year-old 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Constance, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Constance Santiago: That's incredible.

Nico: It sure is. So, Constance, can you tell us about a memory that you had with Lincoln?

Constance Santiago: I'd be glad to. One day, Lincoln and I were coming home from hanging out at Dairyland, but then, I sensed we had some uninvited trouble coming our way, and I saw who it was heading for us: it was Lori, Lynn, and Lola, the Trinity of Violence, and I saw they had knives in their hands, and it meant one thing: they were going to kill me and Lincoln in cold blood. I got so mad, I went after Lori, Lynn, and Lola, and after getting the knives out of their hands, I brutally pulverized them and I left them with broken bones and a few missing teeth, and after Lincoln and I tied them up, we dragged them back to the Loud House, and after explaining everything to Mr. and Mrs. Loud, The Trinity of Violence got themselves grounded for ten weeks for what they did, and they were also sent to Aunt Ruth's during that time.

We cheered for what Constance Santiago did.

Nico: Whoa, so you took on The Trinity of Violence head on, despite the threat of getting stabbed to death by them.

Me: But, you also disarmed them, so you were safe from getting stabbed by them.

Lincoln: And ever since then, Lori, Lynn, and Lola tried not to cause any trouble around me, because the second they do, Constance Santiago will pulverize them badly, and the same went with Lisa and Luan, because they know what awaits them.

Eli: A full-on beatdown.

Lincoln: That's right.

We then got a shower afterwards, and then, Lincoln, his harem, and his kids were heading Carnival Night Zone in Sonic's world for some fun. When they arrived, Carnival Night Zone is a massive metropolis on Floating Island that seems to have a never-ending carnival going on during the nighttime, Carnival Night Zone is full of lights, balloons, tilting cannons, and giant rotating barrels.

Girl Jordan: Whoa, what is this place, Linky?

Lincoln: This, Girl Jordan, is Carnival Night Zone, Sonic told me about this place, it's a massive, never-ending nighttime carnival full of lights, balloons, tilting cannons, and giant rotating barrels. I figured this would be the perfect place for our date, because tomorrow's the big mission.

Starlight Glimmer: To the Live Action Transformers' world, and we'll make sure Cemetery Wind and the Decepticons there pay for what they've done. This is going to be one wild battle there.

Lincoln, his harem, and his kids had fun by going on the rides there, and they also saw some of Dr. Eggman's robots there and they tried to attack, but Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and more muscular back, and he cuts them all down and destroys them. Then, Lincoln made clones of himself, and Lincoln and the clones went up to the girls in his harem, and they pick them up in their abnormally massive and powerful muscular arms, and they passionately kissed and hugged with supercharged and intense passion, and his kids cheered for them. Then, they came back home to the Estate.

Nico: Hey, guys, so how was your date?

Lincoln: It was awesome, Nico, we went to Carnival Night Zone on Floating Island in Sonic's World.

Me: That nighttime carnival in Floating Island? That's so awesome.

Lincoln: That's right, and we went on the rides there, and we had a lot of fun on them.

Starlight Glimmer: And we also saw some of Eggman's robots heading right for us to get revenge on us for throwing Eggman in prison, and Lincoln destroyed them.

Nico: Even after he was thrown in prison, Eggman doesn't know when to quit.

Lincoln: But, we always win against mad scientists like him, and in the end, they pay the price with a sentence of Life in Prison for the rest of their lives.

Nico: You got that right.

---

Later it was time for Takanuva's Final Ambassador Mission.

William: Anyone else want to go with Takanuva? Besides 3 Rabbids and Laval?

Takanuva: I was thinking of having my fellow Toa come with this time.

Nico: Good idea. This will be awesome for them to meet the Toa.

Me: It sure will. And I also have something else to show too. You thought being a Blue Raspberry Gaim Kamen Rider was cool, wait till you see what I have here.

Nico: Ooh something is telling me it will be awesome.

Takanuva: This will be awesome.

We were off to Japan.

We landed in Japan.

Ryotaro: Hey guys!

Me: Hey Ryotaro.

Takanuva: Ryotaro, meet my fellow Toa.

Toa: It's an honor to meet you. My name is Tahu and I'm the Toa of Fire.

Gali: My name is Gali and I'm the Toa of Water.

Lewa: I'm Lewa the Toa of Air.

Pohatu: I'm Pohatu and I'm the Toa of Stone.

Onua: My name is Onua and I'm the Toa of Earth.

Kopaka: And I'm Kopaka and I'm the Toa of Ice.

Ryotaru: Wow! It's an honor.

Natsumi Hikari: It's an honor.

Laval: An honor to meet you all. I'm Laval and I'm the Prince of the Lion Tribe in the Land of Chima.

Me: We met Laval and his friends last week on our most recent major special mission.

Eli: We sure did and that was awesome and fun.

Takanuva: You know, Ryotaro. I wasn't always the Toa of Light that you see today.

Ryotaro: You weren't?

Takanuva: Nope. It's a really long story. Back on the Island of Mata Nui, I was once Takua, and I was really adventurous. It was during the invasion of the Rakhshi by Makuta that I found the Kanohi Mask, Avohkii, the Mask of Light and I put it on and turned into Takanuva the Toa of Light.

Ryotaro: Wow! That is amazing.

Eli: Yeah it sure is.

Momotaros: It's amazing how you went from an average Mataron to the Toa of Light.

Takanuva: Yeah it sure was. But with this kind of power there is a massive and great responsibility.

Me: That's right. With Great Power Comes Great Responsibility. Its been the biggest rule we have governed since I formed the team.

Nico: It's true.

Gali: It's a big job.

Ryotaro: That is awesome. By the way J.D. we heard from our fellow Kamen Riders from the Kiva group that you demonstrated the Gaim powers. Is this true?

Me: It sure is.

I pulled out my Blue Raspberry lock seed and I showed my Sengoku Belt.

Me: I have more than just Gaim on me. I have mastered the abilities of Hibiki, Kabuto, Den-O, Kiva, Decade, W, and now Gaim. Soon there will be many more where those came from.

Pohatu: It's true.

Tahu: Don't forget OOO.

Me: Right but that one I'm still adapting to as I have not fully gotten that one down yet. It's still awesome though.

Nico: That's true. Gaim is the most amazing one we've seen so far.

Ryotaro: Wow. So then that must mean that you're going to go after the Yggdrassill Corporation.

Me: That's right. After the Gaim Kamen Riders beat them they went into hiding. So I made a declaration of war against them for experimenting on the fruits of the Helheim Forest.

Nico: And later on in late August we're going to take them down for good.

Laval: Yeah. We have Lillian Hale's ambassador missions for them in May. I think.

Eli: Yes we do.

Nico: Yeah.

Me: But nonetheless, we're not going to let Yggdrasill do what they want anymore.

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Gali: (hears explosion) Sounds like our final Imagin opponents until July.

Nico: Yep. And this will be awesome.

Ryotaro: Lets go get them.

Yuto: Who is it this time?

Me: Lets find out.

We went to see and we saw that it was Ivy, Owl, Crow, Whale, Scorpion and Alligator Imagin!

Nico: WHOA! Ivy, Owl, Crow, Whale, Scorpion and the Movie Exclusive Alligator Imagin!

Eli: Lets go get them!

Nico: Lets!

Takanuva: Henshin!

Ryotaro, Natsumi and Yuto: HENSHIN!

They transformed!

Me: Now for me. HENSHIN!

I put the Lock Seed into my Sengoku Belt!

Computer: LOCK ON! BLUE RASPBERRY ARMS!

I transformed into my blue raspberry Kamen Rider Form!

Me: Now for this one!

I pulled out a special Zenith Arms Key!

Nico: Whoa is that?

FRUIT BASKET!

I had a lock appear and put the key in and turned it.

LOCK OPEN! ZENITH ARMS! M-M-M-M-MIGHTY WARLORD!

Everyone was amazed!

Nico: WHOA! J.D. THIS IS AWESOME!

Eli: WOW! Way to go bro!

Tahu: Wow! You look awesome like this.

Me: Thanks. Watch this one. BLUE RASPBERRY CLAYMORE!

I had my sword ready!

Momotaros: (through Ryotaro) I… have arrived!

Yuto: Let me say this to start: I am fairly strong!

Nico: Awesome. Lets get them!

Eli: I'll start things off. DRAGON OF THE DARKNESS FLAME! 炎殺黒龍波

Eli fired a blast of pitch black fire as hot as the sun and it formed into a dragon and it slammed into Scorpion Imagin and incinerated him in an instant!

Nico: NICE!

Me: Way to go bro!

Gali: I will handle the Whale Imagin!

Whale Imagin: Bring it on robot!

Gali: Oh I am more than a robot. HENSHIN!

Gali pinged her Hibiki Morpher and turned into her Kamen Rider for Hibiki!

Yuto: WHOA! Gali too?

Me: Yep. During her Ambassador Missions Gali acquired Hibiki Kamen Rider powers.

Nico: Yep.

Gali slashed and pulverized Whale Imagine all over.

Lewa charged at the Owl Imagin.

Owl Imagin flew into the air.

Lewa: You aren't the only one that can fly.

Lewa flew after Owl Imagin. He then slashed him all over.

Eli: Now to finish that one off! FIST OF THE MORTAL FLAME! 邪王炎殺煉獄焦

Eli had his fist surging with the flame of the Human World and then he punched Owl Imagin and incinerated him into oblivion!

Nico: 2 down!

Me: DURIAN SAWS!

I slashed Scorpion Imagin and destroyed him.

Kopaka: Better make that 3 down.

Kopaka then slashed Alligator Imagin and froze him in a block of ice!

Nico punched the ice and shattered him into a million pieces!

Nico: Make that 4 down.

Eli: And 2 left.

Gali then slashed Whale Imagin and destroyed it.

Nico: Now all that is left is the Ivy Imagin.

Ryotaro: Time to use Liner form!

Ryotaro went into his awesome Liner Form and he was more than ready for action!

Nico: COOL!

Me: Wow!

Eli: Now it's gonna get awesome.

Nico: Shall we start the finishers?

Ryotaro: Lets do it!

Takanuva: Ready when you guys are!

Nico: Lets do it!

Eli: SPIRIT GUN!

Me: FRUIT ZENITH SLICER!

Gali: UZUMAKI BASSOON SHOT!

Nico: NUOVA STAR!

We fired waves of energy and elements and we hit the Ivy Imagin and he was obliterated in an instant!

Nico: You six Imagin have failed this city!

Ryotaro: Takanuva, since the day I met you, I've begun to see you as the older brother I've always wanted.

Takanuva: I'm truly honored Ryotaro and that makes all your Imagin friends siblings too.

Momotaros: Yeah it does.

We later came back and told everyone about what happened and it was awesome.

May: That was awesome!

Nico: Applejack, your missions are next. And Cole will go with you.

Applejack: YEEHAW! I'm going to have fun on this one.

Laney: This makes the 9th member of the Mane 10 to go on an Ambassador Mission.

Nico: Yep and after that it's Sunset Shimmer left.

Eli: We're moving really fast aren't we.

---

Later we were walking over to the house of the Fox Kids.

Maria: Nico, have you already confirmed to the Fox Parents about your… relationship with Rita?

Nico: Not yet. But I'm not really nervous to death about this one because I know Rita's mom and dad well.

Me: They do have their children come over for our babysitting adventures and that is always fun.

Laney: It sure is. And Lynn does an awesome job babysitting them.

Rita Fox: My brothers and sister have always been a big handful when it came to babysitting.

Lori: They literally were a nightmare before Lynn.

[Flashback to them throwing stuff at Lori while she was hiding behind the couch.]

Leni: [Flashback to them locking her out in the rain.] "So mean!"

Luan: [Flashback to them throwing a bucket of water on her while she was sleeping.] "Little monsters!"

Luna: [Flashback to them flushing stuff down the toilet.] "Bad to the bone!"

Nico: That still shocks me that they can cause so much trouble.

Eli: No kidding.

Me: The reason the Fox Quints weren't the right kids for you girls is because they didn't matched your standards. So Lynn was the only available choice.

Rita Fox: That's true. My siblings have been known to do all that. We looked all over the city for the best babysitter to help out but no one was willing to help because they were too scared of them.

Laney: Sounds like someone else that Ronnie Anne and Syd know.

Syd Chang: Yep. And that someone is that unibrow eyesore brat Becky.

Becky: Whoa.

We arrived at the house of the Fox Kids.

Rita Fox: Boy it's great to see the house is still here.

Nico: Yeah.

We went over and knocked on the door. Answering it was the Fox Parents.

May: Hi, Mr. and Mrs. Fox!

Mr. Fox: Well hello everyone.

Rita Fox: Hello mom and dad.

Mrs. Fox: Well there's are number 1 star athlete!

Rita hugged them both.

Rita Fox: Awesome to see you both again. Sorry I worried you if I was gone for so long. I was helping the team.

Me: It's true.

Rita Fox: We have so much to talk about.

We went inside and talked things over with the Fox Parents.

Lynn: How have the kids been Mr and Mrs. Fox?

Mrs. Fox: Oh they are doing great Lynn. They are over at the gym for Wrestling Practice.

Lynn: Cool.

Maria: Your kids have been an awesome help to the team.

Mr. Fox: Have they really?

Me: They sure have. And they have awesome frenemies now in the M.O.E.

Laney: It's true. They are called the Pizza Terror Six.

Nico: They are six Pizza Villains: Pizza the Hut, Pizza Bear (Family Guy), Evil Pizza (Scooby Doo), Nightmare Pizza (Jimmy Neutron), Pizza Monster (Billy & Mandy) and Angry Pizza.

Me: Pizza the Hutt was a mascot for Pizza Hut.

Nico: The Pizza Bear is a creature that Peter Griffin took down.

Shaggy: Like yeah and the Evil Pizza is a monster that me and the gang faced.

Jimmy Neutron: And there's Nightmare Pizza from my Slumber Party Machine.

Mandy: A Pizza monster that was inadvertently made by our friend Nergal.

Me: And a villain called the Angry Pizza.

Mr. Fox: That's an all pizza team.

Mrs. Fox: It would be really awesome if there was an all burger team.

We laughed at that one.

Me: But that's not a bad idea. We'll have to look into that one.

Mr. Fox: Aren't you all supposed to be helping out the Live Action Autobots right now?

Nico: Oh, that's actually tomorrow.

Starlight Glimmer: We don't go to the Live Action Transformer Universe till tomorrow.

Nico: Yeah we're taking it easy till then.

Mr. Fox: Oh you want to rest up till then. That's all right then.

Nico: Good.

We had a really awesome talk and Mr. and Mrs. Fox gave Nico their blessings.

---

We were later back at home.

Nico: I'm glad Mr and Mrs. Fox agree to us being a couple.

Rita Fox: Me too. Now that makes my siblings your sister in laws in the future.

Nico: Yeah.

Leni: It's totes awesome.

Nico: Anything else you guys want to do on this day off?

Me: Well I do have an idea for a Calm Before the Storm Adventure as I call it. We can always go into the Simulator to see what it was like when you all met Zecora.

Nico: Hey that's not a bad idea.

Zecora: An adventure into the past to see what I was like will be fun to see. But in that one it will be a tough one for you and me.

Apple Bloom: Yeah but just be careful in that one though.

Laney: We will.

Bane then arrived.

Nico: Bane! Glad you could make it. Is it alright if I talk to you?

Bane: (Spanish Accent) Certainly amigo.

Nico: Bane, I don't know if it'll be you, Croc, Abomination, or Gator Ghoul's turn tomorrow. But I need the 4 of you to act as security for us when we go to the White House of the Live Action universe to have a press conference regarding the unfair treament of the Live Action Autobots.

Bane: Ah si so you want us to watch out for anyone bad that tries to stop you from reinstating peace.

Nico: That's right.

Bane: We'll be there to help Nico.

Nico: Thanks Bane.

Bane: Denada.

Nico: You can come with us right now if you want too.

Bane: I would be glad to.

Nico: Awesome.

Maria: Nico, which Gene Slammer do you think you'll meet on your next rescue?

Nico: An Evolved Appoplexian Gene-Slammer next.

Me: Whoa one for Ultimate Rath's kind next.

Applejack: That will be an interesting one to see.

Eli: It sure will be awesome.

Lola: Yeah.

Me: So it's gonna be someone that's got powerful superhuman strength. Sakura Haruno, Applejack, Lady Tsunade, me or anyone like that.

Nico: Yep.

We went to the Simulator and got ready and Rarity, Apple Bloom, Applejack, Fluttershy, Pinkie Pie and Rainbow Dash were staying in the control room to avoid confusion. The simulator activated and we were in Ponyville.

May: Here we are in Ponyville.

Me: Boy it sure is an amazingly beautiful day.

Nico: I'll say.

Eli: Yeah it sure is nice.

Twilight Sparkle: Wow, what a gorgeous day!

Me: Boy it sure is beautiful.

Sunset Shimmer: I'll say.

Spike: Rainbow Dash must have gotten up early for once and cleared all the clouds away.

Me: R.D. Sure does a fantastic job of doing that.

Starlight Glimmer: That is for sure.

Twilight Sparkle: I bet all of Ponyville is going to be out enjoying the sunshine.

Naruto: I'm sure they are.

Twilight Sparkle: What? Where is everypony?

Me: Huh?

We saw that Ponyville was as quiet as a graveyard and nobody was outside.

Me: That's weird.

Nico: Yeah where is everyone?

Firecracker Burst: So strange to see Ponyville like this.

Spike: Is it some sort of pony holiday?

Twilight Sparkle: Not that I know of.

Me: If it were then Pinkie Pie would have had something awesome planned.

Laney: Yeah she sure would have.

Spike: Does my breath stink? [belch]

Twilight Sparkle: Not more than usual.

Me: Your breath smells great Spike.

Spike: Thanks. Is it… zombies?!

Twilight Sparkle: Uh… not very likely.

Spike: Not likely… but possible?

Me: Spike if it were zombies then everyone would be shooting everything left and right and we would be ready for it too.

Varie: He's right on that one.

Me: Weird no one is outside but us.

Nico: Yeah how strange.

William: You don't think the Live Action versions of Megatron and Starscream knew about us planning to go after them, do you?

Nico: William, first of all, the true threat of the Live Action world is the Fallen.

Me: Yeah.

Pinkie Pie: Psst!

We looked around for where that came from.

Pinkie Pie: Twilight! Guys! Spike! Come here! Come! Here! Hurry! Before she gets you!

We went into Sugarcube Corner and we jumped in and it was dark. Pinkie Pie shined a flashlight.

Twilight Sparkle: [groans]

Spike: Who?! The zombie pony?

Pinkie Pie: Z-Zombie pony?!

Twilight Sparkle: Spike! There are no zombie ponies. Pinkie, what are you doing here alone in the dark?

Me: Yeah what's going on?

Nico: Why are you all alone in the dark?

Pinkie Pie: I'm not alone in the dark.

We saw Applejack, Fluttershy, Rarity, Rainbow Dash and Apple Bloom there too

Twilight Sparkle: [gasp] Okay then, what are you all doing here in the dark?

Applejack: We're hidin' from her!

We looked outside and we saw a pony scraping at the ground and I glared at her with my eyes red and demonic.

Nico: Hmm.

Eli: Hmm.

She looked at us with glowing yellow eyes and many of us hid.

[All gasp]

Nico: Who could've caused this?

Me: I think we just saw Nico.

Nico: Oh right.

Me: I've got a really bad feeling about this.

Nico: Yeah. Just the look on that pony is giving me the creeps.

Apple Bloom: Did you see her guys? Did you see… Zecora?

Applejack: Apple Bloom! I told you never to say that name.

Me: Why is that some form of Taboo?

Twilight Sparkle: Well, I saw her glance this way…

Pinkie Pie: Glance evilly this way.

Eli: It's hard to tell but I'm not sensing anything evil about her.

Twilight Sparkle:… And then a bunch of you flip out for no good reason.

Applejack: No good reason? You call protectin' yer kin no good reason? Why, as soon as my sister saw Zecora ridin' into town, she started shakin' in her lil' horseshoes.

Apple Bloom: [shakily] Did not!

Applejack: So I swept her up and brought her here.

Apple Bloom: I walked here myself!

Applejack: For safe keepin'.

Apple Bloom: Applejack, I'm not a baby! I can take care of myself!

Applejack: Not from that creepy Zecora.

Me: Applejack, Apple Bloom is capable of handling it.

Fluttershy: She's mysterious.

Rainbow Dash: Sinister.

Pinkie Pie: And spoooooky!

Me: We've handled monsters before and we killed many of Equestria's major enemies too.

Starlight Glimmer: He's right on that one.

Twilight Sparkle: [groans]

We looked outside and we saw Zecora take off the hood of her cloak and we saw that she was a Zebra.

Everyone but Twilight and us: [gasp]

Twilight Sparkle: Will you cut that out?

Rarity: Just look at those stripes! So garish!

Twilight Sparkle: She's a zebra.

Everyone but Twilight: A what!?

Twilight Sparkle: A zebra, and her stripes aren't a fashion choice Rarity, they're what she was born with.

Me: Yeah Zebras are usually born like that.

Rarity: [faints]

FWOMP!

Applejack: Born where? I've never seen a pony like that in these parts, 'cept… her!

Twilight Sparkle: Well, she's probably not from here, and she's not a pony. My books say that zebras come from a faraway land. But I've never seen her in Ponyville.

Me: Yeah Zebras are usually found in places like jungles, savannas or anything that has hot and wet climates.

Nico: That's true.

Twilight Sparkle: Where does she live?

Applejack: That's just it, she lives in… the Everfree Forest!

[Crash that sounds like a thunderclap]

Twilight Sparkle: Spike!

Spike: Uh, sorry.

Me: Good dramatic effect though.

Applejack: The Everfree Forest just ain't natural. The plants grow…

Fluttershy: Animals care for themselves…

Rainbow Dash: And the clouds move…

Applejack, Fluttershy, and Rainbow Dash: All on their own!

Rarity: [faints]

FWOMP!

Laney: Rarity you got to stop fainting like that.

Me: Besides Zecora doesn't look that threatening to me.

2012 Raph: You guys are overreacting. I'll just go talk to Zecora. If she's bad, I'll kick her ass. If not, I'll leave her be.

Nico: Raph wait. Lets not use violence. We need to save all our power for the Live Action Transformer universe.

Me: Yeah. Also the way you guys are talking about her makes it sound like she is some kind of Satanic Voodoo Priestess or something.

Eli: Yeah.

2012 Raph: I said I'll TALK to her first. I'm not always hot headed, you know.

Nico: Raph that's an order.

2012 Raph: Fine.

Pinkie Pie: And that wicked enchantress Zecora lives there doing her evil… stuff! She's so evil I even wrote a song about her!

Rainbow Dash: Here we go…

[Pinkie Pie]

She's an evil enchantress

She does evil dances

And if you look deep in her eyes

She'll put you in trances

Then what will she do?

She'll mix up an evil brew

Then she'll gobble you up

In a big tasty stew

Soooo… Watch out!

Pinkie Pie: [heavy breathing]

Twilight Sparkle: Wow. Catchy.

Pinkie Pie: It's a work in progress.

Me: But I don't think she's a cannibal. There's not way she can eat you guys.

Sunset Shimmer: Yeah this is getting out of hand.

Twilight Sparkle: This is all just a lot of gossip and rumors. Now tell me; what exactly have you actually seen Zecora do?

Rainbow Dash: Well… Once a month, she comes into Ponyville.

Twilight Sparkle: [dramatically] Oooooh.

Me: Yeah so?

Rarity: Then, she lurks by the stores.

Twilight Sparkle: [dramatically] Oh, my.

Nico: What's bad about that?

Fluttershy: And then, she digs at the ground.

Twilight Sparkle: [dramatically] Good gracious! [normal tone] Okay, I'm sorry. But how is any of this bad? Maybe she comes to town to visit?

Eli: Yeah what's bad about that?

Apple Bloom: Yeah! Maybe she's just tryin' to be neighborly.

Twilight Sparkle: And maybe she's not lurking by the stores, maybe she's going to them, lurk free, to do some shopping?

Me: Hmm. Maybe.

Apple Bloom: Yeah! Everypony likes to shop. You know what I think?

Applejack: Apple Bloom! Hush and let the big ponies talk.

Me: Applejack calm down.

Apple Bloom: [under breath] I am a big pony!

Rainbow Dash: W-what about digging at the ground? You've got to admit that's weird.

Fluttershy: What if she's digging for innocent creatures?

[Pinkie Pie sings "Evil Enchantress" in the background]

Twilight Sparkle: I am sure there is an explanation for everything Zecora does. And if anypony here were actually brave enough to approach her, she would find out the truth.

Apple Bloom: Well, I'm brave enough; I'm gonna find out myself.

Me: I'll go with you Apple Bloom.

Nico: (Whispers) You be careful J.D.

Me: (Nods)

Me and Apple Bloom left quietly.

Me and Apple Bloom followed Zecora from the shadows and stayed quiet.

Me: (Whispers) Stay close Apple Bloom.

Apple Bloom nodded.

2012 Raph: (Whispers) Can I go with you guys too?

Me: (Whispers) Fine but stay quiet.

He nodded.

Apple Bloom hopped onto my back and we tip toed quietly and followed Zecora.

Twilight Sparkle: You ponies are being ridiculous!

Sunset Shimmer: Yeah this is getting out of hand.

Pinkie Pie: Well, I heard that Zecora eats hay.

Twilight Sparkle: Pinkie, I eat hay; you eat hay!

Nico: All ponies eat hay.

Pinkie Pie: Yeah, but I heard it's the evil way she eats hay.

Applejack: Hey! Where's Apple Bloom?

Fluttershy: The door's open.

Nico: Hey Raph is gone too.

Raph: I'm right here!

Nico: No the 2012 version of you is gone. Oh I told that turtle not to go out there. He must've followed J.D.

Rarity: She went outside!

Rainbow Dash: And Zecora's still out there.

Applejack: [sigh] That silly lil' filly! I told her to stay put! And J.D. is with her! I'm gonna kill him for this!

Nico: Applejack you will not!

Twilight Sparkle: Spike, you stay here in case Apple Bloom comes back.

Spike: Will do!

Everyone left.

We were near the edge of the Everfree Forest.

Me: (Whispers) There it is. Stay close.

2012 Raph: (Nods) I'm sure Zecora's harmless. I mean, you guys have Raven as a friend even though she's not like most people.

Me: That's true. But those girls are letting fear and paranoia get a hold of them. Come on.

We tip-toed quietly. We got to the entrance of the forest.

Me: Boy every time we come here this place always gives me the creeps.

Apple Bloom: [gulps]

Apple Bloom was brave. We walked on. We came across a grove of strange blue flowers.

And just as we were about to talk to her…

Applejack: Apple Bloom?

Apple Bloom: [gasp]

Me: Oh crud!

Applejack: You get back here right now!

Zecora: Beware! Beware, you pony folk! Those leaves of blue are not a joke!

Me: Uh oh. I've got a bad feeling about these flowers.

Applejack picked up Apple Bloom.

Applejack: Y-you keep your creepy mumbo-jumbo to yourself, ya hear?

[Applejack, Rainbow Dash, Pinkie Pie, and Rarity speak over each other against Zecora]

Twilight Sparkle: [sighs] Oh brother.

Nico: Yeah oh brother!

Zecora : Beware! Beware!

Me: Oh boy.

Rainbow Dash: Yeah, back at ya, Zecora! You and your lame curse are the ones who better beware!

Me: R.D.!

Rainbow Dash: Oh boy.

Applejack: And you! Why couldn't you just listen to yer big sister?

Apple Bloom: I… I…

Applejack: Who knows what kind of nasty curse Zecora could have just put on you?

Me: The only ones who know about about curses are Lincoln and me.

Applejack: And you… (Threateningly) If you ever take my sister in here again I will behead you!

Me: Do your worst Applejack.

Nico: Applejack! Stand down! You will not threaten my second in command like that ever again! Or I will have you court-martialed!

Pinkie Pie: Just like in my song! [Starts singing a shorter version of "Evil Enchantress"]

Twilight Sparkle: You guys, there's no such thing as curses!

Me: (Whispers to Twilight) Believe me Twilight we know all sorts of crazy things ourselves.

Nico: It's true.

Rainbow Dash: Well, that's interesting to hear coming from Miss Magic Pants herself.

Me: Rainbow Dash that's enough!

Twilight Sparkle: My magic, real magic, comes from within. It's a skill you're born with. Curses are artificial, fake magic. It's conjured with potions and incantations; all smoke and mirrors meant to scare. But curses have no real power, they're just an old pony tale.

Applejack: Just you wait, Twilight. You're gonna learn that some pony tales really are true.

Nico: Oh brother!

The next morning Twilight woke up.

Twilight Sparkle: Ugh… what a dream… Curses, schmurses. Whoa! [chuckle] Maybe Zecora cursed my hair. [Laughs nervously and then gasps] Or she cursed my horn!

Me: What the?

I saw that her horn was all floppy and rubbery and covered in blue spots.

Nico: What in the name of!?

I flicked it and it was like a rubber toy. How funny.

Twilight Sparkle: No no no no no! None of these books have a cure! Ugh! There has to be a real reason for this! An illness? An allergy?!

Spike: A curse!

Twilight Sparkle: I said a real reason. Something that points to something real.

Spike: How about this one?

Twilight Sparkle: "Supernaturals"? Spike, the word supernatural refers to things like ghosts and spirits and zombies, which are as make-believe as curses. This book is just a bunch of hooey!

Me: Let me see.

I looked at it and it was actually an Herbal Remedy Book.

Spike: But what if you're wrong, Twilight? What if this really is a-

Pinkie Pie: Ah pfurse!

Pinkie Pie's tongue was big and swollen and had blue spots on it!

Spike: A purse? How could it be a purse?

Twilight Sparkle: Pinkie? What happened?

Me: Boy last time I had a tongue that big was when I said a tongue twister and my tongue was as big as a balloon.

Pinkie Pie: Pee pah Zthecora! Sthe put a cursthe on me!

Spike: Hey, say it, don't spray it, Pinkie!

CRASH!

Rainbow Dash: [thud] Ow! [thud] Oh! She's [thud] trying to say-ow!-Zecora [thud]-oh!-[crash] she slapped us all with a-ow- curse!

Rainbow Dash was crashing into the wall of the library!

Rainbow Dash's Wings were on upside down!

Nico: WHOA! R.D. Are you all right?

Rainbow Dash: I'll be all right.

Rarity: I'm afraid I have to agree. [Blows hair out of her face]

We saw that Rarity had dreadlocks all over her!

[Spike and Twilight yell in surprise]

Me: Jumping peanut farms!

Nico: WHOA! Rarity does not look good with dreadlocks on.

Applejack: [high pitched voice] I hate to say I told ya so, Twilight, but I told ya so!

[Spike and Twilight gasp]

We saw that Applejack was shrunk to the size of an apple! Literally!

Applejack: It's a curse, I tells ya!

Me: What the!?

I pulled out a ruler and measured Applejack and she was only 2 and a half inches tall!

Me: Jeez!

Eli: That is tiny!

Twilight Sparkle: But Fluttershy… seems just fine!

Rarity: Yes, there doesn't seem to be a thing wrong with her.

Me: That's unusual.

Twilight Sparkle: Fluttershy? Are you okay? Is there something wrong with you? Would you care to tell us? So… you're not going to tell us? Yes you're not, or yes you will?

Applejack: Good gravy, girl! What's wrong with you?!

Fluttershy: [deep male voice] I don't want to talk about it.

Me: WHOA! What a deep voice!

Nico: Yeah!

[Spike snorts, then bursts out laughing]

Spike: This is hilarious! [laughs] Look at all of you! We got: Hairity, Rainbow Crash, Spitty Pie, Apple Teeny, Flutterguy, and… uh… I got nothin'… Twilight Sparkle. I mean seriously, I can't even work with that.

Me: Spike that is NOT FUNNY!

Luan: Yeah leave the jokes to me and Eddy.

Twilight Sparkle: [Sarcastic laughter] This is no joke, Spike. Now start looking for more books so I can find a cure!

Spike: [groan]

Rainbow Dash: [groans] I think we'll find a cure to this curse at Zecora's place!

Nico: I agree!

Twilight Sparkle: It's not a curse!

Applejack: I agree with Dash! We'll go to Zecora's and force her to remove this hex!

Twilight Sparkle: It's not a hex either!

[Everyone but Apple Bloom, me, 2012 Raph and Spike shouting at once]

Apple Bloom: This is all my fault. If I hadn't followed Zecora in the first place, none of this would have happened. I just gotta fix this.

Me: Me and Raph will go with you Apple Bloom. I'll take the heat from Applejack later.

2012 Raph: Okay. Lets go.

We were off.

Applejack: Now where does she think she's goin' this time?

She went and hid in Apple Bloom's tail.

Rainbow Dash: I don't care what you say, Twilight. It's time to pony up and confront Zecora. Come on, girls. Are you with me?

Pinkie Pie: Ah am-pft!

Rarity: And I as well.

Fluttershy: Uh, I don't know. Seems awfully dangerous.

Spike: [giggle]

Nico: Spike that's enough!

Rainbow Dash: How about you, Applejack? Applejack?

Pinkie Pie: Pf-she's gone-pft!

Rarity: Aah! Or somepony stepped on her!

Nico: (Looks under his boot) Nope not here.

Twilight Sparkle:… or sat on her?

Eli: (Scream)

He looked behind him and saw nothing.

Eli: Whew.

Rainbow Dash: Rarity's hair!

Pinkie loooked in her dreadlocks and found nothing.

Rarity: Oh! OH! Pinkie, what are you doing? Ah, really. Aah! You ever hear of personal space?

Pinkie Pie: Nopthe.

Twilight Sparkle: Apple Bloom is gone too!

Nico: Same with J.D. and 2012 Raph.

Rainbow Dash: I bet they went after Zecora.

Twilight Sparkle: Well we better go find them. Come on girls, let's go.

Rarity: [grunt] Oh dear. Oh, this is so unseemly. Auuuaah!

Rainbow Dash: Hey, a little help here?

Fluttershy: Oopsie! Sorry.

Rainbow Dash: [crash] OW!

Fluttershy: Uh… Spike? Are you coming?

Spike: Nope! Uh… gotta stay here and look for a cure. [gasp]

Twilight Flopple!

They were off.

We were on our way to the Everfree Forest.

Me: Don't worry Apple Bloom we'll cure everyone.

Apple Bloom: Thanks J.D.

2012 Raph: We just got to find Zecora's place.

Me: Huh? Looks like we got a little stowaway.

Applejack popped out of Apple Bloom's hair.

Applejack: Stop right there! Turn around right now you three!

Me: Did you hear something Apple Bloom?

Apple Bloom: Nope.

Applejack: Why you!? You stay away from my sister J.D.! Or I would behead you for this!

Me: Okay that does it.

I grabbed her.

Applejack: Apple Bloom you go home right now!

Apple Bloom: No.

Applejack: No?! You can't ignore a direct order from your big sister!

I put Apple Bloom on a tree branch.

Apple Bloom: Hehehe. Sorry, Applejack, but I'm the big sister now.

Me: We'll come back when your time out is done.

2012 Raph snickered.

We left to resume our search for Zecora.

Applejack: Apple Bloom, you come back here right this instant! I'm gonna tell Big McIntosh on you! Aw, pony feathers.

Twilight Sparkle: C'mon girls. We've got to get to Zecora's. Hurry!

Nico: We're going as fast as we can Twilight!

Eli: Yeah!

Rattrap: Oh man! We're all gonna die!

Rarity then tripped on her dreadlocks.

Rarity: Ooh… Ahaha. Easier said than done.

Eli: I got you Rarity.

Eli picked her up.

Rarity: Oh thank you Eli.

Rainbow Dash: Hey, wait for me! [screaming and owing]

Applejack: Rainbow! Thank Celestia! There's no time to lose! I need to get to Zecora's pronto! Giddy-up pony!

Rainbow Dash: Ex-CUSE me?

Applejack: YEEE-HAW!

Rainbow Dash: What the…

Applejack: No, Rainbow Dash. Other way!

Everyone then arrived at an extremely scary tree house.

Nico: Wow so this is Zecora's house.

Eli: Wow it sure is creepy.

Rarity: Oh. I look horrible!

Pinkie Pie: Plis place plooks horrible!

Rarity: Oh my. That place really does look horrible.

Nico: It makes us feel like she is some kind of Satanic Voodoo Priestess.

Everyone looked in the window and they saw tribal masks, potions, candles, bottles, everything.

Rarity: Nice decorations, if you like creepy!

Aylene C.: It's very cool though.

Zecora came in

[Ponies gasp]

Zecora dumped in some powder.

Zecora: [talks in her native language]

Pinkie Pie: Sthe sthtole my sthong! Shthe shtole mm mm!

Rarity: She stole your song?

Nico: She stole your song?

Twilight Sparkle: Oh Pinkie. Doesn't sound anything like your song.

Nico: Yeah.

Pinkie Pie: Ah. Hmm… Pbth! [whimper]

Fluttershy: [sigh]

She's an evil enchantress

And she does evil dances

And if you look deep in her eyes

She will put you in trances

Then what would she do?

She'll mix up an evil brew

Then she'll gobble you up

In a big tasty stew

Soooo… Watch out.

Nico: That sounds more cooler. Sounds like Louisiana Blues Style.

Eli: I like it.

Rarity: You saw those terrible things. Now do you believe us Twilight?

Twilight Sparkle: Scary looking masks, confusing incantations, and a great big bubbling cauldron? [sigh] Everything is pointing to Zecora being… bad. Or… what if Zecora is just making soup?

Nico: Yeah she might be making soup.

Zecora: Mmm! The perfect temperature for ponies, I presume. Now, where is that little Apple Bloom?

Twilight Sparkle: Or… what if she's making Apple Bloom soup?!

Nico: EW!

Twilight Sparkle, Rarity, Pinkie Pie, and Fluttershy: [scream]

Applejack: I'm comin' for ya, Apple Bloom!

Rainbow Dash: Aaah!

Nico: INCOMING!

Everyone ducked.

Zecora: [Native language]

CRASH! ZOOM!

Applejack: Whoa there. Easy, Rainbow Crash.

Zecora: Oh. [Native language]

Rainbow Dash: [screams]

Zecora: [Native language]

Twilight Sparkle: What have you done with Apple Bloom?

Zecora: No! No! [Native language]

Applejack: [grunt]

Applejack lassoed Zecora!

Rainbow Dash: Ahh!

Zecora: Ponies! What is this you…

CRASH!

Rainbow Dash: [screams]

Zecora: No! You know not what you do! You've gone and spilled my precious brew!

Twilight Sparkle: We're onto you Zecora. I didn't want to believe that you cursed us, but the evidence is overwhelming!

Rarity: You made me look ridiculous.

Fluttershy: You made me sound ridiculous!

Pinkie Pie: [incoherent] You made me speak ridiculous!

Twilight Sparkle: You ruined my horn!

Zecora: How dare you! You destroy my home, destroy my work, then rudely accuse me of being a jerk?

Rainbow Dash: You put this curse on us, now you're gonna uncurse us.

Zecora: It is unwise to venture down this road. Your actions will make my anger explode!

Twilight Sparkle: Where is Apple Bloom!?

Apple Bloom: Zecora! I think I found all the things ya asked for.

Me: Yeah we got the stuff you need.

Apple Bloom: What in Ponyville is goin' on here?

Me: What in the name of sassafras stew is happening!?

Applejack: [gasp] Apple Bloom! You're okay!

Apple Bloom: Why wouldn't I be?

Me: Me and 2012 Raph were with her the whole time too.

Twilight Sparkle: Because Zecora is an evil enchantress who cursed us and was gonna cook you up into soup!

Me: What!?

Zecora and Apple Bloom: [laughs]

Apple Bloom: Oh Twilight. Did those silly fillies finally get in yer head? You know there's no such thing as a curse.

2012 Ralph: Don't mind them. They think you're an evil witch.

Me: Yeah they thought that.

Twilight Sparkle: Apple Bloom, sweetie. You can't just stand there and tell me this isn't a curse.

Apple Bloom: This isn't a curse.

Zecora: If you will remember back, the words I spoke were quite exact. [flashback]: Beware, beware you pony folk. Those leaves of blue are not a joke.

Apple Bloom: It was a warnin'. About that blue plant. It's called

Poison Joke.

Me: Whoa so that was what Poison Joke looked like earlier.

Nico: Those blue plants were all Poison Joke? Weird.

Zecora: That plant is much like poison oak. But its results are like a joke.

Applejack: What in the hay does that mean?

Zecora: It means this plant does not breed wrath. Instead this plant just wants a laugh.

Applejack: Will somepony please talk normal?

Twilight Sparkle: I think what she's saying is that when we ran in to save Apple Bloom, we ran into the poison joke. All our problems are just little jokes it played on us.

Applejack: Little jokes?! Very funny.

Me: Wait a second! I remember this! Lincoln remember when you accidentally got shrunk down to Applejack's size right now that we talked about Poison Joke?

Lincoln: Boy I sure do! That was crazy!

Nico: Yeah! I remember now! That was weird!

Rainbow Dash: Okay, fine. But what about the cauldron?

Fluttershy: And the chanting?

Rarity: And the creepy décor?

Zecora: Treasures of the native land where I am from. This one speaks 'hello', and this 'welcome'.

Rarity: Not welcoming at all, if you ask me.

Me: Well it can be intimidating at first but that's how it is in Zecora's home land. Besides I studied about all this in my travels all over the

planet.

Nico: Wow.

2012 Raph: I think the reason you girls think she's bad is because she's different. Well, that's not the case. Just because she's not like everyone else doesn't mean she's evil.

Me: Yeah that's true. Zecora may sound or look intimidating but in reality she really isn't.

Zecora: The words I chanted were from olden times. Something you call a nursery rhyme.

Me: Yeah.

Nico: Really? Wow.

Twilight Sparkle: But the cauldron… The Apple Bloom soup?

Apple Bloom: Lookie here Twilight. That pot of water wasn't for me, it was for all these herbal ingredients. The cure for poison joke is a simple old-natural remedy. You just gotta take a bubble bath!

Nico: Wow! So just a quick shower with soap and water.

Eli: Very simple but cool.

Twilight Sparkle: But I tried to find a cure in all my books and couldn't find anything. What book has this natural remedy?

Zecora: Here is the book, you see? Sad that you lack it in your library.

Me: That's the book I was looking at earlier.

Nico: Wow right under your nose the whole time.

2012 Raph: I admit I can be a hot head. But I'm not an idiot.

Nico: No you aren't.

Twilight Sparkle: Actually, I do have this book, but I didn't look inside because the title was so… Weird.

Me: Yeah it did sound a little ominous didn't it.

Twilight Sparkle: Supernaturals: Natural Remedies and Cure-alls That Are Simply Super.

Me: I guess you didn't read the full title of the book.

Twilight Sparkle: Yeah. I… I… I'm so sorry, Zecora. I had the answer the whole time, if only I had bothered to look inside.

Zecora: [chuckle] Maybe next time you will take a second look, and not judge the cover of the book.

Apple Bloom: Hahaha.

Twilight Sparkle: Zecora? Would you be kind enough to mix up another batch of the herbal bath?

Zecora: Mix it up I certainly will. Yet I am missing an herb from Ponyville.

Me: First lets get this place cleaned up for you. (Snaps fingers)

I snapped my fingers and fixed everything up for her.

Apple Bloom: But whenever Zecora comes to town, all the shops are mysteriously closed.

Twilight Sparkle: Oh, well… I think we can help you with that.

Me: Absolutely.

Nico: Then lets head to Ponyville everyone.

We walked back to Ponyville and everyone was outside.

Daisy: Look Rose! How awful!

Rose: The wicked enchantress has cursed them all.

Lily Valley: The horror, the horror!

WHAT A COUPLE OF DRAMA QUEENS

[Ponies panicking]

We came back and everyone went inside.

Daisy: Run, ponies! Run!

Twilight knocked on the door of Daisy.

Twilight Sparkle: Daisy, we need to talk.

Me: Yeah this curse thing has gone on long enough and also Zecora is not a wicked and evil witch like you think. She is just a healer and a great master of cures and everything.

We later got the bubblebath ready for Twilight Sparkle and the girls.

Twilight Sparkle: Dear Princess Celestia,

My friends and I all learned an important lesson this week: Never judge a book by its cover. Someone may look unusual, or funny, or scary. But you have to look past that and learn who they are inside. Real friends don't care what your "cover" is; it's the "contents" of a pony that count. And a good friend, like a good book, is something that will last forever.

Your faithful student,

Twilight Sparkle

Me: Glad you girls are okay.

Nico: Yeah this was one crazy adventure for you all.

Eli: No kidding there.

2012 Leo: I'm actually surprised you were calm about this, Raph.

2012 Raph: Let's just say that me, you, Donnie, and Mikey know what it's like to be treated as different.

Me: So do the X-Men and many heroes all over.

Laney: Yep.

2012 Splinter: As a reward, you are exempt from the next training lesson.

2012 Raph: Thank you sensei.

Me: Awesome.

Lotus Blossom: (French Accent) Miss Zecora, I would love to get the recipe for this bath. It's simply luxurious!

Apple Bloom: Applejack! Hey, where's Applejack?!

Ponies: [gasp]

Applejack: [normal voice] I'm right here, little sis. I ain't tiny no more!

Me: Here Applejack lets move you to the big tub.

I moved her to it.

Rarity: Oh! I have never felt so lovely in all my life!

Me: You look much better without dreadlocks Rarity.

Pinkie Pie: Oh, my gosh! I never realized how horrible it is not to be able to talk. I mean, I love talking so much, and when I couldn't talk anymore, my tongue was all 'ehhhh'! It was the worst! Don't you agree, Fluttershy?

Fluttershy: [normal voice]… Yes.

Me: Glad your voice is back to normal Fluttershy.

Nico: We all learned a really huge lesson from all this.

Eli: Boy did we ever.

Applejack: And J.D. I'm awful sorry I threatened to behead you. I was just…

Me: I know Applejack. You were just looking out for your little sister and I completely respect that.

Applejack: But still it was horrible for me to say I was gonna behead you.

Me: Don't worry my head grows back. Immortality and invincibility has its perks.

Nico: Yep.

Everyone: [laughing]

We later went back home and it was a really fun adventure for the calm before the storm. We went to sleep later on.

Meanwhile in the live action Transformers Universe, Optimus Prime and the Autobots were getting ready for our arrival to help destroy Megatron and the Fallen.

Live Action Optimus Prime: Autobots the time is nearly upon us for Team Loud Phoenix Storm to help us in our time of need and to mend the relationships of our kinds.

Live Action Bumblebee: It'll be awesome to be reunited with everyone again.

Live Action Optimus Prime: It sure will. I'm glad that everyone is with the team. Lets get ready for this. Autobots TRANSFORM AND ROLL OUT!

They transformed and went to the screen!

Another awesome fanfiction done.

This was a great chapter as it centered around the MLP Friendship is Magic episode called Bridal Gossip and it was a great episode. The first part of the chapter was for the Little Mermaid episode Calliope Dreams and that was a really awesome episode where

Ariel got a Sea Calliope and she was terrible at playing it. That episode aired on September 25th, 1993 and it was awesome! The 2nd part is for the 1990 TMNT Movie. It was awesome from my youth back when I was a kid. The Shredder will always be my most hated enemy in my fanfictions and on TV and movies. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, EtstheClarenceandTLHfan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Nico's next rescue is gonna be a really awesome and cool one as Nico, Sakura Haruno, Carol Pusateri, May, Maria, Varie, me, Eli, Kaina Tsutsumi, Camie, Himiko, Ibara, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Lana, Lola, Lisa and Lily are gonna go to the World of Shinobi and we're going into the Simulator and Nico is going to show Orochimaru what for and we're going to take down another Evil Sasuke. I got another interrupted rant to finish against him. And were going to make sure that Evil Sasuke suffers and pays for his crimes! IN BLOOD. Also we're going to meet a gene-slammer for an Evolved Appoplexian named Daniella King. Daniella is Nico's friend from Gym Class and she is a powerful athlete and she is a master of martial arts and wrestling and she knows how to kick butt. She is now a gene-slammer for an Evolved Appoplexian. The next rescue for Lincoln is gonna be in the awesome Transformers series called Beast Machines and that is gonna be interesting as Lincoln and the group go to Cybertron and reformat Savage/Noble and also contain Megatron's Orange Evil Spark and lock it up and save all the Transformers there from themselves as well as create a balance and turn Cybertron into a Technorganic Paradise. They are also going to meet a gene-slammer for Warrior Lady of The Wasteland named Helen Lorelai Novamenchikov from Estonia. She is an adventurer that was born in Estonia but raised in the United States. She also knows a lot about survival and is really skilled with a sword. As you all saw, it's the moment you all have been waiting for as we go to the world of the Live Action Transformers and we're going to set things right after everything that happened with Sentinel Prime when he betrayed the Autobots and we're going to kill Megatron and Starscream and the Fallen of the Live Action Transformers World. Also Starlight Glimmer is going to unleash the full extent of her power against them in her phase 1 Transformation like with how Gohan did against Cell. Get ready for an explosive battle as the fight to save the Live Action Transformers universe begins!

See you all tomorrow

In the simulator, Nico, Sakura Haruno, Carol Pusateri, May, Maria, Varie, me, Eli, Kaina Tsutsumi, Camie, Himiko, Ibara, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Lana, Lola, Lisa and Lily, were in the world of Shinobi and we were in the Rendezvous at The Tenchi Bridge in the Land of Grass.

Me: This is the world of Shinobi guys.

May: Wow! This is gonna be awesome.

Eli: It sure will be and I can't wait to see how Nico kicks Orochimaru's ass.

Nico: That will be awesome.

Me: And I have a Rant to make up for with an evil Sasuke while we're here because I was so RUDELY Interrupted!

Lana: Yeah!

Nico: Yeah but I'm glad we're doing this one.

Maria: Me too.

Kaina Tsutsumi: So this is the world of Shinobi that you know J.D.?

Me: Yep and it took place 150,000 years into the future. A lot has changed in that time frame all because of an apocalyptic event that happened in the year 3000 that we prevented.

Lola: It's all true.

Nico: Thanks for coming with me, Sakura.

Sakura Haruno: No problem Nico. It's always so fun to go on a great rescue with you.

Nico: Yep.

Camie: By the way Sakura how did you meet Naruto if I might ask?

Sakura Haruno: You have J.D. to thank for that. It was a really awesome adventure.

I told them everything about what happened in 150,000 years and everything that happened and how and why and when I was done everyone was shocked.

Tsuyu: Whoa man! That is amazing and strange.

Sakura Haruno: Yeah.

Nico: J.D., I know Huxley Prescott interrupted your rant before. But is that really important than the people of Griffin Rock apologizing to us? Everyone but you, Girl Jordan, and the Louds Kids have gotten over it by now.

Me: Nico I'm really happy that the people of Griffin Rock, Girl Jordan and the Loud Kids have gotten over that and I'm glad that our plan worked perfectly for that but you know how awesome my rants are. But I absolutely hate it when someone interrupts me when I get the action going with an Evil Sasuke by starting it with the rant. I consider it rude and unfair for me.

Nico: Mmm yeah that's true there. No objections to that.

Sakura Haruno: I actually like those rants too.

Camie: What are the rants he does?

Me: You'll see it in a few minutes Camie.

Eli: Yeah my brother made this really awesome rant for when he goes after an Evil Sasuke.

Nico: Don't take this personally. But I doubt you're doing this rant just because you're pissed at Evil Sasuke. No. You're also doing this rant because you're angry at yourself for giving Team Buktu an opportunity to almost complete their plan.

Me: Well that and also I find it fun to do.

Nico: Oh.

Me: And quite frankly I was angry about that but not anymore. I let that go.

Nico: That's good.

Me: I'm sorry if I made you think I'm mad but I'm not. I'm just upset that my rant was interrupted.

Nico: Oh. Well as long as you can get it out of your system.

Sakura Haruno: That's assuming the girl we're rescuing today hasn't killed the Evil Sasuke here already.

Nico: Don't worry Sakura.

Eli: I sense she hasn't.

I then felt a strong energy.

Me: I know that energy. That's our old friend Orochimaru.

Nico: Now's my turn for some fun. J.D. you face Evil Sasuke and I'll face Orochimaru. Fair enough?

Me: Fair enough completely.

Nico: Lets go.

We went to the bridge.

Nico: I even have something in this box to make my fight easier.

Me: What is it?

Nico: You'll see it soon.

Me: Oh.

Nico: Let's take a look at what they're doing.

Me: Okay.

We hid and we saw Naruto with the 9-Tails Cloak and he had one tail.

Nico: So that's the power of the 9-Tails Chakra. Its incredible.

Me: Naruto doesn't know how to control it yet.

Sakura Haruno: Yeah.

Me: But don't worry. We're ready in case things go south.

Orochimaru came back with his face mangled up.

Me: Orochimaru has always been a monster that really pisses me off. But when I used the Black Gates on him he was out of my life for good.

Nico: Test subject?

Kabuto: Test subject? Who exactly is this guy?

Orochimaru: Years ago when I still walked amongst the fools of the Hidden Leaf Village, I sought the power of the shinobi who is not only the ultimate Wood Style Ninjutsu master but also the one who had total control over tailed beasts: The First Hokage. (Chuckles) I extracted some DNA Samples from the First's Remains and conducted an experiment. Implanting genetic components into the cells of 60 worthy children. But their bodies violently rejected the treatment. They perished in rapid succession one after another. Just as I was closing the book on the subject, someone stumbled onto one of my other experiments. I was forced to flee, leaving my laboratory exactly as it was. I thought all the test subjects had succumbed. I never dreamed there would be any survivors.

Nico: So that's how Yamato got his power.

Me: Yes. He was artificially engrafted with the First Hokage's powers. And he is the lone survivor of that incredibly fucked up crime against nature.

Camie: That is crazy.

Me: It was.

Kabuto: How fascinating. We're looking at the end result of your work all those years ago. You can observe the fruits of your labor.

Orochimaru: There's no question he's intriguing. But I wonder more about Sasuke. He needs to stretch his wings. Maybe we could put his growth to the test by pitting him against Naruto here.

Nico: Too bad Sasuke has already been called on dibs by another!

Nico walked onto the bridge with his Super Saiyan aura ablaze and he had lightning surging in it and his power was rising fast.

Nico: Thanks for the info. Now, here's a little friend for you to play with! (opens box to reveal a mongoose)

Orochimaru: (Gasp)

It lept out and bit Orochimaru on the nose! OUCH!

Me: (SNICKERS)

Nico: The mongoose! Snakes' worst enemy!

Orochimaru was howling in pain from the bite!

Kabuto got the Mongoose off and put it in the forest.

Nico: Now you have me as your enemy too.

Nico then unleashed the ultimate extent of his power and went Super Saiyan 5.

Nico: Sasuke is soon going to be dead and you and Kabuto with him. I will not let your crimes against nature go unpunished anymore! Justice has finally caught up to you, you motherfucking pieces of shit! (FLARES UP AURA WITH INCREDIBLE POWER!)

LIGHTNING STRUCK ALL OVER THE PLACE FROM THE SKY AND AROUND NICO AND HIS POWER WAS RISING FAST! THE GROUND WAS SHAKING VIOLENTLY AND THE AIR FELT LIKE IT WAS ALL ON FIRE AS THE WIND WAS BLOWING FAST!

Me: Whoa! What power!

Camie: Incredible!

Eli: Wow! Orochimaru just pissed off Nico big time.

Kaina Tsutsumi: Unbelievable!

Nico had eyes burning with intense fury and power at the insidious Sannin Madman! Then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive explosion of energy blasted part of the bridge away as the explosion completely engulfed it! Then Nico held out his hand and fired an incredibly powerful energy blast that moved too fast for Orochimaru and Kabuto to react and it engulfed them both and obliterated them in an instant!

Me: WHOA!

Tsuyu: That was too easy!

Nico picked up the mongoose as we came out.

Nico: And no, I'm not keeping this mongoose. Otherwise, Poromon and Poliwag will be jealous. This mongoose is going to Lana.

Me: Good thinking but wow! Nico you destroyed Orochimaru and Kabuto with ease.

Nico: Yep.

Lana: I'll gladly keep him Nico thanks.

Nico: You're welcome.

Sakura Haruno: Now Orochimaru has officially bit the dust.

Me: But we're not through yet.

I concentrated and sensed Sasuke's energy.

Me: That way.

Nico: Lets go.

We flew and went we arrived at a grassy meadow in the Land of Fangs and dug underground and we were in Orochimaru's hideout.

Nico: This must be it.

Me: Yep.

Eli: And I sense that our gene-slammer friend is close too.

Me: First let me have my fun.

Nico: Okay.

We went into the hideout.

Sakura: What are you going to name the mongoose?

Lana: Kerry. She is cute.

Sakura Haruno: Aww.

Me: I sense Sasuke.

I looked around a corner and saw in a main room with a snake THE EVIL SASUKE!

Me: (Whispers) There he is. Shh. Watch this guys. Now I don't want any interruptions this time.

Nico nodded.

I flared up my power.

Evil Sasuke: Where is that snake! I don't like to wait!

An energy blast was fired at him and it slammed into him and smashed him into the wall and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He came out of the rubble.

I appeared and I was in my Super Angel Xelnaga Infinity Form.

Me: (DIVINE ECHOING COSMIC ELEMENTAL VOICE) **Nice to see you Evil Sasuke. I have unfinished business with you that I never got to finish because I was so RUDELY Interrupted.**

Evil Sasuke then had his eyes glow red with incredible rage!

Evil Sasuke: WHO THE HELL DO YOU THINK YOU ARE YOU MOTHERFUCKING CUR!? YOU ARE NOTHING TO US YOU CUR! WE ARE THE UCHIHA AND WE ARE THE STRONGEST AND THE ELITE!

Me: (To Evil Sasuke) **Hmm. Yes and a "Motherfucking Cur" was the only kind of person you can handle. I remember that your father said that very same thing to me in 150,000 years just as I was killing the Uchiha for their crimes and snuffing out the very darkness that they used to destroy so many lives. When he made his speech about how you were going to kill all of the Leaf in the name of Madara Uchiha all they did was seal their fate. Your Father poisoned his own son with his own hatred and turned you into a miniature version of him and he poisoned your mind with so much of his hatred over everything that you became a totally lost cause. He made you into a homicidal and completely mentally unstable psychopath and you did not show any value towards friendship or comradery. You wanted everything handed to you on a silver platter just like your wretched father and all your clan did. You cheated in everything, Even though Ninjas cheat, education is the one thing that we NEVER cheat at. Isn't that right and they say that your father was leading the Uchiha to greatness. But it turns out you're just another lost soul of the run-of-the-mill ninja. And**

**you know it. You're not even in the same league in the kind of power that I possess. I can destroy the entire universe in the mere blink of a cosmic eye. In fact, next to my kind of power and the power that you have, you are nothing compared to me and you and your clan were nothing but a bunch of pathetic ants compared to it. The way you covet all that power, the way your clan did all the deeds in the name of the devil known as Madara Uchiha, a monster and a planet destroyer. It's downright fucking disgusting. As the most powerful fighter and warrior and champion in the universe, all I see when I look at you is a fucked up miserable fuckweed and a heartless motherfucking psychotic wretch. And on top of that I fucking hate your style above all others you ruthless fuckkicker! What is it that you are hoping to accomplish? Stealing all the jutsu in the world just to expand your jutsu arsenal and repertoire, committing crimes all over the planet just to satisfy the devil Madara Uchiha, murdering innocent people, stealing jutsu, pursuing petty and worthless desires like revenge and above all betraying the very village your clan founded. You Uchiha Motherfuckers don't give a flying fuck about anyone but your pathetic goddamned motherfucking selves and that is why I killed them all including your father. The Uchiha are heartless monsters that murder, lie, steal, betray and are completely powerhungry just like you and that's why I killed them all. YOU ALL FUCKING DISGUST ME!**

RAGE - NARUTO SHIPPUDEN MOVIE 2 OST - RAGE PLAYS AT 2:18

Evil Sasuke Roared in an incredible amount of rage and fury and he went into his LEVEL 2 Curse Mark Form and he went at me and punched and kicked and brutally fought me all over and tried to smash my head in with indiscriminate fury and he was really determined to make sure that he kills me. I blocked all his punches and kicks and he jumped back and threw numerous kunai and I deflected them all and fired a powerful blast of fire and it hit him in his arm and burned him bad! He was screaming in pain and then he was screaming in agony. But then his screams of pain quickly turned into maniacal and insane laughter. He was laughing like an insane and totally fucked up monster that was fucked up to the core six ways till Sunday and he went at me again and I kicked him in the face and knocked him down and he got up and went at me again and I dodged him and fired a blast of lightning and it hit him in the crotch and electrocuted him all over. He went at me some more and I dodged his strike and kicked him in the back and sent him smashing into a rock and he got up and fired massive blasts of lightning at me and I deflected them back with my sword and he got electrocuted all over and I punched him in the face and he went at me some more and I was making him madder and madder and madder and he was only making me stronger with all his hatred and more. I then punched him in the face and he went at me and I dodged him again and dodged him again and then I kicked him in the back again and sent him crashing into a rock and he got up and went at me some more and fired massive blasts of fire at me and I fired waves of massive fire blasts at him and the blasts collided and exploded with incredible power!

Nico: Kerry, don't run at the fucking-

Lola: Let him, Nico. At least he waited until the rant was done.

Lana: His ran is done.

Nico: Oh.

Massive fiery explosions were blasting off all over the place.

I fired elemental blasts at Evil Sasuke and he was firing blasts at me and massive fiery explosions were going off all over and turning the area into a raging inferno.

Camie: WHOA! What power!

Sirius: Wow! This is getting intense!

Nico: Yep.

The Entire area around us was turning into a war zone! Evil Sasuke then fired a massive fireball.

Me: KAAAAAAAAA! MEEEEEEEEEEE! HAAAAAAAAAAAA! MEEEEEEEEEEE! HAAAAAAAAAAAAAAAAAAAAAAAAAAAAA!

I fired a massive rainbow Fire Kamehameha Wave and it went through the fireball and destroyed it and it slammed into the Evil Sasuke and exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Evil Sasuke was smashed into the ground with incredible force and I kicked him in the stomach with incredible power and he belched up a huge amount of blood and then I grabbed him by his shirt and threw him into the air and flew after him and kicked him in the face and knocked out some of his teeth and he jumped away and fired waves of fire and I fired waves of lightning and they overtook his fire and the blasts of lightning hit him all over and electrocuted him and then I fired a wave of wind and entrapped him in a tornado and then I fired a wave of fire and burned him all over in the tornado as it was turned into a fire tornado. When the tornado faded he jumped out and fired more fire blasts and me and I fired waves of crystal at him and they hit him and cut him all over the place and then I fired waves of wood at him and smashed him all over the place with incredible force and smashed him all over. He ran at me with a Chidori and I teleported and fired waves of lava and burned his hands and he screamed in pain as he was burned all over and then I kicked him in the face and smashed him into a rock! Then he popped out of the rubble and threw the rock at me and I smashed it with incredible brute strength and smashed him with waves of rocks and pebbles and smashed him all over the place! I then fired waves of darkness and electrocuted and burned him all over.

Evil Sasuke got up and he was more enraged than ever before!

Evil Sasuke: (ENRAGED SCREAMING) WHAT IS IT WITH YOU!? WHY ARE YOU SO STRONG!? IT'S NOT FAIR! THAT POWER SHOULD BE MINE!

Me: **You will never have my power.**

Evil Sasuke then raised his right arm up and then I threw an energy disk and it slashed his right arm clean off! He screamed in excruciating pain as it was completely severed from his shoulder and he clutched the stub of his arm.

Evil Sasuke: YOU MONSTER!

Me: **I've been called worse.**

Tsuyu: Does Evil Sasuke always talk like this?

Nico: Yeah pretty much.

Me: **You don't know how to love anyone Sasuke. All you care about is nothing but yourself.**

Kerry bit Evil Sasuke on the ass.

CRUNCH!

Evil Sasuke: YEOWCH!

Lana then teleported and grabbed Kerry.

I kneed him in the face.

?: YOU ARE NOT WELCOME HERE!

A figure came out and it was An Evolved Appoplexian!

Nico: An Evolved Appoplexian!

It mercilessly beat up Evil Sasuke all over the place with incredible fury!

Nico: YEAH!

Evolved Appoplexian: (In a girls voice) You are feeling the pain of being beat up by a girl!

Nico: Daniella King!? Whoa!

I then teleported and stabbed Evil Sasuke all the way through his black heart!

Me: **This is for everything you have done! Go to hell and stay there you motherfucking son of a fucking bitch!**

I then slashed him all the way in half and sliced and diced him into a thousand pieces and then I fired a pitch black energy blast of the Black Gates and he was banished to oblivion forever!

Evil Sasuke was obliterated forever and Orochimaru's quest to gain immortality and all the jutsu in the world was over.

Daniella King reverted back and she was a girl with blue hair and blue clothes.

Nico: AWESOME! Daniella it's awesome to see you.

Daniella King: You too Nico. You guys were incredible.

Me: Awesome to meet you Daniella.

Daniella King: Same to you J.D.

Sakura Haruno: What's your favorite memory of Nico?

Daniella King: My favorite would have to be in Gym Class when me and Nico ganged up on a huge big bully we had in Wrestling and we smashed every single bone in his body.

Nico: Yeah!

Me: That was awesome.

Nico and Daniella hugged.

Nico: I really missed you.

Daniella King: Me too my wrestling partner.

May: That was awesome. J.D. have you gotten it out of your system?

Me: Yes I have. WHEW! I am glad I did too.

Camie: That was so awesome!

Momo: Yeah you were amazing J.D.!

Me: Thanks. But wait to you see what is about to happen in the Live Action Transformer World later today.

Nico: Yep.

We later went back home.

We then proceeded to save the Maximals from themselves and the Oracle gave them new and more powerful techno-organic forms, and we also made sure their memories are restored.

?: HELP!

Suddenly, Lincoln heard the sound of eleven girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye of The Buddha, and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the eleven girls, but they've been cornered by Savage/Noble, who's under Beast Machines Megatron's Orange Evil Spark that's in him, and he's going to kill them.

Lincoln: Guys, I found the eleven girls, but they've been cornered by Savage/Noble, who's under Beast Machines Megatron's Orange Evil Spark that's in him, and he's going to kill them.

?: (Estonian Accent) Let's get that monster!

Suddenly, we saw the Warrior Lady of the Wasteland appear before

us.

Lincoln: That Estonian accent, I knew it was you, Helen Lorelai Novamenchikov. But, we'll have to talk later, we got to reformat Savage/Noble, and contain and lock up Beast Machines Megatron's Orange Evil Spark.

We rushed on over, and Lincoln fired powerful rainbow energy balls at Savage/Noble and it hit him, and that allowed the eleven girls to get to safety. When Savage/Noble and the Orange Evil Spark of Beast Machine Megatron inside Savage/Noble saw us, he was incredibly enraged.

Lincoln: It's over, Beast Machines Megatron. Your days of warmongering are over.

Lincoln fired a powerful blast of rainbow energy, which extracted Beast Machines Megatron's Orange Evil Spark, and he imprisoned and locked it up inside of a special Cybertronian containment device created to contain the Orange Evil Spark of Beast Machines Megatron, and it was imprisoned for all eternity. We then brought Savage/Noble to the Oracle, who then reformated him, and gave him a brand-new and more powerful techno-organic form, and his memories were also restored, and we transformed Cybertron into a Technorganic Paradise. We cheered wildly as we holster our weapons and power down.

Lincoln: That's it for the Beast Machines Megatron. (To Helen Lorelai Novamenchikov) And it's so good to see you again, Helen Lorelai Novamenchikov.

Helen Lorelai Novamenchikov reverted back to normal, and she's a beautiful 17-year-old girl with long flowing blonde hair, light green eyes, she's tall at 6'5" in height, she had the body of a goddess, she has massive green angel wings, thanks to reigning in the power of Warrior Lady of The Wasteland, and she's dressed in a sleeveless black vest, sleeveless green midriff top, brown shorts, stockings, brown knee-high leather combat boots, and long black sleeveless trenchcoat with sand dunes on the coattails, and Warrior Lady of the Wasteland on the back.

Helen Lorelai Novamenchikov: (Estonian Accent) You too, Lincoln, it's been a long time.

Lincoln went up to Helen Lorelai Novamenchikov and they hugged, and Helen Lorelai Novamenchikov was also very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become.

Lincoln: It sure has been a long time, I haven't seen you two when you were sixteen, and as you can see, I really grew a lot since then.

Helen Lorelai Novamenchikov: (Estonian Accent) Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Helen Lorelai Novamenchikov, she was born in Estonia, but raised in the United States. She's a born adventurer and really skilled warrior and knows all about survival and knows how to survive in the most extreme of conditions, and she knows all about the wilderness. She is also one of the smartest and bravest of all the Guardian Angels, and this one time, she took on the worst of Lori's wrath, that ended with Lori getting the worst ever punishment Mom and Dad can dish out and it's not pretty.

We gasped in shock.

Nico: Holy enchiladas, I hate to find out the worst ever punishment Mr. Lynn and Ms. Rita gave Lori, and Helen lives up to her reputation, if she took on the worst of Lori's wrath.

Lincoln: And you'll love hearing about it, Nico. Oh, Helen, I also got you a little something.

Lincoln gave Helen Lorelai Novamenchikov a large Warrior Lady of the Wasteland-themed sword with Warrior Lady of the Wasteland etched on the 6'10" massive, wide, double-edged blade, large green angel wings for the crossguard, large green gem embedded in the rainguard, longer black handle, and large green gem with green angel wings surrounding it for the pommel.

Helen Lorelai Novamenchikov: (Estonian Accent) Wow, I love the new sword you made for me, Lincoln.

Suddenly, a Thunderbird Necklace of Eternal Love appeared around Helen Lorelai Novamenchikov's neck with green gems on the gold lightning bolts links and green crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Helen Lorelai Novamenchikov: (Estonian Accent) (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're now part of my harem and one of my many future wives, Helen.

Helen Lorelai Novamenchikov had a smile on her face and tears coming from her eyes, as she wrapped their arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around her waist, and he leaned down and kissed Helen Lorelai Novamenchikov on the lips, and they returned it, and we cheered for them. Then, we went up to the eleven girls, and when Lincoln saw them, he immediately recognized them. The eleven girls are Kunagisa Tomo, Aikawa Jun, Akagami Iria, Chiga Akari, Hikari, and Teruko A.K.A The Chiga Triplets, Handa Rei, Himena Maki, Ibuki Kanami, Sashirono Yayoi, and Sonoyama Akane from Kubikiri Cycle: Aoiro Savant to Zaregotozukai.

Lincoln: Oh wow, it's Kunagisa Tomo, Aikawa Jun, Akagami Iria, Chiga Akari, Hikari, and Teruko A.K.A The Chiga Triplets, Handa Rei, Himena Maki, Ibuki Kanami, Sashirono Yayoi, and Sonoyama Akane.

Nico: From Kubikiri Cycle: Aoiro Savant to Zaregotozukai, awesome.

Lincoln: Are you girls okay?

Kunagisa Tomo: Yes, we're okay, thanks to you.

Then, when Kunagisa Tomo and the ten girls saw who it was that saved them from Savage/Noble who was possessed by Beast Machines Megatron's Orange Evil Spark, heir faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Hinon's Cosmic Sword of Universal Hope,

Kunagisa Tomo: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made ten clones of himself, and he and the ten clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Kunagisa Tomo: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, eleven Thunderbird Necklaces of Eternal Love appeared on the necks of Kunagisa Tomo, Aikawa Jun, Akagami Iria, Chiga Akari, Hikari, and Teruko A.K.A The Chiga Triplets, Handa Rei, Himena Maki, Ibuki Kanami, Sashirono Yayoi, and Sonoyama Akane with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We head back to the World Tree Estate, and we told everyone about our rescue in the world of Transformers: Beast Machines, and they were shocked when they found out the villain we went after was Savage/Noble, who was possessed by Beast Machines Megatron's Orange Evil Spark.

But, when Lincoln showed what we did in saving all the Transformers there from themselves, along wiht creating a balance, removing Beast Machines Megatron's Orange Evil Spark and reformatting Savage/Noble, and turning Cybertron into a Technorganic Paradise, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Helen Lorelai Novamenchikov have a lot of catching up to do, now that she's back in town, and Lincoln had the Cybertronian containment device that has Beast Machines Megatron's Orange Evil Spark inside it locked up in our vault, and it was put under maximum security, so he can never be released.

---

After our Cybertronian adventure, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Helen Lorelai Novamenchikov saw Lincoln working out like crazy, she had an atomic red blush on her face.

Helen Lorelai Novamenchikov: (Estonian Accent) Whoa, I was right that Lincoln has really grown to be a 17-year-old 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Helen, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Helen Lorelai Novamenchikov: (Estonian Accent) That's incredible.

Nico: It sure is. So, Helen, how did you take on the worst of Lori's wrath that gave her the worst ever punishment Mr. Lynn and Ms. Rita can dish out?

Helen Lorelai Novamenchikov: (Estonian Accent) It's not going to be a pretty one, Nico. One time, I was heading to The Loud House to help Lincoln with learning some survival skills. But, then, as I was getting near Lincoln's home, I heard the sound of objects crashing in The Loud House, and I heard the sound of screaming of terror inside the house, and I knew who it was that made that sound: it was Lincoln, and the screaming of rage and murder I also heard could only come from one person: Lori, and when I got in, I saw Lincoln running in horror and terror, and behind him was Lori, and her eyes were red with rage and demonic rage. Lincoln told me he accidentally dropped Lori's phone, and it got a crack on the screen, and when Lori saw it, she went full all-out ballistic, and worst still, she had a knife in her hand, and she was going to kill him. Everyone hid in terror from Lori's wrath, and I wasn't going to let that psychopath get away with murder. So, I used my survival training and combat skills, and I took her head on, and Lori wasn't a match for me, and then, I hogtied her to the ground. Then, Lincoln ran up to me, and he hugged me tight, and he cried his little heart out, and I returned the hug. The crisis was over, and after Lincoln explained the accident, Mr. Lynn and Ms. Rita knew he went through Hell when Lori tried to kill him, and they were so mad at Lori, they grounded her for a whole year, and she lost her cellphone privileges, along with her driving privileges for a year.

We gasped at the magnitude of the punishment Mr. Lynn and Ms. Rita gave her.

Nico: (Stunned) Holy crap!

Lynn Sr.: Yeah, it was bad, Nico, real bad.

Rita: But, like Helen said, it was an accident. After that incident, Lincoln had some serious nightmares of that day, and Helen stayed to comfort him.

Me: Whoa.

Nico: Something like that could really scar someone for who knows how long.

Lincoln: Not that long, my nightmares eventually stopped two weeks later, Nico.

Nico: That's proof that you came out of that stronger than ever, Lincoln.

Luna: He sure did, dude, and that's proof that not even the worst of Lori's wrath could put a dent into Lincoln's resolve, and if anyone messes with him and around his Guardian Angels, they'd better write out their wills.

Nico: Before they get their asses kicked big time.

TLPS Mr. Wolf: Now, I'm really glad Mr. Shark, Lincoln, and Lori took care of Dark Lori at Chen Cang long ago. Out of all the worst things Dark Lori forced Lori to do, I think that was the straw that broke the camel's back.

TLPS Mr. Shark: Big time.

Nico: And thanks to Lincoln putting the Dark Sides under the Crystal Dragon's Vengeance Curse, they aren't getting out anytime soon. But, we still got Dark Lynn to take care of, and when we find out just how that animal escaped, Lincoln, I hope you turn her into an inside-out human sausage for all of the crap she put you through.

Lincoln: (Smirks) Oh, trust me, Nico, turning her into an inside-out human sausage will be the least of her worries.

Everyone: Uh oh.

Lynn: Yikes, when Lincoln says something like that, you definitely know it's very serious.

We then got a shower afterwards, and then, Lincoln, his harem, and his kids were getting ready for their beach date, this time, they are heading to Emerald Coast in Sonic's world.

Lincoln snapped his fingers, and the 17-year-old 7'5" tall, white-haired, handsome, and extremely muscular teen was dressed in large orange swim trunks with a phoenix, thunderbird, buffalo, angel, and elemental forces on it, along with his large weighted orange bands with silver phoenixes on his massive biceps and thighs, his jewelry, large orange sandals, and eight large orange orbs orbiting around his legs, and he also had his weapons holstered, in case of trouble, Lincoln's harem were dressed in two-piece bikinis in their favorite colors, sandals, along with their jewelry, and they also had their weapons holstered in case of trouble, and Lincoln's kids were all dressed in swimsuits in their favorite colors, sandals, along with their jewelry, and they had their weapons holstered in case of trouble.

Lincoln: Alright, everyone, are we ready?

Thunder Sparkle: We're ready, Dad.

Lincoln, his harem, and his kids left the World Tree Estate, and they arrive at Emerald Coast in Sonic's world.

Starburst Aurora: Wow, so this is Emerald Coast, Dad?

Lincoln: That's right, Starburst Aurora, Sonic told me about Emerald Coast, and it's perfect for our date, and it's also perfect before we head out for your mom's special mission.

Starlight Glimmer: That's right, Linky, this is going to be so awesome.

Lincoln, his harem, and his kids dived right into the waters, and they really enjoyed it. Plus, Lincoln got a deep tissue massage from the girls in his harem, and he returned the favor and he gave the girls a deep tissue massage in return, and he also helped out the kids as well. Then, as the sun was about to set, Lincoln made clones of himself, and Lincoln and the clones went up to the girls in his harem, and they pick them up in their abnormally massive and powerful muscular arms, and as the sun turned orange, they passionately kissed and hugged with supercharged and intense passion, and his kids cheered for them. Then, they came back home to the Estate, and they were in their original clothes.

Nico: Hey, Lincoln, how was your beach dates?

Lincoln: Awesome, Nico. We went to Emerald Coast in Sonic's world.

Sonic the Hedgehog: I knew it.

Tails: And you guys had a lot of fun there.

Starlight Glimmer: We sure did, Tails.

* * *

Later it was time for Stella's 3rd Ambassador Mission.

William: Anyone else want to go with Stella and Chalmers. Besides Animated Optimus and 4 Rabbids?

Lincoln: Me and my siblings will go.

Lori: It'll be an honor.

May: Me and Maria too.

Maria: Yeah!

Me: This is gonna be awesome.

Chalmers: It'll be awesome to meet the Kaito Riders of Kiba.

Nico: It sure will. Lets head on out!

Stella: Here we go!

We were off to Japan.

We landed in Japan.

Wataru: Hey guys!

Stella: Wataru, meet my archenemy.

Chalmer: It's an honor. Gary Chalmers, former Superintendant of the Springfield, Oregon School District.

Lucy Loud: I'm Lucy.

Laney: I'm Laney.

Lana: I'm Lana.

Lola: I'm Lola.

Lisa Loud: Greetings, I'm Lisa.

Lily: And I'm Lily.

Nico: Yes their mom and dad all thought it was cute if all their names began with the letter L.

Me: (Whispers in Wataru's ear) Their parents are also part of a family that never heard of condoms before.

The Kiva Kamen Riders snickered.

May: I'm May and I'm Nico's wife.

Maria: I'm Maria Rockell, 2nd in Command of the Redemption Squad.

Animated Optimus: And my name is Optimus Prime, Leader of the Autobots.

Nico: This is the Animated version of Optimus Prime. We have 4 versions of Optimus with us now.

Me: The G1, Cybertron, Aligned and Animated versions and later we're going to meet the Live Action version of him.

Nico: It's our big mission for later today.

Wataru: Wow! Awesome to meet you guys.

May: Same here.

Wataru: (to Chalmers) So, do you have any powers or abilities that are useful in battle?

Chalmers: Well I don't unfortunately but I am skilled with a blaster.

He pulled out an Electromagnetic Railgun.

Nico: Awesome.

Eli: Yeah it sure is cool.

Chalmers: Thanks.

Me: Glad to see that Twilight's blasters are useful for the M.O.E.

Chalmers: They sure are.

Me: Also there's something you should know. Have you all ever heard about the Destruction of Springfield, Oregon?

Wataru: You mean that evil town that was destroyed years ago? Yeah we sure have.

Me: Yeah that was horrible.

Nico: I've nearly come up with the perfect layout for the Kiva team. It'll consist of Wataru, Taiga, Keisuke, Stella, and J.D.. We just need 1 more of Wataru's friends.

Me: How about Yuri Aso?

Nico: She was from 36 years ago.

Me: Oh right.

Wataru: I think I know the perfect final member for the team layout.

Nico: Let me guess. Masao?

Wataru: Yep.

Me: Perfect.

Masao: Nice to meet you guys. You all can just call me Kamen Rider Neo Kiva.

Me: Pleasure to meet you Masao.

Nico: Same here.

Stella: This is gonna be so awesome.

Lori: I can't wait to literally smash the Fangire into shattered glass.

Luan: Those guys will Shatter into dust! (LAUGHS) Get it?

We laughed at her joke while the rest of Luan's siblings groaned in annoyance.

Nico: (LAUGHS) That was a good one!

Masao: I thought it was funny.

But then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

We heard an explosion!

Me: Lets go get them!

We went to face the Fangire.

Keisuke: Who are we facing now?

We arrived at the park and we saw THORN FANGIRE, BEETLE FANGIRE and ZEBRA FANGIRE!

Nico: Thorn, Beetle and Zebra Fangire!

Stella: Henshin!

Wataru, Masao, Keisuke and Taiga: HENSHIN!

They transformed!

Nico: YEAH!

Me: I think I'll take them on the old fashioned way.

I went Super Angel 30,000.

Me: Haven't used this form in a while.

Laney: (Unsheathes her Scythe) Time for the Grim Reaper to claim some Fangire!

Beetle Fangire: (sees Chalmers) A yellow man in a business suit? He'll be easy to kill!

Chalmer: Chew on this you bad FANGIRE!

He fired a blast of lightning from his blaster and smashed him down.

Me: And this too! SWORD OF THE SACRED FLAME! 聖なる炎の犠牲の剣

I formed a sword of blue sacred fire and slashed the Beetle Fangire's legs off!

Beetle Fangire: WHY YOU MOTHERFUCKING ASSHOLE!

He tried to regenerate his legs but nothing happened!

Beetle Fangire: Why am I not regenerating my limbs!?

Me: My Sacred Fire Sword is made of pure holy fire and because you are dark and evil it made sure you are done for.

Laney slashed the Beetle Fangire and shattered it!

Keisuke: Time to go Rising Ixa!

Keisuke's device: Rising!

He went into RISING ISA!

Lana: AWESOME!

Lola: So awesome!

Keisuke: Thanks guys.

Eli: Now watch this one! STINGRAY OF THE WATER FLAME! 邪悪な王の犠牲水アカエイの波

Eli fired a blast of water and ice as cold as the voids of space and it formed into a stingray and it flew over and enveloped Thorn Fangire and shattered him into a million pieces!

Wataru: Time for me and Keisuke to get rid of the final one.

Nico: Go for it!

Wataru and Keisuke had the Full Moon appear behind them and they jumped and smashed Zebra Fangire down and destroyed him!

Nico: You 3 Fangire have failed this city!

Eli: Yeah!

May: That is that!

We later came back.

May: It's a good thing the Live Action Cybertronians are joining us today. Because next time, Live Action Optimus is coming with.

Nico: Good idea.

We told everyone about what happened and it was awesome.

Varie: Wow that was awesome.

Nico: Yep.

Aylene then came.

Aylene C.: Guys thank goodness you got back! We got 3 new signals of Live Action Transformers going through the city.

We were off.

Babs Seed: The reports said that the lunatic was riding motorcycles around here.

Nico: Then lets go.

We flew down.

We saw a man laughing insanely with cops in his tail.

Motorcycle 1: (In a girls voice) Get your ugly butt off me!

Lunatic: (LAUGHING INSANELY) NO WAY TOOTS!

We flew by him.

Me: All right you nutbag! License and Registration!

Lunatic: How's this!?

He threw a grenade and I caught it and threw it and it hit the man in the back and exploded!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMM

The explosion sent him flying and he crashed right into a FIRE HYDRANT!

Nico: OOH OUCH!

He had all of his teeth knocked out and he was bleeding all from his gums!

Nico: OH MAN THAT MUST'VE HURT BAD!

The lunatic was put in a straitjacket and was locked up in the paddy wagon.

Tom Lair: Thanks guys. This guy deserved to be locked up. His name is Nathan Remington and he is extremely dangerous to everyone and himself.

Me: No problem Tom.

Irma: Glad we could help daddy.

They took him away.

Aylene: Excuse me. But you three wouldn't happen to be from another world, would you?

Motorcycle 1: Yes we are.

Live Action Barricade: Arcee, Chromia, and Elita One? Wow!

They transformed.

Nico: Cool! More Live Action Autobots.

Thunderblast: It's good to finally see some Live Action Autobots that are girls.

Live Action Arcee: And it's a good to see another girl too. Even though you're a Decepticon.

Thunderblast: It sure is.

Nico: But you three don't have to worry. I'm the new leader of the Decepticons and I'm leading them on the road to redemption.

Nico showed his Decepticon Leadership Medal.

Live Action Arcee: A Decepticon Leadership Medal!?

Live Action Elita One: How did you get that?

Nico: Long story on that.

Live Action Chromia: (to Live Action Ironhide) Ironhide! You're back!

Bluestreak: (laughs) Our Ironhide and Chromia are in a relationship too!

Nico: Talk about coincidental.

Me: Yeah no kidding.

Nico: Yep. Same with Blackarachnia and Silverbolt.

Silverbolt (Beast Wars): It's true.

Blackarachnia: I think it's amazing too.

Nico: Yep.

Francis: (to Live Action Elita One) You won't have to wait long to reunite with Optimus. In fact, that reunion's gonna be today.

Live Action Elita One: Wow!

Nico: Yep. We're all going to the Live Action Transformer Universe in a few minutes. But there's someone that you probably will not like going with us.

Vypra and Sentinel Prime appeared!

Live Action Elita One: SENTINEL PRIME!

UH OH!

Nico: He has a lot to make up for when we get to the Live Action Transformers universe.

Then Whiteout, Dark Spicer, Vypra, Vanitas, Zs'Skayr, Number 7, Calamitous, Electro, Grizzly and Griffin appeared.

Whiteout: Can me, Dark Spicer, Vypra, Vanitas, Zs'Skayr, Number 7, Calamitous, Electro, Grizzly and Griffin go with you guys?

Vypra: I already appeared a few seconds ago.

Nico: But to answer your question yes you all can go with.

Sentinel Prime: It looks like the time has come.

Nico: Yes it sure has come.

Rhino: Nico, which Gene Slammer do you think you'll meet next rescue?

Nico: I'm hoping to go meet one for Shellhead's kind next.

Lola: What kind of creature is Shellhead?

Ben: This is what he looks like.

He turned into Shellhead!

Ben: SHELLHEAD!

Shellhead is a six-limbed pill-bug like alien standing at 9 feet tall. He has four legs, two arms, a tail, and a large mouth. His eyes are found on opposite ends of its head, giving him binocular vision. The shell is located on the back where Shellhead can go hiding inside. The Omnitrix is located on his chest.

Nico: Whoa!

Shanan: So he is what's called an Armadillidiieon. They are Pillbug Aliens from the distant planet of Armadilis and it's located 82,000 light years away.

Nico: Whoa! That is cool.

Me: I was expecting Shellhead to be more turtle like.

Eli: Me too.

Me: Well lets get moving then.

Nico: Right. I'm ready! Lets get going guys!

Jetfire: (Australian Accent) We're ready mates.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal, along with an army of energy signals, and he saw who the figure was in the vision: it was none other than Evil Starlight Glimmer, who's come back from the dead to take revenge on us for killing her last year during the April 12th War for Equestria, and she's also got an army of Equalists with her. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is there someone else coming after us?

Lincoln: Afraid so, Nico, and none of us are going to like it one bit: the dark energy signal I sensed belongs to Evil Starlight Glimmer, and she's come back from the dead to take revenge on us for killing her last year during the April 12th War for Equestria, and she's also got an army of Equalists with her.

We gasped in shock.

Nico: Oh, shit.

Me: That's not good.

Starlight Glimmer: I knew she wouldn't stay gone for good. But now, she's come back, and she's got an army of Equalists with her.

Twilight Sparkle: But, this time, she's not going to try and change history.

Lincoln: No, now she's just out for blood, and she's got murder on her mind.

Starlight Glimmer: Linky, if it's not…

Lincoln: You don't have to say anymore, Starlight. You and I are going to take down Evil Starlight Glimmer once and for all, and we'll also destroy her army of Equalists as well. Plus, I got a little something to also help out against the Equalists and Evil Starlight Glimmer.

Suddenly, the large orange gem on Lincoln's left golden cuff Bracelet of The Champions of the Universe glowed, and then, something appeared: it was the siphon device Aligned Starscream had. But, it got an awesome makeover: it now had orange and silver colors on it, along with elemental forces, thunderbirds, phoenixes, angels, and buffalo, and his cutie mark on the device.

Miko: Whoa, is that…?

Lincoln: Yep, Aligned Starscream's siphon device. After we had destroyed him and the other pure evil Aligned Decepticons last year, I took the siphon device with me and I began redesigning it to use only on pure evil villains. It took a lot of work, but it worked. But, then, as I put my hand on it, the device was suddenly absorbed into my body, and then, the large orange gem on my left golden cuff Bracelet of The Champions of the Universe started glowing, and the newly restored siphon device reappeared, but it's now in orange and silver with elemental forces, thunderbirds, phoenixes, angels, and buffalo on it, along with my cutie mark.

We were stunned and amazed at what Lincoln did. Suddenly, the large colored gems on our left large golden cuff Bracelets of the Champions of The Universe glowed, and then, we saw we had the same restored siphon devices reappear, but they have our favorite colors on them, along with elemental forces, mythological animals, and our cutie marks on them.

Lori: And now, we also literally have the same siphon devices, but in our favorite colors, elemental forces, mythological animals, and our cutie marks on them.

Nico: Awesome.

Lincoln: Yep, and this also gave our power and energy absorption powers an extra boost as well, so enemies of the universe, beware.

Me: Autobots…

Nico: Decepticons…

Me: TRANSFORM AND ROLL OUT!

Nico: TRANSFORM AND RISE UP!

I opened the portal to the Live Action Universe and we were off!

---

LIVE ACTION TRANSFORMERS UNIVERSE

---

We arrived in the Live Action Universe.

Me: Here we are guys.

Laney: Wow! Just as amazing as I remember.

Electro: Well, this world doesn't seem too bad. Aside from the mass newspapers being wary about Cybertronians.

Nico: Appearances are deceiving Max. This world was tormented a lot.

Sentinel Prime: But it's great to be home.

Nico: Lets find Optimus and everyone.

We arrived at the base of the Autobots and it was amazing.

Inque: Hey there, Optimus!

Live Action Optimus: Everyone it's great to see you all and you too Starlight.

Starlight Glimmer: Same to you Optimus.

Live Action Jetfire: You're looking great young whippersnapper.

Live Action Optimus: Jetfire you are looking great too. Arcee, Chromia and Elita One! You're back too!

Live Action Arcee: Optimus it's great to be back.

Live Action Ironhide: Hey there, Bumblebee.

Live Action Bumblebee: Hey, Ironhide! You don't know how good it is to see you again.

Lennox: Annebelle's gonna be very happy to have you back, Ironhide.

Grizzly: I can tell she's very close to him.

Nico: Absolutely there.

Me: Yep. Oh Optimus, we owe you guys big time for helping us out in Chima last week.

Live Action Optimus: It was our pleasure J.D.

Me: Awesome. Also you may not like it but you know this face too.

They saw Sentinel Prime.

Nico: Uh oh.

Clayface: Optimus, before you start yelling at us, let me remind you that J.D., Starlight, Nico, and the rest told you about forgiving Sentinel.

Live Action Optimus: Yes I remember that.

Me: We found him on the planet Tatooine last year and he told us everything that happened.

Lori Jimenez: He's now my archenemy now.

Nico: Yep.

Sentinel Prime: Optimus, Everyone, I'm so sorry about everything I've done. I know it's gonna be a long time for you all to forgive me for everything I did to you all that lead this world into ruin and how it destroyed the relationships we had with the humans but I made a tremendous mistake and ruined everything for you all. So from the bottom of the spark I carry I am so sorry.

Bane, Killer Croc, Abomination and Gator Ghoul appeared.

Live Action Crosshairs: Is it time for the usual battles already?

Bane: (Spanish Accent) Not quite. Though it is my turn today.

Zs'Skayr: Bane, Croc, Abomination, and Gator Ghoul are here as security for us when we go to the press conference.

Nico: We're going to have a press conference in Washington D.C.

here and we're going to tell everyone here that this discrimination feud between you guys and everyone here that this has gone on long enough.

Eli: Yeah it's not right for both worlds.

Poromon got out 4 beer bottles.

Cade Yeager: Oh, don't tell me that's-

Poromon: 4 bottles of beer!

Bai Tza: Are those for the human allies of the Autobots?

Poliwag: Yep. I think they're old enough.

Nico: Okay.

Cade Yeager: Thanks. Want some Optimus?

Live Action Optimus: Thank you but we don't drink beer.

Live Action Bumblebee: Yeah we don't drink beer like humans can.

Poromon: Oh right.

Epps: (to the mascots) Though if you guys want to get drunk during the press conference, go ahead. It'll make it funny.

Poromon: We'll try not to make a scene.

Nico: Good.

Eli: We better get a move on then.

Nico: Agreed. Optimus, Bane, Gator Ghoul, Croc and Abomination are going to provide extra security measures.

Croc: It's true.

Live Action Optimus: Thank you.

Me: You're welcome.

Live Action Optimus: (to Optimus) It is an honor to meet other versions of me. Though I am curious. How does your Cyber Key power work?

Optimus: Um… is this really the best time to-

Aligned Optimus: It is an appropriate question. After all, none of us were able to do that before meeting you and the rest of Team Loud Phoenix Storm.

Nico: That is true.

Optimus Prime: I think it's really amazing myself.

Nico: The Cyber Planet Keys are the powers of the Transformers that live on a planet.

Nico told him all about it and it was amazing.

Live Action Optimus: Amazing!

Animated Optimus: Honestly, I feel like I'm the lame one out of all of us. I mean, in my world, me and my team have never fought Unicron before.

Optimus: Can we go back to the part where you're lame? Because you aren't.

Live Action Optimus: Indeed. You are just as impressive as the three of us.

Aligned Optimus: Just because you have not fought Unicorn doesn't mean you are inferior.

Nico: That's right. You are just as awesome a leader as your counterparts we know. They are all cool.

Laney: Yeah they sure are.

Eli: All the Versions of Optimus Prime we know are awesome.

Optimus Primal: That is for sure. I may be your descendant but you all are still amazing.

Me: Yeah.

We arrived at the Capitol Building.

Nico: Okay you four. You know what to do.

Bane saluted and we went in and we had a press conference going on.

Maria: Hello, everyone. We're Team Loud Phoenix Storm. And we gathered you all to say-

Vanitas: What the Fuck's your problem with Cybertronians?!

Maria: What he said.

Nico: We are really disappointed in all of you for lashing out and showing such abhorrent and incredibly disgusting discrimination to all the Cybertronians after everything they have done for you all and this is how you repay them all! You people fucking disgust us!

John Keller: You have every right to be disappointed in us. In fact, when Cemetery Wind's crimes were exposed, we were very disgusted. And I didn't want to cut ties with the Autobots. But everyone else held them accountable for the destruction of Chicago.

Charlotte Mearing: Believe me, I came to respect the Autobots for everything they've done for us. But me, Keller, and everyone else's were tied.

Riku: Hard to argue with that point.

Me: Yeah.

Nico: But let me lay down the laws with all of those that did turn against them! Sure Sentinel Prime betrayed you all but it was the stress of war that got to his head! The war with the Autobots and the Decepticons raged on for over 8 million years and the countless eons of fighting really hurt not just human beings but Autobots and Decepticons too!

Me: That's right! Take it from us. We've seen the kinds of horrors and terrible atrocities that come from war and they are not pretty! Many people die and it's awful!

Galloway: Are you kidding me?! Have you forgotten all the destruction and property damage these machines have caused?! The last few years without them were the best ones of my life!

Lennox: Galloway, after how you tried to shut us down during the Fallen crap, I don't think you get to talk.

Epps: Yeah! Who's side are you on?!

Galloway: I'm on the side of the world's governments. Look who you're standing with! Bane, Killer Croc, Abomination, and- (gestures to Gator Ghoul) Whoever the fuck that is!

Gator Ghoul: (insulted) Am I really not that well known to others?

Griffin: Easy, buddy. He doesn't know what he's talking about.

Little did we know that the mascots were drinking beer nearby.

Poromon: This is getting awesome.

Poliwag: Yeah it sure is.

Galloway: (gestures to Sentinel) And let's not forget that this one over here was the one responsible for the destruction of Chicago!

Xion: Okay. You ARE right about that.

Seymour Simmons: But I'm guessing he's had a change of heart. (to Sentinel) Right, Fire Truck?

Sentinel Prime: Yes I have. I have realized what a horrible level of damage I have caused because of all the fighting that has gone on for eons.

Nico: It's a really ugly story.

Lori Jimenez: Yeah but he's now a frenemy of ours.

Galloway: It doesn't matter! I don't care what you all say! None of you robots belong here! And honestly? After that whole Chicago shitfest, none of you ever did!

Vypra: You don't get to decide that, Galloway.

Me: Yeah buddy! That is not your call!

Nico: You have no right to make that call after what happened!

Galloway: (to Simmons) You should be backing me up here! After all, you used to be part of Sector 7, who tried to experiment on those robots!

Simmons: Yeah, well, here's the thing: I've come to appreciate all they've done. And honestly, if I was still part of Sector 7, I would've changed how they did things!

Maria: You tell him! (to Lennox) You honestly did a good thing tricking Galloway into ejecting himself out of that plane.

Nico: That was awesome.

Me: It sure was. And Galloway if you ever come after our Cybertronian Friends, we'll make sure you wind up in the same kind of situation as your pal Attinger.

Nico: In the Neptune Prison forever!

Galloway: Attinger is dead!

Me: Not anymore. He's now in our prison system forever after we found him in our garbage dump.

William: (sees the drunk mascots) And here comes the part where things get funny.

Nico: Oh great.

Poromon: (Slurred Speech) Yeah you stupid fucking moron!

Poliwag: (Slurred Speech) You shut up you stupid fucking son of a bitch!

Manaphy: (Slurred Speech) Yeah Mr. I-Think-I-Know-Everything-About-Nothing! Come here!

POW!

Manaphy punched him in the face and gave him a black eye.

Galloway: That was assault! (to Keller) Have those 4 arrested as well as the robots melted down for scrap!

Keller: Why? They're just saying what's on our minds right now.

Nico: And besides you have no right to make any calls right now! From now on and forever more, the entirety of the Cybertronians of this world are hereby placed into the protection of Team Loud Phoenix Storm!

Galloway: WHAT!?

Everyone but Galloway cheered wildly!

William: So what do you say, Keller? Do you and the president of this world want to give the whole alliance with the Autobots another shot?

Lennox: (pouts) Hey! What about me and Epps?

Me: Okay you too as well.

Keller: Sure why not.

The President of the United States came.

President: And officers arrest Galloway for treason!

They did so.

Me: We'll make sure he gets locked up into prison with his buddy Attinger.

Number 7: (to Live Action Optimus) Optimus, I think it's time you finished that conversation Sentinel started.

Live Action Optimus: I agree there and thank you all so much for helping us rebuild our alliance with everyone.

Me: It was our pleasure Optimus.

Meanwhile, Live Action Laserbeak had just snuck into the NEST Base and saw General Morshower watching the monitors, unaware of his presence.

UH OH!

Lennox: (answers comlink) General Morshower. What is it?

General Morshower: Lennox, I fear this might be the last conversation I have with you.

Lennox: What are you talking about?

General Morshower: Laserbeak's here!

Lennox: What?! Hold on! J.D. will get you out of there!

General Morshower: Too late! It has been an honor fighting alongside you and Optimus, Lennox. Now, finish this war once and for all! (fires gun at Live Action Laserbeak) SEND MEGATRON AND THE FALLEN OFF TO HELL!

Live Action Laserbeak was too fast though and shot Morshower in the shoulder with his weapons.

Live Action Laserbeak: Any last words, human?

Morshower: Actually, yes. (chuckles) God bless us, everyone! (presses button)

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

We felt and saw a huge massive explosion!

Nico: WHOA!

Me: HOLY FUCKING SHIT!

Eli: What was that!?

Nico: Guys, I felt something. Morshower's life energy… it's gone.

Live Action Drift: He must have activated the base's self destruction to take Laserbeak down with him.

Me: Oh no.

Eli: Morshower died a true hero.

Starlight Glimmer: Morshower! NO! (BREAKS DOWN CRYING)

Lincoln comforted her.

Me: Oh Morshower. (Tears stream down my face)

Charlotte Mearing: Look, I know that Morshower was a good man. But there's nothing we can do about his death right now. You guys may have just lost a friend. But today, you got back several more. And now, if we want to avenge Morshower, you need to get rid of Megatron and the Fallen once and for all. So, are you guys just gonna keep feeling sad. Or do you what you guys do best?

Batch: That… actually was a good speech.

Me: That was very motivational.

Nico: It sure was. But we're not going to let Morshower's sacrifice be in vain! We're going to honor him and do what we do best!

Lennox: And that is to kick Decepticon butt! His last words were to send Megatron and the Fallen to hell!

Me: And that's exactly what we're going to do.

Calamitous: Ironhide, I hope you realize that this might be the last time you'll get to use your cannons on Decepticons.

Ironhide: I know but it will all be worth it.

Nico: It's going to be awesome.

Starlight Glimmer: We're going to stop Megatron and the Fallen for good.

Maria called in the members for their turn.

Then Leonard, King Hiss, Hydro Man, Shiv, Webstor, Eccentro, Firefly, Ebon and Pete appeared.

Nico: Leonard, King Hiss, Hydro Man, Shiv, Webstor, Eccentro, Firefly, Ebon and Pete.

Firefly: We got your message. Is General Morshower really-?

Bane: Unfortunately, he is.

Me: Yeah he sacrificed his life to destroy Laserbeak of this world.

Ebon: (to Live Action Optimus) I'm sorry, Optimus. But I promise. You guys aren't gonna lose anymore friends.

Live Action Optimus: Thank you all.

Shiv: (to Nico) Heard you fought an Evil Sasuke.

Nico: We sure did.

Hydro Man: I guess this makes up for J.D.'s interrupted rant.

Me: Yes it does and I'm glad I got it out of my system.

Camie: But it was so awesome and amazing to see.

Sirius: Yeah it sure was!

?: Boy that must've been cool.

A figure came out and it was STENCH from episodes 26 & 27 of SPD!

Using a pirated quantum enhancer, Stench breaks into the Delta Base and steals schematics for S.W.A.T. Mode. Using his new armor, he takes on the Red Ranger and his Battlizer. He is eventually stopped by the Power Rangers using S.W.A.T. Mode.

---

Jack Landors: STENCH!

Stench: Been a while rangers.

Me: I remember you! You broke into the Delta Base and stole the schematics for the S.W.A.T. Mode!

Stench: Yep! Good memory on you.

Me: Never missed an episode.

Jack Landors: I want to thank you, Stench.

Stench: For what?

Jack Landors: Me and my team facing you and your buddy was the first time we used SWAT Mode.

Me: That was awesome!

Laney: Boy it sure was.

Me: Oh and Live Action Optimus and Animated Optimus we have your archenemies picked for you.

Big Footfalls were felt and out came GIANT RALPH from Animaniacs and BABY BOWSER from Yoshi's Island!

---

Giant Ralph - The Warners And The Beanstalk

The *Warners* star in their version of the classic fairy tale with Hello Nurse as the harp and Ralph T. Guard as the giant. At one point in the story, the Warners convince the giant to eat gold eggs and meat instead of them, in the style of Dr. Seuss' *Green Eggs and Ham* .

# Baby Bowser

**Baby Bowser**, also known as **Prince Bowser**, is a major antagonist in the *Mario* videogame series, acting as the central antagonist of the *Yoshi* series and as a minor antagonist in *Mario and Luigi: Partners in Time* . He is Bowser from his days as a child and is not to be confused with Bowser Jr., who in turn is Bowser's only child. He is the archenemy of Baby Marioand the entire Yoshi species.

He is voiced by Caety Sagoian, who also voices Bowser Jr.

## *Yoshi* series *Super Mario World 2: Yoshi's Island*

Kamek's actions in this game were driven by a prediction of Baby Bowser's future, where he saw that Mario and Luigi will defeat him in many of his future endeavours (which became true on countless occasions). Baby Bowser makes his first physical appearance as the final boss of Super Mario World 2: Yoshi's Island. Appearing at the end of his castle as Kamek demands Yoshi to hand Baby Mario to him, Baby Bowser complains at the current noise, crushes and throws Kamek aside, and demands to ride the "gween donkey." His first battle has him use a ground-pound to make shockwaves, and he can jump on Yoshi's back if Baby Mario is thrown off. After the tiny tyrant is beaten, Kamek uses his magic to make him grow to a gigantic size.

The second phase begins in what remains of his room. The now massive tyke sends down debris to destroy part of the floor, breathes fireballs, and stomps his way to Yoshi. If Baby Bowser gets too close to Yoshi, he destroys the ground, sealing Yoshi's fate. The player must get the large eggs the Baron Von Zepplin's carry to throw at Baby Bowser. After this in done enough times, he returns to his normal size and is defeated. Scooping up the young ruler, Kamek swears revenge on Yoshi, as Yoshi gets to the stork to deliver Baby Mario to him.

## *Yoshi's Story*

In this game, Baby Bowser swipes the Super Happy Tree to rob the land of joy and turns the island into a pop-up book. At the end of their journey, they find Baby Bowser in his castle, challenging the

Yoshi's to a duel. In the battle, Yoshi must shoot Bob-ombs at Baby Bowser as he rides him. In the second part of the battle, Baby Bowser attacks by shooting fireballs, throwing bombs, and making shock-waves. After several more hits, the young tyrant surrenders, weeping as he's carried back by his Toadies and saying that the fruit didn't taste good regardless.

### *Yoshi's Island DS*

In *Yoshi's Island DS*, Baby Bowser is relaxing in his fortress when his adult version warps in, wanting to steal the star children to control the universe. Stolen by the future version of Kamek, Baby Bowser gets kicked out for insulting his older self.

In the fall, he vows vengeance and shouts that both versions are the same, to no avail. Noticing Baby Mario, he tells him he saw his brother in Bowser's Castle. After this, he teams up with Yoshi for the world to "kick some major enemy butt, of course!" With Baby Bowser, Yoshi trades his ability to swallow his foes for having Baby Bowser being able to spit fire, defeating his foes and melting ice. He leaves when Big Guy the Stilted is defeated, and tries to hitchhike on Future Kamek's broom, only to fall from a weak grip.

Later, he rejoins Yoshi's party with Baby Bowser later rejoins Yoshi's group with Baby Wario, but betrays the group when they get to Bowser's Castle, thinking they want his treasure. After a small fight, a defeated Baby Bowser is carried back by Kamek. After Bowser is defeated, Baby Bowser falls on a large collection of money, fighting over it with Wario.

### *Yoshi's New Island*

Baby Bowser returns in this game after not being seen for seven years, wanting to turn Egg Island into a resort. At the end of the game, a similar scene of him awakening from slumber and fighting Yoshi begins, with him turning giant after. After he is beaten, his future self reappears, making Yoshi defeat him.

### *Yoshi's Woolly World*

In this game, Baby Bowser wants to have enough yarn to make himself a castle. In this battle, Yoshi must attack Baby Bowser by throwing a yarn ball at him and then ground-pounding him. After the first phase, Kamek makes him a giant using the Wonder Wool. In this phase, Yoshi must unravel giant yarn balls to get smaller yarn balls to throw at eight weak-points, shown as magenta Wonder Wools on Baby Bowser's body. After this, Baby Bowser is taken back by Kamek to the moon, before Kamek is scared by Poochy, causing him to drop the tyke.

### *Yoshi's Crafted World*

Baby Bowser and Kamek are once more the main antagonists in *Yoshi's Crafted World* . In this game, he steals the Sundream Stone with Kamek, wanting to find the five Dream Gems from it. However, while trying to steal if from the Yoshis and struggling over it, the gems in it end up flying out and scatter across the island, so the Yoshis set out to find and recover them to restore the Stone before they can. Baby Bowser joins Kamek in the quest, dismantling the train in the first level and making the bosses. He is also the final boss of the game, with his phases being inside a large robot and then growing to a large size once more.

### *Mario & Luigi: Partners in Time*

Baby Bowser currently makes his only appearance in the *Mario & Luigi* series in *Mario & Luigi: Partners in Time* as the secondary antagonist. First appearing to try and snatch Baby Peach, only to be defeated by the Baby Mario Brothers. However, Shroobs attack Peach's Castle immediately after this, ironically forcing Baby Bowser to save everyone on his Koopa Cruiser. The Koopa Cruiser is pursued by the Shroobs and passes over Hollijolli Village, where Baby Bowser rescues the adult Mario Bros. (who have been sent back in time), but he only does this to stop Baby Peach's crying.

When everyone is on board, Baby Bowser gets a message from Princess Shroob, who destroys the Koopa Cruiser, which crash lands the young tyrant back into his fortress. Both versions of the Mario Bros. team up and take the first Cobalt Star piece from a treasure chest his castle, which angers the young prince and causes him to betray them. Tracking down both versions of Mario Bros. to the Vim Factory, he steals the two Cobalt Star Shards out of

revenge.

Later, Baby Bowser heads to Yoshi's Island with Kamek, where he hoards a large pile of Yoshi Cookies. After heading to the other side of the peak of the mountain he is on, the Baby Brothers devour the Yoshi Cookies, much to Baby Bowser's fury. The Bros fight Kamek, who is defeated as the young prince runs off. Baby Bowser is cornered and devours the Cobalt Star Shards as revenge, before all parties being ironically eaten by Yoob. Inside the beast, Baby Bowser is put inside a Yoob Egg. After the brothers defeat Sunnycide, Baby Bowser is freed with the other Yoshis.

Back on the island, he lies about the scenario, saying that he was the one who saved them. Praising him as a hero, the Yoshi's give him all their cookies. As the Mario Bros. and Toadbert inform them about the truth, Baby Bowser gets sick on the cookies, upchucking the Cobalt Star Shards before the pieces knock him into the sky.

Baby Bowser later reappears in Thwomp Volcano, where he meets his future self, who has been sent back through the time portals. The two Bowsers do not recognize each other and argue, but team up after discovering their mutual hatred of the Mario Bros. After being defeated by the Mario Bros, they are thrown upwards by a Thwomp Elevator. As Bowser falls back through the time portal, Baby Bowser shouts he will become more stronger and more evil than his future self before landing on the Shroob Mothership.

He then returns after Princess Shroob is defeated to once again claim the Cobalt Star for himself. Although he is warned, he puts together the Cobalt Star Shards, freeing Elder Princess Shroob, who turns him into a poison Shroob Mushroom. After the alien monarch is defeated, the unconscious Baby Bowser is transformed to normal by Baby Luigi's tears, accidentally providing the cure to save the Mushroom Kingdom. In the end, Baby Bowser returns to his castle with Kamek, lamenting about his lost treasure.

Yakko: Giant Ralph!

Nicole: And Baby Bowser from Yoshi's Island! Wow!

Laney: It went really well and we captured Megatron's Spark and locked it up for good.

Fluttershy: That was really awesome.

Tornado Bolt: Yeah it was amazing to see.

Stealth Elf: It was great and now his spark is locked up forever.

Arkayna: Yeah thank goodness for that.

Zarya: It sure was awesome.

Bane: Perfect way to prepare for this. Lets do it!

She turned into her Green Goseiger Zenkaiger Form!

Bane: BUENA!

Laney: WOW! This is so cool!

Fluttershy: Laney you look so amazing as a Zenkaiger.

They fired waves of leaves, flowers, grass and energy and smashed him down.

Laney: TAKE THAT!

Fluttershy: That was fun.

## Lily Loud, Starlight Glimmer, Cozy Glow, Undead Skylanders, W.I.T.C.H., Inque and Rubberband Man VS Ebon - Meeting a Warrior Lady of The Wasteland and General Morshower's sacrifice

Ebon was next.

Ebon: (to Lily) I heard you guys met a Warrior Lady of The Wasteland gene-slammer. (solemnly) But before you tell me her name, I think we should have a moment of silence to honor General Morshower's sacrifice.

Lily: Agreed.

They took off their hats and put their hands on their chests and had a moment of silence for him. It was done 30 seconds later.

Lily: Anyway to answer yes we did and her name is Helen Lorelai Novamenchikov. She's from Estonia.

Starlight Glimmer: She is really awesome and she is a wilderness and mountain survival specialist.

Cozy Glow: She is really awesome at learning all about survival. She even stood up to Lori and got her in trouble for a year.

Helen Lorelai Novamenchikov: (Estonian Accent) That's incredible.

Nico: It sure is. So, Helen, how did you take on the worst of Lori's wrath that gave her the worst ever punishment Mr. Lynn and Ms. Rita can dish out?

Helen Lorelai Novamenchikov: (Estonian Accent) It's not going to be a pretty one, Nico. One time, I was heading to The Loud House to help Lincoln with learning some survival skills. But, then, as I was getting near Lincoln's home, I heard the sound of objects crashing in The Loud House, and I heard the sound of screaming of terror inside the house, and I knew who it was that made that sound: it was Lincoln, and the screaming of rage and murder I also heard could only come from one person: Lori, and when I got in, I saw Lincoln running in horror and terror, and behind him was Lori, and her eyes were red with rage and demonic rage. Lincoln told me he accidentally dropped Lori's phone, and it got a crack on the screen, and when Lori saw it, she went full all-out ballistic, and worst still, she had a knife in her hand, and she was going to kill him. Everyone hid in terror from Lori's wrath, and I wasn't going to let that psychopath get away with murder. So, I used my survival training and combat skills, and I took her head on, and Lori wasn't a match for me, and then, I hogtied her to the ground. Then, Lincoln ran up to me, and he hugged me tight, and he cried his little heart out, and I returned the hug. The crisis was over, and after Lincoln explained the accident, Mr. Lynn and Ms. Rita knew he went through Hell when Lori tried to kill him, and they were so mad at Lori, they grounded her for a whole year, and she lost her cellphone privileges, along with her driving privileges for a year.

We gasped at the magnitude of the punishment Mr. Lynn and Ms. Rita gave her.

Nico: (Stunned) Holy crap!

Lynn Sr.: Yeah, it was bad, Nico, real bad.

Rita: But, like Helen said, it was an accident. After that incident, Lincoln had some serious nightmares of that day, and Helen stayed to comfort him.

Me: Whoa.

Nico: Something like that could really scar someone for who knows how long.

Lincoln: Not that long, my nightmares eventually stopped two weeks later, Nico.

Nico: That's proof that you came out of that stronger than ever, Lincoln.

Luna: He sure did, dude, and that's proof that not even the worst of Lori's wrath could put a dent into Lincoln's resolve, and if anyone messes with him and around his Guardian Angels, they'd better write out their wills.

Nico: Before they get their asses kicked big time.

TLPS Mr. Wolf: Now, I'm really glad Mr. Shark, Lincoln, and Lori took care of Dark Lori at Chen Cang long ago. Out of all the worst things Dark Lori forced Lori to do, I think that was the straw that broke the camel's back.

TLPS Mr. Shark: Big time.

Nico: And thanks to Lincoln putting the Dark Sides under the Crystal Dragon's Vengeance Curse, they aren't getting out anytime soon. But, we still got Dark Lynn to take care of, and when we find out just how that animal escaped, Lincoln, I hope you turn her into an inside-out human sausage for all of the crap she put you through.

Lincoln: (Smirks) Oh, trust me, Nico, turning her into an inside-out human sausage will be the least of her worries.

Everyone: Uh oh.

Lynn: Yikes, when Lincoln says something like that, you definitely know it's very serious.

FLASHBACK ENDS

Ebon: My goodness! Getting punished for a year? That sounds like overkill but wow!

Hex: No kidding. But that is amazing.

Will Vandom: We all are glad that Helen stepped in.

Ebon: No kidding there! Lets do it!

They fired waves of water, stars, lightning and bones and smashed him down.

Lily: OH YEAH!

Starshine Sparkle: Boy she sure has.

---

Eccentro was next.

Eccentro: (to Linka) Gallaway got what he deserved. Especially after how he tried to shut NEST down during the first time the Fallen appeared.

Linka: Absolutely and people like Gallaway have no place in the world.

Pinkie Pie: You said it! There's no place for party poopers like that.

Featherweight: Yeah no kidding.

Sprocket: They have no place in the world at all.

Eccentro: You said it guys! Lets do it!

They fired waves of lightning, metal, gears and energy and smashed him down.

Linka: TAKE THAT!

Pinkie Pie: BEST USUAL BATTLE EVER!

Penny, Princess Celestia, Amber Morning, Light Skylanders, Bubsy, Cyclonus and Scourge VS Pete - Glad we helped restore the alliance with the Transformers

Pete was next.

Pete: (to Penny) I'm glad we helped restore the alliance with the Transformers. Let's hope it stays that way!

Penny: Me too. It was awesome how we restored it too.

Princess Celestia: Yeah I agree too.

Amber Morning: It was awesome that we restored it.

Spotlight: I agree there too.

Bubsy: Yeah after so many years of fighting.

Pete: That is for sure. Lets do it!

They fired waves of diamonds and light and smashed him down.

Penny: RIGHT ON!

Princess Celestia: That was so awesome!

## Live Action Optimus Prime VS Giant Ralph

Giant Ralph was next.

Live Action Optimus: The TV Show called Animaniacs was really funny back then in your time.

Giant Ralph: Yeah but it's a darn shame they cut me up.

Live Action Optimus slashed him and knocked him down.

## Animated Optimus Prime VS Baby Bowser (Yoshi's Island)

Baby Bowser was next.

Baby Bowser: This will be much fun.

Animated Optimus: It sure will be fun.

Animated Optimus punched the ground and knocked him down.

Lori Jimenez VS Sentinel Prime

Sentinel Prime was next.

Sentinel Prime: It's good that Optimus and everyone forgave me.

Lori Jimenez: That is really good. I'm glad you are back on the side of the Autobots doing good too.

Lori slashed him down.

---

SPD Rangers, Megaforce Rangers, Nico, Eli, Nunnally, C.C., Laney, Lola, Lana, Lisa, Lily and Lucy VS Stench

---

Stench was next.

Nico: Hope you know how to plug your nose.

Stench: Just because my name is Stench doesn't mean that I smell horrible.

Nico teleported and opened Stench's safe and in it was a bunch of swords called the Defenders of Video Games, they're large swords with the symbols of the video game characters from decades ago etched on the 6'10" massive, wide, double-edged blades, large angel wings for the crossguards, large gems embedded in the rainguard, longer black handles, and large gems surrounded by angel wings for the pommels. Once in hand, they'll get a massive power and energy increase.

Nico teleported back with them.

SPD Rangers: Ready! SPD EMERGENCY!

They transformed and were ready

Megaforce Rangers: LEGENDARY RANGER MODE! SPD!

The Megaforce Rangers turned into the SPD Rangers too!

Nico: It's buttkicking time!

SPD Rangers: DELTA ENFORCERS!

The Rangers had their Delta Enforcers Ready!

Nico: First this. SPD MORPHER JUDGEMENT MODE!

Nico pressed a button and a timer came on. 30 seconds later the red X lit up.

Nico: GUILTY! FIRE!

The rangers fired energy blasts and the group fired elements and fire blasts and those blasts hit him all over first and then the Delta Enforcer Blasts all hit Stench and he exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was locked in a containment card!

Stench: Let me outta here!

Nico picked the containment card up.

Nico: Stench you have failed this world!

SPD Rangers: SHUTDOWN!

Troy Burrows: Rangers that's a Super Mega Win.

* * *

We regrouped and cheered.

Cybertron Scourge: Now, to take the fight to Megatron. And finally put an end to the Cybertronian Wars throughout the Multiverse.

Nico: That's right Scourge! These wars have gone on for far too long and they need to end right now!

Me: Absolutely! 8 Million years is far too long for a war.

Mearing: That's right! The war with the Cybertronians has gone on for far too long and it needs to stop right now. It's time for humans to help the Autobots and the Decepticons to stop fighting and become friends. Just like what happened in Team Loud Phoenix Storm's universe!

We cheered for her.

Dark Spicer: (to Mearing) That was actually a nice pep talk.

Mearing: (in denial) Don't get any ideas. I only said that so the Autobots would get off their asses and stop moping. (sighs) I just want to be done with this war and its' consequences.

Dark Spicer: (pats Mearing on the back) You and me both, ma'am. You and me both.

Mearing: (glares at him) Since you're about to go into battle, I'll let you off with a warning about calling me that. Do I look like a ma'am to you?!

Dark Spicer: (Nervous laugh)

Dr. Starline appeared.

Dr. Starline: Hope I haven't missed anything.

Me: Nope you didn't.

Maria: Thanks for coming, Dr. Starline.

Dr. Starline: No problem everyone.

Nico: Now lets get ready. (Eyes Glow Red) Megatron, You and the Fallen have terrorized the galaxy and all of Cybertron for far too long! We're coming for you and you will pay for everything you have done!

We went to the base of Megatron and the Fallen.

Dr. Starline went up to Megatron and his Fallen.

The Fallen: Ah. One of the Masters of Evil has come to us.

Live Action Soundwave: You will pay for Laserbeak's death.

Dr. Starline: (glares at him) Oh, believe me. Me and my friends ARE paying for it!

Live Action Megatron: And who are your friends?

Then the spirits of the Masters of Evil Founders appeared and then swirled around them and then they converged and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above them and a phoenix cry was heard as fireballs rained down all over the Fallen and burned them all over the place and we came out.

Nico: Megatron and The Fallen, your time has come!

Live Action Optimus Prime: You have terrorized the Galaxy for too long brother!

Shatter: Just when you Autobots regained all your friends, you lose another.

Live Action Bumblebee: That's the last one we'll ever lose because of this damn war.

Live Action Megatron: (to our Decepticons) You traitors will regret your betrayal!

Barricade: The only thing we regret was following you in the first place!

Me: You have survived for far too long Megatron!

Laney: You're going to pay for your crimes!

Nico: All of them! So many people have died all because of you all!

Live Action Starscream: Not gonna say any of your pathetic Kamen Rider lines?

Nico: (smirks) Actually, none come in mind today. Which is good. Saves me the embarassment!

Eddy used his blaster to destroy the Dark Orb the Fallen was holding.

Eddy: Now you can't revive anymore Decepticons!

Fallen: (chuckles) True. But I did manage to revive someone Witwicky knows.

Out of the shadows walks out Dylan Gould.

Dylan: (smirks) Hello, Witwicky.

Sam Witwicky: Dylan?!

Me: Dylan Gould.

Eli: Uh oh.

Carly Spencer: So, selling out the Earth for the Decepticons again, Dylan?! All they're trying to do is get the Earth destroyed!

Dylan Gould: It's business, Carly. There are always trade offs. Besides, who needs this Earth when there are more to conquer?

Nico: You're fucking insane!

Me: Yeah!

Eli: You are not a human Gould, you're a fucking monster!

Lana: Yeah! You gave up your humanity to become a monster!

Fallen: Grindors, attack!

An army of Grindors appeared.

Nico: Grindors this time!

Me: I had a feeling they would come.

Eli: Lets get them!

The Grindors jumped the Autobots and Decepticons.

The Live Action Autobots and Decepticons lay defeated at the hands of the Grindors.

Live Action Megatron: And so ends our rivalry, Prime. A shame. I wanted you to at least put up a fight.

Live Action Starscream: (Grabs Bumblebee) I think I'll make an example of you in front of all these humans.

Fallen: What a sorry state. The Autobots who fight for peace. The traitorous Decepticons who wish for peace through tyranny. It seems none of those goals will come true.

Starlight Glimmer: Where have I heard that before? (gasps) That's it!

DBZ Narrator: The Autobots who fight for peace. The Decepticons who fight for peace through tyranny. Whose side are you on?! And your answer is…

Starlight Glimmer and me: WE'LL SIDE WITH BOTH OF THEM!

Starlight Glimmer: (to everyone watching) Everyone out there! Lend them your strength! They get stronger with your support! Those who side with the Autobots! And those who side with the Decepticons! When "1,2", shout "Do your best"! Okay? 1,2…

All: DO YOUR BEST!

Starlight Glimmer: One more time! 1,2…

All: DO YOUR BEST!

Starlight Glimmer: Louder! 1,2…

All: DO YOUR BEST!

Live Action Starscream was about to finish Bumblebee off but he grabbed his fist.

Live Action Bumblebee: They're right! Decepticons and Autobots… when we work together, we become much stronger!

Bumblebee ducked as Barricade decked Starscream with his fist. Then, he and Bumblebee fired their weapons at Megatron, knocking him away from Optimus.

Nico: ALL RIGHT!

Live Action Optimus: You all did great. Your voices have reached out to us.

Live Action Ratchet: Who knew that we would be supported by so many people?

Live Action Ironhide: No way we can lose here.

Live Action Bumblebee: This time, we'll return the favor.

Live Action Jazz: We'll protect you guys. Your smiles and everything!

Nico: That is right!

Starlight Glimmer: Let me transform with you guys!

Scott: Go ahead, Starlight.

RPM Rangers: RPM, get in gear!

They transformed!

Scott Truman: "RPM Red!"

Flynn MacCallister: "RPM Blue!"

Summer Landsdown: "RPM Yellow!"

Ziggy: "RPM Green!"

Dillon: "RPM Black!"

Gem: "RPM Gold!"

Gemma: "RPM Silver!"

All: "Power Rangers RPM!"

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off behind them and they were ready!

Suddenly, something within Starlight Glimmer's mind snapped, and her purple eyes turned neon light purple, and she's surrounded by a purple energy aura with stars, magic, and bones, as she unholstered her Sword of Justice from her back, and as she approached Live Action Megatron, Starscream, and The Fallen, she left behind purple energy, stars, and bones with every step.

Starlight Glimmer: You three monsters really make me sick, you have tormented the lives of both the Autobots and the humans, and all for your sick desire to conquer the universe. (Getting Angry) But, what you three have done in causing even more discord and chaos when the world went to Hell, because of Cemetery Wind… , and now the Murder of General Morshower!? YOU THREE MONSTERS HAVE CROSSED ONE LINE TOO MANY, AND I'LL PERSONALLY SEND YOU THREE MECHANICAL BASTARDS FROM HELL TO THE SCRAPHEAP FOR THIS!

We gasped in shock at the extent of Starlight Glimmer's fury.

But, when Live Action Megatron, Starscream, and The Fallen saw it, they tried to blast her, but Starlight Glimmer fired three powerful dark and light purple energy beams with bones, stars, nebulae, and alicorns, and they blast the chests of Live Action Megatron, Starscream, and The Fallen, and they screamed in excruciating pain.

The Fallen: You dare challenge me?! I am a Prime!

Nico: Guys, I know the war just ended. But… I think it's only fair that we take a moment of silence to honor General Morshower's sacrifice.

Ebon: Me and Lily's group already did that.

Nico: This time, I'm talking about ALL of us.

Ebon: Oh.

Live Action Optimus was the first to take a knee. Following by Nico and then all of us.

We took off our hats and put our hands on our chests. Laney played Taps for General Morshower.

Live Action Optimus: I want to thank all of you for your help. Thanks to all of you, the war is finally over.

Live Action Optimus: (to Rango) We will see you next month.

Rango: (smiles): I'm looking forward to it.

Me: See you in 9 days.

Live Action Optimus saluted Rango. In return, Rango tipped his hat to Live Action Optimus.

I saluted him.

Eccentro: I'm just sorry it took General Morshower's sacrifice to end the war for good.

Live Action Optimus: As sad as it is, he gave his life to make sure the Cybertronian Wars finally came to an end.

Me: Yeah that is for sure.

Pete: I get what you're saying. Megatron, the Fallen, and their goons deserve to be forgotten. But General Morshower? Hell no!

Me: Absolutely. When we get back home lets put up a statue in the park for General Morshower to honor his valor and courage.

Nico: Good idea.

?: I will have my revenge on all of you for ruining everything for me, Team Loud Phoenix Storm!

Lincoln: I knew there's no mistaking that voice from anywhere. You can come out now, Evil Starlight Glimmer.

A figure came out, and it was none other than Evil Starlight Glimmer, and with her was a massive army of Equalists.

Starlight Glimmer: I knew you'd one day return, Evil Starlight Glimmer.

Lincoln: We suspected that last year when the Evil Dazzlings came back from the dead, but they paid the price, and Abacus Cinch also came back, but she became a member of The Masters of Evil after we made her realize what she did was wrong. But, you, Evil Starlight Glimmer, you're nothing but evil both on the inside and outside, and you're nothing like the Starlight Glimmer we know and love, and whom I'm going to marry in the future.

Evil Starlight Glimmer: Then, the both of you can die here together! Equalists, DESTROY THEM ALL!

The massive army of Equalists charged out to attack us.

Lincoln: Now!

Lincoln and all of us used our siphon devices, and combined with our power and energy absorption powers, we sucked out the army of Equalists' energy, and it killed them, as we absorbed the energy and it made us stronger than ever, and this sent Evil Starlight Glimmer into a rage, and our siphon devices disappear back into the gems of our Bracelets of The Champions of The Universe.

Starlight Glimmer: The reworked siphon devices you've made worked like a charm, Linky, awesome. Now, to teach this imposter a lesson.

Suddenly, Starlight Glimmer's purple eyes turned neon light purple, and she's surrounded by a purple energy aura with stars, magic, and bones, as she unholstered her Sword of Justice from her back, and as she approached Evil Starlight Glimmer, she left behind purple energy, stars, and bones with every step.

Starlight Glimmer: I would've thought that we'd finally be rid of you after we destroyed you last year during the April 12th War for Equestria, but you refuse to even take a hint. Evil Starlight Glimmer, as the Alicorn Princess of Justice and The Undead Skylanders, you are hereby sentenced to death for the crimes you've committed against Equestria.

Suddenly, Starlight Glimmer was surrounded by a massive vortex of purple energy with stars, bones, and purple nebulae, surrounding the vortex, there's an Alicorn flying around the vortex, and inside of the vortex is a blue phoenix. Then, as the vortex faded, Starlight Glimmer emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Suddenly, Starlight Glimmer felt a sharp pain on her back, and then, massive dark purple angel wings with light blue tips on the dark purple feathers, sprouted out from her back, with bones, stars, and magic falling from the tips. Starlight Glimmer has on her Ring of the Phoenix with large pink gem on her left ring finger and Star Sapphire Corps ring on her right ring finger, and she has her cutie mark on her left shoulder and the Corvus the Crow Constellation on her neck. Suddenly, Starlight

Glimmer's massive Sword of the Knights of The Friendship Table, Destroyer of The Armageddon 23, Sword of the Redemption Squad, and Sword of Justice began merging together, and when it emerged, it was transformed into Starlight Glimmer's Nebula Sword of Magical Redemption and Justice, it's a brand-new large sword with a 6'5" massive, wide, double-edged dark purple blade with her cutie mark, stars, nebulae and bones etched on the blade, large purple alicorn heads for the crossguard, large light blue gem embedded in the rainguard, longer black handle, and large purple alicorn heads with light blue gems for eyes for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with light purple gems on her wrists, her Belt of Elemental Bravery with an alicorn for the belt buckle and light purple gems for the eyes and a large blue gem in its collar for the belt buckle on her waist, large light purple Spellbook of the Gods and the Universe and large light purple Spellbook of the Elemental Gods on her left hip and her Eater of Sins revolver holstered on her right hip. she had on her Bracelets of The Champions of The Universe with purple gems on her wrists and Belt of Elemental Bravery with large light blue gem for the belt buckle, her Eater of Sins revolver holstered on her right hip, and Crystal Saber holstered on her left hip. Starlight Glimmer was transformed into SUPER ANGEL-ALICORN INFINITY STELLAR UNDEAD COSMIC ALICORN OF UNDEAD JUSTICE AND COSMIC REDEMPTION!

We were amazed by Starlight Glimmer's Super Angel-Alicorn Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Evil Starlight Glimmer saw it, she fell into a rage and fired a blue energy beam from her horn, but Starlight Glimmer fired a powerful blast of ark and light purple energy beams with bones, stars, nebulae, and alicorns, and it hit Evil Starlight Glimmer, and it sent her flying into a wall.

Nico: Wow, Starlight Glimmer's now transformed into her Super Angel-Alicorn Infinity form, that's so awesome.

Me: This is going to be one awesome battle.

Lincoln: Wow, Starlight Glimmer, you look beautiful. How do you feel?

Starlight Glimmer: (Divine Echoing Cosmic Voice of The Justice Alicorn and Divine Undead Love) **I feel incredible, Linky. Now then, shall we deliver our punishment on this cutie-mark hating imposter?**

Lincoln: (Smiles) With pleasure, my Alicorn Princess of Undead Justice.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope and he joined Starlight Glimmer.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **This is the last time we ever deal with you, Evil Starlight Glimmer.**

Lincoln and Starlight Glimmer went after Evil Starlight Glimmer, who continued firing blue energy beams at them, but they dodged them all, and Lincoln and Starlight Glimmer fired powerful blasts of rainbow energy, dark and light purple energy, bones, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, stars, rainbow flames, rainbow crystals, Thunderbirds, Buffalo, Phoenixes, Angels, and Alicorns and they exploded with incredible power as they hit Evil Starlight Glimmer. Then, they attacked Evil Starlight Glimmer with their massive swords and they left scars on her, and they weren't healing.

Evil Starlight Glimmer sent more Equalists right at Lincoln and Starlight Glimmer, but they used their power and energy absorption powers, along with Lincoln's reworked siphon devices, and they sucked out and absorbed their energy and killed them all, and it sent Evil Starlight Glimmer into a rage, but before she could attack again, Lincoln and Starlight Glimmer used their reworked siphon devices, and they began sucking out all of Evil Starlight Glimmer's powers and magic and they absorbed it and it made them even stronger than ever. Evil Starlight tried to fire another blast from her horn, but she couldn't and she felt completely drained and weak.

Starlight Glimmer: **She's been weakened, now's our chance.**

Lincoln: **Let's do it.**

Suddenly, the cutie marks of The Mane 9 on the massive Celtic Cross cutie mark tattoo on Lincoln's wider and more muscular back glowed, along with the cutie marks of The Mane 12 and the Elements of Harmony on my sword, and Evil Starlight Glimmer was surrounded by a magic circle with the cutie marks of The Mane 12 that formed on the ground, and Evil Starlight was chained up by chains of magic and rainbow energy, and energy images of The Mane 12 appeared from the cutie marks on the circle, and they found her guilty of her crimes, and the energy images of The Mane 12 aimed their horns at Evil Starlight Glimmer and Lincoln aimed his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and Starlight Glimmer aimed her massive Starlight Glimmer's Nebula Sword of Magical Redemption and Justice at Evil Starlight Glimmer.

Starlight Glimmer: **Evil Starlight Glimmer, you have been found**

**guilty of your crimes against Equestria, and now, you will pay the price for your crimes.**

Lincoln: **And like I said, you're nothing but evil both on the inside and outside, and you're nothing like the true Starlight Glimmer we know and love, and whom I'm going to marry in the future. And now, it's time for you to die.**

Starlight Glimmer and Lincoln: **MANE 12 HARMONIOUS CUTIE MARK FINAL JUDGEMENT!**

Lincoln and Starlight Glimmer fired massive rainbow and dark and light purple energy beams with elemental forces, magic, bones, Thunderbirds, Buffalo, Phoenixes, Angels, and Alicorns, and the energy images of The Mane 12 fired colored magic energy beams from their horns, and as they hit Evil Starlight Glimmer, they exploded with incredible power as they hit her, and the explosions killed Evil Starlight Glimmer, and her spirit was condemned to The Black Gates, and her spirit was erased from existence by the spirits of those she's hurt. We cheered wildly for Starlight Glimmer and Lincoln, as they holster their massive swords on their backs and power down, and Starlight Glimmer's new body, clothes, weapons, jewelry, and massive angel wings are permanent.

Starlight Glimmer: That's it for that evil monster, and this time, she's staying gone for good. Thanks for helping me with taking Evil Starlight Glimmer down, Linky.

Lincoln: (Smiles Warmly) You're welcome, Starlight Glimmer.

Suddenly, Starlight Glimmer wrapped her arms around Lincoln's waist, and it brought an atomic blush to Lincoln's face, as he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into an embrace, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Starlight Glimmer's face, they kissed passionately as Starlight Glimmer wraps her left arm around Lincoln's wider and muscular back, and she placed her left hand on Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Alicorn flying in the air, and we also saw a herd of Buffalo and animals running across the field, along with being surrounded by the tombstones in the graveyard, and the display of the elemental forces behind them, and we cheered for them.

Nico: Wow, Starlight Glimmer, Lincoln, you two did an awesome job taking down Evil Starlight, and Lincoln, what was that attack you used on her?

Lincoln: That attack you all saw was known as The Mane 12 Harmonious Cutie Mark Final Judgement, it's a combo attack that I created against the truly irredeemable, and it involved me and The Mane 12. You guys saw the cutie marks of The Mane 9 on the Celtic Cross cutie mark tattoo on my wider and more muscular back glowing, along with the cutie marks of The Mane 12 and the Elements of Harmony on J.D.'s sword and my Thunderbird-shaped Element of Harmony, and then, the target is surrounded by a magic circle with the cutie marks of The Mane 12 that formed right on the ground, and they're then chained up by chains of magic and rainbow energy, and energy images of The Mane 12 appeared from the cutie marks on the circle, and if they're found guilty of their crimes, the energy images of The Mane 12 aimed their horns at them, and we aim our massive swords right at the target, and then, we fire massive energy beams from our swords and the energy images of The Mane 9 fire magic blasts from their horns, and once they hit the target, they'll be destroyed and sent to The Black Gates forever.

We were amazed.

Nico: Whoa. Now, that's awesome.

Me: And it'll also work on the enemies of Equestria, should they try to escape from The Warp.

Lincoln: That's right, J.D.

Nico: Awesome! But this was an awesome adventure. We restored the relationships of the humans and the Cybertronians and put an end to 8 million+ years of fighting with the Autobots and the Decepticons.

Me: We sure did. And we brought an end to the people that hate

Cybertronians and restored an awesome alliance.

Nico: Yep. And avenged a great hero that helped bring an end to eons of fighting.

Laney: We sure did.

Live Action Optimus: (To the viewers) At long last the wars between Autobots and Decepticons and the humans and Cybertronians has ended and we an now begin new lives of peace for both our worlds.

Nico: Yes we can. Great job everyone! And we've finally seen the last of Megatron the Terrible.

Eli: Yes we sure have.

Aligned Megatron: That is for sure.

Laney: Definitely.

We later went back home after merging the Live Action Transformers Earth with our Earth and we went to the park and built a statue in honor of General Morshower and he was the true hero of this entire mission. He was given a funeral. But also Cemetery Wind and the Transformers Reaction Force have been brought to justice. Also Dylan Gould was arrested and sent to the Neptune Prison. Dylan Gould was found guilty of his crimes and was sentenced to eternity in prison. Same with Galloway. We had a great adventure and we went to sleep after we got home. What a big day.

THE END

---

Another awesome adventure done.

WOOHOO! This was so awesome! The Live Action Transformers movies were some of the most awesome and most action packed movies ever made. This whole series of chapters for it started when Sentinel Prime told us all about what happened in that universe during the Race around Tatooine and from there we worked our way up to getting to this one. it was so awesome. Lots of awesome and huge stars were in this one and just like in 1984, Peter Cullen voiced Optimus Prime in the movie and Leonard Nimoy was Sentinel Prime. Lots of huge stars voiced the Transformers and they were awesome. For over 38 years, Transformers has been a popular show and series. The first part of the chapter was for Naruto Shippuden and we took down Orochimaru and Evil Sasuke. The second part was for the awesome sequel to Beast Wars Transformers from my childhood called Beast Machines and that was a really awesome series too. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, EtstheClarenceandTLHfan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Nico's next rescue is gonna be a really awesome and cool one as Nico, Nanette, Carol Pusateri, May, Maria, Varie, me, Eli, Kaina Tsutsumi, Camie, Himiko, Ibara, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Lana, Lola, Lisa and Lily head into the 2010 movie THE WOLFMAN and we're going to get ready for the future mission in October when we face The Wolfman and it'll be a battle of Werewolves. We're also going to meet an Armadilliieon Gene-Slammer named Wendy Traviston. Armadilliieons are Shellhead's species from Ben 10. Wendy Traviston is a master of Gymnastics and has amazing and powerful acrobatic skills. She is Nico's friend from gym class and is an Armadillidiieon gene-slammer. The next rescue for Lincoln is gonna be in the Simpsons Episode called The Cartridge Family and they are going to battle THE ENTIRE SPRINGFIELD SOCCER RIOTS and they are also going to meet a gene-slammer for Old Entity Cthugua named Varya Pozhar and she is from Russia and she has amazing fire powers and is a powerful force of nature and an incredible guardian angel and she literally has Fire Angel Wings too. She faced the worst of Lynn's wrath and Lynn got the worst ever punishment any parent can ever muster put on her. She was sent to an insane asylum for 3 years because of what she did. The next chapter is gonna be a funny one as it starts a mini saga for Cow & Chicken as we don't have any episodes for that down. The first part is for the episode Happy Meat. With Chicken fed up with Ketchup food in the cafeteria, we're going to help Cow & Chicken operate a food cart called Cow & Chicken's Happy Meat and put the Red Guy out of business and battle him. We're going to also give everyone new food instead of monotonous ketchup foods.

See you all tomorrow!

# Cow and Chicken 1: Happy Meat VS Ketchup

This chapter is based on the Cow and Chicken episode Happy Meat

In 19th Century London, Nico, Nanette, Carol Pusateri, May, Maria, Varie, me, Eli, Kaina Tsutsumi, Camie, Himiko, Ibara, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Lana, Lola, Lisa and Lily were there because a series of really gruesome murders has been going on.

Lincoln: So we are in London in the 19th Century.

Lola: Yeah this will be awesome.

Me: I got a bad feeling about this guys. Something evil is going on here and I think it involves werewolves.

Nico: I have that same feeling too.

Eli: Me too.

Nico: Thanks for coming with me, Nanette.

Nanette: No problem Nico. This is always so fun going on a great rescue.

Kaina Tsutsumi: Yeah it sure is.

Nico: Nanette, be honest. Do you think the finale to the Cybertronian Wars was just as epic as the fight against All for One?

Nanette: It was JUST AS EPIC 100%!

Me: It sure was! Especially when I stabbed Megatron through his black and twisted spark.

Eli: That was awesome bro!

Camie: Yeah it sure was.!

Nico: Yeah! Just like what Lily did with Megatron when we faced the Broccoloids.

Maria: That was so awesome.

Lily: That was really cool.

Varie: Yep.

Nico: And let's not forget the Cybertronian Engine Cell.

Eli: Yeah that was so cool.

Lola: I thought it was awesome too.

Sirius: Same here.

Camie: I agree and it was so awesome too.

Nico: Yep.

We then saw the house of the Talbot Residence.

Me: There's the Talbot House.

Eli: I sense trouble.

Me: Wait a second. We ARE dealing with werewolves. Lincoln, we're going to need to go Nocturnal for this one.

Lincoln: You read my mind J.D.

Me and Lincoln looked up and we saw the Full Moon and then we growled and our eyes glowed neon yellow and turned into slits and we grew fur and our ears turned pointed and then our teeth turned into fangs and we grew claws from our hands and feet and then grew wolf tails! Me and Lincoln turned into J.D. THE NOCTURNAL AND LINCOLN THE NOCTURNAL!

Me: (HOWLS)

Lincoln: (HOWLS)

We were ready!

Me: (Beastly Voice) This is gonna be good.

Nico: Your turn to transform, Nanette.

Nanette: Gladly!

Nanette concentrated and transformed. She turned insect like and turned into THUNDERLEGS!

Nico: YEAH!

Sirius: So awesome.

Tsuyu: Wow! Everyone is just full of surprises!

Camie: They sure are.

Eli: I sense trouble brewing in the house.

Nico: Lets go. We'll have to use the entrance in mansion.

We went at the mansion.

Thunderlegs: Tell me when it's entrance time.

Nico: Just about.

In the mansion, Sir John Talbot was beating his son Laurence up.

Sir John dragged him to the window.

Sir John: There. See her Laurence? Feel her presence, her power? It'll be here soon. Coming from Darkness to Light.

They were under the light of the full moon.

Laurence tackled him down.

Sir John: (Growling) You're an heir to my kingdom Laurence! You've always been an heir to my kingdom!

Sir John turned into A WOLFMAN AND ROARED! Laurence did the same too!

Then the spirits of the Loud House Girls swirled around them and then converged and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery blue explosion blasted through the windows and then a wolf howl was heard and then we jumped in and we saw SIR JOHN TALBOT AS A WEREWOLF! HE ROARED FEROCIOUSLY!

Me: (GROWLS FEROCIOUSLY!)

Sir John roared and I kicked him down and Laurence got up and he was a WEREWOLF TOO!

Laurence: (ROARS FEROCIOUSLY!)

Lincoln: (ROARS FEROCIOUSLY)

Thunderlegs: Enough roaring! Let's fight already!

Camie: What she said!

I growled ferociously at Sir John.

Me: (GROWLS)

Sir John: (ROARS)

Me: Is that all you can do is roar?

Sir John: (ROARS)

Me: Guess so.

I slashed him across his face with my claws and Lincoln fired a blast of moonlight and it hit Laurence in his face and then…

CHOMP!

Lincoln bit him in the hand!

Laurence growled in pain and then Laurence reverted back to human!

Lincoln: (Beastly Voice) The Curse is broken!

Nico: Yeah it is!

Thunderlegs: We're not done yet!

Thunderlegs fired a blast of lightning and electrocuted Sir John.

?: Time to kick this monsters face to the curb!

An Armadillidiieon came in and did amazing flips and jumps and parkour moves and bit and spit John into the Fireplace and he was burning and on fire and I slashed him across his chest and then slashed his entire head off and killed him!

Nico: Good riddance!

Armadillidiieon: (In a girls voice) That's it for that monster.

Nico: Wendy Traviston? Whoa!

The Armadillidiieon reverted back and she was a girl with purple hair and purple clothes.

Wendy Traviston: Awesome to see you Nico.

Me and Lincoln reverted back and so did Nanette.

Me: Wow that was awesome though.

Nico: Nanette, please tell me you're fully clothed.

Nanette: I am. J.D.'s spell that he put on the gene-slammers when we change works like a charm.

Nico: Amazing and cool.

Nanette: Yep.

Eli: That was a battle that went to the dogs.

Me: Yeah it sure did.

Nanette: What's your favorite memory of Nico?

Wendy Traviston: My favorites would be in Gymnastics. I was doing awesome parkour and acrobatic moves off the walls and on the floor and I was really doing my stuff. But I saw this one case when a bully was picking on a kid and I grabbed her by her underwear and gave her a reverse cartwheel flagpole wedgie.

Nico: Wow! Been a long time since I saw that.

Me: WOW That is awesome!

Lana: What a move!

Sirius: That is amazingly acrobatic.

Nico: Wendy is a gymnastics and parkour master.

Me: That is incredible.

Eli: It sure is

Nico and Wendy hugged.

Nico: I really missed you.

Wendy Traviston: Me too Nico.

Eli: Uhh we better get home before the cops come.

Nico: Right. Lets go.

We went back home. It was an awesome way to get ready for the future mission for The Wolfman.

---

After Nico's rescue, Lincoln, Me, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's

harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, and Sydney are heading to the Simulator, this time, it's at Springfield, and not only is Lincoln going to rescue the six girls there, but we're also going to battle the entire Springfield Soccer Riots. The Simulator activated, and we were in Springfield, but it's already in total chaos, thanks to the riot spreading to Springfield.

Lincoln: Whoa, we're here in Springfield, and I know what we're going to do here, not only am I going to rescue the six girls there, but we're also going to battle the entire Springfield Soccer Riots.

Nico: That's right, big guy, and it looks like Springfield's already descended into chaos, thanks to the riot spreading.

Me: Damn, this is really out of control.

Lincoln: Yeah, and we can thank Groundskeeper Willie and three of his fellow Scotsmen for escalating the riot.

Nico: But, this also means we're also going to kill the evil versions of The Springfield Scumbags here.

Lincoln: That's right, Nico, and thanks for joining us, Sydney.

Sydney: You're welcome, Lincoln. So, what's the plan?

Lincoln: We'll divide into groups: Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, and Lily will take care of the rioters in the north, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, and Ravus Nox Fleuret will take care of the rioters in the south, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, and TLPS Ms. Tarantula will take care of the rioters in the east, and me, Nico, J.D., Eli, Nicole, my harem, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, and

SydneyHeathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, and Leroy will take care of the rioters in the west, and once we hear the call for help, we'll take care of the evil versions of The Springfield Scumbags.

Nico: Right, let's do this.

We divided into the groups Lincoln made, and we went off to take care of the rioters that are running loose in Springfield, and we got everyone to safety. Lincoln removed the control chip on Simulator Marge and we explained that Mr. Burns was the one who put that mind control chip on her, and that really shocked them, and they now want Burns and all those involved in the corruption of Springfield dead.

?: HELP!

Suddenly, Lincoln heard the sound of eight girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye of The Buddha, and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the eight girls there, and with one of them was a little girl, but they've been cornered by the evil versions of the Springfield Scumbags, and they're going to kill them.

Lincoln: Guys, I found the eight girls here, and with one of them is a little girl, but they've been cornered by the evil versions of the Springfield Scumbags, and they're going to kill them.

?: (Russian Accent) Those miserable assholes, let's burn them all to the ground.

Suddenly, we saw the Duel Monster, Old Entity Cthugua, appear before us.

Me: Whoa, the Duel Monster, Old Entity Cthugua, awesome.

Lincoln: And I'd recognize that Russian accent from anywhere, I knew it was you, Varya Pohzar, but we'll have to talk later, we've got a bunch of scumbags to kill.

We rushed on over, and Lincoln fired powerful rainbow energy balls

at the evil versions of The Springfield Scumbags and it hit them, and that allowed the eight girls and the little girl to get to safety. When the evil versions of The Springfield Scumbags saw us, they were pissed off.

Lincoln: Oh, we're so going to enjoy getting rid of you lot once and for all, and what you were all about to do to those girls, we're going to make it even more painful.

incoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Infinity forms and they unholstered their massive swords, Lincoln's sisters transformed into their Super Angel Infinity forms and unholster their massive swords from their backs, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Sydney, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Hector got out his massive Heaven's Maw of Judgement sasumata pike, and Me, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went at the evil versions of the Springfield Scumbags, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, stars, rainbow flames, and rainbow crystals, and they exploded with incredible power as they hit them.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Now, to give you all a proper send-off. ELEMENTAL CONGREGATION OF THE UNIVERSE!

Lincoln summoned black orbs with stars and nebulae in them and the cores are the elemental forces of Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, and Magic, and he threw them and they smashed into the evil versions of The Springfield Scumbags, and they exploded with incredible power, killing them and erasing them from existence when they were sent to the Black Gates forever. We cheered wildly as we holstered our weapons and powered down.

Nico: Whoa, was that a new RaDos spell you used, Lincoln?

Lincoln: Yep, I call it Elemental Congregation of The Universe, that's where I summon black orbs with stars and nebulae in them and the cores are the elemental forces of Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, and Magic to smash into the enemy, and sends them to The Black Gates forever

Nico: That is cool!

Lincoln: That's it for this riot. (To Varya Pozhar) And it's so good to see you again, Varya Pozhar.

Varya Pozhar reverted back to normal, and she's a beautiful 17-year-old girl with long flowing red hair, red eyes, she's tall at 6'5" in height, she had the body of a goddess, she has the Fire Kanji tattooed on her forehead, she has massive fire angel wings, thanks to reigning in the power of Old Entity Cthugua, and she's dressed in a dark yellow blouse, sleeveless red dress, yellow stockings, yellow knee-high boots, and long red sleeveless trenchcoat with flames on the coattails, and Old Entity Cthugua on the back.

Varya Pozhar: (Russian Accent) You too, Lincoln, it's been a long time.

Lincoln went up to Varya Pozhar and they hugged, and Varya

Pozhar was also very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become.

Lincoln: It sure has been a long time, I haven't seen you two when you were sixteen, and as you can see, I really grew a lot since then.

Varya Pozhar: (Russian Accent) Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Varya Pozhar, she's another of my Guardian Angels from Russia, and you're also in for a surprise: she's a fire angel and she has incredibly strong fire powers and she literally has Fire Angel Wings too, and she's a powerful force of nature.

We were amazed by what Lincoln told us about Varya Pozhar.

Nico: Whoa, now that's really awesome.

Me: She definitely fits in with all those who use fire.

Lincoln: Plus, what also makes her an incredible Guardian Angel is that she's also known for taking the full force of Lynn at her worst and she faced the worst of Lynn's wrath and Lynn got the worst ever punishment any parent can ever muster put on her. She was sent to an insane asylum for 3 years because of what she did. She was also given the Moniker of "Embodiment of Cthugha" because she's not only a force of nature, but has been known to throw fireballs at her targets.

We gasped in shock.

Nico: What?! Lynn got sent to an insane asylum for three years, oh, I'm definitely hearing about this.

Me: Same here.

Lincoln: You guys aren't going to like this one bit. Oh, and I got you a little something Varya.

Lincoln gave Varya Pozhar a large Old Entity Cthugua-themed sword with Old Entity Cthugua etched on the 6'10" massive, wide, double-edged red blade, large red angel wings for the crossguard, large red gem embedded in the rainguard, longer black handle, and large red gem with fire angel wings surrounding it for the pommel.

Varya Pozhar: (Russian Accent) Wow, I love the new sword you made for me, Lincoln.

Suddenly, a Thunderbird Necklace of Eternal Love appeared around Varya Pozhar's neck with red gems on the gold lightning bolts links and red crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Varya Pozhar: (Russian Accent) (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're now part of my harem and one of my many future wives, Varya.

Varya Pozhar had a smile on her face and tears coming from her eyes, as she wrapped their arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around her waist, and he leaned down and kissed Varya Pozhar on the lips, and she returned it, and we cheered for them. Then, we went up to the eight girls and the little girl, and when Lincoln saw them, he immediately recognized them. The eight girls are Amino Tokine, Minakami Kyouka, Takaragawa Hinata, Yamazumi Yoshie, and Yanagisawa Natsuko from Nazotokine, and Crimson Viper from Street Fighter, and accompanying Crimson Viper is her daughter Lauren.

Lincoln: Oh wow, it's Amino Tokine, Minakami Kyouka, Takaragawa Hinata, Yamazumi Yoshie, Yanagisawa Natsuko, and Crimson Viper.

Nico: From Nazotokine and Street Fighter, awesome.

Me: And that little girl accompanying Crimson Viper is her daughter, Lauren. Which means…

Lincoln: She'll now have a father in her life. Are you girls okay?

Amino Tokine: Yes, we're okay, thanks to you.

Then, when Amino Tokine and the other seven girls saw who it was that saved them from the riots in Springfield and from the evil versions of The Springfield Scumbags, Mr. Burns, and Quimby, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The

Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Hinon's Cosmic Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large orange Spellbook of The Gods and The Universe, large orange Spellbook of the Elemental Gods, and large electric blue Spellbook of the Thunderbird holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive and indestructible deep sapphire blue angel wings with stars and blue nebulae reflecting on them with rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, and Buffalo on them and with hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large gold buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanjis "Savior of The Loud House, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, Founder of Team Loud Phoenix Storm, The Unifier of The Three Kingdoms, and Destroyer of The House of Damaskinos" on the left leg, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal

Amino Tokine: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made seven clones of himself, and he and the seven clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Amino Tokine: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, eight Thunderbird Necklaces of Eternal Love appeared on the necks of Amino Tokine, Minakami Kyouka, Takaragawa Hinata, Yamazumi Yoshie, Yanagisawa Natsuko and Crimson Viper with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We exit the Simulator and we told everyone what we did in stopping the riot in Springfield, and they were shocked when they found out the villains we went after were the evil versions of The Springfield Scumbags.

But, when Lincoln showed what he did to them, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Varya Pozhar have a lot of catching up to do, now that she's back in town, and Lauren now has Lincoln as a loving, strong, brave, and caring father in her life.

* * *

After Lincoln's Simulator rescue in Springfield, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Varya Pozhar saw Lincoln working out like crazy, she had an atomic red blush on her face.

Varya Pozhar: (Russian Accent) Whoa, I was right that Lincoln has really grown to be a 17-year-old 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Varya, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Varya Pozhar: (Russian Accent) That's incredible.

Nico: It sure is. So, Varya, how did you face the worst of Lynn's wrath, and it ended with Lynn getting the worst ever punishment, which was getting sent to an insane asylum for three years?

Varya Pozhar: (Russian Accent) You're not going to like it one bit. Three years ago, I was out walking throughout Royal Woods, and as I was passing through Franklin Avenue, I heard the sound of screaming coming from The Loud House. I busted the door down, and what I saw was too shocking for words, Lincoln was stabbed in the stomach by Lynn, who had a bloody knife in her hand, and Lincoln was loosing blood fast as I saw the pool of blood forming, and Lynn was going to finish him off. I got so angry at that bitch, I threw a powerful fireball at her, and it hit her and burned her badly, and then, I pummeled her badly and tied her up. We got Lincoln to the hospital, and I donated my blood to save Lincoln's life, but what I didn't know was that he'd also get fire powers. Back at the Loud House, Mr. Lynn and Ms. Rita were so enraged at what Lynn did, and they decided on a severe punishment intended for her: she was sent to the Lansing Maximum Security Insane Asylum in Lansing, Michigan for three years.

We gasped at the revelation.

Nico: (Stunned) Holy crap.

Me: (Stunned) Damn, I can't believe what Dark Lynn forced Lynn to do, that was so awful.

Lincoln: It was, guys, and Varya's right, I also did get fire powers when she donated her blood to save my life, watch.

Lincoln formed a powerful ball of fire in his large left hand, which then turned into a powerful ball of rainbow fire, because of the constant evolution of his powers, and we saw rainbow fire surrounded his massive deep sapphire blue angel wings with stars in the massive deep sapphire blue feathers with stars in them, and we were stunned with awe.

Nico: Whoa, now that's so awesome.

Me: You said it, Nico, whoa. But, I got to ask, why didn't you mention this before, Lincoln?

Lincoln: Looks like I forgot about that.

Lola: But, that's so awesome that you had fire powers the whole time, Linky, and now, you have all the powers of the elemental forces.

Lincoln: Yeah, you're right, sorry I didn't tell any of you guys about that.

Lori: That wasn't your fault, Linky, at that time, we were still reeling in shock and horror at what Lynn did to you, I knew Lynn would one day crack like an egg, but this was way too extreme, and even our little sisters saw it as well. But, it was thanks to Varya, that she saved your life.

Luna: Yeah, dude, and we were so glad that you were still alive.

Lincoln gave his sisters, parents, and Varya Pozhar a hug. Then, he went to Lynn, and she ran up to him and hugged his waist and really cried into his bare chest. Lincoln then wrapped his abnormally massive and powerful muscular arms around Lynn and hugged her, while she cried, and that really hurt our hearts. Lynn stopped crying, but she didn't stop hugging and holding onto Lincoln, and he didn't stop hugging and holding onto Lynn.

Lincoln: (Soothing Voice) (Rubs her back) Lynn, it's okay. What happened that day wasn't your fault.

Lynn: But, it is. Dark Lynn did this, now, it's personal, and since you permanently severed our Dark Sides, if I ever see her again, she's looking at a one way trip to Hell for this.

TLPS Mr. Wolf: Lynn's right, Lincoln. That animal's lived for far too long.

Lincoln: Although I agree that Dark Lynn deserves to get a one-way trip to Hell, we'll decide what to do to her later on, when she shows her face.

We then got a shower afterwards, and then, Lincoln called a meeting with The Dark World Goth Girls, and also in the meeting, are The Goths of Darkness, and all of us were there as well. Now that Lincoln has rescued The Dark World Goth Girls and they've been reunited once more, he's decided to declare War on The Church of Necrom, and piss them off by showing them what he did to Necrom.

Lincoln: Alright, everyone, now that Nicholette Torrington and the other Dark World Goth Girls have been reunited once more, it's finally time.

We gasped.

Nicholette Torrington: Yes, it's finally time to declare war on The Church of Necrom.

Clara St. Clarice: I can't wait to make Damian Alaister and the rest of his demonic Goth cronies pay for constantly trying to destroy us.

Nico: But, wait, none of us don't exactly know where their hideout is.

Lincoln: Nicholette, would you do the honors?

Nicholette Torrington: On it, Linky.

Nicholette Torrington formed a map of Michigan with her powers, and she zoomed in one particular spot in Michigan, and then, we saw a demonic looking castle from the darkest depths of Hell with gargoyles hanging on the parapets of the castle, and it was located in an abandoned graveyard to the north of Gotham Royal York, and it was topped with numerous gravestones. When we saw the castle, we were really horrified.

Me: So, that's the location of their hideout?!

Lincoln: That's right, J.D., and it's in the old graveyard located in the north of Gotham Royal York.

Nico: (Horrified) Damn, that castle looks like it was created in the darkest depths of Hell.

Lincoln: It's a perfect spot for them, Nico, and it's also where they hold their black magic ceremonies and plot to destroy The Dark World Goth Girls, and carry out their plan.

Lucy Loud: The traces of black magic from their ceremonies are incredibly powerful, and The Church of Necrom have also been the enemies of The Mortician's Club.

Haiku: So, how are you going to declare war on Damian Alaister and his goons, Lincoln?

Lincoln: They'll expect us to barge into their castle. (Smirks) But, I've got a better way of delivering the declaration of war, along with a few other nasty surprises for those deranged demon goth teens.

Nico: (Smirks) Alright, big guy. You know what to do.

Lincoln concentrated and focused on the Church of Necrom's hideout, and he saw his targets: Damian Alaister, Michael Devlin, Carmen Sullivan, Nigel Moreau, Douglas Moreau, Cole Sullivan, Nigel Alaister Cary Blakewell, Nigel Tinuviel, Douglas Griffin, Duncan Alarie, Ianira Dormund, Edana Baudelaire, Drusilla Draven, Chandra Mortlake, Adrienne Hawthorne, Jezebel Lanira, and Jocasta Belladona, and they're still seething with rage and fury.

Damian Alaister: Those accursed Dark World Goth Girls have humiliated us for the last time, I swear they will all die once we bring Lord Necrom to this pathetic world, and destroy the world of man and plunge the world back into The Dark Ages.

Lincoln: (Thinking) Alright, there they are. Now, to send my message.

Suddenly, Lincoln's deep sapphire eyes and the rainbow iris of his Third Eye glowed, and then, out of nowhere, Damian Alaister, Michael Devlin, Carmen Sullivan, Nigel Moreau, Douglas Moreau, Cole Sullivan, Nigel Alaister Cary Blakewell, Nigel Tinuviel, Douglas Griffin, Duncan Alarie, Ianira Dormund, Edana Baudelaire, Drusilla Draven, Chandra Mortlake, Adrienne Hawthorne, Jezebel Lanira, and Jocasta Belladona were caught off guard by the appearance of a hologram of the 17-year-old 7'5" tall, white-haired, handsome, and extremely muscular teen.

Lincoln: Even after all this time, you and your damned coven of demonic goths don't even know when to quit, do you, Damian?

Damian Alaister: Lincoln Loud?! But, how the hell did you even find us?

Lincoln: That's none of your damn business, Damian. You and the rest of The Church of Necrom have caused nothing but trouble for the last time, and today, I say this: your days of causing mayhem and chaos for your own sick amusement are over.

Michael Devlin: We will destroy you all for trying to interfere with our master's plan to bring Lord Necrom to this pathetic world.

Lincoln: (Smirks) Oh, your master's not going to be brought to this world ever again for that matter.

Lincoln made a window with his powers, and he showed them what he did to Necrom by draining and absorbing all of Necrom's powers, magic, and abilities, along with his life force and all the life forces that Necrom had drained, which caused Lincoln to turn Necrom into a charred lifeless husk, and then, sending Necrom's spirit to The Black Gates and erasing him from existence forever. When the window closed, this both horrified and enraged Damian Alaister and his coven.

Damian Alaister: You blasphemous murderer, I will kill you all for what you did to Lord Necrom!

Then, the holograms of the Dark World Goth Girls appeared, alongside Lincoln.

Nicholette Torrington: That's not going to happen, Damian, you demonic asswipe, and this we say to all of you.

Lincoln and The Dark World Goth Girls: We're declaring war on The Church of Necrom, and we will make you all pay for constantly trying to destroy the world of mankind.

Lincoln: And to make our point, here's a little something for all of you.

Then, Lincoln's deep sapphire eyes and the rainbow iris of his Third Eye glowed and his rainbow energy aura with Thunderbirds, Phoenixes, Angels, Buffalo, and elemental forces flared up extremely, and Damian Alaister, Michael Devlin, Carmen Sullivan, Nigel Moreau, Douglas Moreau, Cole Sullivan, Nigel Alaister Cary Blakewell, Nigel Tinuviel, Douglas Griffin, Duncan Alarie, Ianira Dormund, Edana Baudelaire, Drusilla Draven, Chandra Mortlake, Adrienne Hawthorne, Jezebel Lanira, and Jocasta Belladona were convulsing in pain because of the extent and fury of his power, and then, something was being etched on their skins: inverted pentagrams with the phoenix, thunderbird, angel, buffalo around the inverted pentagrams and on the bottom of the inverted pentagrams is a kanji that said, "Eternally Damned and Accursed Blasphemers of God and Demonic Black Magic Users".

神と悪魔の黒魔術ユーザーの永遠に堕落し、呪われた冒涜者

Then, the holograms of Lincoln and the Dark World Goth Girls disappeared, and Damian Alaister and his followers got up and were pissed off big time.

Damian Alaister: They're going to pay for this. Let's get them!

Damian Alaister, Michael Devlin, Carmen Sullivan, Nigel Moreau, Douglas Moreau, Cole Sullivan, Nigel Alaister Cary Blakewell, Nigel Tinuviel, Douglas Griffin, Duncan Alarie, Ianira Dormund, Edana Baudelaire, Drusilla Draven, Chandra Mortlake, Adrienne Hawthorne, Jezebel Lanira, and Jocasta Belladona were about to leave their lair to take revenge, but the gates were all locked, and a magic circle made of rainbow energy with runes in the shapes of the elemental forces around the circles and with the mythological animals surrounding the center of the circles.

We saw it through a one-way window, and we were laughing hysterically at the surprises that Lincoln left them.

Nico: (Laughs) Did you just imprison them in their own castle, big guy?

Lincoln: Yep, the magic circles that were placed on the gates of their castle will keep them trapped in the castle, but they'll still have food to eat, and once all the other Faeries of Neopia in my harem get their Super Angel Infinity transformations, the seals around their castle will disappear, and then, we'll face them.

Me: That's good, and at least, they'll have something to eat while they're imprisoned in the castle until then.

Nico: And you did an awesome job in the declaration of war, Lincoln, and those surprises you left them, that was awesome.

---

Later it was time for Applejack's first ever Ambassador Mission and she was going to meet Andy and his pal Rodney.

Applejack: YEEHAW! This is gonna be as fun as kicking Queen

Chrysalis in her stinkbug riddled butt!

Nico: It sure will.

William: Anyone else wanna go with Applejack? Besides Cole and 1 Rabbid?

Apple Bloom: I'll go with her. It'll be great to meet Andy and Rodney.

Me: It sure will. Me and Nico can go too.

Nico: This is gonna be so awesome.

With that we were off to the southwestern side of Gotham Royal York. Luckily it was just a short hop away from us.

We arrived in the southwestern city of the city.

Me: Here we are. Wow nice place.

A boy came.

Andy Johnson: Hi there. Are you new in town?

Applejack: Oh howdy there. You must be Andy. My name is Applejack and I'm the Princess of Apples, Honesty and the Earth Skylanders for Team Loud Phoenix Storm's Knight of The Friendship Table.

Andy Johnson: Wow! It's such an awesome honor to meet you! Yes I'm Andy, Andy Johnson and it's an honor.

Me: Awesome to meet you Andy. J.D. Knudson, Second in Command of Team Loud Phoenix Storm.

Nico: Nicolas Chan, Leader of the team.

Apple Bloom: I'm Apple Bloom, Princess of Cutie Marks and leader of the Cutie Mark Crusaders.

Applejack: Apple Bloom is my little sister.

Cole Evans: And my name is Cole Evans, Leader of the Wild Force

Rangers.

Andy Johnson: Wow! It's such an honor. I love all your adventures and me and Rodney are your biggest fans.

Rodney came and he was a red squirrel.

Rodney: Hey Andy what's going on?

Nico: You must be Rodney.

Rodney: Wow! Team Loud Phoenix Storm! It's an awesome honor to meet you. Yes I'm Rodney Johnson.

Nico: Awesome.

Applejack: Awesome to meet you. My name is Applejack and this here is my sister Apple Bloom.

Apple Bloom: Pleasure to meet ya.

Me: And I'm J.D Knudson.

Nico: Nicolas Chan but everyone calls me Nico.

Cole: Cole Evans.

Me: Oh and this little guy is a Rabbid.

Rabbid: (Gibberish)

Rodney: Wow it's an honor.

Andy Johnson: Cute little guy.

Me: Yeah. But they aren't the brightest light bulbs in the closet if you know what I mean.

Nico: Also Applejack and her family live on a massive Apple Orchard in Ponyville called Sweet Apple Acres. It's amazing.

Me: Yep.

We went into Andy's home.

Mr. J: Andy, who did you just bring in?

Andy Johnson: Special guests dad.

Mr. J saw us.

Mr. J: Wow! Team Loud Phoenix Storm it's an honor.

Applejack: Howdy sir.

Me: It's Applejack's first ever ambassador mission. It's part of a special diplomatic mission program we set up for future missions.

Mr. J: Oh I get it.

The Rabbid got into the fridge and started eating some eggs.

Mr. J: Hey, get out of there! Those aren't cooked yet!

Nico: It's all right Mr. Johnson, Rabbids are not the brightest light bulbs in the closet.

Me: Yeah they are cute but they are stupider than turkeys.

Mr. J: Oh. That makes sense.

Apple Bloom: But they are funny for a good laugh too.

Me: Yeah they sure are funny.

Mr. J: Between you guys and Kyle, I think you guys would be good for Andy more.

Andy Johnson: Yeah! Kyle is the meanest jerk ever!

Me: What can you tell us about Kyle?

Applejack: Yeah why is he so bad?

Andy Johnson: Well he is the meanest bully ever!

Rodney: Yeah he is the worst!

They told us about him. His name was Kyle Finkster.

---

Kyle Finkster is a rowdy little brat who likes to bully Andy Johnson, Andy and Rodney's arch enemy. Kyle has a pet parrot Named Salty Mike. He first appeared in "Scout's Dishonor", where he was in the Badger Scouts. Kyle got Andy and Rodney in trouble. Then Andy got blamed when Kyle should have. Andy and Rodney were glad they would never see him or his pet/friend parrot again but they moved into Andy's neighborhood as part of Kyle's father's Witness Protection Program. Kyle seems to like using hammer or hammer-type things to cause damage to property.

It seems that they like to purloin things, for instance in Up All Night, he and Salty Mike were stealing lawn ornaments. In Harried Treasure, they would take all of the treasure from Rodney and Andy. It also seems that Kyle never learns anything from his mistakes. When Kyle's toenails grow too long, they have to be clipped off by Salty Mike. In Yer Out!, he is part of Andy's Little League team "The Fighting Worms" which is coached by Mr. Johnson (later by Rodney).

Kyle seems to get easily annoyed and angered, often stating things that make him mad. ("Fancy British talk makes me mad…")

He is voiced by Billy West. Kyle have cousin and never mentioned. Kyle make prank with Crazed Dog.

---

When he was done we were shocked!

Me: That rotten brat!

Nico: Man what a sociopathic jerk!

Applejack: Why that rotten little sour apple!

Rodney: And there's also Salty Mike.

Nico: I heard about him from Andy. He's a parrot with a bad attitude.

Me: Yeah. I don't think the Casagrande's parrot Sergio would want to go near him with a 10 foot pole.

Applejack: Yeah no way.

Apple Bloom: That monster needs to be taught a lesson in humility!

Me: I agree. If there's one thing that we despise above all others it's bullies.

Cole Evans: Yeah they are not people at all.

Nico: But we'll take our time teaching them a lesson. As in, we're not gonna take them down right away.

Me: That's right. We don't meet you guys for the big mission until August 7th. That's when we're projecting we're coming to see you all.

Andy Johnson: Wow! Over 3 months away.

Me: Yeah no kidding and we had a really big mission yesterday.

Rodney: In the Live Action Transformers world right?

Applejack: That is right.

Rodney: Since Kyle isn't worth going Ranger on, can I see your Wild Force suit?

Cole: I don't see why not. Wild Access!

He transformed!

Cole: BLAZING LION! WILD FORCE RED!

Nico: How's that?

Rodney: SO AWESOME!

Andy Johnson: Yeah it was awesome!

Me: Many more Power Rangers than just Cole.

Rodney: So, when we're with you guys, we can't be hurt.

Nico: Now, don't let that give you any ideas in you hurting yourself just to test that!

Me: Yeah that's the last thing we want for you to happen.

Applejack: Yes we don't want that to happen to y'all.

We then walked around and we saw Kyle and Salty Mike.

Me: That must be them. Boy Kyle sure looks like a brutish thug.

Nico: Yeah.

Applejack: Hey! You Kyle and Salty Mike?

Kyle: What's it to you?

Salty Mike: (British accent) You Andy's new girlfriend that he got through online dating?

Me: For your information you walking feather duster, Applejack here is spoken for. Also we heard about your rough treatment with Andy and Rodney.

Nico: We got a few words we want to say to you.

Kyle: Yeah? What is it monkey face?

Nico: (Not intimidated) You stay away from Andy or the first thing that I do when I get ahold of you is grab your tongue and shove it so far down your throat that you will be tasting your own diarrhea!

Salty Mike: (laughs) You must really want to get in trouble if you're wanting to hurt us in front of the whole neighborhood.

Nico: Oh believe me, you won't like we're going to show everyone when the time comes. Because…

Nico talked right into Kyle's ear.

Nico: Everyone will soon know what a horrible brat and parrot you really are and it's only going to end badly for you.

Kyle: Am I supposed to be scared?

Nico: You should be. But for now, here's a pummelling on Easy Mode.

The Rabbid walked up to Kyle and chomped his hand.

CHOMP!

Kyle: YEOWCH!

Nico: (LAUGHS)

Rodney and Andy laughed.

Me: And for good measure. I just had a big bowl of chili for breakfast!

I aimed my butt right in Kyle's face and then…

MASSIVE EXPLOSIVE FIRE FART!

I fired a blast of fire and burned him all over.

Andy: Applejack, can you just forget about that comment of you being my girlfriend?

Applejack: Don't worry your apples. I already have.

Apple Bloom: Besides sis is already taken.

Me: Yep.

Rodney: Next time you guys come, we've got something fun planned.

Applejack: What's that?

Rodney: One word: Baseball!

Andy: I hope someone actually scores this time.

Me: Oh we'll make sure someone does.

Apple Bloom: Yeah!

We came back.

May: How did it go?

Applejack: It went well.

We told everyone about it and it was awesome!

May: Wow! Andy sounds like a nice kid.

Laney: Yeah!

May: Next time, Chiro should go with you.

Applejack: Good idea y'all.

Threatpack: Now, why don't we watch some cartoons?

Nico: Awesome idea. And I know just the show to watch.

We turned on the Slappy Squirrel Cartoon marathon.

Nico: An 80 hour marathon of the great Slappy Squirrel Cartoons.

Eli: Awesome.

We watched the one where Slappy was a Construction Worker and she then gave Walter Wolf a bunch of red hot bolts and lit his head on fire and then flattened him into a pancake and knocked him off the building where he crashed onto the ground and split into 3 babies and cried.

Young Slappy: If there's one thing I hate, it's a Crybaby!

We laughed hysterically!

Nico: OH THAT IS FUNNY!

Young Slappy: Now that's Comedy!

Slappy Squirrel: That is so funny and true!

Ruby Salazar: Me and my sister give that cartoon for you Slappy, 15 out of 10 stars for performance and comedy.

Slappy Squirrel: Thanks Ruby.

Skyblade: Let's watch some more!

Nico: It's an 80 hour marathon. It'll be on for 3 days.

Me: Yep.

We were watching more and we saw Slappy take down Walter Wolf, Doug the Dog, Stinkbomb the Dog, Sid the Squid, Beanie the Braindead Bison and many more bad guys. SO FUNNY!

We were laughing hysterically at it all!

Nico: OH THIS IS AWESOME!

Me: YEAH! (LAUGHS) I can't believe that Lean Hisskill and Codger Eggbert hate these cartoons.

Eli: Yeah those blockfaces wouldn't know what good cartoons are if they came and hit them in their faces.

Kickback: We have time for one more?

Nico: Yep. 5 more episodes and then we got to get ready for school.

We got to watching.

We then saw the cartoon with where Slappy faced Stinkbomb the Bassett Hound and he was voiced by the late Jonathan Winters and he was awesome and funny. He was called Stinkbomb because he was sprayed by a bunch of skunks in a cave as he was chasing Young Slappy and it was funny funny funny! We were laughing hysterically!

Cliffjumper: Now THAT'S entertainment!

Nico: YEAH IT WAS! Now it's time for school.

We got ready for school.

Nico: This is gonna be a great day.

Eli: I got a huge project for the history of Atlantis. Thanks for letting me borrow the Shepherd's Journal for it Lily.

Lily: No problem Eli.

Gargoyle: How's it feel to not be fighting Decepticons anymore?

Live Action Optimus Prime: It feels amazing and awesome.

Nico: It's awesome and great.

Eli: It sure is.

Then Bane, Leonard, King Hiss, Hydro Man, Shiv, Webstor, Eccentro, Firefly, Ebon and Pete appeared.

Bane: (Spanish Accent) Can me, Leonard, King Hiss, Hydro Man, Shiv, Webstor, Eccentro, Firefly, Ebon and Pete go with you amigos?

Nico: Yes you all sure can.

Me: Also Chicken said that he and Cow both have something awesome planned in the cafeteria for lunch later on.

Eli: Yeah the food being served these last few days has been nothing but ketchup, ketchup, ketchup and more ketchup.

Laney: Yeah yuck! Ketchup cereal, Ketchup Jello, Ketchup Pot Pie, it's all ketchup!

Nico: YUCK!

Me: Gross!

Lana: I like it. It's not that bad.

Firefly: I see you guys found out about Red Guys new day job as a cafeteria chef.

Me: Wow so that's who was behind the counter.

Jack Spicer: Nico, which Gene Slammer do you think will appear on your next rescue?

Nico: I'm hoping to meet a gene-slammer for one of Crashhopper's kind next.

Shanan: Cool! That will be awesome to see. A gene-slammer for an Orthopterran.

Nico: Yep.

Laney: It'll be someone that knows all about bugs or plants next.

Nico: Yep cool huh?

Pete: I actually don't mind ketchup.

Nico: Me neither but mostly on my sandwiches.

Laney: Yeah.

Me: But to eat it over and over and over again for a long time can get pretty disgusting.

Lola: Yeah no kidding.

Maria: I like ketchup on french fries.

Bleez: Okay, that's actually normal.

Me: Yes it is.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal, and he saw who the figure was in the vision: it was none other than Crow, the maniac mad scientist who used to work for the Post War Administration Bureau. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is there someone else coming after us?

Lincoln: Afraid so, Nico, and Millia, you're not going to like it: the dark energy signal I sensed belongs to Crow, the maniac mad scientist who used to work for the Post War Administration Bureau.

Millia Rage gasped in shock.

Millia Rage: (Russian Accent) That mad scientist and maniac is here? Is he still after…

?: Me again? Then, yes, he is.

We then saw who it was that finished what Millia was about to say, it was Dizzy, the half-Gear half-human eight-year-old girl and one of the main characters of the Guilty Gear series.

Millia Rage: Dizzy. You're here.

Dizzy: Yes, and it's an honor to meet all of Team Loud Phoenix Storm.

Nico: You too, Dizzy.

We also were introduced to Necro and Undine, her two sentient, shapeshifting wings and her defense systems, that are able to act independently of her will should they perceive any danger.

Lincoln: Crow's still after you again, Dizzy. I've got an idea, we're going to have you put under our protection, so that way, you won't be in any danger.

Dizzy: Good idea, Lincoln.

Naia the Water Faerie: Indeed it is, and we're going to make sure that this mad scientist pays for trying to hurt you.

Millia Rage: (Russian Accent) I should've killed him long ago, I knew Crow was a danger long ago, but he's always escaped.

Lincoln: Don't worry, he's not getting out it this time.

Nico: That's right, today, that mad scientist is going to die a horrible painful death for what he's done.

We were off to school.

---

We later went to class and then later it was time for lunch.

The Red Guy was in the kitchen.

Red Guy: (Rings Dinner Triangle) COME AND GET IT! KETCHUP'S HOT!

Me: Oh boy here we go.

But then we heard a bell and we saw Cow and Chicken with an awesome meat stand.

Chicken: Come to Cow and Chicken's Happy Meat, where nothing is ketchup.

Me: Oh boy.

Nico: Wow.

Shiv: (shrugs) Well, food is food.

Chicken: Hey guys! What do you think of our stand?

Me: Really awesome.

Nico: What brought this on?

Chicken: The spirit of my great grandma and grandpa came to me and they gave me the idea. We decided to give Mrs. Hieniehead a little competition.

Nico: Oh I get it. You want to show her that your meats are always better than having ketchup over and over.

Chicken: That is right!

Heat Man: Can I heat those up for you? No pun intended.

Chicken: Sure!

Me: This is gonna be awesome. Lets get some meat trees going for them.

Nico: You got it.

We grew meat trees and bushes.

Red Guy: Ketchup on a stick anyone?

A kid left not interested in it and went to us.

Hydro Man: Can I have some, Chicken?

Chicken: Sure!

Cow: Get ready to suck meatloaf through a straw.

She pulled out some meatloaf and put a straw in it and then Hydro Man sucked it in deliciously!

Hydro Man: (SLURP)

Cow: (To me) Try a Knuckle Sandwich.

She pulled out a ham knuckle sandwich.

POW!

She punched me in the face.

Me: OUCH!

Cow: (Laughs) Just kidding.

She gave me the sandwich and it was delicious.

Me: YUMMY!

Chicken: Hot dog balls! Get your hot dog balls!

He had a plate of Hot Dog Balls for everyone.

Then everyone grabbed them and ate all of them.

Everyone cheered.

Heckyl: I'd like some mac n cheese bites.

Lincoln: (Droning) Mac N Cheese Bites.

Nico: You just said Lincoln's favorite food.

We laughed at that one.

Eli: Let me do that one.

Eli used his powers and made a Mac N Cheese Bite Tree and gave him and Heckyl some.

Heckyl: Thanks Eli.

Lincoln: Oh boy!

Red Guy: (Through a megaphone) OH CHILDREN! I've got something that kind of looks like meat.

He pulled out a delicious looking red ham.

Red Guy: Honey roasted full ham a-la ketchup! (Sniffs) OOH! That steak's good! (CRICKETS CHIRP) Well how about Ketchup on the half shell hmm? (CRICKETS CHIRP MORE) (Squirts Ketchup on his hand) How about Ketchup on my hand?

Firefly: Guys, I think we should do a toast to General Morshower.

Me: I agree there.

Chicken poured us cups full of Ed's gravy.

Nico: A toast to General Morshower for his bravery, courage and valor to help us bring an end to the war.

All of us: He is a true hero.

CLINK.

We clinked our glasses.

Red Guy: General Morshower will be remembered.

Nico: Yes he will.

Me: Yep.

Chicken: (Through a microphone) You kids know what time it is!?

Kids: Tell us chicken!

Chicken: It's time for Bobbing for Meatballs!

He brought out a huge tub full of gravy and meatballs!

Me, Nico and Eli dunked our heads into the gravy and we had our mouths full of meatballs!

Chicken: (To the viewers) Don't ask where those came from.

Eddy: You know what, Ed? Go ahead and jump into that gravy.

Snapdragon: You've earned it.

Ed: Yum!

He dove into the gravy tub and drank it all over.

Chicken: Good thing we got a good supply of gravy.

Leonard: Can I try some?

Chicken: Hey sure.

Leonard had some meatballs and gravy!

Leonard: Delicious!

Then a red light buzzed.

Chicken: Hey! The red light special! Wheel out the catapult Cow! 'Cause we are serving Pork Butts and Taters!

Me: OH BOY!

Nico: This is gonna be awesome!

Chicken: PULL!

Cow fired and hurled a ham and taters and the kids jumped and ate it all!

Chicken: PULL!

WHIP!

More was fired! A pork butt hit the Red Guy in his face and he was REALLY MAD NOW! EVERYONE ATE AND ATE and they were stuffed!

Weirdwolf: (to Red Guy) If you're gonna make a scene, can you wait a little while longer? We just got out of a big battle and we REALLY want to enjoy this meal.

Red Guy: Oh right. Okay then.

Me: Thanks.

Nico: Boy everyone sure likes the Happy Meat stand.

Cow: They sure do. It's a really big success.

Me: It sure is. Lets get some food for us too.

We got to eating and we were really hungry ourselves. We finished eating and MAN O MAN WE WERE STUFFED!

Cole Evans: I didn't even need to morph to scare Kyle.

Webstor: He wasn't worth it. Not yet, anyway.

Nico: Nope.

Me: Not yet anyway.

Chiro: If I'm going on Applejack's next mission, the rest of the Monkey Team should come with me.

Rumble: Good idea. That way, it'll be an awesome baseball team!

Me: Yeah it sure will be awesome.

Nico: Yep.

Eli: It'll be awesome for Andy and Rodney to meet Chiro and team.

King Hiss: And maybe, you can meet Rodney and Andy's other friends.

Nico: Good idea.

Eli: That will be awesome.

Cut Man: Maybe your apples can help Andy sell some lemonade.

Applejack: Well that ain't a bad idea.

Me: I think so too.

Laney: Yeah. Apple Lemonade is great.

Ebon: (chuckles) Apple lemonade. That's clever!

Nico: Yeah it sure is.

Laney: I would like that.

Me: As long as some dummy idiot doesn't spike it with Vodka.

We laughed.

Me: I'm serious.

Dreadbane: Prepare yourselves. Red Guy's getting jealous.

We saw that he had a ketchup cannon ready to fire!

Me: Uh oh!

Lily formed a wall and we hid behind it as he fired!

SQUIIIIIRRRRTTTT!

SPLAT!

Eccentro: Shouldn't have done that!

Nico: At least it hit the wall.

Me: Red Guy you are YELLOW!

I fired mustard at him and drenched him!

Me: Take that red boy!

Red Guy: Like you are one to talk you pig!

Me: Pig!?

Timon: Uh oh!

Me: Are you talking to me?

Timon: He called him a pig!

Me: Are you talking to me!?

Timon: Shouldn't have done that!

Me: ARE YOU TALKING TO ME!?

Timon: NOW He's in for it!

Me: THEY CALL ME MR. PIG! COMEDY STYLE NINJA ART: BLUE PAINT STINK BOMBS!

I fired blue paint bombs and they hit the Red Guy all over and farted all over the place.

Nico: Now he is feeling a little blue! (Laughs)

Luan: (LAUGHS) Good one Nico!

We laughed!

Then the Springfield Mafia, Rich Texan, Cantwell, P'Andor, Man Ray, Kitty, Tar Pit, Avalanche, Moonstone and Kyd Wykkyd appeared.

Nico: The Springfield Mafia, Rich Texan, Cantwell, P'Andor, Man Ray, Kitty, Tar Pit, Avalanche, Moonstone and Kyd Wykkyd.

Fat Tony: We bought some meat from Cow and Chicken's meat stand.

Maria: Did you guys like it?

Cantwell: We LOVED it!

Rich Texan: Not that ketchups is bad or anything.

Nico: That's good.

P'andor: (to Nico) (Russian Accent) We heard you faced the Wolfman.

Nico: We sure did.

Man Ray: How did you defeat him this time?

Me: We went Nocturnal and tore him apart.

Nico: Yep.

Shrieker then appeared for another round.

Shrieker: I got some meat from the stand as well.

Me: Awesome and cool.

We got the usual battles underway.

The Springfield Mafia was first.

Legs: (to Sora) Nico did a good job in his rescue against the Wolfman.

Louie: Especially since he brought Nanette.

Sora Takenouchi: I agree there! It was so awesome taking on a werewolf like that too.

Phoenixmon: It was to prepare for a future mission.

Sunset Shimmer: Yeah this is gonna be so awesome to face the Wolfman in the future.

Pipsqueak: (British Accent) I agree there. It'll be so awesome.

They fired waves of fire and smashed them down.

---

---

Ms. Cantwell was next.

Cantwell: (to Lisa) I heard Lincoln's rescue involved the Springfield Soccer Riots. How was it?

Lisa Simpson: It was amazing. But those times back then were terrible.

Pinkie Pie: The Springfield Soccer Riots were all started by the stupidity of the people of Springfield.

Featherweight: Yeah it sure was.

Sprocket: Boy the people of Springfield sure liked to cause a lot of trouble. But then again, they weren't called the meanest town in America for nothing.

Cantwell: That is for sure. Lets do it!

They fired waves of metal, gears and lightning and smashed her down.

They fired waves of earth, rock, crystal, apples and leaves and smashed him down.

---

## Tahu, Princess Celestia, Amber Morning, Light Skylanders, Needle Man and Heat Man VS P'Andor - Meeting an Old Entity Cthugha Gene-Slammer

---

P'andor was next.

P'andor: (to Tahu) I heard you guys met an Old Entity Cthugha Gene-Slammer. What's her name?

Tahu: Her name is Varya Pozhar and she is a master of fire and has been given the Moniker of Embodiment of Cthugua.

Princess Celestia: But we also have found out that Lynn was in really huge trouble years ago.

Amber Morning: Yeah it was awful!

---

Varya Pozhar: (Russian Accent) That's incredible.

Nico: It sure is. So, Varya, how did you face the worst of Lynn's wrath, and it ended with Lynn getting the worst ever punishment, which was getting sent to an insane asylum for three years?

Varya Pozhar: (Russian Accent) You're not going to like it one bit. Three years ago, I was out walking throughout Royal Woods, and as I was passing through Franklin Avenue, I heard the sound of screaming coming from The Loud House. I busted the door down, and what I saw was too shocking for words, Lincoln was stabbed in the stomach by Lynn, who had a bloody knife in her hand, and Lincoln was loosing blood fast as I saw the pool of blood forming, and Lynn was going to finish him off. I got so angry at that bitch, I threw a powerful fireball at her, and it hit her and burned her badly, and then, I pummeled her badly and tied her up. We got Lincoln to the hospital, and I donated my blood to save Lincoln's life, but what I didn't know was that he'd also get fire powers. Back at the Loud House, Mr. Lynn and Ms. Rita were so enraged at what Lynn did, and they decided on a severe punishment intended for her: she was sent to the Lansing Maximum Security Insane Asylum in Lansing, Michigan for three years.

We gasped at the revelation.

Nico: (Stunned) Holy crap.

Me: (Stunned) Damn, I can't believe what Dark Lynn forced Lynn to do, that was so awful.

Lincoln: It was, guys, and Varya's right, I also did get fire powers when she donated her blood to save my life, watch.

Lincoln formed a powerful ball of fire in his large left hand, which then turned into a powerful ball of rainbow fire, because of the constant evolution of his powers, and we saw rainbow fire surrounded his massive deep sapphire blue angel wings with stars in the massive deep sapphire blue feathers with stars in them, and we were stunned with awe.

Nico: Whoa, now that's so awesome.

Me: You said it, Nico, whoa. But, I got to ask, why didn't you mention this before, Lincoln?

Lincoln: Looks like I forgot about that.

Lola: But, that's so awesome that you had fire powers the whole time, Linky, and now, you have all the powers of the elemental forces.

Lincoln: Yeah, you're right, sorry I didn't tell any of you guys about that.

Lori: That wasn't your fault, Linky, at that time, we were still reeling in shock and horror at what Lynn did to you, I knew Lynn would one day crack like an egg, but this was way too extreme, and even our little sisters saw it as well. But, it was thanks to Varya, that she saved your life.

Luna: Yeah, dude, and we were so glad that you were still alive.

Lincoln gave his sisters, parents, and Varya Pozhar a hug. Then, he went to Lynn, and she ran up to him and hugged his waist and really cried into his bare chest. Lincoln then wrapped his abnormally massive and powerful muscular arms around Lynn and hugged her, while she cried, and that really hurt our hearts. Lynn stopped crying, but she didn't stop hugging and holding onto Lincoln, and he didn't stop hugging and holding onto Lynn.

Lincoln: (Soothing Voice) (Rubs her back) Lynn, it's okay. What happened that day wasn't your fault.

Lynn: But, it is. Dark Lynn did this, now, it's personal, and since you permanently severed our Dark Sides, if I ever see her again, she's looking at a one way trip to Hell for this.

TLPS Mr. Wolf: Lynn's right, Lincoln. That animal's lived for far too long.

Lincoln: Although I agree that Dark Lynn deserves to get a one-way trip to Hell, we'll decide what to do to her later on, when she shows her face.

FLASHBACK ENDS

P'Andor: MY GOD! That is intense!

Spotlight: Yeah no kidding! That is awful that happened to Lincoln.

P'Andor: No kidding but at least he's all right. And he got Fire Powers to boot from it. How wild. Lets do it!

They fired waves of fire and light and smashed him down!

Kitty: (to Lewa) Cow and Chicken gave the Red Guy a lot of competition. I don't even know if that's a bad thing.

Lewa: Well quite frankly I don't blame Cow and Chicken one bit for wanting to give the Red Guy a lot of competition. I mean they were fed up with eating Ketchup Food every day.

Rainbow Dash: Yeah I know being in a competition is Awesome but I would be fed up with eating the same thing over and over again myself that I would want to do the same thing too.

Scootaloo: Boy me too.

Whirlwind: I feel the same way myself.

Kitty: You all do raise really good points. Lets do it!

Kopaka: I agree there myself. It's really awesome that both sides can cook really awesome food.

Twilight Sparkle: (Eats a Ketchup stuffed chicken sandwich) Mmm! It sure is delicious.

Princess Luna: Boy you should see it.

Moondust: It's a huge marathon of all the cartoons Slappy did from her days in Looney Tunes.

Snowdrop: It's so awesome.

Gari: And she is so funny that even her fellow Looney Tunes laugh their heads off.

Blackout: Yeah but those two blockheads Lean Hisskill and Codger Eggbert hate her guts. It may be a free country and everyone is entitled to their own opinion but bad critics like them get no say.

# Fiona Hernandez the Uria, Lord of Searing Flames Gene-Slammer, Himiko Toga, Apple Bloom, Sweetie Belle, Scootaloo, Diamond Tiara, Silver Spoon, RD Lola and Misty Tredwell VS Kimberly Ann Hart the Pink Ranger Slayer

---

Pink Ranger Slayer was next.

Pink Ranger Slayer: Out of all the stupidest things that happened in Springfield, Oregon what would you say is the stupidest thing that happened there?

Fiona Hernandez: Theres been a ton of things that happened there but I would have to say that the stupidest things done there was building the Escalator to Nowhere, the Popsicle Stick Skyscraper, the 50 Foot Magnifying Glass and that Monorail System. (Season 4 Episode 12)

Himiko Toga: Boy those were a bunch of eye-sores and they were really crazy.

Apple Bloom: Those are amazing though. A Popsicle Stick Skyscraper must've taken a long time to make.

Pink Ranger Slayer: I wonder how long it took to make a skyscraper entirely out of popsicle sticks let alone how many bags of them.

Sweetie Belle: Boy I have nno idea but that must've taken a REALLY HUGE Long time.

Scootaloo: No kidding! That would be one of the most incredibly long projects of all.

Diamond Tiara: Yeah no kidding there! That project must've been a really long one.

Silver Spoon: That was so amazing that whoever built it built that.

Misty Tredwell: No kidding there. The owner of the Monorail system was beaten up wasn't he?

Fiona Hernandez: Yes he was. He was beaten to death by an angry mob of people from North Haverbrook. Serves him right for conning Springfield. Not that it helps.

Pink Ranger Slayer: Boy no kidding but yeah. Lets do it!

They fired waves of fire and magic and smashed her down.

---

Marie Hernandez the Gene-Slammer of Hamon, Lord of Striking Thunder, Ibara Shiozaki, Frozen Fright, Thunder Terror, Magma Gloom, Toxic Horror, Louie PoisonSea, RD Lincoln and Elena VS Weddinmon

---

Weddinmon was next.

Weddinmon: What was the reason why that monorail system was built?

Marie Hernandez: Isn't it obvious? Mr. Burns. He was caught dumping toxic waste in the park and fined $3,000,000.00 and that money was used to build the Monorail.

Ibara Shiozaki: What a heartless beast. Mr. Burns is a really bad monster.

Frozen Fright: I think that's putting it mildly for that one.

Thunder Terror: Yeah no kidding. I HATE MR. BURNS!

Magma Gloom: Him being in prison and another being dead and destroyed and in oblivion is perfect.

Toxic Horror: But the funny part of that trial was where they brought him in tied up in a straitjacket and wearing a mask like Hannibal Lecter.

Louie PoisonSea: That was really awesome too.

They laughed at that one.

Weddinmon: (Laughs) That was awesome. Lets do it!

They fired waves of lightning and elements and smashed her down.

A figure came out of the shadows, and it was none other than Crow, the maniac mad scientist who used to work for the Post War Administration Bureau.

Millia Rage: (Russian Accent) You just don't even know when to quit, do you?

Crow (Guilty Gear XX): Never, and to think, I'll finally have the pleasure of destroying all of Team Loud Phoenix Storm forever.

Naia the Water Faerie: That's never going to happen.

Suddenly, Naia the Water Faerie's aqua blue eyes turned neon aqua blue, and she was surrounded by an aqua blue energy aura with water, ocean waves, and Water faeries, she got out her massive Neopia's Magic Staff of Magical Justice, and as she approached Crow, she left aqua blue energy, water, ocean waves, and Water faeries with every step.

Naia the Water Faerie: Crow, I will never forgive you for the chaos and suffering that you'd caused to so many innocent people, and now, I will make you pay for everything that you've done.

Suddenly, Naia the Water Faerie was surrounded by a massive vortex of aqua blue energy with water and ocean waves surrounding it, there's a Water faerie flying around the vortex, and in the vortex is a light blue phoenix. Then, as the vortex faded, Marina the Water Faerie emerged, but she was changed forever.

Naia the Water Faerie grew to 6'5" in height, she had the body of a goddess and she has aqua blue highlights in the bangs of her long flowing blonde hair with rainbow streaks in her hair, she has neon aqua blue eyes and a aqua blue energy aura with water, ocean waves, and Water faeries surrounding her, she has a Water faerie with the Water Kanji in its hands emblazoned on her forehead, along with the water drop on her forehead, and the water drops around her eyes are glowing, she has on faerie earrings with aqua blue gems for eyes and holding the Water Kanji in its hands, she has a Water faerie with aqua blue gems for the eyes and the Water Kanji in its hands for the second pendant, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with aqua blue crystal links from her merged Crystal Necklace of the Buddha and aqua blue gems on the gold lightning bolt links. There's a rainbow kanji below the Water faerie that said, "Naia the Water Faerie, Guardian of the Rainbow Fountain of Faerieland, Vanquisher of The Darkest Faerie, Dear Friend of Neopia's Many Heroes, Loving Future Wife of Lincoln Loud, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Water, Rainbow Fountains, and Water Faeries."

Naia the Water Faerie has transformed into SUPER ANGEL INFINITY TRUE LOVE RAINBOW WATER FAERIE OF NEOPIA JUSTICE AND MAGICAL LOVE!

We were amazed by Naia the Water Faerie's Super Angel Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Crow saw it, he got out a gun and tried to shoot her, but Naia the Water Faerie fired a powerful aqua blue energy blast with water, rainbow water, and water faeries, and they hit the mad scientist and got him drenched.

Nico: Whoa, Naia the Water Faerie's transformed, oh this is going to be one awesome fight.

Me: You said it, Nico.

Lincoln: Wow, Naia, you look beautiful. How do you feel?

Naia the Water Faerie: (Divine Echoing Cosmic Voice of The Water Faerie and Divine Love) **I feel incredible, Linky. Now, shall we administer this mad scientist his punishment?**

Lincoln: (Smiles) With pleasure, Naia.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope and he joined Naia the Water Faerie.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Let's make this monster pay for everything he's done.**

Lincoln and Naia the Water Faerie went after Crow, and they fired powerful blasts of rainbow energy, aqua blue energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Water Faeries at Smite Ao Kuang, and they exploded with incredible power as they hit the mad scientist. Then, Lincoln attacked him with his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and left painful scars on him and Naia the Water Faerie fired powerful aqua blue energy blasts from her staff, and it hit him.

Lincoln: **Let's end this monster once and for all, Naia.**

Naia the Water Faerie: **Let's do it, Lincoln.**

Naia the Water Faerie and Lincoln: **SHOWERSTORM OF NEPTUNE'S JUSTICE!**

Naia the Water Faerie and Lincoln fired powerful blasts of water, which transformed into a massive shower of swords made of pure water, and as they rained down, they pierced Crow all over his body, and then, the last water sword came down and beheaded Crow. Then, as his spirit appeared, Lincoln fired a blast of black energy of The Black Gates at Crow, and the blast obliterated and erased the mad scientist's spirit forever. We cheered wildly for what Naia the Water Faerie and Lincoln did as they holster their weapons on their backs and power down, and Naia the Water Faerie's new body, clothes, weapons, jewelry, and massive fairy wings are permanent.

Naia the Water Faerie: That's it for that mad scientist. Thank you for helping me take care of Crow once and for all, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Naia.

Suddenly, Naia the Water Faerie wrapped her arms around Lincoln's waist, and it brought an atomic blush to Lincoln's face, as he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into an embrace, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Naia the Water Faerie's face, they kissed passionately as Naia the Water Faerie wraps her left arm around Lincoln's wider and muscular back, and she placed her left hand on Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Water Faerie flying in the air, and we also saw a herd of Buffalo running across the field, along with water fountains spraying water into the air and forming a beautiful rainbow in the sky, and the display of the elemental forces behind them, and we cheered for them.

Nico: Whoa.

Me: That's so awesome.

Queen Fyora: Indeed it is, J.D.

Lori: J.D. told us that Naia runs the Rainbow Fountain in Faerieland, and that display literally is so beautiful.

Dizzy (Guilty Gear): And now, I'm finally free of that monster, Crow.

Lincoln: That's right, Dizzy, and I'll contact Ky Kiske later on, and tell him that you're safe and that we got rid of Crow once and for all.

Nico: Good idea, big guy. Try to capture the woman that he loves for his crazy experiments, will he? Now, I'm really glad you took care of him by giving him The Black Gates, Lincoln.

Me: You said it, Nico, and Ky will be happy to know the news that the mad scientist who's tried to capture the woman that he loves is finally dead.

Lincoln: And he's never coming back… ever!

Chicken: (To the viewers) This was a great and awesome battle for yous and I hope you all loved it as much as we have!

Nico: It was great! Great job everyone. First lets get the cafeteria cleaned up and then head back to class.

We snapped our fingers and cleaned up the place and went to class. Later we went back home and enjoyed the rest of the day and went to sleep.

THE END

Part 1 of the Cow and Chicken Saga done.

Happy Meat from Cow and Chicken is one of my all time favorites and it was really awesome. And it was really awesome how Cow and Chicken made a lot of competition with the Red Guy over ketchup food. The episode aired on August 19th, 1997 and it was great! The first part was for the 2010 movie The Wolfman and that was a great movie back then. It was to help us get ready for a future mission. The second part was for the Simpsons Episode with the Springfield Riots called The Cartridge Family and they was a cool one where Homer got a gun. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, EtstheClarenceandTLHfan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Nico's next rescue is gonna be a really awesome and cool one as Nico, Lewa, Carol Pusateri, May, Maria, Varie, me, Eli, Kaina Tsutsumi, Camie, Himiko, Ibara, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Lana, Lola, Lisa and Lily head into the Ben 10 episode where we face Camille's evil parents and we're going to make sure the wedding continues whether they like it or not. And we're going to meet an Orthopterran Gene-Slammer named Rachel Stavenport. Rachel Stavenport is Nico's friend from Gym Class and yes she is a human size fairy and has amazing plant powers too. She has awesome powers to talk to animals and bugs and has the awesome power to see peoples auras and she has been given the nickname Moonwalker as a result. She has the kanji for Cricket emblazoned on her forehead too. She also hates bullies with a massive vengeance. Also we're going to find an awesome archenemy for young Lucy Mann too. Lincoln's next rescue is gonna be in the movie An American Tail III: The Treasure of Manhattan Island and we're going to throw Mr. Grasping and his cohorts in prison for their crimes and discrimination against Indians. Also Lincoln, Matau and the group are going to meet a gene-slammer for An Owl of Luck and her name is Neferteri Salah and she is Lincoln's Guardian Angel from Egypt. She is also an angel of the night and has powers over the energy of the stars. But also she has an immensely intense burning hatred towards Lori for something horrible she did that nearly sent Lori to prison. Also after the exercise scene Scoots is gonna return for revenge on the entirety of Gotham Royal York and she is going to REALLY cause A LOT OF CHAOS AND DESTRUCTION and also Varya Pozhar is going to transform in that scene. The next chapter is gonna be a funny one and we're going to face The Red Guy after he kidnaps Cow when he puts the pieces of the puzzle together and figures out who Supercow is.

See you all tomorrow.

# Cow and Chicken 2: Who Supercow Is

This chapter is based on the Cow & Chicken episode called Who is Supercow?

In the early morning hours at 2:53 AM, Lincoln had a dream, and he saw four figures who was hiding out and living in the streets of Lepel, South Asia. But, they were no ordinary four figures, their were Botanica & Jessica Jumpstart, twin daughters of Lincoln's future wife, Sweet Grapes. Tech-Gear, the daughter of Lincoln's future wife, Sari Sumdac. Dagger Blade, a dedicated, respective, strict and discipline korean ninja warrior. Spider-Strike, an Four-Armed Monkey wearing a iron spider suit-like. And Beary Fagerbear, the mighty bear warrior. Lincoln woke up from the dream, but he wasn't the only one, Sweet Grapes, Sweet Tarts, Phyllis the Florauna, Frostbyte, Princess Frozen, Sari Sumdac, Lori Loud, Nico, and I also had the same dream.

Lincoln: Sweet Grapes, Sweet Tarts, Phyllis, Frostbyte, Frozen, Sari, Lori, J.D., Nico, did you guys have that same dream as me?

Lori: We sure did, bro.

Sari Sumdac: And it also means that we found out where our daughters is at.

Frostbyte: Along with a korean ninja warrior.

Princess Frozen: A cute Four-Armed monkey wearing a spider suit.

Phyllis The Florauna: And a mutated giant bear-like creature.

Sweet Tarts: But the question is, Where?

Me: they're at Lepel, South Asia.

Nico: Oh man, that's not good. Out on the streets in Lepel, South, is not a safe place for them.

Lincoln: That's right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Lori: You got that right, bro.

Lincoln, Lori Loud, Ester, Me, and Nico were heading to Cairo, Egypt. Then, Lincoln saw a sweet and extremely smart 11 year old techno-organic girl who has dark-skinned, red bobbed hair with straight blunt bangs, red glasses and an lavender headband. She also wears a long-sleeved dress in orange with a yellow stripe that goes up to her neck and stops above the knees, orange leggings with red strap-on mary janes. The backpack she wears also has mechanical wings attached either side and golden arm bracelets. A 13-years-old Mexican Girl who has long forest green hair, green eyes, mint-like skin. she wears a long sleeve green crop top shirt, with a long green dress with sleeveless straps on shoulders underneath, a long green skirt, and a pair of green ballet shoes. a tall, very pretty and slender 13 year old grasshopper-like girl who has green skin, a large segmented horn on top of her head, and two smaller horns on the sides of her head, large green eyes with light-green scleras, and small rounded eyebrows. She has straight, waist-length, black hair tied back in pigtails with short bangs. she has grasshopper wings on her back. she wears a very light green blazer with rolled-up sleeves; the inside of the blazer is lined in white with light yellow polka dots, and it has black trimming. Underneath, she wears a white t-shirt with black stitching and a grasshopper design below the collar. The design itself has an Orthopterran on it, a green long skirt with a silver belt, She wears light green rolled-up jeans and green ballet flats with silver soles. A 15-years-old Korean boy who is wearing a black ninja-suit with white and gold armors, gauntlets, knee pads and dragon-like helmet, and he's wielded a samurai sword. A 12-years-old Four-Armed Monkey worn metallic spider-like helmet with sharp razor-like mandible and golden-like bug eyes, the black suit with silver armor-like and four metallic spider legs-like. And a 14-years-old mutated giant bear-like creature wearing a heavy armored black suit with mini-gun, shotgun, missile launcher, twin blasters and some grenades. Lincoln saw who they was, it was Botanica, Jessica Jumpstart, Tech-Gear, Dagger Blade, Spider-Strike and Beary Fagerbear.

Lincoln: Excuse me, are you Dagger Blade?

Dagger Blade: Yes, And who are you?

Lincoln: I'm Lincoln Loud of Team Loud Phoenix Storm, and this is my older sister, Lori Loud, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And for Jessica, Botanica, and Tech-Gear there's also someone you know all too well.

Then, Sweet Grapes and Sari Sumdac came out, and when Botanica, Jessica Jumpstart, and Tech-Gear saw them, they were stunned.

Tech-Gear: Mother unit, is that you?

Sari Sumdac: Yes, sweetie, it's me.

Botanica, Jessica Jumpstart, and Tech-Gear ran up to Sweet Grapes and Sari Sumdac, and they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, Lori, Sweet Tarts, Phyllis the Florauna, Frostbyte and Princess Frozen.

Lincoln: And there's something you should know, Sweet Grapes and Sari Sumdac, your mothers are one of my many future wives.

Botanica, Jessica Jumpstart and Tech-Gear: That means… you're our father.

Lincoln smiled, and that filled Botanica, Jessica Jumpstart, and Tech-Gear with joy, as he picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Botanica, Jessica Jumpstart, and

Tech-Gear to the rest of his siblings, who are now their aunts. We were proud of what Lincoln did in reuniting Sweet Grapes and Sari Sumdac with their kids, and they now has a loving, strong, brave, and caring father in their life. As well as Frostbyte starts a strong relationship with Dagger Blade, Princess Frozen starts a cute relationship with Spider-Strike, And Botanica starts a close relationship with Beary Fagerbear.

Later it was time for Nico's rescue. Walking through a very beautiful and prestigious clubhouse grounds was Nico, Lewa, Carol Pusateri, May, Maria, Varie, me, Eli, Kaina Tsutsumi, Camie, Himiko, Ibara, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Lana, Lola, Lisa and Lily and we were on another awesome and amazing rescue.

Me: Wow this clubhouse is amazing.

Ochaco: It sure is awesome.

Sirius: I'm looking forward to seeing how this one will go next.

Lewa: Boy me too.

Nico: Thanks for coming with me, Lewa.

Lewa: Anytime Nico. This is gonna be really cool going on a great rescue with you.

Eli: Yep. First Matau and now Lewa for you.

Lana: That is awesome.

Nico: Lewa, are you left out that all the other Toa have Ambassador Missions except you?

Lewa: Yeah as a matter of fact I do feel left out on that. But I am happy that I go on the Ambassador missions with my fellow Toa sometimes.

Eli: That's good.

Lana: It's always awesome though.

Nico: I really am sorry about that. But I promise that next year, if we aren't retired by then, I'll find an Ambassador mission for you.

Me: Yeah we sure will.

Lewa: Thanks guys.

Eli: We won't be retiring anytime soon. Not as long as there is always evil threatening the universe.

Lola: That's for sure.

Nico: We don't know that for sure. But in any case, I'll make sure it's a world that involves flying.

Eli: That would be cool.

Me: But we're not retiring Nico.

Lana: Yeah!

We got to walking around and then we saw purple globs of slime on the ground.

Me: What the?

I wiped some of it.

Me: Purple slime globs?

Nico: Anyone else getting a strange case of deja vu?

Me: I am. I think I know what's going on.

But then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOM

There was an explosion!

Nico: Whoa!

We then saw Heatblast there!

Me: Whoa! Looks like we wound up in the middle of the battle in Joel and Camille's wedding against her so-called parents.

Sirius: Those fiends have caused enough problems long enough.

Eli: Especially after what happened with the Human-Lenopan Feud!

Nico: Then lets power up and get them!

Me, Nico and Eli went Super Angel.

We then saw the Mann's in their true forms!

I fired a blast of fire and it hit them and burned them into hard rock!

But then, we saw another Lewa.

Nico: Lewa?!

Lewa 2: Guys, thank Mata Nui I found you! You brought the wrong Lewa with you. He's an impostor! You know how many shapeshifting monsters there are in the Multiverse.

Sirius: Which one's the real Lewa?!

Nico: Well, the real Lewa IS capable of using the Mask of Levitation.

Lewa 2: What? Oh crud!

Me: Bingo!

I fired a blast of fire and blasted the fake and it was A LENOPAN!

Eli: Busted!

But then we heard a phoenix cry!

Nico: Huh? We're not doing the entrance are we?

Lewa: No it's coming form there!

We saw an Orthopterra!

Lincoln: Whoa!

Orthopterra: (In a girls voice) Looks like these birds are all fired up!

Nico: Rachel Stavenport!? WHOA!

She jumped into the air and jumped onto a Lenopon and squished it.

Then she jumped high into the air and reverted back and she had green hair and green clothes and amazingly beautiful yellow butterfly wings and had the kanji for Cricket emblazoned in the middle of her forehead!

Rachel Stavenport: Awesome to see you again Nico.

Nico: You too Rach.

Me: Wow! You are a fairy too?

Rachel Stavenport: Yep. I'm a human sized fairy.

Eli: That is cool!

Rachel Stavenport: Yep. We can catch up later. Lets take these bad parents down!

Me: With pleasure!

We went and faced Camille's parents.

Nico: Hey you clods! Didn't your mom and dad ever tell you it's not nice to pick on kids?

Nico fired a blast of fire and burned Mr. Mann all over.

Nico: Ben, you might find this crazy. But tap your Omnitrix symbol. With that, you can switch between aliens!

Heatblast: Okay.

He tapped it and turned into Upgrade!

Upgrade: Cool!

Nico pulled out his Electromagnetic Railgun.

Nico: Merge with my railgun.

Upgrade: You got it!

Upgrade did so and made it more awesome than ever.

Nico: Awesome!

Eli: Yeah!

Upgrade: Which one should we shoot first?

Nico: How about both at the same time?

Me: This will be good!

Rachel Stavenport: Allow me to help too.

Rachel then summoned a thunderstorm with awesome Weather Control powers!

Nico: FIRE!

Ben and Nico fired a massive blast of lightning.

THUNDERCLAP!

Rachel had the storm fire a massive lightning strike and the blasts all hit Camille's parents both at the same time and disintegrated them into ashes in an instant!

Me: Take that!

Nico: YEAH!

Upgrade got off the blaster and then Ben reverted back by pressing the Omnitrix symbol.

Nico: Awesome!

Young Gwen: That was so amazing!

Young Lucy Mann: It sure was! That was awesome!

Eli: Yeah it was!

Sirius: So awesome!

We went and found Camille and Joel.

Me: Well Camille your so-called family has been taken care of.

Camille Tennyson: Good riddance.

Nico: Sorry your wedding got trashed like this.

Joel Tennyson: It's all right guys but thank you.

Nico: You're welcome.

Rachel Stavenport: But this was awesome taking Camille's parents down.

Nico: Yep. Lenopans are not to be taken lightly though. They were known for their nasty dispositions after and during the Human-Lenopan Feud.

Rachel Stavenport: Wow.

Nico: But how did you control the weather like that Rach?

Rachel Stavenport: My powers have been evolving a lot since we last saw each other Nico. I have the power to control the elemental forces of nature and even the weather.

Me: Wow! That is amazing!

Young Lucy Mann: It sure is!

Me: Yeah.

Lewa: What's your favorite memory of Nico?

Rachel Stavenport: I have a ton of favorite memories. But my favorite has to be in gym class. We were climbing ropes and I saw 4 thug brothers roughing up a kindergarten student. They were in 5th grade and me and Nico went over and kicked the living dirt out of them and we got them all expelled and sent to juvie.

Nico: Yep.

Me: Wow! Good riddance to those brutes.

Nico: Yep. After they got sent to juvie their parents disowned them and they became the states problem now. But rumors flew around that fellow inmates at that Juvenile hall killed them.

Eli: Whoa! That is awful!

Nico: Yeah but it was long before I joined the team.

Me: Oh well that's a relief. As long as it doesn't involve us killing them.

Sirius: Because it goes against our code.

Tsuyu: That is for sure.

Nico and Rachel hugged.

Nico: I really missed you.

Rachel Stavenport: Me too Nico. Me too.

Young Lucy Mann: It's amazing that you all have come so far.

Me: Well with great power comes great responsibility.

Lana: That's right.

Lincoln: It's true.

Nico: That's right, big guy.

Me: This is going to be good, and since Lincoln and his family also have Iroquois blood in them, they are really going to make those criminals pay.

TLPS Mr. Wolf: That's right, Lori got her wind powers from Ga-Oh and Lincoln and Linka got their lightning powers from Hinon. But, it's awesome that you guys are also descendants of not only The Loud Clan of Loch Loud in 17th Century Scotland, but you're also descendants of the Iroquois tribe and descendants of witches.

Lincoln: That's right, TLPS Mr. Wolf, committing crimes of discrimination against Indians, that's what I call a hate crime, and they're looking at spending a very long time in jail, and thanks for joining us, Matau.

Matau: You're welcome, Lincoln, this is going to be a good one.

?: HELP!

Suddenly, Lincoln heard the sound of five girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third

Eye of The Buddha, and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the five girls, along with Fievel and his family, but they've been cornered by Mr. Grasping and his cohorts, and they're going to kill them.

Lincoln: Guys, I found the five girls, along with Fievel and his family, but they've been cornered by Mr. Grasping and his cohorts, and they're going to kill them.

?: (Egyptian Accent) Those heartless racist criminals, let's get them!

Suddenly, we saw an Owl of Luck Duel Monster appear before us.

Me: Whoa, that's the Owl of Luck Duel Monster.

Lincoln: And I'd recognize that Egyptian accent from anywhere, I knew it was you, Neferteri Salah, but we'll have to talk later, we've got a group of criminals to throw in prison.

We rushed on over, and Lincoln fired powerful rainbow energy balls at Mr. Grasping and his cohorts, and that allowed the five girls, along with Fievel and his family to get to safety. When Mr. Grasping and his cohorts saw us, they were enraged.

Lincoln: You criminals are looking at some serious hard time in prison for your crimes, not to mention the discrimination you all displayed against Indians, where we're from, we call that a hate crime, and that has some very serious consequences.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Infinity forms and they unholstered their massive swords, Lincoln's sisters transformed into their Super Angel Infinity forms and unholster their massive swords from their backs, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Matau, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Hector got out his massive Heaven's Maw of Judgement sasumata pike, and Me, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went at Mr. Grasping and his cohorts, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, stars, rainbow flames, and rainbow crystals, and they exploded with incredible power as they hit them.

Then, Lincoln fired powerful rainbow flames at the shackles and freed the slaves, and they ran out of the sweatshop, and then, he tied up Mr. Grasping and his cohorts in rainbow energy straitjackets and rainbow energy chains, so they couldn't escape, and beamed them to jail. We cheered wildly as we holster our weapons and power down.

Lincoln: That's it for those lowlife criminals. (To Neferteri Salah) and it's so good to see you again, Neferteri Salah.

Neferteri Salah reverted back to normal, and she's a beautiful 17-year-old girl with long flowing black hair, yellow eyes with a tinge of pink, she's tall at 6'5" in height, she had the body of a goddess, she has the Owl Kanji tattooed on her forehead, she has massive white angel wings, thanks to reigning in the power of Owl of Luck, and she's dressed in a sleeveless buttoned up brown vest, sleeveless purple sweaterneck top with horizontal stripes, purple skirt, black pants, blue sneakers, and long purple sleeveless trenchcoat with stars and owls on the coattails, and Owl of Luck on the back.

Neferteri Salah: (Egyptian Accent) You too, Lincoln, it's been a long time.

Lincoln went up to Neferteri Salah and they hugged, and Neferteri Salah was also very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become.

Lincoln: It sure has been a long time, I haven't seen you two when you were sixteen, and as you can see, I really grew a lot since then.

Neferteri Salah: (Egyptian Accent) Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Neferteri Salah, she's my Guardian Angel from Egypt, and knows all about Egypt's 5,000-year-old history, and she's an angel of the night and has powers over the energy of the stars.

Eli: That's truly incredible.

Lincoln: But, there's something else you guys should know: she has an immensely intense burning hatred towards Lori for something horrible she did that nearly sent Lori to prison.

We gasped in shock.

Me: Whoa.

Nico: Looks like we're going to find out about that later on.

Lincoln: Trust me, you're not going to like it. Oh, Neferteri, I got you a little something.

Lincoln gave Neferteri Salah a large Owl of Luck-themed sword with Owl of Luck etched on the 6'10" massive, wide, double-edged purple blade with stars on it, large owl wings for the crossguard, large purple gem embedded in the rainguard, longer black handle, and large purple gem with owl wings surrounding it for the pommel.

Neferteri Salah: (Egyptian Accent) Wow, I love the new sword you made for me, Lincoln.

Suddenly, a Thunderbird Necklace of Eternal Love appeared around Neferteri Salah's neck with purple gems on the gold lightning bolts links and purple crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Neferteri Salah: (Egyptian Accent) (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're now part of my harem and one of my many future wives, Neferteri.

Neferteri Salah had a smile on her face and tears coming from her eyes, as she wrapped their arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around her waist, and he leaned down and kissed Neferteri Salah on the lips, and she returned it, and we cheered for them. Then, we went up to the five girls, and when Lincoln saw them, he immediately recognized them. The five girls are Ichinose Yayoi, Kurata Ami, Niigaki Aoi, Saijou Hinako, and Takamiya Saki from Long Riders.

Lincoln: Oh wow, it's Ichinose Yayoi, Kurata Ami, Niigaki Aoi, Saijou Hinako, and Takamiya Saki.

Nico: From Long Riders, awesome.

Lincoln: Are you girls okay?

Ichinose Yayoi: Yes, we're okay, thanks to you.

Then, when Ichinose Yayoi and the four girls saw who it was that saved them from Mr. Grasping and his cohorts, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Hinon's Cosmic Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large orange Spellbook of The Gods and The Universe, large orange Spellbook of the Elemental Gods, and large electric blue Spellbook of the Thunderbird holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive and indestructible deep sapphire blue angel wings with stars and blue nebulae reflecting on them with rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, and Buffalo on them and with hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large gold buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanjis "Savior of The Loud House, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, Founder of Team Loud Phoenix Storm, The Unifier of The Three Kingdoms, and Destroyer of The House of Damaskinos" on the left leg, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large deep sapphire blue gem in the shape of a Thunderbird on top of a silver Buffalo head with the Thunderbird and Eternity Kanji on his neck and across his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, a large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had eight large orange orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Ichinose Yayoi: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made four clones of himself, and he and the four clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Ichinose Yayoi: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Thunderbird Necklaces of Eternal Love appeared on the necks of Ichinose Yayoi, Kurata Ami, Niigaki Aoi, Saijou Hinako, and Takamiya Saki with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We returned to the TLPS World Tree Estate and we told everyone about the rescue, and they were shocked when they found out that the villains we went after were Mr. Grasping and his cohorts.

But, when Lincoln showed what we did to them, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Neferteri Salah have a lot of catching up to do, now that she's back in town, and as for Mr. Grasping and his cohorts, they were found guilty for their crimes, along with discrimination against Indians, and they were sentenced to spend the rest of their lives in a special mouse-like cell in The Uranus Prison, and they were chained to the walls of their cell with rainbow energy and Neutronium chains.

---

After dealing with Mr. Grasping and his cohorts, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Neferteri Salah saw Lincoln working out like crazy, she had an atomic red blush on her face.

Neferteri Salah: (Egyptian Accent) Whoa, I was right that Lincoln has really grown to be a 17-year-old 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Neferteri, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Neferteri Salah: (Egyptian Accent) That's incredible.

Nico: It sure is. So, Neferteri, can you tell us why you have an immensely intense burning hatred towards Lori for something horrible she did that nearly sent Lori to prison?

Neferteri Salah: (Egyptian Accent) You won't like it, Nico. One day, I was walking throughout Royal Woods, and as I was passing through Franklin Avenue, I heard the sound of screaming coming from The Loud House. I busted the door down, and what I saw was too shocking for words, Lincoln was badly mangled up with broken arms and legs, bruises on his body, two black eyes, and missing baby teeth, and I saw who it was that did the dirty deed: it was Lori. She was majorly pissed off at Lincoln, who told her he wasn't going to be an ottoman for her and those long talons that she called toenails, always digging into his back. Lori went all out ballistic and pummeled Lincoln. But, I also saw that Lincoln had some slash marks on his back, turns out Lori had a knife on her, and she was going to finish the job and kill him. I got so furious at Lori, I pounced on her and I brutally pulverized her badly and I tied her up with nylon rope. We got Lincoln to the hospital, and he had to stay there for more than three weeks. I stayed there with Lincoln, along with the other Loud sisters, while Mr. and Mrs. Loud were with Lori, and they told her that what she did could've ultimately gotten her sent to prison. But, knowing Lincoln's forgiving nature, he doesn't want Lori thrown in jail, so I talked with Mr. and Mrs. Loud, and they agreed to sign Lori up for the Scared Straight Program, and by the time the people in that program were done, Lori was scared badly by what she experienced. Yes, I hated her for what she did to Lincoln, but Lincoln always had a forgiving heart, and I couldn't ignore it.

We gasped in shock.

Nico: Damn, and I thought the beatings that Lincoln got from Lynn were bad.

Lincoln: They were, Nico, but they don't compare to the pummeling that I got from Lori, and the scars on my back healed up after a couple of weeks after I was released.

Lynn: And Luna and I put some medicinal cream that Dad got from the store on Lincoln's back, but we had to be careful, so we don't try to pick at the scars. It was horrible.

Luna: Big time, dude, and I almost got that close to hitting Lori on her head with my guitar.

Lynn: She almost did, but we had to stop her, and when I reminded her of her baby bro and that he needed his Guardian, that got her to cool down and head back to Lincoln to care for him. Besides, the Scared Straight Program that Neferteri, Mom, and Dad signed her up for really scared her bad.

Me: Yikes, and I see how those Scared Straight programs can scare juveniles badly, my Dad was part of one in Colorado, and he'd handled many juveniles who were signed up for that one, and they were bad from the beginning, but Dad had nerves of steel to deal with them.

Nico: When it comes to dealing with hardened juveniles, officers of the laws need them.

We then got a shower afterwards, but then, the alarm sounded, and when Lincoln checked, we were in for a big shock: the one who tripped the alarm was none other than our old enemy, Scoots, Royal Woods' scooter-riding, troublemaking, heckling bad elder, and she's back for revenge on the entirety of Gotham Royal York, and she's really causing a lot of chaos and destruction by plowing through the buildings, destroying property, setting fires to peoples' cars, and all sorts of other criminal acts.

Lincoln: Oh man! It's Scoots, she's back for revenge on the entirety of Gotham Royal York.

We gasped in shock, especially Lincoln's family, friends, and his Guardian Angels, who've had their dealings with that crazy old goat.

Nico: And from the looks of it, she's really causing a lot of chaos and destruction by plowing through the buildings, destroying property, setting fires to peoples' cars, and all sorts of other criminal acts.

Me: What the hell?! Doesn't she know when to quit?!

Lincoln: No, she doesn't, J.D. Come on, guys. I still owe her big time for breaking my arms and legs, and putting me in the hospital long ago.

Varya Pozhar: (Russian Accent) Let's get that bitter old goat.

We flew out of the World Tree Estate, and then, we saw our target: Scoots, and it looks like she's now running people over with her scooter again. Lincoln fired powerful rainbow energy balls at Scoots, and it derailed her rampage, and it allowed everyone to get to safety. When Scoots saw us, she was mad.

Scoots: Well, if it isn't the loser force. You'll pay for throwing me in that asylum, and then, I'm going to continue to take my revenge on all of Gotham Royal York!

Lincoln: Shut it, you bitter old goat. You did all that to yourself because of all the trouble you've been causing for who knows how long. You've been nothing but a rude, mean, and really inconsiderate old goat who doesn't even give a damn about anyone but yourself! Not to mention all the trouble you've caused us in the past!

Me: You deserved to get banned from Mr. Lynn's restaurant after everything you did.

Nico: Not to mention, you also deserved to get kicked out of Sunset

Canyon for all the trouble you've caused there as well.

Eli: Yeah, you mentally insane old goat!

Scoots got so mad, she tried to run Eli over with her scooter, but Varya Pozhar fired a powerful blast of fire from her fire angel wings, and it hit Scoots.

Varya Pozhar: (Russian Accent) That's it, I've had it up to hear with you to last an eternity!

Suddenly, Varya Pozhar's red eyes turned neon red and she was surrounded by a red energy aura with flames, fire angels, and fire vampires, she unholstered her massive Old Entity Cthugua-themed sword from her back, and as she approached Scoots, she left red energy, flames, fire angels, and fire vampires with every step.

Varya Pozhar: (Russian Accent) Scoots, what you've done to Lincoln, his family and friends, and to everyone in Gotham Royal York can never be forgiven, I would've thought we'd never have to deal with you again, but you don't even care. Well, now you've left me no choice but to beat you into the ground, and I won't be surprised if I knocked out your dentures!

Suddenly, Varya Pozhar was surrounded by a massive vortex of red energy with fire angels, flames, and fire vampires surrounding the vortex, there's the Old Entity Cthugua flying around the vortex, and in the vortex is a yellow phoenix. Then, as the vortex faded, Varya Pozhar emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Varya Pozhar grew to 6'5" in height, she has the body of a goddess, she has yellow highlights in the bangs of her long flowing red hair, she has neon red eyes and a red energy aura with flames, fire angels, and fire vampires surrounding her, she has Old Entity Cthugua emblazoned on her forehead and its claws is the Fire Kanji that was tattooed on her forehead, she has on fire angel earrings with red gems for eyes and the Fire Kanji in its hands, she has on her Thunderbird Necklace of Eternal Love with red gems on the gold lightning bolts links and red crystal links from her brand-new Crystal

Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love, and along with the gold Thunderbird Pendant, she also has the pendant of Old Entity Cthugua, and they're holding the Fire Kanji. Varya Pozhar has on a yellow blouse, sleeveless red dress, yellow stockings, yellow knee-high boots, long red sleeveless trenchcoat with flames, fire angels, and fire vampires on the coattails, and on the back is Old Entity Cthugua surrounded by flames. Suddenly, Varya Pozhar felt a sharp pain on her back, and then, massive red angel wings with flame-colored tips on the large red feathers, sprouted out of her back. Varya Pozhar has on her Ring of The Phoenix with large red gem on her left ring finger and Red Lantern ring on her right ring finger.

Suddenly, Varya Pozhar's large Old Entity Cthugua-themed sword was surrounded by a kaleidoscope of red energy, fire angels, fire vampires, and flames, and when it emerged, it was transformed into Cthugua's Fiery Vampire Sword of Fire Vampire Justice, it's a brand-new large sword with Old Entity Cthugua and a fire vampire etched on the 6'10" massive, wide, double-edged red blade, large red angel wings for the crossguard, large red gem embedded in the rainguard, longer black handle, and large red gem with fire angel wings surrounding it for the pommel. Varya Pozhar has on her brand-new large gold cuff Bracelets of The Champions of The Universe with large red gems on her wrists, her new gold Belt of Elemental Bravery with a gold Fire Vampire with red gems for eyes and a large red gem in its mouth for the belt buckle, large red Spellbook of The Gods and The Universe and large red Spellbook of The Elemental Gods on her left hip and Eater of Sins revolver holstered on her right hip. There's yellow Russian writing below Old Entity Cthugua that said, "Varya Pozhar, Embodiment of Cthugua and Gene-Slammer of Old Entity Cthugua, Fiery Guardian Angel of Russia and Defender of Russia's Long History, Loving Future Wife of Lincoln Loud, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Fire, Fire Angels, and Fire Vampires"

Варя Пожар, Воплощение Ктугуа и Гено-Слэммер Старой Сущности Ктугуа, Огненный Ангел-Хранитель России и Защитник Давней Истории России, Любящая Будущая Жена Линкольна Громкого, Истребительница Зла, Ненормальные, Убийственные, Безжалостные и Садистские Ублюдки, Удивительные и Сильный ученик Удивительных и Могущественных Учителей, Мастер Огня, Огненных Ангелов и Огненных Вампиров

Varya Pozhar has transformed into SUPER ANGEL INFINITY INFERNOSTORM FIRE VAMPIRE ANGEL OF CTHUGUA JUSTICE AND FIERY RAGE AND LOVE!

We were amazed by Varya Pozhar's Super Angel Infinity transformation, and when Lincoln saw her, he had an atomic red blush on her face and hearts in his eyes. But, when Scoots saw it, she was about to run over Varya Pozhar with her scooter, but Varya Pozhar fired a powerful red energy blast with fire vampires, flames, and fire angels at Scoots, and it hit Scoots and burned her bad.

Nico: Holy crap, Varya's transformed. This is going to be one fiery battle.

Me: You said it, Nico, and with Lincoln also joining in, there's going to be H-E-Double Hockey Sticks to pay for Scoots.

Lincoln: Wow, Varya, you look beautiful. How do you feel?

Varya Pozhar: (Divine Echoing Cosmic Voice of The Fire Angel and Fire Vampire and Divine Love) (Russian Accent) **I feel incredible, Linky. Now, shall we take care of that bitter old goat?**

Lincoln: (Smiles) With pleasure, Varya.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope and he joined Varya Pozhar.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Better start praying for mercy, Scoots, because you deserve none.**

Me: Yeah, not after all the crap she's pulled for so long.

Lincoln and Varya Pozhar went after Scoots, and they fired powerful blasts of rainbow energy, red energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, Fire Angels, and Fire Vampires at Scoots, and they exploded with incredible power as they hit that bitter old goat. This angered Scoots greatly, and she tried to run them over, but Lincoln slashed off Marigold's tires, and sent Scoots flying off the scooter and she landed on her feet. Then, they both attacked her with their massive swords, and Lincoln crushed Scoots' sunglasses. Then, Lincoln and Varya Pozhar fired powerful blasts of red and rainbow energy, which transform into a rainbow energy straitjacket and red energy chains, and they wrapped around Scoots, and she couldn't escape. We all cheered wildly for Lincoln and Varya Pozhar as they holster their massive swords on their backs and power down, and Varya Pozhar's new body, clothes, weapons, jewelry, and massive red angel wings are permanent.

Scoots: Agh, alright, so you stopped me, so what? You're still a bunch of losers!

Lincoln: The only loser here is you, Scoots. After what you just did today, it looks like returning you to the Lansing Maximum Security Insane Asylum would be the right thing to do. But, no, instead, we have a special prison for you.

Lincoln drags Scoots to Lynn's Table, and he chained her up to a post alongside Flip, Lewis Travolta, and Amy.

Lincoln: Here's your new prison, and the fun's just getting started for us: your new punishment will be getting humiliated by us, alongside Flip, Lewis Travolta, Amy, and any other jerk we bring out of our prisons, adding on to your punishment of being banned from all restaurants and places here in Gotham Royal York for life. But, we're not done with you yet, Tech, would you rip the engine out of Scoots' electric scooter?

Tech E Coyote: On it, Lincoln. I could use that engine for something else.

Scoots: No, don't you dare touch Marigold! Keep your filthy paws away from her, you mangy mutt!

This caused Tech E Coyote's ears to twitch in anger, and he turned his head and glared at Scoots.

Tech E Coyote: What did you just call me?!

Everyone: Uh oh.

Scoots: You heard me, you filthy mutt!

Tech E Coyote fired a green energy blast with magnetic beams and ripped Scoots' scooter apart, and he kept the battery, and that sent Scoots into a tailspin of rage. Then, Tech E Coyote punched Scoots hard in her eye, and gave her a nasty shiner. Then, he grabbed her by her hair, and she was forced to look him right in the eyes.

Tech E Coyote: I'm going to tell you one thing, and you better get it through your thick skull: Never, and I mean never, call me a mutt. Got it?!

This frightened Scoots, as she nodded her head in fear, and we cheered for what Tech did to Scoots.

Varya Pozhar: (Russian Accent) Well, that's it for that troublemaking heckler. Thank you for helping me take care of Scoots, Linky.

Lincoln: (Smiles Warmly) You're welcome, Varya.

Suddenly, Varya Pozhar wrapped her arms around Lincoln's waist, and it brought an atomic blush to Lincoln's face, as he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into an embrace, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Varya Pozhar's face, they kissed passionately as Varya Pozhar wraps her left arm around Lincoln's wider and muscular back, and she placed her left hand on Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, Fire Angel, and Fire Vampire flying in the air, and we also saw a herd of Buffalo running across the field, along with Old Entity Cthugua appearing and forming a heart of fire in the sky, and the display of the elemental forces behind them, and we cheered for them.

Nico: Awesome job, you guys, and thanks to you, we now have a new target for our humiliations.

Me: We did say that there'd be H-E-Double Hockey Sticks, and we'll make sure Scoots pays for this.

Ace Bunny: Big time. Especially after she called Tech a you-know-what, and we know better than to call him that.

Nico: We're putting that on the list.

I put it on the list of what not to say around people.

Tech E Coyote: Now, I know why Scoots is known as Royal Woods' heckler and troublemaker, she knows what to say to really get people mad.

Lincoln: Yeah, and after you destroyed her scooter, you're now an enemy of her, Tech.

Suddenly, the Masters of Evil arrived.

Vypra: We heard that Scoots escaped from the Lansing Maximum Security Asylum, is everyone,,,,?

Lincoln: We're okay, Vypra. Varya Pozhar transformed, and she and I took care of Scoots, and we've got a new target for the humiliations.

Shiv: Nice.

Lincoln: But, take a look at what she did.

We showed the Masters of Evil the chaos and destruction Scoots had caused when she broke out.

Electro: Yikes!

Lincoln: Yeah, that's the extent of the chaos and destruction she caused after she broke out. Now, to clean up her mess.

Lincoln snapped his fingers, and everything was cleaned and restored to normal, all the buildings are fixed, along with everything else that Scoots had broken on her rampage.

Dark Spicer: Whoa, and who punched Scoots in the eye?

Jack Spicer whispered in Dark Spicer's ear of who it was that punched Scoots in the eye and gave her the shiner, and it was thanks to Tech E Coyote.

Dark Spicer: Whoa.

Jack Spicer: Yeah, and that was because Scoots opened up her mouth, and let out one last insult, but that last insult ended with her getting a shiner thanks to Tech.

Vypra: Jeez.

Me: Yep.

---

Later it was time for Stella's final ambassador mission with the Kiva Kamen Riders.

Rachel Stavenport was laughing her head off at a bunch of Slappy Squirrel cartoons.

Rachel Stavenport: (LAUGHS) This is so funny!

Fiona Hernandez: Yeah it sure is! How has your mom and dad been doing Rachel?

Rachel Stavenport: Doing really awesome Fiona. Always busy helping with making things in nature.

Nico: That's true.

Me: You would love meeting Mickey and Jessica, Rachel. They are friends that I helped back when I was three.

William: Anyone else wanna go with Stella? Besides Live Action Optimus and 4 Rabbids?

Blade: I'll go with.

Me: Awesome Blade.

Eli: This is gonna be awesome.

Nico: Cool and also I have a feeling that J.D. is gonna show us a new Kamen Rider form.

Me: Yep I sure am.

Nico: Well lets get a move on.

We were off to Japan.

We arrived in Japan.

Wataru: Hey guys!

Nico: Sup Wataru.

Stella: Wataru, remember when we said one of Blade's quotes? Well, here's the man himself!

Blade: Pleasure to meet you. My name is Erik Brooks, but you know me as Blade.

Wataru: Wow! The great vampire hunter himself!

Me: That's right. Blade is half human and half vampire and he is known to all vampires as The Daywalker. He has the ability to walk in the sunlight and is immune to silver and garlic too.

Wataru: Even though you're not a Kamen Rider, you're still able to kick a lot of vampire ass!

Blade: 452,329,323 vampires all over the world now and counting.

Me: Whoa very impressive way to keep track.

Nico: That is cool.

Me: Oh.

I pulled out a cooler and gave Blade some blood.

Me: Fresh from the blood bank.

Blade: Thanks J.D.

Me: Blade may have all the vampires strengths and none of their weaknesses but like a vampire he needs blood. He has the vampires endless thirst for blood.

Nico: It's true.

Wataru: Wow.

Maya: That is amazing.

Stella: And I think you know my robotic friend over here.

Wataru: Whoa! Is that?

Live Action Optimus Prime: It's an honor. I am Optimus Prime. Leader of the Autobots.

Me: He just joined the team after our big mission to the Live Action Universe 2 days ago.

Stella: That's right.

Me: The wars with the Autobots and Decepticons are now over forever in the Multiverse. After 8 million years the war is finally over.

Wataru: Wow! That is amazing!

Keisuke: I can imagine it's hard that you're not fighting Decepticons anymore. That's like if Nico stopped eating hot wings.

Nico: I WOULD NEVER STOP EATING HOT WINGS!

We laughed!

Nico: I know that was funny but I was being serious.

Me: We know Nico. We would never deprive you of your favorite food like that.

Wataru: Still though, won't you miss kicking Decepticon ass?

Live Action Optimus: Yes but there are many more other evils out there than just the Decepticons. And they still threaten the universe to this day as we speak. So me and the team will focus on taking care of them.

Nico: That's good. And besides the Decepticons are all on the road to redemption now.

Nico showed his Decepticon Leadership Medal.

Wataru: What is that?

Nico: This is my badge of honor for being the new Leader of the Deceptcions. I was officially made as the new leader of the Decepticons after we destroyed Unicron in this universe.

Me: that was one of the most incredibly awesome battles we've ever had and it was epic.

I went over the events of chapter 691 and it was awesome and incredible. When I was finished everyone was amazed!

Maya: My god!

Wataru: That was amazing!

But then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Wataru: (hears an explosion) The war against the Decepticons may be over. But not the war against the Fangires.

Nico: That's right.

Eli: And we're going to be ready for them too.

Blade: Because they obviously…

Me: Do not know…

Me and Blade: WHO THEY ARE FUCKING WITH!

Keisuke: Who are we facing this time?

We looked and we saw Swallowtail and Earwig Fanfire! But they weren't the only ones. With them was CALIBUR!

---

Kamen Rider Calibur is a major antagonist of Kamen Rider Saber, serving as the main antagonist of its first arc. He is a former member of the Sword of Logos whom betrayed the organisation to the Megiddo, and tried to steal the Book of Ancients, resulting in its pages being scattered all across the world.

His true identity is originally believed to be Hayato Fukamiya, the father of Kento Fukamiya and the previous Kamen Rider Calibur. It is later revealed that his true identity is in fact none other than Daichi Kamijo, the previous Kamen Rider Saber who saved Touma's life in the past and gave him the Brave Dragon Wonder Ride Book.

He was originally friends with Hayato Fukamiya until Hayato was corrupted by a mole within the Sword of Logos. After defeating his former friend, Daichi became aware of a mysterious force controlling the fates of everyone and thus sought to attain the "eternal truth" in order to figure out what this force was and how to stop it. To this end, Daichi defected from the Sword of Logos and took up the mantle of Calibur from his fallen friend, leading his comrades in the Sword of Logos to believe he was dead. He teamed up with Megid to connect Earth to the Wonder World in order to gain access to Table of Relevations, which held the secrets he needed to uncover the truth of the world.

Daichi Kamijo is portrayed by Hiroyuki Hirayama, while Kamen Rider Calibur is portrayed in suit by Kenji Tominaga. Past

Before becoming Kamen Rider Calibur, Daichi Kamijo was the original Kamen Rider Saber and a close friend of Ryo Ogami and

Hayato Fukamiya. After Hayato became corrupted by someone within the guild and attempted to open a portal to the Wonder World using Luna, Daichi was forced to fight his old friend. During the incident, Daichi saved Touma Kamiyama, who would later succeed him as the second Kamen Rider Saber. After defeating Hayato, Daichi learned from him of an eternal truth of a possible creator of the world. Perturbed by his friend's sudden turn, Daichi lost his faith in the guild and secretly, betrayed the Sword of Logos, secretly taking up Calibur's identity and teaming up with the Megid to obtain the eternal truth and as well as find the mole within the organisation in the process. Calibur attempted to steal the Great Book for himself, but his theft was thwarted and as a result, its pages were scattered all across the world, leading the Megid to seek them out in order to open a second portal to the Wonder World.

## Alliance with the Megiddo

In the present day, Calibur announced to his acolytes in the Megiddo that the time for them to make a new world emerge had come. He handed the Gansekiou Golem Alter Ride Book to Legeiel and sent him to create the Golem Megid to attack the city.

Calibur and his cohorts later observed Kamen Rider Blades join Saber in fighting against the Ari Megid. Calibur was unperturbed when the two destroyed the Ari and Kirigirisu Megid, remarking that they had only accelerated his plans.

As Kamen Rider Buster destroyed the second Golem Megid, Calibur commented on the swordsman's emergence.

After the defeat of the Hanzaki Megid, Calibur appeared to battle Touma and Rintaro and easily overpowered them both. Calibur attempted to finish them with the Donkugo Issen, but Kento appeared and blocked the attack before sending Calibur away into an isolated floating island in the Wonder World. Calibur later returned from the island and released Desast from his Alter Ride Book.

## Seeking Avalon

Calibur later attacked Touma during the battle between the Sword of

Logos and the Piranha Megid in an attempt to claim his sword and the Brave Dragon Wonder Ride Book. As the two faced each other, a spark occurred between Brave Dragon and Jaaku Dragon, confirming Calibur's suspicions about Saber. Espada then intervened in the fight and attacked Calibur, leaving Saber to deal with the Piranha Megid. Espada later asks Calibur that why he betrayed the Sword of Logos. Calibur refused to answer Espada's questions and easily defeated the rider. Before Calibur could finish Espada off, Buster appeared and deflected Calibur's attack.

Calibur later returned to the hideout of the Megid, and noted that, as he suspected, without Brave Dragon and the sword, he cannot reach Avalon. Hearing this, Storious decides to help Calibur reach Avalon and hands a black book to him, asking what he intends to do once he gets to Avalon.

After Storious stole Touma's power as Brave Dragon, Calibur was able to reach Avalon and entered the world untransformed. While there, he encounters Touma and Kento, in which both of whom traveled to Avalon in order to get the Brave Dragon Wonder Ride Book back. After transforming into his Kamen Rider form, Calibur fought Kento while Touma entered the location where King of Arthur Wonder Ride Book was sealed. Calibur defeated Kento, but Touma was able to obtain the power of King of Arthur, causing Calibur to leave as he believed that he had more reason to be there. Right before he left, Kento asks him that why he betrayed the Sword of Logos once more. However, Calibur vaguely answered that he would find out sooner or later.

## Calibur's True Identity

Kento later attempted to confront Calibur once more, seeking to defeat him to atone for his father. Calibur managed to overpower Kento, but Kento's friends soon came to his aid. After being defeated by a combined finisher from Saber, Blades, Espada and Kenzan Calibur was forced out of transformation, revealing his true identity as Daichi Kamijo. Shocked, Kento demanded to know what happened to his father and why Daichi was Calibur, but Daichi refused to answer. A furious Kento then transformed back into Espada and attempted to attack him, but Daichi transformed back into Calibur and easily fought off Espada, knocking Kento out of his transformation. Daichi then returned to the Megid's lair, where he was impressed at the new Jaou Dragon Wonder Ride Book that they have created.

## Jaou Dragon and Connecting the Worlds

With the revelation that Daichi had been Calibur all along, Sophia sought him out and asked why he became the Swordman of Darkness. Daichi responded that he abandoned everything to obtain the truth. Kento then appeared seeking to fight Calibur again, and two Riders transformed into Calibur and Espada to do battle. During the fight, Kento asked Calibur what he had done to his father, to which Daichi answered that he had cut him down for betraying the Sword of Logos. Kento becomes more enraged but is unable to overcome Daichi, who at that point decides to test out the new Jaou Dragon Wonder Ride Book. Transforming into his new form using the said Wonder Ride Book, Calibur became even more powerful and was able to easily overpower Kento. Before he could finish Kento off, Blades intervened and took Calibur's finisher, causing him to become critically injured.

Calibur and the Megid then put their plan into motion, to simultaneously erase six locations and replace them with giant books that will connect the human world to the Wonder World, similar to the incident that happened 15 years ago. As Calibur made preparations, he was confronted by Kento again. During their confrontation, Kento mentioned Touma, causing Daichi to realize that the current Saber was none other than the young child he saved 15 years ago. The two then transformed and fought once more, with Calibur easily beating down Kento before using a more powerful attack in order to defeat him, that the said attack left Kento severely injured.

As Daichi prepared to use his own Sacred Sword in order to open the last of the giant books needed to open the portal, he is interrupted by Touma and Rintaro. Touma asks Daichi why he sacrificed many lives, including Kento's, to discover the truth, to which Calibur answered that it was the only way. Daichi then transforms into Calibur and easily fights off all the Logos Riders with the power of Jaou Dragon. An injured Kento shows up to help his friends but Calibur easily cuts him down too and seemingly kills him.

However, Touma then suddenly receives the Dragonic Knight Wonder Ride Book from Luna and uses its power to defeat Calibur. Following Daichi's defeat, Desast attempted to claim the Ankokuken Kurayami, only for Calibur Jaou Dragon to appear to retake it, still alive.

Once all the giant books were opened, Earth became fully connected to the Wonder World and a portal opened in the sky leading to the Table of Revelations. While his Megid allies held off the Riders of the Sword of Logos, Calibur Jaou Dragon flew into the portal and went to obtain the Table of Revelation. However, Saber was able to get past the Megid and flew into the portal to the Wonder World after Calibur. Inside, the two Riders faced each other, and Calibur revealed he sought the Table of Relevation to attain the "eternal truth" that he desired. Both Touma and Daichi fought each other, thus resulting in Calibur defeating Saber, casting Touma into the eternal darkness, but Touma was able to escape with help from the spirit of Kento and confronted Calibur again. Impressed by his willpower, Daichi revealed the truth to Touma about the incident that happened 15 years ago, how Hayato had been corrupted by a mole within the Sword of Logos and how he believed that the world was merely controlled by a "creator" that controls the fates of everyone, who he sought to uncover. Calibur then fights Saber once more and tells him that the one true reason for seeking the Table of Relevation is to discover the true mole within the guild and defeat the said mole. Touma decisively defeated Daichi, but managed to convince him that turning his back on his friends was merely a mistake. Impressed by Touma's resolve to decide the end of the story, no matter if it was written, Daichi asked Touma to discover the truth in his stead and as well as find "the one who betrayed the organisation", warning Touma that the path he would go down was dangerous and would include sacrificing his friends, the others, and even the ones that are closest to him. Daichi was then suddenly stabbed from behind and murdered by Desast, allowing Desast to claim his Wonder Ride Books for himself.

## Legacy

Legeiel revealed to Touma that Daichi was another pawn of the Megid's plan. His sword, the Kurayami, would later be wielded by

Kento Fukamiya, the son of Daichi's old friend Hayato.

During the final battle against Storious, the Kurayami would later be wielded by Sophia.

Eli: Swallowtail and Earwig Fangire! And is that?

Me: Calibur! Now I can finish him for good!

Calibur: You and I have a score to settle Knudson.

Nico: How do you know Calibur?

Me: It was after Zarya's Ambassador Missions with the Zenkaigers came to a close. Kaito told me back at the Flying Fortress during the Ridonculous Race that he saw a Black Kamen Rider from Saber running around. And I instantly knew what he was talking about. When I knew it was Calibur, I realized that he was still loose after how Touma and the Saber Kamen Riders destroyed him the last time. Now I am going to finish him for good. But I have a feeling he will return when we meet the Saber Kamen Riders in September.

Nico: That's amazing. Kaito really came through for us again.

Me: Yep.

Stella: Henshin!

Stella transformed!

Me: Now I have something awesome to show you guys.

I pulled out a Wonder Book and it was titled HOKUTO PHOENIX!

HOKUTO PHOENIX -

For eons and flying among the stars of the universe, a mighty phoenix of such unbridled power would one day emerge to bring about an era of peace, love, friendship and prosperity.

Me: HENSHIN!

UNSHEATH THE STARS! From the depths of the stars forged in the mighty majesty of the universe will come forth the savior of the universe and bring forth STAREON THE SWORD OF STARS!

I turned into my new SABER KAMEN RIDER FORM! And it had wings made of stars!

Me: HOKUTO PHOENIX!

Nico and everyone was amazed!

Nico: AWESOME!

Eli: WOW! Bro you have an awesome Saber Kamen Rider form!

Me: Yep. Now this story is going to end my way on Calibur.

Wataru: Our turn, Keisuke. Henshin!

Keisuke: HENSHIN!

Maya: HENSHIN!

They transformed and were ready!

Nico: Show no mercy on that motherfucker J.D.

Me: With pleasure.

I went over to Calibur.

Me: This ends now Calibur.

I clashed powerfully with him and slashed and kicked and teleported all over.

Wataru: Since someone that Touma fought is here, I better use my Emperor form!

Wataru went EMPEROR!

Nico: Awesome!

I slashed Caliber all over the place with incredible fury!

Caliber: You make me sick J.D.

Me: FUCK YOU TOO!

I kicked him and sent him high into the air and I spread my wings.

Caliber: All I want is peace in this world!

Me: Your version of peace is a lie!

I slashed him all over some more and blasted him with star fireballs!

Earwig Fangire: We don't need that new guy to kill you all!

Nico: That's because we're going to kill you bugfucker!

Earwig Fangire: You motherfucking!

Nico: Bite my monkeytailed ass!

Nico fired a blast of energy and blasted his arms off.

Blade: You obviously do not know WHO YOU ARE FUCKING WITH!

Blade slashed the Earwig Fangire in half and killed him instantly.

Live Action Optimus aimed his blaster at the Swallowtail Fangire.

Live Action Optimus: Time for you to see more than meets the eye.

Swallowtail Fangire: Bring it on.

He fired and blasted the Swallowtail Fangire all over and then Eli jumped into the air.

Eli: SWORD OF THE DARKNESS FLAME! 邪王炎殺剣

Eli slashed the Swallowtail Fangire right in half and incinerated it into nothing!

Nico: These two Fangire have failed this city!

I then finished my fight with Caliber.

Me: It's over Caliber! You're finished! FINAL PAGE! STAR PHOENIX RETRIBUTION!

I fired a blast of stars and energy and it formed into a phoenix of stars and then it slammed into Caliber and he exploded in a massive and fiery explosion!

KRABBBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOO

HE WAS DEAD!

His spirit appeared.

Me: I will not use the Black Gates on you so I will send you to the Warp. (Holds hand out) HAKAI!

I banished him to the Warp.

Me: He will be back.

I landed.

Nico: WOW! That was awesome!

Me: It sure was.

I reverted back.

Nico: By the way, J.D., we're gonna meet the Saber Kamen Riders next month.

Me: I figured but the big mission for them is some time in September.

Wataru: Stella, ever since I met you, I've begun to see you as my big sister.

Stella: Really? Oh Wataru.

They hugged and then the Rabbids cried in happiness.

We later returned.

May: Hey guys. How did it go?

Me: Really awesome.

We told everyone everything and they were all shocked!

May: WHOA!

Varie: Unbelievable!

Laney: Wow! That is one way to finish an Ambassador Mission with a bang.

May: Musa, for your first mission in two days, 2 Rabbids and Leo should go with you.

Nico: Cool!

Musa: Awesome! I have a feeling this will be awesome too.

---

Later we were walking to an awesome dojo.

Anemone: Where are we heading again?

Nico: You'll see Anemone. It's a big dojo that I know. These are sumo wrestlers that I know and they are awesome.

Me: What can you tell us about them?

Nico: They are really awesome Superpowered Sumo Wrestler heroes.

---

Mamoo: The Afro-Caribbean sumo who is their most sensible member and unofficial leader, fighting for Truth. He likes to cook as well as eat and was disheartened after losing a cooking challenge on a show sponsored by Bad Inc, regaining his confidence after realizing that the challenge was (obviously) rigged. His special move is 'Sumo Squeeze', where he grabs an opponent from behind and gives them a powerful bear hug.

Kimo: The Asian sumo who resembles a samurai and has a Zen-like attitude to life, fighting for Honor. He is apparently precognitive, as his younger self foresaw the Sumos' battles against Bad Inc. First evidenced in "Dance Of The Sugar Plumb Sumos", he also has a habit of making corny one-liners when claiming victory, much to his own amusement and Mamoo's chagrin. His special move is 'Honorable

Thunderball', which involves him rolling into a ball and launching himself at an opponent.

Booma: The Caucasian sumo who talks like a surfer and is the most enthusiastic and childlike, fighting for Peace. He is obsessed with his large butt and proudly talks about it in every episode. His special move is 'Gluteus Maximus', involving him landing on an opponent butt-first and squashing them.

Prima: A small, thin girl who acts as the Sumos' sidekick and helps them out however she can, although their dim-witted and childish ways often annoy her. She has a Japanese accent and appearance.

Wisdom San: The Sumos' yogi-like teacher, who raised them from infancy and taught them the ways of P.H.A.T. He is usually seen in flashbacks, but sometimes appears in contemporary sections of the episode. He resembles an Eastern mystic, seems to wear nothing apart from sandals (although this is debatable, as his beard covers most of his body) and is often seen meditating, levitating, or both. He found raising the Sumos incredibly frustrating due to their greed and clumsiness.

Shemo: The Sumos' long lost sister, she was separated from them as a baby when baby Booma accidentally knocked her down Wisdom San's mountain home. She was consequently raised by a herd of yaks (who somehow knew the ways of P.H.A.T.) and grew up to be the superheroic guardian of Kyoto and its yak population. When Bad Inc devastated the city and kidnapped the yaks and the mayor, Shemo travelled to Generic City to get them back. She turned out to be a better fighter than the boys and turned down their help, but they had to rescue her after Bad Inc captured her. The four Sumos then defeated Bad Inc together and Shemo, politely refusing the offer to stay with her 'brothers', returned to Kyoto.

The Gyoji: A mute, goofy-looking Gyōji that appears in most episodes whenever the Sumos are about to fight. A running gag is him emerging from a nearby area (Such as a mail box) to observe the battle.

---

When he was done we were all amazed!

Me: Wow! That is awesome that you know these guys Nico. They will make awesome members of the team.

Lana: And Booma sounds awesome.

Laney: Yeah.

At the Super Sumo Dojo the Super Duper Sumos saw Sleep Kirby.

Mamoo: You okay, little guy?

Sleep Kirby: (yawns) Just sleepy.

Kimo: He sure is a tired one.

Nico: He is a tired one.

Mamoo: NICO!

Nico: (BOWS) Awesome to see you guys again.

Booma: Hey Nico! What's happening man!?

Mamoo: You are looking awesome Nico.

Nico: And meet the team.

We came out.

Me: Pleasure to meet you guys.

Exhaust: By any chance, would you guys be related to Sumo Slammers?

Booma: (Laughs) No we aren't but it's awesome that everyone thinks that.

Kimo: Yes we get that a lot but it's not the case.

Shemo: I think it's awesome.

Nico: It sure is. Shemo shall we wrestle like old times?

Kimo: We shall! Let us wrestle!

GONG SOUNDS!

SMASH SMASH!

Nico: (BOWS) Lets dance!

Nico and Kimo wrestled and Nico picked him up and smashed him down.

Nico: Just like old times.

Kimo: Indeed Nico! You are stronger than ever!

Exhaust: By any chance, would you guys be related to Sumo Slammers?

Mamoo: Oh yeah we do! They are just as strong in Sumo Wrestling like we are.

Poliwag: Yeah we are! And we kick some fat butt!

Nico: Oh yeah!

Mamoo: So, can we join the team just in time for the mission you guys have today?

RD Sam: Actually, I've got a feeling today's mission won't be too serious.

Nico: Oh I have a feeling it will be serious.

Nico turned on the TV.

Then an ad came on and The Red Guy was on it.

Red Guy: SUPER HEROES! Are your leotards starting to stink, Are your briefs getting brittle, IS YOUR CAPE KIND OF CRUDDY!? THEN COME ON DOWN TO THE HEINIE BO Dry Cleaners. If you're a superhero your cleaning is free.

Nico: The Red Guy is trying to find out who Supercow is so he can kill her and Chicken.

We gasped.

Booma: What a jerk! I can't wait for me and my butt to squish him!

Then Moonstone, Springfield Mafia, Rich Texan, Cantwell, P'Andor, Man Ray, Kitty, Tar Pit, Avalanche, and Kyd Wykkyd appeared.

Moonstone: Can me, the Springfield Mafia, Rich Texan, Cantwell, P'Andor, Man Ray, Kitty, Tar Pit, Avalanche, and Kyd Wykkyd go with you guys?

Legs: And yeah, we saw the announcement.

Nico: The Red Guy is really determined to bring down Supercow.

Laney: Yeah that buttwalking freak is really asking for it.

Moonstone: No kidding. (Sees the Super Duper Sumos) Whoa! Who are they?

Nico: Guys meet Mamoo, Booma and Kimo. They are friends from my past and I used to wrestle with them before joining the team.

Rachel Stavenport: I remember seeing them too. The Sumos are a powerful force too.

Gru: Nico, which Gene Slammer do you think you'll meet on your next rescue?

Nico: I'm hoping to meet a gene-slammer for an Evolved Methanosian next.

Me: Ooh! A gene-slammer for Ultimate Swampfire's kind.

Nico: Yep. So it'll be one of the swamp masters and plants and fire power users too.

Me: So Swamp Thing, Mage Meadowbrook, Lola, Syd Chang or anyone like that.

Eli: This will be awesome too.

Nico: Also to answer your previous question you can come with.

Me: I hope we give that stupid buttwalking heiniechewer what for if he tries anything funny

Man Ray: Maybe Supercow is a cow from the batgur cattle.

Me: The Bargur Cattle you mean.

Man Ray: Right sorry.

Me: Those are the kinds of cattle that live over in India.

Nico: Also Supercow speaks Spanish.

Booma: Supercow is really tough too.

Rachel Stavenport: She sure is and she packs a really strong punch.

Nico: Yep.

Momo: I have a feeling that the Red Guy will make a move soon

Lincoln: How can we be sure that Supercow isn't really a villain?

Weather Vane: Lincoln, why would you think that?

Lincoln: Because the last time so called heroes were in town, they turned out to be frauds out to ruin our reputation!

Me: Lincoln come on! Supercow is a hero and Chicken told us that she pulverized the living crap out of the Red Guy in many circles.

Lana: Yeah specifically when Chicken is in trouble.

Laney: Yeah.

Maria: Lincoln, it's been several weeks now. Can't you just let that go and move on?

Lincoln: You guys seriously forgot how Team Buktu put us out of business?!

Fat Tony: Of course we haven't! But we should just move on and not let that crap get to us!

Nico: Yeah! Besides Team Buktu got what was coming to it.

Eli: Yeah that's a dead subject!

Laney: Absolutely!

Torch Man: Nico, me and Flare Corona can go with you next rescue if you want.

Nico: Awesome idea.

Rachel Stavenport: So many awesome rescues done by both J.D. and Nico.

Kyd Wykkyd: Maybe I can teleport around to find Supercow. Before Red Guy finds her.

Nico: Hmm. Since the Red Guy is Cow and Chicken's Archenemy in the M.O.E., I have a feeling that he already knows who Supercow already is.

Eli: I have a feeling he does.

Chicken: You guys talking about Supercow?

Cree Lincoln: Of course we are. Maybe we could hear your thoughts on the subject.

Chicken: Well that's the thing I came to tell yous. (Frantic) THE RED GUY KIDNAPPED COW! HE KNOWS SHE IS SUPERCOW!

We gasped!

Nico: Why that little!?

P'andor: (Russian Accent) Wait. Cow. Supercow. Oh, duh! It was completely obvious and I missed it!

Nico: I've known about it.

Me: It wasn't that hard to miss for me.

Eli: Me neither.

Laney: Same with me.

Me: That Red Guy is gonna get his big fat ugly red butt kicked for this!

Bugly: Chicken, when did Cow start her Supercow business?

Chicken: Lets see. Since she was young. Around 3 I think.

Nico: Wow she has a lot of experiences.

Eli: She sure does.

Avalanche: Why didn't she tell us about it?

Chicken: She goes by the Superhero code VERY THOROUGHLY.

Nico: Wow.

Eli: Very well done for her.

Burner Man: She does know that with us, there are no secret identities, right?

Chicken: She's only 7 years old.

Me: Oh.

Chicken: But yeah I think she does.

Lana: Maybe we haven't told her or she was far too busy doing stuff.

Cantwell: Red Guy must have something that's Supercow's weakness. Like Superman's weakness is Kryptonite.

Chicken: Supercow doesn't have weaknesses. She only comes when I'm in danger.

Cantwell: Oh man. She she must've been grabbed when she was a cow.

Me: We got to get over there now.

Nico: Agreed! Lets go and do the entrance!

Elec Man: Personally, my weakness, even to this day, is rubber.

Me: That's right because Rubber doesn't conduct electricity. I bet it's Electro's weakness too.

Elec Man: Yeah.

Kitty: Now, hold on. We need to come up with a plan first.

Nico: Now now Kitty. We know Red Guy. He is a villain but he is a dimwitted buttwalking goomba.

Laney: He's right.

Masker Mind: Lincoln, I know you're still paranoid about Supercow. But now's a good time for the Full House Gang.

Nico: Ooh!

Lincoln: Lets do it! Time to bring out the Full Deck!

Lincoln summoned versions of his sisters and us as THE FULL

HOUSE GANG!

The High Card: "Alright, girls, [lifts up her mask] let's deal with these losers!"

THE HIGH CARD

[The van opens up revealing the rest of the girls in their Ace Savvy personae.]

A massive fiery explosion blasts a hole through the ceiling and through the flames came Me, Varie, Aylene, Jessie, Jeri, Eddy, Naruto, Sakura, Ino, Fu, Rin, Hinata, Tenten, Pakura and Kushina (Young) and we landed on the floor in our Ace Savvy Personae.

The King of Flaming Hearts: Time to Burn some Bad Guys!

THE KING OF FLAMING HEARTS

Tar Pit: Let's get going!

Nico: Lets get rolling!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal, and he saw who the figure was in the vision: it was none other than Count Bleck. hen we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is there someone else coming after us?

Lincoln: Afraid so, Nico, and Mario, you're going to be in for a shock: the dark energy signal I sensed belongs to Count Bleck.

Mario gasped in shock.

Nicole Knudson: But, Count Bleck is one of Mario's friends.

Lincoln: I know, it's actually his dark side that we're going to fight, and here's something that'll really shock everyone: Count Bleck's dark side took over Count Bleck, and he was the one who freed

Scoots from the Lansing Maximum Security Insane Asylum.

We gasped in shock.

Nico: So, Dark Count Bleck was the one who freed that old goat, Scoots, from her prison.

Me: We got to get that dark varmint out of Count Bleck, and destroy it.

Nereid the Water Faerie: That's exactly what Lincoln and I are going to do.

Lincoln: Yeah, I'll use my Dark Side Eternal Purification technique to free Count Bleck from his dark side, and then, Nereid and I will destroy him.

Nico: Awesome idea, big guy.

We were off!

We arrived.

Me: Dry Cleaner ho.

Sixshot: Time for our entrance.

We went at the Dry Cleaner.

Red Guy: Well Cow, with you out of the way, I'll have no problem picking on that wittle chicken! Now are you ready for YOUR FREE STEAM CLEANING!?

Me: (Offscreen) YOU WILL NOT TOUCH ONE UDDER ON HER!

Then the spirits of the Toa Nuva and the Springfield Dirtbags appeared and swirled around him and smashed him all over. Then they converged and then a massive blast of rainbow light blasted out and then we came out.

Nico: Red Guy you are in a farting boatload of trouble!

Red Guy: (holds saw next to Cow's udder) One move and the cow gets it!

Rich Texan: Put the saw down right now.

Red Guy: The cow's gonna get it.

William: Put the saw down right now!

Red Guy: The cow's gonna get it!

May: PUT THE SAW DOWN RIGHT NOW!

Red Guy: THE COW'S GONNA GET IT!

Me: (YELLING IN HIS FACE) WE SAID PUT THE SAW DOWN RIGHT NOW!

The yell blasted him into the wall!

Then the Ice Demon, Iceage, Hydros, Captain Cold, Blizzard, Firebrand, Pyros, Molten Man, Shendu and El Diablo appeared.

Nico: Ice Demon, Iceage, Hydros, Captain Cold, Blizzard, Firebrand, Pyros, Molten Man, Shendu and El Diablo.

Ice Demon: So that's what the Full House Gang looks like.

Lincoln: What do you think?

Iceage: You guys look good in those outfits?

Hydros: I hope they aren't tight.

Me: Lincoln based the Full House Gang on his sisters.

Laney: It's true.

Captain Cold: (to Nico) We heard you faced Camille's parents.

Nico: We sure did and it was awesome.

Blizzard: I hope they didn't pretend to be a dead couple again.

Nico: Nope they didn't.

Me: But it was awesome taking them down.

Blothgear appeared for another round.

Blothgaar: Cow, can I have some milk? I forgot to drink for breakfast.

Cow: Oh sure. (MOOS) (SQUEEZES UDDER)

She poured milk into a glass and gave it to him.

Blothgear: Thank you.

He drank it.

Nico: Thirsty huh?

We got the usual battle underway.

---

The Ice Demon was first.

Ice Demon: (to Thetis) In Nico's rescue, he taught Young Ben how to change forms. He really is a good teacher.

Thetis: I agree there. He is a really awesome teacher.

Rarity: Oh I most agree there darlings. He definitely has a lot of great potential to be an amazing teacher.

Sweetie Belle: I agree there too. Maybe he can be a teacher at the Friendship School.

Gill Grunt: Not a bad idea.

Ed: He looks like the head of the monster from I was a Teenage Appetizer from Planet Sushi The Second Coming.

Eddy: SHUT UP ED!

Edd: (LAUGHS)

The Ice Demon: That is funny. But i agree there too. Lets do it!

They fired waves of water, ice and jewels and energy and smashed him down.

Pipsqueak: (British Accent) But they got it coming to them.

Sunburn: I thought it was really awesome.

Blossom: It sure was cool.

Bubbles: It sure was cool!

Buttercup: Yeah we gave them a piece of our minds.

Iceage: Good riddance. Now they are residents of prison for a long time. Bread and water, guards whomping your ass around the clock, ice cold showers and the only way out is suicide.

They laughed!

Samus: That is funny!

Iceage: Chief Wiggum taught me that one. Lets do it!

They fired waves of fire and energy and smashed him down.

Azulongmon: She's from Egypt and her name is Neferteri. Neferteri Salah.

Rainbow Dash: And she is awesome.

Scootaloo: She sure is. She is a great flyer and knows a lot about the history of Egypt.

Whirlwind: I think so too.

Cow: Yeah she is great!

Chicken: Many of Lincoln's Guardian Angels are cool.

Hydros: They sure are. Lets do it!

They fired waves of wind, lightning and rainbows and smashed him down.

Fluttershy: Yes they sure are amazing.

Tornado Bolt: I agree too.

Stealth Elf: They are really cool too.

Dexter: I must concur with everyone on that.

They fired waves of leaves, flowers, grass and fire and smashed him down.

## Troy Burrows, Twilight Sparkle, Starshine Sparkle, Sunny Starscout, Magic Skylanders, Johnny Bravo, Cree Lincoln and Ravager VS Blizzard - Hope The Red Guy likes being black and blue

Blizzard was next.

Blizzard: (to Troy) I hope The Red Guy likes being black and blue. But he won't be hurt too badly.

Troy Burrows: Believe me he has taken a big time beating over the years.

Nicole Knudson: There's no mistaking that voice from anywhere. You can come out now, Count Bleck.

A figure came out, and it was none other than Count Bleck, but he looked like he hadn't gotten any rest at all.

Nico: So, that's Count Bleck. But, he looks like he hadn't gotten any rest at all.

Lincoln: It's his dark side that did this, remember what happened with Jin Kazama when he had Devil Jin in him?

Me: Yeah, we haven't forgotten. Alright, big guy, you know what to do.

Lincoln: You read my mind, J.D.

Lincoln fired a powerful blast of light mixed with his Dark Side Eternal Purification technique, and it hit Count Bleck, and it permanently severed Count Bleck from his dark side, as a black mass was separated from him, and it transformed into Dark Count Bleck, and Lincoln got Count Bleck to safety.

Dark Count Bleck: Finally, I'm free.

Nereid the Water Faerie: But, not for much longer.

Suddenly, Nereid the Water Faerie's aqua blue eyes turned neon aqua blue, and she was surrounded by an aqua blue energy aura with water, ocean waves, and Water faeries, she got out her massive Neopia's Magic Staff of Magical Justice, and as she approached Dark Count Bleck, she left aqua blue energy, water, ocean waves, and Water faeries with every step.

Nereid the Water Faerie: Dark Count Bleck, I will never forgive you for what you did in tormenting Count Bleck, and what you did in forcing him to free Scoots from the Lansing Maximum Security Insane Asylum, and now, I will see to it that you are destroyed forever.

Suddenly, Nereid the Water Faerie was surrounded by a massive vortex of aqua blue energy with water and ocean waves surrounding it, there's a Water faerie flying around the vortex, and in the vortex is a light blue phoenix. Then, as the vortex faded, Nereid the Water Faerie emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Nereid the Water Faerie grew to 6'5" in height, she had the body of a goddess and she has aqua blue highlights in the bangs of her long flowing platinum blonde hair, she has neon aqua blue eyes and a aqua blue energy aura with water, ocean waves, and Water faeries surrounding her, she has a Water faerie with the Water Kanji in its hands emblazoned on her forehead, she has on faerie earrings with aqua blue gems for eyes and holding the Water Kanji in its hands, she has a Water faerie with aqua blue gems for the eyes and the Water Kanji in its hands for the second pendant, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with aqua blue crystal links from her merged Crystal Necklace of the Buddha and aqua blue gems on the gold lightning bolt links. Nereid the Water Faerie has on an aqua blue sleeveless dress with a blue phoenix on it, aqua blue sandals, and a long aqua blue sleeveless trenchcoat with water, ocean waves, and Water faeries on the coattails, and on the back is a Water faerie with ocean waves surrounding it. Nereid the Water Faerie's aqua blue fairy wings with grew much bigger for her new body, and they have a Water faerie, a Thunderbird, a Phoenix, and an Angel in them, Nereid the Water Faerie has on a Ring of The Phoenix with aqua blue gem on her right ring finger and a Star Sapphire ring on her left ring finger.

Nereid the Water Faerie has her massive Neopia's Magic Staff of Magical Justice in her right hand, she has on her new large gold cuff Bracelets of the Champions of The Universe with aqua blue gems on her wrists, gold Belt of Elemental Bravery with a gold phoenix head with aqua blue gems for eyes and a large aqua blue gem in its open mouth for the belt buckle, large aqua blue Spellbook of The Gods and The Universe and large aqua blue Spellbook of The Elemental Gods on her left hip and Eater of Sins revolver holstered on her right hip. There's a rainbow kanji below the Water faerie that said, "Nereid the Water Faerie, Elusive Water Faerie of Neopia, Vanquisher of The Darkest Faerie, Dear Friend of Neopia's Many Heroes, Loving Future Wife of Lincoln Loud, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Water, Rainbow Fountains, and Water Faeries."

ネレイド・ザ・ウォーター・フェアリー、ネオピアのとらえどころのないウォーター・フェアリー、最も暗いフェアリーのヴァンキッシャー、ネオピアの多くの英雄の親愛なる友人、リンカーン・ラウドの愛する未来の妻、悪の殺し屋、混乱した、殺人、冷酷、そしてサディスティックな野郎、驚くべき強力な学生驚くべき強力な教師、そして水、レインボーファウンテン、ウォーターフェアリーのマスター

Nereid the Water Faerie has transformed into SUPER ANGEL INFINITY TRUE LOVE ELUSIVE WATER FAERIE OF NEOPIA JUSTICE AND MAGICAL LOVE!

We were amazed by Nereid the Water Faerie's Super Angel Infinity transformation, when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Dark Count Bleck saw it, he fired a blast of darkness at her, but Nereid the Water Faerie fired a powerful aqua blue energy blast with water, ocean waves, and water faeries, and they hit the dark side and got him drenched.

Nico: Awesome, now, Nereid the Water Faerie's transformed.

Me: This is going to be one awesome fight.

Lincoln: Wow, Nereid, you look beautiful. How do you feel?

Nereid the Water Faerie: (Divine Echoing Cosmic Voice of The Water Faerie and Divine Love) **I feel incredible, Linky. Now, shall we administer this dark monster his punishment?**

Lincoln: (Smiles) With pleasure, Nereid.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope and he joined Nereid the Water Faerie.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Let's make this monster pay for everything he's done to Count Bleck and what he did in freeing**

**Scoots.**

Lincoln and Nereid the Water Faerie went after Dark Count Bleck, and they fired powerful blasts of rainbow energy, aqua blue energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Water Faeries at Dark Count Bleck, and they exploded with incredible power as they hit the mad scientist. Then, Lincoln attacked him with his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and left painful scars on him and Nereid the Water Faerie fired powerful aqua blue energy blasts from her staff, and it hit him.

Then, Nereid the Water Faerie fired powerful aqua blue energy beams, which tied Dark Count Bleck up with aqua blue energy ropes.

Nereid the Water Faerie: **Okay, Linky, you know what to do?**

Lincoln: **I'm on it, Nereid.**

Lincoln charged up red energy in his massive deep sapphire blue energy wings with stars in the deep sapphire blue feathers, and when Dark Count Bleck saw it, he knows death's coming for him, and he can't escape it.

Lincoln: **This is the end for you, Dark Count Bleck. DEATH WING LIFE DRAIN!**

Lincoln fired two red energy beams from his massive deep sapphire blue angel wings, and as they hit Dark Count Bleck, Lincoln began sucking out and absorbing Dark Count Bleck's powers, abilities, and his life force, and Lincoln's rainbow energy aura with elemental forces, Thunderbirds, Angels, Phoenixes, and Buffalo flared up extremely, as he gained a massive power boost as he made Dark Count Bleck's powers and abilities his own. When Lincoln was done, Dark Count Bleck was reduced to a withered lifeless corpse drained of life, and as his spirit appeared, Nereid marked his forehead with a kanji condemning him to The Black Gates, and he was erased forever. We cheered wildly for what Nereid the Water Faerie and

Lincoln did as they holster their weapons on their backs and power down, and Nereid the Water Faerie's new body, clothes, weapons, jewelry, and massive fairy wings are permanent.

Nereid the Water Faerie: That's it for that nihilistic freak. Thank you for helping me take care of Dark Count Bleck once and for all, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Nereid.

Suddenly, Nereid the Water Faerie wrapped her arms around Lincoln's waist, and it brought an atomic blush to Lincoln's face, as he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into an embrace, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Nereid the Water Faerie's face, they kissed passionately as Nereid the Water Faerie wraps her left arm around Lincoln's wider and muscular back, and she placed her left hand on Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Water Faerie flying in the air, and we also saw a herd of Buffalo running across the field, along with ocean waves crashing behind them and the display of the elemental forces behind them, and we cheered for them.

Nicole: And I'm glad Lincoln freed Count Bleck from his Dark Side, that monster was the reason why Count Bleck was like this.

Lincoln: But, now, Count Bleck is freed, and his fiancée will be glad to know that Count Bleck has been freed from his dark side for good.

Nico: That's right, big guy. And we were in for quite a surprise when we found out Dark Count Bleck was the one who broke Scoots out of her padded cell.

Lincoln: We all were. But, now, that scooter-riding heckling jerk is now chained to the post at Dad's restaurant, and she's about to be subjected to the same humiliations as Flip, Lewis Travolta, Amy, and any of the other jerks we'll bring in.

Eli: That's right.

Rita: If Scoots wants to be a jerk to everyone, well, she's about to see the hard way that her actions have consequences.

Lynn Sr.: It looks like me going berserk and everyone else joining in didn't get through to her, so she's going to be humiliated for the remainder of her days.

Nico: And when The Grim Reaper comes for her, there'll be H-E-Double Hockey Sticks to pay.

Me: Big time.

Cow reverted back.

Cow: (To the viewers) This was a funny and amazing adventure everyone. Now I'm not afraid to turn into Supercow in front of everyone.

Nico: That's good. Great job everyone. Lets head home.

We went back home and enjoyed the rest of the day and went to sleep. But the Red Guy was still getting thrashed.

Red Guy: (In pain) (Stupid Talk) I take that back. This is REAL Bad. (Laughs)

END!

Part 2 done.

Who Is Supercow was a really funny and awesome episode of Cow and Chicken and it was really awesome. It was really funny too. The episode aired on July 29th, 1997 and it was awesome. The first part of the chapter was for the Ben 10 episode called Big Fat Alien Wedding and it was awesome! That one aired on August 2nd, 2007 and it was awesome. The second part was for An American Tail III and that was one of my favorite movies. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, EtstheClarenceandTLHfan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Nico's next rescue is gonna be a really awesome and cool one as Nico, Flare Corona, Rachel Stavenport, Carol Pusateri, May, Maria, Varie, me, Eli, Kaina Tsutsumi, Camie, Himiko, Ibara, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Lana, Lola, Lisa and Lily stop a huge prison riot at the Neptune Prison in a huge attempt to escape and we're going to pulverize them all over. Also we're going to meet an Evolved Methanosian Gene-slammer named Lindsey Hollywood. Lindsey Hollywood is one of Nico's friends and she lived down in the treacherous waters of the Okefenokee Swamp and she has a really powerful mastery over plants, water and swamp animals. She also hates bullies and people like them with a vengeance. Then Lincoln's rescue is gonna be where he and his group face all the prisoners in the Uranus Prison doing the same thing in a big riot and pulverize them. Both rescues will go right into the fights right off the bat. It's going to be brutal too. Stella of the Loud House will go with Lincoln's group as well. Also Lincoln is gonna meet a Leogun Gene-slammer named Jeri Leos and she is one of Lincoln's Guardian Angels and she was raised by lions and Lincoln found her in the zoo and he helped her become a good human and also she has amazing animal talking powers. Now she is one of Lincoln's guardian angels. She has a really awesome revelation about how she mauled Scoots nearly to death. After the exercise scene we're going to the Saturn Insane Asylum to confront Tiffany Emmerson's insane mother. She has to get this out of her system. The next chapter is gonna be where we go through what happened when Cow got glasses and she is now a smart and popular girl and we're going to stop the Red Guy from building a dungeon for bad kids with many detentions. Crazy twist.

See you all tomorrow.

# Cow and Chicken 3: Cow Has Glasses

Nico's rescue was over in the Neptune Prison and ALL HELL HAD JUST BROKEN LOOSE!

POW BLAM BIFF SMASH WHAM BAM!

Nico, Flare Corona, Rachel Stavenport, Carol Pusateri, May, Maria, Varie, me, Eli, Kaina Tsutsumi, Camie, Himiko, Ibara, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Lana, Lola, Lisa and Lily were pulverizing the living shit out of all the inmate population there after they were let out in a massive and full scale prison riot!

POW WHAM SMASH BIFF BLAM POW WHOMP!

Nico: Thanks for coming with me, Flare Corona. Though, what should I call you for short?

POF BIFF CRACK SMASH!

Flare Corona blasted and burned a bunch of inmates.

Flare Corona: You can just call me Flare. It's easier.

Kaina blasted a bunch of inmates with her Quirk called Rifle.

BANG BANG BANG BANG!

Kaina Tsutsumi: That does sound easier. But in all honesty I was not expecting us to be fighting bad guys right away in this one.

Nico: Me neither.

Eli fired a blast of Force Lightning and electrocuted many inmates all over.

Eli: But it does get a lot of great practice in for future missions.

Rachel Stavenport: It is awesome though!

Rachel fired waves of lightning and electrocuted them.

Tsuyu hopped and smashed numerous inmates down.

Tsuyu: I think it's great too.

POW WHOMP SMASH!

Nico: Think we should add the cafeteria food to the mix?!

KROW BIFF WHOMP!

We were really pulverizing and smashing numerous inmates all over.

Me: I don't think they were fighting over food this time!

I grabbed an inmate and braced him to the wall.

Me: All right you son of a bitch! Who did this!? TALK!

Inmate: I will not say anything to you for everything you did to me!

Me: Maybe I'm not being clear.

I punched him in the face and I had my sword pointed at his chest ready to stab him right in his black heart.

Inmate: OKAY OKAY OKAY OKAY! I'LL TALK! IT WAS TRASK! HE DID THIS! HE LET US ALL OUT AS PART OF A PLAN TO DISTRACT THE GUARDS LONG ENOUGH FOR HIM TO ESCAPE SO HE CAN GO BACK TO EARTH AND GET EVERYONE TO START HATING ALL MUTANTS WORLDWIDE!

We gasped at that!

Me: Thank you. You helped us out.

We got all the inmates back in their cells except for Trask.

Nico: I just hope we're not too late!

We went to find him.

Eli: This way!

We followed Eli and then we found Trask and he was at the space dock.

Nico: There!

We saw BOLIVAR TRASK!

---

Dr. Bolivar Trask is the creator of the Sentinels and by default an enemy of mutant-kind, putting him into conflict with the X-Men and Charles Xavier - however unlike his creations Trask was not an inherently evil man and ultimately sacrificed himself to stop his mad creations. Bolivar Trask is also the founder and president of his namesake corporation known as Trask Industries. When his own son Larry developed mutant powers, Trask set out to learn everything he could about mutation. He hired a team of scientists to develop a device that would inhibit his son's powers. He finally came to the conclusion that mutants would inevitably use their superhuman abilities to supplant Homo sapiens. Another team of scientists developed and built the Sentinels in a secret laboratory. Trask wrote several articles on the "mutant question," but when he made an appearance on television, Professor Xavier realized that such propaganda must be rebutted. During the resulting debate, Trask demonstrated his robots, which unexpectedly left for their lab and took Trask with them. Back at the lab, Master Mold, the prototype Sentinel, confronted Trask. It had come to the conclusion that Sentinels were superior to both races: thus, robots could and should supplant humans and mutants. Taking orders from a mere human ran counter to this new imperative, so Trask would thenceforth serve the Sentinels and help build more of them. Meanwhile, the Sentinels had also taken prisoner an X-Man, the Beast. Master Mold ordered Trask to use a psycho-probe to read the Beast's mind and learn their plans. Trask learned, however, that the X-Men were protecting humanity and that his theory was wrong.

This revelation, coupled with Master Mold's betrayal and the threat to humanity, told Trask what he must do: destroy the laboratory and the Sentinels. He died in the resulting explosion. Unfortunately, Trask's propaganda, as well as several new and improved Sentinels, persists to this day. The Purifiers, under the orders of Bastion, and using Technarch technology later resurrected Trask. After his resurrection, he learns that he has inspired humanity to genocidal anti-mutant efforts, he takes the opportunity to end of the assault on X-Factor, before committing suicide.

---

Nico: Trask it's over!

Eli: Yeah you lost!

Flare Corona: Where are you gonna go, Trask? Everyone no longer hates mutants!

Trask: You're right. Everyone on THIS Earth no longer hates mutants. So I'll just go to the Yost one to start anew. Maybe I'll even meet my counterpart there!

Nico: Like hell you will!

Eli: The only way you're going to get out of here is if you jump.

Me: It'll be a cold day in hell before we let that happen! So it's time fo you to go back to your cell!

Trask: Tell it to the hand!

Me: Bite my shiny fucking metal ass!

Trask: (GASP) OH YOU DID NOT USE THAT ON ME!

Me: You're the one that walked right into that one!

Trask went at me and I punched him in the face and then an Evolved Methanosian appeared and punched him in the back!

Evolved Methanosian: (In a Girls Voice) (Hillbilly Accent) Now lets hogtie this bad turnip!

Nico: Lindsey Hollywood!? Whoa!

Lindsey reverted back and she was a hillbilly girl with green blue hair and green blue clothes and was in bare feet.

Nico: Awesome as ever Lindsey.

Lindsey Hollywood: Thank y'all kindly Nico.

Trask got up and went at me and then I punched him in the face and he lost his footing from a concussion and then got to the edge of the dock and then we gasped as we saw him fall right off and deep into the clouds of Neptune! He was killed instantly due to the gravitational pressure!

Nico: WHOA! What a fall!

Eli: He deserved that for his hatred of mutants.

Lana: Yeah that's a long way down.

Nico: 5,000 miles thick. He is dead because of the intense gravity, poisonous gases and supersonic fast winds.

Sirius: He had it coming. What a jerk. Hating people like mutants like that.

Me: Well he had it coming for trying to attack me.

Nico: Yep.

Flare Corona: What's your favorite memory of Nico?

Lindsey Hollywood: I have lots of favorites about me and Nico. But Nico y'all remember the time we walked along the swamp and we found that treasure in a cave?

Nico: Boy I sure do.

Rachel Stavenport: Wow I remember that one! That was so awesome!

Me: Wait a second you found the Alligator Vikings Treasure of the Okefenokee Swamp? That treasure was said to be a myth. That was awesome!

Eli: That is so cool!

Flare Corona: Wow! I didn't know there was a treasure in that swamp.

Ibara: That is cool.

Nico: Yep. Me and Lindsey gave it to a museum.

Sirius: That is really cool.

Nico and Lindsey hugged.

Nico: I really missed you.

Lindsey Hollywood: I missed y'all too.

Nico: But this is also the first time we've had one of our prisoners die by falling into the clouds of a gas giant planet.

Lana: First times for everything.

Lily: Yeah no kidding.

Momo: I would called this that happened to someone like Trask a blessing because now he is a forgotten memory.

Nico: Yep. But J.D. that was clever using the Bite My Shiny Metal Ass line to set him off.

Lola: Yeah that was great.

Me: Thanks.

After Nico's rescue, Lincoln, Me, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, Sabrina Spellman, Harvey Kinkle, Zelda and Hilda Spellman, Salem Saberhagen, Chloe Flan and Stella Zhau are heading to the Uranus Prison, and not only is Lincoln going to rescue the four girls there, but we're also going to stop a wild prison riot that erupted there.

We also got word that the ones who orchestrated the wild riot were Lori's old bully, Tyler Corso, along with Leni's old bully, Belle Muldoon, Luna's old bully, Nate Krensikov, and our cursed old enemies, The Black Daffodil Gang, and they wanted revenge on us again.

Lincoln: Whoa, we're here in the Uranus Prison, and I know what we're going to do here, not only am I going to rescue the four girls there, but we're also going to stop a wild prison riot that erupted there.

Nico: That's right, big guy, and we also got word that the ones who orchestrated the riot were none other than Lori's old bully, Tyler Corso, along with Leni's old bully, Belle Muldoon, Luna's old bully, Nate Krensikov, and our cursed old enemies, The Black Daffodil Gang, and they want revenge on us again.

Lori: Ugh, can't that moron, Tyler Corso, ever take a hint?!

Leni: Same with Belle Muldoon.

Luna: Along with Nate Krensikov and those cursed Black Daffodils.

Lincoln: No, they can't, Lori, Leni, and Luna. They don't give a damn about anyone except for themselves, and they hate all of us so much, they still want revenge on us.

Nico: Even after we kicked their asses hard years ago, they still refuse to give up.

Lincoln: Well, this time, not only are we stopping the riot and we're also going to pulverize Tyler Corso, Belle Muldoon, Nate Krensikov, and the Black Daffodils, but I've got a curse for monsters like them. I overheard Princess Celestia's suggestion about me making a curse for monsters like Scoots, so I got to work on creating a new curse, one to curse those bastards after we get through beating them up.

TLPS Mr. Wolf: That's perfect, Lincoln.

Lincoln: Thanks, TLPS Mr. Wolf, and I also want to thank you, Sabrina, Harvey, Hilda, Zelda, Chloe, Flan, and Salem Saberhagen for joining us, Stella.

Stella Zhau: You're welcome, Lincoln.

Sabrina Spellman: First, there was a riot in the Neptune Prison for Traitors, and now, we've got a riot in The Uranus Prison, we definitely need to tighten up security in the space prisons.

Nico: That's just what I was about to say. After the riot in the Jupiter Prison caused by Alejandro and that riot in the Blood Prison, we need to tighten up security, so no riot breaks out again, and we also need to put the most disruptive and dangerous of the criminals that we throw in there in Maximum Security Solitary Confinement.

Lincoln: And chain their ornery hides to the wall.

Suddenly, moonlight had shined down in the prison and icicles appeared from underground and then, something appeared from the moonlight and the icicles, two Mage's staves, but they were meant for Sabrina Spellman and Harvey Kinkle.

The Mage's Staff that appeared from the moonlight for Sabrina Spellman is known as Nooroo's Moonlight Moth Mage's Staff of Magical Justice, it's a Mage's Staff measuring at 8'5" in length with a massive pink orb on top of four large purple raven heads with pink gems for eyes and a pink dragon wrapped around one end of the long dark purple shaft and on the other end are four small purple raven heads with pink gems for eyes and a large dark purple split crescent with large pink orb on it for the pommel.

And the Mage's Staff that appeared from the icicles underground for Harvey Kinkle is known as Skadi's Arctic Mage's Staff of Winter Justice, it's a Mage's Staff measuring at 8'5" in length with a massive ice blue orb on top of four large white raven heads with ice blue gems for eyes and a white dragon wrapped around one end of the long dark purple shaft and on the other end are four small white raven heads with ice blue gems for eyes and a large dark purple split crescent with large ice blue orb on it for the pommel.

Nico: (Amazed) Whoa, two Mage's Staves, one of Moonlight and Magic and the other of Ice and Snow.

Lincoln 2: Whoa is right, Nico. Sabrina, the Mage's Staff that appeared before you from the moonlight is known as Nooroo's Moonlight Moth Mage's Staff of Magical Justice, and Harvey, the Mage's Staff that appeared before you from the icicles and show is known as Skadi's Arctic Mage's Staff of Winter Justice.

Hilda Spellman: Wow, that's amazing.

Zelda Spellman: And you know what that means.

Salem Saberhagen: Those morons won't stand a chance when they see Sabrina and Harvey.

Chloe Flan: They're going to get creamed.

Suddenly, the new Mage's Staves called out to Sabrina Spellman and Harvey Kinkle, as the half-witch grabbed her new Nooroo's Moonlight Moth Mage's Staff of Magical Justice and Harvey Kinkle grabbed his new Skadi's Arctic Mage's Staff of Winter Justice. Then, we saw something happen, Sabrina's blue eyes were glowing and Harvey Kinkle's brown eyes turned blue and they were also glowing, and then, we saw what happened to Sabrina and Harvey.

Sabrina Spellman was suddenly surrounded by a pink and purple energy aura with magic, moths, and moonlight, and she was then surrounded by a massive vortex of pink and purple energy with magic and moths surrounding her, the image of Nooroo the Moth Miraculous was flying around the vortex, and in the vortex is a white phoenix. Harvey Kinkle has transformed into SUPER ANGEL ETERNITY INFINITY MAGICAL ARCTIC POLAR BEAR ANGEL OF NORDIC JUSTICE AND ARCTIC HOPE!

Lincoln: Whoa, Harvey and Sabrina have both transformed.

Nico: That's so awesome.

Sabrina Spellman: (Divine Echoing Cosmic Voice of The Moonlight Moth and Magical Justice) Now, let's get these rioting prisoners under control.

Harvey Kinkle: (Divine Echoing Cosmic Voice of The Arctic Polar Bear and Nordic Justice) Right, Sabrina.

Hilda Spellman: Don't leave us out of the fight, Sabrina.

Zelda Spellman: Hilda's right, we got a lot of criminals to take care of before we get after the creeps who started this whole mess.

Salem Saberhagen: And Lincoln's going to have them all cursed, right after we kick their ugly butts to the ground, baby!

We got to work, and we proceeded with pulverizing the rioting prisoners in the Uranus Prison, we also got a ton of blows in on Scott, who couldn't even fight due to Lincoln cursing him with the Chronos' Vengeance Curse, and we knocked him down, and he got scared to death by Fang the Man Shark who we also brought along, and we also pulverized Tim Buktu as well, and we saw that TLPS Mr. Wolf did curse him when he carved an inverted pentagram on him, and we saw the same thing on Scott as well.

Sabrina Spellman and Harvey Kinkle: Petrificus Totalus!

Sabrina Spellman and Harvey Kinkle fired blasts of pink and purple and ice blue energy from their new mage's staves, which hit and petrified the rioting inmates, and we had them tied up in rainbow energy straitjackets and rainbow energy chains, and we returned them all to their cells in Maximum Security Solitary Confinement and chained them to the walls of their cells with rainbow energy and Neutronium Chains.

Lincoln: Nice job freezing them with the Petrification charm, Sabrina and Harvey. But, we're not through yet. Now, there's still the matter of Tyler Corso, Belle Muldoon, Nate Krensikov, and The Black Daffodils to take care of.

?: HELP!

Suddenly, Lincoln heard the sound of four girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye of The Buddha, and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the four girls, but they've been cornered by Tyler Corso, Belle Muldoon, Nate Krensikov, and The Black Daffodil Gang, and they're going to kill them.

Lincoln: Guys, I found the four girls, but they've been cornered by Tyler Corso, Belle Muldoon, Nate Krensikov, and The Black Daffodil Gang, and they're going to kill them.

?: Those good-for-nothing criminals, let's get them!

Suddenly, we saw the Duel Monster, Leogun, appear before us.

Nico: Whoa, that's the Duel Monster, Leogun.

Lincoln: And I recognize that voice from anywhere, I knew it was you, Jeri Leos, but we'll have to talk later, right now, we got to deal with our old enemies from the past.

We rushed on over, and Lincoln fired powerful rainbow energy balls at Tyler Corso, Belle Muldoon, Nate Krensikov, and The Black Daffodil Gang, and that allowed the four girls to get to safety. When Tyler Corso, Belle Muldoon, Nate Krensikov, and The Black Daffodil Gang saw us, they were enraged.

Lori: You just literally don't even know when to quit causing trouble, do you, Tyler? Now, you teamed up and caused a damn riot in the Uranus Prison.

Tyler Corso: None of us are going to stop until we kill all of you and destroy all of Gotham Royal York!

Belle Muldoon: We will have our revenge on all of you!

Lincoln: Why don't you all put a sock in it?! You lot have caused us enough trouble for the last time! Let's get them!

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super

Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Infinity forms and they unholstered their massive swords, Lincoln's sisters transformed into their Super Angel Infinity forms and unholster their massive swords from their backs, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Stella Zhau, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Hector got out his massive Heaven's Maw of Judgement sasumata pike, and Me, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went at Tyler Corso, Belle Muldoon, Nate Krensikov, and The Black Daffodil Gang, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, stars, rainbow flames, and rainbow crystals, and they exploded with incredible power as they hit them.

We then had them put in rainbow energy straitjackets and rainbow energy chains, so they can't ever escape, and we cheered wildly as we holster our weapons and power down, and the new bodies, clothes, weapons, jewelry, and massive owl butterfly moth wings and angel wings of Sabrina Spellman and Harvey Kinkle are permanent.

Lincoln: This is the last time we ever deal with you and the rest of your cohorts, Tyler Corso.

Suddenly, a sunlight yellow energy aura surrounded Lincoln with angels and suns, and we knew what it was: Lincoln's going to curse them with his new curse that he made for monsters like Scoots.

Lincoln: (Singing Divinely) I see a cold wind blowing through, I see days neither fun nor free, I see a future caused by you, I see a path not meant to be. Your future should filled with magic, dreams, and wishes brought to life. But, the days ahead are dark and tragic, no time for hope when all is strife, whatever might have been, all the dreams that you did share, because of you, Tyler Corso, Belle Muldoon, Nate Krensikov, and The Black Daffodil Gang. Now, the future is a cold nightmare.

Nico and I had shivers going down our spines and so did many of us when Lincoln sang that song, then, Lincoln fired powerful blasts of sunlight yellow energy from his massive deep sapphire blue angel wings, and as they hit Tyler Corso, Belle Muldoon, Nate Krensikov, and The Black Daffodil Gang, they scream in horror as we saw they now had a lion tattooed on their backs. We then had them put in separate cells in Maximum Security Solitary Confinement, and they were chained to the walls of their cells with rainbow energy and Neutronium chains, and they were left ranting in anger and rage at us.

Nico: Whoa, what was that new curse you put on them, Lincoln?

Lincoln: That was my new curse that I call Amun's Solar Vengeance Curse, and once activated by the same song, I fired blasts of sunlight yellow energy from my massive angel wings, and once they hit those who've been nothing but monsters their whole lives, the lion tattoo on their backs will spread and in a year's time, the victims of that curse will die. But, if they get attacked by us again or by the inmates, then, the curse will spread faster than ever.

Joan Delenney: Just like with what happened after we dealt with my demonic brother, Jack.

Lincoln: That's right, Joan.

Nico: So, in a year's time, not only will Jack Delenney die from the Heaven's Vengeance Curse, but it'll also mean that Tyler Corso, Belle Muldoon, Nate Krensikov, and The Black Daffodils will also die

as well.

Lincoln: Yep, and because of the curse that Lynn's male counterpart put on The Black Daffodils last year, they'll all be dragged to Hell to face an eternity of torment and torture.

Me: Nice one, and you also put that curse on Scoots before we left, right?

Lincoln: Yep.

Me: Nice!

Lincoln: Well, that's it for Tyler Corso, Belle Muldoon, Nate Krensikov, and The Black Daffodil Gang. (To Jeri Leos) And it's so good to see you again, Jeri Leos.

Jeri Leos reverted back to normal, and she's a beautiful 17-year-old girl with long flowing yellow hair, yellow eyes, she's tall at 6'5" in height, she had the body of a goddess, and she has the kanji for Lion emblazoned in the middle of her forehead, she has massive yellow angel wings, thanks to reigning in the power of Leogun, and she's dressed in a sleeveless yellow checkerboard vest, sleeveless yellow midriff top, yellow skirt, yellow pants, brown knee-high heeled boots, and long yellow sleeveless trenchcoat with lions on the coattails, and Leogun on the back.

Jeri Leos: You too, Lincoln, it's been a long time.

Lincoln went up to Jeri Leos and they hugged, and Jeri Leos was also very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become.

Lincoln: It sure has been a long time, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then.

Jeri Leos: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Jeri Leos, she's another Guardian Angel from Michigan. When she was a baby, she was abandoned at the zoo and raised by lions and she wound up as a feral girl. But, I found her and helped her out and she regained her humanity. Being raised by lions also gave her incredibly awesome strength and power and she has the strength of 100 men and is very strong, fast, keen in sight, fearless and brave, and she also has amazing animal talking powers.

We were amazed.

Me: Whoa, so you helped her regain her humanity and helped her become a good human. That's so awesome.

Nico: And because she was raised by lions, that also gave her incredibly awesome strength and power and she has the strength of 100 men and is very strong, fast, keen in sight, fearless and brave, and she also has amazing animal talking powers. That's even more awesome.

Jeri Leos: It sure is, but there's also something you should also know: I also savagely mauled Scoots and brutally scarred her all over.

Me: Whoa, we're definitely going to hear about that one later.

Nico: You said it, J.D.

Lincoln: Trust me, you guys will love hearing it. Oh, I also got you a little something, Jeri.

Lincoln gave Jeri Leos a large Leogun-themed sword with Leogun etched on the 6'10" massive, wide, double-edged black blade, large black lion heads for the crossguard, large yellow gem embedded in the rainguard, longer black handle, and four large black lion heads with yellow gems for eyes and in their open mouths and a large yellow gem on the bottom of the lion heads for the pommel.

Jeri Leos: Wow, I love the new sword you made for me, Lincoln.

Suddenly, a Thunderbird Necklace of Eternal Love appeared around Jeri Leos's neck with yellow gems on the gold lightning bolts links and black crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Jeri Leos: (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're now part of my harem and one of my many future wives, Jeri.

Jeri Leos had a smile on her face and tears coming from her eyes, as she wrapped her arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around her waist, and he leaned down and kissed Jeri Leos on the lips, and she returned it, and we cheered for them. Then, we went up to the four girls, and when Lincoln saw them, he immediately recognized them. The four girls are Assembler, Compiler, Download, and Upload from the Compiler anime.

Lincoln: Oh wow, it's Assembler, Compiler, Download, and Upload.

Nico: From the Compiler anime, awesome.

Lincoln: Are you girls okay?

Assembler: Yes, we're okay, thanks to you.

Then, when Assembler and the other three girls saw who it was that saved them from Tyler Corso, Belle Muldoon, Nate Krensikov, and The Black Daffodil Gang, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and

Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Hinon's Cosmic Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large orange Spellbook of The Gods and The Universe, large orange Spellbook of the Elemental Gods, and large electric blue Spellbook of the Thunderbird holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive and indestructible deep sapphire blue angel wings with stars and blue nebulae reflecting on them with rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, and Buffalo on them and with hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large gold buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanjis "Savior of The Loud House, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, Founder of Team Loud Phoenix Storm, The Unifier of The Three Kingdoms, and Destroyer of The House of Damaskinos" on the left leg, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large deep sapphire blue gem in the shape of a Thunderbird on top of a silver Buffalo head with the Thunderbird and Eternity Kanji on his neck and across his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, a large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had eight large orange orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Assembler: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made three clones of himself, and he and the three clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with

equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Assembler: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Thunderbird Necklaces of Eternal Love appeared on the necks of Assembler, Compiler, Download, and Upload with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We returned to the TLPS World Tree Estate and we told everyone about the rescue, along with getting the riot in the Uranus Prison under control, and they were shocked when they found out that the villains we went after and the ones responsible for this whole riot were Tyler Corso, Belle Muldoon, Nate Krensikov, and The Black Daffodil Gang.

But, when Lincoln showed what we did in getting the riot under control, along with Sabrina Spellman and Harvey Kinkle transforming, and Lincoln cursing Tyler Corso Belle Muldoon, Nate Krensikov, and The Black Daffodil Gang with the new curse, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Jeri Leos have a lot of catching up to do, now that she's back in town, and we also upgraded and tightened our security in the space prisons, and we also made sure to move the most disruptive and dangerous of the prisoners to Maximum Security Solitary Confinement, and they were all chained to the walls with rainbow energy and Neutronium chains for the rest of their lives.

---

After stopping the riot in the Uranus Prison and cursing Tyler Corso, Belle Muldoon, Nate Krensikov, and The Black Daffodil Gang for causing the riot, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Jeri Leos saw Lincoln working out like crazy, she had an atomic red blush on her face.

Jeri Leos: Whoa, I was right that Lincoln has really grown to be a 17-year-old 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Jeri, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Jeri Leos: That's incredible.

Nico: It sure is. So, Jeri, can you tell us about how you mauled Scoots nearly to death?

Jeri Leos: Gladly. One day, Lincoln and I were walking home from Gus' Games and Grub after a hang-out with Clyde, Liam, Zack, Rusty, and Stella, but then, I heard something coming straight at us: it was Scoots, and she wanted to run over Lincoln, but I wasn't going to let that old coot get away with it. So, I grabbed and hoisted the scooter up and tossed Scoots out of her scooter, and then, I went berserk and pulverized and mauled her badly, leaving claw marks on her clothes, and I even bit her on her arms and legs. Then, I threw Scoots right back to Sunset Canyon, where Varie tied her up in another straitjacket and threw her back in her padded cell in the Lansing Maximum Security Insane Asylum.

We cheered for what Jeri Leos did to Scoots.

Nico: Serves her right for this.

Lincoln: And yesterday, Scoots broke out of the Lansing Maximum Security Insane Asylum, and she really caused a ton of chaos and destruction in Gotham Royal York, but Varya Pozhar transformed and she and I took care of Scoots.

Me: Yeah, and she's going to be subjected to the same humiliations as Flip, Lewis Travolta, Billy McLean, Amy, and any other jerk we bring in.

We then got a shower afterwards, and then, we were on our way to the Saturn Insane Asylum, and for a good reason: we're going to confront Tiffany Emmerson's insane mother, and she's going to get it out of her system.

Lincoln: We're here in the Saturn Insane Asylum.

Nico: Yeah, and for one reason: to confront Tiffany Emmerson's insane mother.

Tiffany Emmerson: It'll be good for me to get this out of my system.

Me: After what happened to you last year, Tiffany, that's a good idea.

Luan: And we'll be with you, just in case your mother tries to attack us.

We then head for where Tiffany's insane mother was imprisoned in, and when we got to her cell, we saw hateful messages written in blood: Kill The Demon Child, Death To All Heretics, and the worst of all, Death To Team Loud Phoenix Storm and The Masters of Evil.

Nico: Yikes.

Me: Looks like her insanity's gotten even more worse than ever, after we threw her in here last year.

Lincoln: Let's stay on our guard, there's no telling how much worse Tiffany's mother has become.

We stood ready, and then, we saw our prisoner, Tiffany Emmerson's insane mother, but she's even more worse and insane than ever, her hair's become disheveled and her eyes are now red with pure insanity.

Tiffany Emmerson: Hello, Mother.

Mrs. Emmerson: YOU?! I will kill you, demon!

Tiffany Emmerson: You are not laying one hand on me or my friends ever again, Mother. I didn't come here to fight, I came here to talk, and I want to know something. What have I ever done to deserve you coming after me and trying to kill me? What have I ever done wrong?!

Mrs. Emmerson: I HATE YOU! YOU ARE NOT MY DAUGHTER, YOU'RE JUST A DEMON IN HER SKIN, AND WHEN I BREAK OUT, I WILL KILL YOU AND EVERYONE HERE! YOU ARE ALL GOING TO HELL!

Tiffany Emmerson may have gotten it out of her system, but she broke down and cried, and Luan and Lincoln ran up to her and hugged her.

Lincoln: I see there's no reasoning with someone who's forever lost their touch with reality.

Luan: To say something like that, that was just pure evil.

Lincoln: And I still remembered what that brat Evil Lynn said about me. Ugh, I should've turned her into a human pretzel before we threw her back in prison.

Lori: Mrs. Emmerson's just like Margaret White, and it looks like there's no way she can ever be cured.

Nico: I'm afraid not, Lori, and Lincoln's right, she's forever lost all sense of reality and reason, and she'll remain here until the day she dies.

We then left the Saturn Insane Asylum, and the doctors declared Mrs. Emmerson tragically incurable, but before we left, Lincoln called the guards and they had her put in a padded isolated cell far from the general population, and she was put into a rainbow energy straitjacket and rainbow energy chains so she couldn't escape, and she was also chained to the wall with rainbow energy and Neutronium chains, so she couldn't escape ever, and she was condemned to die in prison.

---

Later it was time for Applejack's 2nd Ambassador Mission.

Applejack: YEEHAW! It'll be awesome to see Rodney and Andy again.

Me: Yep this is your second mission.

William: Anyone else want to go with Applejack? Besides, Chiro, the Monkey team, and 1 Rabbid?

Nico: Eli, May, Maria, Rachel, you want to go too?

May: Hey sure!

Rachel Stavenport: I would be honored Nico.

Maria: Yeah me too!

Nico: Cool!

Me: If we see Kyle, I hope I can get to scare him with my awesome new Saber Kamen Rider form. That will be amazing.

Eli: Yeah it would be awesome!

We were off to the Southwestern side of the city.

We arrived in the southwestern side of the city.

Andy Johnson: Hey guys!

Rodney: What's up guys!

Applejack: Andy, Rodney, meet J.D.'s adopted Brother.

Eli: Hey there. My name is Eli Winston Bullock and I'm also the son of Pharaoh Atem.

Me: Eli is not my brother by blood. Eli biologically is the son of Pharaoh Atem from 5,000 years ago and in the universe he came from he was sent to the future for safety. But Eli was trained a lot under me and learned so much there. I've been his guardian and his brother ever since.

Andy Johnson: Wow! That is amazing!

Me: Yep.

May: Awesome to meet you guys. I'm May and Nico is my husband.

Maria: I'm Maria Rockell, second in command of the Redemption Squad.

Rachel Stavenport: And I'm Rachel Stavenport, Nico's friend from gym class and fairy and Orthopterran Gene-Slammer.

Rodney: Awesome!

Chiro: I'm Chiro. And these are my friends in the Super Robot Monkey Team. Antauri, Gibson, Otto, Nova, and Sparx.

Antauri: Awesome to meet you.

Otto: Same here.

Nova: Yeah it's an honor.

Sparx: Awesome!

Gibson: Pleasure to make your acquaintance.

Rodney: Pleasure is mine.

Me: The Super Robot Monkey Team are interstellar warriors that protect the universe from the evil forces of The Skeleton King.

Andy Johnson: Whoa.

Sparx: Heard you guys are preparing for a baseball game.

Andy Johnson: Do you guys want to join in? We're not forcing any of you.

Nico: We would like that.

Applejack: Sure Andy.

Me: Yeah if Kendra can have a lot of fun playing baseball on her Ambassador missions Applejack can too.

Maria: I agree.

Andy Johnson: Awesome! Lets go!

Rodney: Hopefully, one of our teams playing will get to score a point!

Me: Let me guess, you're playing against that jerk Kyle and his cheating team.

Andy Johnson: Yes I am.

Nico: Cool. Looks like J.D. will show you his new Kamen Rider Saber form.

Andy Johnson: Kamen Rider?

Me: It's a Japanese Variant of the Power Rangers and they are totally different from the Super Sentai.

Eli: Really long and awesome story.

Me: Yep.

We got the baseball game underway.

Salty Mike: Monkeys?! You guys must be desperate!

Sparx: You're gonna be eating those words when there's finally a winner of these baseball games

Me: That's right jerk. And another thing, I have something special planned for you.

?: And he will not be alone.

We turned and saw a familiar figure. It was Kento Fukamiya!

Me: (Speaking in Japanese) 深宮健人！アンバサダーミッションの前にセイバーライダーの一人に会えて光栄です。(Kento Fukamiya!

It's an honor to meet one of the Saber Riders before the Ambassador Missions.)

Kento Fukamiya: Same to you J.D. I heard during the Kiva Ambassador missions that Calibur appeared and you destroyed him.

Me: Yes that's right. Kento I am so sorry you lost your life against him.

Nico: Yeah that was awful!

Gibson: I believe I'm up to bat first.

Nico: Go get him Gibson!

Kento: J.D. and you and I talk alone?

Me: Sure. Nico?

Nico: Go ahead J.D.

I went with Kento.

Me: Kento I'm sorry you went through all that. If this is about what happened in Saber and with me killing Calibur, then…

Kento: No no it's not about that and you have my thanks for killing Calibur knowing that he will return later on for revenge. But this is more important than that. I came because I want to join the redemption squad.

Me: You are already a potential Redemption Squad candidate.

Kento: That's right. But I have a message for you that I would like you deliver to Touma later on during the Saber Kamen Rider ambassador missions.

Me: What is it?

Kento: I need you to tell Touma and my friends that I will be joining Team Loud Phoenix Storm in the Redemption Squad from now on to atone for the trouble I caused to Touma and team for trying to seal the swords.

Me: It's not your fault Kento. You were lied to about the future. You were just brainwashed by the Sword of Shadows and that is what lead you to that conclusion.

Kento: Thank you J.D.

Kento then hugged me and I hugged him too.

Gibson hit the ball as soon as Salty Mike threw it.

CRACK!

IT WAS A HIGH FLY BALL AND IT WAS OUT OF THE PARK!

Nico: WHOA! WHAT A HIT!

HOME RUN!

Andy's team was on fire! They were leading 10-0!

Me: WHOA!

Kento: My goodness! What a shot!

Me: Yeah!

Kento: By the way J.D. what is your Saber form?

Me: This.

I pulled out and showed my Wonderbook.

Me: Hokuto Phoenix.

Kento: Very awesome.

Antauri was up to pitch.

Nico: Here we go.

Kento: Antauri looks like he has a fast pitch.

Eli: Yes he does. What did you and J.D. talk about?

Kento: It was to ask if I can join the redemption squad as my way to atone for my deeds.

Maria: We always have room for many awesome recruits.

May: That's right.

Antauri threw the ball and it had fire form around it and then…

SWUNG MISS!

Umpire: STRIKE 1!

Antauri did the same thing 2 more times.

Umpire: STRIKE 3! YOU'RE OUT!

Kyle: NO WAY!

Maria: Kento, you're up to bat now.

Kento: All right!

Me: Give him the Thunderbolt Bat!

Kento: Yeah!

Kyle was pitching and Kento was up. He had a golden bat ready.

Kyle threw the ball and then…

THUNDERCLAP!

KENTO HIT THE BALL AND LIGHTNING EXPLODED OUT OF THE BAT AND THE BALL WENT FLYING FAR AND HIGH INTO THE SKY!

Me: HOLY FUCKING SHIT!

Applejack: YEEHAW! That was great!

But back at the Estate as Lana was playing games…

SMASH!

The ball broke through the window!

Lana: WHOA!

Lynn saw the ball and picked it up.

Lana saw a symbol on the baseball and it was for Raimeiken Ikazuchi or Thunderclap Sword Yellow Thunder!

Lana: Wow!

May: Who says Japanese can't play baseball? Not us!

Me: You got that right! Not only is Japan great at soccer but they are great at Baseball too!

Nico: YEAH!

Then Eli's cell phone rang.

Eli: Oh (Answers) Hello?

Lana: Eli it's Lana. How did a baseball get hit all the way up to here?

Eli: Oh we have a new Redemption Squad recruit. You'll see shortly.

Applejack: YEEHAW! That was amazing!

ANDY'S TEAM WON!

Salty Mike: I object! You all were cheating!

Nova: Hey, we weren't cheating. We're just better baseball players!

Nico: You guys are the cheaters!

Eli: We saw everything you did and it was a disgrace to sports everywhere.

Eli showed videos of Kyle and team attempting to sabotage everything. Everyone was shocked and they booed the hell out of them! Kyle and his team were disqualified and Andy and his team Won by default!

Kyle: We want a rematch!

Antauri: (eye twitches) Ok. You can have your rematch. (Picks up water pitcher) RIGHT HERE!

Antauri smashed the entire water pitcher on Kyle's head.

Otto: (shocked) Remind me never to set Antauri off. Ever.

Nico: Noted.

Me: And this will remind you.

HOKUTO PHOENIX!

Me: HENSHIN!

I turned into my Hokuto Phoenix Saber Kamen Rider Form!

Me: Now what was it you were saying about a rematch? Hmm?

Kyle and his team then got scared and then wet their pants and everyone then bursted out laughing at them and then they ran home to their mommies!

Kyle and his friends were banned from Baseball for life. Andy and his team are true baseball champions.

Later we came back home.

Varie: Hey guys.

Me: Hey everyone we have someone with us now.

Everyone saw Kento.

Lana: Whoa is that?

Kento: Yes. Kento Fukamiya of Saber.

Me: He's the Lightning Sword Kamen Rider and he just joined the Redemption Squad.

I told everyone what happened and it was awesome.

Lana: Wow!

Lynn: YEAH! That was awesome!

Applejack: YEEHAW! This was a great Ambassador mission.

William: Next time, the Vreedle Brothers and Dudley Puppy should go with you.

Applejack: They would like that!

Dudley Puppy: Yeah they would!

* * *

We were later walking through a beautiful and amazing forest.

Me: Wow! This is an amazing forest.

Nico: It sure is something.

Laney: Yeah it's beautiful.

Rachel Stavenport: Yep.

Thunderblast: Nervous, Nico?

Nico: Very. I'm just worried that Rachel's parents because they are fairies they are gonna turn me into a salamander!

Rachel Stavenport: Oh Nico they would never do that. My parents are too kind for that.

We got to a plant wall and then Rachel used her powers to open it and then we came to a huge and beautiful NATURE FAIRY KINGDOM!

Rachel Stavenport: Welcome to Tellus Kingdom.

Me: Whoa!

Eli: Rachel this is amazing.

Kento: Wow.

Me: Rachel this is incredible.

Nico: Wow.

Rachel's mom and dad came and they too were human size fairies.

Terran Stavenport: Rachel welcome home sweetie.

Tierra Stavenport: Oh honey you have grown so much.

Rachel hugged her mom and dad.

Rachel Stavenport: It's awesome to see you all again mom and dad.

Static: Hi, you must be Rachel's parents.

Terran Stavenport: Oh Team Loud Phoenix Storm it's an honor. We certainly are. My name is Terran and I'm Rachel's dad.

Tierra Stavenport: And my name is Tierra and I'm Rachel's mother.

Me: It's a pleasure to meet you both. We are here because well.

I turned and they saw Nico who was shaking like a leaf.

Terran Stavenport: Why Nico is that you? You have grown into a great young man.

Nico: H-h-h-hello Mr and Mrs. Stavenport.

Me: He's really nervous because he thinks you're going to turn him into a salamander.

Laserbeak: Actually, he's scared you'll kill him with a shotgun.

Rachel Stavenport: Whoa Laserbeak my people don't use guns or swords. We use magic.

Laserbeak: Oh sorry.

Terran Stavenport: That's right Nico we would never do that to you.

Tierra Stavenport: Not after how much you have done for the world and everything.

Nico: Oh good.

Brawn: Not even when your daughter's in a relationship with Nico?

Terran Stavenport: No! Besides like us she is immortal like all of you.

Me: That's right! Fairies can live forever.

Nico: Wow. Yeah that's right.

Laney: That is awesome.

Rachel Stavenport: It sure is. So Nico is…

Terran Stavenport: Yes Nico has our blessings.

Nico: Oh thank you!

Tierra Stavenport: How about we show you all around before you head home?

Me: Sure.

We walked around and Tellus Kingdom was breathtaking and beautiful.

---

Meanwhile we were in the school cafeteria having a great lunch.

Vice: Seriously, Rachel, you and your parents should learn the joys of killing scumbags by using guns.

Rachel Stavenport: I'm sorry Vice but it's part of my family's traditions and I have to respect that. Been that way for thousands of years.

Nico: Yes I respect it too.

Me: Same with me.

Then Hydros, Ice Demon, Iceage, Captain Cold, Blizzard, Firebrand, Pyros, Molten Man, Shendu and El Diablo appeared.

Hydros: Can me, Ice Demon, Iceage, Captain Cold, Blizzard, Firebrand, Pyros, Molten Man, Shendu and El Diablo hang out with you guys?

Nico: Sure guys.

Iceage: (See's Kento) Whoa is that Kento from the Saber Kamen Riders?

Nico: Yep. Long story.

Grenade Man: Nico, which Gene Slammer do you think you'll meet on your next rescue?

Nico: Lets see. I'm hoping to meet a gene-slammer for one of Juryrigg's kind next.

Shanan: Wow a gene-slammer for a Planchaküle. Awesome choice.

Laney: That will be awesome to see.

Impmon: As long as I get to have some fun pineapple head.

Blizzard: Wonder what's for lunch today.

Me: I brought plenty for us to eat.

Everyone saw that I had grown a tree with all our favorite foods on it. Then we saw a little girl with blue hair and blue fairy wings.

Rachel Stavenport: There's my little sister Eileen. She goes to Lana and Lola's classes and she has mastery over water.

Nico: Wow. I remember seeing her back when she was a baby.

Rachel Stavenport: Yep she's growing like a weed.

Eileen went up to a chef in the cafeteria.

Eileen Stavenport: I'll have Pork Butts and Taters please?

SPLAT!

The chef had a hateful look on her face and she splattered her all over with slop!

Eileen Stavenport: HEY! This isn't pork butts and taters! This is dog poop! Today is Tuesday and I always get Pork Butts and Taters on Tuesdays! WE WANT PORK BUTTS AND TATERS!

Everyone in the cafeteria was chanting Pork Butts and Taters!

Kids: PORK BUTTS AND TATERS! PORK BUTTS AND TATERS! PORK BUTTS AND TATORS!

Totally Spies Alice: Let's not get involved with this.

Rachel Stavenport: I know that chef.

Rachel went over to Eileen.

Rachel Stavenport: Eileen you can sit with us for lunch.

Eileen Stavenport: Oh thanks big sis.

Chef: Go sit with your freak of a sister!

Rachel Stavenport: You shut your ugly mouth now!

Rachel fired a beam of magic and turned her into a turkey!

The chef gobbled. Then another chef decided to turn the chef into a turkey dinner!

Eileen Stavenport: That was awesome sis!

Rachel Stavenport: No one messes with my sister.

Eileen was sat down with us.

Nico: Boy you were just a baby when I saw you last Eileen.

Rachel Stavenport: Nico held you ages ago Eileen.

Eileen: Wow it's awesome to see you again. Nico even though I don't remember what happened.

Nico: That's all right.

Captain Cold: Kento, you should probably reunite with Touma and the others on Megan's second mission.

Megan McCallister: It'll be awesome going to meet Touma and team.

Kento: It sure will.

Me: That is one of the coolest series of the Kamen Riders. Also the Zenkaigers met the Saber Kamen Riders a while back.

Kento: It's true. Zocks stole one of our Wonder Rider Books and we were trying to get it back.

Nico: I remember seeing that. That was awesome.

Me: Boy Zocks never ceases to amaze us.

Will Vandom: Yeah he sure does. (Singing) Yo-ho-hoy- yo-ho-hoy-yo-ho-hoy-hoy! Hey! I am a World Pirate. In pursuit of treasure, I go from sea to sea! I am a pirate. In pursuit of freedom, I travel from world to world! I'll get my hands on it no matter what! And then I'll get a feeling that's two good! Yo-ho-hoy!

We got a thrill out of that.

Over in Japan, Zocks sneezed.

Magine: Someone must be talking about you again.

Zocks: Yep.

Tomahawk Man: We're gonna be having a special mission with the Zenkaigers this month.

Me: Yep on May 21st and that one I am most looking forward to.

Zarya Moonwolf: Same here. That is gonna be an awesome one.

Rachel Stavenport: I've heard so much about the missions with the Zenkaigers. And how Zocks punched Nico in the face for supposedly being an incompetent leader.

Nico: Yeah he gave me a big time reprimanding.

Me: Like how the Aligned Transformers did to me.

Molten Man: Actually, he punched Nico in the face because he thought he was being a bad friend to J.D.

Nico: But I honestly took it maturely and like a man.

Miko: Honestly, Zocks' reprimanding was how a reprimanding should be. No contest.

Me: That's true. And in the end I punched Zocks in the face. He had a black eye for 3 weeks.

Eileen Stavenport: Wow! You must've been really strong J.D.

Me: Superhuman strength comes with the job description.

Velma Dinkley: By the way Eileen why does that cook hate you so much?

Eileen Stavenport: She never has liked me from day 1.

Rachel Stavenport: Yeah I hate that chef. What she has done is pure evil. She treated my sister like a plague and she did not like her one bit. It was for no reason at all.

Headstrong: Hey, Metal Man. You know your Metal Blade?

Metal Man: Sure do. Why?

Headstrong: Tell me what you think of this drawing?

Headstrong showed a picture of Metal Man's Metal Blade colored orange.

Metal Man: Whoa!

Me: His blade turned orange?

Nico: Wow!

El Diablo: Can I have the turkey the chef turned into?

Nico: Yes.

The turkey was roasted and prepped.

Nico: That is one chef we can sink our teeth into.

We laughed!

The turkey was brought out to us and we got to eating.

Me: Boy it's like Thanksgiving.

Cow and Chicken came.

Brimstone: Hey, Cow and Chicken!

Cow: Hey guys!

Chicken: Hey what's up guys?

Nico: Just having lunch. We're having all kinds of foods.

Eileen Stavenport: With Roast Turkey A La Bad Chef for dinner.

We laughed.

Chicken: Cool!

Cow: Can we sit with you?

Nico: The more the merrier.

We saw Cow's glasses.

Me: Cool glasses Cow.

Cow: Oh thank you.

Ice Demon: How's your day been so far?

Chicken: Oh it's great!

Cow: Look what everyone is drawing for me.

She showed us all comics made for Supercow.

Nico: Supercow Comic Books. Wow!

Me: Very creative.

Chicken: It sure is amazing.

Winx Club Stella: Wow! J.D. how did you get your own Kamen Rider form for Saber?

Nico: Yeah that's what I would like to know.

Me: That is an awesome and epic story.

Divebomb: Was it when you fought Calibur the first time?

Me: Nope. It was when I helped kill Master Logos. I met the Saber Kamen Riders after we destroyed the Shredder in Arderial in the Moonlands and there I helped them take him down once and for all. It was there that I got Hokuto Phoenix, and Stareon the Sword of the Stars. It's the 11th and most powerful sword of them all. After I took down Logos, I used the Black Gates on him and destroyed him forever.

Nico: Whoa!

Eli: That's amazing! Nice job bro.

Me: Thanks.

Camie: Who is Master Logos?

Me: You would not like this guy one bit.

I told them all about him.

---

**Master Logos** is one of the two main antagonists of *Kamen Rider Saber* alongside Storious. He serves as a background character in the first quarter, the overarching antagonist in the second quarter, and the main antagonist in the third quarter.

He is the most recent Master Logos serving as the leader of the Sword of Logos. His true name is **Isaac Kanda** . He is responsible for the attack on Wonder World 15 years ago and is involved in a conspiracy whose objective is to access the Tome of Ancients and use its power to remake the world.

Descended from the clan founded by the first Master Logos, Isaac inherited the title after being selected to become leader of the Sword of Logos. Discontent with his role as protector of what he saw as a stagnant and foolish humanity, Isaac secretly forsook his duty and began working to gather all the Wonder Ride Books and Sacred Swords in order to use their power to recreate and obtain the Almighty Book.

To this end he manipulated Hayato Fukamiya into sealing Luna and releasing the Megiddo. He also enlisted the Shindaisiblings to carry out his will, letting them know of his plans to seize the Almighty Book though keeping his true intentions with it a secret from them. He has a secret alliance with Storious, with whom he conspires to reassemble the Almighty Book so he can use its power to remake the world to his liking.

After gathering the Sacred Swords and using them to summon the Almighty Book, despite a minor setback caused by Touma, Isaac denounce his Master Logos title and gains his own personal Seiken which he uses to transform into **Kamen Rider Solomon** .

He is portrayed by Keisuke Soma, who is best known for playing Genta Umemori/ShinkenGold in *Samurai Sentai Shinkenger* .

Prior to becoming the modern day incarnation of Master Logos, Isaac was born some time in the year 993. He was originally from a clan descended from the first Master Logos who founded the Sword of Logos to protect and serve humanity since immemorial, but eventually became disillusioned towards humanity and peace.

At some point he inherited the title from the previous Master Logos and became the head of Sword of Logos. As his clan had been exposed to a portion of the power of the Great Book, Isaac aged much slower than a regular human. Over the thousand years he lived he witnessed humanity continually repeat their mistakes over and over, leading him to become disillusioned towards his role as their protector. This would lead him to desire to recreate the Great Book so he could use its power to remake the world and recreate humanity as he saw fit. To this end, Isaac had each of the four Wise Sages eliminated to ensure they would never become threats to his plan.

He at some point made a pact with Storious of the Megid to work together to recreate the Omniscient Tome and use its power to their liking.

After Tetsuo Daishinji became Kamen Rider Slash, he was brought before Master Logos along with the other swordsman of Northern Base to be inducted.

Later, after receiving visions from Kurayami of Master Logos remaking the Book of Omniscience and using it to end the world, Hayato Fukamiya went to confront the Master. Master Logos revealed that what Hayato saw was indeed true, but told him that he was only doing what was necessary to put an end to the conflict. The Master explained that the fighting between the Sword of Logos and the Megid had gone on for 2000 years, and that it would only create more destruction if it was allowed to continue, thus the Master thought it would be better to destroy the world and remake it into a paradise rather than allow it to be destroyed by the fighting between the two sides. Hearing this, Hayato reluctantly agreed to help Master Logos in his goals. The Master instructed him to target Luna and to use her for a ritual to connect the worlds. Although Hayato was reluctant to go after a child, especially one who was friends with his son, Master Logos convinced him it was for the greater good.

Hayato's plan resulted in a three way battle between himself, the swordsmen Riders and the Megid. After slaying Hayato, Daichi Kamijo took up the identity of Calibur and joined the Megids to uncover who the traitor was who corrupted his friend, turning the Calibur moniker into a renegade name.

15 years later, after Reika Shindai joined the guild, Master Logos sent her to keep tabs on the current Saber and to serve as his liaison to Northern Base.

Isaac appears at the end of the movie in a post-credits scene, placing away a mysterious book inside Southern Base.

Following Sophia's meeting with the second Kamen Rider Calibur, Isaac had his messenger Reika Shindaisecretly abduct Sophia and bring her to Southern Base. There he met with her while she was in captivity.

Touma Kamiyama and Tetsuo Daishinji later snuck inside Southern Base to seek an audience with Isaac currently, at the same time Storious also infiltrated the base seeking to obtain the Primitive Dragon book. Disguised as a simple guardsman, Isaac found Touma and brought him to the room where Storious was. As Touma and Storious faced each other, Isaac mysteriously vanished. After Touma took the Primitive Dragon book from Storious, Isaac observed him using it in battle, smiling as he was overtaken by its power.

Though Ryo Ogami later defected to Touma's side, Isaac was unperturbed by the development and simply gave Reika permission to enter the battlefield as Kamen Rider Sabela, all while noting that everything was going as he expected it to.

In response to the chaos going on between the Riders and throughout the world, Tassel entered the throne room of Master Logos to ask Isaac to do something. However, it was at that point that Isaac revealed his true intentions of obtaining all the Sacred Swords and using them to access the Tome of Ancients so he could use their power to remake the world, declaring that he was willing to exploit the Riders, the Megiddo and the chaos going on to reach this goal. When Tassel protested, Isaac simply sealed him inside a book.

Isaac later met with Reika to discuss the creation of Elemental Dragon, telling her that their next move was to claim the Wonder Ride Books in Northern Base. Reika asked what they should do about the emergence of the new Kamen Rider Calibur and the books he had sealed, Ryoga Shindai appeared and suggested they just defeat Calibur and claim the Abyssal Blade. Isaac agreed and stated that the blades were what was important, not the swordsmen wielding them.

After discovering Reika Shindai was holding Sophia hostage, Rintaro went to report her corruption to Isaac. However, Isaac then revealed that he was also in on the conspiracy, and had eliminated the Wise Sages in the past, before summoning Ryoga Shindai to deal with Rintaro.

Sometime after Zooous created the Neko Megid from Mei Sudo, Isaac met with Storious in his throne room to discuss their next move. Storious noted that Sophia had returned to Northern Base, though Isaac was unconcerned and stated that she might even help with gathering all the Wonder Ride Books needed to recreate the Book of Ancients. He then declared that their next move would be to claim Northern Base's power and informed Storious that Northern Base had a portion of the Book of Ancients not unlike the one in his possession. Storious then teleported away to check up on Zoous, leaving the scene just before Reika and Ryoga Shindai arrived in the throne room. Reika informed Isaac that the traitor and the Megid had gotten away, but Isaac told her not to touch them and instructed them to leave them alive before teleporting away himself.

Right before the attack on Northern Base, Isaac met with Storious to discuss their plan of attack. Storious noted that the base had a barrier around it to protect it from attack, but Isaac declared that breaking it would be mere child's play. Storious then offered to provide support for the attack, noting that he had a "wild beast" ready to rampage. After Storious departed, Isaac went out to the balcony of Southern Base and fired a magical arrow all the way to Northern Base, shattering the barrier and allowing Isaac's cohorts to break in.

Isaac later intervened to summon Kamen Rider Durendal back to base, declaring that they had everything they needed. When Ryoga and Reika returned, Isaac revealed to them that they had had obtained more Wonder Ride Books in their attack, making it easier for them to claim Northern Base's portion of the Book of Ancients.

Isaac would later meet with Reika Shindai to discuss their plans, remarking that they were progressing smoothly. He then instructed Reika to claim the remaining Holy Blades and to dispose of the "swordsman of wind", Ren Akamichi, as they no longer had any use for him.

While Reika became Sabela to attack Ren and Desast, Isaac went to claim Touma and Kento's holy blades. Upon his arrival, Kento immediately identified him as Master Logos, and Touma recognized him as the Northern Base swordsman who had led him to the Primitive Dragon book. When asked what his goals were, Isaac insisted that he simply sought to create a world free of conflict, but Touma and Kento didn't believe him.

Isaac then revealed that his "perfect world" would include the suffering of humans and asked that they hand over their Sacred Swords. Touma and Kento refused and transformed into Kamen Riders Saber and third Calibur in order to face him, while Isaac pulled out Espada/third Calibur's old Raimeiken Ikazuchi to face the two Riders untransformed. Clashing with third Calibur, Isaac revealed he was the one who manipulated Hayato Fukamiya into kidnapping Luna in the past before summoning Buster's Dogouken Gekido to dual wield with Ikazuchi against the Riders.

Upon hearing that Isaac was responsible for Luna's disappearance, the two Riders charged at Isaac in a fury, but despite being untransformed Isaac was able to outmatch both of them. Refusing to give up, Touma and Kento got up again and clashed their blades with Isaac, only for their fight to be interrupted by a mysterious flash from Touma's picture book. The place they were in then became connected with the Wonder World, and the three discovered Luna on the other side. Before Touma could reach Luna however the portal closed. With the confirmation that Luna was alive, Isaac decided to take his leave and exited the scene.

Returning to Southern Base, Isaac went to the chamber that held the Book of Ruin and decided to finally unseal Bacht.

From his throne room, Isaac instructed Reika and Ryoga to continue watching over Touma Kamiyama before informing them that he would be setting loose "a hound" to the field and dismissing them. Once they were gone, the Master summoned Bacht from the Book of Ruin, who proclaimed his intention of ending the world upon his release. Isaac told Bacht that he couldn't allow him to do that, as he also intended to destroy the world, but that he could let him get revenge on the swordsmen who had sealed. Bacht was content with this and took to the field to battle the current Saber.

After Reika kidnapped Luna and brought her to Isaac, Isaac commended the Shindai siblings for successfully capturing her. It was that Ryoga questioned why Isaac had unsealed Bacht, to which the Master answered that he was a "hound" needed to gather the Holy Blades and Wonder Ride Books. Isaac then traveled to the spot where the worlds had become connected with Luna and the Shindai siblings, and summoned a massive tower that had the Seiken embedded in it. They were soon confronted by Rintaro, Tetsuo and Ryo, but Isaac was unconcerned as everything was going according to his plan. He sent Durendal and Sabela to defeat the swordsmen, with Durendal striking down Blades and claiming his Seiken for the tower. However, it was then that Bacht suddenly swooped in and attacked the sibling Riders, adding their Seikens and Wonder Ride Books to Isaac's collection. Kento and Ren also appeared, and after fighting each other and Bacht, their Wonder Ride Books were added to the tower as well. With Calibur and Kenzan defeated, the only Rider left was Falchion until Touma arrived on the scene seconds later. As Touma transformed to fight Falchion, Isaac released Emotional Dragon and allowed Touma to use it to strike down Bacht. Defeated, Bacht let out one last laugh before fading away.

With Bacht out of the way, Isaac easily claimed the remaining Seiken and Wonder Ride Books from the injured Touma, adding them to the tower and completing the preparations needed to recreate the Great Book. It was then that Luna awakened, and Isaac sent her up to be used as part of the ritual to recreate the Great Book. Sophia attempted to stop it by taking Luna's place, but Isaac knocked her out of the way with a burst of red lightning fired from his hand. However, not willing to lose Luna again, Touma refused to give up and traveled up a light bridge Luna had created to rescue her. Isaac was unconcerned, as Luna had already fulfilled her purpose by bridging the worlds and allowing the Great Book to be restored, and had both Northern and Southern Base fire beams into the air from either side of the world to complete the Great Book's formation. Upon reaching Luna however, Touma pulled his Seiken from the formation and caused all the other Seikens to be reunited with their previous owners.

This did little to stop the ritual, as the Great Book was still reformed and, though incomplete, manifested as the Caladbolg Wonder Ride Book, which soon fell into Isaac's hands. Summoning his own personal Seiken from the book, Isaac slashed at the swordsmen Riders before disappearing.

Having returned to Southern Base, Master Logos discussed the Omniforce book with Storious. Storious asked if the book was really the Great Book, to which Master Logos said it wasn't as it was still incomplete. Storious then offered his assistance in gathering the remaining Wonder Ride Books so it could be completed.

Master Logos later began to make preparations for the end of the world, creating a plume of darkness over the city and drawing the swordsmen Riders to him. Upon being confronted, Master Logos revealed his intentions to create a world of conflict and destruction, declaring that he had grown tired of his obligation to protect humankind and that humans would always be prone to conflict. Touma however rebutted by saying it was still his vow to protect them and that he was going against it, though Master Logos did not care. Master Logos then used the Omniforce book to transform into Kamen Rider Solomon, as the other swordsmen all assumed their Rider forms to do battle against him. Even with only a portion of the

Great Book at his disposal however, Master Logos was able to easily outmatch and defeat each of the Riders. After fighting them all off, Solomon used his power to create giant books over every country in the world. From these books, a projection of Master Logos appeared and declared himself the new God of the world. Proclaiming his name to be "Isaac", the current Master Logos proclaimed that the end was coming and that, if humanity wanted to be saved, they would have to fight amongst each other until a victor emerged.

Returning to Southern Base, Master Logos was confronted by the Shindai siblings. Ryoga Shindai asked if Master Logos still intended to uphold his vow to guard the world, but Master Logos proclaimed that he was not "Master Logos" anymore and told Ryoga and Reika to call him "Isaac". Ryoga then stated that if he was no longer Master Logos, then the Shindai clan would not need to serve him as their loyalty was only to Master Logos. Reika and Ryoga transformed into Sabela and Durendal to face Isaac, but Isaac overwhelmed them both as Solomon. Saber and Blades then arrived and assisted the Shindai siblings in fighting back against Solomon, but Solomon was still able to hold them off with his immense power. Right as Solomon unleashed an attack against the Riders however, Yuri appeared as Kamen Rider Saikou X-Swordsman and dissolved it before teleporting away with Touma, Rintaro, Reika and Ryoga.

Returning to his lair, Isaac witnessed Bacht regenerate once again. Bacht asked Isaac when he planned to end the world, to which Isaac responded by commenting that it would be much more fun to watch it slowly fall into destruction. However, Isaac soon became disappointed when he realized humanity wasn't following his command to make war and went to go push them towards fighting. He approached Rintaro Shindo and Kento Fukamiya, while the former was trying to reason with the latter, and transformed into Kamen Rider Solomon to take both swordsmen on. The two heroic Riders were soon joined by Touma Kamiyama as Kamen Rider Saber, but it was at that point that Solomon summoned a massive book and used it to level the entire city, as a way of demonstrating that he was serious about his words. Kento, as Kamen Rider Calibur, attempted to use the power of Kurayami to seal Solomon and sacrifice himself in the process, but he was stopped by Touma, who proclaimed that they would fight Master Logos together and both come out alive. Isaac however mocked Touma for sacrificing a shot at sealing him and knocked all three Riders out of their transformation with a slash of his Caladbolg sword. Solomon then went to go finish Touma off, but before he could do so Yuri appeared and transformed into Saikou X-Swordsman to fight him. Yuri grabbed Kurayami from Kento and used its power combined with his light sword to temporarily seal away Isaac. It was not long before Isaac broke free however.

Isaac would then resume using his books to destroy swathes of cities as part of his plan to destroy and remake the world. He was soon confronted by both the Northern Base and Southern Base Kamen Riders, but Isaac became Kamen Rider Solomon and easily fought them off. Touma Kamiyama then arrived to assist his fellow swordsmen, but Bacht also appeared to face him and the other Riders. After Touma slayed Bacht, he joined swords with the other swordsmen and their Seikens to bring forth the Haouken Xross Saber, which he used to transform into Kamen Rider Xross Saber. Wielding the power of each of the Seikens, Saber sent each of them to slash and destroy each of the books Solomon summoned to target a different city around the world, restoring everything Solomon had destroyed. Solomon then summoned several golems from the Omniforce book, but Xross Saber struck down each one before driving Solomon off.

Returning to Southern Base, Isaac noted the appearance of the legendary Haouken Xross Saber and proclaimed his intention to target Luna. Not longer after, Reika and Ryoga Shindai broke into Southern Base in order to take back the Wonder Ride Books in his possession. Upon entering, the two discovered that Master Logos had frozen all the Southern Base swordsmen in place to keep them from interfering. The two would soon be confronted by Kamen Rider Solomon and assumed their Rider forms to fight him. Solomon slashed at Sabela, only to discover she was a smoke illusion. Durendal then attempted to attack Solomon, but Solomon stabbed and critically wounded him. It was at that point that Sabela appeared, having gone and taken the Wonder Ride Books while her brother held off the Master, before teleporting away with her brother in a plume of smoke. Using the book gate that Reika had taken, Touma and Rintaro entered Southern Base to confront the Master, finding him in his throne room with Storious. Touma asked Isaac what his motives were, to which Isaac respond that it was because he lost someone he loved, only to then reveal he was joking and that he was simply discontent with his clan's duty to protect humanity, in spite of humanity's continued mistakes. He then proclaimed his intention to remake the world and change humanity to his liking, offering to allow Touma to join him in his new world, but Touma refused. The Master then teleported everyone present in the room to a field outside a forest and transformed into Kamen Rider Solomon while Storious summoned a Charybdis Megid to face the Riders. While Kamen Rider Blades fought the Megid, Kamen Rider Xross Saber faced off against Kamen Rider Solomon. After Xross Saber overwhelmed and defeated Solomon, the battleground disappeared and everyone returned to the throne room. Touma offered the defeated Master Logos a chance to continue protecting the world with him, but before Isaac could respond Storious swooped in and teleported them both to the Megid lair. Storious asked the Master what his next move would be, to which he responded it was to capture Luna again.

Isaac remarked that if they captured the girl, they could easily use her to recreate the Book of Omniscience. Storious, seemingly disinterested, remarked that Saber's new holy blade was a sight to behold, to which Isaac retorted by saying "his god" had not given him permission to speak. Isaac would then shove the Omniforce Book into his Driver and use it to transform into Kamen Rider Solomon again before heading out to capture Luna. He first traveled to Northern Base, where Reika and Ryoga Shindai were preparing to set off to liberate Southern Base from him. Revealing himself, as the two siblings assumed their Rider forms to fight him, Solomon cast a spell on Durendal to force him to kill his sister before departing. From the real world, Solomon reached into the Wonder World to try and grab Luna with a colossal, shadowy hand to use her to obtain the rest of the Book of Omniscience. As Luna fled from him, Touma, Rintaro and Kento all arrived and assumed their Rider forms to fight him. Solomon stood his ground against them at first, only to eventually be forced out of his transformation by Xross Saber. Isaac would then attempt to mind control Saber, only for his spell to be blocked out by the Haouken Xross Saber. However, he then turned his attention to Touma's friends and cast his spell on them to make them fight Touma in order to force Touma to kill them. However, both Rintaro and Kento broke free of Isaac's brainwashing and loaned him their Wonder Ride Books for him to become Kamen Rider Featuring Saber with the Haouken Xross Saber. With his new form, Touma overwhelmed Solomon, countering everything Solomon threw at him, before shattering the Omniforce book and causing Solomon to be engulfed in flames as Isaac's transformation was cancelled. A beaten and bloody Isaac then scooped up the pieces of the Omniforce book and fled the scene, shrieking over its loss. As he sat down in a secluded cave, the pieces of the book reformed into the Omniforce, leading Isaac to proclaim his tale would go on. However, Storious then appeared and proclaimed that Isaac's tale was at an end. Isaac maddeningly declared once more that he was god and demanded Storious kneel before him only to dissipate into dust, leaving Storious to claim the Omniforce book.

When I was done everyone was shocked.

Tsuyu: WHOA!

Kaina Tsutsumi: That guy is a monster.

Me: No kidding. And Nico this is for you.

I gave Nico the Eternal Phoenix Wonder Rider Book as well as the purified version of the Unmarked Sword Nothingness.

Nico: Cool! My own Kamen Rider Saber sword and Wonder Rider book.

Me: Yep.

Shendu: That's one minion Storious won't have when we fight him on the big day.

Nico: Nope.

Me: Yep. And that big day isn't till early September.

Eli: Yeah.

Me: Storious is gonna have a massive powerful and deadly surprise in store for him. I also took this from Logos.

I pulled out the Omni Force Wonder Ride Book.

Nico: WHOA IS THAT?

Me: Yep. The Omni Force Book. Logos was really playing with fire in this one.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal, and he saw who the figure was in the vision: it was none other than Gemini, another enemy of Mega Man, and they're here to take revenge for what happened long ago. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is there someone else coming after us?

Lincoln: Afraid so, Nico, and Geo, you're not going to like it one bit: the dark energy signal I sensed belongs to Gemini, another of your enemies, and he's here to take revenge on you for destroying him long ago.

Geo Stelar and his friends gasped in shock.

Geo Stelar: This is not good. We got to destroy him, but we can't underestimate him.

Lincoln: I know, he has electrokinetic powers and abilities, just like me, but my powers have evolved dramatically over the years, and I also have powers over the other elemental forces, along with many other incredible powers and abilities. If he thinks I'll just use lightning, he's in for a surprise.

Nico: (Smirks) A big one when he sees you using the other elemental forces, big guy.

Lincoln: True, but I'm not the one he's going to be facing.

Briana the Air Faerie: That's right, he's going to face me and Lincoln. If Gemini thinks they'll get away with trying to take revenge on Geo Stelar and his friends, he's in for one rough battle.

Nico: That's right.

Me: Facing off against one of the Air Faeries of Neopia, Gemini's in for one windy ride when Briana and Lincoln get through with them.

Then we felt a rumble.

Buzzsaw: Alright, let's see what Red Guy's up to now.

We then saw a massive construction tractor pull up.

Nico: Whoa!

Me: Wow look at that.

Eli: Are they building a new swimming pool?

Kid: No they aren't! I found out that they are really building a dungeon for bad kids with too many detentions!

Me: A dungeon?!

The Red Guy laughed malevolently!

Red Guy: Now there will be no bad kids anywhere in this school!

Nico: A dungeon for kids with too many detentions is overkill!

Iceage: That's one prison we don't need!

Nico: No way! A dungeon like that in my opinion is worse than a solitary confinement cell in Deadman Wonderland.

Shiro: I agree there completely.

Nico: Yeah!

Quick Man: I can't believe I'm saying this. But we can't let that prison be built!

Nico: I agree! A prison like this is worse than the Black Hole of Calcutta.

Raj: (Indian Accent) A prison like this is far too dangerous for people as young as this.

Pyros: In my opinion, sending kids with detentions to the Principsl's office is enough!

Nico: That is for sure!

Chicken: Yeah! But the last time something like this was built it was really an indoor swimming pool and I ended up blowing up the school because it was right by a nuclear power plant.

Cow: Which was really crazy.

Long John Silver: It be entrance time!

Nico: Lets do it!

We went at him.

The Red Guy laughed Malevolently.

Then the spirits of Fire and Ice appeared and swirled around him! Then they blasted him all over with fire and ice and then converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted above him and fireballs rained down and they hit the dungeon and melted it and then icicle shards hit the tractor and froze it and shattered it into a million pieces and then a phoenix cry was heard and then we came out!

Nico: You just never give up in causing mayhem huh?

Red Guy: No and I never will!

Supercow: SUPERCOW AL RESQUETE!

Supercow appeared!

Red Guy: Isn't this the part where you say a Kamen Rider catchphrase?

Nico: Nope. Still not feeling it right now.

Firebrand: (to Kento) It's only a matter of time before he says Touma's catchphrase.

Nico: I will decide this story's ending!

Firebrand: Oh I spoke too soon.

Kento: But he said it really well.

Me: He sure did.

Then Deker, Abis Mal, Nergal, Motor Ed, Mojo Jojo, Po Kong, Radioactive Man, Gizmo, Private HIVE, Penguin and Hank Scorpio appeared.

Nico: Deker, Abis Mal, Nergal, Motor Ed, Mojo Jojo, Po Kong, Radioactive Man, Gizmo, Private HIVE, Penguin and Hank Scorpio.

Abis Mal: I heard one of the Kamen Riders is in the Redemption Squad.

Kento: That's me.

Nergal: Wow!

Me: Kento is one of the Saber Kamen Riders.

Po Kong: Wow it's a honor to have you with us.

Me: Even though we haven't started the big missions for the Kamen Riders yet they are already joining us too.

Nico: Yep.

Deker: (to Kento) So, how did you like playing baseball?

Kento: It was actually enjoyable.

Abis Mal: Glad to hear it!

Nergal: And Kyle's not gonna be playing baseball ever again anytime soon.

Me: Nope. Now he is permanently banned from baseball for life.

Po Kong: Thank goodness.

Motor Ed: (to Nico) Heard there was a prison break. Seriously.

Nico: There sure was. Both in the Neptune and Uranus Prisons.

Motor Ed: Wow! What are the odds of that?

Mojo Jojo: At least our world's Trask is gone.

Nico: Yep.

Me: He became the first ever prisoner we have to fall into the clouds of one of the Gas Giant Planets.

?: Wow that is huge!

A figure came out and it was WHIRNADO From episode 20 of Jungle Fury!

---

Whirnado serves Grizzaka. Grizzaka summoned him and ordered to attack Ocean Bluff and destroy the Power Rangers. Whirnado attacked the city and encountered the Rangers. He fought only three Rangers: Theo, Lily and RJ. He was winning due to his super speed and leaps. But the Rngers combined their powers and defeated him with Blue and Yellow Claw Boosters and Wolf Morpher. Grizzaka revived and enlarged him. In the giant fight, he fough the Jungle Master Megazord and Wolf Pride Megazord. The monster survived the finishing attack from the Wolf Pride and tried to fly away but the Rangers combined into Jungle Master Megazord with Bat Power and Whirnado was destroyed by the Spin Attack. However, before his death, Whirnado laid an egg and gave birth to his son Whiricane.

---

Casey Rhodes: Whirnado!

Whirnado: Been a while rangers.

Me: I remember you! Grizzaka sent you to destroy the rangers and you overwhelmed Lily, RJ and Theo with your speed and leaps. But the coolest part at the end was where you laid that egg to make Whiricane.

Whirnado: That's right. Good memory on you.

Me: Never missed an episode.

Casey Rhodes: I honestly didn't expect you to lay an egg.

Whirnado: Well, not all of my fellow monsters share that ability.

Me: Also Casey he is an ostrich and Ostriches lay huge eggs.

Valon: (Australian Accent) He's right on that mates.

Nico: Yep.

We got the usual battles underway.

Mojo Jojo was next.

Mojo: (to Jaune) Hard to imagine that there was a Cafeteria Worker that hates Rachel's sister. At least she's gone now.

Jaune: Thank goodness for that. And I can tell lots of kids here hated her including Principal Huggins.

Fluttershy: I agree there too and she is now a turkey that is cooked and basted.

Tornado Bolt: (LAUGHS) Yeah and served with mashed potatoes, gravy and green peas.

They laughed!

Stealth Elf: It was like she was turned into a Thanksgiving Dinner.

Sinestro: And she sure tasted delicious.

Mojo Jojo: I'm glad she was a good meal. Lets do it!

They fired waves of light, flowers, grass and leaves and smashed him down.

Nora Valkyrie, Applejack, Apple Bloom, Earth Skylanders, Star Sapphire Corps, Undermine and Brimstone VS Po Kong - The Red Guy Building a Dungeon for bad kids with numerous detentions

---

Po Kong was next.

Po Kong: (to Nora) What do you think of the Red Guy Building a Dungeon for bad kids with numerous detentions? Personally, I think it's unnecessary.

Nora Valkyrie: I agree on that. And I think it's a prison no one is gonna be agreeable with. It's a form of overkill.

Applejack: Yeah what in the hay is the Red Guy thinking building something like that?

Po Kong: I honestly have no clue. He may be a comical version of The Devil but he is a total idiot.

Apple Bloom: I agree there but he is funny.

Flashwing: Yeah he sure is a funny guy. He makes some of us laugh too.

Carol Ferris: You got that right there.

Po Kong: I may be a demon and know what the Devil can do but he always makes me laugh whenever I eat all the food there is. Lets do it!

They fired waves of rock, earth, crystal and apples and smashed her down.

---

## Pyrrha, Pinkie Pie, Featherweight, Tech Skylanders, Three Stooges, Indigo Tribe, Divebomb and Rampage VS Radioactive Man - A dungeon for kids with too many detentions is overkill

---

Radioactive Man was next.

Radioactive Man: (to Pyrrha) A dungeon for kids with too many detentions is overkill. It's one prison we don't need.

Pyrrha Niko: I agree there! That is oe kind of prison that no one ever wants.

Pinkie Pie: Boy you got that right! A normal prison is much better than a prison for kids that are bad like that.

Featherweight: I agree there completely.

Sprocket: I agree there too myself.

Moe: Yeah I would call that a Prisoner of War camp right there.

Curly: Yeah no kidding! That like what we saw during the war.

Larry Fine: It was crazy! Almost as crazy as Moe back when he was covered in quick drying rubber.

Moe: (Laughs)

SLAP!

Moe slapped him across the face.

Moe: What's a matter with you?

They laughed.

Radioactive Man: I never get tired of that.

Indigo 1: Nok. It's funny and awesome.

Radioactive Man: It was awesome. Lets do it!

They fired waves of metal, gears, lightning and energy and smashed him down.

## Lie Ren, Twilight Sparkle, Starshine Sparkle, Sunny Starscout, Magic Skylanders, White Lantern Corps, Laserbeak and Buzzsaw VS Gizmo - Didn't Cow and Chicken go through the same thing?

---

Gizmo was next.

Gizmo: (to Ren) Didn't Cow and Chicken go through the same thing? If so, how'd they get out of it?

Lie Ren: Yes they did go through this before but that one was considered a misunderstanding.

Twilight Sparkle: Yeah that was crazy. They thought they were going to get a dungeon too. But in the end it was actually an indoor swimming pool that was being built.

Starshine Sparkle: That is crazy. Hard to imagine that it would actually be a dungeon here.

Sunny Starscout: It sure is quite a twist. But at least it won't end with a nuclear power plant blowing up.

Spyro: That was crazy! At least no one was killed back then.

Rapunzel: No kidding! That was so awful.

Gizmo: Man what kind of barfbrain would build a school next to a nuclear power plant?

Lie Ren: Someone who has no brain that's what.

Gizmo: Yeah no kidding. Lets do it!

They fired waves of magic and energy and smashed him down.

Emerald Sustrai, Princess Celestia, Amber Morning, Light Skylanders, Agent Orange, Barbossa and Long John Silver (Treasure Planet) VS Private H.I.V.E. - Visiting Tiffany's mother in the Saturn Asylum

---

Private H.I.V.E. was next.

Private H.I.V.E.: (to Emerald) I heard you guys visited Tiffany's mother in the Saturn Asylum. Was she really that far gone?

Emerald Sustrai: Worse than you think. She was deemed tragically incurable.

Princess Celestia: The death of her husband completely messed up her mind far beyond the point of no return.

Amber Morning: Yeah you should have seen what happened.

---

We then got a shower afterwards, and then, we were on our way to the Saturn Insane Asylum, and for a good reason: we're going to confront Tiffany Emmerson's insane mother, and she's going to get it out of her system.

Lincoln: We're here in the Saturn Insane Asylum.

Nico: Yeah, and for one reason: to confront Tiffany Emmerson's insane mother.

Tiffany Emmerson: It'll be good for me to get this out of my system.

Me: After what happened to you last year, Tiffany, that's a good idea.

Luan: And we'll be with you, just in case your mother tries to attack us.

We then head for where Tiffany's insane mother was imprisoned in, and when we got to her cell, we saw hateful messages written in blood: Kill The Demon Child, Death To All Heretics, and the worst of all, Death To Team Loud Phoenix Storm and The Masters of Evil.

Nico: Yikes.

Me: Looks like her insanity's gotten even more worse than ever, after we threw her in here last year.

Lincoln: Let's stay on our guard, there's no telling how much worse Tiffany's mother has become.

We stood ready, and then, we saw our prisoner, Tiffany Emmerson's insane mother, but she's even more worse and insane than ever, her hair's become disheveled and her eyes are now red with pure insanity.

Tiffany Emmerson: Hello, Mother.

Mrs. Emmerson: YOU?! I will kill you, demon!

Tiffany Emmerson: You are not laying one hand on me or my friends ever again, Mother. I didn't come here to fight, I came here to talk, and I want to know something. What have I ever done to deserve you coming after me and trying to kill me? What have I ever done wrong?!

Mrs. Emmerson: I HATE YOU! YOU ARE NOT MY DAUGHTER, YOU'RE JUST A DEMON IN HER SKIN, AND WHEN I BREAK OUT, I WILL KILL YOU AND EVERYONE HERE! YOU ARE ALL GOING TO HELL!

Tiffany Emmerson may have gotten it out of her system, but she broke down and cried, and Luan and Lincoln ran up to her and hugged her.

Lincoln: I see there's no reasoning with someone who's forever lost their touch with reality.

Luan: To say something like that, that was just pure evil.

Lincoln: And I still remembered what that brat Evil Lynn said about me. Ugh, I should've turned her into a human pretzel before we threw her back in prison.

Lori: Mrs. Emmerson's just like Margaret White, and it looks like there's no way she can ever be cured.

Nico: I'm afraid not, Lori, and Lincoln's right, she's forever lost all sense of reality and reason, and she'll remain here until the day she dies.

We then left the Saturn Insane Asylum, and the doctors declared Mrs. Emmerson tragically incurable, but before we left, Lincoln called the guards and they had her put in a padded isolated cell far from the general population, and she was put into a rainbow energy straitjacket and rainbow energy chains so she couldn't escape, and she was also chained to the wall with rainbow energy and Neutronium chains, so she couldn't escape ever, and she was condemned to die in prison.

FLASHBACK ENDS

Private H.I.V.E.: My god. I am so sorry that happened with Tiffany.

Emerald Sustrai: Yeah her mom is just a total hollow shell of her former self.

Spotlight: An absolutely totally lost cause case. The doctors said that she was diagnosed with severe postpartum psychosis caused by schizoaffective personality disorder. The death of her husband enhanced it 100 times.

Private H.I.V.E.: Oh man! Poor Tiffany. Losing her dad really was bad but also her mom having to suffer like this? That is awful.

Larfleeze: Yeah that is awful all that happened.

Emerald Sustrai: Lori said that she has become like Margaret White.

Private H.I.V.E.: That is awful. Permission to start the battle?

Emerald Sustrai: Granted soldier! But first this. ZENKAI CHANGE!

She changed into her Ryusoulger Zenkaiger Form!

Emerald Sustrai: ZENKAI DINO SOUL! ゼンカイディ ノソウル

Private H.I.V.E.: Amazing! You look awesome as a Zenkaiger.

Emerald Sustrai: Thank you.

They fired waves of magic and light and smashed him down.

---

Penguin was next.

Penguin: So Cow got glasses I see. Is it because she was told to get them?

Dew Gayl: That's right. And believe it or not Chicken thought he needed glasses too.

Trixie Lulamoon: But he shouldn't get glasses because it's prescription only.

Triple Berry: Yeah no kidding and many of us wear glasses but only because the ophthalmologist said so.

Flynn: Yeah but she looks awesome with glasses.

Cali: She sure does. I just hope nobody makes fun of her for it.

Hugo: Yeah I wear glasses myself and they are cool too.

Mags: They sure are guys.

They fired waves of energy and smashed him down.

Blackbird: That's right and it's an honor to have the Autumn Maiden as my archenemy.

Amber (RWBY): I'm honored.

Blackbird: Boy crazy thing going up huh? Whoever thought up the idea of building a dungeon for bad kids is the biggest idiot on the face of the planet.

Amber (RWBY): Well it most certainly Principal Huggins idea. So it obviously must be the Red Guy's idea.

Princess Cadance: I agree there and a dungeon like this is really big overkill.

Flurry Heart: Yeah I agree there mom. It's a stupid idea.

Lily Crystal: Yeah and it has to be torn down.

Cloud Star: I agree there too.

Salem: I think so too.

Blackbird: Same with me. Lets do it1

They fired waves of fire and energy and smashed her down.

Sophie Casterwill: (British accent) You heard right and that was Andy's team. They never scored a single point.

Princess Luna: All because of Kyle's team cheating.

Moondust: Totally dishonorable in the world of sports.

Snowdrop: Yeah they deserve to be banned from sports forever.

Gari: Not only that but they are looking at big time fines too.

Blackout: Yeah they deserve to have every penny taken from them.

Hal Jordan: Absolutely on that one.

Indigo 1: Nok. They also need a lesson in compassion.

Saint Walker: But what is really amazing is that J.D. and everyone met one of the Saber Kamen Riders too.

Carol Ferris: I think it's awesome too!

Brittney: Having one of the Kamen Riders on the team already is an awesome idea. Also we haven't even begun the second part of the Kamen Rider Ambassador missions yet. And Musa goes to the world of Class of 3000 tomorrow.

Larfleeze: Looking forward to that one for her.

Sinestro: Same here for her.

Maggie: She sure must be looking forward to it.

Rapunzel: Absolutely.

Hank Scorpio: Awesome songs gonna play in that one. Lets do it!

They fired waves of energy and darkness and smashed him down.

We can use these talisman cards to fire elemental and magical forces at villains, and with our swords and other weapons in hand, we can also use the talisman cards to imbue your weapons and really give enemies quite the beating of their lives, and once in hand, we will all gain a massive power and energy increase, and these talisman cards only obey their wielders.

Momo: Wow! That is definitely true about me.

Eli: It sure is.

Lola: Also in case you're wondering how she knows all about that Momo, it's because Isabel is our chief shaman.

Geo Stelar: I knew there's no mistaking the two voices from anywhere. You can come out now, Gemini.

Two figures came out, and it was none other than Gemini, another enemy of Geo Stelar and his friends and the EM Being of Lightning.

Geo Stelar: I should've known you'd also show up as well, Gemini. You just don't even know when to quit, do you?

Gemini: Silence, humans! We will destroy you all!

Briana the Air Faerie: That's not going to happen, the only ones about to be destroyed are you two.

Suddenly, Briana the Air Faerie's pale blue eyes turned neon pale blue, and she was surrounded by a sky blue energy aura with winds, clouds, and air faeries, she got out her massive Neopia's Magic Staff of Magical Justice, and as she approached Gemini, she left sky blue energy, winds, clouds, and air faeries with every step.

Briana the Air Faerie: Gemini, the crimes that you've committed against mankind can never be forgiven, and for that, I will put an end to you for good.

Suddenly, Briana the Air Faerie was surrounded by a massive vortex of sky blue energy with winds and clouds surrounding the vortex, there's an air faerie flying around the vortex, and in the vortex is a pale blue phoenix. Then, as the vortex faded, Briana the Air Faerie emerged, but she was changed forever.

Briana the Air Faerie has transformed into SUPER ANGEL

INFINITY TRUE LOVE HURRICANE FORCE AIR FAERIE OF NEOPIA JUSTICE AND MAGICAL LOVE!

We were amazed by Briana the Air Faerie's Super Angel Infinity transformation, when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Gemini saw it, it flew into a rage and fired a blast of lightning at her, but Lincoln absorbed it and it made him stronger than ever, and Briana the Air Faerie fired a powerful sky blue energy blast with winds and air faeries at Gemini, and it hit the electric EM being, and it hit the wall.

Nico: Whoa, Briana the Air Faerie's transformed, this is going to be one windy battle.

Lori: You said it.

Lincoln: Wow, Briana, you look beautiful. How do you feel?

Briana the Air Faerie: (Divine Echoing Cosmic Voice of The Hurricane Air Faerie and Divine Love) **I feel incredible, Linky. Now, shall we administer this electric monster his punishment?**

Lincoln: (Smiles) With pleasure, Briana.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope and he joined Briana the Air Faerie.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Time to short out that electrically-charged monster.**

Lincoln and Briana the Air Faerie went after Gemini, who fired more blasts of lightning at them, but Lincoln and Briana the Air Faerie absorbed the blasts and it made them stronger than ever, and they fired powerful blasts of rainbow energy, sky blue energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Air Faeries at Gemini, and they exploded with incredible power as they hit the electric EM being. Then, Lincoln attacked him with his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and left painful scars on him and Briana the Air Faerie fired powerful sky blue energy blasts from her staff, and it hit him.

Then, Lincoln grabbed Gemini by the neck, and hoisted the EM being up with his immense and brute superhuman strength, and Lincoln began sucking out and absorbing Gemini's electrokinetic powers and abilities, along with Gemini's weapons, and Lincoln's rainbow energy aura with elemental forces, Thunderbirds, Angels, Phoenixes, and Buffalo flared up extremely, as he gained a massive power boost as he made them his own. Then, Lincoln tossed Gemini into the air, and he and Briana the Air Faerie fired powerful beams of energy, and as they hit Gemini, it exploded with incredible power, killing him and we also made his powers and weapons our own. Then, as his spirit appeared, Briana marked his forehead with a kanji and he was erased by The Black Gates forever. We cheered wildly for what Briana the Air Faerie and Lincoln did as they holster their weapons and power down, and Briana the Air Faerie's new body, clothes, weapons, jewelry, and massive fairy wings are permanent.

Briana the Air Faerie: That's it for that electrically-charged monster. Thank you for helping me with taking care of Gemini, Linky.

Lincoln: (Smiles Warmly) You're welcome, Briana.

Suddenly, Briana the Air Faerie wrapped her arms around Lincoln's waist, and it brought an atomic blush to Lincoln's face, as he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into an embrace, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Briana the Air Faerie's face, they kissed passionately as Briana the Air Faerie wraps her left arm around Lincoln's wider and muscular back, and she placed her left hand on Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Air Faerie flying in the air, and we also saw a herd of Buffalo running across the field, along with a gentle breeze blowing and clouds forming right behind them and the display of the elemental forces behind them, and we cheered for them.

Nico: Wow, that's so awesome, and the breeze that blew in from their display feels so nice.

Me: You said it, this sure feels amazing.

Lori: Literally.

Geo Stelar: And that's another of my enemies brought down for good.

Lincoln: You said it, but there's still more of them out there, but we'll be ready for them.

Me: Along with many others, Lincoln.

Shiro: (To the viewers) This was an awesome adventure! I hope you all had fun with this one as we thrashed the Red Guy yet again.

Nico: Oh yeah you bet we did. And School is just about done. Lets get back to class.

We went back to class and then after we got back inside the Red Guy crashed into ground!

CRASH!

He was buried under a bunch of trees from the debris of the battle. We later went back home and later went to sleep.

The Red Guy emerged all mangled up.

Red Guy: (In Pain) (Stupid Talk) Grandma is that you? (TREES SMASHED ONTO HIM) (In more pain) Is there a bladder specialist in the house? (GROANS IN EXCRUCIATING PAIN)

Part 3 done.

The episode The Cow With Four Eyes was one of my favorites and it was really funny. I did a twist for this one where there really was a dungeon being built this time. The episode aired on September 2nd, 1997 and it was really awesome and funny. The first 2 parts were for prison breaks and they were awesome. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, EtstheClarenceandTLHfan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Nico's next rescue is gonna be a really awesome and cool one as Nico, Iron Man, Rachel Stavenport, Carol Pusateri, May, Maria, Varie, me, Eli, Kaina Tsutsumi, Camie, Himiko, Ibara, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Lana, Lola, Lisa and Lily are going to an amazing carnival and I'm going to do a daredevil stunt where I swing on a flag rope and save a girl that gets pushed off a building and falls to her doom. The girl is gonna be Byleth from Fire Emblem, the female version. We're also going to meet a Planchaküle gene-slammer named Dahlia Newton. Dahlia Newton is Nico's friend from Vermont and she is also a great pancake chef. She also makes her own awesome and delicious Vermont Maple Syrup. She is also a gene-slammer of a Planchaküle. We're also going to face the one that pushed her off and it's going to be Leena Klammer from Orphan. The next rescue for Lincoln will be in PS 118 from Hey Arnold and we're going to pulverize Wolfgang and his friends who just will never learn. We're going to also meet a Fire Princess Gene-Slammer named Charlotte Windsor and she is a long lost princess of England. She is descended from Mary, Queen of Scots. She is an awesome guardian angel of Lincoln and she also has amazingly awesome fire angel powers and has fire angel wings and fire powers too. She is going to reveal an immensely horrible revelation about Mr. Bolhofner that makes him worthy of getting the worst form of capital punishment ever. Then we're going to face Mr. Bolhofner after the exercise scene and we're going to send him back to prison for eternity with a curse for bad breath alcoholic abusers. The next part for Cow and Chicken is gonna be where we go to Folsom Prison on an awesome field trip and WE'RE GOING TO PULVERIZE AND SMASH ALL THE PRISONERS THERE TO PULP AND REALLY MAKE THEM PAY! LET THE TORTURE AND RETRIBUTION BEGIN!

See you all tomorrow.

# Cow and Chicken 4: Folsom Prison Trip

This chapter is based on the Cow and Chicken episode Field Trip to Folsom Prison

---

Walking through the middle of the city was Nico, Iron Man, Rachel Stavenport, Carol Pusateri, May, Maria, Varie, me, Eli, Kaina Tsutsumi, Camie, Himiko, Ibara, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Lana, Lola, Lisa and Lily. A huge festival was going on and it was gonna be an awesome sight to see.

Himiko Toga: This is gonna be awesome to see. I can't wait to see what this festival will be like later tonight.

Camie: It's gonna be awesome.

Me: It sure will be girls.

Lincoln: (Down) Yeah whatever.

I looked at Lincoln and noticed that he was upset about something but I couldn't place my finger on it. But it was probably nothing.

Nico: Thanks for coming with me, Tony.

Iron Man: No problem Nico. This is gonna be awesome going with you on a rescue.

Maria: I'm always up for a great rescue.

Rachel Stavenport: Same with me. This is gonna be awesome.

Nico: Tony, when you and Pepper have a kid, you know what you should call it?

Iron Man: What?

Nico: Morgan.

Iron Man: Not a bad idea Nico. Thanks.

Nico: You're welcome.

Me: That's a great name for a boy or girl.

Iron Man: Thanks.

Me: Anytime.

Nico: It was a great idea.

Me: Lincoln you and your class are gonna have an awesome time as we thrash criminals at Folsom Prison later today.

Lincoln: I'm really excited about that but that's not what has me so upset.

Me: Oh. You can tell us when you are ready.

Lana: Yeah bro we're always here for you.

Lincoln: Thanks guys.

Nico: And Tony, that's the name of your baby should it be a girl.

Iron Man: I like it.

Me: Morgan can be both for a boy or a girl Nico.

Nico: Oh right. That's still cool though.

Me: Yep.

Nico: And she'll love you 3000.

Iron Man: I like that. And you got that from Marvel Endgame.

Nico: Yep.

Me: Awesome reference.

Eli: Wait look up there!

We saw a girl and she had dark green hair and was in a green dress and she had a really awesome sword. And she was blindfolded.

Nico: What's going on up there?

Me: I've got a bad feeling about this.

But then that feeling came true when we saw her get pushed off! EVERYONE GASPED!

(IMPERATRIX MUNDI PLAYS AT 1:55 TO 2:33)

Me: OH NO!

I ran fast and knew I had to save her from plummeting to her death and I ran passed everyone.

Nico: J.D. COME BACK!

I ran and I saw a rope with flags and I fired a beam of energy and it hit the rope and cut it and I jumped and grabbed it and swung on it like how Tarzan would and then I went for the girl and just as she was about to almost hit the ground I held out my hand and caught her and we swung back and everyone cheered wildly in a thunderous roar of applause! I jumped and landed back with everyone.

Nico: WAY TO GO J.D.! THAT WAS AWESOME!

Eli: AWESOME BRO!

Camie: WOOHOO! THAT WAS INCREDIBLE!

Sirius: YEAH! AWESOME!

Rachel Stavenport: WOW!

I brought her over.

Iron Man: Who is she?

Eli: (Gasp) It's Byleth!

Nico: From Fire Emblem? Whoa!

I took off her blindfold.

Me: Byleth are you all right?

Byleth saw us.

Byleth: What happened? (Gasp) You're J.D. Knudson and you all are Team Loud Phoenix Storm! What happened?

Nico: J.D. saved your life. He saved you from plummeting to your doom. You were pushed off that beam up there and you fell a long way.

Me: I cut a rope and swung on it and save you.

Byleth: Wow! (HUGS ME AND CRIES HARD)

Iron Man: Who did this?

Byleth: I don't know. She was a little girl that had a murderous hatred and she pushed me off. She had a strange accent. Eastern Europe I think.

Me: (GASP) That motherfucking malignant bitch! I didn't expect our psychotic serial killer friend Leena Klammer to be back for revenge.

Camie: Who is Leena Klammer?

Me: You would not like her one bit Camie. She's a dangerous psychotic serial killer from Estonia.

I went over her history.

---

Esther Coleman (real name: Leena Klammer) is the titular main antagonist of the 2009 horror film Orphan and will return as the titular protagonist of its upcoming prequel Orphan: First Kill.

She is presumed to be a 9-year-old Russian girl who now has a foster family named The Colemans (Kate Coleman, John Coleman, Max Coleman, and Daniel Coleman). However, she is actually a 33-year-old Estonian woman and she has a hypopituitary disorder that makes her look much younger than she actually is.

She was portrayed by Isabelle Fuhrman, who also played Clove in The Hunger Games.

According to Dr. Värava from the Saarne Institute, an Estonian mental institution, Esther Coleman is a serial killer who has already murdered at least 7 people that they know of. For this, she was later caught and placed in the Saarne Institute. She was one of the wildest and violent patients, who would always hurt the staff employees. These behaviors eventually resulted in her being put in a straitjacket; she would constantly get out of them due to her fighting and resisting, but developed several scars as a result.

After this, she escaped and used her child-like body to pretend to be a 9-year old child named Esther, where she forged documents and created a new identity. Because of this, she is never found and is later adopted by the Sullivans, an American family. She tried to seduce her adopted father, but failed. She killed everyone and burned the house down, feigning that it was an accident. Following this, she was sent to a nearby American orphanage, where she did not get along well with the other children.

Despite this, nobody suspected her true identity, as Leena had prosthetic false teeth made and wore makeup to help her look younger than she really was. She makes a good impression on another family.

After living with her new adopted family for several weeks, Kate grows suspicious when Esther expresses far more knowledge of sex than would be expected for a child of her age. Esther further antagonizes Kate by cutting flowers planted as a memorial to her stillborn child, casually reveals when other woman flirt with John (given he previously had an affair) and reads intimate details from Kate's diary. She is further alarmed when Sister Abigail, the head of the orphanage, warns her and John about Esther's tendency to be near when things go wrong. Esther overhears this and later kills Sister Abigail by bludgeoning her to death with a hammer. She convinces Max to help her with this and they hide all pieces of evidence in their treehouse.

A few days later at school, she opens Daniel's backpack causing his books to fall out when he's walking up the stairs. Kate gets out of the car to help him but leaves it running. Esther comes back to the car puts the gear selector in neutral and takes off the parking brake, causing the car to roll down the hill with Max still inside.

Daniel decides to retrieve the hammer which was used to slay Sister Abigail to prove Esther's guilt. However when he reveals his plans to Max, Esther overhears. The next day, Daniel goes to the treehouse and finds it unlocked. He enters the treehouse and searches for the hammer but finds nothing. Esther appears behind him and sets the treehouse ablaze to stop Daniel. She leaves the now-on-fire treehouse and locks Daniel inside, in an attempt to kill him. Daniel climbs out from the treehouse through the window and near burns to death, only ends up falling to the ground, injured and unconscious. Esther near murders him with a brick but Max shoves her out of the way. Daniel is hospitalized cause of the neck injury and abdominal bleeding. Esther then murders Daniel at the hospital but doctors save him. Kate, Knowing what happened, furiously slaps Esther and knocks her down and is immediately subdued and sedated.

Esther tries to seduce a drunken John, who finally realizes Kate is telling the truth and threatens to send her back to the orphanage. Esther, mad and hurt, ransacks her room and takes off her clothing/makeup, unwraps her breasts and removes the ribbons around her neck and wrists. Meanwhile, as Kate is coming out of sedation, she receives a call on her cell phone from the Saarne Institute. Dr. Värava, who works at the Institute, reveals that Esther is actually a 33-year-old woman from Estonia named Leena Klammer. She has hypopituitarism, a disorder that stunted her physical growth and caused dwarfism and as a result, she spent most of her life posing as a little girl. The doctor tells Kate that Leena is dangerous and especially violent.

At home, Leena, hurt from being scolded, murders John now wearing black long sleeves with her hair tied looking aged. Max witnesses her father being stabbed by Leena/Esther and hides in a hamper in her closet. Kate rushes home, only to find John dead. Leena gets a revolver from John's safe, shoots Kate on the arm and hunts Kate down before she goes to search for Max. While firing at Max in their greenhouse, Kate manages to break through from above Leena/Esther and knocks her out.

Leena later follows Kate outside to a frozen pond and lunges at Kate, where they fall and struggle onto the ice as Max watches from a hill above the pond. Max maneuvers herself to grab the gun that was dropped by Kate during the struggle. She fires at Leena/Esther but hits the ice instead, which breaks, causing Kate and Leena/Esther to drop into the water below.

After a brief struggle under the ice, during which Kate is stabbed in the leg and Leena/Esther is elbowed in the face, Kate climbs out partially, followed by Leena/Esther, begging Kate not to let her die, addresses her as "Mommy" while holding a knife behind her back. Kate then furiously responds, "I'm not your f**king mommy!" and kicks Leena/Esther in her face, breaking her neck and sending her back into the pond, dead, with blood rushing through the water, while Max and Kate are met by the police moments after as Esther's corpse keeps sinking to her watery grave. With this, the 7 people she had killed, the Sullivan family, Sister Abigail, and John Coleman are finally avenged.

---

When I was finished they were shocked and horrified!

Nico: I did not expect this!

Camie: Man she is pure evil!

Sirius: We got to stop her for good!

Lincoln: I'll use the Nightmare Demon's Vengeance Curse on her. I've had enough of this woman to last an eternity.

Iron Man: You sure you want to do that, Lincoln? Because you're not feeling like yourself right now.

Lincoln: I still want to do it.

Nico: Let him do it Tony.

Me: Yeah I agree with Lincoln on this one. I too have had enough of that malignant psychotic bitch to last 10 eternities!

Nico: Whoa! Hohoho-okay then.

Lana: Yeah ever since she hurt the Coleman family she has been asking for this for a long time!

Lola: Yeah!

Eli: She's on the roof of that building up there!

Eli pointed to a tall building and we went up to it.

We got to the roof and we saw LEENA KLAMMER!

Me: Leena!

She saw us!

Leena Klammer: YOU RUINED EVERYTHING!

Me: We've had it with you, you malignant fuckup bitch! Prepare to die!

Leena Klammer: You all will regret going after me!

She tried to stab Tony with a knife but thanks to his armor, it didn't do much. Only snap her knife in half.

Iron Man: (sarcastically) Ouch. (punches her in the face)

POW!

She got a broken nose and a black eye and she was really bleeding!

Nico: Nice one Tony.

Lola fired blasts of fire and burned her all over the place.

Eli fired Force Lightning blasts and electrocuted her all over.

Eli: Maybe that will give you a good much needed lobotomy!

Me: (Speaking in Estonian) Ma ei saa sinust üldse aru Leena! Te murdsite Saarne Instituudist välja ja tapsite nii palju süütuid inimesi ja põletasite nende maju ning teesklesite, et olete orvuks jäänud laps ja mille eest? Kõik sellepärast, et sa tahtsid emaks saada!? Mis perses hull sa oled!? (I don't understand you at all Leena! You broke out of the Saarne Institute and killed so many innocent people and burned their houses and faked being an orphaned child and for what? All because you wanted to become a mother!? What kind of a fucked up lunatic are you!?)

Leena Klammer: (Speaking in Estonian) Keegi, kes ei põe kedagi peale selle, et tahab kogu maailma põletada! (Someone who doesn't give a flying fuck about anyone except wanting to burn the whole world!)

Nico: You're insane!

?: And this time she will burn!

A Planchaküle appeared and slashed her all over with a sword made from a metal beam!

Lincoln: Now to make sure this monster pays!

Lincoln turned into Shadow Lincoln!

Lincoln: (Singing Divinely) I see a cold wind blowing through, I see days neither fun nor free, I see a future caused by you, I see a path not meant to be. Your future should filled with magic, dreams, and wishes brought to life. But, the days ahead are dark and tragic, no time for hope when all is strife, whatever might have been, all the dreams that you did share, because of you, Leena Klammer. Now, the future is a cold nightmare.

Lincoln fired two massive dark energy blasts from his massive black angel wings, and they hit Leena, and we also knew that the dark energy blasts also had a curse inside her and she was sent back to the Saturn Insane Asylum for eternity. Leena Klammer the most dangerous Serial Killer in Eastern Europe was sentenced to Eternal Life in Prison without The Possibility or Hope of Parole in the Saturn Insane Asylum's Arkham Asylum wing, and she was put in separate cell in Solitary Confinement, and chained to the wall of her cell with rainbow energy chains, and through the song Lincoln sang, Lincoln cursed her with Eternal Life Without Eternal Youth and Plagued Forever By The Demons of The Past and Eternal Nightmares, and she screamed in horror as Leena saw all the ghosts of the people she hurt and killed and tortured moaning in pain and agony, and screaming for her blood to be spilled.

Lincoln: (Smirks) Sweet dreams, Leena Klammer.

Nico: That was awesome.

Iron Man: May we have the name of our new friend?

The Planchaküle reverted back and it was a girl in red hair and red clothes.

Nico: Dahlia Newton!? Wow!

Dahlia Newton: Awesome to see you again Nico.

Me: That was awesome and you made that sword?

Dahlia Newton: Yep. Made it from a wrench and a metal beam.

Lola: That is really awesome.

Me: Planchaküle's have been known for taking stuff apart and putting them back together as something else.

Dahlia Newton: That is right. But that was awesome how you all faced Leena Klammer. I was actually hired by INTERPOL to take her down but you all did my job for me. Thanks.

Nico: No problem but it's great to see you again.

Dahlia Newton: Same here Nico.

Iron Man: That was a stupid move. Trying to stab my armor with a knife.

Dahlia Newton: It sure was. Leena may have been able to get away with her crimes for a long time with that little girl act but I wasn't moved by it one bit when I saw her.

Me: Me neither there.

Sirius: That woman had so many screws loose.

Lily: Yeah and she killed 10 people while she was on the run.

Camie: So horrible.

Momo: She may have been in the body of a little girl but her heart was as black as night.

Nico: That is true.

Iron Man: What is your favorite memory of Nico?

Dahlia Newton: I have a lot of them but my favorite was when we went to a pancake restaurant and we did the 7 Pound Pancake Feast challenge. It was a huge 3 foot pancake and it had bacon, eggs, hashbrowns, ham, steak and sausages all on it.

Me: Whoa! That is an all you can eat breakfast buffet right there.

Eli: Sounds like my kind of breakfast.

Dahlia Newton: Yep and as a Vermont Maple Syrup maker and lumberjack you got to have a huge lumberjack appetite. But me and Nico ate the whole thing and we became the first to ever win that challenge. Out of 703 people NO ONE has even come close to finishing it.

Nico: Yep.

Lana: Wow! That is amazing!

Me: You guys have massive appetites!

Byleth: That is a lot of food for you guys.

May: But that is awesome.

Nico and Dahlia then hugged.

Nico: I really missed you.

Dahlia Newton: Me too Nico. Me too.

Me: This was a really eventful rescue.

Dahlia Newton: It sure was. J.D. you were awesome doing that rescue. That was really amazing.

Varie: J.D. did really well.

Me: I saw that stunt on a video game that I saw on the internet and the area was perfect for duplicating it here.

Eli: Wow! That was still awesome bro.

Me: Yep.

Tsuyu: But that was great though.

Lola: Maybe now Leena Klammer will stay where she belongs and that is in the Nuthouse.

Lisa Loud: Indeed. These villains escaping from prison have gotten far too dreadful. But they are giving us a great challenge on all of our adventures.

Me: They sure are Lisa.

We later went back home.

Back home Lincoln was upset.

Maria: You okay, Lincoln? You seem very quiet.

Lincoln: I'm fine, Maria. Really. I am.

Nico: Let him talk about what is on his mind when he feels like it Maria.

Maria: Okay.

Lily: Lincoln you want some donuts. Me and Homer got them from Donut Joe.

Homer: Mmm Donuts.

Lily: (Laughs)

Lincoln: Sure thanks.

Lincoln got some donuts and he ate them.

Nico: You guys are the great gurus of donuts.

Me: They're just like Pablo and Anderson, and many more bullies we've met.

Lincoln: I'm surprised Wolfgang and his friends haven't been expelled yet.

Nico: Well, you're in luck, buddy. After we came back, I got a call from Principal Wartz, and he wants us to apprehend Wolfgang and his friends, and bring him to his office. He's decided to expel Wolfgang and his friends, and he's also called the cops who are on their way.

Lincoln: So, we just need to apprehend him and his friends and bring them to his office, we'll do just that, and thanks for joining us, Akira.

Akira: You're welcome, Lincoln. This is going to be one awesome bully-thrashing rescue. And you guys also did awesome in taking care of Leena Klammer again.

TLPS Mr. Wolf: We heard about what that psychopath did, and that was just pure evil. She deserved to get hit with the Nightmare Demons' Vengeance Curse.

Lincoln: That she did, TLPS Mr. Wolf. I thought we were done with her, but she doesn't know when to quit.

?: HELP!

Suddenly, Lincoln heard the sound of six girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the six girls, but they've been cornered by Wolfgang and his friends, and they're going to beat them to death.

Lincoln: Guys, I found the six girls, but they've been cornered by Wolfgang and his friends, and they're going to beat them to death.

?: (British Accent) Those unsophisticated brutes, let's get them.

Suddenly, we saw the Fire Princess Duel Monster appear before us.

Me: Whoa, the Fire Princess Duel Monster, awesome.

Lincoln: And I'd recognize that British accent from anywhere, I knew it was you, Charlotte Windsor, but we'll have to talk later, we got a couple of bullies to deal with.

We rushed on over, and Lincoln fired powerful rainbow energy balls at Wolfgang and his friends, and that allowed the six girls to get to safety. When Wolfgang and his friends saw us, they were mad.

Lincoln: Should've known you'd be back to bullying kids yet again, Wolfgang. But, guess what, you and your friends can consider this the last time you'll get away with bullying other kids, let's get them!

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, Lincoln's sisters transformed into their Super Angel Infinity forms and unholster their massive swords from their backs, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Akira Akatsuki, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Hector got out his massive Heaven's Maw of Judgement sasumata pike, and Me, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went at Wolfgang and his friends, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, stars, rainbow flames, and rainbow crystals, and they exploded with incredible power as they hit them.

Then, Lincoln fired dodgeballs made of Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, and Magic, and he threw them and they smash into Wolfgang and his friends, and it knocked them out, and Lincoln tied them up in rainbow energy straitjackets and rainbow energy chains, and after we holster our weapons and power down, we dragged Wolfgang and his friends to Principal Wartz' office. Principal Wartz was made Varie's Assistant Principal now.

Principal Wartz: Words cannot describe how disgusted I am that you all still haven't learned that we don't tolerate bullying other students in school. So, I have no choice, Wolfgang, you and your friends are hereby expelled from PS 118, and I've also called the cops, and you are heading for Juvenile Hall.

The cops came and they took Wolfgang and his friends away from PS 118, and they scream in rage at us, as we mocked them.

Lincoln: That's one group of bullies we're never going to see ever again. (To Charlotte Windsor) And it's so good to see you again, Charlotte Windsor.

Charlotte Windsor reverted back to normal, and she's a beautiful 17-year-old girl with long flowing red hair, red eyes, she's tall at 6'5" in height, she had the body of a goddess, she has the kanji for Fire tattooed on her forehead, she has massive fire angel wings, thanks to reigning in the power of Fire Princess, and she's dressed in a sleeveless red vest, sleeveless red midriff top, red skirt, red pants, red -high heeled boots, and red yellow sleeveless trenchcoat with flames on the coattails, and Flame Princess on the back.

Charlotte Windsor: (British Accent) You too, Lincoln, it's been a long time.

Lincoln went up to Charlotte Windsor and they hugged, and Charlotte Windsor's also very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become.

Lincoln: It sure has been a long time, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then.

Charlotte Windsor: (British Accent) Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Charlotte Windsor, one of my Guardian Angels from England, she has awesome fire angel powers, along with fire angel wings and fire powers too. Plus, she's the direct descendant of Mary, Queen of Scots, former Queen of Scotland from the 16th Century.

We were amazed.

Nico: Whoa, so she's the descendant of Mary, Queen of Scots, the former Queen of Scotland from the 16th Century, that's awesome.

Me: And she's also known as the long lost Princess of England back then centuries ago. We'll talk with Duke Lincoln and his family about Mary, Queen of Scots, they should have something to tell us about her.

Charlotte Windsor: (British Accent) And I've also got an immensely horrible revelation about Mr. Bolhofner that makes him worthy of getting the worst form of capital punishment ever.

We gasped in shock.

Lincoln: So, we got another revelation about Bad Breath Bolhofner, as if he wasn't as bad as we've all heard from the other Guardian Angels. Oh, and I got you a little something, Charlotte.

Lincoln gave Charlotte Windsor a large Fire Princess-themed sword with Fire Princess etched on the 6'10" massive, wide, double-edged red blade, large red lion heads for the crossguard, large red gem embedded in the rainguard, longer black handle, and four large red lion heads with red gems for eyes and in their open mouths and a large red gem on the bottom of the lion heads for the pommel.

Charlotte Windsor: (British Accent) Wow, I love the new sword you made for me, Lincoln.

Suddenly, a Thunderbird Necklace of Eternal Love appeared around Charlotte Windsor's neck with red gems on the gold lightning bolts links and red crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Charlotte Windsor: (British Accent) (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're now part of my harem and one of my many future wives, Charlotte.

Charlotte Windsor had a smile on her face and tears coming from her eyes, as she wrapped her arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around her waist, and he leaned down and kissed Charlotte Windsor on the lips, and she returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw them, he immediately recognized them. The six girls are Amatani Mutsu, Kujou Shion, Onishima Homare, and Suzumori Asuka from Are You Lost?, Miyuki from Miyuki-Chan in Wonderland, and Irina Jelavic from Ansatsu Kyoushitsu.

Lincoln: Oh wow, it's Amatani Mutsu, Kujou Shion, Onishima Homare, Suzumori Asuka, Miyuki, and Irina Jelavic.

Nico: From Are You Lost, Miyuki-Chan in Wonderland, and Ansatsu Kyoushitsu, awesome.

Amatani Mutsu: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made four clones of himself, and he and the four clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Amatani Mutsu: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Thunderbird Necklaces of Eternal Love appeared on the necks of Amatani Mutsu, Kujou Shion, Onishima Homare, Suzumori Asuka, Miyuki, and Irina Jelavic with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We returned to the TLPS World Tree Estate and we told everyone about the rescue, and they were shocked when they found out that the villains we went after were Wolfgang and his friends, who were still bullying other kids at PS 118 and they'll never learn their lesson.

But, when Lincoln showed what we did to them, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Charlotte Windsor have a lot of catching up to do, now that she's back in town, and as for Wolfgang and his friends, after they were expelled, they were each then sent to maximum security juvenile facilities, where they'd be held there until they were 18, but once that happens, if they still refuse to learn, they'll be sent straight to prison.

After we pulverized Wolfgang and his friends and got them expelled, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Charlotte Windsor saw Lincoln working out like crazy, she had an atomic red blush on her face.

Charlotte Windsor: (British Accent) Whoa, I was right that Lincoln has really grown to be a 17-year-old 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Charlotte, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Charlotte Windsor: (British Accent) That's incredible.

Nico: It sure is. So, Charlotte, what's this immensely horrible revelation about Stank Breath Bolhofner that you said made him worthy of getting the worst form of capital punishment ever?

Charlotte Windsor: (British Accent) You won't like it one bit, it happened at school. One day, I was walking to class, but then, I heard a loud scream coming from the hallway. I ran over there, and I found out where the source of the scream came from and who it also came from: it was Lincoln, and he, Clyde, Liam, Zack, Rusty, and Stella were cornered by an alligator that Bolhofner had brought into the school, and he was going to use it to kill them, and he also had a huge army of other exotic and extremely dangerous carnivorous animals. I immediately got so mad at that bad breath alcoholic abuser that I flew out, and I contained the exotic and extremely dangerous army of animals. Then, I fired powerful blasts of fire at Bolhofner and burned him badly. He then got so angry, he got out a machine gun and he was going to kill everyone in the school, but I fired another blast of fire, and it exploded in his face, and he got burned badly. Then, the animal control officers came and took the animals to the zoo, but as for Bolhofner, he was carted out by the cops in handcuffs, and not only was he charged with bringing wild and dangerous animals to school, along with abusing the students and the teachers, but he was also charged with bringing dangerous weapons to school with intent to commit first-degree murder. But, Bolhofner attacked the police officers and he got away.

We gasped in shock and horror.

Me: Whoa, I knew Bolhofner was really bad from what we heard, but this really takes the cake.

Lynn: I was there when that happened, and it was really horrible. He's really nothing more than a bad teacher and an alcoholic abuser with bad breath and bad body odor.

We then got a shower afterwards, but then, the alarm sounded, and when Lincoln checked the computer, and we were in for a shock: the one who tripped the alarm was none other than our old enemy, Mr. Bolhofner, and that bad breath alcoholic abuser's back from the dead yet again, and he's causing havoc in the school.

Lincoln: Oh man, guys, I found out who sounded the alarm: it's our old enemy, Mr. Bolhofner, and that bad breath alcoholic abuser's back from the dead yet again, and he's causing havoc in the school.

We gasped in shock.

Nico: What?! Bad Breath Bolhofner's back from the dead yet again?!

Me: I thought we got rid of him last year, along with Evil Roxas, Evil Demyx, and Evil Lexeaus, who also came back from the dead.

Lincoln: Looks like Bolhofner refused to stay dead for good. Well, it looks like we're going to have to pulverize him again, and this time, we're going to send him back to prison for eternity: and this time, with a curse that I developed meant for bad breath alcoholic abusers like him. Let's go.

We headed for the school, and we saw that Bolhofner was at it again, but this time he's trying to kill the kids and teachers with his bad breath. Lincoln made a chain of rainbow energy, and it wrapped around Stank Breath Bolhofner around his waist, and he pulled him outside where we were waiting. When Bolhofner saw us, he was really enraged and pissed off.

Me: How unpleasant of us to see you back again from the dead, Stank Breath!

Bolhofner: SHUT UP, KNUDSON! I HATE YOU SO MUCH!

Our auras flared up extremely as we gained a massive power boost from his hatred.

Me: Thanks for the power boost stinkbreath.

Bart Simpson: (Laughs) He is the true Baby Stinkbreath! (Season 14 Episode 11)

Lincoln: Nice to know you're still the same old unpleasant, bad-tempered, smelly, alcoholic abuser with bad breath, but this time, we're showing you no mercy this time!
